DOUBLE AND TREBLE DEALING : - We have been shown three different kinds of calls issued by Mr. Myrt. Gaynor for the convention which was to take place in Chatham last night. One was the advt. to which we referred last week; another a nicely printed and enveloped note, which he addressed and sent to leading Liberals, some of whom he was engaged in condemning before he thus honored them; and still another for large private circulation enjoining upon Mr. John Morrissey's friends the importance of being present at his convention. Whether Mr. Morrissey was a party to this method of getting up a meeting in his own behalf, and at which the farce was to be played of nominating somebody else who would not be allowed to run, we, of course, do not know, but the thing looked badly in the cold type of the Conservative World office, with the secretary's name appended to it.

We met a gentleman of Chatham yesterday who was laughing over the fact that "Myrt" had asked him to accept the candidacy of the great convention of last evening.

The Wonderful Waragraph.

One of the greatest attractions in the Dominion of Canada will visit Chatham, on Nov. 2 & 3, under the auspices of the Citizens' Band. The Elison Warsgraph Co. delighted immense crowds at the St. John Exhibition last month, and come highly recommended by the Montreal and Quebec papers. All who can do so, should aval themselves of this grand opportunity of viewing the different battles and scenes in South Africa : also the action of our Canadians at the battles of Modder River and Paardeburg. No one should fail to see this wonderful reproduction of the Boer

Call Postponed.

The Presbyterian congregation of Loggieville was called to meet, and did meet, last Monday evening in the hall, for the purpose of moderating in a call to a minister. Rev. D. Henderson, of St. Andrew's, Chatham, presided, and after deliberating with the congregation, deemed it desirable to advise postponement, which was accordingly done. The next meeting will, we understand, be held on Wednesday, 31st inst. When is L ggieville to have a pastor settled over them? They are now about nine months vacant, and surely that is long enough even for the Presbyterian church, with all its exactness, to have a settlement effected.
