The copy filmed here has been reproduced thanks to the generosity of:

British Columbia Archives and Records Service.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exempleira filmé fut reproduit grâce à la
générosité de:

British Columbia Archives and Records
Service.

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exempleira filmé, et en
conformité avec les conditions du contrat de

Les exempleiras originaux dont le couverture en
papier est imprimée sont filmés en commençant
par le premier plet et en terminant soit par la
dernière paga qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plet, selon la cas. Tous les autres exempleiras
originaux sont filmés en commençant par la
première paga qui comporte une empreinte
d'impression ou d'illustration et en terminant par
le dernière paga qui comporte une telle
empreinte.

Un des symboles suivants apparaît sur le
dernière image de chaque microfiche, selon le
cas: le symbole → signifie "A SUIVRE", le
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

The De Luxe of Moderate Priced Hotels

T IS but rarely one can get a better article 35 to 50 per cent. cheaper than can be furnished by competitors. It sounds extravagant, but such are the advantages offered by the Dominion Hotel to its patrons. Ride up and be convinced.

DINING ROOM OF DOMINION HOTEL

Bright Office and Handsome Parlors

The splendid office, bright, clean dining room, spacious corridors, handsome parlors, its bridal chambers and well furnished and sunny bedrooms, up-to-date appointments, fine free busses and rolling stock, owned by the proprietor, lawn and recreation ground, quiet neighborhood (yet close proximity to the business center), together with the notable character of its guests, place the Dominion in a class by itself, and without a peer among popular priced hotels.

CHEF AND SERVICE

Our kitchen is large, well ventilated and furnished by the A. I. W. Co., in their most complete manner. It is presided over by one of the highest salaried chefs in the West, who is ably assisted by a staff of six. Great care is paid to the dining room, where neat, noiseless and quick service is given by polite waitresses.

An American Patron Recommends the Hotel

MR. STEPHEN JONES, SEATTLE, WASH., May 21st, 1904.
Propr. Dominion Hotel,
VICTORIA, B. C.

Dear Sir,—We arrived safely home after a pleasant holiday in your city * * * I wish to say that the service given my wife and myself while guests of your hotel was of the very highest order, and I will take great pleasure in recommending your house to any of my friends who may visit your city. Thanking you again,

Yours very truly,

W. J. McDONALD,

Contracting Agent The Minn. & St. Louis R. R. Co.

Our free busses meet all boats and trains, and visitors are cordially invited to make the Dominion Hotel their headquarters. The spacious parlor and office are at the free disposal of those who may be but a few hours in the city.

OFFICE OF THE DOMINION HOTEL

Why You Should Stay at the Dominion Hotel

VICTORIA, B. C.

Because It is new, fire proof, is better designed, better furnished and has more modern improvements than any other hotel of the same size in Canada. This may sound an extravagant boast, but is a fact.

Because The office is large, of handsome design, cheerful and attractive. The ladies' and gentlemen's writing room is a most inviting apartment, beautifully decorated, well lighted and equipped with elegant quartered oak individual writing desks. (This room is frequently used by members of the legislature as a committee room, and is always at the disposal of any delegation visiting the city.)

Because The reception corridor and ladies' parlor are spacious and luxurious. The bedrooms are all large outside rooms, models of cleanliness and comfort, and can be had in an infinite variety; with private baths attached, en suite, alcoved, with running water and open plumbing.

Why You Should Stay at the Dominion

(CONTINUED)

Because

Attention is given to the dining room and the meals are first-class, with quiet and quick service.

Because

There is no rent or high salaried managers to pay (the hotel being owned and managed by Mr. Jones), hence the very moderate rates.

Because

A minute's walk from the hotel takes you to the principal theatres, retail stores and churches, yet its situation is quiet.

ONE OF THE DOMINION'S FREE BUSSES

Because

In its central court and its private recreation ground the visitor may pleasantly while away an idle hour.

Because

We invite an inspection, so on arrival at Victoria take the Dominion Free Bus, and if the hotel is not as claimed you have incurred no expense, and will be under no obligation to remain.

The rates of the Dominion are only half what other First Class hotels charge, but are responsible for the hotel having no dull season.

RATES { American Plan, - - \$1.50 to \$2.50 per Day

WHY YOU SHOULD VISIT VICTORIA

Because It is unlike any other city in the West—it has a peculiar charm, and its quaint old English air and historical associations captivate the affections and invariably prompt recurrent visits.

Because It presents an enchanting panorama of changing beauty; rocky shore line and sandy bay, mountain heights and undulating plains, peaceful lakes and lagoons and rushing rivers.

Because Besides being the capital it is also the social center of the Province, and its substantial business blocks and the profusion of beautiful homes attest the wealth of its inhabitants.

"THE GORGE" AT LOW WATER

Because The magnificent Government Buildings, the Naval Station and Dry Dock, the Gorge, Beacon Hill Park, and many other beauty spots fascinate visitors.

Because Sports of all kinds may be indulged in to the heart's content, and there is an abundance of excellent fishing and hunting in close proximity to the city.

LADIES COMING TO THE CITY ALONE WILL FIND THIS HOTEL
SAFE, HOME-LIKE AND COMFORTABLE

COSY AND COMFORTABLE

THE AIM of the management of the Dominion is to make the hotel so cozy and comfortable that when the tired traveler steps into the fine office or dining room he immediately feels at home, and his troubles for the time being are at an end.

The Most Popular in Victoria

In patronage, location, equipment, and courteous attention it is unsurpassed; and it combines the conveniences of a perfect hotel with the wholesomeness and comfort of a home. It is modern in every detail, and is easily the most popular of Victoria's hostelrys.

The Head of Every Department Is an Expert

And for that reason every want entrusted to the Dominion will be scientifically cared for.

Affability and courtesy under every circumstance are imperative in a well regulated hotel. They are the absolute rule of employees of the Dominion.

The proprietor considers it a favor when complaints are made to him personally.

Provincial and Mineral Museums. Carey Castle.
The stately homes on Rockland Ave. and Belcher St.
Chinatown, a glimpse of the Orient. Oak Bay and Golf Links.
Carnegie Free Library (opposite the Dominion Hotel).
Work Point Barracks, Esquimalt and Naval Station.

Are Met at Wharf or Depot

Strangers arriving in the city late or early, by boat or train, are met at the wharf or depot by courteous and well-trained porters, and conveyed to the hotel in the finest busses that money can provide absolutely free of charge. Thus the guests are saved much worry and inconvenience, as well as expense.

When Legislature Is in Session

The Dominion is regarded as the tourists' and travellers' home. When the Legislature is in session the Hotel is a rendezvous for the members, as it seems to be parliamentary headquarters.

Considering the character of the hotel, the many attractions offered and the liberal plan on which it is conducted, the rates will be found to be particularly attractive.
