The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les Images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires origineux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires origineux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

READ AND REFLECT.

NOTICE TO OUR PATRONS—If the individual members of an audience would stop to think for just an instant, it would be well for them to consider the habit of rising from their seats and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Evenings—doors open at 7:30; curtain rises at 8:15 sharp. Matines—doors open at 1:30; curtain rises at 2:30 sharp.

Plan opens for each attraction two days in advance.

LONDON, ONT.

Seats can be secured by mail, telegraph or telephone. Tel. No. 732.

Advertisers are requested to register at the Box Office, leaving seat number, as this will enable Ushers to find them if called for, without disturbing the audience.

Carriages can be ordered at the Box Office or of the Chief Usher.

Please report to the management any infringement on the part of the employees.

Oversets, packages and umbrellas checked for a small charge.

For all lost articles apply at Box Office. Opera Glasses can be rented by applying to Ushers or at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in being boisterous and using profane language. These people should know at once that the court authorizes their immediate expulsion, should the management see fit to exercise its rights.

VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know that the vast majority of which some second class druggists dishonestly palm off on their customers, have little or no value. What should be understood by the public is, that it is not a mere question of comparative value between Vaseline and the various imitations, but that the imitations do not effect the wonderful healing results of the world renowned "Vaseline," and that they are not the same thing nor made in the same way. Besides this, many of the imitations are harmful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Perfect safety therefore lies in buying only original packages put up by and marked with our name.
