Convention Fund Report. The amount received Aug. 1, '98 to il 30, 99, was \$145.24. This is \$35.04 ahead of last year to date. A ance of \$204.76 remains to be collected by July 31. The time is short.

Organ Fund Collection. By you of the church, there will be a Sec-

Organ Fund Collection. By vote of the church, there will be a Spet Collection for the Organ Fund next Sunday, May 21. Envelopes I be distributed, and it is earnestly hoped that there will be a generous general response.

A report at the last business meeting brought out some exceedingly ng, westing facts in reference to our membership and the number who cones, atte by envelope. At present we have a resident membership of 369, is consists of 43 young men, unmarried, from 15 to 30 years of age; arresag women over 15 years, 80; men over 30 years, 78; women over 20 its 75, 152; boys under 15 years, 4; girls under 15 years, 12—Total, 369, this there are married men, 74; married women, 96; andows, 21; 26 illes have 133 members. It is well to learn that out of our entire resist membership and congregation, we have only 100 contributors by envet to the current expenses of the church, which by covenant obligation E St member promises to sustain on entering the church.

There is great chance for improvement here, and we believe it will be de.

The contributors may be classed as follows:—Young men, unmarried, young women, unmarried, 14; women, married, 12; widows, 7; men, ried, 47; men not members, 4; women not members, 1. There is much d for reflection here. "Every member, young and old, is expected to oribute regularly." It is a religious duty. He who neglects this part of thin is not keeping his soul open towards Go.i. He is living in disobetic, and missing the highest joys of the Christian life.

Here is a scheme which the report put forward. The estimates are namum. Many are able and ought to give very much more. 43 young weach giving 10c, per Sunday=\$223.60; 80 young women @ 5 cts. per wlay=\$208.00; 78 men @ 20c, per Sunday=\$811.20; 152 women @ 10c. Sunday=\$790.40; 16 boys and girls @ 2c, per Sunday, \$16.64.—Total is member=\$2049.84. Contributions from members of congregation, \$3.00—Grand Total \$2309.84, or an average of nearly \$15 a Sunday. See see can be easily done when each does his part. Let us have the contribute by envelope more general. We are making improvement financially sell as spiritually. The average collection for the last five Sundays has \$15.841.50. It ought to be much more than that every Sunday. Are you set to help to make it so?

c. The Pastor will be glad to speak with you at the close of each win. Kindly inform him immediately concerning the sick, manars, any without regular church home, and where a visit will hipfort. All are urged to use the information eards in pews.
