QUESTION.—What Ministers or Probationers for the Ministry have died during the Year?**JOHN HICKS EYNON.**

The Rev. John Hicks Eynon was born in Gloucestershire, England, on May 6th, 1801. While quite a young man he was soundly converted to God through the instrumentality of a lady evangelist, who afterwards became his wife, and was his able fellow-laborer both in the old land and in this country. In 1826 he entered the ministry in the Bible Christian Church, in England, and for six years made full proof of his ministry. He showed himself so adapted to mission work, being naturally fearless and robust, and fitted to toil in the hardest and most laborious fields, that he was chosen for such work in Canada. One missionary preceded him in 1831, but he had grown discouraged with the difficulties he had to meet, and had turned aside to some other employ. Bro. Eynon was appointed to the field that had been so abandoned in 1832. On his arrival he entered upon his hard and important mission with characteristic ardor and pluck. Not a little was he indebted to his noble and saintly wife for advice, encouragement, and aid in proclaiming to the settlers in the woods the message of Divine mercy. She was removed to a better world long ago, but her work as well as his remains. As the work developed under his supervision, laborer after laborer was sent to his aid, or was raised up among his sons in the gospel in this country, until in 1854, the late Bible Christian Conference was formed, which was from the first financially independent of the parent Conference in England. For many years he was the Treasurer of the Missionary Society of the Canadian Conference. He took his full share of Circuit work, until 1859, when through enfeebled health he had to apply for superannuation. Until October, 1883, he resided in Darlington, and labored as health and strength permitted in proclaiming the sinner's Friend. Extreme deafness prevented his working to advantage in social means of grace, yet his place at the prayer and class-meetings was seldom vacant. He loved the courts of the Lord's

house and delighted in its hallowed services. The last few years of his life were spent in Exeter, and until "age and feebleness extreme" prevented, he occasionally went into the neighboring Circuits to tell the old yet ever new story of the love of Christ to men. One of his ministerial brethren, writing since the death of the veteran pioneer minister, says of him: "Pious dispositions were strong in his soul, and he recommended them with force to others. His love to God was strong and abiding, and his love to perishing men correspondingly so. He hungered and thirsted after spiritual things, and inspired others with living faith and earnestness. 'The love of Christ constrained' him, and he felt that to train immortal souls for virtue, for God, for heaven and eternity, was no mean work. He was deeply impressed with the sense of his great responsibility, and from county to county, township to township, and house to house, he went telling the story of the cross of Christ."

He was strongly opposed to the union of the Methodist Church in this country, believing that more and better work might be done for God under the stimulus of friendly rivalry. His was no factious opposition, however; as he had openly expressed his views and manfully maintained them, he yielded to the logic of events, and quietly fell into line with the rest of his brethren.

His last illness was brief, and when free from delirium, his words and looks indicated how truly he was prepared for the momentous change that awaited him. On Thursday, March 22nd, 1888, he passed away from earth in great peace, in the eighty-seventh year of his age, and the sixty-second of his ministry.

Last year your Committee requested that, in filling out the Circuit schedule for presentation to the District Meeting, more attention be paid to the reported membership returns contained in the Minutes of the preceding years.

In most cases this has been done, but we find that an improvement may still be made, and repeat the request that each District Meeting appoint a committee to carefully revise all District schedules, and also see that the loose sheets furnished each District Secretary be properly filled, and thus save much of the slavish work laid upon this Committee.

THE SUNDAY-SCHOOL COMMITTEE.

We rejoice in the continued prosperity of the Sunday-schools of our Church. When we think that 200,000 of the children of the Dominion are attending these schools, it is difficult to overestimate their influence upon the character of the coming generation. Believing, then, that in the careful teaching and training of the youth in all things which tend to purify and exalt individual and national life, lies the key to the solution of the problem of the world's evangelization, we recommend:—

1. That increased attention be paid to the provision made for instruction in the principles of temperance, and that the total abstinence pledge be explained and commended to the children and young people of the Church. The number who signed the pledge last year was 3,549; this year, 3,723; increase, 174.

2. That the graded catechisms of the Church be placed in the hands of the children, and that regular instruction be given in the same. Number learning catechism last year, 2,926; this year, 2,352.

3. That the direct leading of the scholars to Christ, as a present and perfect Saviour from sin, be ever kept before the mind as the true end of all Sunday-school work. Number of conversions last year, 946; this year, 1,065; increase, 119.

4. That the parents of the children, and the teachers and officers of the schools, render all needed co-operation in carrying out the provisions of the Discipline, section 2, paragraph 95, which relates to the gathering of the children into classes, and giving them instruction in things pertaining to experimental godliness.

5. That the excellent Sunday-school papers published at our own Book Room, which are so loyal to Church and State, receive the hearty and practical support of the Sunday-school authorities. We look with pleasure upon the gratifying fact that the increase in the circulation of those periodicals for the past year is 19,239.

6. Recognizing that the Sabbath-school Aid and Extension Fund has largely helped many new and poor schools, which are becoming the nuclei of future churches, we call attention to the importance of taking up this collection, and that it should be as liberal as possible. Amount raised this year, \$229.06; last year, \$194.01; increase, \$35.05.

7. Noting the great disparity between the number of children attending Sunday-school and the number in attendance upon the regular services of the Church, we recommend that parents, pastors and teachers, examine into and endeavor to remove the cause or causes. As an aid in that direction, we suggest that, at least once a quarter, one of the church services be so arranged and conducted as to be specially interesting and profitable to the children.

The available statistics of our schools in Canada, give the following encouraging showing: Number of schools, 2,871; new schools established during the year, 237; officers and teachers, 27,209; scholars, 197,538; conversions, 15,295; meeting in class, 32,627; studying catechism, 30,845; signed temperance pledge, 39,705; raised for missions, \$25,526; for school purposes, \$78,274. The amount raised for missions within our own Conference, \$2,214; for school purposes, \$12,834.

JAS. E. FORD, *Secretary*.

THE MEMORIAL COMMITTEE.

Your Committee, having considered the communications referred to them, beg to report as follows:—

1. In regard to the memorial from the Aylmer District Meeting and the Melrose Mission, referring to the "Invitation System," your Committee suggest that we re-affirm the resolution of last year, viz: "That while we deprecate what is commonly called 'wire pulling' on the part of either Official Boards or Pastors, nevertheless we do not feel ourselves justified in interfering with the privilege of petition from our Official Boards respecting ministers whom they prefer to have as pastors of their respective churches, and whom they have good reasons to believe will prove efficient and successful. We would, however, recommend that the Stationing Committee shall pay no attention to any invitation to ministers that has not received the approval of a clear majority of the membership of the Official Board."

2. With respect to the memorial from the Ridgetown District, in regard to changing the time of holding the Conference, and of ministers removing from one Circuit to another, two weeks earlier than at present, your Committee think, that while possibly some slight advantages might thereby be gained, other disadvantages would be caused by the change that would more than counterbalance any possible good, and, therefore, recommend that no change be made.

3. Respecting the memorial of the St. Thomas District Meeting, "That all Chairmen of Districts be instructed to secure, as far as possible, correct and uniform returns to our District Meetings," your Committee beg to report, that inasmuch as there has been lack of uniformity in stating the amounts raised on Domestic Missions, some including while others exclude, the item of "horse keep," your Committee recommend uniformity in the future.

4. Referring to the memorial from Aylmer, *re* Brother J. Davy's case, your Committee report, That in view of the fact that about \$360 was raised in behalf of Brother Davy, last year, they do not see their way clear to recommend any further action in the case.

According to the estimates of the Financial Committee of the General Conference, it will require \$7,500 to meet the claims on the Fund. This, I think, is a moderate estimate in view of the expenses of the past year.

The actual amount received from the Conferences during the year is only \$1,552.33. I am aware that some of the Conferences had paid a large proportion of the collections of the then current year just before the General Conference, but the collections for the following year should have been paid in before the 31st August. After making all due allowances, the amounts paid by the Conferences during the year were shamefully small.

If this state of things should continue till the close of the quadrennium, there will be no funds to pay the expenses of the delegates to the

General Conference of 1890. The officers appointed by the General Conference are forbidden to "disburse more than the amount in hand." The question, therefore, is assuming a serious aspect, and it becomes my duty to lay the facts before the parties interested at this early date, that they may govern themselves accordingly.

The Fund, at the close of the year, was indebted to the Treasurer \$7,921.70. It is scarcely necessary to say that this state of things cannot be continued. Some provision must evidently be made at an early date to meet the expenses of the Fund. I know of no available method of doing this, unless the Conferences provide in some way for the prompt payment annually of the amounts allotted to them by the Financial Committee of the General Conference.

JAMES GRAY, *Treasurer.*

Toronto, May, 1888.

SUPERANNUATION FUND.

Treasurer's Report for the year ending July 31st, 1887.

In presenting this Report for the consideration of the Board, the Treasurer has pleasure in stating:—

1. That there has been an increase in the Permanent Fund amounting to \$4,244.23.

2. The estimates for the year, which were made with great care, were sufficient to meet the expenditure, and the debt has been considerably reduced. It was the desire of the Treasurer to make these estimates as close as possible, in order to keep the assessments to Circuits down to the lowest possible amounts.

3. The annual income from all sources has fully met the expectations of the Treasurer. Notwithstanding the low rates of interest, there has been an increase realized from this source of \$1,679.29. A part of this increase, however, should have been paid in and accounted for in last year's Report. The Book Room has paid \$6,000 to the Fund, an increase of \$2,000. The several Annual Conferences have paid the amounts in full apportioned to them, with very trifling exceptions, which are very easily explained.

4. The claimants have been paid in full, and the debt, with which we commenced the year, has been reduced \$1,667.25, leaving only a balance of \$1,044.95.

5. On the whole, the working of the new law has been an encouraging success during this, the first year of its existence, and augurs well for the future. I do not claim for it absolute perfection, but it cannot be changed till the next General Conference. As we cannot "mend" it till then, let us, as ministers and laymen, "keep it," and, with the improvements that may be made at the next General Conference, it will be a lasting blessing to the Church in all times to come.

All of which is respectfully submitted.

BOARD OF EXAMINERS.

The Annual Meeting of the Board of Examiners for the London Conference was held at Strathroy, on the 17th and 18th of April, 1888.

The Examiners were all in attendance, though some of them were inconveniently tardy.

Eight probationers and four candidates appeared for examination.

The examinations were more than usually satisfactory. Last year it was stated in the Conference that no probationer had succeeded in win-

This year four first class certificates were granted, indicating an average of 75 per cent.; one of them carrying honors, as reaching 90 per cent., the exact figures being 96. Not one third-class certificate was issued. Three of the four candidates succeeded in passing the preliminary examination.

At a special meeting of the Board, the President, Dr. Pascoe, brought up the case of D. R. McKenzie, B.A., a probationer now in Japan. It was ordered that papers on the Theological subjects of the course be sent to the Rev. Dr. Cochran, Japan, that Mr. McKenzie may be examined thereon.

The public meeting was held in the Front Street Church, on Thursday evening. Addresses were delivered by the President, Dr. Pascoe, Revs. W. J. Ford, J. R. Gundy and Dr. Ryckman, and certificates were issued to those who had succeeded in their examinations.

The following recommendations were made by the Board to the Conference:

1. That the number of examiners be the same as last year.
2. That the Board of Examiners for the ensuing year be the following:—

James Graham.
Dr. Pascoe.
William McDonagh.
J. R. Gundy.
John G. Scott.
William Quance.

B. F. Austin, B.D.
A. L. Russell, B.D.
J. V. Smith.
G. R. Sanderson, D.D.
E. B. Ryckman, D.D.

3. That in the allocation of subjects the following changes be made:
 - (a) That Rhetoric and Logic, in the ordinary course, and Exegesis (Matthew's Gospel in Greek) in the Graduates' course, be committed to the Rev. A. L. Russell; and
 - (b) That New Testament History, Old Testament History, in the ordinary course, and Wescott on the Canon, in the course for Graduates, to the Rev. J. V. Smith.

4. That the next Annual Meeting of the Board be held in the King Street Methodist Church in this city.

5. That the Rev. James Graham be Chairman of the Board, and the Rev. Dr. Ryckman be Secretary.

THE COMMITTEE ON TEMPERANCE.

With the lapse of time we see great reason to be thankful for our stand on the Temperance question.

We still pledge ourselves to set our faces against the trade in intoxicating liquors, seeing that it is an evil calculated to curse man in every fibre of his constitution, and in every relation of life. We have no sympathy with the legislation that tolerates it, nor with the industry that favors it.

We endorse the sentiment contained in the memorial from the London District, recommending that only unfermented wine be used by our people for sacramental purposes. We are thankful for the *Canada Temperance Act*—which is in itself a prohibitory measure—and for the good it has accomplished. We are opposed to any and every license system, because the liquor business is an evil, and to license it is a sin in the sight of God. For God hath said by the mouth of the prophet Habakkuk, ch. 2, v. 15: "Woe unto him that giveth his neighbor drink, that putteth thy bottle to him and maketh him drunken also." Surely a license system does all this. It is, therefore, contrary to God's word; while the "Scott Act"—a prohibitory measure—is in accord with the word of God. We regret the recent reverses in some "Scott Act" counties, but we know that the cause of Temperance must march on. "Truth crushed will rise again." The eternal years to come belong to truth. The *Canada Temperance Act*, as an educator, has done, and is doing, grand work. It is nonsense to talk about more liquor being consumed in counties where the Act is in force, than in license counties. Statistics inform us that the consumption of intoxicants is far less under the Scott Act; crime also has been greatly lessened by it.

We express thanks for a visit from a delegation under the presidency of the Rev. Thomas Cosford, sent by the Convention of the Temperance Alliance of the County of Middlesex, who reported very favorably on the working of the "Scott Act," and the cause of Temperance in that county.

Doubtless other efforts at repeal will follow those which have been made in some parts with success—which success was owing not only to the strenuous efforts of the liquor party, but also to the delinquency of some of the officials of the law, as well as the comparative indifference of many temperance men among whom, we are sorry to say, are not a few who profess the religion of our Lord Jesus Christ.

We, therefore, take this opportunity of expressing our appreciation of the services of those who have been faithful in the discharge of their duties in enforcing the law, and we pledge hearty co-operation with all who are legitimately fighting for its maintenance.

We firmly believe that "the powers which be" should see that *this* law is respected and as honestly enforced as any other law. And while the "Scott Act" is not all we want—as prohibition for the Dominion is our motto—yet as a stepping-stone to something better, we will seek to use it as far as possible; and we call upon our people to hold on to what they have until the Government shall give us a more satisfactory prohibitory measure.

GEORGE JACKSON, *Chairman*.

D. M. KENNEDY, *Secretary*.

REPORT OF THE COMMITTEE ON SABBATH OBSERVANCE.

We rejoice to know that the people of our land are interested in the question of Sabbath Observance as never before. have not been circulated on all our fields. However, petitions have been signed and forwarded to Ottawa from some of our Circuits, requesting the Dominion Parliament to take such steps as may secure the total abolition of railway and steamboat traffic on the Lord's Day. This movement has drawn the attention of the people to the wholesale violations of the Sabbath; has moulded public opinion on this great question; has led many of the people, deprived of the benefits of the Sabbath, to hope for their return, and has drawn from some of the railway presidents declarations of their readiness to reduce said Sunday traffic to the minimum demanded by public opinion. Our legislators have been brought to see and feel that legislation must be forthcoming that will secure a better observance of the Lord's Day.

We would urge our ministers and members to do all in their power to prevent the Sunday visiting and the pleasure seeking so commonly practised, and to use their influence in every way they can in putting an end to all unnecessary work on the best of days that God has given.

We would recommend that the Conference appoint a committee to confer with committees that may be appointed by other Churches to secure the better observance of the Sabbath. We would also recommend that the Committee consist of the following, viz.: Revs. Dr. Ryckman, J. Philp, J. M. Hodson, M.A., and Messrs. Wm. Bowman, of London, and James Beattie, of Sarnia.

REPORT OF COMMITTEE ON STATE OF THE WORK.

1. We are humbled before God that we cannot report a greater net increase in our membership.

2. In regard to our Connexional Funds, we regret to find a decrease in the Educational and General Conference Funds, and we would urge upon the Church a more liberal support. On the other hand, we rejoice to find an increase in the Missionary and Contingent Funds, as well as that of the Superannuation Fund.

3. We recognize the success which has attended the labors of our special evangelists in winning souls. Yet we deplore the growing disposition to seek after, or rely upon evangelistic agency outside of the regular pastorate, believing, as we do, that if our people would rally around their ministers there would be abundant success in the Lord's work; and we respectfully suggest that our Circuits rely more fully upon the blessing of God in the ordinary means of grace, especially the preaching of the Word, class and prayer-meetings.

4. We also rejoice in the increasing prosperity of our Sunday-schools.

THE EDUCATIONAL COMMITTEE.

Having considered all the cases of Probationers recommended by the several District Meetings for attendance at college, the Committee named the following to attend:—

Victoria College.—A. H. Going, Wm. McMullen, H. A. Wigle, W. J. Smith, C. P. Wells, S. H. Anderson.

Montreal College.—Richard Whiting.

In amendment to the above Report, it was moved by Rev. W. W. Edwards, seconded by Rev. John Holmes,

"That, as Bro. Richard Whiting is purposing to pursue the Arts Course of Victoria College, and has been preparing himself to matriculate in the same, he be allowed to attend Victoria College, Cobourg, instead of Montreal College." Amendment carried.

Moved by Rev. W. McDonagh, seconded by C. A. B. Powell,

That the Report, as amended, be adopted. Carried.

THE ANNUAL ADDRESS

OF THE

LONDON CONFERENCE OF THE METHODIST CHURCH

TO THE

CHURCHES UNDER ITS CARE.

DEARLY BELOVED BRETHREN,—The established custom of sending forth an annual letter from the seat of Conference to the members of our Church is designed to be helpful and suggestive, to enkindle greater zeal in all our hearts towards Connexional interests; to awaken, strengthen and increase our faith in the great verities of religion, and to bind all our hearts together in Christian fellowship and sympathy, as “laborers together with God” in heralding “the truth as it is in Jesus,” not only throughout the bounds of our own Conference, but also in the “regions beyond,” where God has placed before us open doors.

The review of another ecclesiastical year awakens profound thanksgiving to God. Thousands have been guided into the first stage of Church life and “received on trial;” and yet so numerous have been the defections and withdrawals from the membership of our Church, that after the toils and self-sacrificing labors of ministers, local preachers, class leaders, and other “fellow laborers,” we have to record the painful and startling fact that only seventy-three of an increase can be reported in the membership of our Conference, while more than one District reports a decrease in their membership roll. Can it be possible that we are barely holding our own? When shall the outlying population be reached and saved? Is there danger in encouraging superficial work in our revival services?

We cheerfully recognize the value and helpfulness of regularly appointed evangelists, whose doctrines and methods are in harmony with our own views and teachings. But we desire to remind you that the whole Church cannot wait for the coming of special messengers, and we would emphasize the Scriptural admonition to every pastor, “do the work of an evangelist,” and would urge all our members to rally around their own pastors with as much fervor, zeal and faith as they are wont to manifest when other laborers are present, that we may have constant accessions to the Church, and “times of refreshing from the presence of the Lord.”

We are more and more concerned to foster and develop a love for wholesome literature in our Sabbath-schools, and in the homes of our people. One of the clearest thinkers and closest observers of this hour, whose position and facilities enable him to form a correct judgment, says of the Methodist people: “In the old time our people read the Bible and the standard works more than they do now.” There can be no question

that this age is specially an age of wonderfully cheap reading. Our publishing house will supply wholesome, nutritious and valuable books. Our Chautauqua Circles furnish the stimulus of combined competitive study. Our Sabbath-school papers are the best and cheapest published. Let every school and family be well supplied, and well read on all of Connexional questions, so that we may have that generous support and hearty loyalty without which a Church cannot grow and increase.

While in many respects we have occasion for rejoicing over our well-observed Canadian Sabbath, yet we are painfully aware of serious impediments still operating against the full realization of our hopes. We are grateful for any legislative enactments looking towards a better observance of the Lord's Day, and we sincerely hope that you will readily give the aid of your sympathy and name towards any effort to secure an early closing of business on Saturday evenings, and thus help on the desirable movement towards a better observance of the Sabbath.

We "rejoice with trembling" in the fact that the great cardinal doctrine of the Bible, and of our Church, the glorious doctrine of "perfect love," is at this hour arresting the attention of many minds, and has been prominently presented in our religious periodicals. We affectionately admonish you, dear brethren, that this sacred doctrine is not to be understood, and realized, by debate and controversy. "If any man will do His will, he shall know of the doctrine." While gratefully recognizing that in the Church of to-day God has not left us without clear witness and faithful expositors of Biblical teaching on this vital and all important subject; yet, for definiteness of expression and harmony of thought with the only recognized standard of all doctrine, the "Word of God," we direct your prayerful meditations to the writings of our venerated founder, John Wesley. We devoutly pray that upon our ministers and the Church may rest not only the spirit of intellectual activity searching for the truth, but that, in larger measure than ever before, there may come the conscious experience of Divine indwelling, and an abiding realization of that "perfect love" which "beareth all things, believeth all things, hopeth all things, endureth all things, and never faileth."

The educational work of the Church should always occupy a warm place in the affections of the Methodist people. The noble men of the generation just passed away made many sacrifices, endured great privations, and performed multiplied labors to establish and maintain the universities, the three theological schools, and the various other institutions of learning for both sexes, which to-day are exerting their wholesome influence upon the whole country; and especially upon the rising ministers and the youth of our own Church. Almost entirely, at the present time, the ranks of our ministry are filled, and our missions manned by graduates and students from the halls of these institutions. Among these educational agencies, Victoria University, the oldest and most important, she has already received a larger amount of aid and sympathy than at any other, still comes before the Church for the support she must have in order to the satisfactory accomplishment of her magnificent work. There has never a time in her history when our people were called upon by the circumstances of the hour, to rally more enthusiastically and confidently to her aid than at the present. The General Conference of our Church has authorized the removal of the Institution to Toronto, for confederate

with the Provincial University. This step will require a large amount of financial assistance. Will not the intelligent and devoted Methodist people furnish whatever may be necessary to give power to this arm of the Church's service? While we commend to your general support the annual educational collections and subscriptions designed for the maintenance of our theological schools, and the assistance of our young ministry, we urge especially your favorable consideration of this movement to place the university itself in a position of permanent and glorious usefulness. Do not suppose that the work of our university and of the theological schools is outside the proper domain of church work. If we want to maintain our efficiency as an evangelizing Church we must lay increased stress upon our educational operations. The best and most intelligent men and women in the Church in time past have set apart large sums for Christian education. The pulse of benevolence in this respect is beating more strongly to-day than ever before. With unprecedented liberality leading men in all the Conferences are contributing for this grand and Christian object. Let all the people help.

Suffer us to urge you to an unflinching, uncompromising adherence to the principles so often asserted in our Conference gatherings, "Total abstinence for the individual, and Prohibition for the State." There is need for vigorous, determined, and united action by all the friends of truth, righteousness, law and order, that no foot of ground gained from the ever active foe may be lost. This traffic is still "the sum of all villainies," and we quote with great satisfaction the language of supreme authority in the great Methodist Episcopal Church, "This traffic can never be legalized without sin. The only proper attitude towards it for Christians is that of relentless hostility. No temporary device for regulating it can become a substitute for prohibition. License, high or low, is vicious in principle, and powerless as a remedy."

We are greatly cheered in recording the work of the year, as presented in our Sabbath-school Reports. More than one thousand children have been converted during the past year.

Let there be no Sabbath-school without catechumen classes, where the lambs of the fold may be kept in the fold, and the children of the Church may grow up as trees of righteousness, of God's own right hand planting. We plead once more for the introduction of our Catechisms into all our schools. Plant early in life the germs of truth and sound doctrine in youthful minds, and in later years we shall have strong Christians, able to answer questions concerning their faith.

And now, beloved brethren, once more we are face to face with the trials and triumphs of another Conference year. What resolves, questionings, hopes, and fears agitate our hearts! "In the name of our God we will set up our banners" Let us hope for glorious success. Let us expect "great and mighty things." Let us guard against dependence upon machinery and means. Let us cherish unwavering faith and confidence in the power of God, and look for the baptism of the Holy Ghost. Let us be far from satisfied with the mere perfunctory discharge of religious duty; but, filled with holy zeal, and with hearts inspired with love, let us see to it that every class-meeting, every prayer-meeting, and the more public services of the sanctuary and Sabbath, are all seasons of revival and spiritual uplifting; so that we may have in all our churches, not only a six

weeks' season of special revival service for the salvation of souls ; but also, that as pastors and churches, we may rejoice in the constant manifestations of the working of the Spirit of God in the regeneration and sanctification of the people. Could we reach this sacred altitude of perfect self-surrender, of complete, entire consecration to God, of willing, cheerful compliance with all the Master's commands, then we shall all see "signs and wonders," and our glad hearts shall join in the grand old apostolic doxology to the all-conquering God of Israel's armies. "Now, thanks be unto God which always causeth us to triumph in Christ, and maketh manifest the savor of His knowledge by us in every place."

SPECIAL RESOLUTIONS.

Book Steward.

It was moved by the Rev Dr. Sanderson, seconded by the Rev. J. G. Scott, and

Resolved,—That this Conference has listened with great satisfaction to the statement of the Rev. Dr. Briggs, our efficient Book Steward, and rejoices that in a year of more than usual commercial depression, he has been enabled so to conduct the affairs of the Book Room as to present a financial exhibit of the year's operations so entirely satisfactory to the Conference, and trusts that continued prosperity may attend the efforts of our indefatigable Book Steward in the years to come.

Editor.

It was moved by Rev. Dr. Pascoe, seconded by Rev. Dr. Ryckman, and

Resolved,—That as a Conference we have listened with much interest to the able address of the Rev. Dr. Dewart, Editor of the *Christian Guardian*. We assure him of our high appreciation of the ability and wisdom with which he fulfils the duties of his important office, pray that God's blessing may continue to rest upon his labours, and pledge ourselves to hearty co-operation to increase the number of subscribers for our Connexional paper.

Whitby Ladies' College.

Moved by Rev. Dr. Ryckman, seconded by Wm. McDonagh, and

Resolved,—That the Conference is pleased to welcome the accomplished Principal of the Ontario Ladies' College in his present visit, and to listen to his statements respecting the work and position of the institution over which he so ably presides. We are gratified with the report which has been presented, and are delighted to believe that there is before the college—so well equipped and conducted—a long and resplendent career of prosperity and usefulness.

Mount Elgin Institute.

On motion of Rev. J. R. Gundy, seconded by Rev. Joseph Philp, it was

Resolved,—That we have heard with pleasure the statements of Rev. W. W. Shepherd, Principal of Mount Elgin Industrial Institute. We rejoice in the fact that a gracious revival was enjoyed during the year, and also in the assurance that the financial position of the institute is very satisfactory, and we earnestly pray that continued blessing and prosperity may attend the institution in the future.

The Wesleyan Ladies' College.

It was moved by the Rev. Dr. Sanderson, seconded by the Rev. Dr. Pascoe, and

Resolved,—That we cordially welcome among us the Rev. A. Burns, D.D., LL.D., the Principal of the pioneer ladies' college of the Dominion—the Wesleyan Ladies' College—and having heard the report of that in-

stitution we rejoice in its continued prosperity. The elevating and refining influences of the College have been seen and felt throughout our entire Church and country. We rejoice in the grand work it has done, and would assure its gifted Principal that he will always be welcome to the London Conference, and heartily wish him and the institution over which he presides the highest prosperity.

Also that his report and this resolution be inserted in our Minutes.

Report of the Wesleyan Ladies' College, Hamilton.

The Directors of the Wesleyan Ladies' College would greet the members of the Toronto Conference.

The College cannot come now, as it did for years—alone, as the only Ladies' College in the Dominion, that had a regular curriculum followed by a degree. Indeed, it was one of the first in the world that aimed so high or claimed so much for women. Nor can it now come as the only one in our own Church, for they have so multiplied that the competition for patronage is as keen as in any commercial calling.

We come, as usual, to greet you, and to assure you of our sympathy and co-operation in your great work. Ours differs from yours, but it is both preparatory and auxiliary to it.

Our course of study, as you will see from our catalogue, is both broad and practical. The mastery of it will imply a familiarity with the leading lines of culture of the present day. We are satisfied that if the graduates of the Literary Course had a fair equivalent allowed for the extra work they had done in Music and Art, their work would be found fully equal to that required for the ordinary B.A. An equitable system of education would make such allowance.

But we believe that the study of the Scriptures should run all through a Christian education. In the preparatory year our junior pupils become familiar with the Gospel by Matthew. In the Academic year they take the Acts of the Apostles, thus finishing New Testament history. In the College Course begins a closer study of the Scriptures, their history, chronology, authorship, etc. In the first year, to the Psalms; in the second through the Old Testament; in the third year, the history, chronology and authorship of the New Testament, and in the senior year, Biblical MSS., the Canon, versions, etc., will be discussed. We do not know any course, not strictly theological, that gives such an acquaintance with the Scriptures. The course of study embraces Natural Theology, Evidence of Christianity and Ethics. We call your attention to this line of study as cognate to your own work and auxiliary to it.

Our work in Literature, Music and Art is well known, and constantly growing. Next year will introduce some marked improvements. We have put into our catalogue all that any student can safely carry; more than that would be foolish display. We have graduated over 220 in the full Literary Course. These ladies have played a very important part in the educational interests of our country. A good class will be added this year, and several graduates in Music and Art.

The institution is, as you know, on a strictly self-sustaining basis; has never asked nor received any Church aid. Its founders intended to save the Church from financial responsibility for woman's education, and

rings, we ask for your sympathy and good word, so long as we merit it.

Regarding the government and discipline of the College, it may suffice
say that the development of self-respect, and the allowance of a liberal
titude for innocent relaxation, accomplish all that is needed. During
e twenty-seven years of its history, no accident or mishap of any kind
s befallen any student in attendance.

The saddest part of our report is the announcement of the death of
e President of our Board, Dennis Moore, Esq., also of two others of our
oard of Directors, Dr. Nelles, and Dr. S. J. Hunter—three of the heavi-
t losses that Canadian Methodism has ever sustained in one year. Their
mes were as household words, wide as the Dominion.

Extending to you all a cordial invitation to visit the College, and
suring you of our respect and esteem, we are, dear brethren,

Your fellow-workers,

W. E. SANFORD, *Vice-President of the Board.*

A. BURNS, *Secretary.*

Alma College.

It was moved by Rev. Dr. Ryckman, seconded by Rev. J. V. Smith,

Resolved,—That this Conference has listened with great pleasure to the
report of the Alma Ladies' College, St. Thomas, presented by the Prin-
cipal, Rev. B. F. Austin, B D, and to the remarks of Colin McDougall,
Esq., Q.C., relating to the prosperity and growth of the institution, the
largement of the buildings during the past year, the increase of the
number of students, and the very satisfactory state of financial affairs.

The Conference cordially sympathises with the College in the noble
work she is most efficiently prosecuting, and in the future, as in the past,
will heartily render the aid, as far as possible, which she so richly merits,
and will look forward with confident expectation to a constantly enlarging
and brightening career of usefulness and power in this important depart-
ment of our Church's work.

Woman's Missionary Society.

It was moved by Rev. Dr. Ryckman, seconded by Rev. J. G. Scott,

Resolved,—That this Conference having received a communication from
the Secretary of the Western Branch of the Woman's Missionary Society,
and having heard the statements of the Rev. J. W. Annis, B.A., in sup-
port of the same, begs to assure the ladies of the Church engaged in this
able auxiliary work of its cordial sympathy and purpose to promote, in
every practicable way, their efforts in co-operating for the evangeliza-
tion of the world.

In Memoriam, Dr. Nelles.

It was moved by Rev. Dr. Ryckman, seconded by Rev. J. V. Smith,

Resolved,—That this Conference desires to embrace the opportunity
afforded by its first session following the lamented decease of the late

Chancellor of Victoria University, the Rev. S. S. Nelles, D.D., LL.D., to place on record its high estimate of the noble Christian character, life and work of the eminent man who for the long period of thirty-seven years stood at the head of our principal educational institution, and directed its operations.

His practical wisdom as an administrator in college affairs could not fail of success in that department; the kindness and geniality of his brotherly heart gave him a warm place in the affection of the hundreds of young men and women who, as students, came under his influence.

His correct opinions and skilful labors, as an educator, placed the training of the mind on that high Christian platform on which it ought always to stand for the development of a true manhood; and higher still, his eloquence and power in the pulpits of the Church qualified him for more than ordinary usefulness in advocating the claims of the institutions of our Church at large, but chiefly our educational work, to which his great abilities were consecrated with singular industry and zeal.

While we bow solemnly and submissively to the arrangements of an all-wise Providence, we recognize the greatness of the loss the Church has sustained in the removal, at the summit of his influence, of one who was so useful and so greatly beloved.

We pray that the riches of Divine blessing may abide upon the family that has been so sorely bereaved, and upon the University whose interests he labored so earnestly to promote.

Missions.

On recommendation of the Stationing Committee, Morpeth was constituted a Mission.

VOTES OF THANKS.

Ex-President.

It was moved by Rev. Dr. Ryckman, seconded by Rev. William McDonagh, and

Resolved,—That this Conference desires to place on record its high appreciation of the efficiency with which the duties of the Presidency have been discharged during the past year by the Rev. W. S. Pascoe, D.D. His Christian courtesy, his experience and ability, his activity and attention to the varied interests of the Church, have laid the Conference under obligations of gratitude and respect which cannot be forgotten. The Conference presents, hereby, its thanks to its honored ex-President, and prays that his life may still be preserved for many years, to be devoted, with his accustomed zeal and success, to the loved and exalted employment of preaching the Gospel of our beloved Lord.

Ex-Secretary.

It was moved by the Rev. William McDonagh, seconded by the Rev. J. R. Gundy, and

Resolved,—That the hearty thanks of the Conference be tendered to the retiring Secretary, the Rev. B. Clement, for his very efficient services during the year.

Resolved,—That the thanks of the Conference are due, and are hereby presented, to the Assistant-Secretaries, the Journal Secretary, and the Committee on Statistics, for their valuable services rendered to the Conference last year.

Pastors and City Churches.

Moved by Rev. George Brown, seconded by Rev. J. A. Ivison, and

Resolved,—That the thanks of the Conference are due, and are hereby presented to the Pastors and friends in this city who have so kindly extended their hospitality to the members of the Conference during its sessions.

The generous manner in which their homes have been opened has been appreciated by all, and we can assure our friends that, as Ministers and Lay-delegates, we shall carry to our homes pleasant memories of this Conference held in London, and that this resolution be read by the Pastors of our churches in the city on Sabbath next.

Dr. Pascoe and Dr. Ryckman.

It was moved by Rev. Dr. Sanderson, seconded by Rev. William McDonagh, and

Resolved,—That the cordial thanks of this Conference are due, and are hereby presented, to the Rev. Dr. Pascoe and the Rev. Dr. Ryckman for the faithful and able manner in which they discharged the important duty assigned them by this Conference in prosecuting, before the Court of Appeal, the appeal entered by the London Conference against the legality of a certain transfer from the Toronto to the London Conference, such appeal being against the method of transfer, and not against the member transferred.

MISCELLANEOUS RESOLUTIONS.**Billeting Conference.**

It was moved by Rev. T. R. McNair, seconded by Mr. Wm. Orme and

Resolved,—That the resolution of last year requiring the members of Conference to report to the Secretary of the Billeting Committee within a time published in the *Christian Guardian*, if they desire billets, be reaffirmed.

Collection in Aid of Contingent Fund.

It was moved by the Rev. George Brown, seconded by the Rev. W. H. Shaw, and

Resolved,—That in view of the increasing claims on the Contingent Fund, from year to year, this Conference would hereby strongly express its sense of the importance of observing the usage of taking up two collections on each circuit during the year, and of urging our people to greater liberality on behalf of the fund.

Lay Delegates to be Notified.

It was moved by Rev. Dr. Sanderson, seconded by Rev. W. W. Edwards, and

Resolved,—That in the future it shall be the duty of the Secretary of the District Meeting to notify all the laymen elected to the Annual Conference of their election, who were not present at the District Meeting at the time of their election.

Pulpit Supply.

It was moved by Rev. George Brown, second by Rev. B. Clement, and

Resolved,—That each minister shall be responsible for the services on the Circuit he is about to leave, for two Sabbaths after the rising of Conference, thus making the first day of July the Sabbath for the minister removing to be on their new circuits.

Place of Holding Next Conference.

It was moved by Mr. A. B. Powell, seconded by Mr. C. J. Beale, and

Resolved,—That the Conference of 1889 be held in the Dundas Street Church, in the City of London.

Fraternal Meeting of Conferences.

It was moved by Rev. A. Langford, seconded by Rev. W. Rigsby, and

Resolved,—That, whereas Niagara Conference has decided to meet in the town of Ingersoll next year, and this Conference will meet in the city of London, that we extend a cordial invitation to the members of the Niagara Conference to arrange, if possible, to visit this Conference during its sessions at whatever time may be decided upon by the Presidents and Secretaries of both Conferences.

NEW AND COMPLETE BIBLE COMMENTARY

CRITICAL, EXPLANATORY AND PRACTICAL.

BY

JAMIESON, FAUSSET & BROWN.

In Four Large 12mo. Volumes of about 1,000 pages each

WITH NUMEROUS ILLUSTRATIONS AND MAPS.

It is far in advance of the Older Works.

It is Critical, Practical and Explanatory.

It is Compendious and Comprehensive in its character.

It has a Critical Introduction to each Book of Scripture, and is by far the most Practical, Suggestive, Scientific and Popular Work of the kind in the English language.

Please notice that this is the *only* Commentary upon the whole Bible published at a moderate price. It is, therefore, within reach of the masses, who no Commentary published is so highly commended or so well adapted for the home, the teacher or the preacher, when a practical, concise, critical and spiritual work is desired.

The work is printed from new electrotypes plates, on fine toned paper made expressly for this work, and sold at the following extremely low prices:

In Extra Fine English Cloth, sprinkled edges, the full set, \$ 8.00

In Half Morocco, the full set - - - - - 10.00

The unqualified commendations of this Commentary, from the highest sources, together with its already extensive and rapidly increasing sale, have given it a position in the religious world superior to that of any similar work and prove conclusively that it will soon be universally adopted by Sabbath school teachers and Bible readers generally, to whom its use has now become indispensable.
