The copy filmed here has been reproduced thanks to the generosity of:

Department of Rare Books  
and Special Collections,  
McGill University, Montreal.

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Department of Rare Books  
and Special Collections,  
McGill University, Montreal.

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

# CANADIAN HUNT ASSOCIATION.

*These Rules of Racing shall apply to all Races, Steeplechases and Hurdle Races held under the sanction of the Canadian Hunt Association.*

## PART I.

### INTERPRETATION OF WORDS AND PHRASES.

Rule I. Horse includes mare gelding, colt and filly.

*The age of a horse is reckoned as beginning on the first of January, in the year in which he is foaled.*

A maiden is a horse which has never won a race (other than a match or private sweepstakes) in any country. A maiden means a maiden at the time of the start.

*N.B.—In steeplechases and hurdle races a horse is still a maiden though a winner on the flat, and in races on the flat a horse is still a maiden though a winner of a steeplechase or hurdle race.*

A "Race" means purse, sweepstakes, private sweepstakes, cup or match.

A "Purse" is a race to be run for money or other prize, without any stake being made by the owners of the horses engaged, and which is void if three horses in entirely different interests are not entered for it.

A "Sweepstakes" is a race in which stakes are to be made by the owners of the horses engaged, and any such race is still a sweepstakes when money or other prize is added.

A public sweepstakes is void if three subscribers do not engage horses in it.

A private sweepstakes is one to which no money is added and which has not been advertised previous to closing.

A "cup" is any prize not given in money.

A "handicap" is a race in which the weights to be carried by the horses are adjusted by the handicapper for the purpose of equalizing their chances of winning.

A "free handicap" is one in which no liability is incurred for entrance money, stake or forfeit, until acceptance of the weight, either directly or through omission to declare out.

A "private handicap" is one in which the weights are agreed upon among the parties to it, and which has not been publicly advertised previous to the engagement being made.

A "post race" is one in which the subscribers declare at the usual time before a race for declaring to start, the horse or horses they are to run, without other limitation of choice than the rules of racing and the conditions of the race prescribe.

A "produce race" is one to be run by the produce of horses named or described at the time of entry.

A "selling race" is one, the conditions of which require that every horse running, if a loser, may be claimed, and, if the winner, must be offered for sale by auction or be liable to be claimed.

Weight for age means standard weight according to the rules of the course where the race is run or its conditions, and remains a weight for age race, even though there be penalties and allowances.

A race at "catch weights" means one for which the riders need not weigh before or after the race.

The "nominator" is the person in whose name a horse is entered for a race.

"Owner" includes part owner.

"Arrears" are any sums unpaid in respect of fines, fees, including jockey's fees, entrance money, stakes, subscriptions, forfeits and purchase money in races with selling allowances, or any default incident to these rules.

It is a "walk-over" when only one horse or horses belonging to a single interest are at the post ready to start for a race at the appointed time.

## PART II.

### CALCULATION OF TIME.

Rule 2. Sec. I. When the last day for doing anything under these rules falls on Sunday, it may be done on the following Monday, unless a race to which such act relates is appointed for that day, in which case it must be done on the previous Saturday.

Sec. II. A "month" means a calendar month; a "day" means twenty-four hours.

## PART III.

### REGULATIONS FOR RACE MEETINGS.

Rule 3. Sec. I. If a horse run at any meeting not recognized by the Canadian Hunt Association, he is disqualified for all races to which these rules apply.

Sec. II. All Races, Steeplechases, or Hurdleraces, held under these rules in the Dominion of Canada, must be sanctioned by the Executive Committee of the Canadian Hunt Association.

Sec. III. Any owner or trainer running horses, any jockey riding the same at any meeting not recognized by the Canadian Hunt Association, shall be disqualified for all races to which these rules apply. Such horses and all others under the control of such owner or trainer shall also be disqualified. Any person acting in any official capacity may also be disqualified.

*N.B.—Duly incorporated County; Township and Town Fairs at which races are run shall be considered meetings.*

Sec. IV. At any meeting advertised to take place solely under these rules, there shall be in each day's programme at least two hunt races or steeplechases.

*But the Executive Committee of the Canadian Hunt Association may abrogate this rule when in their opinion the conditions of the meeting render it advisable.*

Sec. V. There shall be no steeplechase or hurdle race less than one and one-half miles.

*There shall be no steeplechase run in heats.*

Sec. VI. In all steeplechase courses there shall be at least six fences in every mile. There shall be a water jump at least twelve feet wide and two feet deep, to be guarded by a fence not less than two feet in perpendicular height. There shall be at each course at least two jumps as follows: Ditch five feet wide and two feet deep, which ditch shall be guarded on the taking-off side by a single rail, and on the

landing side there shall be a fence of not less than four feet in perpendicular height, and if of dead brushwood or gorse, two feet in width. The minimum perpendicular height of all other jumps shall be four feet.

*At meetings held by Hunt and Country clubs and similar organizations recognized by the Canadian Hunt Association, the Canadian Hunt Association may grant permission to the stewards of the meeting to make the jumps of such character and dimensions as they may deem expedient, and to give races for farmers and their horses.*

Sec. VII. In all hurdle race courses there shall be not less than four flights of hurdles in the first mile, with an additional flight of hurdles for every quarter of a mile or part thereof beyond that distance, the height of the hurdle being not less than three feet six inches from the bottom of the lower bar to the top of the upper bar.

Sec. VIII. The lowest weights in handicaps shall be:

For steeplechases for hunters . . . . .	145 pounds.
For hurdle races and races for hunters on the flat . . . . .	140 pounds.

#### PART IV.

acting in any official capacity in connection with the meeting; to investigate any case which may appear to them to require their interference (whether or not referred to them by the stewards of a meeting), and to give a final decision thereon; they have power to impose any fine not exceeding \$250, and to warn any person off all the courses where these rules are in force.

Sec. II. The Canadian Hunt Association takes no cognizance of any disputes or claims with respect to bets.

## PART V.

Sec. VI. The stewards have power to regulate and control the conduct of all officials and of all owners, trainers, jockeys, grooms and other persons attendant on horses.

Rule 23. All horses shall be entered in the name or names of owner or owners.

## PART X.

### CONDITIONS OF ENTRY.

Rule 24. Sec. I. In the event of a horse being entered for a race with the wrong age or an incorrect or imperfect description, according to the rules of racing, the entry may be corrected on the payment of a fine of \$10 for each entry, provided it be proved to the satisfaction of the stewards that the error was accidental, and provided also that the correction be made before the numbers are exhibited for that race, and provided further that error as to age be corrected before the weights for a handicap in which the horse is engaged are announced:

Sec. III. When an hour for closing is stated, entries or declarations of forfeit for sweepstakes cannot be received afterwards.

Sec. IV. If the hour is not stated, they may be mailed or telegraphed up to midnight of the day of

closing, but if miscarriage is alleged, satisfactory proof of the mailing or telegraphing must be presented within reasonable time, or the entry or declaration of forfeit shall not be received.

Sec. V. In the absence of notice to the contrary, entries and declarations of forfeit happening on the eve of and during a race meeting, close at the office of the secretary of meeting.

Sec. VI. A person who subscribes to a sweepstake before the time fixed for naming can transfer the right of entry under one or more of his subscriptions.

Sec. VII. An entry of a horse in a sweepstake is a subscription to a sweepstake. A subscription cannot be withdrawn, but before the time of closing an entry of a horse in any race may be corrected, or another horse may be substituted.

Sec. VIII. If either party to a match die, the match is off.

Rule 25. Sec. I. No horse shall be considered as struck out of any of his engagements until the owner or some duly authorized person shall have given notice in writing, or by telegraph to the clerk of the course or secretary of meeting where horse is engaged.

Sec. II. The day and hour of its receipt shall be recorded and early publicity given thereto.

Sec. III. The striking of a horse out of an engagement is irrevocable.

Sec. VI. When a horse is sold with his engagements, or any part of them, the seller cannot strike the horse out of any such engagements, but, on default of the purchaser, remains liable for the amount of forfeit in each.

Sec. VII. In all cases of sale by private treaty, the written acknowledgment of both parties that the horse was sold with engagements is necessary to prove the facts, but when the horse is sold by public auction or claimed out of a selling race, the advertised conditions of either sale or race are sufficient evidence.

Sec. VIII. If certain engagements only be specified, those only are sold with the horse.

## PART XI.

### ENTRANCE MONEY, FORFEITS, STAKES, ETC.

Rule 26. Sec. I. Entrance money for a purse is not returned on the death of a horse or his failure to start for any cause whatever.

Sec. II. Entries in purses are not void on the death of the nominator.

Sec. III. Entrance money, forfeits, stakes and arrears must be paid in cash (if so required) to the clerk of the course, or secretary of the meeting, and entrance money must be paid at time of entry.

Sec. VI. A jockey shall not be weighed out for any race unless there shall have been previously paid :

(a) Any stake, forfeit or entrance money payable by the owner or nominator in respect to that race.

(b) All arrears due from any person for such horse, or due for the same or any other horse from any person by whom such horse is wholly or partly owned, or in whose name or under whose subscription he is entered.

## PART XII.

### QUALIFICATIONS OF STARTERS.

Rule 28. Sec. I. A horse shall not be qualified to run in a race unless he has been announced as a starter and the name of his jockey given to the clerk of the course or the clerk of the scales not less than 30 minutes before the time appointed for the race, which shall, at the close of the previous race of the day, be indicated on a dial conspicuously placed.

Sec. II. Any subsequent change of jockey must be sanctioned by the stewards, and if satisfactory reason is not given for the change, they may fine, suspend or rule off the course any person they think culpable in the matter.

Sec. III. If the race be one for which the entry was made during the meeting, a horse must start unless struck out 30 minutes before the time appointed for the race.

Sec. IV. In all races, should a horse become disabled after weighing out, if so proven to the satisfaction of the stewards, he may be withdrawn.

Sec. V. If the time for the first race is not fixed by the programme, it shall be indicated on the dial half an hour in advance.

### PART XIII.

Sec. III. In estimating the value of the race there shall be deducted the amount or the winners own stake, and any money payable to other horses, or out of the stakes by the conditions of the race, or by the general conditions of the meeting, entrance money to a purse, or entrance money going to the race fund shall also be deducted.

Sec IV. In all sweepstakes (private sweepstakes

excepted) or purses, the second horse shall at least save his entrance.

Sec. V. When a cup other than a challenge cup is advertised to be run for, it shall be given even in the event of a walk-over.

Sec. VI. When a walk-over (except after a dead heat) is the result of an arrangement by the owners of horses engaged, neither cup or any portion of the advertised money need be given.

Sec. VII. In case of a walk-over (except after a dead heat) one-half the money offered to the winner is given.

Rule 30. Sec. I. In estimating the amount a horse has won in any one or more races, account shall be taken of cups or moneys, whether derived from stakes, bonus or any source, gained by him in steeplechases, hurdle races or races on the flat, in any country, of the value of \$100 and upwards.

Sec. II. Winnings during the year shall include all prizes from the 1st of January preceding to the time appointed for the start, winnings shall include dividends, walking over or receiving forfeit.

Sec. III. Winning of a fixed sum is understood to be winning it in one race, unless specified to the contrary.

Sec. IV. A challenge cup is not estimated in the value of a race until it is finally won, provided the sweepstakes or added money amount to \$100 or upwards, but when won outright the winner must carry a penalty in respect to the full value of the cup and money prize.

Sec. IV. Penalties and allowances are not cumulative, unless so declared by the conditions of the race.

Rule 33. Sec. I. Allowances must be claimed at the time of entry when practicable, but omission to claim is not a source of disqualification, and a claim for allowance to which a horse is not entitled does not disqualify, unless carried out at scale.

Sec. II. Allowances to the produce of untried horses are for the produce of horses whose produce never won a race in any country.

Sec. III. No horse shall receive allowance of

weight or be relieved from extra weight for having been beaten in one or more races, provided that this rule shall not prohibit maiden allowances or allowances of horses that have not won within a specified time or races of a specified value.

Sec. II. The trainer or jockey of a horse not at the post, ready to start at the appointed time, shall be fined.

Sec. II. The horses shall be started by a flag, and there shall be no start until, and no recall after, the assistant starter has dropped his flag in answer to the flag of the starter.

Sec. III. The starter shall give all orders necessary for securing a fair start.

Sec. IV. The horses shall be started as far as possible in a line, but may be started at such reasonable distance behind the starting post as the starter thinks necessary.

Sec. V. Any jockey presuming to start, or even to put his horse into a trot or gallop with a view to take any advantage before the flags are dropped, hanging behind or refusing to obey the commands of the starter in any respect, whatever, shall be reported to the Stewards. The suspension of a jockey shall not take effect until after the last race of the day of his sentence.

Sec. VI. The concurrent statement of the starter and his assistant as to incidents of the start is conclusive.

## PART XVI.

### RUNNING AND WALKING OVER.

Rule 41. An owner running two or more horses in a race may declare to win with one of them, and such declaration must be made at the time of weighing out, and is to be immediately posted on the Notice Board, A jockey riding a horse with which his owner has not declared to win, must on no account stop such horse except in favor of the staple companion on whose behalf declaration to win has been made.

Rule 42. Sec. I. A leading horse is entitled to any part of the course, but when there is a clear opening to pass him, he shall not impede another horse by crossing so as to compel him to shorten his stride.

Sec. II. A horse shall be disqualified if his rider, by foul riding, jeopardized the chances of success of any other horse in a race. *A horse crossing another so as actually to impede him is disqualified, unless the impeded horse was partly in fault, or the crossing was wholly caused by the fault of some other horse or rider.*

The Stewards have power to fine a rider for the above offenses any sum not exceeding \$250. In all cases the Stewards have power of suspending a rider until the expiration of the meeting, or should they consider such punishment insufficient, until the case can be heard and decided by the Canadian Hunt Association.

Sec. III. If a horse or his rider jostles another horse or rider, the aggressor is disqualified, unless it be proved that the jostle was wholly caused by the fault of some other rider, or that the jostled horse or his rider was partially in fault.

Sec. IV. If a horse run the wrong side of a post, he must turn back and run the course from such post.

Sec. V. If a rider strike another horse or rider, or ride carelessly so as to injure another horse, which is no way in fault, or so as to cause another horse to do so, his horse may be disqualified.

Sec. VI. When a horse is disqualified under this rule, or for being short of weight, every horse in the race belonging wholly or partially to the same owner is also disqualified.

Sec. VII. Complaints under this rule can only be

received from the owner, trainer or jockey of the horse alleged to be aggrieved, and must be made to the Clerk of the Scales, or to the Stewards, before, or immediately after his rider has passed the scales. But nothing in this rule shall prevent the Stewards from taking cognizance of foul riding.

Sec. VIII. A rider whose horse has been disqualified or who unnecessarily causes his horse to shorten his stride, with a view to complaint, or an owner, trainer or jockey who complains frivolously that his horse was crossed or jostled, may be fined or suspended.

Rule 43. If the Stewards at any time are satisfied that the riding of any horse was intentionally foul, or that the rider was instructed or induced so to ride, all persons guilty of complicity in the offense shall be ruled off.

Rule 44. If a race has been run by all the horses at wrong weights, or over a wrong course or distance, or if a judge is not in the stand when the horses pass the winning post, the race shall be run again after the last race of the day, but at an interval of not less than twenty minutes for two miles or less, or less than thirty minutes if over two miles.

Rule 45. A walk-over shall in no case be deemed necessary. It shall be sufficient at the discretion of the Stewards if a horse is weighed out for, mounted and proceed to the starting post, when if no competitor appear in due time, he shall be considered the winner.

## WEIGHING IN.

Rule 46. Sec. I. Every rider must, immediately after pulling up, ride his horse to the place of weighing, dismount after obtaining permission of the judge, and present himself to be weighed by the Clerk of the Scales; provided that if a rider be prevented from riding to the place of weighing by reason of accident or illness by which he or his horse is disabled, he may walk or be carried to the Scales.

Sec. II. Every rider must, upon pulling up, unsaddle his own horse, and no attendant shall touch the horse, except by the bridle.

Sec. III. If a rider does not present himself to weigh in, or be *two pounds in steeplechases and hurdle races or one pound in flat races, short of his proper* or declared weight, or be guilty of any fraudulent practice with respect to weight or weighing, his horse is disqualified. If a rider dismount before reaching the scales, or touch (except accidentally) any person or thing other than his own equipments before weighing in, his horse is disqualified, unless he can satisfy the Stewards that he was justified by extraordinary circumstances.

Sec. IV. A rider omitting to obtain permission to dismount or disregarding any requirement as to weight or weighing, shall be fined or suspended, and may be ruled off the course.

Sec. V. If a horse carry more than 2 lbs. over his proper or declared weight, he is disqualified, unless the Stewards be satisfied that such excess of weight has been caused by wet or mud.

## PART XVIII.

## DEAD HEATS.

Rule 47. Sec. I. In races on the flat, a dead heat for the first place is to be run off on the same day, at the time the Stewards appoint, but at no interval of less than 20 minutes, unless the race admits of division, and the owners agree to divide, or one of the horses making such a dead heat be withdrawn.

Sec. II. The other horses shall be deemed to have been beaten, but they shall be entitled to their place (if any) as if the race had been finally determined the first time.

Sec. III. If, in running a dead heat off, either horse should be disqualified, it shall be decided by the Stewards whether the disqualification shall extend to the loss of the second place, and, if so, the horse that originally ran third shall be entitled to the second place.

Rule 48. When a dead heat is run for second place, and an objection is made to the winner of the race, if such objection be declared valid in time for a dead heat to be run off on the day of the race, the Stewards may direct it to be run off accordingly; otherwise the horses which run the dead heat shall divide.

Rule 49. If a dead heat be run by two or more horses for second or any lower place in the race, the owners shall divide, subject to the provisions of the last preceding rule.

Rule 50. In races on the flat, every horse running a dead heat for first place, shall be deemed the winner of the race until the dead heat is determined or the owners agree to divide, and if the owners agree to

Rule 51. Every horse running a dead heat for second or a lower place shall be liable to any penalty or disability attaching to the place.

#### DEAD HEATS. STEEPLECHASE OR HURDLE RACES.

Rule 52. In Steeplechase or Hurdle Races a dead heat shall not be run over, but the money shall be divided. In such an event the horses so dividing shall only be considered to have won their share of the money.

Rule 53. When owners divide they shall divide equally all the moneys and other prizes which any of them could take, if the dead heat were run off.

Rule 54. If the dividing owners cannot agree as to which of them is to have a cup or other prize which cannot be divided, the question shall be determined by lot by the Stewards, who shall decide what sum of money shall be paid by the owner who takes such cup, or other individual prize, to the other owner or owners.

Rule 55. On a dead heat for a match, the match is off.

### PART XIX.

#### SELLING RACES.

Rule 56. In selling races which close within 48 hours of the race day, no owner shall start more than one horse.

Rule 57. Sec. I. Every horse running in a selling race shall, if the winner, be liable to be claimed for

the selling price by the owner of any other horse running in the race, but if it is a condition of the race that the winner shall be sold by auction, the sale shall take place immediately after the race, and the surplus over the selling price shall go one-half to the second horse and the other half to the race fund, or to the race fund if no second or third horse be placed.

Sec. II. If sold or bought in, the horse shall not leave the place of sale without permission of the Clerk of the Course, and if the horse be not paid for within fifteen minutes, or the price secured to his satisfaction, he may direct the horse to be put up a second time, and the purchaser at the first sale shall be responsible for any deficiency arising from the second, and shall be treated as a defaulter until it is paid.

Sec. III. All other horses starting may be claimed for the selling price, plus the value of the stakes or purse, to the winner, including his own stake or entrance, by the owners of horses running in the race or their authorized agents.

Rule 58. Sec. I. Owners of horses placed shall have priority of claim in the order of the places, and if the owners of two or more horses having equal rights claim, they are to draw lots. The owner of the winner has the last claim.

Sec. II. No person can claim more than one horse.

Sec. III. Every claim must be made in writing to the Clerk of the Course or the Clerk of the Scales not later than a quarter of an hour after the winner has passed the scales, and must be accompanied by the purchase money if required.

In the case of a horse being claimed, if the prize be not paid within 15 minutes after the claim is made, the claimant forfeits his right; but the owner may insist on the claimant taking and paying for the horse, and if he refuse or neglect to do so, he shall be treated as a defaulter in respect of the price.

Rule 59. If a horse walk over, or there be no second horse placed for a selling race, the winner is still liable to be sold, but he shall receive all the money offered by the conditions of the race to the winner, and any surplus from the sale shall go to the race fund.

Rule 60. The following special provisions apply to claiming and selling races.

Sec. I. In case of a dead heat, the time for claiming or selling is postponed until the dead heat is run off.

Sec. II. If an objection to the winner of a selling race be not decided before the time for selling, the horse objected to and the horse subsequently adjudged to be the winner shall be put up at auction, and any surplus from the sale of either shall be treated as surplus from the sale of the winner, but liability to be sold shall end with the day of the race.

Sec. III. If an objection to a horse which has been claimed be declared valid, the claimant may within such a time as the stewards consider reasonable, reject or return the horse and place on the forfeit list any default by the owner in repayment of the price.

Sec. IV. Any person refusing to deliver a horse bought or claimed in a selling race shall be ruled off, and the horse shall be disqualified for all races.

Sec. V. Any person failing to pay for a horse bought or claimed in a selling race may be ruled off.

Sec. VI. Any person who shall attempt to prevent another person from bidding on the winner of a selling race, or claiming any horse in such race, or demand any portion of the surplus from the owners of horses which are entitled to it, or any owner running selling races who may make an agreement for the protection of each other's horses in contravention of these rules shall be ruled off.

Sec. VII. In all cases of races with selling conditions in which horses may be entered, or may run not to be sold, only such horses as run to be sold, shall be liable to be sold or claimed, and with this exception the foregoing rules relating to selling races shall apply.

## PART XX.

### DISPUTES, OBJECTIONS, APPEALS, ETC.

Rule 61. Sec. I. Every objection shall be decided by the Stewards, but their decisions shall be subject to appeal to The Canadian Hunt Association, so far as relates to points involving the interpretation of these rules, or to any question other than a question of fact, on which there shall be no appeal, unless by leave of the Stewards, and with the consent of the Canadian Hunt Association. Notice of appeal must be given in writing to the Clerk of the Course within 48 hours of the decision being made known.

Sec. V. All costs and expenses in relation to determining an objection or conducting an inquiry be paid by such person or persons, and in such proportions as the Stewards shall direct.

Sec. VI. Before considering an objection the Clerk of the Course or Stewards may require a deposit, which shall be forfeited if the objection is decided to be frivolous or vexatious.
