THE ANNUAL FAIR HELD AT VEGREVILLE

Eighth Annual Exhibition of Vermilion Valley and Beaver Lake Agricultural Society Was Great Success

Vegreville, Oct. 2.—(Special to the Bulletin)—The 8th annual fair of the Vermilion Valley and Beaver Lake Agricultural Society, which was held on Friday last, provided one of the finest exhibitions of stock and agricultural produce ever held in the province. The weather was of the first order, the rain of the previous evening only served to lay the dust of the trails, and the sun streaming out in all the brilliancy of a summer morning served to entice over a thousand interested spectators out. An unusually large number of visitors attended from outside points along the railways, the special excursion from Edmonton being fully taken advantage of.

The directors decided to run the fair this year by way of an experiment as an exhibition purely of farm stock and agricultural produce, and are to be congratulated on the success their adventure attained.

The exhibit of heavy horses especially was enough to make one feel a few inches taller, and served to make the people of the district straighten up their shoulders with pride as they gazed with looks of wonder and extreme satisfaction at the quality of horseflesh with which the district evidently abounded. There were seventeen registered horses from the stables of Vanstone and Rogers of Wainwright, Man., although no opportunity of competing in any of the classes had been provided for horse dealers, but these served to show the high standard of horses which the Vegreville district possesses. These horses joined in the parade, which was one of the finest spectacles seen in the province, in fact, seen in any part of Canada.

Hughson Bros. stallion "Torment-

or" was awarded first place again this year over all competitors in the Clydesdale class. It was also noticeable that the Ruthenian Clyde colts were awarded first place among all comers. The offspring of "Tom Bell," a registered Clyde owned by D. G. Rose, was in evidence.

The vegetable and grain exhibits were something wonderful for quantity, for quality and for size. The display of potatoes, cabbages, pumpkins, celeris, turnips, squashes, etc., was perhaps one of the best to be found anywhere. There were tomatoes and crab apples all the way from Big Fish Lake north of the river, which provided the farmers with wonderful visions of the fruit-growing possibilities of the future of the province. Not behind the vegetable exhibit in quantity and size nor beneath them in quality, came the grains and the grasses. Bending over from their position along the sides of the hall, with the weight of the ripened and fully filled out ears, the heat of the burning sun and the drought of the hot summer, which has just been left behind, were all forgotten at the sight of such admirable collection, which had been brought from the surrounding points of the Vegreville district.

The Fine Arts and school exhibits, too, represented the ability and talent of the ladies and children. Drawings and paintings of a very high order, quilts and fancy work in abundance. There were hens, too, and fine, big eggs, both highly creditable to the district.

SASKATOON WOMEN TERRIBLY BURNED

Wife of Medical Health Officer Suffered Burns Which It Is Feared Will Result Fatally.

Saskatoon, Oct. 4.—A most serious affair occurred about six o'clock this evening, and as a result of which Mrs. Mackay, wife of Dr. W. J. Mackay, medical health officer of Saskatoon and member of provincial board of health, lies at her home with little hopes of recovery.

She had happened her clothing was a mass of flames. The agonized woman ran from the house in flames, the blaze attracting the attention of some laborers working nearby who rushed to her assistance, but not until her clothing was burned completely off, and the body left a charred and blistered mass.

Tonight the unfortunate lady is in terrible agony and may succumb to the injuries. Mrs. Mackay before her marriage was a Miss Peters and formerly lived in Manitoba. Not the least pathetic part of the incident is the fact that twin babies but a few months old are dependent for life upon the injured mother.

Mr. George Branson, a farmer living a few miles out of Paken, while walking in the woods on his farm recently found an Indian flint arrow embedded in an old stump.

A "hop" was recently seen at the home of Mr. Simon Whitford.

Mr. Weir, teacher at the Riverside School, left to resume his studies at McMaster University, Toronto.

Mr. Adam Herberson was married in Edmonton on the 24th. Mr. Herberson is one of the most prosperous farmers along the Saskatchewan, and his many friends wish him every success in his new home.

The Mitchell Milling Co. are making extensive alterations on their plant.

Large shipments of cattle are being made from this district. Over one hundred head of the property of Mr. Hatten, of Whifford, and Mr. Robert Stirling, of Whifford, crossed the river this week.

The Labor Day celebration, which was postponed on account of rain, took place yesterday and brought together the large crowd of witnesses the football match between Paken and Pine Creek and the athletic contests.

The football game was won by Paken, while Edson Whitford captured the sprints.

As was expected, the football game was a pretty good one. The next goal was scored by Pine Creek in a mix-up in front of Paken's goal. Ten minutes before time was called Paken scored a pretty goal. The next goal was scored by Pine Creek in a mix-up in front of Paken's goal. Ten minutes before time was called Paken scored a pretty goal.

The following is a list of the winners in the various events:

Boys' 100 yards race (16 and under)—Harry Gordon.

Girls' 50 yards (11 and under)—Alice Whitford.

Boys' 50 yards (11 and under)—David Thompson.

Men's 100 yards dash—Edwin J. Whitford.

Potato race (25 yards)—Edwin J. Whitford.

Men's half mile—Wm. Cromarty.

Potato race (40 yards)—Edwin J. Whitford.

Men's 200 yards dash—Edwin J. Whitford.

Hand and foot race (50 yards)—George Mitchell.

The horse race (running) was captured by Mr. Geo. Branson.

WOMAN'S HEALTH WHEN FORTY-FIVE

A Critical Period When Dr. Williams' Pink Pills Are a Real Blessing.

Dr. Williams' Pink Pills are also the finest medicine that ever a woman took.

At special periods a woman needs a medicine to regulate her blood supply or her life will be a round of pain and suffering.

It is at such times that Dr. Williams' Pink Pills are worth their weight in gold.

For they make new, rich blood, that banish the secret symptoms of distress that only women and growing girls know.

They strengthen every vital organ for its special task, and bring rosy cheeks and happy forms that tell of normally healthy and happy days.

Miss Richard Lobb, Red Deer, Alta., says: "At that critical period in my life known as the change, I suffered so much that I had to give up my regular diet for months, but did not get any relief, and I grew so weak that I could hardly walk about, and was unable to do any of my usual work."

Only women who have suffered similarly can tell how much relief this medicine brings. No woman could have been in a more wretched condition than I was at the time, and it was only through the kindness of my doctor, who was directed to Dr. Williams' Pink Pills, that I got a half dozen boxes and before they were all gone there was a marked improvement in my condition.

Now I feel like a new woman, and was enjoying better health than I had for years. I can only say that Dr. Williams' Pink Pills are a blessing to me, but they also worked a great change in the health of my daughter, who was in a very miserable condition after she had used them all. I felt like a new woman, and was enjoying better health than I had for years.

I have also of two young girls, whom I believe would have been in their graves now but for the use of Dr. Williams' Pink Pills. Considering what they have done for me and what I have seen them do for others, I am justified in my enthusiasm for this medicine and I never lose an opportunity to recommend it.

Send for medicine dealers or by mail for 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PROF. DYDE CHOSEN FOR NEW COLLEGE

The Senate and Board of Management of the New Institution Unanimously Recommended of Sub-Committee.

Without a dissenting voice and with great enthusiasm the joint meeting of the session and board of management of the new Presbyterian College of Alberta, held Tuesday in First Presbyterian church, accepted the nomination of the sub-committee for the new principal and a leader in Presbyterianism in Canada. Prof. Dyde has accepted the offer and his appointment will date from the last of May, 1911. For some time he has been desirous of coming to the west as he sees here a great field for his work.

Samuel Walters Dyde, M.A., D.Sc., LL.D., is professor of mental philosophy in Queens university, Kingston, Ont. He holds the position of 1889 up to the present time. He was previously a professor in the University of New Brunswick and was educated at Ottawa, Collège, Queens university, and in Germany. He was born at Ottawa in 1862. As an author he is widely known by his magazine articles, sermons, and philosophical treatises. He is a specialist in philosophy. He has a sound comprehensive knowledge of English literature. He is an all round scholar, a good administrator and a man of forceful personality.

Prof. Dyde has taken a prominent part in the discussion of the severance of Queens university from church control as an antagonist to separation. In the last three or four years he has been an outstanding figure in the general assembly of the Presbyterian church through the part he has taken in the debate of this question and on the question of church union.

PEMBINA DISTRICTS HELD EXHIBITION

Very Successful Fair Held by Farmers of Dunstable, Belvedere, Heaton Moor and Sion.

Last Saturday was the occasion of a very successful fair held by the farmers of the surrounding districts of Dunstable, Belvedere, Heaton Moor, Sion, etc. This country has been homesteaded principally in the last five years and the showing made on this occasion speaks for the energy and industry of those whose steadfast opinion is that the land in these districts will hold its own with any part of Alberta.

Some of the exhibits will compare very favorably with those shown at the Edmonton exhibition, and the following facts taken by the Bulletin correspondent at the fair will speak for themselves:

Two very fine samples of seed crop alfalfa from Major Elmstree's farm. An exhibit of both rabi showed Mr. Graffinder of Belvedere. Three potatoes from a prize exhibit weighed 5 1/2 lbs. Four sugar beets weighed 22 lbs. while four beets turned the scale at 17 lbs. A swede from the "collection" class weighed 37 lbs. while one head of cabbage from it weighed 22 lbs. The prize marrows averaged 8 lbs. and the pumpkins 10 lbs. while a sample of six Aberdeen turnips tipped the scale at 92 lbs. and a sample of twelve onions grown from seed weighed 11 lbs. There were also good exhibits of sugar corn, and a sample of five tomatoes from the open market.

The following is the list of prize winners:

Class 1, Horses.

Stallion, any age—1, J. Young, Dunstable.

Brood mare—1, A. C. Dunn, Dunstable; 2, McCowan Bros., Dunstable.

Two-year-old colt or filly—1, W. Arnold, Heaton Moor; 2, P. Milner, Belvedere.

Yearling colt or filly—A. C. Dunn, Dunstable.

Best foal—1, McCowan Bros., Dunstable; 2, N. W. Little, Heaton Moor.

Team in harness—McCowan Bros., Dunstable.

Class 2, Cattle.

Bull, 1 year old—1, McCowan Bros., Dunstable; 2, R. E. Parkes, Heaton Moor; 3, McCowan Bros., Dunstable.

Best milk cow—1, R. E. Parkes, Heaton Moor; 2, McCowan Bros., Dunstable.

Best calf—R. E. Parkes, Heaton Moor.

Yoke of oxen, in harness—1, N. Newton, Heaton Moor; 2, C. Martin, Heaton Moor.

Class 3, Sheep.

Ram, any age—J. Hyslop, Dunstable.

Pair of ewe lambs—J. Hyslop, Dunstable.

Pair of wether lambs—1, J. Hyslop; 2, N. W. Little, Heaton Moor.

Class 4, Swine.

Two young pigs—N. W. Little, Heaton Moor.

Class 5, Grains.

Wheat—T. Silvester, Dunstable.

Barley—T. Silvester, Dunstable.

Oats—1, R. Livesey, Sion; 2, T. Silvester, Dunstable.

Best collection of grains and grasses—1, Mr. Burton; 2, Major J. Summelle.

Classes 7 and 8, Vegetables.

Mangold wurtzel—H. Newton.

Sugar beets—R. Livesey.

White potatoes—R. Livesey.

Red potatoes—1, H. Redenbaugh; 2, R. Livesey.

Best collection of potatoes, 4 varie-

ties—1, McCowan Bros.; 2, J. Finlay, Globe Beets—1, H. Maskell; 2, McCowan Bros.

Garden carrots—1, H. Newton; 2, H. Livesey.

Paranips—1, J. Finlay; 2, R. Livesey.

A special prize of \$5 given by Mr. A. D. Henderson of Belvedere for the best coal fired by any stallion in the district was won by N. W. Little, Heaton Moor.

A special prize of a wheelbarrow given by Money-Harris Co. for best general purpose colt not over two years was won by A. C. Dunn, Dunstable.

A special prize of a Canadian wagon-jack for best cow and calf, was won by R. E. Parkes, Heaton Moor.

A special prize of \$5 given by Mr. W. McKinney, M.P.P., for the exhibitor winning most points in the stock classes was won by McCowan Bros., Dunstable.

A special prize of \$5 given by H. W. McKinney, M.P.P., for the exhibitor winning the most points in the vegetable and grain classes was won by R. Livesey, Sion.

A special prize of \$5 from A. E. MacKenzie and Co., seedmen, for the best collection of vegetables grown from their seeds was won by Mr. Burton.

Messrs. T. Eaton and Co. gave a 240-lb. set of scales for the winner making the best all-round record of prizes at the fair. These were donated to McCowan Bros., who scored 80 points in the stock, field vegetable and garden vegetable class. McCowan Bros.' record was considered to be better than R. Livesey's, who scored 90 points in the field vegetable, garden vegetable and grain classes.

The following amounts were given at the directors' disposal: Beals and Hoar, \$2; Henry Wilson, \$5; Mr. MacRae, \$2.

Officers of the society for 1910: President, Mr. H. Newton; first vice-president, Mr. H. Newton; secretary, E. L. Fenner.

Ottawa, Oct. 3.—The Evening Free Press makes the statement that Earl Grey will go to the West Indies in the training ship "Niobe" next winter to personally follow up the recent investigation of the Imperial Royal Commission which has presented a report on trade relations between Canada and the West Indies. That his Excellency will visit the West Indies is altogether probable, but that his mission will be of a quasi-diplomatic nature is doubted in official circles, as the sending of a governor-general on such an errand would be contrary to all precedent.

Tokio, Japan, Sept. 30.—Sir Alfred L. Winsloe, commander-in-chief of the British Eastern Fleet, has ordered that the wreck of the British cruiser Bedford be sold at auction on October 10th. The Bedford ran ashore on the rocks off Quelpart Island in the Yellow Sea, August 1st. Eighteen of the cruiser's men lost their lives.

PEMBINA DISTRICTS HELD EXHIBITION

Very Successful Fair Held by Farmers of Dunstable, Belvedere, Heaton Moor and Sion.

Last Saturday was the occasion of a very successful fair held by the farmers of the surrounding districts of Dunstable, Belvedere, Heaton Moor, Sion, etc. This country has been homesteaded principally in the last five years and the showing made on this occasion speaks for the energy and industry of those whose steadfast opinion is that the land in these districts will hold its own with any part of Alberta.

Some of the exhibits will compare very favorably with those shown at the Edmonton exhibition, and the following facts taken by the Bulletin correspondent at the fair will speak for themselves:

Two very fine samples of seed crop alfalfa from Major Elmstree's farm. An exhibit of both rabi showed Mr. Graffinder of Belvedere. Three potatoes from a prize exhibit weighed 5 1/2 lbs. Four sugar beets weighed 22 lbs. while four beets turned the scale at 17 lbs. A swede from the "collection" class weighed 37 lbs. while one head of cabbage from it weighed 22 lbs. The prize marrows averaged 8 lbs. and the pumpkins 10 lbs. while a sample of six Aberdeen turnips tipped the scale at 92 lbs. and a sample of twelve onions grown from seed weighed 11 lbs. There were also good exhibits of sugar corn, and a sample of five tomatoes from the open market.

The following is the list of prize winners:

EDMONTON NEWS

DISPUTE IN CHURCH.

(Tuesday's Daily.) An unusual case was heard before Inspector Worsley yesterday at the R.N.W.M.P. Barracks, having to do with the strained relations existing between the Greek and Roman Catholics at Chipman.

Tom Actmeczuk, a Roman Catholic, was charged with disturbing the worship of the Greek Catholic Church on the morning of September 11th, 1910.

There is only one Catholic church in Chipman. This church was originally under Roman jurisdiction, but afterwards, as many Greek Catholics came into the district, the Greek and Roman branches united into one church.

Said to have prevented service. A call was extended to Father Marvath, a Greek Catholic priest, of religious nationality, and he accepted. In a morning of September 11, 1910, a communion service was announced to be held and between fifteen and twenty parishioners assembled at the church.

It is alleged that Tom Actmeczuk, leader of the Roman faction, stationed himself at the door of the church and endeavored to persuade the people not to enter. Falling in this, however, he entered the church and had some words with Father Marvath, rather harshly and Actmeczuk then withdrew to the vestry of the church to talk the matter over.

Actmeczuk, who has a large interest in the church building and who owns the communion service, told the priest to hold service in the building. In order not to have a scene, the priest agreed not to hold service in the church and the entire congregation, headed by Father Marvath, left the church and held service in a private house nearby.

The case against Actmeczuk was dismissed last night, the plaintiff paying the costs. Inspector Worsley held that as Actmeczuk had not used violent language but had simply asked that the service should not be held, he had not disturbed public worship.

GOOD LAND IN THE NORTH

That of the twenty-one million acres explored in the north part of Alberta and Saskatchewan, that ten million acres are available for settlement once access is secured is the gist of a report which has been issued by the Northwest exploration division of the Department of the Interior, covering its work for last year.

The district covered in the report is that part of Saskatchewan and Alberta north of the surveyed area and bounded by Green Lake, Beaver river and the connecting waters of the La Loche, thence down the Clearwater to the north limit of the surveyed area. The exploration was made by a party of several men, members of the firm of J. H. Chan, who believed that ten millions out of the twenty-one in accessible sections of the land available for settlement in its present state.

The greater portion of the remaining area would require expenditures for drainage. Two million acres are covered with water. The present conditions prevailing, it is stated, offer no obstacle to farming, and experience in agriculture attempted there have always been satisfactory.

"The difficulties of this section to reach the beautiful and fertile valley of the Clearwater will no longer exist when the railway to Fort McMurray, which is now proposed to be built, is completed," it says in conclusion.

WORKMEN DISMISSED

"I have come to the conclusion that no case has been made out for prosecution and that the men were never given sufficient instructions on arrival at Edson as to where their work was to be done and how they were to be paid. I consider that the men were entitled to meals and pay from the time they were engaged at Winnipeg. I also think that the arrangements at Edson for their accommodations were not as good as they should have been and for these various reasons I have decided to dismiss this action." The costs, amounting to \$2.50, will be paid by the prosecutor.

Such was the judgment given by Inspector Worsley on Monday in the case of P. Stracks, on Monday in the case of P. Stracks, Welsh and Stewart, against the ten men accused of breaking contracts.

2 YEARS FOR HORSE STEALER.

Because he hired a team of horses and buggy for a day from a livery stable in Mannville, in July last, and drove to Minnivan, either through drunken caprice or in a fit of pique, wrong left them there at a livery while he borrowed another team and drove to Minnivan, William Johnson, of Mannville, will serve a term of two years in the Alberta penitentiary.

On a charge of horse stealing, pleaded not guilty and elected to be tried without a jury.

As an excuse for his conduct the prisoner pleaded that he had been drunk and did not know what he was doing. He had forgotten all about the incident and never thought of it again until the police came and arrested him at Sedgewick several days later.

He had driven from Minnivan to Viking, he said, to look for a prisoner who he was owing him. Not finding him at Viking he had gone on to Sedgewick.

With the plea that the prisoner had not acted under the horses the Honor Judge Taylor did not concur. Although no attempt had been made to dispose of the horses by sale the judge was of the opinion that the new amendment to the criminal code which holds that anyone who deprives another of the use of his property temporarily is to be regarded as having committed theft.

Smashed Windows and Doors. At the same sitting of the court W. Brownhead, of Strathdale, was tried on a charge of mischief. The prisoner was arraigned on Friday afternoon but was in an intoxicated condition at the time and was locked up overnight to sober up. Brownhead pleaded not guilty to a charge of smashing in all the windows of the House of Wm. Lee, of Strathdale, and breaking in the doors with an axe, doing damage to the extent of \$65. He was found guilty on the evidence adduced by the prosecution. Sentence as suspended.

RETAIN RAMSAY COP.

The team from the Edmonton Rifle association competing for the Ramsay cup at Calgary on Saturday, returned Sunday evening from 8 o'clock. They were unsuccessful in defeating the southern marksmen who won out by a score of 57 to 53.

The Edmonton team found the conditions difficult, even at the 200 yard range and were beaten there by 20 points. The following are the scores of the teams of each association:

Table with 2 columns: Name and Score. Includes Mr. Martin (80), Mr. Clamborn (78), Mr. Pearce (84), Mr. Bell (81), Mr. Chamberlain (86), Grand total (554).

Will Have Return Match. To show their appreciation of the sportslike spirit of the Edmonton men taking a trip of 1000 miles at their own expense, in order to have a friendly contest for this cup, the Calgary association has arranged to reciprocate by sending two teams, of twelve men, on October 15th to shoot a friendly return match on the Edmonton range. They will be given a good time by the Edmonton riflemen.

WITH THE FARMERS

LOCAL FARMERS' MARKET. Prospects are better owing to the splendid fine weather which enables the farmers to save the grain in good condition. No new grain has been marketed yet, but the market is now that threshers are busy, it should not be long till the grain will begin to move.

No new oats are yet offering, but old oats are still coming in at from 30c to 40c per bushel.

According to Fort William prices wheat would be from 92c to 95c, but no price has yet been established here, for no wheat has been offered.

The farmers are busy at home, but several loads of hay and a few loads of oats were offered. Potatoes sold from 25c to 30c. Some cabbage was offered at 15c per head, or three small heads for 25c. Butter was offered at 30c a pound, and eggs sold at from 30 to 35 cents per dozen.

Old hay, \$12 to \$16; upland hay, \$16 to \$20; timothy from \$20 to \$25 per ton.

PRICES STRONGER.

Winnipeg, Man., Sept. 22.—Prices were generally stronger today for both local and the American exchange. Oats were fractionally stronger than yesterday and fax gained four cents. Cattle wheat advanced one quarter on all grades. The American market was stronger. Chicago gaining from three to seven-eighths cent, and Minneapolis leading from one quarter to seven-eighths.

The weather here showed cloudy and cooler weather prevailing in the night previous, with a light drizzle and a few showers. The wind was from the west and the temperature was from 54 to 60 degrees.

AMERICAN EXPORTS.

Chicago, Ill., Sept. 22.—Wheat report said and higher cables sent wheat prices upward today. The closing was at an advance of one quarter to seven-eighths. Only a few grades of wheat were offered. Latest quotations for provisions ranged all the way from fifty to fifty-one and half decline to the same last night.

Such was the judgment given by Inspector Worsley on Monday in the case of P. Stracks, on Monday in the case of P. Stracks, Welsh and Stewart, against the ten men accused of breaking contracts.

THE GRAY SPOTS

OF WESTERN CANADA. The Grand Trunk Pacific is shipping grain to the Pacific coast in the biggest elevator in the world. A few short years ago the G.T.P. was only a slogan. Today it is a reality. It is the biggest elevator in the world. A few short years ago the G.T.P. was only a slogan. Today it is a reality. It is the biggest elevator in the world.

It is not long since Western Canadian grain had only one outlet to the lakes over the C.P.R., now the C.P.R. is double-tracked from Winnipeg to Fort William. The C.P.R. and G.T.P. are shipping grain from the West to the East. That spot has been enlarged four times.

Speaks to the West.

At the present there is only one spot westward over the mountains. But others will be working soon. The G.T.P. and C.N.R. will rival the picture of the Pacific coast. The G.T.P. will enlarge its spout and build a line westward from Fort William. Plans have also been announced for some time for the extension of the Great West line westward into a Canadian transcontinental main line to the Pacific. Thus in a few short years more the westward outlet of Alberta's big grain crop will be extended into five big spouts pouring grain by the trainload over the mountains and down into the valleys of the Pacific Ocean for the transport to the markets of the world.

A Gift in Silk Waists

Silk Lined All Over Net Waist for \$2.95. Bought in the usual way and sold in the usual way this waist would be considered exceptionally good value at \$3.95.

We are, however, in a position to buy large quantities right from the factory and for this reason are able to buy rock bottom prices. Add to that our policy of a reasonable profit and you have the solution of the problem how it is possible for us to sell a net waist recognized and admitted to be good value at \$3.95, for ONE DOLLAR LESS, \$2.95.

This is a very dainty waist of Bretonne Net, lined with Jap Silk, front of embroidered, guipure net medallion and trimming. Tucked net in yoke, and cuffs, making a very pretty effect. Has long sleeves. Colors, Ivory or Ecu. Sizes 32 to 42.
