Entered according to Act of the Parliament of Canada, in the year one thousand nine hundred and six, by WILLIAM ROBERT HOUSTON, at the Department of Agriculture.

ANNOUNCEMENT

THE present volume is the first one of its kind issued in Canada, and, to a great extent, is an experiment. If results warrant its continuance, the edition next year will, of necessity, be greatly enlarged. It is believed that the rapid growth of Canadian commerce, with the consequent great number of incorporated companies, makes a ready reference list such as the DIRECTORY OF DIRECTORS of value to the general commercial community.
