POETRY.

Sir John's Favorite Poem.

"Tis hard to toil-when toil is In barren ways;
Tis hard to sow—and never garner gra
In harvest days.

The burden of my days is hard to bear, But God knows best : And I lave prayed—but vain has bee

my prayer, For rest—sweet rest.

'Tis hard to plant in spring and neve

reap
The autumn yield:
'Tis hard to toil, and it is hard to weep
O'er fruitless field.

And so I cry, a weak and human cry, So heart oppressed; And so I sigh, a weak and human sigh, For rest- for rest.

My way has wound across the des

I pine-for rest.

Twas always so; when but a child

On mother's breast
My wearied little head: e'en then

As now-for rest.

o'er;
For, down the west
Life's sun is setting and I see the shore
Where I shall rest.

Ise Cream Freezers, Lawn Mowers and other seasonable hous-hold hardware at Brown's.

What are our business men going to do about early closing this summer? Other towns, such as Kentville, Canning, &c., have set the example, and the Wolfville men don't often wish to be left behind. The clerks certainly ought to have the vereinged, as a to be able to give more time to athletic sports. Besides the fire company, the base ball club, the bicycle club, etc., are all attractions. We feel sure our business men would feel better, and be as well off, if they were to adopt a system whereby the stores were closed at least three evenings in the week. We trust they will give the matter their attention and consider the duty they owe to themselves and their clerks in this regard.

Is have a little enjoyment out of these summer evenings, as as to be able to give more time to athletic sports. T. A. MUNRO, MERCHANT TAILOR.

Owing to my rapidly increasing trade I have found it necessary to enlarge my place of business. With the best help that can be secured I am now better prepared than ever to guarantee perfect satisfaction to all who may favor me with their orders.

Encouraged by the very liberal share of patronage extended to my Custom Tailoring Work during the few months of my residence here I would hereby ask the favor of the attention of the public to the increased facilities for extending my work, and the better inducements which I now have to offer.

For the better accommodation of my customers I am now showing a line of goods suitable to my trade, personally selected and embracing many of the neatest and latest patterns in Scotch, English and Cunadian Tweeds, Fine WORSTED COATINGS, &C. A full line of TAILORS' TRIMMINGS always on hand T. A. MUNRO, Tailor.

Hints on the Care of Plants.

Not one farmer in a hundred knows a much about grass as he should than a window full of thriving plants in Make a study of grass this season,

Is your farm so well kept that you nothing half so cheerless as a lot of Friend.

The trouble the novice in window gardening usually has in making plants thrive is because she does not understand adding nature by simple and harmless timulants. Then the red spiders and green flies are another enemy to the get the best results handling and training should begin when the colt is very young. Let the boy's acre be the best acre on the farm and his tools first class, the girl's cow the best in the herd, and the wife's "help" the best that can be procured.

If you do not want the sills of your barn and sheds to decay, keep the dirt away from them so that they will remain the green flies are no further signs of the green flies are no further signs of the presterous little plagues. This ath not only destroys the insects, but this spring she sweeps everything behind her.

Minard's Liniment cures Garnet in Garnet in

The season when most work is done on dust is an enemy to the plant growth in this Province

A small hand broom makes a good Do not attempt under any circum article with which to spray plants. Dip tances to keep 300, or even 200, adult it into a basin of luke warm water and fowls in one flock. Broads of half grown then beat the broom smartly against the chickens may be united in the fall until there are 500, when there is an unlimited range, but grown fowls never. In one several dippings of the broom will ear by persons who have to listen to you
