

CARTER ASKS FARMERS' AID TO WIN KINGS

Every Indication However That Opposition Will Carry County by Big Majority.

LAST HOPE OF THE LIBERALS FADES

Attempt to Form Alliance With the Agrarians Was Not a Success.

Special to The Standard.

Hampton, Oct. 5.—The campaign in Kings County is going forward with a vim which ensures the success of the Opposition candidates on Saturday of this week.

The efforts of E. S. Carter and his followers have destroyed all hope of success which the Government may at one time have entertained with respect to the Farmer vote, and the outlook today is that despite the complications created by the advent of the Farmers' party, the Opposition will be elected by a very large majority.

After the Farmers.

During the past week or ten days desperate efforts have been made by Ned Carter and others to enlist the support of the farmers. While the Government organization has loudly proclaimed its intention of running a straight ticket in Kings County, its agents have been busily working toward the purpose of securing the endorsement of the Farmers. This activity resulted in the Government dropping one of the members of its ticket and at an executive meeting endorsing the candidacy of a strong Liberal who happened to be a member of the Farmers' ticket.

The Only Hope.

This was done through the realization that the Government nominees had absolutely no show and that the farmer candidates were in a very slightly better position. The sole hope of the Carter-Foster group was that by proposing to adopt the Liberal member of the Farmers' ticket they would capture a proportion of the floating vote and weaken the widely expressed opposition to the Foster Government.

(Continued on page 3)

SIDE ROADS GET LITTLE GOV'T MONEY

Hon. J. A. Murray at Greenwich Shows How Provincial Cash Has Been Used.

Special to The Standard

Greenwich, N. B., Oct. 5.—The Opposition meeting held here this evening brought a splendid attendance. Electors from the whole surrounding country were present in large numbers to hear a discussion of the issues of the day by Hon. J. A. Murray. Mr. Murray has met with enthusiastic reception at every meeting that he has addressed in this campaign, but nowhere have his speeches been heard with heartier applause than here this evening. The other speaker was W. R. Scott, who in his remarks also made a fine impression.

The Road Question

Mr. Murray was particularly on the road question, and discussing this important matter, he made special reference to the tremendous expenditure that has been made by the Government during the past three and a half years. Money has been spent in such an extravagant manner that it is more than extravagant—it is wasteful. He pointed out the waste of money on the side roads leading to the centres of population have been entirely neglected. His view of the wasteful expenditure on roads reached a responsive chord and made such an appeal that the audience expressed its disapproval of the government policy of spending those who live in the outlying districts in a no uncertain manner.

A Fair Critic

Mr. Murray was most fair in his criticism of the government, and impressed the audience with the candid manner in which he gave credit where credit is due; but when the speaker scored the administration for their improper safeguarding of the public, the audience showed by a very pronounced manner that they were in sympathy with Mr. Murray's view.

The speaker discussed among other questions the increase in capital liabilities, the addition to the interest charge, the great loss of revenue through the failure to meet the situation caused by the abnormal price of lumber during the past three years, and the further failure of not increasing the stampage to an amount commensurate with the value of the product. He referred to the methods of direct taxation by the Foster Government as indicated by the assessing under the guise of the Patriotic Fund, to the amusement tax, and finally to the amount assessed on the municipalities throughout the province to carry out the provisions of the Health Act, which the speaker termed cumbersome, intricate, and altogether too costly.

Mr. W. R. Scott

He was followed by W. R. Scott, who in a neat, brief and pointed address, stated some of the reasons why in the opinion of all who have the affairs of

Seaplanes Flew Over St. John On Route To Halifax

Big Fairey Machine That Broke Down Made Trip at High Speed.

Halifax, N. S., Oct. 5.—The two seaplanes piloted by Colonel Leck and Major Shearer, which left Fredericton at one o'clock this afternoon arrived at the base here safely, the big Fairey machine which had broken down at Fredericton reaching the station at four forty-five and the station plane following three quarters of an hour later. They passed St. John at 2:15 o'clock.

THREE WINS IN KENT CO. IS FORECAST

Predicted That Eight Seats at Least in Westmorland, Albert and Kent Are Safe.

Special to The Standard.

Moncton, Oct. 5.—From reports received from different sections of Westmorland, Albert and Kent counties good judges of political contests feel assured that there will be at least eight opponents of the Foster Government from those three constituencies, and a good fighting chance of a solid phalanx of Opposition farmers and laborers.

In Westmorland county, the opponents of the Foster Government, composed of three United Farmers and one Labor vote, have the government ticket thoroughly frightened. The labor ticket, which has been conducting a personal canvass in the eastern end of the county, has met with great encouragement and they will undoubtedly come to Moncton and Salisbury parishes with a respectable lead.

The meetings being held by the government candidates have been rather thinly attended and there is very little enthusiasm.

Do Own Speaking.

The Labor-Farmer candidates have not found it necessary to import speakers with the exception, while on the other hand the Foster party are so thoroughly fearful of the result that Hon. P. J. Veniot and others, including A. B. Copp, M. P. F., have been called upon for assistance.

At the agricultural fairs held in the county observers declare that they found the people overwhelmingly in favor of Farmer and Labor ticket and the election of the four men is confidently predicted.

In Moncton City

In Moncton City where there is a three cornered fight there is more speculation as to the result, although the Opposition candidate, Geo. B. Willett is the favorite. Mr. Willett has made a thorough canvass of city and has met with such promises of support that almost ensures his election. The Labor party claim that they will elect their man. There is a very large vote in the city, but a considerable portion is bound to go to Mr. Willett. As the situation in Moncton City stands today the fight is between the Opposition and Labor candidates.

So far the only public meeting held during the campaign was that by the Government candidate last night. It was a frosty affair.

All three city candidates are prosecuting a vigorous personal canvass, and the contest is undoubtedly one of the most spectacular in the province.

In Kent County

In Kent County the election of Hon. Dr. Landry and his two colleagues is as certain as a contest can be forecast. Reports from all parishes of the county are to the effect that the government candidates are finding it hard going.

"EVERY PARISH TO BE TAKEN"

Albert County Predicts Utter Rout of the Government Candidates on Saturday.

Special to The Standard.

Hillsboro, Oct. 5.—"We will win in every parish in the county," is the general opinion in Albert County tonight in Opposition circles. The government is in terror lest the seat slip from them as there is every indication it will do at the present moment. A big meeting was held tonight at Alma where John L. Peck and others revealed more of the gross extravagance and waste of the present administration. Albert County will go straight to the Government candidates on Saturday.

The province at heart, the present incumbents of office should be relieved of their responsibilities with a consequent benefit to the province at large.

The clear cut statements of affairs by both speakers deeply impressed the audience composed, as it was, of all the intelligent electors of this section, and is solid ground for the belief already held here that the entire Opposition ticket will be returned with substantial majorities on polling day.

BAXTER FLAYS LIBERAL WORK AT ST. STEPHEN

Great Reception Given Opposition Leader When He Reviews Government Work.

TELLS HOW ROBERTS GOT HIS SALARY

Political Career of Liberals at Fredericton One of Careless and Costly Rule.

Special to The Standard

St. Stephen, N. B., Oct. 5.—St. Stephen was out in full force here tonight to welcome the Hon. John B. M. Baxter, who came to the town to review the Foster Government. The chairman was R. W. Groulx. The first speaker called on was J. M. Fioreling, the candidate from St. Stephen. He referred to the presence of so many ladies in the audience who would, he was sure, be active in support of the Opposition ticket, in their first opportunity to vote in a provincial election. His record was before them and he asked for their vote for the full Opposition ticket and send a solid four to support the future premier, Hon. J. B. M. Baxter.

M. N. Cockburn

M. N. Cockburn, K.C., was the next speaker called on. It was his first experience in addressing an audience in a provincial campaign, while holding an official position he had not felt free to take part in politics, but in this campaign he was free and intended to use that freedom. How has the County of Charlotte been used by the present administration? In some matters they have absolutely violated the rights of our people.

He was opposed to the method by which present government was spending large sums of money on roads in neglecting the by-roads of the county and spending so much money on a trunk road for the few. He objected to the paying of huge sums of money to officials who were absolutely useless instead of spending it on the roads.

(Continued on page three.)

TWO CASES OF LIQUOR IN KENT COUNTY

Hinted That It Was to Play a Part in Helping the Foster Government.

Special to The Standard

Newcastle Bridge, N. B., Oct. 5.—A quiet but entirely satisfactory campaign is being waged by the Opposition in Queens County and as a result things are looking bright for Messrs. West and Machum. Meetings are being held in all parts of the county almost nightly and they are giving much cheer to the Opposition candidates.

Two cases of liquor were seized in riding this morning and it is said there is a connection between its arrival and the election. The case was brought before the magistrate and one of the offenders was fined \$225 for the offense.

Wherever the Opposition speakers have appeared they have received a great welcome for the county is becoming more and more disgusted daily with the orgy of extravagance that has been carried on at the capital recently and the electors are determined to end it on Saturday next at the polling.

VICTORY SURE IN VICTORIA CO.

Farmers Are Quietly But Effectively Working to Oust the Fredericton Crowd.

Special to The Standard

Grand Falls, N. B., Oct. 5.—Every-thing going fine against the Government is the situation in Victoria County at present. The farmers are very busy at their fall work but everywhere they are determined to oust the Fredericton Government. The campaign is full of interest, with every indication that a huge majority will be piled up for the up-to-date policies of the Opposition.

H. H. SMITH STILL RUNNING

Hoyt Station, Oct. 5.—Mr. H. H. Smith, who was reported to have withdrawn from the provincial contest as a farmer's candidate, has not done so. He is making a good fight in Sunbury county.

NEW CHIEF ENGINEER FOR C. N. R. AT MONCTON

Toronto, Oct. 5.—S. J. Hungeford, Vice President of operation and maintenance of the Canadian National Railway, has made the following appointments:

Machine Guns Sweep Streets Of Cork Crowds

Unidentified Persons Fired on Military Patrols and Then Guns Lost.

Cork, Ireland, Oct. 5.—The residents of Cork had another terrifying experience early this morning. The cause of the trouble was a brush between the military and unidentified persons, who fired on carter patrols. The patrols replied with heavy fusilades of machine guns, sweeping all suspected areas with searchlights.

IN SPIITE OF SHERIFF TWO STAY ON LIST

Six Nominations in Restigouche Were Accepted at Noon But Two Ruled Out.

OBJECTIONS RAISED TO OFFICER'S COURSE

LeBlillous and Duncan Refuse to be Deprived of Candidature and Win Round.

Special to The Standard

Restigouche, N. B., Oct. 5.—The Sheriff of Restigouche County is in a mess and all because he listened to the voice of Arthur T. LeBlillous, self-appointed promoter to the sheriff in the sheriff's office could not get on nomination day when the sheriff's court was in session at the appointed hour to receive nomination papers. The sheriff declined six of many proposed nominees. They were Messrs. Stewart, Diotte, LeBlanc, Harrison, LeBlillous and Duncan. Those gathered for the nomination proceedings then dispersed for lunch to gather again at three o'clock for the speeches of the candidates.

A Change of Plans

At the reassembling of the crowd, three hours after the nomination papers had been received the sheriff informed the electors present that he was mistaken and only four were nominated. Messrs. LeBlillous and Duncan, however, have not complied with the law. Pressed for an explanation of his action by friends of the east-out candidates as well as by the Opposition nominees, he declared that he had no answer and, in fact, was told by LeBlanc not to answer.

He was apparently dominated by LeBlanc and was acting, according to the opinion of those present, in a most unwelcome manner. Legal men regard the sheriff's change of front as untenable and he must abide by a first declaration.

Names on Ballots

Contrary to reports emanating from the camp of the followers of LeBlanc and Duncan, the names of LeBlillous and Duncan will appear on the ballot and if there is any question of legality of proceedings to be settled it will be done by the courts of the land. In the district where Messrs. LeBlillous is contested while that of Mr. Stewart is very likely.

INTEREST BILL MOUNTS FAST

G. B. Jones at Collina Shows How Cost of Administration Soars Steadily.

Special to The Standard

Collina, N. B., Oct. 5.—The electors of Collina and the adjacent portions of Kings county attended in large numbers the meeting held here tonight in Collina Hall last evening. George B. Jones, of Apohaqui, in clear and plain speech denounced the present provincial administration and placed the issue of the campaign before the electors of the present act.

Councilor J. E. MacAuliffe spoke on Public Health and discussed the subject fully, pointing out the weakness of the present act.

The next speaker, Mr. Belyea, of St. John, discussed the issues of the campaign and was given a good hearing.

Mr. Geo. B. Jones

Mr. George B. Jones, of Apohaqui, the last speaker of the evening, spoke on the finances of the province, comparing the revenue of the present year with that of the province when the Foster government first took office. He spoke of the large increase in the interest charges, and the way the government had largely increased the running expenses of every department. The bonded province has for over two million dollars for roads and back roads of the county.

All the speakers, save given a good reception, and it is anticipated that the Opposition will be returned to power with a handsome majority from Kings County.

Mr. George B. Jones, chief engineer at Toronto, to be chief engineer at Moncton, N. B.

GLOUCESTER WEARIED BY THE LIBERALS

Even in Staunchest Grit Sections Opposition Party Finds Favor from Electors.

GREAT RECEPTION AT SHORE MEETING

Foster-Veniot Nominees Will be Swept Away in Battle of Ballots.

Special to The Standard

Bathurst, N. B., Oct. 5.—One of the biggest and most enthusiastic meetings held in the county in the provincial contest was held this evening in Gloucester where the Opposition candidates received in keeneast style the shortcomings of the Foster Government.

Every day adds to the opinion that the Government candidates are due for a fall and that when the votes are counted Saturday night Gloucester will be found to have helped hurt the costly administration at Fredericton out of power. The Government candidates, with all the prestige of the party in power behind them, are in dire fear that their days are numbered and that they are destined for the discard.

Welcomed by Liberals

Wherever Messrs. Hachey, Ryan, Young and Debraze appear, even in the staunchest of the liberalists, they are meeting with a wonderful reception. The Government is leaving all stone unturned to defeat them but the prevailing tide of popular disfavour will sweep every opposition away it is believed here.

The Foster-Veniot crowd is on the defensive but explaining some of their transactions, such as the patriotic roads plan, the Health Act and the "good" roads plan is a little too much for the quartette bearing the Liberal colors. On the other hand the Opposition nominees are content to review night by night the career of the Government, leaving the electors to decide whether they are willing to have the old bureau back to continue their wasteful career.

Gloucester looks like an Opposition County this time and the big meeting tonight where all the candidates appeared and gave accounts of themselves and added to the certainty of victory.

FLASH MESSAGES THE WORLD OVER

Ex-Premier Opens Fair

Kentville, N. S., Oct. 5.—In spite of the threatening weather over two thousand persons attended the three counties, Kings, Hants and Annapolis exhibition, which was opened at Kentville this afternoon by Sir Robert Borden.

Held as Murder Witnesses

North Sydney, N. S., Oct. 5.—Mary Ann Edwards, and Catherine Tobin, of Sydney Mines were taken into custody this afternoon by Chief of Police Gowans and are held as material witnesses in the case of Duncan Macdonald, under arrest charged with murdering Mary McInnes.

Three Negroes Lynched

McCleary, Florida, Oct. 5.—Three negroes, Ray Field, Bert Givens and Hilton Smith, arrested in connection with the murder of John H. Witte, a farmer, were taken from the county jail here last night and lynched.

Terence MacSwiney's Case

Lough, Oct. 5.—The condition of Terence MacSwiney, Lord Mayor of Cork, incarcerated in Brixton Prison, remained unchanged tonight. Neither government nor the family are seriously concerned over the immediate danger of his death.

Greatest Ship Burned

Berlin, Oct. 5.—The Bismarck, which would have been the world's largest vessel, has been burned at Hamburg. The gross tonnage of the Bismarck was said to have been 56,000, as against 54,282 of the Vaterland.

Guilty of Murder

North Bay, Ont., Oct. 5.—Hector Dumont was found guilty by a jury at the assizes here tonight of the murder of Cyril Raymond at Sturgeon Falls, Ont., a year ago last April, and will be sentenced by Mr. Justice Latchford tomorrow.

Hit by Locomotive

North Sydney, N. S., Oct. 5.—Douglas A. Smith, one of the oldest and best known citizens of this town, was probably fatally injured at Sydney Mines this afternoon, being struck by a locomotive.

David Stiles Dead

Moncton, Oct. 5.—David Stiles, one of the oldest residents of the Parish of Moncton, is dead at the age of eighty-nine years.

"DASSAN" HAULED OFF TREPASSY REEF

Halifax, N. S., Oct. 5.—A despatch to the Marine Department tonight says that the Canadian Government steamer Lady Laurier had succeeded in pulling the American fishing vessel "Dassan" off Trepassy Reef, which was ashore in Trepassy Bay, Newfoundland. No portulacae have been recovered regarding the steamer's condition, or if she sustained any damage.

Military Raiders Take All Letters In Dublin Post

Every Message Arriving is to be Examined Carefully Before Delivery.

Dublin, Oct. 5.—On the arrival in Dublin this morning of the mails from the provinces and from England, a military party entered the central sorting station and carried away all the letters. Business men inquiring for their mail were informed that the military authorities had "let it" but that delivery would take place after the letters had been examined.

A similar method of obtaining information already has been employed by the Government in other Irish centres.

LIBERALS BAR DOOR AGAINST OWN MEMBERS

Delegates to Convention Stopped by Constable When Restigouche Convention Called.

Special to The Standard.

Campbellton, N. B., Oct. 5.—The two badly outstanding and predominant factors which are largely contributing to defeating the Government ticket in Restigouche County on October 8th are too much LeBlanc and a too reckless expenditure of money on the highways without having due regard and consideration for the farmer in the outlying districts and back settlements.

There is not the slightest question but the Government ticket will be defeated, and its personnel is to blame. The Liberal party in the county is battered and bruised by the strike going on within its own ranks. Mr. LeBlanc is the cause of the civil warfare that is raging, and the whole party is reacting to the detriment of the party.

The Cause of Complaint.

To begin with, it is said he has not kept faith with the people, has sacrificed the interests of the public he represents in order to further his own aims and by his methods has made no friends. A once united party has been shattered by his high-handed methods. At the convention called to name a ticket to contest the election on October 8th delegates were required to sign a document to the effect that they were supporters of the Foster Government and would further agree to support the candidates of that convention. A constable stood at the door with the document for signatures, and those who failed to sign it were denied admittance to the convention floor. Many good Liberals opposed to Messrs. LeBlanc and his colleague, Harrison, turned away in disgust, and LeBlanc packed the convention with his own followers.

About Event Divided.

The Liberal strength is about evenly divided between the LeBlanc ticket and the Independent Liberal ticket, composed of Charles LaBlillous and Mr. Duncan. The latter appeal to the better element of the party, but their strength is not sufficient to elect them, but is strong enough to defeat the Government ticket of LeBlanc, and that is what will occur.

Mr. Veniot has built a splendid road here, but the speedway has been entirely neglected by the Veniot administration. The farmers in these thickly settled districts have pleaded for better road conditions, that they might have heavier loads to market as well as making more trips. All they have had has been promises. Veniot has promised, and so has LeBlanc. The gross roads of the county are disgraceful, and the farmers have lost patience with their representatives and refuse to stand them further.

Neglected the Roads.

The by roads, cross roads and main roads leading to the speedway have been entirely neglected by the Veniot administration. The farmers in these thickly settled districts have pleaded for better road conditions, that they might have heavier loads to market as well as making more trips. All they have had has been promises. Veniot has promised, and so has LeBlanc. The gross roads of the county are disgraceful, and the farmers have lost patience with their representatives and refuse to stand them further.

Liberals Favor Opposition.

The Liberal farmers are pledging their support to the Conservative ticket, composed of Messrs. D. A. Stewart and John Diotte. They pledged that support before the split came in the Liberal ranks, and they have reaffirmed their intention to support the Opposition since the Liberal war developed. Mr. Stewart, a gentleman highly regarded by all classes of citizens, it is one who plays fairly well and his word is never questioned. Mr. Diotte is of the French race, is particularly favored by the labor classes and strongly appeals to the farmers. The citizens of Restigouche want men in the legislative halls in whom they can place confidence and on whose word they can rely; for that reason, if not other, Messrs. Stewart and Diotte will be elected on Saturday next.

ROB DUBLIN BANK

Dublin, Oct. 5.—Another sensational raid was conducted in the city during business hours today when armed men held up and robbed the Richmond Street branch of the Provincial Bank. They carried off \$800 and escaped.

CAPTURE IRISH POLICE

Sklibershen, Ireland, Oct. 5.—Armed bands attacked the police barracks there last evening, taking prisoners fifteen policemen and seizing arms and ammunition. The barracks was burned. There were no casualties.

COSTLY BUT INEFFICIENT THE CHARGE

Opposition Candidates in St. John City Score Government Policy Before Big Crowd.

FAILED TO GIVE SERVICE FOR DOLLARS

Debt of Province Vastly Increased During Three Years of Wasteful Control.

A crowded house, made up not only of the male voters, but also of a large number of the women voters of the North End assembled in the Star Theatre last evening to listen to the addresses of the four Opposition candidates in St. John City. Assisted by Col. W. H. Harrison, the four candidates, Messrs. Tilley, Campbell, Forts and Lewis, lay before the electorate in a mercurial criticism of the record of debauch which the so-called "business government" led by Premier Foster had laid upon the tax-burdened citizens of the province.

It was pointed out that the Foster Government had increased the debt of the province by \$5,000,000, had collected money for patriotic purposes and expended them for cutting down their own debt. The stand taken by Premier Foster and Dr. Roberts in the War Election of 1917, and their stand on the Prohibition question were also placed before the audience in a clear light.

Commissioner Thornton presided as the chairman of the meeting and introduced each of the speakers who were all warmly applauded.

James Lewis

Mr. Lewis said that while he had been in politics for a number of years, it was the first time he had allowed his name to be placed on a ticket, and he had seen to it that it was placed on the winning one. He had come to stand in support of Prohibition, which he believed the vital issue of the day, and he wondered if the people knew where the money they had given was raising their campaign fund.

Lieutenant Colonel Harrison felt that it was the duty of every man and every woman to take an interest in public affairs and to inform themselves as to what they were voting for. The question might be asked why the Foster Government, which had been in power for but three years, was again throwing the burden of expenses of an election on the people. They feared the Farmer party and wished to get back to power on a snap ballot, while the farmer was engaged with his

(Continued on page 2)

YORK COUNTY PREDICTS 600 FOR MAJORITY

Opposition Candidates Receiving Biggest Welcome Ever Given Political Nominees.

Special to The Standard

Fredricton, N. B., Oct. 5.—Managers of the Opposition party's campaign in York County predicted today that the Opposition ticket would come into Fredericton from the parishes in the county with a majority of not less than 600 over the Government candidates. The Opposition party's meetings in the rural districts of York County have been worked with more and more success as the campaign has gone along and last night's meetings were among the best that have been held. The Opposition ticket plainly evident. "While there are, of course, new elements in this election an Opposition victory in York by a considerably larger majority than in the last general provincial election seems as certain as anything can be in elections," said one of the Opposition's active workers today.

Big Meeting Optimistic

One of the best meetings of the entire campaign was that which was held in the Opposition interests at Durham Bridge, being addressed by Col. H. F. McLeod, M. P., and John B. Palmer, chairman of the Liberal-Conservative executive of York County. They held a meeting at Durham last week, but because of the storm the people could not get in from the outlying places and they were asked to return. This they did last evening with the result that they were greeted with what is said to have been the largest and most enthusiastic political meeting ever held at Durham Bridge, which is one of the most important farming centres of the New Brunswick Valley. "It is all indicative of the way the people of York County are standing behind the Opposition ticket in this fight," said Colonel McLeod today.

Some Other Meetings

Other Opposition meetings had been held at Fairville, Corner where a large audience listened to speeches by James K. Pinder and John A. Young, two members of the Opposition ticket and Dr. B. M. Mulvihill, chairman of the Provincial Bank Street branch of the Provincial Bank. They carried off \$800 and escaped.

Other Opposition Meetings

Other Opposition meetings had been held at Fairville, Corner where a large audience listened to speeches by James K. Pinder and John A. Young, two members of the Opposition ticket and Dr. B. M. Mulvihill, chairman of the Provincial Bank Street branch of the Provincial Bank. They carried off \$800 and escaped.

Other Opposition Meetings

Other Opposition meetings had been held at Fairville, Corner where a large audience listened to speeches by James K. Pinder and John A. Young, two members of the Opposition ticket and Dr. B. M. Mulvihill, chairman of the Provincial Bank Street branch of the Provincial Bank. They carried off \$800 and escaped.

CARTER SEEKS FARMERS' AID TO WIN KINGS

Every Indication However That Opposition Will Carry County by Big Majority.

(Continued from page 1) But the plan has fallen through. The people of Kings County know where they stand. They are amazed at the audacious extravagance of the Foster administration, which has plunged this province into millions of dollars indebtedness in the space of a very few years. They fear the financial statement covering the present year's transactions. They stand aghast at the idea of direct taxation as exemplified by the Foster Government in its barefaced steal of \$118,000 from the Patriotic Fund; they stand aghast at the prospect of further direct taxation through the Iniquitous Public Health Act, by which every municipality is levied upon to meet the whims and ridiculous ideas of Hon. Dr. Roberts, and they resent very emphatically indeed the amusement tax, under which men, women and children are compelled to contribute directly to the extravagance of the Government by an assessment on every ticket they purchase at moving pictures or other familiar entertainments in towns or villages.

Government Party Joke. In Kings County the members of the Government are a joke, while those on the Farmers' ticket are not much better. On the Opposition side are Messrs. Murray, Jones and Dickson, who, for a number of years, have represented the people of that county in an entirely satisfactory manner. It is safe to say that these representatives have in times of supremacy, as well as in times of opposition, secured more for their county than any representatives before their time were able to do. Mr. Murray has been in business in Sussex for a lifetime. Mr. Jones is one of the best known residents of the entire constituency, a man with business interests throughout the entire country, who holds the esteem of all. While Mr. Dickson is one of the most successful farmers in the lower end of Kings, and as such is entirely deserving of the farmers' support. In this matter of the farmers' movement, Premier Foster and his satellites are laying great stress on what the Foster Government has done for the farmers. Anyone who will take the trouble to investigate will find that J. A. Murray, during his brief term of office, accomplished more in the interests of the farming population of New Brunswick than the entire Foster Government has been able to do during the three years in which it has held office.

Opposition a Winner. While at one time the situation in Kings appeared complicated by reason of the advent of the Farmers' party, the sound common sense of the people has been making itself felt, and today the success of the Opposition ticket by a big majority is absolutely assured. The electors of Kings realize, as do their fellow-citizens in other constituencies, that the Venet-Foster Government is down and out, and they propose to stand by an administration which is not controlled by the North Shore.

OPPOSITION MEETING 'Prentice Boys' Hall West St. John, Thursday evening at 8 o'clock.

Second-hand, but not second-rate—a low-priced list of good typewriters in older models and in good order for work. Jas. A. Little, Mgr., 37 Dock St., St. John, N. B.

Green's Wife—Can't say I like the scurra. It's nothing but sand and water. Milkman's Wife—If it wasn't for the sand and water, Mrs. Litewate, our husbands couldn't afford this holiday. —London Opinion.

COSTLY BUT INEFFICIENT THE CHARGE

Opposition Candidates in St. John City Score Government Policy Before Big Crowd.

(Continued from page one.) crops. Another reason might be the drawing near of the end of the fiscal year when the large over-expenditure of the government would have to be brought before the people. It was to be questioned if the people desired as the leader of the loyalist Province of New Brunswick the only premier in the dominion, who had not taken a stand in the war-time election of 1914, of the government who had collected \$600,000 from the people for the patriotic fund and spent \$118,000 of that sum to offset the deficit they had piled up.

Student Lists Decrease. There was no question of the importance of education, yet under the Foster Government the number of Normal School students had decreased by one-half, teachers received salaries which were lower than that of the janitors in the very schools in which they taught. While the Foster government collected a revenue which exceeded that of the old government by a huge sum they had only expended one thousand more than the government on education.

Mr. Potts. Mr. Potts, on being called upon for an address, extended an invitation to the Hon. Dr. Roberts, if he was in the audience, to come up and take a seat on the platform. His invitation met with no response. Mr. Potts said that during his public career he had never made an assertion about any public man which he did not believe to be true. Dr. Roberts had said that he had made a deliberate falsehood; he had offered to debate the question with the doctor on a public platform, but his challenge was not accepted. It was evident that he had not the sand of the true Northlander, who was always ready to fight in defence of his principles.

Got Rid of Road. Mr. Potts said that there was a railroad between Hampton and St. Martins which if junked would have brought about five thousand dollars. He wished to compliment the business man premier, who, being a friend of F. B. Carvell, had been able to make the Federal Government pay \$65,000 for the right to take it over and make a road of it. All realized the importance of the Prohibition Act, and it should have been the duty of Dr. Roberts, if he had been a consistent temperance worker, to have introduced it in the House when asked to do so by the prohibition leaders, the Rev. Mr. Saunders, J. Willard Smith and others. The Hon. Mr. Tweeddale was its sponsor, and a member of the Opposition

THE BRITISH EMPIRE IS THE LARGEST TRADE EMPORIUM IN THE WORLD

Canadian Men and Canadian Ships Must Make Canada An Empire Trader

(Continued from page one.) the minister, as a man of principle, resigning from the Government. Not only had Smith been forced by Foster to leave the Government, but Mr. Dugal, of Madawaska, and Mr. Sweeney and Mr. Leger, of Westmorland, also.

Canadian Men and Canadian Ships Must Make Canada An Empire Trader. The British Empire is the largest trade emporium in the world. To develop our Sea-Heritage, we must send chosen and trained emissaries—our most able business men—to make preferential trade agreements with other nations in the Empire. And we must make good these trade agreements with Canadian Ships.

ROAD DEBT UP

Much was said of Venet's good roads, they were to be expected when it was realized that the minister had increased the bonded debt of the province by \$2,100,000, who had exceeded the amount of current revenue by \$277,000 and when the current year's deficit showed \$340,000.

DR. CAMPBELL

Dr. J. Roy Campbell said, While other provincial governments were encouraging immigration from the old county, the Foster government had shut up the government office in London, although it was not in the best interests of the province, and it was to be regretted that the government did not favor the bringing of desirable emigrants from the old country to New Brunswick.

the county be divided in two so that an office might be found for each of their supporters.

WALTHAM
THE WORLD'S WATCH OVER TIME

The basic reasons for Waltham supremacy

IN 1854 the first factory in the world to manufacture complete watch movements was opened at Waltham.

Before that, plates were fashioned in one place, screws in another, springs in another. All the parts, produced by different people in different places, were finally assembled somewhere else. As a result, the time-keeping qualities of completed movements were by no means reliable.

Waltham altered this condition. Waltham replaced hit-or-miss methods with standardization. At Waltham were evolved those marvellous automatic machines which replaced much hand-work, resulting in greater precision.

A modern Waltham Watch is the world's finest achievement in watch-making. To own a Waltham is not only to be assured of time accuracy, but to have the prestige which comes from possessing a watch that commands respect everywhere.

BAXTER FLAYS LIBERAL ERA AT ST. STEPHEN

Great Reception Given Opposition Leader When He Reviews Government Work.

(Continued from page 1)

Previous to the advent of present administration three boards of health for the county. Each had a chairman and inspector whose bills were presented to the municipal council, where the taxpayers had a chance to control expenditure. Since 1917 there had been a change in carrying out the regulations, but it had been of no benefit to Charlotte county. Under the old regime the Health Act cost less than \$1,000 per year. Today it was costing \$3,500 per year for the carrying out of the Roberts' measure. In the county there had been a system of registration of titles since 1874. The present government said this system was out of date, "said you must have new index, and this work was undertaken three years ago at the cost of \$2,000 per year to the county." This job was likely to last for the lifetime of the man who was doing the work, and the taxpayers would have to go on paying this \$2,000 a year. It had been under way now for three years and was less than one-quarter done.

The Patriotic Fund
In connection with the Patriotic Fund the Government levied on Charlotte County in two years the sum of \$5,000. There should have come to the county of Charlotte a refund from the sum left over and above the amount sent to Ottawa. Instead they used it in the ordinary revenue to try and hide some of the over-expenditure. The Prohibitory law was placed on

the statute books by the old Government. What had the Foster Government done? They had placed the enforcement in the hands of party ward-holders and used it as a political weapon to advance their own cause and thus brought it into disrepute.

The Hon. Mr. Baxter
The chairman next introduced Hon. Dr. Baxter, leader of the Opposition. On rising to speak he was given a magnificent reception. He was glad to say a word in favor of his friend, Mr. Flowering, a man who had done good work for the party in Charlotte County. He paid a tribute to Dr. Taylor, whom he was sure would again receive a large vote. He was well satisfied with candidature of Messrs. Cupplil and Pollard who were running in Opposition to the present government.

He was satisfied the farmers elected would not support the Foster-Venot combination, and might well join hands with the Opposition. The election had been called, and it was not the privilege, but the duty of every elector to go to the polls and cast their ballot on every opportunity for the men they believed best fitted to carry on the affairs of the country. During the last session he had heard a great deal from Government sources about Liberalism. For his part, he did not see the necessity of introducing Dominion politics into provincial matters, where all the matters to be dealt with were purely local.

Since they had introduced the issue, however, he wanted to talk the matter over and see how their acts squared with their professions. Take the principle of no taxation without representation. Previous to 1917 there had been some vacancies in the House and the Opposition raised a great howl about it and cried out about the awful crime committed in not holding these elections at that time all the vacancies were in the government ranks.

Case of Dr. Roberts
In May, 1917, the new House met. One of our party had died with

out taking his seat in the House, where he represented the County of Carleton, and they refused to open the constituency, leaving the county without its full representation for their entire term. The status of the province call for an election when a minister is placed in charge of spending departments. Dr. Roberts was appointed without salary to get around that difficulty, and while they did not give him a salary, they did give him \$959 in traveling expenses. Their acts in this regard prove them a party of expediency rather than one of principle. The premier referred to their increase, the succession duties, but how had they done it, by taxing the smaller amounts instead of the larger ones. The government claimed to have saved money by cutting the five per cent. allowed for collections out, but instead of a saving, they had paid a man \$1,500 a year to collect them, and in 1917 the amount which would have been paid in commissions, \$75,000.

The government had taken \$118,000 in Patriotic Fund, placed a tax on all amusement to raise revenue for ordinary expenditure. What did they need this money for? Well, for one thing they had increased the executive expenses from \$2,568 to \$4,721.

Reviews Mr. Tweeddale

Mr. Tweeddale, the know-it-all minister of agriculture, had done two things. He had purchased seed, he had also purchased sheep, and these turned out to be scrubs. The old government had in their last year from the Dominion Government \$66,000. The Foster Government had \$96,000, and with that amount they had not done a bit more for agriculture than the old government. The premier in his manifesto claimed credit for Workmen's Compensation Act. It was his opinion that such of the credit for this act belonged to the working men themselves.

When he was attorney-general there had been passed a law making it impossible for a lawyer to take an ex-

ALL EYES RIGHT ON Windsor Table Salt

orbitant fee for actions under the then Compensation Act. "Realizing at the time the need for better legislation, the government of the day had appointed a commission of the fairest and best men, who were employers of the labor and asked the labor organizations to appoint their representatives and we selected for chairman of that commission a gentleman who had run in the previous election as a candidate of the Opposition, but one well qualified to fill the position he was selected for. This commission made their report and the law enacted was based on that report, but the credit belongs to the previous government, not to the administration low in power.

The Crown Lands

With regard to the policy of the Opposition in connection with the operation of the crown lands, he said the operators must pay whatever it was worth, and this must of necessity be a variable figure, due to the fluctuations of the lumber market.

What had they done with their money? The Public Health Act cost \$27,000, and of this amount, \$16,000 was for salaries. It had been charged the policy of the Opposition was to repeal this act. This was not true, but the non-essentials would be cut out and the expense for use of officials done away with.

The Foster-Venot administration talked a lot about their road policy, which was costing the people a big sum of money for which the province was being loaded up with a big mortgage. The mortgage was all right if the work was permanent, but for work, and this was not the kind of work being done by the Foster-Venot combination. It was the policy of the Opposition to do this work out of ordinary revenue, and not to spend it all on a few roads in specially favored sections, but see that all parts of the province got a share of the expenditure.

The Growing Debt

In the time which they had been in office they had increased the interest charges from \$251,000 to \$492,000 by their fondness for issuing bonds. The government claimed to have increased the expenditure for education, but the figures showed that in 1915 the amount spent was \$206,500; in 1919 the amount was \$193,769. Did this look like an increase? What they had done was to pass it over to the municipalities.

The premier talked about hydro-electric development. The Opposition were prepared to go ahead with a sound scheme of water power development.

Mr. Baxter closed his remarks with a pledge that when he was called upon to form a government, it would be a clean, honest and capable administration.

OPPOSITION MEETING

West St. John, Thursday
evening at 8 o'clock.

Usually,
A newly married man is always willing to attend his wife's church but he is apt to be about acquiring the habit.—Hamilton Herald.

DODGE CAR WILL NOT BE REDUCED

Official confirmation of press dispatches from Detroit, announcing that there would be no reduction in the price of Dodge Brothers Motor Cars, has been received by The Victory Garage & Supply Co. Ltd., 22-24 Duke Street, St. John, N. B., the Dodge Brothers Dealers in this City. A telegram from C. W. Matheson, acting general sales manager to the local dealers, reads:

"Dodge Brothers policy has ever been to give full value for the price asked. There will be no reduction in the present price of Dodge Brothers motor cars. Newspaper reports to the contrary are absolutely untrue."
"Dodge Brothers announcement was no surprise to us," said Mr. J. Royden Thomson, manager of the Victory Garage & Supply Co. Limited. The fact is only a substantiation of Dodge Brothers business principles. At no time have they ever demanded an excessive amount for their product. As in the past, they will continue in the future to demand a fair return for their efforts."

"The mere fact that the demand for Dodge Brothers motor cars is still greater than the supply, despite the great expansion program at the factory, has absolutely nothing to do with the decision to continue the present prices. In marketing their car Dodge Brothers have never made a point of price and will never sacrifice the quality of their product to enter price competition."

THE OPPOSITION DEBACLE

Never in the political history of New Brunswick has any party faced the electors in the same disorganized condition as does the Baxter-Murray party today. Out of a total of forty-six seats in the House they are contesting but twenty-six. If they carried every one they could scarcely carry on a government.

As a matter of fact there is not one seat in the province they are reasonably sure of carrying and there is every reason to believe that they will not elect more than two or three members at the most. Should the Farmers gain seats it will be in counties previously held by the Opposition and where Opposition candidates are again in the field. How does it stand?

THE NOMINATIONS

Madawaska, two Government members elected by acclamation.

Victoria, no official opposition.

(Messrs. Tweeddale and Burgess carried Victoria in 1917 against the government of the day by nearly 500 majority.)

Carleton, one Opposition candidate endorsed. Two Government candidates nominated, leaving Government supporters free to choose third candidate from four others in field.

(Farmer gain here, if any, would be no loss to Government.)

York, three tickets in field.

(Farmer gain here, if any, no loss to Government.)

Charlotte, two Opposition candidates only in field. Two Farmers running.

(Farmer gain here, if any, no loss to Government.)

Sunbury, no Opposition candidates in field. (This is Ex-Premier Hazen's old constituency, now abandoned by his successors.)

Queens, three tickets in field.

Kings, three Opposition, two Government and three farmers running.

(Farmer gain here, if any, no loss to Government.)

St. John City and County, straight party fight for six seats. (Generally conceded Government will carry all six, or net gain of five seats.)

Albert, straight party fight. (Now held by Opposition.)

Moncton City, Government, Opposition and Labor candidates running. (Conceded to Hon. C. W. Robinson, Minister of Lands and Mines.)

Westmorland, no Opposition candidates in field.

(Carried against government of day in 1917 by Foster candidates by majorities running up to 700.)

Kent, no Opposition candidates in field. (Carried by present members in 1917 by majorities from 600 to 800.)

Northumberland, no Opposition candidates in field. (Carried by present members against Murray-Baxter government by majorities of more than 1,000.)

Gloucester, straight party fight.

(Present members won in 1917 against Murray-Baxter candidates by majorities of 2,000, latter losing their deposits.)

Restigouche, three tickets in field. Messrs. LeBlanc and Harrison having endorsement of Government.

This is the record. It would be a rash man indeed who would predict that Mr. Baxter would be called upon to form a government after the election. On the contrary, after Oct. 9, the names of the men who brought disgrace to the province will no more be heard in public life and the Government which has made such an admirable record in the last three and one-half years will go back with the hearty endorsement of the people.

OPPOSITION CANDIDATES IN KINGS COUNTY Enthusiastically Received Everywhere Throughout the County!

Supporters of Foster Government are looking to the Opposition for relief from the staggering burden of public debt, for relief from taxation through the Amusement Tax which is collected from men, women and children throughout the province, for relief from direct taxation through the Public Health Act where the people are being assessed to pay for the upkeep of this department.

The people of Kings County are resenting the attitude of Mr. E. S. Carter who is trying to defame the characters of Messrs. Jones, Murray and Dickson, the popular Opposition candidates, men who have done and are doing more for the country than any other members elected in Kings County.

Mr. Carter's own record is too well known for the electors of the County of Kings to place any confidence in the wild flights of imagination in which he indulges when trying to blacken the characters of his opponents. Mr. Carter is now stating that the Government put two candidates in the field and there will be undivided support for a third. THIS IS NOT SO. The Government put THREE CANDIDATES IN THE FIELD, but realizing that the Opposition ticket would have a walk-over one retired and the Government executive endorsed Mr. Huggard at the meeting held in Hampton as the third member, indicating that there is underground work going on and Mr. Carter is the manipulator. The farmers are awakening to this fact and will vigorously endorse the policy of Mr. Jones, Mr. Murray and Mr. Dickson on October 9th. The farmers are being misled, but are beginning to realize that they have been made the tool of the Government. The Opposition has done more for the farmers of Kings County and the Province of New Brunswick than the Foster Government has ever done, or will do.

Mr. Jones is a reputable business man whose record is well known in the County of Kings; Mr. Murray has long been a resident of Sussex and is highly esteemed by all, and Mr. Dickson is a responsible farmer. Their ticket is one which appeals to all who desire a square deal.

Vote for Murray, Jones and Dickson

New York, Oct. 5.—The American League Club defeated the Brooklyn Nine by a score of 3 to 1 in the 1920 world series. The victory, more impressive than it appears to indicate, was a feat of team play, superb in its individual work. The Indians, which are the Dodgers, did by a score of 3 to 1. The opening contest by a throng of baseball spectators did not even fill the precincts of the stadium. The National Commission paid admission to the game at least another \$100,000. The other seats-officials are included.

Gate Receipts
The gate receipts were \$79,043. In both the gate receipts this figure is the best individual game in Brooklyn in the series. The game was played in a ball. A stiff north wind and a cold gray sky and the atmosphere was not so warm as the contest. The enthusiasm of the Cleveland checked the Brooklyn players. The real factor in the battle and rooting faded away. Occasional bursts of applause were outstanding plays.

A High Wind
A high wind also played a part in the fielding of fly balls. There were an unusual number of errors. The gale carried the ball like a retired waiter. It was to judge properly the descending ball that Cleveland's first so. Regardless of win however, there remains in the minds of the fans the better team at the initial contest for the diamond. Both individual play of the superior to that of Brooklyn. Cleveland pitched and held the opposition check throughout the game. The infield and outfield. The remarkable game at absolutely no signs of such as might have been a youngster thrown series, under the circumstances his debut. Manager Speaker proved a barrier beyond almost impossible to and made sensational the right and left of the team with an abundance of bases even from the home team. O'Neil, with his two doubles was the star of the victors.

Feature
For Brooklyn the play of the game was a drive to the right in the fifth inning. The ball of the Cleveland manport like the crack called to the extreme field. It appeared to extra base hit, but it back with the crash when he reached the spring high up again and caught the ball in ten feet above ground, bouncing up and off the Cleveland batters' center to hit than either. The Indians runner on first after the fourth inning, going on the remainder of the Robinson of Brooklyn. The appearance of the

CLEVELAND INDIANS WON FIRST WORLD'S SERIES GAME

About 23,573 Paid Admissions on Ebbets' Field in Brooklyn Witness Cleveland Win First Game by Score of Three to One—Gate Receipts \$79,049 Makes a Brooklyn Record.

New York, Oct. 5.—The Cleveland American League Club decisively defeated the Brooklyn Nationals by the score of 3 to 1 in the initial game of the 1920 world series here this afternoon. The victory, which was far more impressive than the score would appear to indicate, was won by perfect team play, sparkling with brilliant individual work on the part of the Indians, which made the efforts of the Dodgers dull by comparison.

The opening contest was witnessed by a throng of baseball fans which attendance did not exceed the normal precincts of the Ebbets' Field. According to the official figures of the National Commission 23,573 persons said admission to the Brooklyn park, while at least another thousand can be added when the newspaper men and other semi-official representatives are included.

Gate Receipts

The gate receipts were announced as \$79,049. In both attendance and gate receipts this figure surpasses the best individual game record made at Brooklyn in the series of 1916. The game was played under conditions far from being ideal for baseball. A stiff north wind blew out of the cold gray sky and the temperature was reminiscent of football rather than of a summer sport. So cold did it grow as the contest developed, that the frigid atmosphere appeared to chill the enthusiasm of the spectators, and as Cleveland checked each effort of the Brooklyn players to become a real factor in the battle, the cheering and rooting faded away until only occasional bursts of applause rewarded outstanding plays.

A High Wind

A high wind also played havoc with the heading of my ball, of which there were an unusual number. The gale carried the falling sphere in wild spirals which caused the waiting fielder to circle about under the ball like a retriever locating a wounded bird. It was this inability to judge properly the direction of the descending ball that paved the way for Cleveland's first score.

Regardless of wind or weather, however, there remained no question in the minds of the fans to which was the better team at the close of the initial contest for the premier honor of the diamond. Both the team and individual play of the winners was superior to that of Brooklyn.

Coveleskie pitched a masterly game and held the opposing batters in check throughout the contest. He was backed by perfect fielding of both infield and outfield. Sewell played a remarkable game at short, showing absolutely no signs of nervousness such as might have been expected of a youngster thrown into a world's series, under the conditions which marked his debut.

Feature Play

For Brooklyn the feature individual play of the game was Griffith's wonderful catch of Speaker's terrific drive to the right field wall in the fifth inning. The ball shot off the bat of the Cleveland manager with a report like the crack of a whip and sailed to the extreme limits of right field. It appeared to be a certain extra base hit, but Griffiths started back with the crack of the bat and when he reached the retaining wall, sprang high up against the concrete and caught the ball in one hand, fully ten feet above ground while it was bouncing up and off the wall. Cleveland batters found Marquard easier to hit than either Mamaux or Cadore. The Indians failed to get a runner on first after the close of the fourth inning, going out in order for the remainder of the game. Manager Robinson of Brooklyn tried every artifice of baseball to turn the defeat into victory in closing innings, sending two pinch hitters into the game without effect, which explains in part the appearance of three pitchers in

Makes a Family Supply of Cough Remedy

Really better than ready-made cough syrups, and saves about \$2. Easily and quickly prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes. Get from any druggist 2½ ounces of Pinex, pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made and saves easily \$2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing. A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better. Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs. To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

to be divided among the players for the teams which finished second and third in the National and American leagues. The Cleveland players have voted a full share of the portion of the receipts to be divided among them, to the widow of Ray Chapman, the short stop, who was killed by a pitched ball in a game between Cleveland and New York in this city.

Cleveland got the jump on Brooklyn by scoring two runs in the second inning. Burns, the first man up, hit a high fly which came down where Konetchy was standing. The wind caught the ball and Konetchy jumped a step forward, then backward, then sideways and in the end the ball dropped safely to the ground. It went as a single. Konetchy picked up the ball and threw it to second to head off Burns, but no one was midway to receive the throw and the ball went to left field. Burns, meantime completing the circuit for the first run. After Gardner had been disposed of at first, Wood drew a pass and went to third on Sewell's single to right center. Wood then scored on O'Neill's double down the left field line.

Comparison of Pitchers

A comparison of pitchers in the first game of the world's series shows that Coveleskie of Cleveland threw the ball up to the batter only 85 times in the nine innings, while the total for his three Brooklyn opponents was 112. Marquard threw 80 times, six innings, Mamaux, 26 in two and Cadore six in one.

Coveleskie, although yielding the same number of hits as the rival Brooklyn pitchers, was much steadier than Marquard or Mamaux. Coveleskie threw 34 balls, Marquard 31, Mamaux 9 and Cadore 2, while their respective totals for missed strikes were 23, 21, 15 and 1. The Brooklyn batters fouled off nine pitches for strikes and the Cleveland men 14. Only one foul occurred after two strikes were on the batter and that was made by J. Johnston, Brooklyn, in the first inning.

Only six Cleveland men went out on flies, while 11 Brooklyn batsmen went out by the air route. Each side had 13 men grounding out. Marquard never pitched less than 10 balls an inning and doubled that number in the second, when he became unsteady after Konetchy's errors let Burns score. Coveleskie's total in the seventh and eighth innings was 13 each. Marquard had four strike outs, Coveleskie three and Mamaux three, all of which came in the seventh when he relieved Marquard.

Division of the receipts for the game follows: Ten per cent of gross to National Commission, \$7,904.90, leaving a balance of \$71,144.10. Sixty per cent of this balance for players fund \$42,686.46, forty per cent to club owners, \$28,457.64.

The players fund is divided 75 per cent to the members of the two teams participating in the world's series and twenty-five per cent to go into a pool

ST. JOHN, N. B., WEDNESDAY, OCTOBER 6, 1920.

THE CAMPAIGN.

Those amateur statisticians who are so busily engaged in compiling the successes of the various Government candidates, so as to save time when the polling is over, need to take care over just one matter. It does not follow for one instant that because the Opposition party has not put candidates in any particular constituency that the Government ticket must perform well.

SOME SHERIFFS.

It would seem that some of the appointees of the Foster administration to the office of sheriff are, like Peter and John, "unlearned and ignorant men," too much so, in fact, to hold so important a position. For instance, in Queens County we have the spectacle of the sheriff knowing so little of his duties that he adjourned the court in order that one of the candidates through whose good offices he got the post might file his nomination papers in proper form.

CONCERNING TAG DAYS.

Some ten or twelve years ago one of the most deserving institutions in the city, the Free Kindergarten, feeling the necessity of raising some additional funds, hit upon the plan of holding a Tag day, which produced very satisfactory results.

means for raising funds which it is as well to possess in an emergency. But it is a means that has been terribly abused, and the public is not inclined to be at all sympathetically disposed to its indiscriminate use.

CLASS DISTINCTIONS.

When the war was on and there was need for the production of hospital supplies, comforts for soldiers and other such like activities, women of all classes of society gathered together and worked in unison and good fellowship with one another for the good of the cause.

ANOTHER ANTI-BRITISH OUTBURST.

There has been another regrettable anti-British outburst in New York which succeeded in breaking up a meeting held for the purpose of commemorating the three hundredth anniversary of the landing of the Pilgrims. Services in honor of the event were held recently in Great Britain and a return visit is being made by several distinguished English representatives.

been an increase in the expenditures. "The critics and condemn the wanton waste; the vast expenditures from which the public are not getting reasonable results; the diversion of the people's moneys from the public services to the pockets of partisan friends who keep themselves closely in touch with the members of the Government. And in this view public opinion is not unreasonable, for the evidence of irregularities in the administration is at hand in all directions."

If the "improper use" of money means putting it to any other use than that for which it was intended when it was paid, then, according to the Globe's arguments, a \$5 bill taken from the globe's cash drawer by its owner, and used by him for any other purpose than his business, would be "ordinary revenue switched to improper use."

The Times thinks that the Opposition would dearly love to hand the farmers a leader. It is not at all unlikely that our contemporary may see it done ere long.

WHAT OTHERS SAY

Easy Money. (Kingston Whig.) Some men are born rich, some work for riches, and some can recognize a rucker at a glance.

Grumbling, But Staying. (Cleveland Plain Dealer.) More than one-fifth of the population of the United States lives in thirty-three cities.

Tribute To a Viceroy. (London Punch.) "From 1910 to 1916 he was Viceroy in India, governing the Dependency through very critical years and enjoying general esteem."

Getting a Loan of \$10. (New York Evening Post.) A local Croesus, who has a good rating in the financial directories, recently visited his bank and requested a loan of about \$40,000.

Women were prominent in the disorders, as they were in the insult to the British Ambassador at Washington some time ago, for which the United States Government apologized. Probably they are Sinn Feiners, and as such would glory in an opportunity to appear in the police court and pay a fine for their rosydram while further advertising themselves and the cause. It is very difficult to deal with persons of this kind.

THE LAUGH LINE

A Changed Man. The ex-kaiser is dodging photographers. He used to decorate 'em.

We Hope So, Too. Our hope is that paper suits become so popular, and that the magazines and newspapers print such enormous editions, that paper towels will become too costly to use.

Lost. What's become of the old-fashioned man who used to work hard for a living?

Darwin Reversed. "Did you give the penny to the monkey, dear?" "Yes, mamm."

DODD'S KIDNEY PILLS. For Rheumatism, Bright's Disease, Gravel, Diabetes, Dropsy, Neuritis, Catarrh of the Bladder, Hematuria, Stricture, Gleet, Gonorrhoea, Syphilis, Eczema, Psoriasis, Scabies, Ringworm, Ringworm of the Scalp, Ringworm of the Face, Ringworm of the Hands, Ringworm of the Feet, Ringworm of the Groin, Ringworm of the Neck, Ringworm of the Arms, Ringworm of the Legs, Ringworm of the Back, Ringworm of the Chest, Ringworm of the Stomach, Ringworm of the Intestines, Ringworm of the Lungs, Ringworm of the Liver, Ringworm of the Gallbladder, Ringworm of the Pancreas, Ringworm of the Spleen, Ringworm of the Kidneys, Ringworm of the Bladder, Ringworm of the Uterus, Ringworm of the Vagina, Ringworm of the Cervix, Ringworm of the Ovaries, Ringworm of the Fallopian Tubes, Ringworm of the Endometrium, Ringworm of the Myometrium, Ringworm of the Perimetrium, Ringworm of the Vagina, Ringworm of the Cervix, Ringworm of the Ovaries, Ringworm of the Fallopian Tubes, Ringworm of the Endometrium, Ringworm of the Myometrium, Ringworm of the Perimetrium.

WEDDINGS

Smith-Brownson. Cumberland Bay, Sept. 4.—A very pretty wedding took place on Sept. 28 at the home of Mr. and Mrs. E. A. Brownson, The Grange, Queens-County, when their youngest daughter, Wilma Ernestine, was united in marriage to Frank H. Smith, Cumberland Bay, Queens Co. The ceremony was performed by Rev. A. Sutherland, pastor of the Presbyterian Church, Chipman, N. B. The couple were attended, and only the immediate relatives were present.

A very pretty event was celebrated at the Mansie, Glasgowie, N. B., on the evening of Sept. 26th, when Isabella, eldest daughter of Mr. and Mrs. John E. Lamont, West Glasgowie, was united in marriage to Mr. Wm. J. MacLennan of Coldstream, N. B. Rev. K. C. MacLennan officiated in the presence of a small company of the bride's relatives and friends.

Beaconsfield supporters of J. B. M. Baxter and Thomas B. Carson, the Opposition candidates for Saint John County will meet each evening in the hall, 19 Dufferin Row at 7.30 o'clock, until election day.

OPPOSITION MEETING 'Prentice Boys' Hall West St. John, Thursday evening at 8 o'clock.

LLOYD GEORGE WILL DISCUSS IRISH PROBLEM

Expected He Will Review Earl Grey's Plan to Solve Troubles.

London, Oct. 5.—Premier Lloyd George will speak at Elmly on Friday and is expected to deal at length with the Irish situation. He will probably analyze Lord Grey's proposals for a settlement and also ex-Premier Asquith's, which appear in a letter to the Times this morning.

What would happen? asks the Evening Standard, "New Zealand or Australia were violently anti-British. They could so shape their fiscal policy as to destroy all trade between themselves and the Mother Country, and in such circumstances estrangement would inevitably proceed to the point of complete separation."

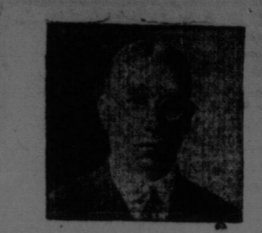

RUSSIANS ADMIT RETREAT London, Oct. 5.—Continued retirement of the Russians in the region south of Minsk, where the Poles have been rapidly driving eastward is reported in Monday's Soviet official statement from Moscow, received by wireless today.

URIC ACID IN MEAT Clogs The Kidneys

Take a glass of Salts if your Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that most forms of uric acid which almost paralyze the kidneys in their efforts to expel it from the blood.

DO THINGS HEARTILY

By HELEN ROWLAND

(Copyright, 1920, by The Wheeler Syndicate, Inc.)

Tasks done merely for the doing, are tasks half wasted—and time worse than wasted. When you do a thing, do it heartily. Put zest and fun and will to work at the very start. And like a horse with blinders, set your eyes to the path ahead. Appreciate your job. Fall in love with it. Let it reveal you to the world as you, in turn, find it a self-revelation. More blessed than the man who has found his work is the man who finds his work blessed. Work and service bind us all. And to enter into them heartily, feeling the purpose and end of both, is to reveal clearly the meaning of nobility in the world. The person who shakes hands heartily, who enters his place of business or home, or wherever, with the spirit of robust hope, also emphasizes the great gift of worth-whileness. The man who does things heartily is always welcome—whether he is invited or not. Better not start to do at all, than to start with the feeling that you cannot put heart and enthusiasm into the thing clear to the finish. The abandoned jobs are those that were started by men and women with slow and half-dead hearts—the finished jobs are those entered into by humans whose hearts beat an even and happy throb every inch of the way. Do things heartily—and you will always get them done happily.

MRS. LAUZON HAD GIVEN UP HOPE

Did Not Believe Any Medicine Could Do What Tanlac Did for Her.

"Tanlac has not only relieved me of my seventeen years' suffering, but has but me up to where I am feeling like a different woman," was the truly remarkable statement made recently by Mrs. Adeline Lauzon, of 115 De Marcellas street, Montreal. "It would be impossible for me to exaggerate the condition that I suffered on account of indigestion. I never dared to eat meat of any kind, and even the very lightest diet would give me a lot, burning sensation in the chest, and a sickening pain in the stomach. I was in perfect misery. My liver also was very sluggish, I suffered badly from constipation and frequently had dizzy spells when everything seemed to spin round, and I had to sit down to keep myself from falling. "I slept so little at night that in the mornings I felt more tired than when I went to bed, and my nervous system was so worn that I could not bear any noise would almost make me frantic. I tried many kinds of medicine, but none of them seemed to meet my case, and I almost gave up hope of ever being any better. "I never would have believed that any medicine could help a person like Tanlac has helped me. The first few bottles gave me a splendid appetite, I soon found myself doing anything I wanted and never suffer a particle from indigestion. I have already gained several pounds in weight, and am so much stronger I can do my household work with as much ease as I ever could. "My liver is now in good order, and I am no longer troubled with constipation or dizzy spells. My nerves are as steady as can be, I sleep like a child all night, and get up in the mornings feeling as fresh as a daisy. I don't hesitate to say that Tanlac is the best medicine I have ever tried, and I hope that all who suffer as I did will give it a trial. "Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—A.J.T.

SWITZERLAND PLANS BIG ELECTRIFICATION

(Copyright, 1920, by Public Ledger.) Paris, Oct. 5.—It was learned today from Swiss railway officials that Switzerland will spend 52,000,000 francs during 1921 for the electrification of railways. Already this year 600,000 francs has been spent on such work and by the end of 1922 it is expected that most of the great lines that run through the tunnels and passes, will be completely electrified.

Municipal Council Meeting Yesterday

Delegations Heard from Women and Board of Health.

The report of the Housing Board dealing with the work at present being done, as well as the request of the board that further money be granted to complete the houses under construction, and to meet the applications of clients for loans, brought forth considerable discussion at the meeting of the Municipal Council yesterday. The matter of the charges levied at the board, and the subsequent investigation of the board by a committee was also brought into discussion. No written report was received from this investigating committee on account of the absence of its chairman, Councillor Mosher in the west, but both the other members of the committee made verbal reports substantiating in some degree the charges that Councillor Campbell had made. Councillor J. M. Donovan was in the chair, in the absence of Warden Bullock, and the following others were present: Councillors Shanklin, Anderson, Dalzell, Campbell, Bentley, O'Donnell, O'Brien, Golding, Mayor Schofield and the city commissioners and J. King Kelley, county secretary. The council opened by going into committee to hear a delegation of women regarding the appointment of a woman to the Board of Hospital Commissioners. Mrs. E. Atherton Smith informed the council that this delegation represented over 2,000 women in this city whose views they expressed. She was under the impression that there was a vacancy on the board caused by the resignation of Dr. Crawford, and it was the wish of the

Society Wedding At Trinity Church

Miss Rosamond McAvity Married Yesterday to Alexander C. Orr of Galt, Ont.

A brilliant wedding took place yesterday afternoon in Trinity Church when Rev. Canon R. A. Armstrong united in marriage Miss Rosamond Bertha McAvity, daughter of Mr. and Mrs. George McAvity of this city, to Alexander Conkey Orr, of Galt, Ontario. His Lordship Bishop Richardson pronounced the benediction and addressed the bride and groom. The bride, who was given away by her father, wore a very lovely costume of Brussels net with train and bodice of white satin. The bodice was crystal embroidered with draperies trimmed with white satin roses and orange blossoms. Her veil of rose point thread lace was caught up with a wreath of orange blossoms. She carried a bouquet of pale pink roses tied with pearl pendants. Mrs. Henry O'Brien of Toronto, cousin of the bride, was maid of honor, and was attired in a handsome gown of orchid velvet with silver trimmings and wore a hat of silver lace trimmed with a wreath of sweet-heart roses. She carried a bouquet of orchids and roses. Miss Cornelia Adams of Columbus, Ohio, and Miss Orr of Galt, Ont., sister of the groom, were bridesmaids. They were attired alike in orchid tulle and wore tulle hats and tulle hats with pink roses and carried sheaves of pale pink roses. Miss Jean McAvity, niece of the bride, was flower girl, and wore a pretty pink tulle gown and bonnet, rose trimmed, and carried a silver basket of sweetheart roses. In addition to the many invited guests the church was thronged. The choir, followed by Rev. Canon Armstrong, met the bridal party at the door and a marriage service of great solemnity and beauty was performed before a reverent congregation. The choir sang "Perfect Love," while the bridal party were in the vestry. Allan Thomas of this city was best man and Hugh McLean, Ralph Hayes and Thomas McAvity of St. John and Arthur Fortier of Galt acted as ushers. After the ceremony a reception was held at the home of the bride's parents, 86 Orange street. The bride received in the drawing room, which was attractively decorated with white pedestals on which rested silver baskets of pink roses and maidenhair ferns with garlands of smilax. Large bouquets of pink roses and baskets of ferns were also used in the decoration. The bride's table in the dining room was very prettily decorated with a central vase of white carnations, white satin slippers, and horseshoes as favors. Candelied rose petals were a feature of the decorations while a dish covered with a white satin rose with heart of gold held white satin bags of rice and rose petals which were distributed to the bridesmaids. Mrs. Franklyn Stetson presided at the tea table. The health of the bride was proposed by Lieut. Governor Pugsley. Allan Thomas responded to the toast to the bridesmaids proposed by the groom. A gift of two hundred roses was received by the bride and their beauty added much to the many lovely decorations. After a wedding journey Mr. and Mrs. Orr will reside on Leinster Street. A very large circle of friends wished them ever happiness.

Buy "Diamond Dyes"—no other kind—then perfect results are guaranteed even if you have never dyed before. Drugist has color card.

women she represented that Mrs. R. Dunlop Smith be appointed to fill the vacancy. She said it tribute to Mrs. Smith's ability, energy and tact, and hoped that the council would see fit to endorse their nominee. Mrs. W. W. White and Mrs. J. Boyle Travers also spoke in support of Mrs. R. D. Smith's nomination. The county secretary said that the council had no information regarding a vacancy on the board. Mrs. E. A. Smith replied that it had been published in the press that Dr. Crawford had resigned and it was to be regretted if he had withdrawn his resignation. When the representative of the Rockefeller Foundation was here this summer he had advised her of the coming of an old man, and it was time that this was done. On motion of Commissioner Frink the council was then called to order. Finance Committee Report. The report of the finance committee, read by the chairman, Mayor Schofield. They recommended that the resolution adopted at the July, 1920, meeting of the County Council providing for an issue of bonds to net Four Thousand Dollars to pay for the erection of balconies at the St. John County Hospital be amended by fixing the amount of the bond issue at Four Thousand Dollars and the interest at six per cent. That the resolution adopted at the July, 1920, meeting of the County Council authorizing an issue of bonds to net Four Thousand and Fifty Dollars under the Lancaster, Sewerage Act be amended by fixing the issue at Four Thousand and Fifty Dollars instead of "to net Four Thousand and Fifty Dollars." That the resolution adopted at the July, 1920, meeting of the County Council relating to an issue of bonds to pay for the kitchen equipment at the General Public Hospital in Saint John be held open so far as the issue of bonds is concerned until the Act 2 George V, chapter 53 be amended by striking out the rate of interest provided in the said Act, and substituting thereof, "a rate of interest as may be determined by the County Council. That the cost of the kitchen equipment at the General Public Hospital having been paid for by the county treasurer, be carried on an overdraft by the county treasurer until bonds are issued. Accounts. Your committee recommend that the account of H. A. Porter as Coroner amounting to \$142.60 be paid. Your committee recommend that the payment of account of Dr. H. B. Gilmore, as Coroner, be withheld until he complies with section 2 of Chapter 53 of the Acts of Assembly of New Brunswick. Your committee recommend that the bills of G. P. Leonard, court stenographer, reporting coroner's inquests amounting to \$122.20; Miss Ellen stenographer, \$11; Miss Whitehead, stenographer, \$10.60, and M. V. Paddock, \$10 be paid, but that hereafter all returns of coroners in the City and County of St. John be accompanied with a full and complete statement on each inquest separately of every expense incurred in connection with each inquest; that no bill of expense shall hereafter be paid under any consideration unless it is accompanied with, and forms part of, the coroner's returns. Nearin Meredith. At the Esplanade Street Parsonage at four o'clock yesterday afternoon the pastor of the church, Rev. G. F. Dawson, united in marriage Wesley J. Nearin, a member of the city fire department, and Miss Mary Meredith of Boston, Mass. Many friends of the bridal couple were present at the ceremony after which the party went to the home of the bridegroom where a wedding supper was served. Later the happy couple left on a motor trip through the provinces. On their return they will reside in this city. They were the recipients of numerous presents from their many friends,

MRS. R. GORHAM DEAD.

Kingston, Oct. 5.—An old resident of Kingston passed away on Tuesday last in the person of Mrs. Gorham, widow of Mr. Raymond Gorham. She was formerly Miss Jane Hoyt, daughter of Mr. Charles Hoyt, and was in her 87th year. Mrs. Gorham leaves a sister, Miss Amelia Hoyt, with whom she had lived during the last few years; also four daughters, Miss Annie, of Sussex; Mrs. Howard Fowler, Misses Georgie and Jennie Gorham, all of Wollaston, Mass. The funeral took place last Thursday afternoon in the church yard of Holy Trinity church, Kingston, the Rev. Henry Waterton, rector of Kingston, officiating.

"JANEY CANUCK" TRAVELS "THE NATIONAL WAY"

Toronto, Oct. 1.—When the Canadian National Train from the west pulled in at the Union Station yesterday afternoon, Judge Murphy, of Edmonton, known throughout the dominion as "Janey Canuck," the authoress, smilingly stepped from the train. She was on her way to the Canadian Women's Press Club, where she will preside as president. Along with her was Miss Evelyn Murphy, president of the Edmonton Women's Press Club, and Mrs. Price, of the Calgary Club, all of whom stated they had never had a better trip from the west. "Oh, we are quite converted to the 'National Way,' and are certainly going to return via it," said Mrs. Murphy. "We never made such good time, and with decidedly comfortable steel coaches and courteous officials the trip was altogether ideal." Mrs. Murphy stated that the entire delegation of the Winnipeg Women's Press Club would travel via the Canadian National to Montreal, where the conference is to be held.

WINDSOR CHAPTER.

Windsor Chapter, I. O. O. E., met last evening at the home of Miss Gladys Shaw, Manawagonish Road. Arrangements were completed for a dance to be given in the near future in aid of Chapter funds.

Always the same rich, full-flavored tea. Sold only in the sealed airtight Red Rose Carton. Red Rose Coffee is always fresh.

Soldiers, Attention! How to Vote

Since the declaration of Peace on January 7th, 1920, returned men have had the right to vote on production of their Discharge Certificates.

This is correct despite the fact that the returning officers may not have been advised of this.

OBITUARY.

Mrs. Ann O'Brien. Many old friends, particularly on the West Side of the harbor learned with regret of the death of Mrs. Ann O'Brien, which occurred Monday at 357 Ludlow street, West End. She was the widow of Joseph O'Brien, harbor master, and in his day, one of the most prominent men in that section of the city. Surviving her are two daughters, Mrs. Joseph Pike and Miss Margaret O'Brien and two sons, Andrew and Joseph, all of St. John. Walter Lynch. The death of Walter Lynch took place yesterday morning at his residence, corner of Brussels and Clarence street. Besides his wife, he leaves three sisters and three brothers: Mrs. M. F. Leighton, Mrs. J. Henderson, Mrs. A. Gilfoyle and Messrs. Daniel, Edward and Henry Lynch.

PILES

Do not suffer another day with itching, bleeding piles. No waiting. No pain. Do not fail to get Dr. Chase's Ointment will relieve you at once and keep them from coming back. Get it at all dealers, or Edmondson, Bates & Co., Limited, Toronto. Sample free if you mail us a paper and enclose 2c. stamp to pay postage.

Some Reasons Why the Foster Administration Should Be Kicked Out

Because while they received during each year they have been in power an average of \$190,742 more from territorial revenue than their predecessors received;

Because in the same time they received \$16,000 a year more on an average from Company taxation;

Because in the same time they received \$51,000 a year more on an average from Motor Vehicle fees;

Because they put a new tax on every child in the province who wants to go to a picture or any other show, and received \$73,511 from that source;

Because they put a new tax on all the wilderness lands in the province and raised \$147,587 from that source;

Because they put additional taxes on the widows and orphans by increasing the Succession duties, and reducing the exemption from estates not exceeding \$50,000 to not exceeding \$25,000;

Because while their total revenue from all sources has averaged \$459,830 more in each year than their predecessors ever received;

Yet, in spite of all this additional income, they piled up in three years of their administration a deficit of \$802,000 odd.

And they call their administration of affairs a prudent, economical and business-like one!

On the top of this big deficit, they borrowed and borrowed, till they had added over FIVE MILLION DOLLARS to the public debt of the province.

Are the foregoing not good and sufficient reasons for turning the present Government out?

THE STANDARD'S FINANCIAL SECTION

SUGAR DECLINES TEN POINTS FAST ON MONTREAL EXCH.

Spanish Preferred Was the Strongest Actor in Small Trading There.

Montreal, Oct. 5.—Within slight increase to the volume of trading on the Montreal stock exchange today there was a much better tone to the market and a closing selling net was observed.

The only important unfavorable development was the crash of the sugar market. Atlantic sugar fell ten points to 107, and the west sugar to 113. The stock recovered to 118 and closed again to 116 at the close. The general weakness in the sugar market is given as the cause.

Best gains for the day went to Spanish River preferred, two points up to 116, and the common sold up to 114, but eased to 112 1/2, a net loss of 1/2 point. Lawrenceville advanced 1/2 point to 112 1/2. Abitibi gained 1/2, at 77 1/2, and the common sold up to 80, and returned 1 1/2 at 78 1/2.

Canada Car preferred sold 1/2 point higher at 91, and Toronto Railway gained 1/2 at 46 1/2. A one-point gain was made by Howard Smith at 166, Quebec Railway at 24 1/2, and Riddon at 24.

Total sales, listed, \$9,197; bonds, \$25,200.

WHEAT PRICES SENT DOWN TO RECORD LEVELS

General Rush in Pit to Sell at Opening of the Market in Chicago.

Chicago, Oct. 5.—Wheat prices collapsed today to a new low level. Every option in the market led to heavy selling, and in the end buying power faded away, with talk current that some difficulty had been met in financing wheat at the seaboard. The close was unsettled 1/2 to 2 cents net lower. March lost 1/2 to 3/8, and oats a shade to 1/2 to 3/8 cent. In provision the outcome ranged from \$1.40 decline to 2 cents advance.

At the outset, in the wheat pit, a general rush to sell carried the market downward, but shorts covered freely, and during most of the morning prices, although widely fluctuating, averaged higher than yesterday's finish. Foreign buying of future deliveries was noted, and it was said France would purchase 8,000,000 bushels from November 1 to July. Corn and oats were bearishly affected by the setback of wheat values. Both the food grains, as well as wheat, went to the lowest prices thus far on the crop. Lard and ribs were strengthened by reports of a better trans-Atlantic coal. Pork, though tumbled with hope and grain. Closing wheat December, \$1.89 1/2; March, \$1.83 1/2; Corn, December, \$1.57; May, \$1.74; Oats, December, \$1.45; May, \$1.58 1/2; Pork, October, \$21.50; November, \$22.10; Lard, November, \$18.70; January, \$16.62; Ribs, October, \$14.75; January, \$14.75.

RAILS COLLAPSE ON WALL STREET; INDUSTRIALS HIGH

Shorts Seek Cover on Persistent Reports That No Price Reduction is Contemplated.

New York, Oct. 5.—The character of the trading on the stock exchange today underwent a radical change, industrials and specialties for the first time in a fortnight supplanting rails in point of strength and activity.

Buying concentrated largely on steel and related issues, the shorts covering urgently on persistent reports that no immediate reduction of existing price schedules is contemplated by the larger producers or their selling agents.

This impression was heightened by word that one of the independent manufacturers in the Pittsburgh district intends to fix a \$60 rate on steel rails, as against the long prevailing prices of \$47 and \$48 a ton.

Other strong and prominent industrials embraced the equipments, motors, coppers and petroleums. To these were added such specialties as power issues, also textiles and chemicals.

Leaders of these diversified groups registered extreme advances of 1 to 7 points, but selling for profits, especially in the more popular steels and equipments caused considerable irregularity at the close.

ONTARIO MAY HAVE GOVERNMENT OWNED NIPIGON PULP MILL

Special to The Standard
Toronto, Oct. 5.—It is understood that the Ontario cabinet is considering the question of constructing a government-owned and government-operated pulp mill in the Nipigon region. If the project is decided on, power for the mill will be taken from the hydro-electric commission's plant in this vicinity.

TORONTO GRAIN

Toronto, Oct. 5.—Manitoba oats No. 2, cw, 69%; No. 3 cw, 68%; extra No. 1 feed, 65%; No. 1 feed, 63%; No. 2 feed, 62%, all in store Fort William. SYDNEY FURNACES TO MAKE EMPIRE STEEL INDEPENDENT

British Financiers Greatly Interested in Plans of the Big Canadian Merger.

London, England, Oct. 5.—Considerable publicity is being given to the new British Empire Steel Corporation, preparatory to the first issue of stock to be made on November 1. Sir William Beardmore, one of the leaders of the steel industry in Great Britain, states that the British steel makers are taking steps to make the industry self-contained, and this will be largely achieved through the formation of the British Empire Steel Corporation. At the present time over 60 per cent. of the ore used in Great Britain is imported from the United States, and it is expected that the new furnaces at Sydney are expected to operate to full capacity.

Lansdowne Ward — Murray street Hall.

Lorne and Stanley — Scott's Building, Main street, opposite Durham street.

Sydney — Jas. McCormick's Res., 71 Britain Street.

P. D. McAVITY,
Chairman.

You Can Depend On It

EVERY drop of Imperial Polarine is 100% lubrication. It spreads a protecting cushion of oil between all wearing parts, making each part function smoothly and reducing wear to a minimum.

It has exactly the right body — forms a perfect piston-to-cylinder seal, maintains compression, conserves power and saves fuel. It does not break down or run thin under extreme heat.

Imperial Polarine burns clean, reduces carbon deposits to a minimum and assures long life, smooth running and reliability to your motor at all times, under all conditions.

There is an Imperial Polarine grade for every motor need, from crank shaft to differential. Consult the Imperial Polarine Chart of Recommendations for the correct grade to use in your car — it is on display wherever Imperial Polarine is sold.

Sold in one and four gallon sealed cans, steel kegs, half-barrels and barrels, by dealers everywhere in Canada. Buy in large containers and save money.

New Offering of 8 Per Cent. Stock

An exceptional opportunity to become a shareholder in one of Canada's most progressive and successful industries is afforded by the new offering of Allen Theatres, Ltd., 8 per cent. preferred stock. This company controls fifty-eight theatres — the largest chain in Canada. The following features are convincing:

1. Assets securing the Preferred Shares are valued at more than \$7,000,000, or over three times the total amount of issue.
2. Earnings of the company for 1919 represented 18 per cent. on the Preferred Shares, and current fiscal year earnings are estimated at more than 28 per cent., or three and one-half times dividend requirements.
3. The management and control of the company is in the hands of Messrs. Jules and J. J. Allen, whose record of achievement and success is unsurpassed.
4. The craving for amusement comes first in the life of human wants and commercialized, under efficient management, represents an industry of the most permanent type.

Probably no business is less affected through labor conditions or hard times; it thrives amidst change and prosperity, and is still in the development stage. When one considers that in a comparatively short period of time this industry has become the fifth greatest in the world, one cannot help but appreciate its future possibilities.

An investment in the 8 per cent. Preferred Shares of Allen Theatres, Ltd., made now in the infancy of this company, and carrying a substantial free bonus of common stock, will likely prove more than ordinarily profitable. We have purchased this security for our own account only after most careful investigation, and for those having funds available, or in anticipation, we recommend these shares for investment.

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are especially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulence, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

AROUND THE CITY

RECEIVED WARNING.

The chief of police has received a letter from the Curtis Publishing Co., warning him of a magazine subscription reminder, who is said to be operating in this part of the country. Sgt. Detective Powers says he warned him to leave town during exhibition week.

TAKEN TO HOSPITAL.

Edward Kiscadee, 60 Brydon street, W. E., was hit in the face by a flying deal while at his work with a Foundation Company yesterday. His lips were badly cut and he was taken to the General Public Hospital, where the injuries were attended to, after which the man returned to his home.

PASSED BILLS.

The Common Council in special session at noon yesterday, passed the following accounts for September: Treasury Department, \$2,318.15; Public Safety, \$4,383.88; Electric Works, \$7,638.08; Water and Sewerage, \$2,235.23; Harbors, Parks and Public Lands, \$5,515.78.

LODGED INFORMATION.

Rev. George Scott, agent for the Children's Aid Society, left yesterday for Glasgow to lodge an information in the case of a boy, Wendell Green, whom he took from the home of Henry H. Law, at Queenstown. The boy appeared to have been the victim of neglect and was under-nourished, and is now being cared for in the Society Home.

RAILWAY OFFICIALS HERE.

W. K. Kingsland, assistant general manager of the C. N. R., arrived in the city yesterday morning from Moncton and left in the afternoon on the Valley Railway for Quebec. He was accompanied by Mr. Stewart, chief engineer of the C. N. R. New Brunswick district, who is en route to Toronto to succeed C. B. Brown as chief engineer in that district.

THE ROAD WORK.

A crew of men were working on the eastern side of Prince William street last night setting the paving stones between the street car tracks and the work is being pushed along rapidly. The concrete base between the rails is about finished, and the foundation for the roadway is being laid. The western side of the road is finished and is proving an excellent piece of work. The paving of City Road is progressing favorably and will be fully open to traffic the first of next week.

SEEKS INFORMATION.

Mrs. Alice R. Munger, 1924 Washington street, Boston, writes the chief of Police, inquiring for her brother, whose first name she does not know. Mrs. Munger's maiden name was Alice Donohue. She was a daughter of Chas. Donohue and his wife Bridget, whose maiden name was Bezzin. Mrs. Munger was born in St. John and thinks that there are families in the North End who might be able to give her news of her brother. Any information with regard to his whereabouts will be highly appreciated.

DIOCESAN BOARD OF WOMAN'S AUXILIARY.

Reports of the formation of three new branches were heard at the opening meeting of the season Diocesan Board of the Women's Auxiliary, St. Jude's school-room, west side, was well filled, and the statements made by the various officers showed that the affairs of the organization are in a healthy condition. Mrs. George F. Smith presided.

NEW PASTOR AND WIFE WELCOMED.

To welcome their new pastor and his wife, Rev. Harry Clarke and Mrs. Clarke, a congregational social was held at the Portland Street Methodist Church last evening. Reports of the year's work were read, showing that affairs of the congregation are in a good state.

A musical programme was given, in which the following took part: Miss Price, Miss Bromfield, Mrs. Carr, Miss Turner, and Mr. Lanyon. The Ladies' Aid served refreshments.

C. of E. Institute Annual Service

Rev. Canon Armstrong Preached at Trinity Last Evening.

Rev. Canon Armstrong was the preacher at the annual service of the Church of England Institute at Trinity Church last evening. The following clergy were in the sanctuary:—Archdeacon Forsyth, Canon Smithers, Rev. W. J. Wilkinson, Rev. Mr. Brockland, Rev. D. H. Lowth and Rev. Canon Armstrong.

The Church of England Synod

The committee of the Church of England Synod are holding their quarterly meetings in the Church of England Institute yesterday morning. Bishop Richardson presided, and an ordination candidates' council meeting and a theological study meeting were held. At 12 o'clock the matter of church literature was taken up, and at two o'clock the committee dealing with the question of the clergyman's widow's welfare held a meeting. The standing committee of the synod met at 2.30, and the social service council at 3.30.

The principal item at the Social Service Council was the decision arrived at to talk with the authorities in reference to a chaplain for the sea.

In the evening the standing committee on Sunday schools met. Organization for winter work in the various departments was accomplished, and the following officers appointed: His Lordship Bishop Richardson, chairman.

Dean Neales, deputy chairman. Miss Ethel Jarvis, primary department.

Miss Jennie Kee, statistical superintendent. Rev. C. W. Nichols, home department. Rev. W. P. Dunham, missions department.

Board of Health Regular Meeting

At the regular meeting of the Board of Health held yesterday afternoon it was decided, on the recommendation of Dr. Wm. Warwick, to order the closing of several houses that have been considered unfit for habitation. Several of these houses coming under the order are situated in Munroe's alley, off Paradise Row. The Board has decided to take action in several other cases unless the owners supply the deficiency promptly.

A discussion took place regarding further action towards the settlement of the pure milk situation. It has become evident that the whole matter depends on the cooperation of the C. N. R., and it was decided to ask the management to supply a refrigerator car for the transporting of milk from Kings county to the city.

Reports of the work done during the past month were received from the various agencies working in conjunction with the Board and considerable business was transacted.

THE Y. W. P. A.
At a largely attended meeting of the Y. W. P. A. Executive held last evening at the G. W. Y. A. rooms arrangements were made for the first meeting of the season, which will be held shortly.

Big Fall Rally of the Young Women's Christian Association to be held at the Recreation Centre, Friday evening, Oct. 8.—Good programme of speeches, music, and fancy gymnastics. Light refreshments. All interested in the Association are cordially invited.

THE McCALL BOOK OF FASHIONS FOR HOME DRESSMAKERS.
Consult it when undecided about the way to make up your new Dress. It is really a style guide in itself—puts every woman who sews next to the smart little wiles and ways of making things chic and clever.

Women who sew successfully keep it in their sewing rooms from season to season—to keep in pace with the new and smart in fashions.

Unwholesome and Unsatisfactory Fruit

Dealer Fined Ten Dollars in Police Court—Prohibitory Case and Three Drunks.

Because he kept unwholesome and unsatisfactory fruit for sale in his store when visited by the assistant food inspector, Mrs. Edmund Flewelling on Sept. 30, William Steeves, of Haymarket Square, was fined \$10 by Sitting Magistrate Henderson yesterday. Dr. Wm. Warwick, district health officer, T. M. Burns, secretary of the Board of Health, and Mrs. Edmund Flewelling, assistant food inspector, gave evidence for the prosecution. Steeves took the stand and said that the fruit in question was not for sale, but was being removed from the store. K. A. Wilson appeared for the Board of Health. The defendant was summoned as a result of information laid by Mrs. Flewelling.

Chas. Kennedy was charged with having liquor in his possession other than in his private dwelling. A square-face of gin was produced in court. He pleaded guilty and was fined \$50. Inspector Henderson made the arrest.

Three drunks, one of whom was a woman, pleaded guilty and were each fined \$5.

F. L. Potts On The True Brethren

Dedicated to Hon. Dr. Roberts and Premier Foster.

Now, there was in this city a man with two faces, whose name was Roberts. He was sorely tried. He had knelt beside the altar and swore to uphold the Great Temperance Cause, and it came to pass his Brother in Temperance flocked around him; and said: You have been faithful to us in our Cause of Temperance and we are going to make of you a great man among our people. They offered him the nomination on the Foster ticket that he might be of greater benefit to their cause, if he had a seat where laws are made for the government of our people.

And there was great rejoicing in the Main St. Temple when by the skin of his teeth he was elected on the tail end of the ticket in St. John, and he spoke unto them thus:—

You, of the Temple have conferred upon me a great honor by electing me as the Standard Bearer of the Temperance Cause in the Provincial House, and a Brother speaketh up and saith:—

You have been faithful to your obligations to us in the small Temple and we are sending you to the greater Temple, where laws are made and unmade; and your name may be heard over all men in the interest of Prohibition. But it came to pass there was a man called Foster, who also had two faces, and he said unto the Disciple Roberts:—

It may be well that your vote be registered in favor of prohibiting importation, but your voice must be still, it would ruin our cause if you were to raise it in favor of the Resolution before the House, and methinks you bear the Doctor say:—

Lo, and behold, I am now a politician and it is so written that Brother Foster and I must straddle the fence as we might not offend either those for or against Prohibition.

And behold at 11.30 on that evening before the Resolution was introduced, there appeared in the office of the Honorable Minister of Public Health two staunch supporters of the Temperance Alliance, who spoke unto the Minister thus:—

Brother, on the morrow we expect more of you than your silent vote. And if come to pass upon the following day the Doctor was struck dumb. Medical science or public health could not bring him out of the trance. The great moment of his life was at hand. He had the opportunity he had prayed for all his life, to raise his voice in the interest of Temperance. Oh! Brethren, in what should have been the greatest, grandest and proudest moment of his life, his tongue was still.

And now, may I say to you, on the 9th day of this month it is so decreed that we, who have sworn to uphold the Cause, will solemnly march forth and with our Ballots bury all that remains of the Honorable Doctor Roberts, and his dear adviser, the Honorable Premier Foster.—Adv't.

Persons new living in St. John City and County, who come on the voters' list in other constituencies and who wish to vote for Government candidates, may secure transfer by applying for certificate to any of the following barristers:—
H. S. Keith, Ritchie building, 50 Princess street.
L. A. Conlon, Ritchie building, 50 Princess street.
E. J. Henneberg, Canterbury street.
K. J. MacRae, Pughley building, Canterbury street.

For county voters: J. M. Trueman, Canada Life building.

One Show Imperial Tonight

Owing to the political meeting at 8.30 this evening, Imperial Theatre will have but one show of the programme advertised elsewhere in this issue.

BABE RUTH PICTURE CONCLUDES TODAY
Last time to see how Babe Ruth makes his mysterious home runs. Imperial packed with baseball fans since opening time Monday. Feature held over for a third day. All the big baseball stars in slow-motion (caught by the ultra-speed camera) and their methods laid bare. Also the last day for the sensationally fine Goldwyn feature, "Partner's of the Night."

Refuse Office On Hospital Aid

Sensational Stand of Methodist Ladies Due to Treatment of Former Nominee.

A meeting of the Women's Hospital Aid was held yesterday afternoon, at which meeting as a result of the treatment accorded Mrs. J. Vernon McLean on a previous occasion three ladies prominent in the Methodist denomination refused to have any connection with the Aid, and nothing of any importance was accomplished. On the understanding that a vacancy had been created on the Board of Hospital Commissioners by the resignation of L. Crawford, an executive meeting of the Hospital Aid had previously been held. At this meeting Mrs. J. Vernon McLean, who had been second in the running on the previous occasion for nomination on the Board, was chosen on the understanding that her nomination would be submitted to the City Council. Yesterday afternoon the general meeting unanimously accepted the action of the executive in this respect, although previously aware of the fact that Dr. Crawford's resignation had been withdrawn and that no nomination was necessary.

Resented the Slight
Mrs. E. A. Smith, who, during the last week, has been on the stump for Fosterite candidates, was in the chair, and in addressing the general meeting composed of both political parties, took upon the slight which the Aid had sustained in not being invited to be present at the laying of the cornerstone of the new Nurses' Home. She expressed the opinion that, in view of the assistance which the Hospital Aid had given, there should be adequate representation on the board, particularly as similar work has been particularly recognized in connection with the East St. John Hospital.

Arrange Tag Day
Mrs. Travers reported that in accordance with the request of the executive, she had written the Municipal Council, asking for a hearing, and that the afternoon had been appointed for the hearing. The hearing was held yesterday afternoon at 7 o'clock. Mrs. Travers, Mrs. Skelton and Mrs. W. W. White to form the delegation but Mrs. Skelton declined to act. It was also reported that contrary to public feeling, the mayor had given permission for a tag day to be held for the purpose of raising money to furnish the Nurses' Home, and the committee to arrange for tags was chosen, consisting of Mrs. Young, Mrs. Skelton, Mrs. Bohan and Mrs. Ralph Robertson.

Denominational Representative
The next matter of business was an appointment of a representative on the Executive Committee of a denominational vice-president from the Methodist church. This question was brought up by Mrs. R. Duncan Smith, and among the names suggested as possible successors, were: Mrs. John Young, Mrs. Frank S. Skinner and Mrs. George Steel. The meeting got into communication with Mrs. Seely by telephone, and under the circumstances Mrs. Skelton refused to act. The meeting endeavored to get into telephone communication with Mrs. Steel, but failed to do so, and having failed, appointed her without her knowledge. Mrs. Steel has since the meeting also refused to act. The position still remains vacant.

Mrs. Carleton Lee was elected vice-president at large for the Aid. It was drawn to the attention of the members that a mistake made at many meetings of both men and women in the recording of nominations. Several members asked if this was necessary and there was some discussion upon the matter, in which the president, Mrs. E. A. Young, and others joined. The next nomination, which was made was duly seconded.

Nurses Quit City
Mrs. W. W. White, in a clear way, drew the attention of the members to the fact that nurses are leaving the city because the Hospital and Nurses Home does not but any inducement to stay. She spoke of one nurse formerly on the staff, who has left the city for Moncton; another has received an offer from Halifax, while a third has been invited to accept a position in the United States. Mrs. White said that doctors and surgeons were obliged to accept the services of junior nurses, because it was not possible to get others. She praised the work these nurses were doing at the hospital, stating that they are courteous, willing and obliging at all times.

Mrs. A. C. Skelton thought that attention should be drawn in the newspaper to the really the beginning of a new hospital, and that emphasis should be laid on this point.
