that are guaranteed fast colors. The new Ladies Fashion Plate for Spring 1916 is here and we will be pleased to show our cloths. We guarantee our work to be perfectly Satisfactory.

## A. E. Calkin & Co.

Keep the date open for the big new orchestra concert, March 10th.

The musicale to be given tonight (Friday) at the home of Mr. S. L. Cross promises to be a rare treat for music lovers.

The Mayor's Report for the Town of Kentville for the year 1915 will be found on Page 2 of this issue. Reports of other officials of the Town will appear later.

Don't forget your war tax stamp on checks, etc. A man in Toronto was fined \$10.00 and costs, or thirty days for forgetting to put a stamp on his check.

Friday, March 10th is the date of the event of the season. The concert by the Kentville Citizens' Band Orchestra. This is something you will not want to miss, so reserve the date. Watch next issue for further announcement.

The pupils of the different grades of Kentville Academy with their teachers are enjoying their annual sleigh drive to Wolfville this week. "A delightful time" is the general verdict.

Kentville experienced the coldest weather for years Monday and Tuesday. Monday night the thermometer registered 29 deg. below zero. The outlying sections report the coldest ever—real "out West" weather.

**LOOK WHAT'S COMING**—The Church Street Players, in the comedy-drama, "A Southern Cinderella," in Fastime Hall on Tuesday evening, February 22. Be sure and see this striking drama in three acts, seven characters. Play begins at eight o'clock. Admission 25c. Orchestra in attendance. Portion of proceeds to be given to Red Cross Funds.

Mr. F. A. Masters is ill with a severe attack of la grippe.

Band at the Rink Saturday afternoon from 3 to 5 o'clock.

Mrs. William Seaman who has been very ill is slowly recovering.

There will be no Mass at St. Joseph's Catholic Church on Sunday, the 20th inst., but instead the Mass will be at Morden on that date.

The death of Mrs. Andrew Cobb took place at the home of her daughter, Mrs. Burpee L. Bishop, New Minas, Wednesday. Particulars later.

We carry in stock 20 different kinds of Tea, all of good quality. Not a poor TEA in the lot. Prices range from 35 cts. lb., to 50 cts. R. T. Caldwell

The Church Street Players will give their comedy-drama entitled "The Southern Cinderella" in the Division Hall, Lower Canard, Wednesday evening, February 23rd. Don't fail to see them.

J. D. Spidell announces the engagement of her sister, Miss Mildred W. Daniels, to Mr. Robert Mort, of Glasgow, Scotland, the marriage to take place at Winnipeg, Manitoba, in March.

Don't fail to attend the musicale tonight (Friday) at the home of Mr. S. L. Cross. Proceeds for church purposes. Admission 25 cents.

Mr. Earl Neville of the Royal Bank, Halifax, is spending some days at his home in Kentville, recovering from his recent accident in a hockey match.

Robin Hood and Regal Flours are as good as can be bought. Our Price on them are as low as can be found. And the price will be higher. Moral: Buy today. R. T. Caldwell

Another of our well-known Kentville young men has found his place and is training for the service of the Empire. We refer to Mr. Vernon Fraser who has enlisted in the 106th Battalion, now in training at Truro.

Editor George E. Herman of the "Western Chronicle" went to Dartmouth Thursday to attend the funeral of his grandfather, the late P. Cornelius Herman, whose death took place Tuesday.

Basil Encampment, No. 25, I. O. O. F., will meet in Oddfellows Hall, Thursday evening, 24th inst., at 8 o'clock. Business installation of officers. Every member requested to be present.

THE STORE OF GOOD VALUES

We regret to state that Mrs. J. I. Lloyd, who has been ill for some weeks, is still on the sick list.

Our Price on Middlings by the ton is under the Mill quotations today. This price will not be for long. We advise you to buy at once. R. T. Caldwell

Take advantage of the big offer for this week and secure one of those splendid books we are giving away with each new subscriber.

Harry E. Walsh, son of Mr. and Mrs. R. B. Walsh of this town, who enlisted some months ago as a private in the 85th Battalion, C. E. F., N. S. Highlanders has been promoted to Corporal. He has also been chosen as one of the Platoon who will engage in a recruiting campaign in Kings County. This Platoon is made up mostly of Kings County boys.

The musicale to be given by the Ladies Aid of St. Stephen's Methodist Church, will be held at the home of Mrs. S. L. Cross, Friday evening, Feb. 18th. A rare treat is in store for those who attend, as the committee in charge has spared no pains in preparing a programme. Some of the best talent of the town will take part also Miss Ethel and Miss Minnie Miller of Canning, who are graduates of Acadia Seminary will be present and give vocal and violin solo. Proceeds for church purposes. Programme to begin at eight o'clock. Admission 25 cents. During the intermission home made candy will be on sale.

### HOCKEY

#### Windsor Bankers vs. Kentville

The Windsor Bankers and Kentville Hockey Teams crossed sticks in the Kentville Arena Wednesday evening, the visitors winning out with the score of 11-3. The game was fast, but Windsor proved too strong for the home team, some of their players, notably McLean and McCann, proving veritable whirlwinds while their goal Scott was certainly the right man in the right place.

In the second half Kentville's goal "Stonewall Muir" was injured and had to leave the ice. His place was taken by Barnaby, whose place was filled by Tibbets. The ice was in fine condition and some swift playing was witnessed.

The line-up was as follows:

Kentville	Goal	Windsor
Muir	Point	Scott
Barnaby	Point	Acorn
Lyons	C Point	Moore
Gilfoxy	Centre	McLean
Neary	L. Wing	McDonald
Christie	R. Wing	McCann
	Spare

64TH BATTALION TO GO OVERSEAS SOON.

Ottawa, Feb. 15—Fourteen Canadian battalions, or over 15,000 men, have been selected by the Minister of Militia to go overseas in the near future. They will replace in England the men who have left for the front to form the Third Division, or who are now leaving for the Fourth Division, which is being organized. Other battalions from Canada will move forward promptly, providing the nucleus for the Fifth and Sixth divisions which Canada is now arranging to add to the Canadian forces at the front.

The battalions selected are as follows:

- 33rd, London, now at Quebec, under Colonel Wilson.
- 45th, Brandon, under Colonel Clark.
- 51st, Edmonton, under Colonel Harwood.
- 53rd, Prince Albert, now at Winnipeg, under Colonel Denystoun.
- 56th, Calgary, under Colonel Armstrong.
- 59th, Eastern Ontario, under Colonel Dawson.
- 61st, Winnipeg, under Colonel Murray.
- 62nd, Vancouver, under Colonel Hulme.
- 64th, Halifax, under Colonel Campbell.
- 67th, Victoria, under Colonel Ross.
- 71st, Woodstock, under Colonel Donald Sutherland.
- 73rd, Montreal, under Colonel Davidson.
- 74th, Toronto, under Colonel Windeyer.
- 75th, Toronto, under Colonel Beckett.

There are now 211 battalions formally authorized, and new battalions are being daily formed.

The Department has had a request from the War Office for 125 bakers and 55 more expert engineers.

The Use of a New Sleigh for the Balance of the Season Free. That is what you will have if you purchase a sleigh now from the Union Carriage Company, Ltd.

Mayor's Report for the Town of Kentville, for the Year 1915.

To the Ratepayers of the Town of Kentville:

Ladies and Gentlemen:—The financial year having expired on December 31, last, and following the custom heretofore practised, it becomes my duty to submit for your information a brief report upon the municipal affairs of the Town, and the conditions of the departments of the Public Services under the control of your Council, directing your careful attention to the more detailed reports of the Standing Committees, the School Board, the Health Officer, and the statements prepared by the Auditors, for more detailed information, and would ask you to consider the same carefully, and to do all you can to assist the incoming Council to relieve the financial strain at present existing.

Accounts and Finance.

The Auditors have prepared the usual clear statement of accounts, which have been passed by the Council, and show to you a clear summary of the transactions of the year, and give to you the true financial position of the Town at the time of the closing of the books. The amount of \$7373.93 is shown as due from rate-payers. This is too much to be unpaid and shows too great leniency on the part of the Finance Committee and will tend to work a hardship upon those in arrears, as it will not be long before the new rate will be payable, this with an over draft of \$5465.94 and temporary loans of \$3,068.00, you will require to elect or obtain in some way a Wizard of Finance for the next year. This condition is unfair to those who pay.

Assessment and Taxation

The assessed valuation of Real and Personal property, and income for the year was \$611,150 taxation for general purposes \$2 as against \$1.84 per \$100 for the previous year.

Debentures

Your Council sold \$9000 only of \$12000 School Debentures and realized 99.15 per cent., which was an exceptional good rate, considering the rates of the previous year.

Streets and Sidewalks.

The matter of streets and sidewalks is still before you and I cannot do better than refer you to the Street Committee's Report passed by the Council and printed herein. The matter of permanent roads is before the Council at the present time and Mr. Watson L. Bishop, the Local Government Road Superintendent, has been consulted recently with a view to having him assist the Council with his advice and experience, to a better condition of matters in this regard; and the Council will doubtless soon advise you as to his views and their intentions as to same.

The sidewalks put down are wearing well and are a credit to the Town, and reflect great credit upon the Council and men who did the work, and justify the reference to the same made by my predecessor, Mayor Ryan.

Schools.

It is with great pleasure that I bring this matter before you, and I feel that now the school buildings are completed, the citizens, who stood for the repairing of the present buildings were justified, and the money spent has been expended as economically and as well as it possibly could have been.

The report of Principal Swanson shows 470 pupils enrolled for the year 1915. The net amount raised and contributed by the Council in 1915 was \$4916.19, costing an average of \$10.46 per pupil for the year. I would however urge upon the School Committee, The Board of School Commissioners and as well now the teachers, the necessity of as great economy in their departments as possible, as the gross amount of money spent namely, \$7182.98 is a large item of expenditure for a small Town such as Kentville.

I congratulate the Town upon the present conditions surrounding the school now, and hope they may continue, and would refer you to the Report of the Chairman of The Board of School Commissioners, and Principal Swanson for further information and careful consideration.

Waterworks and Sewers

It is with satisfaction I refer to this branch of the Town Service, as the Water Service has been for some years self-sustaining and I beg to refer you to the Report of the Waterworks Committee printed herewith which shows total receipts for water service during the year: of \$4594.18; This system works for lower insurance within the fire district.

The Sewer System during the year has been connected, with but two or three exceptions, as shown by the Report of the Sewer Committee herein, and a cleaner and better condition of things is confidently looked for wherever the sewer has been laid and connections made. The matter of house connections will be the duty of the house-holders, and the special effort of the incoming Council should be made to urge upon the careless, the necessity of making connections wherever needed, as well on account of themselves and the cleanliness and health of the Town, and I would refer the citizens interested to the Report of the Health Officer, Dr. Moore, in support of my request and to a careful perusal of the Report of the Sewer Committee herein. The condition disclosed as to the sewer on Academy Street, indicates a lax inspection and careless work on the part of those who put the sewer down, and great care should be taken to avoid the like in future.

### Mayor's Report

Continued from page 2

Police and Nova Scotia Temperance Act.

The police service is increasing and this year a special policeman and night watchman was added to the Force. At present the sum of \$150 is made available to supplement the amount subscribed and collected monthly by these merchants and the other property holders benefiting by his service. I find that burglaries are considered not of sufficient importance when discovered, to report to the Town Council, and we have to rely upon private sources for information, I think at least the police should report to the town council through the police Committee or suspicion might attach to the night watchman, this must not be as the Committee seem to have every confidence in him, and I presume rightly so.

The Report of Inspector Davis under the N. S. Temperance Act shows the total amount of fines and costs collected for the year, \$268.65. Disbursements, \$492.60 showing a deficit of \$223.96. Inspector Davis gets the man alright, but he (the man) seeks peace and plenty in the jail, as the account of Jailer Coleman shows \$90 this year, against the Town. Now that the Town has to pay these accounts, it is very depressing. Perhaps the incoming Council may find a remedy, past Councils have so far failed.

Paupers and Insane.

This account should be inquired into, as having looked it up I feel that the amount charged to relatives is too little, considering the circumstances. I have brought this matter to the attention of the Committee but it has not yet been attended to by them, but should be by the Council this year. The local poor are few and the amount spent this year quite small \$116.40 in all for the year. No one should be allowed to suffer for want of food or allowed to go cold for the want of fuel to burn.

In conclusion I can only refer to the report of the Band Committee and ask for the Band your careful consideration as it deserves all that the Town Council can afford to bestow upon it.

I wish to thank the Ratepayers and Citizens of the Town for the confidence which they bestowed upon me, in electing me to the office of Mayor for the year just past as you know, this is not the first time that I have served you in civic matters, and I have always served you with an honesty of purpose and for the safeguarding of the true interest of yourselves and as I believed fair and best for the residents and ratepayers of the town. I leave the Office of Mayor without regret and with a knowledge of an honest endeavor on my part to discharge my duty.

I have the honor to be  
Ladies and Gentlemen  
Yours faithfully,

F. A. MASTERS.

### OPENING OF THE PROVINCIAL LEGISLATURE

What is to be the final session of the present legislature was opened on Thursday afternoon of last week, by His Honor David McKeen, the newly appointed Lieutenant-Governor of Nova Scotia. The speech from the Throne foreshadowed no definite Government legislation of any kind whatever. The Address in Reply was moved by J. L. Ralston, Liberal member for Cumberland, and seconded by Simon Joyce the representative of Richmond. After the delivery of these two speeches, which were very short, the House adjourned to meet again on Monday, February 14, at 3 p. m., when Mr. C. E. Tanner, M. P. P., the Conservative leader, will speak on the Address, and it is expected, will outline the policy which is to be pursued by the Opposition during the Session.

Short as was Thursday's sitting of the House, it lasted long enough to show how the Murray Government, now that elections are finally in sight, shrinks from the prospect of a session of criticism. This was made clear in the speech of Mr. Ralston, government mover of the address. Mr. Ralston is a man of some ability as a speaker, he has the temperament of a politician, and is generally regarded as an incurable partisan. But his speech last Thursday lacked the old-time "punch." It was conciliating in spirit and dulcet in tone, from beginning to end. He practically begged the opposition not to criticize the government. He sought to obtain cover for the Murray Government under shadow of the great war. The purport, if not the express language, of his speech was to spare Murray because the Empire is fighting the Huns.

Mr. Ralston, with an eye to the revolution the iniquitous Mills-Daniels deal, the illegal payment by Premier Murray of \$45,500 of Provincial moneys to his political ally R. C. Harvey,

and the financial blundering in connection with the Halifax and South Western Railway, have wrought in the public sentiment of the Province, made it clear that he would prefer to see a coalition Government of Conservatives and Liberals formed, rather than to face the consequences, of the Murray-Daniels record in the House and constituencies. He said that "though he did not have absolute confidence, he yet entertained the hope that political issues might be laid aside during the session, that both parties might unite for the carrying on of the Provincial Government, so as to prevent the Province being plunged into the throes of a general election at this time."

The attitude of the Provincial Liberal-Conservative party may be briefly stated. If the Government has any measures to submit to the Legislature to help the cause of Empire, they will receive the prompt and loyal support of every member of the Opposition. The Conservative members of the Legislature will further do their duty to the Province by seeing to it that every detail in the record of the Murray Government is laid before the electors, that better administrative ideals are held up to the people, and that the issues on which the coming elections are to be contested shall be fully discussed during the session.

The opposition is convinced that the Province cannot get efficient administration while a single member of the Murray Government remain in office. A coalition is therefore out of the question, and will not be considered for a moment by the Provincial Liberal-Conservative Party.

### SHARP ATTACK REPULSED

Dangerous Condition Relieved Just in Time By "Fruit-a-tives"

MR. F. J. CAVEEN

632 Gerrard St. East, Toronto.  
For two years, I was a victim of Acute Indigestion and Gas In The Stomach. It afterwards attacked my Heart, and I had pains all over the body, so I could hardly move around. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try 'Fruit-a-tives'. I bought the first box last June, and now I am well, after using only three boxes. I recommend 'Fruit-a-tives' to anyone suffering from Indigestion, no matter how acute". FRED J. CAVEEN.

Simple Indigestion often leads to Heart Attacks, Catarrh of the Stomach and constant distress of mind and body. If you are bothered with any Stomach Trouble, and especially if Constipation troubles you, take 'Fruit-a-tives'.

10c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

### DOMINION DEPARTMENT OF AGRICULTURE.

Dairy Division, Ottawa.

THE TIME TO ACT.

The old saying has it "there is no time like the present." That this applies with telling force to the selection of good dairy cows, will be admitted by every thoughtful dairyman. Selection may be made on the evidence of certain well-known external indications of good milking qualities with special attention paid to the udder, loin, skin, barrel, etc. But no matter how skillful the expert judge of dairy 'quality' in a cow may be, he is not infallible as to the amount of hard cash that any one cow in the herd will earn in a year. He may be, the ordinary dairy farmer, too, may be considerably mistaken in his judgment. One system will give him accurate results, that of selection of dairy records. It is easy to weigh and sample, it is easy to add up a few figures for each cow, it is easy to compare such totals, and it is eminently satisfactory to now for certain which cows are best to keep and breed from. Now is the time to act, prepare to keep records all season; write the dairy division, Ottawa, for free milk records forms, either three times per month, or daily. You will never regret it. C. E. W.

### STORMY WEATHER HARD ON BABY

The stormy, blustery weather which we have during February and March is extremely hard on children. Conditions make it necessary for the mother to keep them in the house. They are often confined to over-heated, badly ventilated rooms and catch colds which racks their whole system. To guard against this a box of Baby's Own Tablets should be kept in the house and an occasional dose given the baby to keep his stomach and bowels working regularly.

This will not fail to break up colds and keep the health of the baby in good condition till the brighter days come along. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

### OBITUARY

P. Cornelius Herman.

Dartmouth, Feb. 16—There passed peacefully away last evening, at the residence of his son, E. J. Herman, one of Dartmouth's most aged citizens, P. Cornelius Herman, at the age of eighty-nine years.

In 1873 the late Mr. Herman came to Dartmouth from the town of Lunenburg, and since then has resided here, ever maintaining an active interest in whatever pertaining to the welfare of his adopted town. Several years ago he retired from active life, and for many months he has been confined to the house.

Mr. Herman was a consistent Christian, and ever since coming to Dartmouth has been a staunch member of Kings St. Baptist church. His wife predeceased him eight years. Four sons survive to revere the memory of a father who was both kind and true. They are E. J., of J. & M. Murphy, Halifax; J.

A., living in San Francisco; Rev. Neill, Ottawa, and Charles T., residing in Dartmouth, representing Gordon McKay Company of Toronto. There also remains to survive him nine grand-children and two great-grand-children. The former include Councillor F. W. Herman, of Dartmouth; George E., of the Western Chronicle, Kentville, and Rev. A. K. Herman. The funeral services will be held at the residence of his son, E. J., 159 Queen Street, Thursday afternoon.—Halifax Herald.

### Kidney Headache

is caused from the blood being thickened with uric acid poisons circulating in the head. Anti-Uric Pills cure all forms of Kidney trouble. They are so good and so sure that I guarantee them. Be sure you get Anti-Uric Pills B. V. Marion on every box. Sold only at Clark drug store.

Kentville, February 18th, 1916.

PATRIOTISM.

Years ago, when Bismarck and Von Moltke were discussing their success before Paris, the German statesman claimed that more than by any other thing the campaign had been won by the schoolmasters. It was they who had driven home upon class after class of plastic young minds the sacred call of country.

This is a subject which is being largely discussed in the English press, at the present time, viz. The importance of teaching Patriotism to our boys. We would, therefore, press the suggestion that steps be at once taken to inculcate the love of our country and Empire upon all the rising generation throughout our educational system. Our schools in towns and country villages might do a great deal more than they are doing to foster Patriotism. The Empire and the Dominion in particular, has felt the disappointing result when a sudden imperious call has been made, and is being made upon the youth of our industrial, and commercial centres, as well as in the country places of our land. We can learn from our mistakes if we set to work at once, and there is due need to insist upon this side of our national welfare.

Love of our country is no mere modern notion which our enemies have exploited with characteristic insight, but it is an inherent and God-given instinct—a feeling that all formers of character should develop and strengthen.

Our efforts during the recent decades have been centred on social amelioration and the storing up of material wealth. And for all the astounding stretch of our commerce and influence, we have taken little pains to teach our children anything of the geography of that larger world from which our wealth was coming. It is this which must be undertaken in a scientific, comprehensive spirit by the schools, and in the pulpit and press.

Needless to say, the religious side of it is the moral driving force, and should not be lost sight of.

Patriotism is more than mere thankful remembrance of the favors showered upon each man in his own land, but it is also the grateful recognition of what duties those privileges bring with them—the stored up sanctities of hard won liberty and home purity, the priceless memories of opportunity given again and again to enrich and enlighten the world of humanity—the reasons why, to us, of the British Empire—of all the nations of the earth, has been entrusted the task of enlightening the peoples.

Let us teach these truths to our children. Let them be a part of the curriculum of our schools, and the future will manifest an altogether different aspect when confronted with a danger, like that through which we are now passing.

ST. PAUL'S CHURCH.

(Sunday, February 20th)  
There will be special music at both services by Miss M. Miller of Canning, violinist, and Miss H. Knowles, vocalist. The subject at the morning service will be: "The Church's One Foundation," and at the evening: "Evangelizing the Responsibility."  
The Mission Band will meet this afternoon at 3.30.

The lecture is cancelled, which was to have been given on Friday evening by Rev. S. A. Fraser. He had to return to his home, and is unable to finish his tour in the Valley at this time.

The Minister of Militia Defends the Purchase of Horses in Kings Co.

(From Hansard, Feb. 10th, 1916—page 717)

Sir SAM HUGHES (Minister of Militia): In my absence yesterday a question was raised regarding the purchase of horses, into the details of which I shall not enter. Some observations were made concerning horses purchased in the Kings County region in Nova Scotia in comparison with those purchased in Prince Edward Island and other parts. The horses purchased by Major Anderson in New Brunswick for his battery cost upwards of \$225 each. The horses purchased in Prince Edward Island cost, I think, an average of \$175.50. The horses purchased in Sydney, C. B., I understand, cost \$185 and upwards. These, taken all in all, were good horses. The horses purchased in the Kings County region cost on an average \$171.09. Soon after the camp started, when these horses commenced coming in, I remember one morning, when I was out bright and early, seeing a number of horses coming into camp. I admired most of them as they passed, for they were in splendid condition. I asked whence they came, and was assured that they came from the vicinity of King's County, in Nova Scotia. They were without exception the finest looking lot of horses I had seen come into camp. Towards the tail of the procession there were about twenty-two horses that were rather dried up looking, and four horses that certainly never should have been allowed inside the camp; I am free to admit that, but it is an old game, I understand, among some of these smart-alec horse dealers to change horses in the cars when they are loading and things like that. Any one who set eyes on these four would have realized that they were swapped horses, and that the other twenty-two were not up to the standard. I immediately held them up, and made inquiries, and I was informed that they had been for forty-eight hours without food or water in a car standing in a yard somewhere along the line. Four of them were disposed of as no good, but the other twenty-two—I am not exactly sure whether the number was twenty-two or twenty-one—were placed in suitable quarters and given lots of food and water, and at the end of two weeks they were a lot of very fine looking animals. I say this without prejudice to anybody. I do not wish to raise any controversial issue today, but I am prepared to enter into the details of this transaction on any occasion if any one chooses to bring it up. I do not want to make it a political issue, but if any one cares to make it such I am prepared to discuss it as a political issue. If any one wants to treat it as a business issue, I am prepared to treat it as a business issue. So far as the horses purchased in King's County are concerned, I say that they were about the cheapest horses purchased in the Maritime Provinces. They were better than the horses purchased in the western region, and better by 30 or 35 per cent than the horses purchased at Sydney.

Sir WILFRID LAURIER: That is rather hard upon the Sydney horses.

Sir SAM HUGHES: Not at all; the Sydney horses were good, and the western horses were good, but not any better than the King's County horses, and the price of the other horses was on an average of \$55 per head higher than the King's County horses.

From Our Correspondents.

WHITE ROCK

Our pie-social held here for the benefit of the Red Cross turned out to be a success.

Our school is getting along nicely under the good management of Miss Mitchell.

We are sorry to report Mrs. Elijah Smith on the sick list. We wish her a speedy recovery. Mr. and Mrs. Austin Schofield will be at home to their friends on 22nd and 23rd.

Misses Daisy O'Leary, Laura Schofield, and Hattie Smith recently paid a pleasant visit to their respective homes here. We are sorry to lose these young ladies from the community. But what is White Rock's loss is Wolfville's gain.

"TIPPERARY"

Miss Susie Mills of Boston, formerly of Grand Pre, is spending a few weeks with Mrs. C. F. A. Patterson.

The members of Evangeline Division spent Monday evening, Feb. 7th as guests of Wolfville Division. A very pleasant time was reported by all.

Miss Hattie Barron has returned from Malden, Mass., where she has successfully undergone a rather serious operation.

The Grand Pre school library is growing in value. Sir Robert Borden has donated ten dollars towards its support and Sir Frederick five.

Mrs. E. E. Fairweather has returned to Ottawa after spending some weeks with her parents, Mr. and Mrs. C. F. Rathburn.

The Red Cross Society meets regularly and is doing good work, knitting, quilting, etc. On Thursday, the 17th inst. Mrs. C. F. A. Patterson will give a bean supper to raise more funds for the same. "KID."

CANARD ITEMS

Miss Carrie Eaton is visiting at Waterville, guest of her friend, Mrs. Aubrey Bowles.

Mrs. Anderson is visiting at the home of her aunt, Mrs. C. H. Eaton.

Cornwallis Division paid a fraternal visit to the Division at Kingsport on Friday, February 11th.

Mrs. Frank Eaton and son of New Minas, have been spending the past week with Mrs. Albert Eaton.

The young people of the vicinity enjoyed a very pleasant Valentine Party at the Baptist parsonage, Upper Canard, Monday evening, Feb. 14th.

The Red Cross Workers of Lower Canard and vicinity have not been idle during the past year. Since August they have made and forwarded the following articles: 43 surgical night shirts, 18 doz. handkerchiefs, 35 bed jackets, 21 pyjamas, 6 convalescent suits, 13 feather pillows, 37 couch companions, 6 hot water bottle covers, 60 pillow cases. Also a large quantity of socks and mittens.

The Red Cross Society of Lakeville held a "Bundle Party" at Lakeville Hall, Monday evening which was a great success both socially and financially. The sum of \$37.00 was realized.

Four Special Cotton Values

SEALY'S

New Dress Gingham..... at 12 to 16 cts

For Children's Wear we have special Cotton Goods, Cinderella Cloth, Schooldays, Galatea, at 12 to 25c. yard.

112TH BATTALION.

The boys of the 112th Battalion, 156 in number, stationed in Kentville, have all recovered from the epidemic of measles, and other ailments, and are all busy training for overseas duty. They are healthy and happy and enjoying their brisk out-door activities.

They are a splendid looking lot of men and their soldierly appearance and improvement in drill is more marked every day. Lieutenants Morris and Smith, who are in command here are very energetic officers and are popular with their men, and the marked improvement in the drill work, speaks well for their efficiency in training. Physical drill and musketry training started this week.

Late promotions are: Lance Corpl. Sharpe, Kentville, promoted to Corporal. Private L. N. Wier, Kingston, promoted to Lance Corporal. Private E. L. Baker, Margarettville, promoted to Lance Corporal.

CANADA'S SONS WINNING DEATHLESS FAME

Canada's sons are winning deathless fame on European battlefields. Sir Douglas Haig and General Joffre warmly congratulate our troops on their dash, skill and daring. Nothing can stop them they are splendid. At the British headquarters Canadians enjoy the distinction of being among the best raiders on the whole western front. The right to such reputation first established by the battalion has been sealed by the recent extraordinary success of the battalions which simultaneously attacked the enemy's lines in two places, stormed their parapets, captured many prisoners and secured valuable information. The friends of the Canadians need not worry as the men and officers are in the best of health and spirits.

Mr. Benjamin Meister, of Port Williams, one of our aged subscribers made us a pleasant call Thursday afternoon. Mr. Meister is over 80 years of age, and is still in good health and keenly interested in life's duties.

POULTRY HINTS FOR FEBRUARY

The Following are some poultry hints for February from an authority on this matter. A man who knows whereof he speaks:

1—Mate up your breeding pens The careful and proper selection of the breeders is the keynote to the success of next year's winter egg production. Behind the ability of the hen to be a good layer is the question of constitution. If you must buy a male bird for a breeder beware of the polished gentleman with a broken down constitution. The choice of the best individuals of a breed is more important than the choice of a breed. The male bird is considered half the flock, look to the qualities, he should have a broad, strong head, a short, well-curved beak, a bright, active eye. The legs should be straight, knees well apart, body deep with a long straight breast bone. Long head, neck and legs are indications of a weak constitution. Choose as females the bright, active, alert hen, first off the roost in the morning and the last on at night. She should have a small head, slender neck and a deep triangular shaped body. Mate one male to ten or twelve females. Mate your pens at least ten days before you begin to save eggs for hatching.

2—Hatch early. The eggs that pay are laid between November 1st and February 1st. Chicks of our American breeds should be out of the shell before the first of May. Chicks hatched one month later in the Spring are two months later maturing in the fall and are of smaller size when matured. No matter how much one reads about incubators, experience is the best teacher, always get advice. Watch the incubator. It pays more to lay awake at night to watch your incubator chicks hatch off than it does to keep awake to save a five dollar calf, the chicks are worth more.

3—Market the old hens that are not laying. They are over fat and prices are high.

# I OWE MY HEALTH

To Lydia E. Pinkham's Vegetable Compound.

Washington Park, Ill. — "I am the mother of four children and have suffered with female troubles, headache, nervous spells and the blues. My children's loud talking and romping would make me so nervous I could just tear everything to pieces and I would ache all over and feel so sick that I would not want anyone to talk to me at times. Lydia E. Pinkham's Vegetable Compound and Liver Pills restored me to health and I want to thank you for the good they have done me. I have had quite a bit of trouble and worry but it does not affect my youthful looks. My friends say 'Why do you look so young and well?' I owe it all to the Lydia E. Pinkham remedies." — Mrs. ROBT. STROBEL, Moore Avenue, Washington Park, Illinois.

We wish every woman who suffers from female troubles, nervousness, headache or the blues could see the letters written by women made well by Lydia E. Pinkham's Vegetable Compound.

If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

## QUERY—TWO AT A TIME

In references to the question asked in The Advertiser of last week as to whether it is possible for a hen to lay two eggs in one day we have an authentic story from Cambridge which seems to prove it can be done. Mr. Percy Hurtle, of that place has a fine flock of hens, among them some pure bred Plymouth Rocks. On the afternoon of Monday, January 24th, Mrs. Hurtle, while in the yard observed a Plymouth Rock hen lay an egg—firm shelled, brown and of good size. In a few minutes, in fact before she returned to the house—she saw the same hen repeat the performance, and lay an exact duplicate of the first egg. There can be no mistake about this and Mr. Hurtle will substantiate this statement to any person. Beat this if possible in the County!

## WINNIPEG TO KENTVILLE.

Why lie Ward, son of Mr. Leander Ward of North Alton gives interesting account of his trip from Winnipeg to Kentville.

I wandered my way to the Union Station and boarded the G. T. P. train for an eastern trip to my homeland in Nova Scotia.

As we pulled out of Winnipeg it was growing dark and the electric lights seemed to light up the whole town. But as we got farther and farther away the dull flickering light seemed to be saying "farewell" to our departure.

The first town we came to was Transcona. This town has sprung up like a mushroom being only ten years since put on market as "Transcona town site." This town has a population now of about 25,000 and is known as the Great Central G. T. P. machine shops, which plant alone cost millions of dollars and hundreds of hands are employed in making shells and ammunitions for the great European war which is now in operation.

Passing several small stations, we came to a flat shrubby country. Finally we reached a little station known as Manackie. This station heads on a small lake and is a very pleasant summer resort. Thousands come here from Winnipeg to spend their summer holidays. The greatest attraction is the Y. M. C. A. Camp from Winnipeg. Many of the classes devote their time to bathing and canoeing.

On we passed and soon we were out of twilight in the darkness of night. And I had pulled down my window shutters and turned in for the night. Everything went on smoothly for several hours. When about 12.30 there was a thud and a jerk of the train and we were at a standstill, and by investigating found the train had left the track. We were several hours getting started again but finally managed and no one hurt, except being shaken badly up.

The cause was owing to the spreading of the rails. As luck had it we were just nearing Graham Siding and while the train was slowing down at the siding our attention was called to some of the wrecked coaches, which were partly burned. Being about 200 feet down an embankment and had met their fate last week. The cars were partly burned and holes were cut thru the sides of the cars, through which several passengers were rescued and fortunately no lives were lost.

Steaming along through hundreds of miles of low mustage, swampy country. We came into a belt of hills and rocky ledges. The timber has been cleared off of the ledges by prairie fires and hundreds and hundreds of acres has been destroyed. But small growth has taken root again. Leaving this we came to heavy timber with thick under-growth. We find several hunters' camps which are occupied by hunters during the winter months in search of big game such as moose, deer, bear and beavers. As we journeyed along their were several old mill sites, which at one time marked a progressive lumbering country.

Besides the lumbering pursuit many people are engaged in fishing on streams which flow through these forest lands. Few lakes are found here also, which give abundance of minnows and muskrat to the trappers. Leaving here we pass through a barren country and finally reaching Cobalt.

Cobalt has a population of about 25,000. It has the grandest scenery thus far on the trip. It is remarkable the way the town is built for there is a stretch of about two miles across the lake. The town is built on both sides of the Cobalt Lake, which is about half a mile wide. At this point there are two mountain ranges running along each side of it. The town is built on the side of the mountain close to the lake, and extends up the side of the mountain for about two miles.

There are many fine resid-

ences which are reached by tier after tier of steps. There are a few trails of passes along the top of the mountain. In the distance we could discern a few horse teams which were busily engaged hauling coal, for the purpose of fuel for the smelter. The town is supplied by water pumped from Cobalt Lake which is forced up the mountain slopes by great pressure by hydraulic power. And it is well supplied with electric lights which dots the mountain sides and looks like net-work from residence to residence.

The mines have a tramway or electric line which runs in a belt from one mine to another.

The most peculiar is the Hollinger Mine. It is half way up the mountain and the smelter works is directly across the lake on the Aspet mountain.

The company has stretched a double cable from the mine to the smelter a distance of over a mile and in this way the ore is conveyed from the mine to smelter.

It is a very interesting sight as one looks from below at these buckets as they are called going to and from the mine to smelter loaded with ore.

They are hundreds and hundreds of feet above the lake, it reminds one of airships as they float through the air.

Rolling along the rails the next town we come to of importance is North Bay it is situated on a lake known as Kewawa.

This town shows some of the rough life. Many Indians are found here trading furs with the merchants.

At the head of the lake are found many large saw mills which give employment to hundreds of hands all the year round and logging is in operation also from year to year, large quantities of lumber are shipped west to Winnipeg and western towns on prairie.

Soon after leaving we came to a most fertile country and now and then a few dwellings appeared. We began to realize that we were coming back to the old Ontario Settlement which was settled years ago, now we are in a magnificent country, nice level fields extending for miles and some orchards and magnificent dwellings calls one's attention. Certainly life is worth living here. Many pretty little towns are seen as we near Toronto. There is a fine stretch of land from Toronto to Montreal. Nearing the Great Lakes the scenery along Lake Ontario was grand. This marked the first change from land to water. The water was foaming and rolling like mountains, which lead one back to its history which shows these lakes are visited by terrific storms during spring and fall. These waters extend as far as the eye can reach, which was one of the most interesting sights on my journey, especially after one has been living in the interior of a prairie country for ten years and over where large streams and lakes do not abound.

Here we passed over the St. Lawrence Bridge. Which seemed very long and took several minutes as the ice was moving out towards the mouth of the St. Lawrence.

Many very large blocks of ice was left on the banks as the tide went out.

Soon we arrive at Truro, N. S., and passing along the D. A. R. The beautiful fields, dykes, residences and orchards. One can make no mistake by saying. There is no country finer to live in than our own Canadian home, and here we concluded our trip as our train pulled up at Kentville, N. S.

WHYLIE WARD,  
North Alton, N. S.

If you are not a subscriber to The Advertiser then take advantage of our liberal offer for new subscriptions. We added a good number of new names to our list last week and this week we will probably double the number. We will give all full value in the newspaper and valuable premiums to every new subscriber.

## Grand Pre School

Below are the marks made by the pupils of the advanced department of Grand Pre School in half yearly examinations. The majority of the very low marks were made by students who came in after Xmas or shortly before. S means sick, a means absent. Honour students whose average is 75 or over have their names marked with a star.

### TONIC TREATMENT FOR THE STOMACH

The Modern Method is Most Successful in Treating Indigestion.

The old-fashioned methods of treating stomach troubles are being discarded. The trouble with the old-fashioned methods was that when the treatment was stopped the trouble returned in an aggravated form. The modern method of curing indigestion and other stomach troubles is to tone up the stomach to do nature's work. Every step towards recovery is a step gained, not to be lost again. The recovery of the appetite, the disappearance of pain, the absence of gas, are all steps on the road to health that those who have tried the tonic treatment remember distinctly. Dr. Williams Pink Pills are a blood-builder, tonic medicine every constituent of which is helpful in building up the digestive organs, and is therefore the very best remedy for chronic cases of stomach trouble. Thousands of cases like the following prove how successful this treatment is: Miss Amy Browning, Cornith, Ont., says: "I have found such great benefit from Dr. Williams Pink Pills that I would be ungrateful if I did not publicly say a good word in their favor. I was badly run down and my stomach was in a very bad condition. All food distressed me, and left me disinclined to eat. I suffered from nausea and dizziness and frequent sick headaches, and this was further aggravated by pains in the back and sides. I was in this condition for several years, and although I had got medicine from several doctors it did not help me. Then I heard of Dr. Williams' Pink Pills and began taking them. I am glad to say that they soon helped me, and now I am as well as ever; can eat all kinds of food, with relish, and have not an ache or pain."  
You can get these Pills through any dealer in medicine or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

### REMITTANCES TO BRITISH PRISONERS OF WAR IN TURKEY.

The following information is communicated to the Press of Canada to publish for the benefit of the people of the Dominion who have friends or other interests in the Ottoman Empire.

ERNEST J. CHAMBERS,  
Chief Press Censor for Canada.  
Ottawa, Jan. 28, '16.

The Canadian Government has received notice from London that the Secretary of State for Foreign Affairs has been informed by the United States Ambassador, that the Turkish Government desire that in future remittances of money not exceeding five pounds from private persons for British Prisoners of War in Turkey should be despatched to the International Red Cross Committee at Geneva for transmission to the Ottoman Red Crescent Society at Constantinople by whom payment to the recipients will be effected and a receipt returned to the International Committee at Geneva.

Letters and parcels should also be sent to the International Red Cross Committee at Geneva for transmission. Such letters and parcels are post free. Money should be remitted by International Money Order which can be obtained at any Post Office and which should be made payable to the International Red Cross Committee at Geneva and sent on with full name, number and Regiment of the Prisoner of War to whom the money is to be paid.

Information has also been received from the United States Ambassador that prisoners of war in Turkey are now allowed to write only one letter a week limited to four lines and that this regulation applies also to letters addressed to them. Letters of greater length will not be delivered.

### THE VALUE OF THE RED CROSS.

It is as difficult to estimate the true value of the Red Cross as it is to appraise the value to any community of public hygiene and sanitation. Still we know the terrible ravages of plagues and diseases in times past and no one is disposed to deny the cost of public hygiene returns a valuable profit in disease immunity.

Similarly the value of the Red Cross consists fully as much in the suffering it prevents as in the misery it actually alleviates.

The terrible sufferings of Serbia in the first year of the war illustrated the value of an efficient Red Cross. Serbia triumphantly resisted the first Australian invasion, but decimated by disease coupled with lack of Red Cross supplies, fell an easy prey to the next invasion.

If the soldier remains days after his wound without medical attention, his chances of recovery are slight. The aim of the Red Cross is to get the wounded into its hospitals as soon as possible, but to do this it requires an elaborate and expensive organization as near the front as possible.

The real proof therefore that the Red Cross is doing its duty is to be found, not in terrible conditions of suffering, but in a perfectly functioning system of relief work which reduces suffering to a minimum. It is the comfort, not the agony of the wounded which is the test of Red Cross value.

Dr. Herbert Bruce the well-known Toronto surgeon who has been on active service in France, has stated that our Canadian Red Cross is famous beyond all other Red Cross Societies for its sympathetic treatment of its patients. So that even the English and French wounded express a wish to be taken to a Canadian hospital.

This kind of Red Cross service for which Canada has won an enviable reputation, is only possible with perfect equipment and with continued generous contributions from the Canadian public.

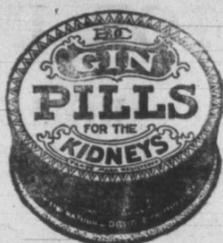

### BANK OF NOVA SCOTIA FOURTH LARGEST IN CANADA.

The 84th annual report of the Bank of Nova Scotia, shows that this institution's reputation for exceptional strength has been fully maintained during the past year. Its total assets are now well over \$100,000,000, making it in point of size the fourth largest bank in Canada. The outstanding feature of the report however is the large amount of cash which alone would be sufficient to liquidate 20 per cent of the liabilities to the public, and there is a corresponding large amount of other immediately available assets. These facts considered in conjunction with the large reserve fund of \$12,000,000 as compared with the capital of \$6,500,000 indicate the Bank of Nova Scotia is in an exceedingly strong position from the standpoint of depositor and shareholder alike.

### ACADIA COLLEGE REUNION

This year the classes with years ending in 1 and 6 have reunions. This begins with '61 and ends with '11, taking in the classes of 1861, 1866, 1871, 1876, 1881, 1886, 1891, 1896, 1901, 1906, 1911. Among these is the class which for twenty-one years held the record for size and has only been surpassed by the class of 1912. Size, however, is not everything—the cup is given to the class having the largest proportion of members present, so '91 will need to have a large number present in order to win. Now is not a day too early to begin to organize for your reunions. Commencement day is May 31st.—Acadia Bulletin.

Minard's Liniment Cures Garget in Cows.

### Regulate Kidneys AND Relieve Constipation

Gin Pills are acknowledged to have the largest sale of any proprietary medicine in Canada—an achievement solely due to their remarkable virtue as a Kidney and Bladder remedy.

But users of Gin Pills have discovered that this invaluable remedy also acts as a mild cathartic. The evidence of hundreds of letters we have received establishes the very logical fact that in compounding a medicine to heal and tone up the Kidneys and Bladder certain of the ingredients have a stimulating effect upon the other organs, especially the bowels.

It is important to know, in the case of constipated patients, that Gin Pills do not act harshly on the bowels; there is no griping, but a gradual and gentle restoration of the function. Try Gin Pills for constipation. In their relieving the bowels, you safeguard yourself against possible Kidney trouble.

Gin Pills are 50c. a box, or 8 boxes for \$2.50 at your dealer's. A trial treatment will be sent upon request, to

National Drug & Chemical Co. of Canada, Limited, Toronto.

### MISSIONARIES RANSOM GIRLS FROM THE TURKS

New York, Feb. 14—The American Committee for Armenian and Syrian relief is now engaged in the work of ransoming captured girls and women from the hands of Turks and Kurds, according to a statement issued here by the committee.

The Turkish officers, the statement says, will for so much money can be found. Further payments will cause the captors to bring them to an appointed place.

"And then," continues the statement, "it is a matter of how much money will be paid for their release. All this work is being done by American missionaries in Persia as well as in the Urumian section and elsewhere."

The missionaries report, the committee says, that the cost of reclaiming these girls varies from \$20 to \$50. It concludes its statement with an appeal for contributions to pay for further ransomings.

## OBITUARY

**John Harold Ditmars.**

The demise of young Harold  
 Ditmars took place on Sunday  
 last, February 13th, at the home  
 of his sister, Mrs. Garnet Ben-  
 son. He was to have been pre-  
 sented to the Archbishop of Nova  
 Scotia as a candidate for the rite  
 of Confirmation that very day.  
 He was a great sufferer, and his  
 great affection for his father,  
 Major Ditmars of the 40th Bat-  
 talion and his strong leaning  
 to the military life only intensi-  
 fied the suffering. He was a  
 good and faithful son, and in  
 deep earnest concerning his  
 spiritual life.

The funeral took place at  
 Deep Brook, Annapolis County,  
 on Tuesday, February 15th. The  
 little church was crowded with a  
 sympathetic congregation  
 showing how well and favor-  
 ably known was Harold. The  
 service in the Church and at the  
 grave at Clementsport was  
 conducted by the Rev. T. C.  
 Mellor, rector of St. James'  
 Church, Kentville. The hymns  
 sung were, "There is no night  
 in Heaven," "Safe in the Arms  
 of Jesus" and "My God, my  
 Father, While I Stray."

The address was based on the  
 great Resurrection Chapter of  
 St. Paul, and the words loving-  
 ly spoken, were characterized  
 by deep earnestness which could  
 not fail to find lodgment in the  
 hearts of those who heard him.  
 There were many floral tri-  
 butes sent and placed on the  
 grave, among them being one  
 from his class in the Kentville  
 Academy.

Much sympathy is felt for the  
 bereaved parents, Major and  
 Mrs. Ditmars, and the two sis-  
 ters, Mrs. Garnet Benson and  
 Miss Laura.

### GIVEN VETERANS' JEWEL

**Edward M. Bent, P. G., Promi-  
 nent Member of Medfield  
 Lodge, I. O. O. F., Honored**

Medfield, Nov. 6.—At the regu-  
 lar meeting of Medfield Lodge,  
 I. O. O. F., held in Thayer Hall  
 last evening, the members pre-  
 sented Edward M. Bent, P. G.,  
 with a veteran's jewel.

Mr. Bent has been an active  
 member for a good many years.  
 He joined Reliance Lodge of  
 Walpole, Oct. 10, 1884, and later  
 when Medfield Lodge was form-  
 ed, he withdrew from the Wal-  
 pole Lodge to become a charter  
 member of the new lodge March  
 25, 1892. He is serving his 12th  
 term on the Board of Trustees  
 and 6th as outside guardian.

Mr. Bent has always taken  
 an active interest in town af-  
 fairs, having served on the  
 Board of Selectmen for 14 con-  
 secutive years and as chair-  
 man of the Democratic Town  
 Committee for several years.  
 July 15, 1914, he was appointed  
 postmaster by President Wilson.  
 Mr. Bent was born in Annapolis  
 County, Nova Scotia, April 16,  
 1851.

The presentation of the jewel  
 was made by Wm. H. Everett,  
 P. G., who was the one to nomi-  
 nate Mr. Bent for Selectman the  
 first year he served.

After the lodge was closed,  
 refreshments were served, and  
 Mr. Bent received the con-  
 gratulations from the many  
 brothers present.

(Mr. Bent is a brother of Mrs.  
 John Carroll of Kentville, and  
 we are glad he has made good  
 across the border, and congrat-  
 ulate him on the high honor  
 conferred upon him)—Ed.

### MUCH ADLER-I-KA USED IN KENTVILLE

It is reported by the Clark Drug  
 Store that much Adler-i-ka is used  
 in Kentville. People have found out  
 that ONE SPOONFUL of this  
 simple buckthorn bark and glycer-  
 ine mixture relieves almost ANY  
 CASE of Constipation, sour or  
 gassy stomach. It is so powerful  
 that it is used successfully in ap-  
 pendicitis. ONE MINUTE after  
 you take it the gasses 'umble and  
 pass out. It is perfectly safe to use  
 and cannot gripe.

### A DELIGHTFUL MUSICAL

Lovers of the best in mus-  
 ic were given a rare treat Fri-  
 day evening at the Musicales  
 given at the home of Mr. S. L.  
 Cross, Main Street. The pro-  
 gramme was of an unusually  
 high order and delighted the  
 large audience present.

The first number on the pro-  
 gramme was a piano duet by  
 Misses Knowles and Frank,  
 which was delightfully rendered  
 as were also the piano solos by  
 Mrs. Everett Kinsman and Miss  
 Frank, showing splendid con-  
 trol of the instrument.

Miss Minnie Miller's violin  
 solos were beautifully rendered,  
 the smoothness and brilliancy  
 of her playing showing the  
 skill of the finished artist.

The vocal solos by Mrs. F. B.  
 Newcombe, Miss H. Knowles,  
 Miss Ethel Miller, Miss E. Spi-  
 dell and Mr. J. M. Cross, were  
 all so splendidly rendered that it  
 would be indeed difficult on  
 our part to draw comparisons.  
 The Slumber Song by Mrs. New-  
 combe, with violin obligato by  
 Miss Miller, was very fine. Mrs.  
 Newcombe's sweet, sympathet-  
 ic voice being so beautifully  
 adapted to the selection.

The vocal duet by Mrs. New-  
 combe and Miss Knowles, and  
 the violin duet by Mrs. S. L.  
 Cross and Mr. E. Harrington  
 were also thoroughly enjoyed.  
 Miss Hilda Kinsman, a young  
 violinist gave the pretty selec-  
 tion "Ave Maria" A pleasing  
 number on the programme was  
 a piano trio by three sweet lit-  
 tle maidens, Misses Doris Cross,  
 Helen Blair and Kathryn Shaw.  
 Their selection "Joys of Spring"  
 was very pretty and was ren-  
 dered in excellent time, showing  
 much skill for such young mus-  
 icians. Indeed the whole pro-  
 gramme was par excellence.

At the close of the programme  
 a vote of thanks was ten-  
 dered Mr. and Mrs. Cross for
