> New-Brungmick HOUSE OF ASSEMBLY From the Fredericton Sentinel.

January 2.3 PAYMENT OF JURORS: onunjitee to consider a Bill for the payment of Grand and Special Jurors. Mr. Hence the clerk of the peace would know who attended, and the length of time jurors would be engaged, and the Sheriff could tell with persons and the sheriff could tell the same are same as the could be shown in the could be shown in the sheriff could tell the same are same as the could be shown in the same as the same are same as the same are same as the same as the same are same are same as the same are same are same as the same are same as the same are same as the same are same are same are same as the same are same as the same are same are same are same as the same are same are same are same are same as the same are sa . The House again resolved itself into of Grand and Special Jurors. Mr. Hence bington in the Chair

merly been presented in farmer of the measuis contemplated Ly the Bill. It was a mpelled to attend eight or ten days, and rear, it would be considered a better payment great hardship that individuals should be

Persons were occasionally called upon to serve a Jurous, it was an invaluable privi-serve a Jurous, it was an invaluable privi-lege, and altho' to might be productive in that country, and so far as that could be acsome instances of convenience, it was but completed, niwas very desirable. But how Mr. Exp saidfit was not limended to intarely described — perhaps once in three happened it, that the members of that House crease the costs of suitors; and with referyes. The House it seemed were called ware paid; such was not the practice in upon to pass a most important Law upon an institute manner of the friends for the Chur head isolated petition, segment by the forement of the grandiary. It such a Bill were necessary of the friends for the friends for the Chur head of the friends for the bring in a local But the deemed this which was then before the country as it is, still keeping as tar whose the country as it is, still keeping as tar whose the country as it is, still keeping as tar whose the country as it is, still keeping as tar upon them in this instance, should be performed which there are commutes as most objections as a docal or Parochial Committee, in add of the New Brenswick Church Society. The learned gleatlemen said he would never the country as it is, still keeping as tar upon them in this instance, should be performed without thee or reward.

If the Edit would never the constituents in the country is an add the New Brenswick Church Society. The learned gleatlemen said he time this instance, should be performed without thee or reward.

If the Edit would never the proof of Jurous as light as possible, and would have the grand and prut performed with the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the control of Jurous as light as possible, and would have the day of York, with many of whom he had conversed upon the subject, where desirous that its length purely to the control of Jurous as light as possible the control of the New Brenswick Church Society.

[Here closed without the control of the New Brenswick Church Society.

[Here closed without the or reward.

[Here closed without the or reward.

[Here closed without the control of the sessed in advance, which would be producted and with. are was les from desirable, and unless purchased in favour of the Bill, still then put and carried. dions were received from other places, the at did not meet with his approbation.

Mr. Brown and that the bon, and learned be productive of any good results, and felt manber was not sufficiently informed with reference to the Pennons before the House, would object. He should have no objection In addition to that from he foreman and to the passing a Bill, which should apply acand jury of the County of Charlotte, there solely to the county of Charlotte. He wou was one signed by at least 200 of the winer suggest however, that the attorney for the inastican s. It mught not be necessary in position should be made person ally liable for post such a Bul with reference to other come like encreased expence, tather than that it ties, and he admired that it was describle should be paid by assessment, keep fee hom taxmon. He was glad to Mr. Bannance thought the House should her that there were consider which it was prove before it gave is sanction to my in-unnecessity to seems strong your; but such inad similar, to that which it was the object was not the case with the country which he of the Bill to effect. The measure contemre-resso ed; and he wast it would come plated was founded upon an application from one to be accessery to country it assessment the Country of Charlotte; and if the people to the part of the country. It would not of that country wanted it, he would say therefore he absended with any difficulty; he taken have it. But he would be sorry to and if the people there were distributed by soil it made general.

Mr. L. A. Wilmor was in favour of the there was any objection to a general measure he traveled a Bit would be inought in, which is should be made for the Jurors. He had objection to a personal to Charlotte was any any objection to a general measure of the set of the set is find public provision by the made of the personal traveled the made for the Jurors. He had objected the inconvenience to which personal wars and in the County of Carlotte personal traveled the personal traveled traveled the personal traveled traveled the personal traveled trav es my. 19 course tro a any sum which were put in the County of Carlion, a might be allowed to Porors, that to which sware that their crops sustained much injuthey are already entued would be deducted, ry during the absence of jurous from their her did the Juries such to be tally come. Tating Worle at endine to should be reneved from the payment of existing bonne and mour the penalty. This state penales which were inconvenient and burs of things was not confined to Cariton, but chousome, and from which even a general as- be had witnessed it at Charlotte and in Nor-

The hom Speaker and if there were any their money was expended, and the court at 6f Great Britain or a similar tendency, were obliged to pack juriors, and often to see he would not convert the similar tendency.

he would not oppose the measure. | cct persons of measure, In one instance Mr. Basinatax was hoppy takened it pro so notorious was the, that both parties comto make the Bill a general measure - pleined, and the Judge struck of the cause, Last year if he recollected correctly, it was litence arose much difficulty and dissatisfac-preposed to confine the measure to the countrion. It was a mere mockery to give jurious of Charlete, and was objected to en a shilling oday, which was all they could that ground. It was his conviction that the obtain, whether a cause occupied ten mi-Bul would meet with the approbation of the nutes or five days. But jurors were to be Counts which he represented, althor there told, we were copying the Parent State, and were no petitions before the flouse. In fact they must not say a word, but make every if gentlemen were to wart until petitions sacrifice for the benefit of society. Lawyers were prosented, there would be few acts and witnesses were paid, But a Bill which passed, the people placed confidence in went to provide payment for the jurors, and their representatives, and trusted to them for which is correct in principle was not to be the bringing forward of measures that would allowed to pass. As the law then stood, he benefit the country. The arguments of the said, in most of the countries 141 persons hou and learned member, from Kent there- sere annually called from their houses, to atfore fell to the ground. As to the making tend court as jurous; and in the County of assessmen s, there would be nothing additional required. It would only be accessary to increase the sum which is annually raised In the County of Carleton, Jurois were brought from every remore distances, and althe's man might possess prosperity, yet he had no somey to spare, and required the omy. Hence people were put to great were generally poor, and many of them has accompenience who came to attend the sit to come from a great distance. He though the great course. And the desire to be paid the Ball was foundly called for. for the service which they were thet called opou to perform, did not arise from parsiwony, but from a sense of the impossibility

re emplyed in criminal crises, he though stance of some litigious individuals or in obedience to some compulsory process. Much be retrined as jurous, and the result would be, men would be tried for their lives by t would require to carry into effect the proposed measure; but nothing more was ne cessary than is requisite, when a blacksmith

As to civil cases, he thought one shelling entirely too small a sum, while five shilling were entirely too much: he thought half a lollar per day would be a sufficeet remuner.

Mr. J R. Partelow soid by had listened stientively to the argument that had been adduced in tavour of the Bill, and it did not ap twas only right and fair that they should be considered a better paymon than the tour shifting shin plasters which are pear to him that the advocates of the measure removeration. A similar patition had formerly been presented from the Country of Westmorland.

Mr. Weldow said he considered the Bill annecessary; and even were it to passing a law, it could not well be acted upon.

Persons were occasionally called now.

I English, and it did not speak to him that the advocates of the measure removed ask in the first him that the advocates of the measure removed ask in the many objection to the Bill—it would have a tendency to increase those costs, which are algreeved why why not remove the definative freedy higher than are paid by their neighbors. That objection he deemed to be controlled upon.

I English, and it did not speak to him that the advocates of the measure removed ask in the measure is a circulation. He would ask how it happens that jurous are the only public officers who are unpaid; and it they feel the measure is a circulation of the Bill, and it did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of the measure is did not speak to him that the advocates of h

complainte.

Doetry. LINES. To him who can best funderstand them I didenot, could not think that thou, On whom my very life depended, Could be so changed as thou art now The heart that loved thee could have rended

From others I expected not To meet the tones of love and kindness,-From thee I did ! - Oh, let me blot All traces of my wilful blindness.

I saw another by thy side. Her look of love returned by thine; Which I had deemed was only mine,-My brain was maddened and I strove To crush my unrequited love !

Henceforth my heart is doubly steeled Gainst all the race of human kind ; My fate is now forever sealed ;-I thought, at lest, I had found one .-

THE DEPARTED YEAR.

The wheels of time, with rapid flight, Have brought me to another year, Which now has ushered on any sight, And whispers mercy in my ear. BACHELORS.

As lone clouds in sammer eyes, As a tree without its leaves, As a shirt without its sleeves, Such are bachelors

As jokes not laughed at when they're said, As needles used without a thread, Such are bachelors. THE INATTENTIVE BEAU.

As Syllababs without a head,

Tis ever thus, I do declare. 'm aiways left alone; Apology you cannot make, For such neglect t' atone. Business, indeed! to keep you out

So long, so offen, too! I never saw a murtai that So mattentive grew. Alas, alas ! too well I know

That you are growing cold, For so your great neglect of late tiathebut too plainly told. Such walks as we were used to take,

How proud you used to be

It you could get by any means, To take a waik with me. How gracefully you'd give your arm, How slowly move slong; Ol such sweet words as used to flow

From the deceive,'s tongue. And, O! such sweet attentions then, And homege I received: Should be so much descived ?

I know my dear. I do not show Such sweet attention now As when I tried to win your heart, (I have forgotten how.)

O! tell'me, best beloved one.

Why thus from me estranged ?

O. deacest why so changed ?

Nor do l'love you less,

My fondness to confess.

Have I e'er grieved you? tell me pray,

"My own beloved! I am not changed,

Than when I used my tenderness,

But I will try to please again; And pay you more attention : But never think I wish to alight,-

Officer during the Revolutionary War, £10 and even this would give an imperfect ides 20 Ende Broad Cloths, blue, debits, and black. To this Excellency the Lieu casant Governor or Commander in Chief, the sum of the subject. But formulately the principal 4 Cases Si k and Bancer Hare, matters are of the minoring portance to agririnor or Commander in Chief, ting sum of £20 for the services of a Tide Waner at the financial collars are of the unmost importance to agriL20 for the services of a Tide Waner at the financial collars and the arts, and we shall therefore a the financial collars and the arts, and we shall therefore a tide draw largely in Extracts from the Report, the sam of £150 for the present Session and to each and every Member of the House of one fits it is intended to impart.

4 Cases Six and Beauer Hars, and tide arts, and we shall therefore the financial collars and the arts, and we shall therefore the financial collars and financial the financial collars. venefits it is intended to impart.

It is our painful task to quote the ful owing 15 Kegs 4dy, 6tr, 8dv, 12dy & 20dy Nails, dismal news of the cavages of the yellow feed of Cart chingle Nails, 3 do Car Sdy and 10dy do ver in Trimidad :-"Trinidad,""Trin

broken out amongst the Troops in the Garbroken out amongst the Troops in the Garbroken out amongst the Troops in the Garbe sold at a moderate profit, and Lumber or Shingies taken in payment.

This distressing to hear of the fatal in
William BABCOCK & SON. rances of verlow lever at the garrison of Si. Ann's. In our last we noticed the death of Eusign Gough of the 521 Regiment, lately of this day is the name of Paymester Win-terbottom, Arme Regiment. The tatal dis-ease has we understind, attacked the whole of that Gentleman's lamby. Mrs. W. we are informed died last night, and that their late informed died last night, and that their late informed died last night, and that their arrived from Gibraliar, and in our obiliars

I am induced to make these remarks by

count of Scotland :"-"There are 1393 licences to retail spritous liquors in Glasgow, which contains 18,467 families." Now, ad so Boxes yellow Soap, &c. &c. witting that some sell without licence, and

To Cornespondents - Sue is received others are totally abstinent, there would thus be one spirit shop to every twelve families in Glasgow! This certainly appears a most gross and mendacious atrack upon the proverbial morality of that City,

> An electioneering Squib which appeared in our last has drawn from Mr Clinch the epistle which will be found in a preceding column. We treat his aspersion with the delerence due to its truth, and rest content with giving it publicity as a sufficient refutation of its accuracy.

We copy the following melancholy notice of the loss of Capt. PETER SMITH Jr. from the Boston Courier of the 4th inet :-

The British Brig Yarico, (late Smith) 27 Brits and Norres for Discount must be lodge this port for a navigator, having lost the Cape ed with the Cashier on or before Thursdorr other (210 who was washed over board in the galacies). of the evening of the 26th olt; next day tell in with the stop Marguet, Fotbes who advipant to confact her in, till seperated on the 31st in a N. W. gale;

On Surday last the 3d inst. by the Rev. Alexander M. Lezn Carrain John Voolen, to Miss Bar. Bara M. Callioth, both of St. Andrews. At 5t. John on Tuesday evening-last, by the Rev. Dr. G.ay, Charles & Jarvis Esq. to Serah Cecha, third daughter of T. P. Marter, Esq. of lier Majesty's "usioms.
