I, CHESTER PROUTY, Clerk of the Municipality of Stephen, in the County hereby certify that parts One and Three of the within List, constitute a correct year 1878 of all persons appearing by the last revised Assessment Roll of the said Mun. to be entitled to vote at elections for members of the Legislative Assembly, and that parts One and Two constitute a correct List for said year of all persons appearing by the said Roll to be entitled to vote at Municipal Elections in said Municipality.

And I hereby call upon all Electors to examine the said List, and if any omissions or other errors are perceived therein, to take immediate proceedings to have the said errors corrected according to law.

Dated this 12th day of July, 1878.

CHESTER PROUTY,
Clerk.

VOTERS' LISTS---1878.

TOWNSHIP OF STEPHEN

(COUNTY OF HURON).

LIST

of Persons entitled to Vote at Municipal Elections and Elections to the Legislative Assembly.

Sub-Section 4 of Section 2, of the Act to Consolidate and Amend the Law respecting Voters' Lists.

The Board shall immediately upon receipt of his report cause one of them to be posted up in the office of the Clerk of the Peace, upon receipt of his report, and another of them to be posted up in a conspicuous place in his office; every Public or Separate School Board shall also cause one of them to be posted up on the door of the School House, and another of them to be posted up in the office of the Clerk of the Peace. R. S. O. 11, c. 10, s. 4.

The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"); or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Technical and Bibliographic Notes / Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.
