

BRITISH NAVY VESSELS HERE

Sloops of War Valerian and Wistaria are Given Welcome

They are Berthed at Pettigill and McLeod Wharves— Plans for Stay.

The British sloops of war, H. M. S. Valerian and Wistaria arrived this afternoon soon after 1 o'clock and docked at the Pettigill and McLeod wharves. Harbor Master Frank Alward went out on a tug and met the incoming warships and made all arrangements for their berth.

ARE GREETED. The executive of the N. B. branch of the Navy League met this morning and made final preparations for the visit.

Representatives from the executive, including R. E. Armstrong, president; Captain A. J. Mulcahy, vice-president; and J. C. Schottel, secretary; H. C. Schottel, treasurer; and G. E. T. Sturges, a former president, all visited the ships this afternoon and heartily welcomed the visitors.

Arrangements have been made so that the men will be admitted free to the theatres, read on the streets and ferry without charge, and have the usual other courtesies that are extended to visiting sailors from H. M. warships.

A luncheon will be given next Monday evening for the officers of the warships. The officers will also be welcomed at both the Riverside and Westfield Golf Clubs.

Mayor Potts called soon after the warships arrived and officially welcomed the officers and men to the city. While both vessels are berthed on this side of the harbor at Pettigill wharf, Harbor Master Alward said this morning that he might have to shift one of them to the West side for part of the stay.

It was at a special request from the commander of H. M. S. Wistaria that they be given a berth on the East side that it was decided to place both vessels on this side at present.

The arrival of the two warships was watched with interest by many citizens along the waterfront. Arrangements will be made so that the vessels may be thrown open to the public during certain days of their stay here.

Capt. P. W. King is commander of the Wistaria and senior officer of the fleet and Capt. W. Usher is in command of the Valerian. The second-in-command of the Wistaria is Lt.-Commander C. G. Gray. The ships will coal tomorrow and after they will be open to public inspection.

MEIGHEN DECLARES ELECTION DEMANDED

Says His Candidacy at Portage La Prairie in Hands of Electors.

Canadian Press. POPULAR POINT, Man., Aug. 12.—A large crowd welcomed Right Hon. Arthur Meighen on his first public appearance for many months in his former constituency of Portage La Prairie last night. Regarding his possible candidacy in Portage La Prairie, Mr. Meighen said he could not decide that without consulting his constituents in the county of Grenville.

The choice of a candidate for Portage La Prairie was entirely in the hands of the electors, and whether he would submit his name to the nominating convention would depend upon circumstances which have yet to be decided, he said.

At the opening of his speech, Mr. Meighen declared: "I want you to take it from me that I bear no ill feeling or resentment at all for the defeat I received in Portage La Prairie in 1921. I would be an inveterate indeed to remember the one defeat and forget the four victories."

"This country demands a decision now. You can hear the voice of Canada from province to province."

Epidemic Risked By Boy's Prank

LONDON, Aug. 12.—A research room at St. Thomas' Hospital, in which animals are kept for experimental purposes, has been broken into by a party of boys.

They opened several cage doors and finally closed nine white mice and took them away. Before leaving they chalked "The Kelly Gang" on the floor. Fortunately the mice had not been infected. Next to their cage was one containing guinea pigs infected with diphtheria. If these had been taken away they might have begun a very serious epidemic.

PLEASED WITH CITY. Mr. and Mrs. G. Miles Edgett of Maden, Mass., who have been guests of Mr. and Mrs. E. L. Rising, are very much pleased with their old home city. They speak in glowing terms of the city and of the general clean appearance of the city, the squares and parks. They praised especially the two bridges at the Revereing Falls and the Admiral Beatty as great attractions. Mr. Edgett reports that the roads which they have motored are excellent. They will leave today to visit in Albert county, and on their return they will call on Mr. and Mrs. Rising back with them to Boston for a visit.

AFTER 27 YEARS. When Nathan Levine of New York stepped off the American train in St. John here today he was especially honored by being greeted by his first and only grandson, tiny Master Gilbert, son of Leo Gilbert, Charlotte street, four years old. The little fellow is only ten weeks old, but being the first male grandchild in a family of grandchildren in various cities, the meeting was an auspicious one. Mr. Levine lived in Saint John twenty-seven years ago, but has not been back here since. He is a successful dealer in electrical fixtures.

BOY IS INJURED. William Curtis, aged 12, of Gullford street, West Saint John, was hit this morning by an automobile and had his hip badly cut and leg injured. The boy was driving on a road with Beverly Grass, who drives a team for J. A. Gregory and who had taken the boy with him to South Bay, where the accident occurred. William was rushed to the General Public Hospital, the automobilist taking him there and explaining that the accident was unavoidable, as the boy had jumped or fallen from the team and was in the way of his car, before he could put on the brakes. It was found that no bones were broken. The boy was taken to his home from the hospital.

MORE HARVESTERS AWAY. Two more C. P. R. harvest trains left yesterday for the west, making five trains pulling out of this city within 24 hours. The C. P. This train left Saint John at 8:45 o'clock yesterday. The other train left at 10:10 o'clock with 680 harvesters. This brings the total number going via C. P. R. from New Brunswick up to 2,078. The one train from this city via the C. N. R. left at 7 o'clock yesterday morning. This train picked up about 600 on the Valley and Transcontinental lines.

CONFERENCE HERE COMES TO END TODAY

Christian Church Committee Gathering in Coburg Street Church Concludes.

Addresses of inspiration were delivered at the evening session of the continuation committee of the Christian Church in Canada in Coburg street church yesterday, when the speakers were G. L. Hoover, Indianapolis, Ind., secretary of the Board of Education, and Grant K. Lewis, of St. Louis, Mo., secretary of the home department of the U. G. M. S. The committee held three sessions yesterday and will conclude its meeting this afternoon. George H. Stewart, of Winnipeg, presided.

WOMAN'S ADDRESS. Miss M. V. Royce gave a fine address on special training for women, which was well received. She said it was necessary to have graded materials and for the teachers to be specialists, understanding and sympathizing with their pupils and ready to include wide-spread activities in their programs. She thought greater emphasis should be placed on missionary education and work.

Miss Royce came to Saint John for the conference directly from the summer school of religious education for Lambton county, Ont., where she was a member of the staff. She has also lectured in a C. G. I. T. camp and directed another camp for the Ontario Girls' Work Board.

EVENING SESSION. At the evening session there was a large audience, and Mr. Keany conducted a song service. Mr. Hoover spoke on "Our Commitment to the Great Commission." The committee was then given by Christ after His resurrection and was the charter of the Christian Church.

Mr. Lewis spoke on the way the disciples had endeavored to carry out the challenge of the commission. They had been an evangelistic people until they are the fifth religious body in the United States. During the last three years they had had all Protestant bodies in the ratio of their increase through evangelism. Throughout their history they had consistently adhered to scriptural truth and for the church and mission of the Word of God alone, refusing to accept any formal creed, because of their divisive nature. They were not only evangelistic but maintained missionary activities in their own lands, and had over thirty colleges. They also maintained homes for the orphan and aged.

SOME DELEGATES LEAVE TOMORROW

Rebekah Assembly Members Have Sessions Today—Social Events Tonight.

This morning's session of the Rebekah Assembly opened in the Pythian Castle at 9 o'clock. Mrs. E. Matzloff, of Toronto, retiring president, was in the chair and received reports of committees. These dealt largely with the constitution and by-laws and will be acted upon by the incoming executive, who will be installed this afternoon, at a meeting to be held after a drive to Rothesay.

This evening will be devoted to social events and in the morning one of the most interesting meetings of the season will be held, when the past district deputing committee will remain for the week-end to visit friends or to see more of the beauties of Saint John and its surroundings.

BODY OF DOCTOR NOT YET LOCATED

Search by Diver is Discontinued and Grappling Parties Resume Work.

The body of Dr. Nelson G. Treuman, who was drowned at Westport, N. B., on the river Monday last, had not been brought to the surface up to 2 o'clock this afternoon. Diver Doyle has discontinued his search and grappling parties have resumed trawling.

Miss Mary Fulton, daughter of Rev. and Mrs. R. G. Fulton, who are enjoying their vacation at their summer home at Williams' Wharf, was in the city yesterday, accompanying Miss Elspeth Treuman, daughter of the late Dr. Nelson G. Treuman, who was drowned on Monday morning. Miss Treuman transacted business for her mother and accompanied her to the city. She will remain for a time. Mrs. Treuman and her daughters have rooms at 78 Sydney street with Mrs. L. B. Osborne and were spending their week-ends at Ketepec, when the unfortunate accident occurred which bereft them of a kind husband and father.

The Boston Post, referring to the river tragedy, says: "Dr. Nelson G. Treuman was attached to the State Department of Mental Diseases division for the examination of prisoners. His district was Essex county. He was a graduate of Harvard Medical School, 1908, and later specialized in neurology and psychiatry. He was for a number of years assistant physician at the Danvers State Hospital. In the fall of 1920 he opened a private sanitarium on the Gandy estate, Dearborn street, Salem, for mental cases. His home was at Temple court, Lynde street, Salem."

EXACT SPOT NOT KNOWN. After the grappling efforts of a half-dozen boatloads of people the day of the accident, Monday, those in charge of the work brought the diver from the city and Mr. Doyle walked back and forth amongst the ice on the river bed over an area of 150 yards. The exact spot where the body disappeared was not definitely understood by little Sue Treuman, who accompanied her father as he pushed away from his upturned canoe to swim for shore. The only witness to the tragedy from the shore was a tyot. Therefore searchers grappled over a wide stretch of water.

Funerals

Mrs. Daniel O'Hara. The funeral of Mrs. Rebecca O'Hara, wife of Daniel O'Hara of Moss Glen, died yesterday to St. Bridget's church, Chapel Grove, for high mass of requiem by her nephew, Rev. SAINT JOHN, N. B., AUGUST 12, 1923

A REVELATION.

Viscount Grey's recent articles in the World's Work, in the course of which he makes some rather surprising revelations concerning Ambassador Page who represented the United States in London early in the war, are causing a little storm among the American reviewers.

A BIG OPEN MARKET.

The Maritime Provinces are reminded from time to time, by men whose knowledge of the subject is not to be questioned lightly, that they are not yet fully alive to the value of the British market for their products.

It will be recalled that President Wilson, in the first stages of the war, proclaimed a policy of complete neutrality, to which he adhered down to the spring of 1917.

"Page came to see me at the Foreign Office one day and produced a long dispatch from Washington containing his own view as to what we were doing in stopping neutral goods going to neutral ports."

So far as Canada's trade is concerned, the tendency is toward more dealing with Britain and less with the United States, says the Toronto Globe.

A BUSINESS THERMOMETER. The retail merchant has as close and constant a knowledge as anybody concerning the purchasing power of a community.

It is proposed that the recipients of the information shall hold it in confidence. There is a suggestion that in some instances there is a tendency to regard business conditions as worse than they really are through a failure to note quickly enough certain indications of improvement which would give the merchant encouragement and a more confident outlook.

Herein years ago to-day Great Britain declared war on Austria.

Odds and Ends

More and Less

A correspondent sends to the Boston Transcript the following lines which he says the late Lord Leverhulme was fond of quoting:

A little more kindness, a little less pride, a little more giving, a little less greed, a little more smile and a little less cry.

A Famous Letter.

A celebrated Lincoln letter has been under discussion recently. This is the letter written by the President to Mrs. Bixby of Boston on being informed that she was the mother of five sons who had been killed in the Northern cause during the Civil War.

Dear Madam, - I have been shown in the files of the War Department a statement of the Adjutant-General of Massachusetts, that you are the mother of five sons who have died gloriously on the field of battle.

It is not reasonable that the United States should grant better re-funding terms to France than Britain was given, says the Toronto Star.

Winning the Peace. In 90 years of determined and relentless paying of her war indemnities, Germany will have regained far more than she lost in the war.

Some of the New Brunswickers who invested in Western real estate ten or eleven years ago will appreciate a paragraph in the Edmonton Journal.

Another Wage Row In Britain

LONDON, Aug. 11.—Almost before it had finished with the coal dispute the Government appears likely to become involved in another industrial dispute, the deadlock in the textile trade in Yorkshire, where nearly 200,000 operators have on strike for the last three weeks against a reduction of 8 1/2 per cent in wages.

CANADA'S HEALTH WORK IS PRAISED

Superior to Rest of World in Hospital Administration, She Says.

MONTREAL, Aug. 11.—The superiority of Canada over the rest of the world in the matter of nurses' training schools, hospital administration and public health work, was the fact that impressed her most at the International Congress of Nurses, held recently at Helsinki, Finland, and from which she has just returned, according to Miss Margaret L. Moag, superintendent of the Victorian Order of Nurses in Montreal.

BATHURST, Aug. 11.—The verdict of New Brunswick, as registered at the polls yesterday is a clear declaration that the people did not approve of the hydro-electric power at Grand Falls as public ownership enterprise.

Mr. McLean was speaking before an audience estimated at 8,000 people which organized the skating rink here tonight to celebrate the capture of New Brunswick's Government by the Opposition party.

EXPRESS REGRET.

The regret he had, Mr. McLean said, was of a small majority. Had the almost province-wide protest, instead that county had elected four men who might have done more for the regulation of the affairs of the province.

ORGANIZATION
ADVANCED AT
KNOX MEETING

Presbytery of Continuing
Church Concludes Ses-
sion in Saint John.

REV. W. M. FRASER OF
GREENOCK RESIGNS

Church Building, Financial
and Other Matters Are
Gone into

The Saint John Presbytery of the continuing Presbyterian church held a special meeting yesterday afternoon in Knox church hall arranged matters of detail in regard to the organization of the work of the Presbytery, the resignation of Rev. W. M. Fraser from Greenock church, St. Andrews, and to be brought before a special meeting. The establishment of an augmentation and was discussed and Rev. J. Macintosh, home mission superintendent, was asked to bring in a schedule for the alignment of the smaller congregations and the groups of non-congregating members. The schedule will be presented at the regular meeting to be held on Sept. 15.

After discussion it was decided to refer adjustment of Presbytery roll to the next regular meeting.

A committee consisting of the moderator, clerk and treasurer was named to deal with Presbytery assessments.

It was agreed that minority groups here to be represented in Presbytery by the representative each.

Rev. W. M. Townsend, moderator, presided and conducted devotional exercises. Those present were Revs. W. E. Townsend, J. W. Britton, John Hardwick, Finley G. Macintosh, R. Moorhead Legate (clerk) and Elders G. Murray MacLaren, Moses G. Lawrence, Thomas Baker, A. G. Gordon, W. A. Clark.

PRESBYTERY ROLL

After discussion it was decided to refer adjustment of Presbytery roll to the next regular meeting.

A committee consisting of the moderator, clerk and treasurer was named to deal with Presbytery assessments.

It was agreed that minority groups here to be represented in Presbytery by the representative each.

Rev. W. M. Townsend, moderator, presided and conducted devotional exercises. Those present were Revs. W. E. Townsend, J. W. Britton, John Hardwick, Finley G. Macintosh, R. Moorhead Legate (clerk) and Elders G. Murray MacLaren, Moses G. Lawrence, Thomas Baker, A. G. Gordon, W. A. Clark.

BUILDING PLANS

Mr. Townsend recommended the congregations not to be in a hurry to undertake the erection of church buildings. The continuing church would not receive its portion of the Presbyterian fund until the appointed commission adjudicates and could make no plans at present. However, Mr. Townsend felt that it was much more advisable to have a church than to worship in halls.

On the motion of Rev. Mr. Hardwick, seconded by Rev. W. J. Britton, he said St. Stephen congregation has commenced in building and recommended that the congregation exercise patience in the matter of undertaking building programs.

APPROVE NAME

On behalf of Fredericton continuing church W. A. Clark put the request that the name St. Andrew's church in Fredericton be approved. This was agreed and the action of the congregation in appointing elders and vestry was endorsed.

It was requested that the names of Presbyterian students attending the Normal School should be sent to Mrs. J. A. MacVey in order that the students might attend the summer school here which was understood St. Paul's congregation was endeavoring to get these students.

As Harvey parish had taken a common vote on union, not a separate vote for each preaching place as the law required, the vote was held to be illegal. It was decided to have Stanley and other places in outlying districts around Fredericton to come under the oversight of St. Andrew's church, Fredericton.

GOLDEN GROVE

With reference to Golden Grove Presbyterians who had written a letter in session it was reported Rev. Dr. James Ross had been petitioned to give a vote on union taken in Golden Grove. Thirteen communicant members of the congregation signed the petition. The vote had not been taken by ministers of the United church had sent to conduct services and Rev. M. Matthews named as interim moderator. It was pointed out the federal Act demands that a vote be taken before Dec. 10.

Circulars from the General Assembly of Administration made the appeal that the people of the continuing church in Canada raise \$250,000 in the six months of 1925. The forwarding of these circulars to congregations was approved. St. Columba congregation had sent \$40 to the general assembly.

The clerk was empowered to secure necessary roll book, minute book and printed stationery.

FUNDS ON HAND

The question was raised whether there was any Presbytery fund and it was stated there was \$25 on hand contributed by St. Andrew's church, Fredericton.

The resignation of Rev. W. M. Fraser, was received. Mr. Fraser, who in poor health, goes to Halifax for treatment on Sept. 1 and he wrote that it would be advisable to keep Greenock church open throughout September. As the resignation was not formally made and the congregation was not represented, Mr. Hardwick felt no action could be taken at that time. Dr. MacLaren agreed. A special meeting of Presbytery to deal with the resignation will be called later.

Mr. Britton spoke of the situation in Matthews' congregation and the need of rearrangement. Mr. Hardwick urged the establishment of an augmentation fund within the Presbytery as a temporary measure. Mr. Clark gave notice of motion that

MOLASSES IS
DUMPED IN U. S.

Sugar Producers Tempted by
Low Prices to Make
Syrup

50,000 PUNCHEONS TO
GO FROM BARBADOS

Washington Officials Cannot
Prevent Imports of Inferior Article.

NEW YORK, Aug. 11—The New York Journal of Commerce recently carried the following statement: "Something of a sensation has been thrown into the molasses trade—or it may prove such in the near future—by certain complaints filed with the United States Bureau of Chemistry by J. R. Mandeville of this city, an importer who has just returned from an extended visit to Barbados sugar plantations.

CRUDE PRODUCT MADE.
Mr. Mandeville claims that the low price of sugar and the high price of molasses has this season tempted the degree last season—tempted the sugar producers of that island to abandon sugar production and undertake making molasses on a large scale, but in crude and imperfect ways; then shipping it to this country and selling it as "Barbados Groceries Molasses" or "Fancy Molasses" thinly distinguished from the famous standard Barbados "Open Kettle" product the price and market for which it has pretty thoroughly wrecked just now.

Mr. Mandeville states that last year only about 2,000 puncheons of the product were shipped, but this year indications are that not less than 50,000 puncheons (110 gallons to the puncheon) will be sent to the United States and Canada. In a letter to Dr. C. A. Browne of the Bureau of Chemistry he says:

FORMAL CHARGE.
"The largest quantity of molasses now shipped from Barbados is manufactured in sugar factories. This molasses is made in vacuum pans, hence it is impossible to clean it of refuse. In order to give it a regular old time molasses color, they now use alum and sometimes sulfuric acid. A large quantity of this molasses has already been shipped to New York, Boston, Baltimore, Wilmington and Portland, Me., and has been distributed to grocers.

"This innovation in Barbados molasses has come about in order to break the price of the regular pure open kettle syrup which has been shipped here previously, and which is also made in Louisiana and Porto Rico.

LEGISLATION PLANNED

"The Barbados Government is about to pass legislation preventing sugar factories from manufacturing this molasses, in order to protect the good name of the Barbados Pure Open Kettle Syrup which has always found a ready market in the United States and Canada, but during this time there are about thirty thousand puncheons of factory molasses which will be shipped to this country and Canada before such legislation is passed.

"We are dealers in Open Kettle Syrup only and find it difficult to sell pure unadulterated molasses as against this factory stuff."

DEPARTMENT ATTITUDE

Dr. Browne frankly admitted that he knew of the substitution of factory molasses for the reputable product and pointed out that at the present time the matter is being investigated. In substance, his letter was as follows:

"We have for many years been aware of the fact that shipments of all-Bahamas molasses into the United States did not correspond with the Barbados designation. I called attention to this fact in an article which I published in the Louisiana Sugar Planter and Manufacturer in 1919.

"At the time of my visit there was a resolution before the Barbados legislature to amend the act of 1912 and make it permissible to designate a high grade vacuum pan molasses as Barbados Groceries Molasses. The opponents of this measure took the ground that calling a vacuum pan molasses 'Barbados Groceries Molasses' would injure the trade in fancy and choice molasses. Nevertheless, after considerable debating

he would bring before the next meeting a suggestion with regard to the establishment of a home mission fund for work within the Presbytery.

Weddings

Brown-Akerley.

On August 10, at the home of the bride's parents, in Brookline, Mass., Ethel, daughter of Mr. and Mrs. Scott Akerley, formerly of this city, became the bride of Ralph J. Brown, son of Mr. and Mrs. A. J. Brown of Brookline, Mass., also formerly of Saint John. The ceremony was performed by Rev. George B. MacDonald, pastor of the Victoria street Baptist church of this city, where the bride and her family formerly attended. He was assisted by Rev. J. H. Jenner, pastor of the West Medford Baptist church, Medford, Mass.

The bride, who was given in marriage by her father, looked very pretty in an ensemble costume of fawn with red fox fur, lawn picture hat and carrying white roses. A wedding reception followed the marriage ceremony, after which Mr. and Mrs. Brown left on a honeymoon trip to Saint John, where they will visit friends and relatives.

Mrs. Brown was formerly secretary in the office of the New Brunswick Automobile Association's secretary, J. C. Berrie, Canterbury street, and later was a member of the office staff of Oakes Dog Company of Boston. She was very popular among her young friends here and is being welcomed with great pleasure. Mr. Brown is employed with the United States Stores System, as manager of one of their stores in Belmont, Mass., and has made

many friends in his adopted home. He, too, is being heartily welcomed. Mr. and Mrs. Brown will reside in Belmont on their return there in two weeks.

Norwood-Rosen.

GAGETOWN, Aug. 11—At St. Anne's church, Fredericton, on Wednesday afternoon, August 8, Rev. Canon A. W. Sutherland united in marriage Miss Edith Rosen, of Oromocto, N.B., and John A. Norwood, of Gagetown. The bride was given in marriage by her father, B. R. Rosen, of Oromocto, who was a becoming costume of navy blue silk, trimmed with red lace, and a hat to match. There were no wedding attendants. Miss Alice L. Norwood, R.N., sister of the groom, was one of the guests. After a short reception, Mr. and Mrs. Norwood left for a wedding trip through the upper part of the province, and returned Monday to Gagetown, where they will make their home. Both young people have many friends who will wish them much happiness, and many handsome and useful gifts were received.

CHATHAM, Aug. 11—The death of Mrs. Mary Benson occurred here today. She was 88 years of age and was a well known and highly respected resident of the town. She had been in ill health for some time. Miss Benson is survived by a brother, P. H. C. Benson, of Ottawa; three sisters, Mrs. Susan Crombie, of Ottawa; Mrs. Martha Johnston, of Chatham, and Miss Sophia Benson, of Chatham. A niece, Miss Sophia Benson, also survives. The late J. Fred Benson, publisher of the Commercial, was a nephew. The funeral will be held here tomorrow afternoon. Services will be conducted at

Mrs. M. M. Hawkes
Mrs. Martha Hawkes, wife of the late John Hawkes, of Hillsboro, died on August 7, at her home in Hillsboro, Albert county, aged 90 years. She was especially bright and active for one of her years. Death was due to paralysis. She was the last surviving mem-

ber of her family. She leaves two daughters, Mrs. Bert Taylor, of Wakefield, Mass., and Mrs. Elias Hansen, of Hillsboro, Albert county. Mrs. Hawkes was a member of the Valley Baptist church, where she did active work until age hindered her attendance at worship and other services. The funeral services were conducted by Rev. A. S. Bishop, of the Hillsboro Baptist church, and interment took place in Curryville, where Mrs. Hawkes formerly resided.

DON'T USE ANTI-FAT REMEDIES
POOR digestion and overweight result from overeating.
Statistics have definitely shown that persons who are overweight when they get past 30 years of life have less chance of living long than have those who are normal or slightly overweight.

energy in the body. It can also be accomplished by regulation of diet so that less fat is consumed.
In reducing weight, however, one should go at it slowly.
Patent medicines heralded as fat removers should not be used.
They are dangerous and many have suffered serious consequences from their use.
Watch your diet carefully, drink plenty of good water and exercise often in the open air.

Adventures of the Twins

BY OLIVE ROBERTS BARTON
THE QUEER BUTTE DISH.

At last Juggie Jump and the Twins reached the Royal Palace in Tumble Town and asked to see the king.
"Who is just sitting down to lunch," said the footman with a hop, skip and jump. "But just come into the dining room and he can talk to you while he is eating."

Fashion Fancies

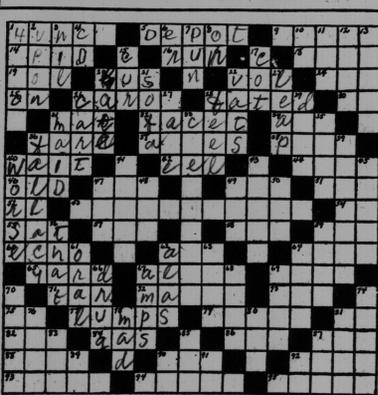

By Marie Belmont

THE white frock of the season favors bright colored trimmings. The model above is a dashing affair of white and bright red. The red note is furnished by chiffon, which makes flower appliques against the white, the flat bowers being outlined with fine gold thread.

FIRST SWEET CORN

The motorship D. J. Purdy I, making the river trip from Fredericton yesterday brought in her cargo the first sweet corn and the first green apples of the season. She had a fairly large number of passengers and a good sized freight. Her cargo included 200 bushels of potatoes, 150 barrels of cabbage and cucumbers, 20 bags of corn, 35 to 40 bags of cucumbers, several crates of ripe tomatoes and cabbages and some horses.

Bon Ami

Keeps white shoes looking like new!

For all kinds of white shoes—except kid—Bon Ami works wonders.
Put it on with a wet brush—let it dry—then wipe it off with a dry cloth. You'll find that all the dirt, dust and grass stains have disappeared. Just the fresh original whiteness remains—without any pasty, chalky streaks.

When the original whiteness finally has worn off your shoes, clean them first with Bon Ami, then apply a good white dressing. This avoids the ugly, grimy, clogged-up appearance.

Bon Ami also cleans windows, mirrors, white woodwork, aluminium, kitchenware, bathtubs, etc.—in fact, it has scores of uses throughout the house.

"Certainly, sir," said Juggie Jump. "He's the Fairy Queen's cook and he got so fat from tasting that his last button flew off and bounced over the hill to this place. Did you see it?"
"Dear, dear!" said the king of Tumble Town again. "I wish I had a coat like that. Then I could eat all I wished and not be afraid of getting too fat. I'd press the 'thin' button once a week and begin all over again. A present like that would be much more worth while than a butter dish."

The dancing frock of tulle is returning to favor, the skirt very full and bouffant with a short clostetting bodice.

Weed Seeds Sprout After Being Buried Nearly 25 Years; Throws New Light on Farming

WASHINGTON, Aug. 11—Many kinds of weeds will retain their growing power even though buried in the soil for 20 years or more, according to recent tests made by the United States Department of Agriculture.
Nearly a quarter of a century ago Dr. J. W. T. Duvel, then of the department seed laboratory, buried 107 different species of weed and other seeds with the intention of digging them up in later years and testing them for germination. They were buried at depths varying from 8 to 42 inches.
One year after they were buried a complete set of samples was tested. Not one of the cereal grains or legumes used for food germinated after a year of burial.
TESTED AFTER 25 YEARS.
Now, after nearly a quarter of a century, another complete sample of the seeds has been tested and 81 of the 107 species showed signs of life, practically all of which were weed seeds or the seeds of wild plants and grasses. The tobacco plant showed that it merited its popular reputation as a "weed" by germinating after 20 years of burial, 86 per cent of the sample.
Of all the seeds tested, that of the garden nightshade showed the greatest viability. Eighty-one per cent of the seed buried at a shallow depth, and 84 per cent of the deep burial sprouted.
Other weeds seeds that showed unusual viability were: the great mullein, 86 to 92 per cent; ragweed, 88 per cent; jimson weed, 85 to 78 per cent, and the broad leaved dock, 89 to 82 per cent.

2,000 OFF FOR WEST FROM N.S. AND P.E.I.

Many Women Amongst Harvesters Leaving Sister Provinces For Grain Fields.

HALIFAX, Aug. 11—There was an exodus of over 2,000 young men and women from Nova Scotia and Prince Edward Island today en route to the grain fields of Western Canada, according to figures compiled by the officials of the railroads handling the traffic.

Many of the married men took their families with them, hoping to find it possible to locate permanently in the West, and special cars were set aside for accommodation of the women.

There were two special trains from Prince Edward Island, one from Halifax and one from Cape Breton, while several hundred travelled by regular trains and boats from the western end of the province to connect with special trains from Saint John. They will all travel direct to Winnipeg.

U. S. Miners' Strike Viewed As Certain

MONTREAL, Aug. 11—James Duncan, first Vice-President of the American Federation of Labor, and for many years chief lieutenant of Samuel Gompers, says the threatened coal strike in the United States will certainly take place, there being nothing, as far as he can see, that can possibly avert it.

"The greatest fight," he declared, "will be in connection with the check-off, which the coal mine owners consider unreasonable and which the men demand."

Brian Is Received At London Palace

LONDON, Aug. 12—Brief and delicate discussion of the French right to invade Germany in the event Poland is attacked either by Germany or Russia has been saved for the last by Arthur Bland and Austen Chamberlain, foreign ministers of France and England respectively, who began a two day series of conferences Tuesday.

King George received Brian at Buckingham Palace before the conferences began and after a cordial audience, the latter began talking with Chamberlain at the Foreign Office.

Lad Gives His Life To Save Brothers

SAINT ESPRIT, Q. C., Aug. 11—Drowned while saving the lives of his two brothers, the self-sacrifice of 17-year-old Luc Varina has just become known here. He was rescued by Gerard Varina, aged eight and ten years.

The children had been playing on a raft and fell into the river.

BRITISH YARDS GET CONTRACTS

Steamers Were Intended Originally for Contractor in Germany

Prices Cut to Ensure Work at Home—Means Some Three Millions of Pounds.

LONDON, Aug. 12.—Orders which had originally been intended for German shipyards have now been secured by Messrs. Cammell, Laird & Co., Limited, of Glasgow.

It is understood that shipbuilders on the Mersey, Clyde, and Tyne reopened negotiations on a revised basis to annul a proposed German contract, profit being sacrificed to the provision of work and the partial abolition of the 10 per cent. duty on iron.

WORK FOR 4,000. The 4,000 men at present employed in Cammell, Laird's yard on the construction of four iron liners, four ferry steamers for the Birkenhead Corporation, the warship Rodney, and a considerable amount of repair work, can anticipate an era of continued prosperity.

SOFT COAL MEN EXPECT TO HAVE TROUBLE AHEAD

Believe Anthracite Investigators Will Also Consider Their Grievances.

RESULT OF REFUSAL IS PROBLEMATIC

Owners Declare Alliance was Planned Before Hard Coal Parleys

ATLANTIC CITY, N. J., Aug. 12.—The United Mine Workers of America expect that if there is any government intervention aiming to avert or shorten a hard coal suspension September first, their grievance in the soft coal industry will be considered as well.

This was learned on reliable authority today. Redress of alleged wrongs, growing out of what the miners say is wholesale wage cutting, and reputation of the Jacksonville agreement in the anthracite fields, according to this information.

Hard coal owners have been asserting that the miners' union planned such a dual alliance in advance of the scale negotiations, while the miners broke off a week ago yesterday.

Miners' officials today emphatically denied this. They said the hard coal break had merely absolved them from their pledge to the operators to keep hard coal and soft coal problems divorced.

Announcement of the divorce was made by the acting manager, Mrs. Jean Adams.

Bryant formerly was a film actor.

WASHINGTON, Aug. 12.—A bold sneak thief has perpetrated one of the most daring crimes in the capital.

Judge George H. Macdonald's watch was "snatched" while he was sitting on the bench trying cases.

The judge received court for lunch and walked into his chambers. He reached for his watch when he found it was between 20 and 25 miles an hour faster than the speediest auto in use in the Royal Air Force is able to do.

What will happen to the watch is not known.

The scout was designed by Myhrer Fokker, Dutch pilot and aircraft constructor, and a consultation line in the fact that a British engine—a 450 horsepower Napier Lion, of similar type to that used in the Canadian Pacific motor truck in which they were riding.

MAKES PLANE RECORD. LONDON, Aug. 12.—A new record—165 miles an hour with a load of half a ton—has been set up by a new Dutch single-seater scout aeroplane, which is between 20 and 25 miles an hour faster than the speediest auto in use in the Royal Air Force is able to do.

The scout was designed by Myhrer Fokker, Dutch pilot and aircraft constructor, and a consultation line in the fact that a British engine—a 450 horsepower Napier Lion, of similar type to that used in the Canadian Pacific motor truck in which they were riding.

German Prisoner Eludes Guard and Leaps to Death Over Barristers.

BERLIN, Aug. 12.—How a man condemned to death, executed himself two hours before his time is told in a report from Lubek. In the prison there was a man named Tiedemann, who was to die at 6 a. m. During a great part of the night the prison chaplain had kept the man company.

When, at 8 a. m., the door of the cell was opened to allow the pastor to leave for a short rest, Tiedemann rushed out, pushed the chaplain and warders aside, and ran upstairs.

Arrived at the second floor, he vaulted over the banisters and fell to the ground floor. He was picked up dead. Tiedemann had been condemned to death for the murder of an 11-year-old girl, Lilli Voss, a native of London.

Honeymoon Plea Wins in Washington Court

WASHINGTON, Aug. 12.—If you get caught speeding, have cupid as an ally. This works in Washington, at any rate.

Franklin M. Carter, 18, tuned up his motorcycle and made a trial spin at 35 miles an hour. Policeman Jett nabbed the speeder and took Carter to traffic court.

"Judge Macdonald, I was trying out my machine in preparation for my honeymoon," Carter said. "I'm going to get married in a few weeks."

"Case dismissed," the court ruled after warning the youth to show more respect for his wife than he had for traffic laws.

EDMUNDSTON TO STAGE RACE MEET

Track Has Been Re-surfaced and Entry List is Heavy.

EDMUNDSTON, N. B., Aug. 12.—Maine and New Brunswick harness racing circuit campaigners which have been laid up as the result of the meeting at Moncton being declared off, thus causing the stables to scatter and also making it impossible to stage the scheduled circuit meeting here this week, will have a chance to get into action on Saturday.

The Edmundston Driving Club have decided to put on a one-day race meeting here on Saturday, have received a large entry for the four classes on the programme. The Edmundston track has been re-surfaced this season and local horsemen contend it is now as fast as any in the country. Horses expected to start here are: 218 class—Earl North, Peter Tanlac, Red Line, The Tank, Oso Piro, and Bonnie Girl; 215 class—College Swift, P. J. Devlin, Emotionless, Peter Tanlac, Xanthia B., Miss Simons, and Alfred King; 214 trot—Audrey McKinney, Clifford Tull, Bingen Hanks, Harvest Queen, Black Peter and Lou Bingen; name race—Togo M., Peter Silwell, Mildred Forbes, Togo Hall, Justin, Kate Volo, and Sadie Ashbourne.

GRAND CIRCUIT

CLEVELAND, Aug. 12.—Four cents topped by the \$3,000 Forest City stake for 2,088 paces composed the opening card of the second meeting at North Randall today. A claiming race, the first ever to be staged on the Grand Circuit, a three year old pace, and a trot for the 2,044 class completed the programme.

Sixteen 2,200 trotters, the largest field of the day, were named overnight to start in the claiming race, a \$1,200 purse, each entered at \$3,000. The

PITTSBURG INCREASES LEAD TO FOUR AND ONE-HALF GAMES

BUCCANEERS SCUTTLE GIANTS' SHIP BY THRILLING BATTING RALLY IN CLOSING STAGES

American League Race Remains Unchanged. Veteran Hurlers Turn in Well-Pitched Games With Homer Winning For Rommel

NEW YORK, Aug. 12.—Four and one-half games behind the leaders again as a result of the defeat yesterday at Pittsburgh at the hands of the Pirates, the New York Giants today neared the end of a disastrous midsummer road trip, without prospect of securing an even break for the trip before they take the back trail home tomorrow night. By snatching victory from the National League champions with a five run rally in the eighth inning, 7 to 4, the Pittsburgh pacemakers tagged the New York team with its 11th defeat in 19 starts since McGraw led his cohorts out of the Polo Grounds on July 23.

Dean pitched unbeatable ball for seven innings against the league leaders. Then he blew up and the Pirates got to him in a rally. The Reds profited by the defeat of the Giants, to edge back within three games of second place, by blinding the Brooklyn Robins, with a barrage of 18 hits, winning over Oeschger and Brown easily 7 to 2. Larry Benton limited the Cubs to four hits, and the Braves squeezed through to an easy win in the only other National League game, 9 to 2.

The American League turned in three well pitched games, with the veterans Rommel and Coveleski carrying along the leaders, Philadelphia and Washington at an even pace, which both clubs have maintained for the past month. Coveleski was liberal in his hit allowance to Cleveland, giving 11 safeties, but he permitted them to score only in the first inning, and the Senators finished on the long end, 8 to 1.

Rommel allowed two more hits than Walter of the Browns, but the Athletics bunched their five singles in the fifth and sixth to win 5 to 2 on Pooles' homer in the latter frame. The White Sox stamped the New York Yankees who have been engaged during the last month, in spending \$200,000 for new players. Nineteen hits gave Chicago an one sided victory, 15 to 2. Huffing, of the Boston Red Sox, shut out Detroit 1 to 0, in the other American League game, after a duel with Collins. Fogel's triple and Lee's single were the deciding blows.

NATIONAL LEAGUE. PITTSBURGH, Aug. 11.—Pittsburgh opened up the series with New York today by winning the second game, 7 to 4. The Pirates got a pinch hitter batted for him and Johnny Meyer took up the burden. Score: Pittsburgh, 7; New York, 4.

INTERNATIONAL LEAGUE. BALTIMORE, Aug. 11.—That an arena for hockey and winter sports costing \$350,000 and seating 15,000 may be built in Toronto became known this afternoon when Percy J. Quinn, president of the applicants to whom the City Council yesterday refused to lease the Coliseum for an artificial ice rink. Quinn made formal application to the assessment commissioner to lease or purchase the Coliseum for the purpose of building an arena for hockey and winter sports.

MATCHES BEGIN IN N. B. TENNIS TITLE TOURNNEY

Will Arrange to Use Renforth Courts For Some Games. The matches started for yesterday's play in the New Brunswick tennis championships at Rotheray had for the most part to be postponed owing to the condition of the courts. Finally the sun broke through the clouds and late in the afternoon play was begun in two courts, seven matches being completed before the deluge started again. Tournament play was to have commenced at 9 o'clock this morning but it is doubtful if very much progress will be made before 10.30.

Can He Fill Dad's Shoes?

Young Bob Fitzsimmons has been in the ring for nearly 10 years. No one has ever given him much of a tumble. Some years he would go through an entire season without pulling on the gloves. These days he is a bit more cautious. This year Young Bob began to come like the wind. The other night he cracked the tough Romero Rojas on the potato cruncher and knocked him out in three rounds. That was Young Bob's eighth straight knockout.

GAME ORDERED TO BE PLAYED BY EXECUTIVE

Sports Committee of Team Refuses to Accept Decision. The claim of the St. John Baptist team to the game scheduled on the North End park last Friday night with the Saint Johns on the ground that the game was dissolved at a meeting of the City League executive held last evening and the game ordered played on Friday night in the North End. In case it is rainy the game was set for Saturday afternoon. The two remaining games of the league were also set for Saturday, the schedule for the final game being: Friday—St. John Baptist vs. Saint Johns, North End.

COMPULSED TO MAKE THE BEST

Lacking store windows—lacking a location in the regular shopping district, the Triple C Tailors have but two ways of attracting customers.

One way is to keep the future patronage of those they do get—the other is to get known as the Tailors where less money obtains the very best of everything.

Doesn't it dope out right that you ought to do better here. Especially as we import direct below wholesale, save fancy front expense and cut both cost and profit percentage still further by 35 tailor team-work. The length of time we've been at it proves all.

Entries For Provincial Championships Close Today

This will be the first ever to be held on the splendid Allison grounds and the day will be marked by the handing over the pavilion built by the Rotary Club. This is a fine structure and great praise and credit is due this bustling organization for providing a facility long-felt. A big crowd is expected.

KAPLAN READY FOR CHAMPIONSHIP GO

WATERBURY, Conn., Aug. 11.—Promoter George F. Mulligan this morning received a certified check for \$2,000 from Louis (Kid) Kaplan, of Meriden, Conn., featherweight champion, as a forfeit guaranteeing his appearance and weight of 126 pounds for his world's championship bout with Babe Herman at the baseball park in this city on Aug. 27. Herman's forfeit of a similar amount is expected tomorrow.

Rain Interferes With Tournament

HALIFAX, Aug. 11.—Rain interfered with the provincial tennis tournament at St. George's Club, Dartmouth, today, and only seven matches were played of the fifty scheduled. In the only ladies' doubles played, Mrs. L. Stephens and Miss F. Reid, North Sydney, had an easy victory over Miss A. Harvey and Miss A. Russell, St. George's, 6-0, 6-2.

VENIOT HOPES GRAND FALLS TO BE DEVELOPED

Would Like to See It Stay as a Province-Owned Project

TO START FINISHING WORK IMMEDIATELY

Is Unable to See How Northumberland Vote Can Stand

BOW to the will of the people. We feel that we have given them a good government during our tenure of office but if they vote to defeat us, we must accept the verdict," was the comment made on Monday's provincial election by Premier P. J. Veniot over the telephone from Bathurst last evening.

Premier Veniot denied that he had said on Monday night that he would protest the election because a report had reached him that one of the ballot boxes had been destroyed when a polling booth at Bale Ste. Arme had been forcibly entered and voting held up, but asserted that he did not see how the election could be declared with this occurrence alleged.

GRAND FALLS HOPE. When informed that Dr. Baxter had said Tuesday that "while I will not be taking any steps for some two or three weeks, the whole work at Grand Falls will be investigated and the present contracts will not be proceeded with,"

Premier Veniot reported that it was his sincere hope that Grand Falls would be developed for the province and not for the private interests.

Premier Veniot said he would leave Bathurst for Fredericton today to clean up various Government matters. He said that he expected this to take two or three weeks.

OPPOSITION WINS SEAT.

CHATHAM, Aug. 11.—Another seat in Northumberland county has been won by the Opposition party, according to an announcement made here today by William Skidd, high sheriff, who is returning officer. It had been believed last night that F. M. Tweedie, the Government candidate, was elected yesterday by a majority of 88 votes but today the count puts another Opposition candidate, Akertey Holmes, ahead of Mr. Tweedie. The addition of this will give Hon. Dr. Baxter, Premier-designate, 57 of the 48 seats in the next Legislature and will leave only 11 Liberals, headed by Hon. Dr. P. J. Veniot, Premier.

The figures given by Sheriff Skidd follow: Opposition, J. Leonard O'Brien, 5,049; D. Heckbert, 4,837; Akertey Holmes, 5,021; and Frank Lavoe, 4,920. Government—F. M. Tweedie, 4,870; Charles Murray, 4,819; Cleveland Price, 4,766; and Adolph Saroy, 4,671. Friday will be declaration day.

Corrected totals for Opposition and Government candidates in Westmorland, York and Charlotte counties have been obtained. The totals follow:

WESTMORLAND.

PERSONAL NOTES OF BAPTIST INTEREST

Rev. Dr. D. A. Steele III—Saint John Ministers Visit Boston.

The following items are from the Maritime Baptist:

Mrs. Blanche L. Maclean, A. T. C. M., a graduate of DeMill Ladies' College, Oshawa, Ont., has been appointed dean of college women at Acadia University.

Our readers will be interested to learn that Dr. D. A. Steele has been ill for a few weeks. We are glad to report that he is recovering.

Rev. P. C. Clarke of Mars Hill, Maine, called on us while passing through the city on Tuesday of last week, en route to Glace Bay, N. S., his early home. Mr. Clarke is now on his fifth year as pastor at Mars Hill and speaks highly of Baptist work in that section of Maine. He will spend the month of August in the provinces on vacation.

Rev. S. S. Poole, D. D., left on Monday evening of last week for a short visit to Boston and vicinity, where Mrs. Poole and their daughter have been visiting for some time.

Rev. H. R. Boyer returned early last week from Boston, where he was holidaying for a short time. While in Boston Mr. Boyer preached two Sundays at the Clarendon street church.

Rev. Charles Rielborough writes us that he closes his work at New Ross at the end of September and that he sails for England in October. He left England 19 years ago and is desirous to see again a brother and several sisters in the Old Land. Our readers will be glad to know that he plans to complete his notes on the remainder of this year's Sunday School Lessons before sailing for England.

We were delighted to have a call recently from Rev. Howard P. Whidden, D. D., LL.D., chancellor of McMaster University, Toronto, who, with his wife and some members of his family, is holidaying in this part. A hasty trip had been made through Nova Scotia as far east as Antigonish. Dr. Whidden's boyhood home, and to Wolfville and through the Annapolis

Almost Hanged by Church Bell Rope

LONDON, Aug. 12.—At last the church bell at Parish Church, Battle, England, has "got even" with the church sexton. After being pulled, and nagged and jerked about for more than 25 years by the sexton, Percy Carter, the bell turned the tables on him, and Carter today is recovering from the painful experience of being jerked about and hanged about by the bell.

Pigeon Flying Up in English Court

LONDON, Aug. 12.—Differences of opinion as to the effect of "a night out" on the constitution of a pigeon is the subject matter of a libel suit in the London courts. Lieut. Col. Alfred H. Osman, secretary of the National Flying Club Institute has been libeled by an article appearing in an English newspaper protesting against the holding of pigeon races involving night flights by the pigeons. Col. Osman says an occasional night out doesn't hurt the pigeons, and that he has been libeled by the newspaper's remarks to the effect that pigeon races he has held from San Sebastian calling for over-night flying are inhumane.

Giants Buried Alive Beneath Tokio Fort

TOKYO, Aug. 12.—The gruesome myth of the "human pillar" has been verified by unearthing of skeletons in the grounds of the Imperial Palace in Tokyo. Workmen repairing the ancient citadel in the Nijubashi were horrified

to uncover the skeletons of a number of giant men standing guard, 12 feet below the surface of the earth, to protect the fortification. The skeletons were taken as verification of the tradition of the "human pillar," a superstition of ancient Nippon. It was a custom, according to mythology, to sacrifice human beings upon beginning creation of fortresses. Living bodies of the strongest men of the nation were buried in the belief their strength would be imparted to the building.

Why Goodyear Belts are Worth More

PRIMARILY, Goodyear Belts are worth more because they do more. They carry more power. They save bearings. They require less attention. They cause fewer shut-downs. They last longer. By doing these things, they increase production. And if Goodyear Belts will increase the production in your plant even 5%, they are certainly worth more to you. The virtues of Goodyear Belts are due entirely to their construction and application.

Every ounce of material used is selected with an eye to the job on which the particular belt will work. Every feature of construction is used or rejected on the same basis. And then every specification of the job is considered before the particular type and size of belt is recommended. Information and costs on Goodyear Belts for your plant can be secured from the Goodyear Belting dealer or from the nearest Goodyear Branch.

GRAND LODGE OF ODD FELLOWS IS GIVE WELCOME

Mayor Extends Greeting at Assembly in Opera House

FIGURES GIVEN IN OFFICIAL REPORTS

Membership Is Above 21,000—Sixth Time for Grand Lodge Here.

The opening session of the Grand Lodge of the Maritime Provinces and Newfoundland was held this morning in the Saint John Opera House at 10.30, with the grand master, Rev. G. W. Whitman, Windsor, N. S., in the chair. After the opening ceremony the reports of the grand master, grand secretary and grand treasurer were submitted and handed to various committees. There was a good representation of the various lodges in the constituency present at the meeting.

At 11.30 the mayor of the city, P. L. Potts, extended an official welcome on behalf of the city. At 2 o'clock this afternoon the visitors were entertained by the Saint John Odd Fellows to a drive around the city and suburbs.

One matter which is to come before the Grand Lodge is the proposition of the trustees of the home at Pictou that a sum of \$85,000 be expended there for needed extensions.

GRAND MASTER.

In his report the grand master said in part:

"This year, for the sixth time in its history, the Grand Lodge meets in the City of Saint John, the first meeting in this city being in the year 1872, fifty-three years ago. At that time the subordinate lodges within the jurisdiction numbered eight, with a membership of 462, and the total amount of relief paid during the year then closed was \$190.17. The last meeting of the Grand Lodge in this city was in 1909, sixteen years ago. At that time the number of lodges had increased to 98 with a membership of 4,874; the total receipts for that year were \$55,699.90, the total assets of the subordinate lodges \$210,760.07, and the relief paid amounted to \$18,847.79.

"The report to be submitted to this meeting of the Grand Lodge shows the number of subordinate lodges in the jurisdiction to be 181 with a membership of 13,937; the total receipts for the year \$181,468.92, the total assets of the lodges \$424,247.64, and the amount of relief paid \$26,523.55.

"In the sixteen years intervening between our last meeting in this city and our present one there has been an increase in the number of lodges of 86, in the yearly receipts of \$125,769.02, and the amount of relief paid during the six months ending December 31st last (the report submitted to this meeting of the Grand Lodge covering that period only) was nearly double the amount paid during the whole year 16 years ago. Certainly the lodges are in a splendid financial condition.

"I have endeavored during the year to visit as many subordinate lodges as possible. Needless to say, in this I have not been able to accomplish what I desired. Of the 181 lodges, I have visited 80. On four occasions there was a joint meeting of members of two or more lodges, and four lodges I twice visited, making in all 83 visits during the year."

SECRETARY'S FIGURES

The report of Grand Secretary J. E. L. McKinnon of Charlottetown, P. E. I., set forth:

"In submitting the report of the work of the order throughout the year ending December 31, 1924, I regret that it is again necessary to report a loss in membership amounting to 150, but this loss is not as great as it appears, more than half of it being due to errors in lodge reports for the year 1925, so that our actual loss for the year 1924 is only 71, and I am glad to be able to tell you that the majority of dispirited grand masters write me that there is renewed activity in their districts, much more interest being taken, and that the prospects for the present term are brighter than they have been for some time, so I am in hopes that the worst is over and that the next annual report will show substantial progress.

"In accordance with legislation enacted at the last annual session, the accounts were closed on December 31, consequently the statistical and financial statements cover a period of only five months from July 24 to December 31, 1924, and as these particular months are those in which the heaviest expenditure is made, and there are practically no receipts other than from the sale of supplies and interest, the financial statement naturally shows a loss, but as the receipts since December are up to the average, this loss will be more than taken care of in next year's statement.

"At the last session of the Sovereign Grand Lodge, the age limit for admission was reduced to 18 years, and it is interesting to note that of the 470 initiated in this jurisdiction during the six months ending June 30, 117 were under 21 years of age.

"One new lodge was instituted during the year, Edward VII, No. 149, at Corner Brook, Newfoundland. This makes nine lodges in Newfoundland and when they have ten they will be entitled to have a grand lodge of their own. It is expected they will apply for a grand lodge charter just as soon as the necessary number of lodges have been instituted.

The order now has a membership of 21,203, men and women, and is the largest fraternal order in the Maritime Provinces.

FINANCES

The report of Grand Treasurer J. M. Donovan of Halifax showed receipts of \$9,867.74 and disbursements of \$7,522.49, leaving a cash balance of \$2,045.25 on hand. The amount invested in bonds is \$23,880.40, making total cash assets of \$25,425.72. The financial statement of the Home showed receipts of \$9,168.29 and disburse-

PENDER MEN'S ACT WINS FREIGHT CUT ON NAILS TO INDIES

Royal Mail Steam Packet Line Joins In Effort To Overcome Competition From Foreign Countries

The Royal Mail Steam Packet Line has made a substantial reduction in the freight rates on nails from Canada to the West Indies in order that the Canadian manufacturers may be aided in their efforts to hold their market which, it was said, had been slipping from them on account of the competition from Belgium and German firms. The company's action was taken, D. W. Ledingham, local representative of the company, said this morning, largely on account of the fine action of the employees of James Pender and Co. Ltd., in giving two evenings' work a week without remuneration, to enable the company to meet competition and continue activity unimpeded.

Referring to this action in reducing rates Mr. Ledingham said that the move was an effort to recover the trade at a time when operating expenses did not really warrant any reduction in freight charges. It was only on account of the men's action that the company, when they heard of the spirit of co-operation, decided to help the Canadian concern to meet the foreign competition.

J. R. MacDonald to Portland, Oregon, For Supreme Lodge, I. O. F.

The Maritime Provinces will be in evidence at the coming session of the Supreme Lodge of the I. O. F., which is to be held in Portland, Oregon, for the reason that the only representative who was present at the last meeting of the Supreme Lodge in that city and will be present at this session is from the Maritime Provinces. The last time the supreme body met in Portland was 68 years ago and the only representative to be present at that session and the coming one is James R. MacDonald, of Sherbrooke, N. S.

Mr. MacDonald is a past grand master and has been for more than 30 years a member of the order. He has the unique record of having attended 48 grand lodge meetings and is one of the few men wearing the 60 year veteran jewel.

Preparations are being made at Portland to give him a fitting welcome when he attends the Supreme Lodge meeting by the members of the entertaining lodges of that city.

TRAP SHOOTING.

A trap-shooting match will be held at Glen Falls Thursday evening at 7 o'clock. As the shooting season is in the waning stages it is looked on as an opportunity for those who love shotgun to get some practice. Ammunition will be available.

ON STEALING CHARGE

Two juveniles were allowed to go on a suspended sentence by Magistrate Henderson in the Police Court this morning after evidence had been given return to a charge of stealing \$18.20 from the store of Austin Galbraith, Main street.

ENGAGEMENT ANNOUNCED.

Mr. and Mrs. David McPherson announce the engagement of their daughter, Marian Elizabeth, to A. MacGowan, son of Mrs. Samuel J. McGowan and the late Mr. McGowan, the wedding to take place early in September.

WOULD PLAY FRIDAY.

The Blue Rocks will not accept the challenge of the Hawks to play against them this evening on the West Saint John diamond at 7 o'clock but will play them on the same grounds at the same hour on Friday evening. If accepted please advise through the Telegraph-Journal and Times Star.

LEAVES HOSPITAL.

George L. Kinghorn, of 29 Harding street, who had his foot crushed in the tug Neptune on May 1, was able to return to his home this week from the General Public Hospital, where he spent three months. Mr. Kinghorn spoke with appreciation of the care he received in the hospital.

ANOTHER FIERY CROSS.

For the third time in the last few weeks a fiery cross was seen burning on Courtenay Hill in West Saint John last night. It took about half an hour for the flames to consume their fuel and by 11.15 the last spark had died away. No crowd was attracted. It was thought that the burning of the cross might have been a boy prank.

IS IN IRELAND.

Word has been received from Lieut. Col. P. A. Guthrie, who is conducting the 18th Infantry in connection with the claim of Canadian and United States descendants of Andrew Crawford. No word has been received from Ireland and he is making an investigation prior to instituting the formal steps to claim the estate.

FOR BRIDE-TO-BE.

The Young Ladies' Aid of the Main Street Baptist church met at the home of Miss Beatrice Andrews, 45 Victoria street, last evening and tendered a stichon shower in honor of her marriage in September. Miss Andrews is a faithful member of the Aid. Many gifts were bestowed upon the bride-elect, suitable for her kitchen and dining room. Refreshments were served to the 25 guests. Miss Andrews was recipient of a lovely shower on Saturday evening and has received many marks of esteem from her many friends.

MENTS OF \$6,005.74, leaving a cash balance of \$3,157.54.

A. F. Masser, clerk of works of the Halifax city corporation, is acting as assistant to the grand secretary for the session. He is one of the best known members of the order and is recognized as one of the best posted Odd Fellows in this jurisdiction.

MAYOR'S WELCOME.

At 11.30 Grand Lodge session was thrown open for the official welcome, and the members of the Rebekah Assembly also gathered at the Opera House for this.

The Worship and D. G. Lingier, city chamberlain, were escorted from the anteroom to the platform by Past Grand Masters J. R. MacDonald of Sherbrooke, N. S., and J. H. Shepherd of Halifax, and introduced to Grand Master Whitman, who invited them to seats on the platform.

The Mayor said it gave him great pleasure officially to welcome to the city the members of the Grand Lodge of Odd Fellows and to see so many representatives present. He was especially glad to see so many of the ladies present, as any enterprise in which the ladies look an interest was bound to succeed. Any order which taught the principles underlying the Odd Fellows' organization was bound to make better citizens. The fraternal orders were of great service to the world, but where many made a mistake was in joining too many orders.

He took great pleasure in conferring on the ladies the freedom of the city, as he felt sure it would be safe in their hands. He hoped the representatives would profit by the session and enjoy their stay in the city. He thanked the Grand Lodge for the invitation to the council and himself to meet them and wished the order success in the future.

Grand Master Whitman thanked the Mayor for the kind words of welcome. He then called on Mr. Lingier, who, as a member of the order, enclosed the welcome which had been extended by Mayor Potts.

CONGRATULATIONS ON VICTORY.

Telegrams of congratulations were yesterday pouring in from different parts of Canada to the newly elected Saint John members of the legislature. Among those received by L. F. D. Tilly, K. 3 COURTS DRIED AND TOURNAY GOES ON

Clarke, Short and Miss Jean Knight Victors This Morning at Tennis.

Three events were contested this morning on the Rothsay courts in connection with the provincial tennis championships. These resulted as follows:—

A. L. Clarke defeated C. Jones 6-4; 7-5 in the first round of the men's singles.

The second round in the men's singles was captured by Hazen Short who defeated J. B. Mackay 6-0, 6-1.

Miss Jean Knight was victorious in the first round of the ladies' singles, defeating Miss E. Angus, 6-3, 6-0.

The rain of last night had temporarily put the courts out of commission but the sun and wind and the use of some gasoline dried three nicely this morning and play went on. This afternoon it was expected to have four courts in action and by tomorrow it was hoped to have the Renforth courts ready.

A fair sized gallery watched the play this morning with interest.

The Safe Dry Cleaners

Your filmy Crepes, Silks and your Woolens—how much depends on their cleaning.

You have a special peace of mind dealing with the New System people. They have the only process where everything is fresh for every garment. That's worth something, so is the extra thoroughness of their inside and outside—through-and-through treatment. For quick return delivery and low charges phone these MASTER Cleaners and Dyers.
