Winter is upon us once again and do you know what that means? . . . "Cartoon Carni '83." The UNB Winter Carnival will kick off Wednesday, January 12. Guaranteed enjoyment for everyone involved.

Events start on Wednesday, January 12 at 2:30 behind Tibbits with a Blue Hunt. A Blue Hunt is sort of a scavenger hunt but for a large amount of one item. 300 Beer caps will be hidden around the UNB fitness trail and they are redeemable for one refreshment per cap.

At 6:30 the fun starts at Buchanan Field with Beaver Bogganing and Tire Tubing. Beaver Boggans are limited in supply so it may be a good idea to bring your own. Dress warm (you may want to bring a little wind-chill juice) and come on down!

Following the tobogganing party the official ceremonies will take place at the Ice Castle built by our engineering faculty on Buchanan Field. Dignitaries will be on hand to officially open Cartoon Carni '83. Immediately after the opening torches will be provided and a parade will com-

mence and wind its way throughout campus ending at the SUB where hundreds of helium balloons will be cast off.

Wednesday's activities will conclude at the SUB cafeteria for a Speedy Gonzales PUB featuring Tequila - only \$3.00.

Thursday, January 13, is sports day and featured events will include skating, a hockey game, tug of war, three legged races, and much much more! During the day you will see such characters as the Hostess Munchie and Toulouse the CIHI Moose.

At 3:00 p.m. on Thursday, judging of snow sculptures will begin. Prizes donated by Moosehead Breweries.

The Social Club Mug Day and Happy Hour will begin at 4:00 p.m. and last until closing. Our very own Carnival Mugs will be sold all day. Buy one at the price of \$2.75 and get a Labatt's Blue free.

Thursday evening you are invited to go for a sleigh ride. The cost is \$2.75 per person and includes bus fare out and back, and the sleigh ride. Dress warm and have some
