Dominion Day Celebration

Ideal weather, large crowds, gay streamers, flags and bunting galore, gay people, excellent music, good races, industrious committees, splendid games, etc. etc. is the general headlines for our Dominion and Cardston Days. The man who was carrying an umbrella, "Because it always rains on Dominion day," found no other use for it than as a protector against the sun.

Early Monday morning before the tints of day had crimsoned the eastern sky, the Salute Committee commenced to burn powder and create a racket. The Civic Engineer joined in the chorus with a protracted whistle that made all good people sneak away down under the covers and pop their fingers in their ears. But it was all in vain. There was no sleep for the weary—it was Dominion Day and everybody was compelled to arise early—willingly because they had to. Shortly after sunrise, Mr. S. S. Newton and the Boys were out on the street and promenaded both east and west. Main street was very much alive by 5 o'clock and decorating contestants vied with each other in shouts and exclamations as they strung bunting and tacked flags.

A look into the Assembly Hall was sufficient to show that never, in a patriotic way, had the walls and ceiling received such a generous and tasty display of the national colours and flags. The usual big crowd utilized all space in the Assembly Hall—both standing and sitting. The Band with their gay uniforms, the faces of the people beaming with patriotic fervor, the shouts of applause, the strong sentiments of loyalty and glad thanksgiving, all went to charge the very air with the spirit and genius of Dominion Day. Added to the programme as published last week, Messrs Campbell and Arch Mitchell of the Provincial Government—the former delivering a course of lectures on Dry Farming gave most excellent short addresses. The patriotic services closed promptly at noon.

At 2 p. m. the people gathered on the Athletic Campus where Baseball, tug-of-war and foot races were on the programme. The baseball game between the Municipal Officers and the business men was one of the most exciting and interesting events Cardston has ever witnessed. Mayor Hammer was there fully equipped in baseball attire. The Municipal Officers were on the field first and just as they were beginning to wonder what had become of the business men, the sound of the band dispelled their fears, for the men of the town marched on the field, led by Mr. D. S. Beach. They were togged up in blue overalls with a large red sash. The Umpire, Mr. William Laurie—Town Solicitor—was a sight for sore eyes. He had a large "Stove Pipe Silk Hat" old rain coat duster, worn out satchel, and a couple of zinc wash-boards suspended from his shoulders and making close connections with his knees in the front and his hock in the rear. He had enough books to stock a second hand store and when he piled them up in the diamond, it was, puzzle, "Find the Umpire." The game proceeded without delay and the Medical Practitioner felt the pulse of the atmosphere. Martin Woolf stood behind the bat while the Mayor delivered the leather sphere, Mark Spencer covered first base, John W. Woolf second and Cahoon

third. Joe Steed was short stop while Messrs Van Brown, W. O. Lee and O. E. Bates, filled up the vacant places in the field. The business men went to the bat first and they lined up as follows, catch William Duce, pitch M. L. Stoddard 1st base D. S. Beach, 2nd base William Steed 3rd Robert Ivey, short stop, Bert Cask, fielders Atkins, Beck and Walter Brown.

Mr. Atkins placed a neatly wrapped box in the hands of the committee, stating that it contained a pair of shoes which the business men desired to present to the members of the Town Council making the most runs. Space will not permit a detailed account of the game, interesting though it was from first to last. The score by innings was as follows:

1st, Business Men 2, Town Council 1. 2nd, Business Men 0, Town Council 2. 3rd, Business Men 2, Town Council 3. 4th, Business Men 3, Town Council 3. 5th, Business Men 1, Town Council 0. 6th, Business Men 5, Town Council 2. 7th, Business Men 5, Town Council 4. Total, Business Men 18, Town Council 15.

Following the baseball game came a tug of war between the Carpenters and the Blacksmiths, resulting in a winning for the former.

Footraces then listed as follows: 100 yard Free For All, Luther Wolsey, 1st, Erastus Leishman 2nd. Boys under 15, Frank Morris 1st, Earl Carlson 2nd. Boys under 10, Leviz Tanner 1st, Motley Rinaldi 2nd. Girls free for all, Tena Anderson 1st, Irene Carl 2nd. Girls under 12, Luella Steed 1st, Tena Anderson 2nd. Girls under 8, Myra Tolman 1st, Gladys Pratt 2nd. Potato Race John Leavitt 1st, H. G. Birkett 2nd. Obstacle Race, Asa Brown 1st, Tom Albiston 2nd. Old Man's Race, Ted Pitcher 1st. Ladies over 50, Emma Bigelow 1st, Hannah Anderson 2nd, Mrs. John Holmes 3rd. Sack Race, Erastus Leishman 1st, Edwin Leavitt 2nd. Three Legged Race, Austin and Albiston 1st, Birkett Brothers 2nd. Boys Sack Race, Claude Folsom 1st, Andrew Archibald 2nd.

CARDSTON DAY

Sports on July 2nd.—Cardston Day—commenced at 2 p. m. at the Race Track. Large crowds witnessed the events. The Brass Band was in attendance and kept things at a lively pitch. The judges of Horse Races were Messrs Stoddard, Rice and Hansen. Every event was pulled off in quick order. Four heats were run in the Quarter Mile Dash for Boys Pony Race, John Woolford 1st and Powell Horse 2nd.

Rollins Pony came in last on the Slow race preceded by Frank Pilling. In the half mile Indian Dash the Chesnut Sorrell came in followed by Bay. In the Quarter Mile free for all the Powell horse led easily, Indian Chesnut 2nd. In the half mile Sulky Race, Adamson of Kimball took 1st with Martin Woolf 2nd. Half mile dash, free for all, Indian Chesnut 1st with Powell's Sorrell 2nd. An exciting Squaw Race was the next event. This was won by Indian Chesnut, second by Gray. Team to wagon was won by Jerry Leavitt.

Trap shooting contest was the next in order and the following sides lined up: Wm. Tyler, Carincross, Joe Steed, Fred Clay, Frank May, H. A. Donovan and O. E. Bates. They were matched against J. A. Hammer, Frank Leavitt, Tom Leavitt, Wm Leavitt, Edwin Leavitt, N. W. Tanner and Edward Leavitt. Each man had 10 birds and the hits were as follows:

The regular monthly meeting of the Town Council convened in the Council Chamber last Wednesday evening. The pay sheets for June and a number of other accounts were passed and ordered paid. The 18th of July was fixed as the day for holding the election of Councillor in place of Councillor H. M. Brown and Mr William Laurie was named in the Bylaw as the Returning Officer. Mayor Hammer was granted a month's leave of absence and a Bylaw was put through its various stages appointing Councillor J. T. Brown acting Mayor in the meantime. A communication from the school board asking the Council to raise \$5,500 for school purposes for the current year was referred to the Finance Committee with instructions to obtain an itemized statement from the School Authorities. The Council adjourned until Thursday July 11th when in all probability the rate for the current year will be struck.

The tie was shot off by Messrs Tyler and Tom Leavitt, resulting in a victory for the latter. Coming back to the Athletic Grounds, the first event was a well contested and lively game of Basketball between the male teams of Cardston and Raymond. The latter gained the day, although at finish the home team seemed to be in the best trim.

The closing game was baseball between Cardston and Kimball and Aetna. It was a good game but lack of practice put the score away up. Cardston won out.

The Military Band Concert was well attended and highly enjoyed, followed by a couple of hours dancing, music furnished by the Mandolin and Guitar Club, it was one rare treat.

Let us not forget to say a word for all the Committees and Uncle Tom in particular because it is coming to them. They all did their level best to please and they certainly did.

Cardston, Alberta, Canada.
Friday, July 5, 1907.

Just one little thing that we wish to call your attention to in connection with our Dominion and Cardston Day Celebration. Do you know why it was possible to have such a good and enjoyable time for a couple of days free from admission charges or entry fees for the sports? It was because the business men had donated so liberally! Will you kindly take a look at the list and see if the names of any of the mail order houses you patronize were on there. Not one of them! Just remember this the next time you are tempted to send your good money to a Mail Order House. They do nothing towards the improvement, enjoyment or entertainment of your town. Don't forget it. When you send your money away you are robbing yourself and your children for it never comes back.

Here's to the health and long life of the Dominion Day Committees and every mother's son and father's daughter of them! May they live long and prosper. They have proven one thing and proven it most conclusively too, and that is that it is possible to have a good time among ourselves without the usual hold up charges so prevalent in other "3 for 25 cent shows." There is no doubting the fact now, it has been done and done up right. The Decoration, the Reception, the Refreshment, the Finance and the Sports and the rest of the Committees were all hard at work and doing their level best for the entertainment of the people.

Supreme Court

(Continued from Page 8)

the root house referred to, had never had any other property on the land in question. Mr. Harris asked the witness why he had come to the root house and held an interview with the defendant while he was in custody at the barracks. Witness replied that Charles Montalbeti, brother of the accused, had informed him that Felix wished to see him. Mr. Harris asked if it was not a fact that he had come to the defendant for the express purpose of getting him to say something which would implicate Malcolm McKenzie, and in fact, had offered, if defendant would give information that would send Malcolm McKenzie to the penitentiary, that Mr. Lyon would do all he could to clear him on the present charge. Witness replied that he had gone there for no such purpose. That when the defendant had sent for him, he had gone to the barracks taking his counsel with him. Montalbeti had told him at the interview that the prison bars would make him tell the truth, and had asked witness what he would do for him if he would now tell the truth. Witness had replied that he could do nothing for him, but advised him to make a clean breast of the whole affair. The accused replied that he was not to blame. Mr. Harris asked witness if he had not been offered money or other remuneration by any association or individual if he would furnish evidence which would convict Montalbeti in this case. The witness replied that no such proposition had ever been made to him, and that the only money he had received from any one on this townsite case was from his father in law who made him a loan when the case first came up in the exchequer court. He had already paid this back. He had paid the expenses of the preliminary proceedings out of his own pocket. D. M. Brydges, official court stenographer of the court of exchequer, when defendant's land case was before Judge Whitmore, testified that the notes taken by him at that time, and produced by witness at Mr. Campbell's request, read the questions asked and the

answers given by Felix Montalbeti at that time. He said that the defendant spoke good English for an Italian. In one part of the notes taken by the witness, the date 1899, was changed to 1898, and the words "should be 1898," with some initials, were written under the change. Witness said he did not know when or by whose authority the change was made. It was brought out by Mr. Nolan that the initials were those of Judge Whitmore.

Joseph Montalbeti was called. He is a brother of Felix. He testified that he came to Blairmore in June 1898. Felix had come in April, 1898. He and Felix lived in a tent until about August of that year, and then had moved into the section house. Felix was section foreman on the west and witness on the east of section house. There was no house other than the section house there at this time. Witness and Felix built the root house in October 1898. The material came from McLaren's. Up to Christmas 1898 he and Felix lived in the section house. Mr. Lyon came to Blairmore in December 1898. Felix did not cultivate any land on section 35 in 1898, nor did he build a house or fence other than the root house in that year. In the spring of 1899 witness and Felix had made a garden together at a point one hundred feet from the section house. Felix built a stable and corral in 1900. This was also after this. Felix had no cow, calf or poultry in 1898, but did have in 1900.

On cross examination by Mr. Nolan, witness was asked why he had said in the preliminary hearing that it was May or June when he had arrived at Blairmore, and now stated so positively that it was in June. Witness said that on after thought, he found it was in June, and that no one had helped him to this conclusion. He testified that he was a partner in business with Mr. Lyon. He could not remember if he had lived anywhere else than in the tent, up to August 1898, and could not tell why he had made a sworn statement when Mr. Lyon and others had lived in the section house since June 1898, when he now gives his testimony that it was in August. The witness could not account for the discrepancy except it was that he may have slept in the section house for a few nights before August. He did not know to his personal knowledge that Felix had come to Blairmore in April. He and Felix had moved into the section house at the same time. When Mr. Nolan drew attention of witness to the statement he had sworn to previously, that Mr. Lyon had erected the first house, he admitted that he had been incorrect in his statement, and now said that Lyon's house was the third built. At this point witness became very confused and said his head bothered him at times. His head was bad at the preliminary hearing and also bothered him today. He could not remember when the stable was built or when the garden or other things were done. After the preliminary hearing Lyon had told him that it was in 1900 the stable had been built. When asked if the evidence he had given under oath at the preliminary hearing was true or false, he replied that it might have been either. He had asked assused what he would give him if Felix succeeded in securing his patent, and Felix had replied that he would give him nothing. He denied saying that he could get something from elsewhere if Felix did not give him something.

At the evening session of the Supreme Court the defence took up its case. The first witness called was James Scott. Witness was in Blairmore in 1898. Saw a cabin built of logs there at that time. This was before the section house was built. Cabin was so constructed that it was possible to move it, without tearing it down. If the present building was not on a sloping piece of ground it could not be the same cabin he saw in 1898. A stove was in the cabin. The structure was about forty feet

from the present station. Saw a tent there. The tent and cabin appeared to be the same width and joined each other. The accused was living in a tent when witness first went there in June 1898, but built the cabin in August. These were the only buildings in evidence when he first went there. Didn't see any signs of a garden but saw some fencing. Could not say if defendant kept a cow.

The testimony of Pascal, Eucario, William and George Montalbeti was particularly to the effect that the root house was erected in October 1898, and that no garden or other improvements were made in that year.

Local and General.

Read Beach's advt. on the last page. It will interest you.

Mr. Ephraim Harker left for the sheep camp on Wednesday.

Messrs Arch Michell and Professor Campbell left on Monday for Lethbridge.

Mrs. William Laurie and sons leave for a month's recreation at Banff on today's train.

Quite a crowd of young people from Magrath were up to spend the Second in Cardston.

Mrs. H. R. Sloan and little boy returned from Salt Lake City the early part of the week.

A dance in the Assembly Hall last evening by the ward Orches- was very much appreciated.

It is quite likely that the rock work on the Court House will be completed within the next four weeks.

Mr. and Mrs. Rice and two daughters of Claresholm are spending their holidays as the guests of Mrs. M. L. Stoddard.

Mr. Carincross has invested in land at Kimball and Raley. He says that the Cardston District is good enough for him.

Owing to Dominion Day Celebration it is not possible to publish Professor Campbell's speech in this issue.

Miss Ida Stacy of the Magrath Pioneer spent Dominion Day Holidays in Cardston, the guest of Mrs. D.H. Elton.

Boyd Dingman was in Raymond on Wednesday bidding goodbye to his parents who are leaving for California.

Ephraim Harker has purchased the Spark's Ranch for the grazing of sheep and cattle. He now has three sections in that township.

John Kenny, the newly appointed Inspector of Customs in Cardston yesterday on business in connection with his department.

Here's to the health of the Acting Mayor of the best town in Southern Alberta—that's Councillor James Tanner Brown. May his shadow never grow less.

Don't forget that the date set for the nominating of Councillor to fill the vacancy of H. M. Brown is July 11th and the hours from 10 until noon.

Mrs. D. E. Wilcox, Mrs. J. W. Wolf, Mrs. John Holms, Mr. and Mrs. Albert Brown, came in the latter part of last week from Salt Lake City.

Fai Sang, well known to the people of Cardston and respected as one of the "Whitest of his race," came in on Tuesday from China where he has been for the last couple of years.

Our Basket Ball Boys were beaten in their game at Raymond on the first. The lads can take heart from the fact that they invariably show up better at the finish than their opponents.

A change in the post office places Miss May Peterson as Assistant Post Office Master, aided by Miss Ada Wright. Mr. Burton is working in connection with Burtons Variety Store.

We handle Deering Binders and carry a full line of repairs. We also have a carload of twine enroute. All to be sold on time. Farmers please send in your orders and get fitted out before harvest. W. L. Thompson, Spring Coulee.

We forgot to state in our article on Dominion Day that Councillor Cahoon won the shoes presented by Mr. Atkins. When he opened the large box he discovered the tiniest pair of Infant's Booties and now he is wondering whether or not it was really a joke.

A special way down bargain on W. G. Smith's Dairy Ranch at Leavitt. If sold before July 20th ranch live stock and furnished house thrown in. See large advt. and call on W. O. Lee, Real Estate Agent.

The Ladies Kensington Class dined beneath the shade of the native trees in the grove last evening. Sandwiches, salad, coffee, ice cream, cake, wafers, Saratoga chips, oranges, cherries, etc., were on the Bill of Fare. It was the 4th of July and the Stars and Stripes were very much in evidence.

Mr. H. G. Folsom and his little son who suffered a painful accident to his eye, were callers at The Star office yesterday. The artificial eye placed in by medical practitioners in Salt Lake City is a marvel of skillful surgery and requires very close and minute observation to detect it.

Don't you want a nice little 10 acre farm on the edge of Cardston in the home seekers addition all in crop; garden and fall wheat, two roomed rustic cottage, good chicken coop, root house, good well all for \$900.00. W. O. Lee and Co. Real Estate Agents.

We were pleased to see our old friend John Orton in town during the Celebration.

Cardston. It's not for the likes of Barker to make any more references to a slow train. Coming from Lethbridge to-day, he stepped off at Raymond, and that's just where he is at the present time. He wasn't fast enough to catch the train. The next 24 hours will be consumed in "sweet" reveries of a passing train from the Sugar City and a passenger aboard that got left—catch on to the Irish. Barker old chap you have our sincerest sympathy. You rubbed it in when we got left at Magrath because the train didn't stop and now there's one coming to you for stopping while the train rolled on. Good-bye brother.

Did you ever stop and ponder the rapid and substantial growth that Cardston is making? It's pretty good food for thought and plenty of it too.

Modest Claims Often Carry the Most Conviction

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial was therefore a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will cure diarrhoea, dysentery pains in the stomach and bowels and has never been known to fail. For sale by all druggists and dealers.

For Sale

Bowel Complaint in Children
During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appears. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy as it promptly controls any unnatural looseness of the bowels. For sale by all druggists and dealers.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowels trouble. For sale by all druggists and dealers.

Supreme Court

From the conclusion of the McDonald manslaughter case, to the calling of the Montalbetti perjury case, the time of Judge Harvey's court was occupied mostly in considering small debt cases.

Smith vs. the Massey-Harris Co., was tried on the 11th inst. This was an action for the recovery of money paid into the Massey-Harris office at Macleod, by the plaintiff under the mistaken idea that it was being paid to the Deering Co. for a plough. It appeared from the evidence that some time ago the son of the plaintiff had purchased a plough from the defendants and had given a note for the same, but as the plough did not work and it was returned. The company had no record of the return and refused to pay back the money. It was argued that the money could not be recovered as it was mixed with law and fact. It was argued for the plaintiff that there could be no ground for the contention of the defendants, as there was an absolute failure of consideration for the note of the son, and also that he was not a party to the action. His Lordship held that the contention was proper and gave judgment for plaintiff.

Joseph Hicks for plaintiff, R. B. Bennet of Cougheed & Bennet, appeared for the defendants.

Kanouse vs. Beersford was tried on the 12th inst. This was an action for the purchase price of furniture contained in a hotel, at the sulphur springs at Blairmore. The dispute was, that the plaintiff sold the goods, which the defendants denied, although they took possession of the going concern, and had used the property at the time of the trial. His Lordship found for the plaintiff but appointed a referee to report on the particular goods.

Joseph Hicks for the plaintiff, E. P. McNeill and T. B. Martin for defendant.

The Montalbetti perjury case was called promptly at 10 o'clock Friday June 14, before Judge Harvey, with William M. Campbell acting as Crown prosecutor.

C. F. Harris and P. J. Nolan appeared for the defence.

The following jurors were selected: W. Tuskey, W. Skelding, S. DeRenzie, W. A. Lether, D. C. Hobbs and J. A. Struthers.

All witnesses were excluded from the court room, excepting D. J. Campbell of Macleod, and B. M. Bridges of Nelson, B. C. Over Thirty witnesses were in attendance. Wm. M. Campbell, Crown prosecutor, addressed the jury, stating the charge against Montalbetti.

The first witness called was Duncan J. Campbell, who testified that he was, in 1901 a Commissioner, and that the defendant had appeared before him in that year, and made a sworn declaration as to improvements made on this land known as the Blairmore town-site.

C. P. Lyon was called for the prosecution. Witness said that he laid information against Montalbetti before Judge Wade of Edmonton. Judge Wade had handed the information back to him along with the warrant for the arrest of accused. Witness had taken the warrant to the commanding officer at the barracks and had carried the information paper to Blairmore and delivered them to the judge there. At this point in the testimony Judge Harvey expressed his surprise that a judge would take such procedure with official papers as had been testified to by the witness. Mr. Lyon of his own personal knowledge could not say that a root house had or had not been erected in 1898, by defendant. He declared that Felix Montalbetti did not keep a cow and calf in 1899, but admitted that he did keep them in 1900. At no time to his knowledge, had the defendant kept any kind of poultry. He had not built a stable and corral until the year 1900, and with the exception of

SYNOPSIS OF CANADIAN NORTH-WEST MINING REGULATIONS.

Coal.—Coal lands may be purchased at \$10 per acre for soft coal and \$20 for anthracite. Not more than 320 acres can be acquired by one individual or company. Royalty at the rate of ten cents per ton of 2000 pounds shall be collected on the gross output.

Quartz.—A free miner's certificate is granted upon payment in advance of \$5 per annum for an individual, and from \$50 to \$100 per annum for a company, according to capital.

A free miner having discovered mineral in place may locate a claim 500 x 500 feet.

The fee for recording a claim is \$5. At least \$100 must be expended on a claim each year or paid to the mining recorder in lieu thereof. When \$500 has been expended or paid, the locator may upon having a survey made, and upon complying with other requirements purchase the land at \$1 per acre.

The patent provides for the payment of a royalty of 2 1-2 per cent on the sales.

PLACER mining claims generally are 100 feet square; entry fee \$5, renewable yearly.

A free miner may obtain two leases to dredge for gold of five miles each for a term of twenty years, renewable at the discretion of the Minister of the Interior.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles. Rental \$10 per annum for each mile of river leased. Royalty at the rate of 2 1-2 per cent collected on the output after it exceeds \$10,000.
