PREFACE.

The publishers in presenting the eighth edition of their Business and Farmers' Directory of the Counties of Ontario, Peel and York have endeavored to merit the approval of the public, by presenting a work that will be found the most complete of the kind ever published in the district. It will be found to contain more information of a nature valuable to business men of all branches than any other publication heretofore placed in the hands of the people.

Among the contents will be found the name of each farmer and owner or tenant of a lot outside the limits of each city, town or village, with post-office, lot and concession, a complete list of towns, with business people alphabetically arranged, also a separate list of business people classified with reference to their business. The whole combined making one of the most complete directories ever published.

A work of this kind involves a great amount of expense and labor, and the publishers have spared neither, but have made every effort to make a reliable work worthy of the confidence of business people.

Thanking those who have kindly given us information, also the business people who have given the work their support, we remain,

Respectfully yours,

UNION PUBLISHING CO., OF INGERSOLL,
PUBLISHERS,
INGERSOLL.

An Investment Policy for $10,000

ISSUED AT AGE 35

10 ANNUAL PAYMENTS :: 20 YEARS' INSURANCE

By paying 10 annual premiums of $524.00 each, you secure $10,000 of indisputable insurance, and at the end of 20 years you are offered your choice of three methods of settlement, adapted to various conditions of life. Total payments $5240.00

The first and most important option is to **Withdraw Cash**, estimated at $11,500.00, over **Four** per cent. compound interest upon **Every Dollar** paid in—surely a **Prime** investment (Life Insurance aside); or you could take, instead a Policy paid up for life for about $21,200.00. Should you prefer, you may keep your original policy in force, **without further premiums**, receiving **Annual Cash Dividends** thereon, and draw from the Company **in addition** your cash surplus of about $8,106.00.

Here you have three advantageous choices of **investment** and also the protection of Life Insurance **Without Cost.**

122 & 124 Richmond St. E., - - TORONTO, ONT.

The demand for a really good mixed Paint,—one that will stand outside as well as inside, led to the organization of the above Company. Nothing succeeds like success, soon after opening its goods to the public, the Company was forced to enlarge and double its capicity.

The Paint is the result of long research and chemical investigation and is patented in Canada, Australia, the United States and Mexico. It has wonderful wearing qualities, and does not check, blister, or peel. For wood-work, iron, brick, or plaster its stands unequalled.
