# MIRAMICHI ADVANCE, CHATHAM; NEW BRUNSWICK, MARCH 1, 1883.

A voyage in a P. and O. steamer is so lish readers that very little need be people. And Yolande's personal experiences becan confer the second states and the second ces began early. The usual small

crowd of passengers was assembled in Liverpool Street Station, hurrying, talking, laughing, and scanning pose ble ship-companions with an eager curi-osity, and in the midst of them Yo-lande, for a wonder-her father having nerself for the moment alone. A woman came into this wide, hollowresounding station, and timidly and yet anxiously scanned the faces of the

various people who were on the platform adjoining the special train. She tures bore the marks of recent grying ; of that, they were all "begrutten," as the Scotch say. She carried a small basket. After an anxious scrutiny-but it was

rent up to Yolaude. " I beg your pardon, miss," she said;

but she could say no more, for her face was tremulous

frightened.

"No, thank you, I don't want any," said Yolande, civilly. But there was something in the woman's imploring eyes that said something to her. She was startled and stood still.

"Are-are you going farther than Gibraltar, miss ?" "Yes. Yes, I think so, said Yolande,

wondering. There were tears running down the answered, coolly. woman's face. For a second or two she

band said, good humoredly.

into her seat). "It is too provoking ! your cabin. and I'll take these things from its shores ?" into her seat). "It is too provoking! your cabin, and 141 take these things I left Baby at home more on his ac-count than on any one else's. If there was the slightest sound, I knew he "Miss Winterbonrne's cabin is next would declare that Baby had been cry- to mine ; so you can take her things able to Mrs. Graham ; and was humor-

standing with the Grahams ; and she bare, in soldier fashion, though he was She put her hand within his arm, and told them (with her own eyes a little not a soldier. bit moist) of the mission with which "How are you, Graham ! How are Pally !" asid he. "What is the difference of an hour bit moist) of the mission with which she had been intrusted; but neither she nor they thought of asking why out of all the people about to go down by tho steamer train, this poor woman ahou'! have picked out Yolande as the one by whom she would like to have three flowers stream on her oblided to the train. I wish you

those flowers strewn on her child's would take the trouble to let people very hungry ! ocean grave. Perhaps there was some know what you are about.—Let me He went down with her to the saloon,

"Oh, but we are, though. Look !" COL. L. T. FOSTER. something this time. I told you I isn't that so, Polly ? But you hadu't Mr. Winterbourne quickly got up Dr. B. J. KENDALL, & Co., Gents -- I had a ve should not at all be surprised if he miss-ed the train altogether." "I don't think the Master's finances "You know very well. You would allowly, slowly going astern."

"You know very well. You would slowly, slowly going astern. are likely to run to a special," her hus-band said, good humoredly. "Oh, it is too provoking!" exclaimed looking rather aghast, "if you've left down.

the pretty young matron (but, with all Baby behind on my account I shall "Yolando," said he, "do you know her anger, she did not forget to smooth have a pleasant time of it. I don't be-that we are off-really and truly going her tightly fitting costume as she settled lieve you. But tell me the number of away from England-altogether quit

would declare that Baby had been cry-ing all the night through. There never was a better baby—never ! Now, was there ever, Jim ?" "Well, I can't answer for all the babies that ever were in the world;" her husband said, in his easy good-natured the ship. To fancy this great mass of husband said, in his easy good-natured husband said, in his easy good-natured

husband said, in his easy good-natured way; "but it is a good enough baby, as babies go." "It is the very best tempered baby I ever asw or heard of," she said, em-better it is the very best tempered baby I ever asw or heard of, "she said, em-better it is the very best tempered baby I ever asw or heard of, "she said, em-better it is the very best tempered baby I ever asw or heard of, "she said, em-better it is the very best tempered baby I here was a great bustle and confu-mesages; passengers seeking out their is a most economical, even penurious and basefund on the second on pour the second on pour to basefund the said, presently, "this child of mine as a most economical, even penurious and basefund the second on pour the second on pour to basefund the second on pour to basefund the second the second on pour to basefund the second the second on pour to basefund the second the second the second on pour to basefund the second th ever saw or heard of, " she said, em-phatically ; and she turned to Yolande. "Just think, dear, of my leaving Baby in England for two whole months, and mostly because I knew my brother would complain. And now he goes and misses the train—through laziness, or indifference, or wanting to be too sharp—" "I should think that Baby would be much better off on land than on board ship, 'said Yolande, with a smile. "Of course, Miss Winterbourne," the Colonel said. You're quite right. A
