DROP PART OF SPINNEY BILL

Disagreement in Other Committees and a Unanimous Finding on C. N. R. and Fuel Matters Thought Unlikely.

Ottawa, May 18.—In executive session yesterday a special committee appointed to consider the Spinney bill to amend the civil service act of 1918, decided to ask parliament to drop the proposals in the bill sent to the committee in favor of a clause which asks the civil service commission to draw up a schedule of the grades, classes or provisions which, in its opinion after consultation with deputy ministers or otherwise, should be withdrawn from the scope of the civil service act.

Other parliamentary committees which have to make reports to parliament will not be so unanimous. Dr. Michael Steele, chairman of the fuel committee, threatened to resign because of his curiosity as to what the cost sheets of coal mines would reveal and because they passed a motion asking for their production.

Questions about wages of railway men were debated on the ground that the whole business of the railway industry is based as they are on dual systems of mileage and hours of work, is too technical for the layman to understand.

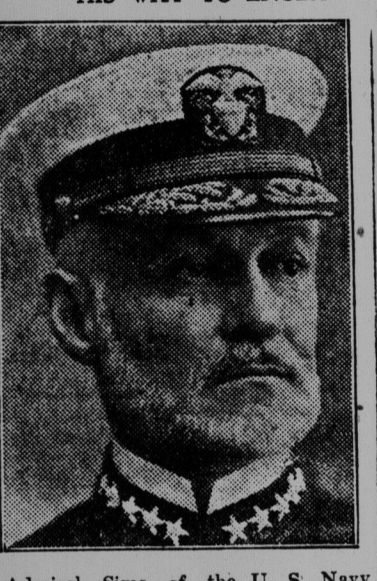

Ottawa, May 18.—(Canadian Press)—A report from the special committee on pensions, insurance and re-establishment is expected to reach the commons about Monday. The committee, it is understood, is now taking up the questions of housing and unemployment and will probably spend another day or so on these two problems.

Receipts in License Fees May be Between \$200,000 and \$300,000.

Fredericton, May 18.—That there will be not fewer than 10,000 motor vehicles licensed in New Brunswick this year and that the receipts from motor vehicle license fees will reach the \$200,000 mark by the end of May, and will probably be as much as \$300,000 for the present year, were predictions made by Hon. T. J. Venier, chief forester, here returned from the northern part of the province, visiting Newcastle, Campbellton, St. Quentin and St. Leonard.

St. A. Prince, chief forester, has returned from the northern part of the province, visiting Newcastle, Campbellton, St. Quentin and St. Leonard. He reports that the northern section is quite dry but no fire has been reported. The regulation forbidding the issue of fire permits after May 10 has been well observed, especially along the International railway, and has greatly reduced the fire hazard in that district.

ADMIRAL SIMS ON HIS WAY TO ENGLAND

Admiral Sims of the U. S. Navy will receive the degree of Doctor of Laws, at Cambridge University.

Admiral Sims of the U. S. Navy will receive the degree of Doctor of Laws, at Cambridge University.

More General Endorsement

The London Press and Lloyd George's Speech.

Morning Post Editorial Headed "Smashing the Entente," but Others Endorse Stand—French Papers Criticized.

London, May 18.—Newspapers here today showed greater unanimity in endorsing Premier Lloyd George's declaration of the British attitude toward Poland and Silesia, made yesterday, than they did his almost sensational statements before the House of Commons on last Friday.

The manner in which the premier's statement of last Friday was received by the French press was generally criticized. The Telegraph repudiating accusations that Lloyd George expressed distrust of France, or hinted at an Anglo-French estrangement.

Milk 10 and Butter about 30

Cream Five Cents Half Pint—Expected Prices in Ottawa on June 1st.

Ottawa, May 18.—Milk retailing at ten cents a quart, cream at five cents a half pint, and the best butter at about thirty cents a pound, are almost certain to be the prevailing prices for these dairy products in Ottawa on June 1.

FOURNIER-WALLACE. A very pretty wedding was solemnized this morning at 7:30, in St. John the Baptist church, when Rev. A. W. Meahan, D.D., united in marriage Miss Rose Wallace and Edward Fournier.

SAYS FRENCH CAN NOT SWING IT

Declares Englishman or Italian Should Command.

Countess, in Berlin from Upper Silesia, Alleges Order Can Then be Restored—Makes Charges Against the Poles.

Berlin, May 18.—Order cannot be restored in Upper Silesia while Gen. Lenoir, or any other Frenchman commands the inter-Allied forces to whom is entrusted the execution of the Versailles treaty, said Countess Scherz-Thoss, who arrived here yesterday, with other refugees, who escaped from the area affected by the Polish insurrection in the plebiscite area.

Grand Lodge of Oddfellows

Order Making Rapid Growth, Says Hon. Joseph Oliver at Lennoxville.

Sherbrooke, May 18.—"It is a good thing to be friendly, and all the fraternal societies are growing more friendly than ever before," said Grand Sir Hon. Joseph Oliver, speaking before the Oddfellows Grand Lodge yesterday at Lennoxville.

Police Court

William Gantner, charged with having liquor unlawfully in his possession on the evening of May 17, was fined \$100 and costs.

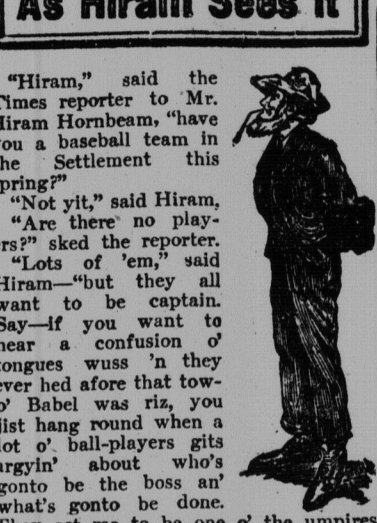

Inspector Barrett, who was charged with having liquor unlawfully in his possession on the evening of May 17, was fined \$100 and costs.

Inspector Barrett, who was charged with having liquor unlawfully in his possession on the evening of May 17, was fined \$100 and costs.

Inspector Barrett, who was charged with having liquor unlawfully in his possession on the evening of May 17, was fined \$100 and costs.

Inspector Barrett, who was charged with having liquor unlawfully in his possession on the evening of May 17, was fined \$100 and costs.

As Hiram Sees It

"Hiram" said the Times reporter, "have you a baseball team in the Settlement this spring?"

City Council Has a Busy Morning

Expect to Discuss Plebiscite on Harbor Commission Soon.

Mill Pond Filling is Subject of Report—Delegation Asks for Removal of the Queen Sq. Tracks—Street Railway and Paving Matters.

This morning's committee of the common council was a particularly busy one and a volume of business was transacted.

Delegation from the West Side Improvement League, consisting of W. E. Scully, M. P. F. chairman, J. Fred Belyea, Jasper Cameron and others, and W. K. Haley, president of the common council association, appeared in connection with the removal of the tracks from the Queen square.

MR. LOGGIE IS A LITTLE BETTER (Special to The Times) Chatham, N. B., May 19.—W. S. Loggie had a good night last night and his physician advises there is a slight improvement in his condition this morning.

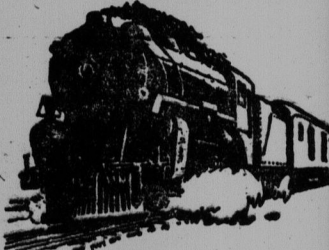

A HUGE ANIMAL. Watertown Lakes Park, Alta., May 19.—An enormous mountain lion or cougar was killed here recently by Andrew Bower, park ranger. The animal measured 7 feet, 11 inches in length. As these animals are one of the most destructive in the mountains and annually kill a large quantity of game, the killing of this lion is of great value to the park authorities in their efforts to protect the deer, sheep, etc. The skin has been forwarded to Dr. Anderson of the Victoria Memorial museum, Ottawa.

GOT IT CORRECT (London Advertiser) The cub reporter was printing out a marriage notice. Finally he brought it up and laid it on the city editor's desk. "Mr. and Mrs. Blank announced today the marriage of their daughter, to take place next Monday." "Fish!" granted the editor. "You can't say they announced a marriage yet to take place."

Again the cub jabbed away at his typewriter. And when he brought it back this time it read: "Mr. and Mrs. Blank predicted today the marriage of their daughter."

LOCAL NEWS

The executive of the Fundy Chapter of the Imperial Order of the Daughters of the Empire entertained at luncheon at the Green Lantern yesterday in honor of Miss Madeline deJoyes, former secretary of the Y. W. P. A. Miss Alice Fairweather, the regent, presided and there were nine members present.

Miss Lillian D. Kane, who has held the position of executive nurse at the General Public Hospital for five years, has tendered her resignation. She was chosen by the board to reconsider her decision but she did not wish to do so and her resignation will take effect the first week of June. Miss Kane is a graduate of the hospital and a resident of West St. John.

Work on the new nurses' home is nearing completion and the architect, F. Neil Brodie, said last night that there only remained some painting to be done. He thought the contractors might be out of the building before the first of the month and that if the Women's Hospital Aid wished to do so some furniture might be sent in next week.

UNSELFISH MOTTO. Winnipeg, Man., May 19.—"That we may profit others" is the motto of the Western Canada Colonization association, adopted by the board of directors at a recent meeting. It will be embodied in Latin on the shield of the organization and will read "Ut Alis Prosimus." The shield decided on by the directors is comprised of the arms of the three prairie provinces entwined with maple leaves. It will be used on all official documents.

Give this assistant a chance— Here's a highly efficient capable worker who will help without hindering.

Grape-Nuts is a scientific food which nourishes the body without burdening the stomach. It contains the perfected nutriment of nature's best grains. It is partially pre-digested. It gives energy without taking energy. There's a big difference in the day's work, with a helper like that. Many have found it so. Grape-Nuts, served with cream or milk, is a joy to the taste. But that's only the beginning. It's a first aid to body and brain. That's the delightful finish. Made by Canadian Postum Cereal Co., Ltd., Windsor, Ont.

FRANCE HAS MANY DEFICITS

State Controlled Operations Worked at Loss—Monopoly on Gasoline Costs Money—Criticism in Parliament.

Paris, April 29.—(A. P., by mail)—Charges that the French government usually suffers a loss in its business ventures were made in recent debates in parliament. It was asserted that the government's operation of the state railroad, post office, telephone and telegraph lines, the gasoline monopoly and supplies left over from the war, were all unbusiness-like, and the cause of heavy balances on the wrong side of the ledger. The state railroad's estimated deficit for 1921 is given in the budget at the equivalent of \$20,000,000. "Every time the state railway received 100 francs," says the senate public works commission, "the taxpayer must take fifty-seven francs out of his pocket to balance the railroad's accounts." Operation of posts, telegraphs and telephone calls, in the budget, for a deficit of about \$44,000,000. The government trade in gasoline—a monopoly held over from the war—it was said in the chamber has been costing the state \$1,125,000 monthly. The government has on hand eight months' supply, bought on a higher market, and worth now on the world's market, according to oil experts, about \$150,000,000 less than it cost. Twenty thousand employees of the posts, telegraphs and telephones, according to a senate commission's report were ordered discharged after the war at insistent suggestion of parliament, in order to give their old places to war veterans. The government, the report continues, gave them from 400 to 500 francs each when discharging them as temporary employees and then, according to an imaginative conversation recited in the senate by Senator Pellissier, the government said to the employees: "What would you say if I were to

SEARCH FOR A RIVER OF GOLD

Peculiar Tale of Lone Trapper Who Lived in Plenty Sets Prospectors on Trail.

Edmonton, Alta., May 19.—Search for a lost river—a river of gold—will be undertaken this year by several prospectors, including old-timers from the Yukon and Alaska, who are now here outfitting for the long journey into the north country. This lost river bed, where the Peace River once flowed, is somewhere in the big bend of the Peace, bisected by a line drawn from Fort St. John to the mouth of the Battle River. Some years ago an Indian brought in to Fort St. John a fair sized gold nugget which, according to the tale told by old timers of the north, he discovered in a stream in the country to the north-east of the post. Soon after this an old trapper, a white man, who made Fort St. John his headquarters, came in to the Fort with a quantity of coarse gold which he had washed from some stream in a similar direction to that from which the Indian hailed. He never visited his trap lines after this, living on the fat of the land in care-free idleness at the post. He often disappeared, when ever his supplies of necessities ran low, and would be away for a few days, always returning with a fresh supply of gold. This aged trapper lived in this manner for a number of years. He died, as many trappers and north country men have, on the trail. His body was found frozen. With him went his secret, never having told to anyone the location of his find. The books of the Hudson's Bay Company still contain a large credit ac-

count in the name of the old trapper. Northmen, who tell the story of the mystic El Dorado north of the Peace, declare that the gold was only available after a heavy fall of snow, with which the old fellow apparently washed his mineral. From an analysis of the circumstances generally, it is thought that the place from which the gold was taken was some old river bed where the Peace once flowed, but whether the story is correct or not remains to be proved. Prospectors, however, are putting up good money to test the truth of the theory that the precious metal does exist somewhere to the north of Clear Hills in large quantities.

ANGELICAN CLERGY TO GET \$1,500

Halifax, N.S., May 18.—That the minimum salary paid to any priest of the Church of England in Nova Scotia should be \$1,500 per annum, was recommended by the Nova Scotian Synod in session here today. A clause originally contained in the recommendation, which would have made five years service in the Church a necessary qualification for a priest who should come "under this ruling, was struck out, when the matter came before the synod as a whole.

THE IDEAL TRAIN FOR BUSINESS MEN.

The Canadian Pacific has announced, effective May 1, new train service between Montreal and Hamilton and vice versa, which should become popular with traveling public, between Montreal, Ottawa, Toronto and Hamilton and other upper Canadian cities. This train will consist of electric lighted standard sleeping standard coaches, and will operate between Windsor street station, Montreal, and B. station in Hamilton.

MR. HORATIO NICHOLS, The Famous Composer, writes—

"I could have no more pleasant task than this of writing to thank you for the assistance that your wonderful Phosferine has given me in warding off illness and thus helping me in my work. Two numbers were desired by my publishers that would go one better than my success 'The Kingdom Within Your Eyes,' and 'The Heart of a Rose.' I was feeling equal to nothing, but through taking Phosferine the old inspiration returned with renewed health. The songs that I finished easily when Phosferine had re-established me are 'I'd Just Paint the Leaf of the Shamrock,' and 'That Old Fashioned Mother of Mine.' 8 Denmark Street, Charing Cross, London, England."

THAT OLD FASHIONED MOTHER OF MINE
Written by HENRIETTA BATES.

Tenderly.
Just an old-fashioned lady

PHOSFERINE

A PROVEN REMEDY FOR

Influenza	Neuralgia	Lassitude	Rheumatism
Indigestion	Migraine	Headache	Malaria
Blepharitis	Menstrual Weakness	Fatigue	Headache
Exhaustion	Premature Decay	Brain-Fag	Nerve Shock
Nervous Debility	Mental Exhaustion	Anemia	Scoliosis
	Loss of Appetite		

Phosferine has a world-wide repute for relieving disorders of the nervous system more completely and speedily, and at less cost than any other preparation.

SPECIAL BUSINESS AND TRAVEL NOTE
Phosferine is made in liquid and Tablets, each sold in two sizes. The Tablet form is particularly convenient for business men and women, all outdoor workers, travellers, sportsmen, etc. It can be used any time, anywhere, in accurate doses, as no water is required. The No. 2 tube is small enough to carry in the pocket and contains 90 doses. Anyone affected by unhealthy localities or climatic conditions will be the better for Phosferine—always put a tube of Tablets in your outfit.

GIRLS! BLEACH UGLY FRECKLES

Squeeze the Juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quart of the best freckle and tan lotion, and complexion whitener.

Massage this sweetly fragrant lemon lotion into the face, neck, arms and hands each day and see how freckles and sunburns bleach out and how clear, soft and rosy-white the skin becomes.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an itching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, corn between the toes, and the callus, without soreness or irritation.

Skin Troubles Soothed With Cuticura

Best Preparation for Itching, Burning, Redness, Swelling, and All Skin Affections.

THE EVENING TIMES AND STAR, ST. JOHN, N. B., THURSDAY, MAY 19, 1921

The Evening Times and Star

The St. John Evening Times is printed at 27 and 29 Canterbury Street, every evening (Sunday excepted) by The St. John Times Printing and Publishing Co., Ltd., a company incorporated under the Joint Stock Companies Act.

HON. DR. ROBERTS The election of Hon. Dr. Roberts as president of the Canadian Health Association is a deserved tribute to a man who has done a great deal of work in the past few years for the advancement of the cause of public health in this continent.

The example of New Brunswick has been cited in other provinces of Canada and throughout the United States, and has greatly encouraged and stimulated those who sought to introduce progressive health measures and arouse a more general interest in all matters pertaining to public health.

Half a dozen years ago Dr. W. F. Roberts had no other distinction than that of a practicing physician in St. John who was a keen student of all that pertained to public health and lamented the lack of interest in the whole subject in his native province.

The growing recognition of the value of the work of nurses and the demand for their services is indicated by the following item from a United States public health service bulletin:—“Owing to the great demand for nurses throughout the country and especially in government hospitals, the United States Public Health Service has decided to open training schools in such of its hospitals as may be fitted for the work.”

A JOLT FOR PROTECTION The protectionists have received a rather severe jolt of late from two sources. A London cable this week said:—“A manifesto signed by Lord Chamberlain, Sir C. Goodenough, Sir Everard Hambro, Lord Inchepe, Hon. Frederick Huth Jackson, Sir Robert Kinnear, Walter Leaf, Reginald McKenna and other British bankers protests against any measure to check free trade, decline to restrict imports will mean restriction of exports also. Government checks, licenses and tariffs can only impede improvement of continental exchanges and prevent natural recovery of trade, while it is necessary to find markets for huge accumulated stocks of goods in British warehouses.”

“We cannot limit imports,” says the manifesto, “without limiting our export trade and striking a grave blow at world-wide commerce, on which this kingdom principally depends.”

It is now expected that parliament will prorogue next week. The government will come through the session with lessened prestige, and there are again rumors of the possibility of an appeal to the people in the fall. Such an appeal, however, will probably not be made before another session of the house. In the meantime Premier Meighen will have attended the conference of the Dominion premiers and may discover some campaign material.

Mr. Lloyd Harris, former Canadian trade commissioner, says that the present government at Ottawa “has less business understanding than the boy in the street.” This is of course an extreme statement, but the feeling grows throughout the country that a change at Ottawa would be good business.

M. P. WHO WAS A KNITTER OF SOCKS London, May 9.—(Associated Press by Mail).—The death of J. Cathcart Watson, member of parliament for the Orkney and Shetland Islands, removes one of the most original characters in the House. Mr. Watson was 75 years old and stood six feet six inches in height.

News For Thirsty Souls. Victoria, B. C., May 19.—Loganberry wine, with a delightful flavor, brilliant color and a most potent and satisfying “kick” made in Spanish and sold through the provincial government liquor stores as British Columbia wine, is being scrupulously advanced as the most practical solution of the question “What is to become of the great crop of loganberries forecast for this season?”

J. H. Sutton, secretary of the Fruit Growers' Association, is the sponsor for this novel scheme. He advances his proposal with a challenge to anyone to produce a more practical plan for meeting the unexpected emergency brought about by the collapse of the loganberry market.

THE WALK

The little cares that fretted me, I lost them yesterday, Among the winds that blew, Among the lowing herds, The rustle of the trees, Among the singing birds, The humming of the bees.

LIGHTER VEIN. Marcus looked at his chum Tony. Tony's face was as long as a fiddle. And Tony had just become engaged to beautiful Marcelle Lennox.

“The thing that counts,” said the Highbrow, after witnessing his first ball game, “is that success in this sport can be attained only by perfect co-operation among the players, each subordinating his own individuality to that of the organization of which he is a part.”

Had to Tell The Truth. The moving picture actor was using a company for an immense sum for breach of contract. Upon being cross-questioned by the opposing lawyer as to why he demanded such a sum, he replied:—“Because I am the greatest actor in the world.”

MORNING NEWS OVER THE WIRES It was announced at the offices of the Canadian Railway Association in Montreal yesterday that notices had been issued by the railways to the employees that a general revision of wages and working conditions would be made. This meant that wages will take a downward trend.

COAL OIL FOR WINNIPEG FIRE; WOMAN DEAD Winnipeg, May 19.—Mrs. C. H. Lums of this city, is dead and her husband, Mr. and Mrs. C. H. White, were injured as the result of a coal oil explosion at her home while trying to ignite a fire in the kitchen stove. Mrs. White is in serious condition as the result of burns received when she tried to extinguish the flames.

YOUNG ESMONDE HELD FOR TRIAL Vancouver, May 19.—O. T. Gratton Esmond must stand trial at the criminal assize court in session here, on a charge of uttering sedition. The grand jury today returned a true bill. Esmond's case may not be heard until next week.

WINNIPEG'S WOMEN'S COUNCIL ARE SEEKING REFORMS Winnipeg, May 19.—The appointment of chaplains and police women on beach trains and river steamers running out of Winnipeg is being urged by the Council of Women. A better lighting system in the parks is also suggested. During a recent session of the council, it was pointed out that much improper conduct had resulted from the lack of proper chaplains during past winter seasons and that it was now time to take action and thus prevent the continuance of such demoralizing conduct.

AUSTRALIAN SPELLING AMERICAN SPELLING Melbourne, April 20.—(A. P. by Mail).—American forms of spelling have been barred from official documents in the high court. The federal chief justice has announced that he will not allow their introduction and ordered the spelling of the words “program” and “center” changed to “programme” and “centre.” He remarked that English spelling was good enough for him.

A LARGER POLICY. Calgary, Alta., May 19.—The largest insurance policy ever written in western Canada, making Calgary the first city west of Ontario to take up the group insurance for its employees, was signed by Mayor Adams and a Canadian insurance company recently, putting into effect the whips' rooms, while uninteresting debates were going on in the chamber.

DESTROY PRECIOUS WOOD. Mexico City, April 30.—(A. P. by Mail).—Newspapers here have taken up an active campaign to save the vast forests in the states of Puebla and Oaxaca, which, according to reports, are said to be suffering at the hands of the natives, who chop down and burn trees indiscriminately.

Travelers from these regions tell of finding natives using ebony and mahogany and other precious wood for fuel.

SUGGESTS MAY 30 AS MEMORIAL DAY

Would Have Empire and Republic Join in Tribute to Their Dead on That Day.

To The Editor of The Times: Sir—The interest which has for several decades followed the beautiful custom of decorating on May 30 the graves of our fallen sailors and soldiers, was an example for the Empire and what an inspiration at this time.

What an influence upon the best thought of the world would be the knowledge that on that day one-third of the world population and area kept in mind the memory of their sailor and soldier dead; and this great race, having charge of so much of the world, were themselves under the reign of one law, the law of arbitration, and that war and the horrors between nations at least, would be known no more.

The objection may be raised that two holidays, Empire Day and Memorial Day, come too close together. But May 30 need not be a legal holiday for The Empire, but rather the day in the year when everyone, children and adults, would wear a sprig of evergreen on a picture to all observers that they had in mind their fallen heroes of every race, creed and color, and that on that day they would decorate the graves of their brave dead.

INQUEST HELD AS A WARNING TO THOSE IN DANGEROUS WORK A verdict that the death of George W. Pope was caused by his falling from the flagpole of No. 1 fire station through the breaking of the halyard while he was engaged in painting the pole, was brought in last evening by the jury empaneled by Coroner H. A. Porter to inquire into the death of Pope, who was fatally injured last Friday afternoon and died shortly afterwards. The jury viewed the body last Saturday.

SMOKE T & B The longer you use it, the better you like it.

LADY ASTOR REBUKED. London, April 28.—(A. P. by Mail).—Lady Astor received a rebuke from the speaker of the House of Commons the other day. During question time a member had asked a question about the murder of Kate Carroll, who was murdered, it is charged, by armed Sinn Feiners because she had written letters against illicit drinking in her neighborhood.

BRITISH CROWN Assurance Corporation Limited OF LONDON, ENG. SECURITY EXCEEDS EIGHTY MILLION DOLLARS G. E. L. JARVIS & SON GENERAL AGENTS

1834—May 19—1921 Our 87th Birthday

IN ANNOUNCING the 87th Anniversary of the establishment of our business we are well aware that age counts for little unless the experience gained and strength acquired make for better service and greater usefulness. These are the days of high speed, high tension and greater responsibilities. Wide awake new methods are necessary to meet the demands of modern business, and we are keeping right up to the times as to methods and the use of modern machinery.

We like to think, too, of our business associates as our friends. We like to feel that in a broad sense our customers are our partners; that our success is but the reflection and the result of their good-will and patronage. We shall strive to continue to deserve your esteemed patronage with meritorious goods and courteous treatment.

This is a reproduction of one of our earliest advertisements 83 years ago. We reproduce it here as of historical interest only. We do not now keep dry goods, but the thousand and one things in the hardware, mill, plumbing, steamfitters', contractors', automobile and motor boat line you will find in our establishment are worthy of inspection and your trade. Yours respectfully, T. McAVITY & SONS, LTD.

RECENT WEDDINGS

A wedding of much interest took place at Trinity church last evening at 8 o'clock when Miss Beatrice Ireta, daughter of Mr. and Mrs. James Letimer, 89 Inster street, was united in marriage to Leonard P. McGeouch, also of this city. The ceremony was performed by Canon Armstrong. Miss Margaret Gough acted as bridesmaid, while Miss Letimer, brother of the bride, was her attendant. The bride wore a gown of white tulle and lace, and carried a bouquet of white flowers. The ceremony was held at 8 o'clock, and the bride and groom were accompanied to the altar by their parents. The bride received many gifts, including a chest of silver from the firm of Byrne & McGeouch, which the groom is a member. The ceremony was held in the presence of a large number of guests. The bride and groom were accompanied to the altar by their parents. The bride received many gifts, including a chest of silver from the firm of Byrne & McGeouch, which the groom is a member. The ceremony was held in the presence of a large number of guests.

The marriage of Miss Gertrude S. Cole to William M. Beattie of West St. was celebrated last night at the residence of the officiating clergyman, St. John, at 74 Tower street. Mr. and Mrs. Francis Gough were the attendants. After the ceremony a wedding supper was served at the home of the bride's parents, Mr. and Mrs. William Beattie, 172 Tower St., West St. John, where many guests and relatives gathered to wish the bride and groom all happiness. The bride is a daughter of Benjamin Cole of Ashbury (Mass.) and is a graduate of the general public hospital in St. John, as practiced her profession of nursing in St. John and has many friends. Mr. and Mrs. Beattie left for their wedding tour. They will first at the bride's home in Amherst and afterwards will visit several American cities. On their return will reside at Ludlow street, West St. John. The good wishes of a host of friends are extended to them.

The residence of the officiating clergyman, Rev. G. F. Dawson, on Wednesday afternoon, the marriage of Miss Luella Robinson to Edith Laves, both of this city. Following the ceremony a dainty luncheon was served at the home of the bride's mother, Mrs. B. W. Scott, Union street, which the happy couple left on an upper Canadian circuit.

The marriage of James Henry Hunter to Miss Annie Jane Whittaker was held yesterday afternoon at the residence of the officiating minister, Rev. Tedford, in Haymarket square. Hunter attended the bride and the man was Edward Laird. Both bride and groom are residents of Fair St. John county, and will make their home there.

The wedding of Miss Susan P. Martin to William P. Thompson took place last night at the bride's home, 850 Union St. Rev. Neil MacLaughlin of the square Methodist church, officiated. The bride is the daughter of Mr. and Mrs. George H. Martin and the groom is the son of the late William

Buy Radio. There is a difference and there is a reason. THE DIFFERENCE—When compared with other coals, RADIO shows a big percentage less ash; a big percentage less stone and a lot less bother in as much as it burns cleanly. THE REASON—The quality of Radio, the efficiency with which an order is handled and the prompt and courteous way in which it is delivered. CONSUMERS COAL CO. LTD. Phone M. 1913. 331 Charlotte St.

All Wool Canadian Ensigns \$2.10 to \$13.00. (Second Floor.)

Manchester Robertson Allison Limited. KING STREET GERMAIN STREET MARKET SQUARE.

She Did Not Believe The DELTOR Could Save Her 50c to \$10. SHE had made her own clothes for ten years. She had cut, fitted and finished them herself. She believed that she could lay out any pattern as economically as any expert would. How, then, could the Deltor save her any money? In answer, she was asked to choose any Butterick pattern—take a piece of material of the length the Deltor specified, and to lay it out in her own way. Then She Tried to Lay Out Her Pattern Without the DELTOR. SHE used all her skill in dressmaking—all her ingenuity in "piecing". Yet, after an hour, the pattern still refused to go into her length of material. Then she was given the Deltor guide—laid out by experts for every size, in every width of suitable material. In a few minutes, every piece was in place—every one the right way of the weave—and not only going easily into the length of material, but taking much less than she admitted was the smallest amount she would have used! And this is only one of The Three Wonderful New Features of the Deltor. THE others are the "picture-guide" for putting together, showing by graphic pictures every step that an expert would take—and instructions for finishing, showing the "Frenchy" little knacks that give the garment you make the air of having been "imported from France"! IT does not matter how expert or inexperienced you are, the Deltor has a message of help and ECONOMY for you! Select any new Butterick pattern, and you will find enclosed the complete Deltor—to save you money, fuss, time, and insure such results as you have never attained before! BUTTERICK Style Leaders of the World. For the Last Word in FASHIONS. STYLES with the authority of Paris, that YOU can make yourself with the Deltor—with Paris' own inimitable chic and charm. For FICTION HOME ECONOMY ETIQUETTE. Just get The Delineator.

Miss Orrell of Fort Fairfield (Me.) was greatly beloved by all who knew her for her lovely character and disposition. She is survived by her husband and two daughters. The daughters are Mrs. W. H. Anderson of Melrose (Mass.) and Miss Mabel, at home.

Mrs. Gordon Holmes of Bath, N. B. received word on Monday that her husband had been drowned while working on a lumber drive near St. Leonard's. The body has not yet been recovered. Mr. Holmes was only thirty years of age.

Word of the death in Gagetown of Mrs. Robert Gillen was received in this city last night and was a great shock to her relatives and many friends. Mrs. Gillen died yesterday afternoon at a residence of her step-son, Frederick Gillen, in Gagetown, where she had gone to visit some little time ago. She was ill only a short time, but word was sent to St. John and her husband was with her when death occurred. She was for many years resident in St. John. Besides her husband she is survived by her daughter, Mrs. Frank Monteth, with whom she had made her home in St. John and two brothers, Mr. Howard and Edward Howard of this city. The funeral will take place in Gagetown on Friday afternoon at the residence of Frederick Gillen.

MANUFACTURING BRIOQUETTES. Winnipeg, Man., May 19.—Thirty thousand tons of lignite briquettes will be produced annually at the plant at Blefield, Sask., J. M. Leamy, Manitoba representative on the Lignite Utilization board, states. Recommendation has been made that a meeting of the board should be held during the latter part of the month to make final plans for opening the plant and distributing the fuel. The cost of the plant was \$720,000, of which Manitoba and Saskatchewan paid \$180,000 each and the federal government the balance. If this plan proves successful it is expected that additional plants will be established throughout the coal fields of the west.

Emmerson, 81 Union St. West Side.

How to Rid the Arms of Objectionable Hairs. (Aids to Beauty). A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required. Mix a stiff paste with some powdered detalone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real detalone.

Had Kidney Trouble For Thirty Years. WHY W. J. HAMPTON RECOMMENDS DODD'S KIDNEY PILLS. Manitoba Man Says the Pain is Nearly All Gone and That Dodd's Kidney Pills Worked Wonders For Him. Newdale, Man., May 18.—(Special)—That even the most chronic case of kidney disease and rheumatism can be benefited by the use of Dodd's Kidney Pills is the belief of Mr. W. J. Hampton, a well-known resident here. "Dodd's Kidney Pills certainly worked wonders for me," Mr. Hampton states. "My kidneys were so bad at times that I could not work and I was also a sufferer from rheumatism. Mine was a chronic case of thirty years' standing. Now the pain is nearly all gone and I recommend Dodd's Kidney Pills to all sufferers from kidney trouble." Rheumatism is one of the effects of kidney trouble. The weakened kidneys fail to strain the uric acid out of the blood and rheumatism follows. Ask your neighbors if Dodd's Kidney Pills are not the best remedy for weak or diseased kidneys.

SAY SOLDIER SETTLEMENT SHOULD BE HANDLED BY THE PROVINCES. Winnipeg, Man., May 19.—"Administration of the Soldier Settlement Board in Canada should be in the hands of individual provinces rather than under federal control, for provincial government officials in charge of the department of agriculture have a much wider knowledge of provincial conditions than can possibly prevail in Ottawa," said Col. Hambley, for many years a member of the British House of Commons, representing the Woodstock division of Oxfordshire, during an interview while visiting this city. Col. Hambley is interested in bringing out Imperial ex-service men to Canada to settle on the land, and is desirous of having them colonize in communities where they would be able to keep in touch with their friends. He is also deeply interested in bringing settlers to Canada from the old land to provide them with work. "England is overcrowded," the colonist said, "and the only thing that remains to be done is to transplant them to the overseas dominions. This soldier settlement scheme is a splendid attraction for our people who can farm, but I feel sure that the administration could be better handled by provinces."

SALE OF WALL PAPER. Great values in Wall Papers—New lot. Kitchen, dining room and bedroom papers, 12c roll. ARNOLD'S DEPT. STORE, 157-159 Brussels Street.

BULLET FROM BRAIN, FELON TALKS SANELY. Oshing, May 19.—Roman Leondowski, a prisoner from whose brain a deeply imbedded bullet was removed in Sing Sing seven weeks ago to cure him of insanity, gave an interview this week in which he not only talked rationally but readily answered questions asked to test his wits. In his talk with a reporter at the Harmon station, while he was on the way from Sing Sing to Dannemora, he joked about Thomas Edison's questionaire, told who Chauncey M. Depew was and spoke cynically of Paderewski as a statesman. Leondowski showed a statement he had written to prove that in shooting a foe whose death led to his imprisonment he acted in self-defense. Leondowski, pronounced cured by Dr. Amos O. Squire, head physician and psychiatrist of Sing Sing, started back to Dannemora State Hospital for the insane to be formally discharged from there by Superintendent John R. Ross as sane. He will be accompanied to Clinton Prison. Dr. Squire and Keeper Edward Drum of Sing Sing were his escorts on the journey. Although he was still a trifle weak

Children's Spring Outfits in time for Victoria Day. Here are Children's Spring Outfits in time for Victoria Day. Smart little garments that are so attractive and moderately priced that Mothers will be glad because they will not have to buy the goods and make dresses for their kiddies this season. Here are some of the price reasons: Children's Novelty Gingham Dresses, tie back sash and all the latest touches, some prettily trimmed with chambray. All new styles. Price, \$4.95. Children's Gingham or Chambray Rompers, Peggy and Dutch styles, some trimmed with chambray. All new designs. Pretty stripes or plain colors. Sizes 6 months to 6 years. Prices, \$1.58 to \$4.65. Children's Wash Silk Middies, short sleeve styles. White only. Sizes, 6 to 14 years. Price, \$3.58. SOLE AGENTS PICTORIAL REVIEW. F. W. Daniel & Co., Limited. Head of King St. 1831-1923.

from the surgical operation, his mind was unusually alert. Some of his replies to the reporter's questions showed that Leondowski is quick-witted and has a sense of humor. Manitoba's Revenue. Winnipeg, May 19.—Exclusive of the proceeds from the revenue on the net profits tax, the provincial government expects to receive a revenue of \$9,770,124.04 during 1921, according to government officials.

ASTHMA USE RAZ-MAH. NO Smoking—No Spraying—No Snuff. Just Swallow a Capsule. **PRESIDENT WHITE
MAKES AN APPEAL**

**Fifty Men and Fifty Women
to Aid S. E. Improvement League.**

**More Than One Hundred and
Seventy Boys Enrolled in
Club Last Winter—The
Skating Rink—Now the
Playground—Who Will
Respond?**

The following is the annual report of President Frank White of the South End Improvement League, read at the annual meeting on Tuesday evening.

It is with much pleasure I submit the following report.

Since our re-organization meeting held in King Edward School in January, much important work has been accomplished for the benefit of the boys of the South End.

The securing of such a fine structure as our present club house was a major item in the right direction, as shown by the work accomplished during the past winter. We are justly proud of such a building, as it is most fitly adapted for boys' work; and, while we have practically just started the equipment, there is every reason to hope that by the opening of our club for the fall and winter months, we will have many more pieces of apparatus that the boys may have every opportunity for physical development.

The sincere thanks of the club should go to the many friends who kindly donated so many useful gifts for the boys benefit. Chief among the gifts was the beautiful pool table donated by Mr. and Mrs. W. B. Tennant. This table appealed to our boys and many happy hours were spent by them around the board.

Through the kindness of the Philathea Club of Germain St. Baptist church our boys were given a bounteous supper to which they did justice. Other entertainments were carried on during the season and taken as a whole were very successful.

Many young people took advantage of the ice rink supplied by our league last winter. The attendance was quite satisfactory and while we did not pay expenses, I feel satisfied it could be not only self sustaining but a source of revenue if we had a better checking system and better waiting room accommodation. The two nights of sports and the carnival proved very successful.

There is a wonderful opportunity to get in close touch with the boys of the South End and a great work to be accomplished, but this will surely slip through our fingers if we do not have more volunteer workers to assist us. It simply cannot be done with the mere handful of workers who are at present trying to do their bit. Some way and means should be undertaken to secure this much needed help before it is too late. I want to thank the officers and members for their courtesy and assistance to me during my term of office.

The sincere thanks of this league should be given to J. H. Hamilton, our vice president for his untiring efforts in behalf of our work. Much of the success of our club is due to him.

To carry on the work successfully in the future we need fifty men who shall devote a small portion of their time each week to help superintend the work of the instructor, as well as assist in the management of the club.

**DELIGHTFUL DANCE
AT THE ARMORIES**

At the Armories last night a gay throng assembled when the members of the First Contingent and the Fanny chapter of the Imperial Order of the Daughters of the Empire gave their most successful dance and bridge in honor of Loyalist Day.

The large hall where the dance was held and the lecture room in which the bridge players found a quiet haven were both gayly decorated with flags and bunting. An excellent programme of music was supplied by Jones' orchestra of seven pieces and sixteen dances and several extras were given. Dancing was continued until after midnight and the event was one of the most delightful held in the Armories in many a day.

Miss Alice Fairweather, regent of the chapter, and Brigadier General Macdonnell, received the guests and the chaperones were Dr. and Mrs. G. G. Corbett, Dr. and Mrs. Murray MacLaren, Captain and Mrs. A. J. Mulcahy, Dr. and Mrs. (B. D. D.) The original program was Miss Vallie Sandall and Dr. Peck. The

**H. J. SHEEHAN IS
NEW PRESIDENT**

At a meeting of the board of directors of the Y. M. C. I. held last evening, the election of officers for the coming year took place as follows: president, H. J. Sheehan; vice-president, Dr. W. P. Broderick; recording secretary, B. P. McCafferty; treasurer, Joseph Harrington. Rev. William Duke was present at the meeting and, in addressing the directors, he paid a tribute to Thomas Nagle, the retiring president, for the excellent results he had accomplished during his two years of office, saying that great strides had been made by the institute during that time. On behalf of the board, the newly elected president tendered a hearty vote of thanks to Mr. Nagle for his untiring efforts.

Dr. H. A. Farris of St. John, was added to the executive.

**NO MORE HIRING
OF DEALERS' CARS**

In future automobiles with dealers' tags may only be used for demonstration purposes and not for pleasure or for hire.

**DR. H. A. FARRIS OF
ST. JOHN ELECTED**

Toronto, May 18.—The large part housing conditions and transportation was brought out at the twenty-first annual meeting of the Canadian Association for the Prevention of Tuberculosis here today by Dr. F. L. Schaffner, of Winnipeg, president of the association. To build sanatoriums is praiseworthy, he said, "but to demolish slums is practical hygiene."

Secretary George D. Porter pointed

**EDWARDSBURG
CORN SYRUP**

Crown Brand Syrup

"The Great Sweetener"

IT IS the children who tax the Crown Brand factory to its capacity. There is some vital need of children that it satisfies better than anything else. That is why it does them so much good—whether used as a spread, as a table syrup, in baking, cooking or candy-making.

Provincial Constable Crawford said last night that he intended to see that the law in this regard was strictly enforced. The driver of one automobile which had a dealer's tag and which was plying for hire was fined \$5 last night by Magistrate Dalton at Renfrew. Several other automobile drivers were fined for speeding in Rothesay avenue, Lock Lomond Road and West St. John. The charges were preferred by Constable Crawford.

USE The Want Ad Way

**SYDNEY CHIEF IS
GIVEN WARNING**

Sydney, N. S., May 18.—A warning that a repetition of the offence would be punished by dismissal was to be given Chief of Police J. B. McCor by the police commission, following investigation of charges laid against the Social Service Council of New Brunswick. The commission found the evidence on the charge of drug peddling was conflicting and on that account was thrown out. The warning is to the second charge, that the chief used abusive and insulting language.

Why not prescribe a good Box Spring and Mattress for "nerves"

YOUR doctor will tell you that most people today suffer from some form of "nerves."

Much of it is due to a Bed Spring that is worn in humps and hollows—a spring perhaps never built for sleep in the first place!

For perfect relaxation and sound sleep, you need a flat, resilient Box Spring, with a firm but soft Mattress. Both built for sleep!

The real authority on Beds, Mattresses and Springs built for sleep is Simmons Limited.

Simmons Limited is the maker of these fine Simmons Beds—built for sleep.

And in Mattresses and in Box Springs you will find nothing quite so restful as the ones built by Simmons Limited.

A Simmons Mattress stays firm but soft. It is scientifically built up—not packed with wads of filling.

It is filled neither too tight nor too loose—just right to invite sleep.

A Simmons Box Spring is always flat and resilient—never sags or humps. Your spine rests level—body and nerves relax.

Simmons Mattresses and Box Springs are great favorites all over the Dominion.

Your dealer will show them to you—a fine choice of models and prices.

Also Fabric Springs—built for sleep by Simmons Limited.

Free Booklets on Sleep!—Write us for "What Leading Medical Journals and Health Magazines Say about Separate Beds and Sound Sleep," and "Yours for a Perfect Night's Rest."

**Dr. Roberts
Is National
President**

(Canadian Press Despatch.)
Toronto, May 18.—Hon. Dr. W. F. Roberts of St. John (N. B.), minister of health for New Brunswick, was elected president of the Canadian Public Health Association.

HON. DR. W. F. ROBERTS.

At the final session of the annual meeting here today, J. W. Robertson, M.G., outlined the program for the coming year, which he expected the total enrollment to be 700,000.

A. B. Alexander, municipal hospital physician, said three things were necessary in dealing with diphtheria: diagnosis, the giving of anti-toxin, and isolation.

A. M. Hurst, of this city, said recent campaigns in Toronto to encourage children to drink milk had resulted in 1,000 cans more being shipped here daily.

**MOUNT ALLISON
REGENTS MEET**

Add \$100,000 to Endowment Fund—Decide to Erect New Gymnasium—Outlook Promising.

Sackville, May 18.—The regents of Mount Allison have been in session all day and did not adjourn until a late hour tonight. Rev. Dr. Steel, of St. John, was in the chair and other members of the board present included: Rev. Dr. Hertz, E. E. Hewson, Rev. A. S. Rogers, N. T. Avar, Amherst; R. C. Tait, Shediac; Rev. George A. Ross, Bathurst; Rev. H. E. Thomas, Devon; Dr. Allison, S. M. Brookfield, Rev. H. G. Fulton, Halifax; H. A. Powell, Rev. G. M. Young, E. R. Machum, St. John; James E. Burchell, H. F. S. Poirer, Sydney; Dr. Bowden, Dr. W. J. Col. F. B. Black, C. W. Fawcett, C. C. Avar, Mrs. H. M. Wood, Mrs. Howard Sprague, Hon. J. Wood and Dr. Palmer, Sackville, and Varley B. Fullerton, Parrabro. Reports relative to the Mount Allison campaign for funds were submitted. It was decided to add \$100,000 of the amount subscribed to the endowment fund and to proceed immediately with the erection of a gymnasium building to replace Lingley hall, which was destroyed by fire in January last. The year at Mount Allison has been eminently satisfactory from every standpoint and the future is looked forward to with pleasure and assurance. Hon. Josiah Wood tendered his resignation as treasurer of the board to take effect next fall.

**SARDINE BOATS
TO PAY PILOTAGE**

It was announced at the customs house yesterday that a pilotage collection would be levied on all sardine boats coming to the port of St. John. All boats under thirty tons will be charged \$8 and all over thirty tons will be charged \$7.50. It is expected that this announcement will not be received with much favor by the local weir owners, as it may have the effect of keeping sardine vessels from this port.

Mrs. M. Campbell, widow of Rev. John M. Campbell, who was for many years rector at Granville Ferry (N.S.) today will celebrate her ninety-fifth birthday, she resides at 14 Summer street and has lived in St. John since the death of her husband several years ago. Many friends today will extend hearty congratulations to Mrs. Campbell. Her daughter, Miss M. Campbell, resides with her, and Colin W. F. Campbell of St. John, is a son.

**Luxuriant Hair Promoted
By Cuticura**

Cuticura kills dandruff, stops itching, the cause of dry, thin and falling hair. Treatment: Gently rub Cuticura Ointment with the end of the finger, on spots of dandruff and itching. Wash next morning with a hot shampoo of Cuticura Soap. Repeat in two weeks. Nothing better than these fragrant, super-oxygen emollients for all skin and scalp troubles.

See the Cuticura Soap and Cream. Sold throughout the Dominion. Canadian Depot: United 34 St. Paul St., W. Montreal. Cuticura Soap shaves without soap.

**Montreal Man
Is Murdered**

(Canadian Press Despatch.)
Montreal, May 18.—J. J. Lowe, a former member of the 18th Battalion, Royal Highlanders of Canada, was stabbed to the heart during a brawl in a Chinese restaurant in St. Urban street, this city, this morning.

Grace Bianco, twenty-eight, is under arrest charged with his death. Lowe is said to have met Bianco and another woman and to have gone with them to the restaurant. An altercation arose and the woman ran out pursued by Lowe, who cried: "They have stolen five dollars from me." As Lowe caught up to the woman, one of the men stabbed Lowe.

**MOUNT ALLISON
STUDENTS HOME**

Among the passengers who arrived here on the Halifax train last evening were the St. John students from Mount Allison University who returned to their homes for the summer vacation. Among the students were Misses Frances and Helen Smith. The former is a daughter of Mr. and Mrs. Duncan Smith and the latter a daughter of Mr. and Mrs. J. Willard Smith. Other students were Miss Faith Henderson and William M. Drake. Relatives and friends of the students were at the station in large numbers to greet them. Rev. R. A. Armstrong arrived in the city last evening on the Halifax train.

LOCAL NEWS

LITTLE ONE DEAD

Their friends will sympathize deeply with Mr. and Mrs. Kitchin in the death of their infant son, which occurred today.

BANK CLEARINGS

The St. John bank clearings this week were \$3,117,284; last year \$3,028,207; 1919, \$3,094,898. Halifax clearings this week were \$3,810,278. Moncton clearings were \$1,178,420.

STEEL OFFICIAL HERE

J. B. McLeese, of the Dominion Steel Corporation, passed through the city at noon today enroute from New York to Sydney, N. S. He said he had been to New York on a business trip, but had nothing of interest to report.

FREDERICTON MARKETS

In Fredericton, yesterday, the prevailing prices were: Butter, 45 to 50c; eggs, 35 to 40c; salmon, 40 to 45c; veal, 10 to 15c; potatoes, \$1; apples, \$4 to \$5; turnips, 30c; beans, per quart, 35c; hay, per ton, \$25 to \$30.

PRACTICE GAME

St. Peter's senior baseball team played a practice game with the Young Men's Hebrew Association team last evening and defeated them by a score of 17 to 8. The game went four innings. Some good plays were made by members of both teams.

FOOTBALL

In the City Soccer League this evening Carlton and the Central Club teams will meet. The game will be played on the Shamrock grounds and the kick-off will be at 8 o'clock.

Evening the Hardware and Military teams will compete.

SOUTH END BASEBALL

The captains and managers of all baseball teams, Intermediate and Senior, who wish to play on the South End diamond are to meet the executive of the South End Improvement League at the Boys' Club tomorrow evening to discuss the matter.

OVERHEAD CROSSING

The mayor said this morning that now that a decision had been arrived at regarding the height of the C. P. R. bridge at the Falls, an application would be made soon to the board of railway commissioners for assistance in connection with the separation of the grades at the end of Douglas avenue, so as to do away with the level crossing.

RECEIVED CROSS

Mrs. G. D. Vincent, of 86 Gullford street, yesterday received a letter from the cross in memory of her son, Private L. G. Vincent, who left here with the 110th Battalion. He died at the Battle of Passchendaele in 1917. The cross was accompanied by a letter of appreciation of the sacrifice of the young soldier.

COURTENAY BAY WORK

Carlo Carnell, manager of the Bedford Construction Co., said today that a start would likely be made on work at Courtenay Bay in a day or two. He said that only a small crew would be employed. The work to be undertaken is the completing of the rock excavation in the dry dock site and the finishing of the facing of the breakwater. One of the dredges is now at work.

DIED IN OTTAWA

Ottawa paper—Mrs. Rosella Royal, 607 King Edward avenue, died this morning. She was the widow of J. J. Royal, of Thorold, historian and writer, and came to Ottawa upon the death of her husband, since living with her niece, Mrs. T. B. Skelly. Mrs. Royal is survived by three nieces, Miss Olive Royal, Mrs. J. J. Skelly, and Mrs. T. B. Skelly. She had many friends in Thorold, for which place the funeral will leave tonight, interment to be made in Thorold. Mrs. Royal was a very amiable character and made herself endeared to the many friends that she possessed until the last.

Mrs. Royal was a niece of Mrs. T. R. Cully of St. John.

THE CITY LEAGUE

Thomas McGovern, manager of St. Peter's baseball club said this morning a published article having reference to a delay in the formation of the city league was misleading. He said there evidently had been a wrong impression created by remarks made by a member of the intermediate team, which were attributed to him, and they were not meant to apply to the senior organization. Mr. McGovern said that he and Frank White, of the Commercial Club, have held several meetings and tonight the executive will make final arrangements for the opening of the City League here on Tuesday, May 24.

Regarding outside teams for the holiday, he said the senior teams were to play a regular league game with the Commercial Club, at which the pennant won last year would be raised, and that there was no thought of having any out of town players here. He said there had been some talk of the intermediates bringing a team here to play a morning game on the holiday in event of them not going to St. George, but since that time they had completed arrangements to play the Y. M. H. A. He said that he wished to assure fans that the executive were putting forth their best efforts to give St. John good baseball during the summer months.

CITY COUNCIL HAS A BUSY MORNING

(Continued from page 1.)

however, it will be necessary to ascertain by boring just what foundation the bed of the pond will provide for the laying of the sewer pipe. It is just possible that the necessity for the driving of piling to support the pipe will develop. If it is the intention of the council to carry out this plan, I would suggest that the city engineer be given authority to carry out these borings operations. It is only after this is done that an approximate estimate of the cost of the sewer extension can be made.

Under the alternate plan it will be necessary to erect some sort of abutment to retain the tide after it begins to ebb into this plan comes the possibility that refuse matter will be prevented from passing through in the harbor, and thus make the actual conditions worse than at present. It may be possible, however, to arrange the flood gates so that the whole pond could be cleared periodically, but this would necessitate the employment of a man or men for the purpose.

In the board of health report appears a paragraph to the effect that the outflow from many of the larger sewers is partly obstructed by rubbish of various sorts, mattresses, tin cans, etc., which cause the solid matter to hang up and be exposed at low tide. The necessity for continuous reports on this question might be obtained if attention was given to the clearing away of this debris by the harbor department, which has jurisdiction over the area.

The report also refers to a pile of manure and street sweepings near the roadway in Rodney street. This nuisance, I think, could be effectively disposed of if some other means of getting rid of this matter were secured by the public works department. The health board's recommendation that the dump be removed is a reasonable one, and other non-purifying matter, and that the dumps be so placed as not to obstruct the flow of sewers, is a question which I would think also comes within the scope of the public works department. There is no objection if all these matters were attended to present conditions would at least be improved.

"For the love of Mike, what do you think of all that?" asked Coun. Bullock.

Mr. Jones replied that he was simply stating facts.

Mr. Bullock thought that the suggestion of the board of health to trench the pond to allow the sewerage a more easy means of flow, might be a practical and reasonable improvement. He noted that the commissioner of water and sewerage be asked to bring in a report as to what it would cost to put in a foundation for a trunk sewer.

Dr. Frink said the council should declare its policy regarding the filling. He thought that the matter of a sewer could then be decided.

If the mill pond was not included in the harbor area, according to the harbor commission act, the harbor filling in the whole area, and the use of the area for industrial or other purposes. He said that the harbor filling in the harbor when the pond was suggested as a dry dock site.

G. G. Hare, city engineer, said that the mud was very soft and piles would have to be driven to carry the sewer. He said this item was included in the estimate of \$20,000. He said the pond was not included in the harbor property.

Mr. Jones promised to bring in a recommendation regarding the filling in a A Circus Coming.

Coun. Thornton said a circus was coming to town soon and he suggested that as the city had purchased the Shamrock grounds it might be a good plan to get them in shape for the circus. He said that Halifax got about \$1,000 for two days by renting the commons. The circus remained at the Lancaster and with the Douglas avenue torn up the public might be greatly inconvenienced.

Dr. Frink said that with the deepening of Newman brook the grounds should be better. The matter was referred to the safety and public works departments.

East Side Ferry Approach

Commissioner Bullock reported on the proposal to erect a wharf backing for the north wing of the east side ferry floats. The engineer estimated the cost at \$40,000, which was a fair subject for a bond issue. The commissioner said he had received a communication from the solicitors of Senator Thorne, in which it was said he was agreeable to the city building the wharf on his property, the wharf to become Senator Thorne's property in fee simple; the city to keep half of the wharf in repair and maintenance. The matter was referred to the harbor and public works departments.

Harbor Commission

Mr. Bullock said he had received copies of the harbor act and he asked for a date for the discussion of the bill on the question. It was decided to consider the matter at an early date. The mayor said he would set a date soon.

Street Railway Matters

Commissioner Frink read three letters from the N. B. Power Co. in view of the possibility of the rule of the road being changed, the company said that it would have to remodel its gas and change its switches and cross-overs to conform. This they said would take at least six months and it was expected that the rule might be changed this fall or on January 1, they asked that new paving work in city streets be carried out in such a manner that the change could be made easily.

The company also asked that permission be granted by the city to allow the company to run its cars for two weeks over the newly laid rails on streets which were being paved before the paving was completed in order to allow for the adjustment of slack in the rails and connecting plates. A desire to widen the "devil strip"—the space between double tracks—from four feet to four feet six inches, was also expressed. All the communications were referred to Commissioner Frink.

LENINE'S ACTION COMES TOO LATE

Abandonment of Control of Foodstuffs in Soviet Russia Does Not Remedy Matters.

Berlin, April 29—(Associated Press by mail)—Lenin's abandonment of government control of foodstuffs came too late to relieve the situation in Bolshevik Russia, according to letters received in Berlin from a family which has lived in Petrograd throughout the Bolshevik regime.

"The conditions are worse for us than they were when food was issued on cards," one letter states. "We are told now that we may buy food and the peasants are told they may sell food without violating government regulations."

"They even refuse all sorts of manufactured articles in exchange for what little food they may have. They are afraid to give it up, as they are not sure that they can get another crop the coming year."

"The Petrograd district is so sterile little is produced in the yards and the peasants in the grain districts have been badly treated by the Bolshevik revolutionaries parties that the government simply couldn't continue the small grain it is raising on the land," one letter is told to do for ourselves a job which it could not accomplish with all its power and military force."

"The re-establishment of free trade restrictions has been reduced to not put food into cities which have no supplies, which have no adequate railway connections with grain districts and no means of reconciling peasants who attribute most of their troubles to the great cities in Russia and want to starve them out."

FREDERICTON HOSPITAL DRIVE SUBSCRIPTIONS
(Special to The Times)
Fredricton, May 19—The details of a drive for \$45,000 for the furnishing of the Fraser Memorial wing of the Hospital for Public Health have been announced.

IN WALL STREET
New York, May 19—(10-30)—Declines ranging from 1 to 3 points in several of the prominent speculative issues marked the early trading in the stock exchange today. Pressure was most apparent in Crucible, People's Gas and Sunlight Tobacco.

NOON REPORT.
Professional pressure made further headway during the morning on an unimportant amount of business. The independent steel, motors, equipments, and utilities shared in the general advance of 1 to 3 points.

ON A Fishing Trip
An Ottawa letter says:—Hon. Seabrook returned to town, having spent a few days fishing at Sixteen Island Lake as the guests of Senator Smeaton White at his country home.

QUEBEC AND THE LIQUOR LAW

Quebec, May 19—(Canadian Press)—Premier Taschereau in an interview here yesterday on the delay in putting into effect the new Quebec liquor law in this city owing to the non-repeal of the Scott Act, said he has not yet received a definite answer from the federal government as to whether it will be possible to allow a temporary administration of the provincial law.

He added that the federal government desired the provincial government to hold a referendum in the City of Quebec, but while he agreed with this view, it would entail still further delay and meanwhile the city was suffering from prevailing conditions that could easily be corrected if the federal government would consent to the temporary suspension of the Canada Temperance Act.

PLAN MORE WATER MAIN RENEWALS

A start was made yesterday on the trenching work for the new twelve-inch water main, which will replace the old six-inch main on the line from Harrison street to the city hall.

VENIOT ANSWERS PREMIER MEIGHEN

Tells of Letter With Overtures re Cabinet Position.

Meighen's Name Signed to It—Speaks of Influential Persons Who Could Tell of Efforts to Induce Him to Accept.

(Special to Times.)
Fredricton, N. B., May 19.—Hon. P. J. Veniot, minister of public works, who is in the city today on departmental business, had attention called by a representative of the Mail to a statement made in parliament last week by Premier Meighen touching the cabinet position with which the minister had been connected.

"I would have preferred not to have discussed this matter, but in view of Premier Meighen's statement and the attempt made by the Conservative press to leave the impression that I sought the position instead of the position seeking me, I feel that it is just to say what I have to say on this subject."

"I feel that it is just to say what I have to say on this subject. I should have been in the position of Premier Meighen's cabinet. When asked for a statement in regard to the matter Hon. Mr. Veniot said: 'I would have preferred not to have discussed this matter, but in view of Premier Meighen's statement and the attempt made by the Conservative press to leave the impression that I sought the position instead of the position seeking me, I feel that it is just to say what I have to say on this subject.'"

CITY INVADED BY SWARM OF FLIES
Dr. William McIntosh, curator of the Natural History Society, who was asked this morning about myriads of flies, which invaded the city yesterday afternoon and are still seen about the streets in great numbers, said they were a species of the "Aristopennis" family, known as "Bliss" and commonly called March flies. He said they derived their common name of March flies because they come every few years. St. John has been visited by them on many occasions but not in such large numbers as this year.

He said that this species of flies breeds usually in swampy ground and that they are not injurious. They are not nuisances or members of the family. He thought it probable that they had developed in some of the swamps during the warm weather and as the wind was blowing in the proper direction swarms into the city. He said they would not breed in the city but that the cool weather this morning was killing them off and they were lying around the streets, the most of them already dead.

MUTT AND JEFF—AS A TUTOR IN FRENCH, MUTT IS ALL TO THE MUSTARD —By "BUD" FISHER

(COPYRIGHT, 1921, BY H. C. FISHER, TRADE MARK REGISTERED IN U. S. PATENT OFFICE.)

**FAIRVILLE CLUB
PLAYS IN TRINITY**

Amateurs of Baptist Church Win Applause in "Wandering Tom," Presented in Aid of Trinity Scout Camp.

"Wandering Tom," a four act drama was given an excellent presentation in Trinity church hall, last night, by the Fairville Baptist Dramatic Club, in aid of the Trinity Boy Scouts camp fund. A large audience showed by its hearty applause its great appreciation of the manner in which the play was presented and a substantial sum was realized as the proceeds of the entertainment. During the interval candy was sold by the scouts and their stock in trade was quickly disposed of. Some delightful specialties were given between the acts. Little Miss Dorothy Spence sang two solos very sweetly. C. McCallum acting as her accompanist. His accompanist was Miss Muriel Regan. For the incidental music of the play William Davis was the pianist. Before the last act, the badges which the Trinity Scouts had won recently were presented to them by Rev. A. E. Gabriel, curate of the church. Valentine Pritchard received badges as leatherworker and laundryman and as these two brought the total number of his badges to eighteen he was awarded the gold cords, which decoration Mr. Gabriel also presented. Scout Pritchard was heartily cheered. Lawrence Seeds won the carpenter badge. The Wolf club awards were won and presented as follows: House orderly and artist, Robert Rossi; collectors, Gregory Short, and athletic, A. Vincent.

The staging of the play was well done and much of it was the handiwork of the dramatic club. The cast of characters was as follows: David Moore, John Carvell, Susan, his wife, Miss Edna McAllister, Elizabeth, his daughter, Miss Francis Scott, Jerry, his son, William Harris, John Ryder, of the Men's Club, Byron Linton, Rev. Dr. Templeton, William Ario, WANDERING TOM, the mystery, William Somerville, Old Mose, his faithful servant, Clifford Sears, Nell, the wayward child, Miss Inez Boyd, Arabella, the village gossip, Elizabeth McMillan.

NEW N. B. INDUSTRY
Moncton, May 18—A federal charter has been granted to the National Household Appliances, Limited. The petition was presented by E. R. Kelly, K. C., of Moncton, on behalf of the applicants, Edith H. Fillmore, Lucy E. B. Smith, Jude Gougeon, Mary Walsh and Robert Carter. The company is empowered to manufacture, buy and sell washing machines, wringers and other manufactured goods. The head office is at Sackville. The authorized capital is \$400,000 divided into shares of 4,000 shares of \$100 each.

**SPECTACULAR FIRE
IN TORONTO CITY**

(Canadian Press Despatch.)
Toronto, May 18—On the site of the historic old fort which was burned by the invading American army in the war of 1812, and still called the Old Fort, a large frame ordnance building containing barracks stores for the Canadian government to the value of about \$750,000 was destroyed by fire about 10 o'clock tonight. The building was erected by the government while the war was on and it was packed with equipment used by the camps in the Toronto military district, including valuable surgical instruments, as well as beds, tents and cooking utensils. The roof of the building was of tar construction, and the fire was first seen there. In an hour the whole thing had been destroyed in one of the most spectacular fires seen in this city in years.

**Nine Buildings
Are Destroyed**

(Canadian Press Despatch.)
Kingston, Ont., May 18—Fire which broke out about 2 o'clock this afternoon in a storehouse owned by E. Lamey, of Verona, twenty-five miles north of this city, destroyed E. Lamey's general store and storehouse, L. Vannet's furniture store, the A. O. U. W. hall, a one story building, and the residences of E. Lamey, J. Dier, H. Wagner and Mrs. Snider, as well as outbuildings attached and a frame garage owned by Sam Campbell. Most of the contents of the stores, and fully seventy-five per cent. of the contents of the houses were destroyed. The total damage is estimated at between \$80,000 and \$90,000. Lamey had \$4,500 insurance and the others but little.

A barrel of Purity Flour makes more, larger, lighter loaves than a barrel of ordinary flour because Purity Flour is milled to perfection from the famous, hard, glutinous wheat of Western Canada.

**GOOD PROGRESS,
IN HYDRO WORK**

Hon. Dr. E. A. Smith, chairman of the N. B. electric power commission, accompanied by C. O. Foss, of the commission, and Mr. Flannagan, of Mitchell Brothers, of Toronto, consulting engineers, made a trip of inspection to Musquash yesterday. Dr. Smith expressed himself as very much pleased with the progress of the work. The dams are fast rounding into shape, especially on the East branch, where the foundation for the intake now is being built. The party visited Log Falls on the West branch where construction is being started on a storage dam at that point. A separate camp has been built there and about thirty men employed on this particular job. There are about 200 employed on the whole work, Dr. Smith said. He looks for greater progress from now on owing to the winter season being passed and the weather being more suitable for the work. It is expected that a start will be made immediately on the power house, the contract for which was let recently.

**RT. HON. W. LONG
GOES TO LORDS**

(Canadian Press Despatch.)
London, May 18—The acceptance by the Rt. Hon. Walter Long of a viscountcy involves a by-election at St. George's, Westminster, one of the safest Tory seats almost from time immemorial. It is believed that Mr. Long accepted the offer of a peerage with hesitancy, his inclinations being entirely for the retention of his seat in the commons. His personality in public life has been one of the most acceptable to all parties. Several years ago, returning from a trip to Canada, he declared that the Dominion not only claimed a share in the fleet, but meant to help pay for it.

**HORLICK'S
Malted Milk for Infants**

A safe milk diet, better than cow's milk alone. Contains rich milk and malted grain extract.

the most acceptable to all parties. Several years ago, returning from a trip to Canada, he declared that the Dominion not only claimed a share in the fleet, but meant to help pay for it.

USE The Want Ad Way

Get "Tru Value" for your Dollar

Read the Menu
—forget the Box!

BY leaving out unnecessary frills and costly trimmings in their new "Tru-Value" package, Ganong Brothers are able to offer you, at an approachable price, this incomparably fine selection of their best candies. Frankly, these chocolates are the best they have ever made—and they have been at it over fifty years!

The Menu

Even if you went through the famous candy kitchens at St. Stephen, you couldn't make a happier selection than this "Fireside" Assortment. Out of 130 different kinds, the choice narrowed down to 10 leaders, and there is just enough of each to make you wish that a pound was really more than 16 ounces!

Mint Pattie
Catches the eye at once—so much larger than the average 1921 model. Tastes like a julep, almost. Your first taste of the aromatic fondant will explain the size to your entire satisfaction. After 30 years' experience, the candy-maker admits he cannot make a better mint.

Creamed Coconut
From sunny Trinidad the ripe coconuts are shipped to St. Stephen, shelled and grated very fine with the milk still in them. Beat this up with delicious whipped cream, and seal it all up in the famous G. B. chocolate coating!

Coffee Walnut
The perfect Sunday morning cup of coffee, rich cream and all—quite an achievement in itself. But Ganong's attained perfection by adding selected morsels of meaty walnuts.

Maple Coconut Frappé
Take New Brunswick's finest maple sugar, beat it with thick cream fresh from the farm. Seems enough for anybody's taste, but Ganong's adds just that extra touch—the full flavor of fresh grated coconut. The G. B. coating tops it all.

Nut Brittle
Luscious lasses from Barbadoes, selected peanuts from Virginia—a snappy piece with a snappy taste. Just the one the children pounce upon at sight—so big, so tantalizing for busy little milk teeth.

Maraschino Cherries
Those plump little cherries from the romantic south of France, full cordial, dipped deliciously in smoothest cream, expertly sealed in a G. B. coating. On this piece Ganong's depend to establish the "Fireside" assortment as a value without parallel.

Nutty Crisp
Very worthy successor to that old favourite—Peanut Brittle. Satisfies the longing for a good old-fashioned bit of hard candy. Elected a member of the "Fireside" family "by special request."

Caramelized Nuts
Just express your wishes, and they are granted. Here's a caramel that's "chewy," but not sticky nor hard—substantial but does not interfere with conversation. The walnut is just an added touch, like painting the lily.

Walnut Fondant
Plump meats from Bordeaux fine-flavoured walnuts, freshly shelled, set into whipped cream. Not only that but something more—the expert G. B. dipping in a chocolate coating made from 4 different kinds of cocoa beans.

Cream Toffee
The cream merely describes its exquisite smoothness, but who can describe a taste? Ganong's revival of Old English Toffee at its best. Possesses the peculiar G. B. feature—you can eat so much without discomfort.

Truly, at One Dollar the Pound, you are offered a value without parallel. Each piece stamped "G. B." as a mark of identification, as a guarantee of quality.

\$25, \$28, \$30

Men's Spring Topcoats \$15

\$30 to \$35

Men's Spring Topcoats \$18.65

The prices are low enough for the most thrifty. The qualities are high enough for the best. We admit, candidly, that we have more lightweight Topcoats than we should have, so we've priced them low enough to sell them quick.

\$15 and \$18.65 for these topcoats means you are paying less than we could go into the market and buy them for.

We've ignored profits—we've ignored original costs—we've priced them to sell, and sell quick—some of them are just half price.

You save 40 per cent to 50 per cent.

Worth while, isn't it? You'd better get in on this.

PERU LAYS CLAIM TO ORIGIN OF JAZZ
New York, May 18.—The slimy, the one step, the jazz music, are as old as the hills and the ancient melody-loving inhabitants of Peru were the first to produce them. And to make their claim secure for all time they described the figures of the dance on their prehistoric pottery and metal so that when future archeologists sought proof of their claim there would be no doubt about it.
Sure enough, their claim to fame as the originators of the trots that make life worth while for a lot of light footed persons, has been found by Charles W. Stead, assistant curator of the Department of Anthropology in the American Museum of Natural History.
This discovery, incidentally, blasts the theory that jazz was first a product of the now extinct Barbary Coast in San Francisco where adventures since the days of '46 whittled with the girls of today.
And that isn't all—they have dug up from the ruins of old Peru such instruments of jazz as the drum, the sym-bal, the rattle, the pipe, the flute, the whistle, the trumpet and other devices of sundry character.
It is also recorded that the Huancas, a particularly warlike Peruvian tribe, made their drums from the skins of their enemies and the music, it is declared, was even more terrible than the jazz of today.
The ancient nationality of the boss and slummy is attested by the abundance of dancing figures on most of the pottery which has been unearthed and is in possession of the American Museum of Natural History.

HASNT FELT SO WELL IN YEARS

Quebec Young Lady Says It's Wonderful the Way Tanlac Has Restored Her Health.

"I am certainly glad I followed my brother-in-law's advice and took Tanlac," said Miss Evelyn Craton, 62 Conroy Ave., Quebec, P. Q., "for since taking it my health is better than for years."

"For more than a year before I got Tanlac I hardly knew what it was to eat a meal without suffering afterwards. I had no appetite and my stomach was so weak the very slight amount of food I ate nearly killed me to bend over and straighten up. I was so nervous the last unexpected thing I would almost startle me out of my wits. In fact, just everything seemed to be wrong with me. I felt all I had was a shadow of what I had been, and was getting weaker all the time."

"But so certainly different with me now, for I eat heartily and enjoy every mouthful. My digestion seems to be perfect and I have gained eight pounds in weight. I am never the least bit nervous now and in every way I feel like an altogether different person. Tanlac is certainly wonderful."

THE LOCAL G. W. V. A.

Objects as Set Out in Incorporation St. John Branch.

The local branch of the G. W. V. A. just incorporated as The Great War Veterans' Association of Canada, St. John (N. B.) Branch is empowered to take over the good will and assets of the present branch, to raise money by entertainments, to operate club rooms, information and industrial bureaus and hospitals. It is also empowered to regulate by its parent body, the Great War Veterans' of Canada, Incorporated. Besides these its object and purpose are:

To perpetuate the close and kindly ties of mutual service in the great war; to collect, store and disseminate information; to organize and support patriotic clubs and associations of like character; to honor and maintain proper standards of duty and honor between soldiers and civilians.

To preserve the memory and records of the war, to erect monuments and memorials; to see to the erection of monuments to their valor; the provision of suitable burial grounds and the establishment of an annual memorial day.

To ensure that proper provision is made for the due care of the sick, wounded and needy among those who have served; to provide for the education, employment for such as are capable, soldiers' homes, medical care and equipment for disabled veterans and families of enlisted men.

To constantly inculcate loyalty to Canada and the empire and its service in their interest.

To impress upon its members, that it is their duty to continue their service to Canada as citizens the same spirit of sacrifice and loyalty which they have shown to Canada and the empire as soldiers.

To promote recruiting and enlistment, assist forces on active service by operating hospitals, convalescent homes, canteens and other like institutions, either with or without Canada.

The association is also empowered to hold real and personal property. It has no capital stock.

WANTED IN WEST; CAUGHT IN SCOTLAND

Saskatoon, May 19.-The long arm of the law reached out from Saskatoon, Scotland, yesterday, and gathered in Joseph Murray, wanted here since last December on a \$75000 forgery charge. Tattooed figures of women and King William on horseback betrayed Murray to the Scottish police. He will be brought back here for trial.

KROPOTKIN DIED POOR. Rev. E. H. Atkinson, April 30 (A. P. by mail).-Prince Kropotkin, famous Russian reformer and revolutionary, whose death was announced in Moscow, February 2, died in miserable circumstances, says Dr. Morris Zucker of Brooklyn, who was set free from a Russian prison.

The Brooklyn man declares that the prince's last days were spent in abject squalor, and throughout his illness he had lacked the comforts and necessities of a sick-bed somewhat endurable. After his death the Bolsheviks arranged an impressive funeral over his body.

"Still a third Montreal liquor house," says the Montreal police, "is being opened by a Montreal liquor dealer, who arrived here yesterday. That it was his intention to lease a warehouse here to import liquor in bond for export purposes."

HARD HIT AT GOVERNMENT

Less Business Understanding than "Boy in Street," Declares Lloyd Harris.

Toronto, May 19.-Lloyd Harris, former Canadian trade commissioner, denouncing the Canadian Confederation, said that Canada's export trade in Great Britain is suffering through "our present political system." The government is so insufficient, he said, that men were trying to disagree "than the boy in the street."

YOUTH, CRAZED BY EDISON QUIZ ASKS POLICE GUARD FOR BOOK. Holyoke, Mass., May 19.-Thomas Edson, junior for college men, was summoned by the police for protection. He said he had a book, valued at \$1,000,000, in which he had written the answers to Edison's queries, and that several men were trying to steal it from him.

The young man declared that he had been asked answers to 100 questions and believed that he has become temporarily demented as a result of studying the Edison list.

NEARLY CRAZY WITH ECZEMA

No rest day or night for those who suffer with that terrible skin disease, eczema, or as it is often called, salt rheum.

"With its unbearable burning, itching and torturing relief is gladly welcomed. Itters for giving relief to such sufferers, no remedy that has done, or can do more for those who are almost driven to distraction with the terrible torture. Apply it externally and it takes out the itching, itching and burning, and promotes a healthy healing."

"Take it internally and it gets at the source of the disease in the blood-for eczema is a blood disease-and drives it out of the system."

Miss L. M. Boutiller, 89 Victoria Road, Halifax, N.S., writes: "I have suffered for years from eczema. I suffered day or night. I suffered great agony, and was nearly crazy with the itching and burning. I used all kinds of ointments and remedies but nothing seemed to help me. I was advised to try a bottle of Burdock Blood Bitters and I really cannot recommend it highly enough for what it has done for me."

Burdock Blood Bitters has been on the market for over forty years, and during that time has been manufactured only by The T. Milburn Co., Limited, Toronto.

THE TORTURES OF RHEUMATISM

Happy Stopped When He Began to Take "Fruit-a-Lives"

Ottawa St. Hall, P. Q.

"For a year, I suffered with Rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again. I was advised to take 'Fruit-a-Lives' and I took the first box and I am now well. I can walk and I feel like a new man. I will continue to take 'Fruit-a-Lives' until I am cured of the Rheumatism that has been so long in coming."

LORENZO LEDUC.
50c a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-Lives Limited, Ottawa.

THIRTY-CAR OBSERVATION TRAIN TO FOLLOW FOUSSHEES RACE

The usual observation train will follow the intercollegiate "championship" rowing regatta at Foughees on June 22. It was announced by the Board of Stewards of the Intercollegiate Rowing Association. Arrangements have been made to use the same observation train that will follow the Yale-Harvard race at New London on June 24. Thirty cars will compose the train, and seats will be provided for 2,000 spectators. Immediately after the Foughees race the train will be sent to New London. The West Shore Railroad had previously declined to furnish a train at Foughees, because of the scarcity of cars, the closing of traffic and other reasons.

AUCTIONS

"SALADA" TEA

is pure, wholesome and delicious. Send us a post card for a free sample, stating the price you now pay and if you use Black, Green or Mixed Tea. Address Salada, Montreal

The first heat was won by F. Garnett in eleven and three-fifths seconds, with M. McLaughlin second and G. H. Fowler third. The second heat of the 100 yards open was taken by L. Nice, with M. Melvin second and C. Lewis third. The time was twelve seconds flat.

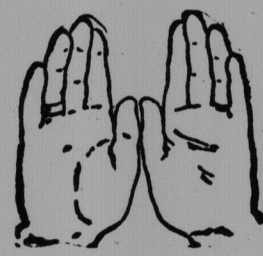

in 5 minutes and 43.2 seconds. The McAvity team consisted of Messrs. Treat, Smith, Cosman and F. Gorman. The civil service team was Messrs. Wills, Pitt, Cameron and Yeomans.

MAY WITHDRAW THE MAYFLOWER

Boston, May 18.—If the Canadians put up a sufficiently loud protest to the American committee which has final jurisdiction over entries for the fishermen's race next fall the Yankee racer Mayflower, foremost of the American possibilities to be nominated here for the race, will be disqualified from entering the contest, according to W. A. Reed, secretary of the Gloucester race committee.

Horscovitch Wins Bout. Montreal, May 18.—At a well attended match here tonight at the Mount Royal Arena, Moe Horscovitch, runner up for the Olympic middleweight boxing championship division, outpointed Bert Schneider, Olympic welterweight champion, in a ten-round bout.

The high jump was won by J. Treadwell of the civil service employees with a jump of 4 ft. 5 in. A. Parlee of the McAvity team was second and C. P. Wills of the civil service staff was third.

DUNLOP RUBBER COMPANY

Makes phenomenal reduction in Cord and Fabric Auto Casings and Tube prices, effective May 16th, 1921.

NOW AWAY BELOW PRE-WAR FIGURES

Sell Without Reserve!

THAT was the verdict passed by the Semi-Ready Directors on a \$10,000 clothing stock, lying in their warehouse, which they were forced to accept from one of the western Semi-ready Stores who had the misfortune to overstock.

How were they to dispose of this stock, that was the question, and the decision was to offer it to the St. John Store at a low price. We have accepted the offer, and on Friday, May 20th., we will place it on the racks to sell at cost and below cost.

This is not a sale of bankrupt stock which has been picked over and over for the last five or ten years. It is a clothing stock which contains the latest in style, the best that human skill can manufacture, and at prices that you cannot duplicate anywhere.

Sale Starts Friday, May 20th.

All Clothing Discounted From 25 per Cent to 50 per Cent.

Extra! Extra! Extra! We offer to the first ten buyers of Semi-ready clothing a cap with every suit or overcoat.

All our furnishing stock included in this great sale.

All alterations made to your satisfaction.

No approval.

Extra clerks to give special service.

Sale ends Saturday May 28th.

Lionhearts Win Game.
The Union Alley Lionhearts defeated the young St. Paul's of the South End diamond last evening by a score of 16 to 8. The battery for the winners were: E. Young, A. Higgins and I. Z. and B. Bestara; for the losers, E. Moomy, W. Jones and Frank Leslie and C. Golding.

ATHLETIC.
Fort William Race.
Fort William, Ont., May 18.—Amateur distance runners representing many different cities both east and west of Lake Superior have filed their entrance papers to participate in the annual Fitness-Journal road race to be held in this city on May 24, and inquiries regarding the conditions of the race are coming in daily.
The race will be run over the usual ten mile course and is open to all amateurs in good standing. Since 1910, when the race was made an annual event, it has been recognized as one of the main early season sporting events of Canada, and from the interest which is being shown this season, this year's race will be one of the most successful.

Junior Games.
The North End Cubs defeated the St. Luke's Cubs in a nine-inning game on Tuesday morning by a score of 12 to 6. The batteries were: For winners, A. Morris and P. Morris; for losers, H. Morrison and H. Kocak.

Rockford Marathons in a double leader yesterday morning on the Fort Howe diamond the scores being 5 to 3 and 3 to 2. Batteries for the winners were Turner, Martin and Cooper, and for the losers Halpin and Thompson.

Bring the Whole Family Tomorrow Waiting For This.

"ALF'S BUTTON"

BETTER THAN "THE BETTER OLE."

EVERYBODY KNOWS that when Aladdin rubbed his Magic Lamp an Oriental Genie immediately appeared and executed the most fantastic wish of the wishful young man. Now bring this story up to date. Imagine a soldier's button made of the brass from that magic lamp, and again imagine the button in the trenches. From the moment the snappy Sergeant Major ordered the Tommy to polish up his buttons, eliciting the murmured protest "Strike me pink" (when the Genie appeared) until the last flip of the seventh reel off the screen, this comedy is a delirium of fun and hilarity. Clean, wholesome, clever and darned if it ain't natural too! Has packed theatres for weeks' runs in all cities, and still going strong.

of the most successful from the point of view of a large field of entries.
Last year the race was run as an Olympic semi-final and was won by E. A. Lawrence, the well known distance runner of Montreal. His time for the course was 56.46, almost two minutes slower than the record for the course made by Joe Kepper of Winnipeg in 1911, when he completed the circuit in 54.50. Besides Lawrence and Kepper, race winners in different years have been J. E. Edwards of Port Arthur, Alfred Cole of Port Arthur and Edward S. White of Schreiber.

Shorten Olympic Programme.
New York, May 19.—Elimination from the Olympic games programme of walking, tag of war, cycling, fencing, shooting, rowing, lawn tennis and football is being considered by the British Olympic Association for recommendation at the international congress in Lausanne, Switzerland, May 28 and 29. The committee has elected three delegates to represent the British Isle, F. B. Low of the National Cycling Union; P. J. Baker, Amateur Athletic Association, and H. Fearn, of the Amateur Swimming Association.

THE RING.
Young Montreal Wins.
Providence, R. I., May 18.—Young Montreal, of Providence, won the referee's decision over Patsy Johnson, Newark (N. J.), here tonight in a twelve-round bout. Montreal scored a knock-down in the tenth for a one minute disqualification. Montreal 118, Johnson weighed 124½ and Montreal 118.

Two Are Disqualified.
New York, May 18.—Billy Defoe of St. Paul and Lieut. Earl Baird of Seattle were disqualified in their boxing contest here tonight on charges of fouling. The referee disqualified Defoe in the seventh round of a twelve-round match with Freddie Jacks of England and stopped the bout between Baird and Johnny Murray of New York in the final round of a twelve-round match. The weights were: Defoe, 128; Jacks, 127; Baird, 129½; Murray, 132.

CURLING.
Winnipeg 1922 Bonspiel.
Winnipeg, Man., May 19.—The Winnipeg bonspiel of 1922 will start on Monday, February 6, and continue for one week only. Decision as to date and curtailment of the big event was made at the first meeting of the recently appointed council of the Manitoba Curling Association here. The scheme to shorten the 'spiel so that every competition will be completed within the space of one week, as advocated by J. T. Haig, will, it is expected, result in a much increased representation from outside points.
The Manitoba Curling Association has taken the initiative in connection with extending an invitation to Scottish curlers to visit Canada during 1922-23, and will co-operate with eastern associations to the fullest possible extent to make such a visit possible.

A DREAM OF GOODNESS

A dish of Carbonated Ice cream is a dream of goodness.
It is all that experience, money, skill and "creaky" ideas as to PURITY can make it.

CLASH AT JOINT POLITICAL DEBATE

Trouble Starts at Nashwaak- sis Meeting When Dr. J. W. Edwards, M. P., Refers to Sinn Feiners.

Fredericton, May 18—The joint meeting at Nashwaak's tonight, addressed by Dr. John Wesley Edwards, M. P. for Frontenac, on behalf of the Conservative party and William Irvine, of Moncton, United Farmer organizer for New Brunswick, on behalf of the Progressives, was the liveliest feature which the York-Sunbury by-election has yet produced. The hall was entirely inadequate for the audience which had assembled and one much larger easily would have been filled. Councillor Fred Seymour was chairman by mutual consent.

The outstanding feature of the meeting was that the audience was overwhelmingly Progressive and was not backward in showing it. This is the more remarkable because Nashwaak's in previous elections has been a Conservative community, giving substantial majorities for Conservative candidates. If tonight's meeting can be taken as an indication, E. W. Stairs, Progressive candidate, will take a majority from that poll. Mr. Irvine was the more popular of the two speakers and was cheered repeatedly. Dr. Edwards was given an attentive hearing and was cheered by the Conservative section of the crowd.

Toward the close of his address interruptions, which had been occasional, united into a hostile demonstration which prevented him speaking for a short time. The cause of this was a statement by Dr. Edwards to the effect that among the opponents of the Meighen government at the present time could be found "every Sinn Feiner, every German and every Austrian." A reference by Dr. Edwards a few minutes before to "men of the type of Lindsay Crawford" had caused a similar interruption with yells of "cut it out," "the old game," "old stuff."

N. B. VOCATIONAL EDUCATION BOARD

Moncton, May 18—Hon. Fred Magee, M. P. P., of Port Egin, reached the city today to attend a meeting of the provincial vocational education board which opened in the city this afternoon. Among those in attendance were Hon. Mr. Magee, chairman; Dr. W. S. Carter, chief superintendent of the board of education for New Brunswick; Fletcher Tescock, B. A., director of vocational education for the province; Dr. H. V. B. Bridges, principal of the New Brunswick Normal school; George H. Maxwell, a representative of labor; St. John, and Amos O'Brien, secretary of the Moncton school board. This is the first meeting of the board in Moncton since its inception.

FRUIT FARMING IN NOVA SCOTIA

Wolfville, May 18 — Starting out to work a farm with a mortgage necked on it for more than the farm was worth was not the very encouraging prospect of Sam Chute of Berwick twenty-five years ago. Last year he sold 20,000 barrels of his own apples and about 60,000 quarts of strawberries. The old mortgage, of course, is gone and forgotten, except as a memento.

Mrs. Chute is known by his neighbors in the Annapolis Valley as the "international farmer." Besides owning 920 acres of the precious Valley land, he owns a citrus farm in Florida, among other possessions. He has a couple of autos, besides three tractors. His neighbors call his house a three-story mansion, with a sun parlor such as few city houses afford. The experience of Mr. Chute shows what can be done in Nova Scotia by those who try as hard here as they would elsewhere. Almost every farm in the valley has a romance of its own. A. J. Turner, for example, has a farm at Welsford, north of Berwick. He came there from New Brunswick twenty years ago and bought fifty acres for \$1,000. Ten of the fifty acres are useless for growing fruit. Of thirty-five acres last season Mr. Turner sold \$8,000 worth of apples "tree run," or, in other words, received that amount for the apples as they came off the trees. Manning Ellis, another Valley farmer, sold \$8,500 worth of his own fruit last year.

STREET RAILWAY EMPLOYEES MEET

The Amalgamated Association of Street and Electric Railway Employees held their meeting yesterday afternoon and evening with the president of the union, Ira Ferris, in the chair. The various reports of the conferences with the New Brunswick Power Company were placed before the men and several propositions of the officers of the union were brought up and discussed. The union representatives are expected to meet the directors of the company today to discuss the wage situation and the dismissal of the two union employees.

LEAVES TRAGIC NOTE FOR WIFE

Reuben Hiltz of Dartmouth, N. S., Says His Body Will be Found in Pond.

(Halifax Echo, Tuesday.) "I am of no use to anyone. You will find me in Allison's Pond."

Descending to the kitchen this morning shortly after her husband had left the house, Mrs. Reuben Hiltz, Hawthorne street, Dartmouth, found the above note written on a scrap of paper and lying on the untouched breakfast table. Mr. Hiltz had given no indication of unusual mental worry and had such a course was in his mind came as a terrible surprise and shock to his wife. Mr. Hiltz, a highly respected citizen, spent practically all his life in Dartmouth. He was for over twenty years employed with the Acadia Sugar Refinery Company at the Woodside plant. During all the years he had never missed a day from work and was in

good physical condition. About a week ago when business became very dull a number of the employees were laid off, including Mr. Hiltz. He spent part of the week fishing and was this morning to have gone to work with a Halifax construction company. It had been the family custom to leave breakfast prepared the night before, Mr. Hiltz arising early, lighting the fire, and making tea for his breakfast. When this morning brought such a grim change to the habit of years, Mrs. Hiltz, suffering from shock, alarmed the neighbors and then collapsed. A gang of men were rushed immediately to Allison's Pond, where dragging operations were commenced. It is a small ornamental pond on the grounds of Mr. J. Walter Allison and is situated a short distance above the shore. A picturesque little place with duck houses and surrounded by light trees, it is not very large or deep. Dragging operations began shortly after nine o'clock and continued until noon. Nets and grappling irons were used, but the body was not found. The greatest care was exercised by the men, who at the end of three hours' search announced that it was impossible for a body to be in the pond. The men shifted their operations to the head of Mott's wharf, Dartmouth Cove, very near Allison's Pond. A diver will explore the waters about the cove this afternoon. Mr. Hiltz is about forty-five years of age and has four children.

BORDEN CO. CUTS PRICE OF MILK

Truro, N. S., May 18—The Truro factory of the Borden Company, Limited, manufacturers of condensed milk, etc., announces a reduction in the price it will pay the farmers for milk. The new price, which is effective on Friday

two dollars per hundred pounds for per cent. milk. The former price was \$2.25. In a circular sent out the Borden Company says: "Owing to the serious market situation and materially low prices made by our competitors we are compelled to announce that our price will be reduced, starting on May 20 two dollars for 8.5 per cent. milk."
