Hemingway-Fidlin Family Picnic

A happy reunion of the Hemingway-Fidlin families was held on Wednesday, July 27 on the beautiful sylvan grounds of Mohawk Park Brantford. An ideal day, combined with the efforts of an enthusiastic managing committee, and the glad greetings of so many who had not met perhaps for a score of years, all helped to make this a very enjoyable event. Guests to the number of 140 were present from Cleveland, Cranbrook, Parry Sound, Teeswater, St. Catharines, Burlington, Hamilton, Waterdown, Brantford, Port Dover, Northfield Centre, Woodstock, Norwich, Normandale and Currie's. A bounteous picnic dinner, served under the shade of the trees, was the big introductory feature of the reunion. Following the dinner hour the president, Walter Hemingway, Norwich, took charge of the business portion. The officers for the ensuing year are: President, Walter Hemingway, Norwich, re-elected; Secretary, Alton Fidlin, Brantford. Speeches were made by the president, and by Albert Hemingway, Waterdown, Mr. Elliott, Lucknow; Robert Sheppard, Burlington, and a very interesting recitation was given by Aunt Rachael Warboys, Brantford. It was decided to make this an annual event, and to meet next year at the same place, and on the same date. A race program for old and young alike was then run off, the various events causing great excitement and keen competition. The results were: Race 6 yr and under, Kathleen Steedsman, Elsie Allen, Robert Jull. Race, 12 yrs and under, Wilfred Fidlin, Ed. Jull, Sheldon Carroll. Race, 16 yrs and under, Elton Fidlin, Kenneth Carroll. Young men's race, Arthur Shepherd. Young women's race, Mrs. J. Boyce. Fat women's race, Mrs. Steedsman. Mrs. R. A. Marshall. Bald-headed men's race, Willard Scott, A. Fidlin. A baseball game was then engaged in trying but the dexterity of the chosen sides—the Tigers and the Weasels, the Tigers winning out. The gathering dispersed about 5 o'clock, carrying with them many happy recollections of their annual picnic day.

Base Ball

In a ragged exhibition of baseball by both teams, Waterdown lost the last game of the League to Campbellville by the score of 18 to 15. Loose playing was the only feature. All other games were postponed.

Campbellville goes into the Senior finals, playing either the Beavers or the Imperial Cotton of Hamilton.

LEAGUE STANDING

	Won	Lost	p. c.
Campbellville	9	1	900
Carlisle	6	3	666
Kilbride	3	5	375
Freelton	3	5	375
Millgrove	3	6	333
Waterdown	2	6	245

Junior League

The Juniors again lost away from home, the Carlisle team taking them into camp by the score of 10 to 4, while Flamboro Centre trimmed Tansley by 10 to 9.

A tight race is looked for from now on. Waterdown should win over Flamboro Centre on Saturday at home. A good crowd will do a lot for the boys and go to help the League.

LEAGUE STANDING

	Won	Lost	p. c.
Tansley	7	5	585
Waterdown	6	6	500
Flamboro Centre	6	6	500
Carlisle	5	7	416

The Midgets went down at the hands of the Olympics on Tuesday evening. Fierce Buster Tuck and "Spitball" Featherston being away off color. Score 9 to 3. Waterdown will always have material if the Juniors and Midgets keep up their good work.

The regular monthly meeting of W. M. S. of the Methodist church will be held at the home of Mrs. Hasseltelt, Sr. on Wednesday, Aug. 10th at 2.30 p. m. All ladies of the congregation are invited to attend.

The Women's Missionary Society of the Presbyterian church will hold a service on Sunday, August 7th at 3 p. m. in the church. The speaker, Miss Weir, a returned Missionary from India, will address the meeting. Silver collection. All demonstrations are welcome.

Mr. Stocking, of the Hydro Commission will address public meetings at Carlisle on Aug. 9th, Waterdown Aug. 15th and Aldershot Aug. 15th, at 8 o'clock each evening. Mr. Stocking will speak on the supplying of electric power and light to rural communities.

Mr. G. Potts and Mr. E. Gordon have returned from a fishing trip up North, bringing with them the customary fish story. The latest one is the hooking by Mr. Gordon of a 90 pound monster that gave him the run of his life. Mr. Gordon was pulled out of the boat and dragged a half mile before being rescued by a lone fisherman who discovered him hanging onto a limb of a fallen tree by one hand while with the other he held on to the line with the 90 pounder dangling at the end of it. The fish, which was too large to bring by motor, was shipped by freight and will be on exhibition at Wabasco Park the day of the Union picnic.

Muir-Radford Wedding

The marriage was quietly solemnized at the manse, Dundas, Wednesday, August 3rd, by Rev. J. M. McDonald, pastor of the Presbyterian church, of Miss Clara Isabel, daughter of the late Mr. and Mrs. William Radford, to Mr. John J. Muir of Waterdown. The bride, who was unattended, wore a smart tailored suit of blue, with hat to match. Immediately after the ceremony Mr. and Mrs. Muir left for a trip to Calgary and other points west.

The Fire Ranger and His Job

DOTTED over 100,000,000 acres of forest, 1,000 men, organized in the employ of the Government of Ontario, are, this summer, passing back and forth over the canoe routes and along the railways, watching out for the tell-tale smoke which is the sign of fire. Regardless of hot weather, black flies, mosquitoes, discomfort, loneliness or monotony, the Fire Ranger makes his rounds, preventing, quenching or fighting fires in Ontario's forests, paying his own living and traveling expenses, and receiving \$3.00 per day for his services.

All in all, the Ontario Fire Ranger is entitled to the help and co-operation of everyone. He deserves all the support the people of Ontario can give him. His work is of vital importance. Heed his warnings. Do what he asks.

Save Ontario's Forests They're Yours

The Ontario Fire Ranger, during the danger period of the dry summer, is constantly on patrol to catch fires while they are small. He cannot prevent them starting, as a rule. He is at the mercy of all types of carelessness. Thanks to his vigilance, however, two-thirds of the forest fires in the last four years did not spread beyond five acres and of these, half did not exceed one-quarter acre.

Most of Ontario's Fire Rangers are northern woodsmen. Contrary to common belief, only five per cent. of them are students, and these are experienced Fire Rangers or returned soldiers.

Rangers travel chiefly by canoe and in pairs over a definite "beat", the length of which varies according to the degree of danger from fires.

Others travel up and down the forested railway sections on hand velocipedes, following trains to put out fires set by steam locomotives. In all, 2,100 miles of railroad are patrolled steadily all summer.

Two men devote their whole time to examining locomotives to see that screens and ashpans will not permit the escape of sparks and live coals. In the clay belt, a large force of Rangers supervise settlers' fires in land-clearing operations.

Don't blame the Fire Ranger if he asks you to be careful. Don't think he is too particular. He knows the risk. Ontario is poorer by untold millions of dollars through forest fires in the past. Help the Fire Ranger save the increasingly valuable forests that remain.

To the Farmer:

The purchase of a Piano or Victrola is only purchased invariably once in a lifetime. Therefore it behoves the purchaser to get the best and make sure you have the best.

I have had 25 years experience in tuning and repairing musical instruments, therefore feel quite confident I can choose the best instruments on the market.

I shall be pleased to place any instrument in your home beside any other in fair competition and let you yourself be the judge, without you feeling under any obligations absolutely. I can also save the purchaser quite a few dollars on account of my expenses being so low. I will always give you my best personal service and devote the whole of my time to supplying the country people. A postcard or telephone call will oblige.

A Mid-Night Romance

Tin Lizzie Balks and Joy
Riders Come to Grief

It is not a safe thing for a man to stomp his wife to do anything, for very often the old boy gets fooled and lives only to repent of his rash act. A case has been brought to our attention this week of a man in this village who stomped his wife in the middle of the night, which happened to be a very warm one, to go out for an auto ride. Needless to say she promptly accepted, and dressed only in their sleeping apparel proceeded to the garage and headed their Tin Lizzie out and started on their journey in quest of cool breezes but alas! like so many loving husbands he forgot to feed his thirsty steed before starting, with the result that when about 2 miles had been travelled their Lizzie stopped and absolutely refused to be coaxed to proceed. A hasty examination of the speed hound revealed the fact that the gas tank was empty. We leave our readers to picture their discomfort. A council of war was held and it was decided to ditch Lizzie and take the overland route home. Luckily the C. P. R. tracks were close at hand, so they hit the steel leaving the tracks near the South station, crossing the creek and emerging on Mill street. Hubby, after making doubly sure that no midnight prowler was around, again found his better half and they wended their way homeward via the sidewalk route. Next morning a supply of the staff of life was taken out to the Lizzie and she was brought home and tied up in the garage there to remain for an indefinite period. It is well to always see to it that the tank has a sufficient supply of gas in it and you will not be compelled to use shank's mare to get home.
