SAY FOOD BOARD CUTTING PRICES

Carleton and Victoria Potato Growers Complain of Toronto Representative Bringing Manitoba Potatoes in at \$1.65 Per Bag.

A resolution passed at a meeting of the potato growers and shippers of the counties of Carleton and Victoria held at Florenceville, follows:

"Whereas, we understand the representative of the Canada Food Board in the city of Toronto has become active in the purchase and sale of Manitoba potatoes in competition with the growers and shippers of potatoes in this province and are offering potatoes at one dollar and sixty-five cents per bag of ninety pounds delivered in Toronto—a price which would allow or net the growers of potatoes in this province only two dollars per barrel, and

Whereas, the cost of growing and marketing potatoes this season will average at least three dollars per barrel of one hundred and sixty-five pounds f.o.b. cars at shipping points, this action of the Canada Food Board, if continued, will cause a serious loss to the potato growers of this province, and so discourage the farmers as to seriously reduce the production of this valuable article of food.

We feel that the action of your Toronto representative is not in accordance with the purposes for which your board was created, and consider it a discrimination against the potato growing provinces of Canada. We respectfully petition your board to cause the action of your Toronto representative to be discontinued.

A. A. H. MARGISON,
President N. B. Potato Growers' Association.

C. L. SMITH,
President United Farmers of N. B.

H. H. HATFIELD,
N. B. Potato Shippers' Association.

With a record crop of ten million bushels in Manitoba, and a big crop in New Brunswick to offset a somewhat smaller crop than usual in Ontario and some other parts of Canada, the total yield of potatoes this year promises to be above that of 1917, according to reports received by the Department of Agriculture from all parts of the Dominion. The New Brunswick crop is estimated at 8,650,000 bushels, as compared with but five million bushels last year. With a smaller acreage, Prince Edward Island will have

as good a crop as last year, and Nova Scotia and Quebec will have good average crops.

SPANISH "FLUE" AT HARTLAND

One house in Hartland is under quarantine for Spanish influenza and it is considered that there has been one other case, now well on toward recovery.

On Monday Dean Hammond arrived from Orono, whether he had gone last week to commence his second year at the University of Maine. He was a very sick lad upon his arrival here and was one of 40 sent away from the college as suspected cases of influenza. Upon his arrival Dr. Curtis was at once summoned and he pronounced the case an aggravated form of the real genuine grip. In his capacity as chairman of the County Board of Health the house was placed under strict quarantine. Mr. Hammond's condition this morning is reported no worse.

Dr. Curtis considers that Kenneth Thornton, now recovering from a light attack of pneumonia, has in all probability had an attack of what is popularly termed "Spanish influenza," which is no other disease than the severe type of la grippe that swept the country in 1889.

It is the duty of every person to avoid contact with infected persons or premises. The disease is not air-borne, but contagious by direct infection.

There is likelihood that throughout the province a general system of precautionary measures will be established. Schools, churches and all public assemblages will be closed if the disease becomes more alarming. And such an order may be issued by the provincial Board of Health any moment.

Grand Falls Girl Dies of Spanish Influenza

J. P. Kelley of Grand Falls received a telegram Wednesday morning informing him of his daughter's death of Spanish influenza at the Providence, Rhode Island, hospital where she was training for a nurse. Miss Bertha Kelly was well known all over the county, having been for a number of years with the Wade Drug company. She was in the last year of training, and about 30 years of age and much liked by a large circle of relatives and friends.

MAKE \$1.00 DO THE WORK OF TWO

Every Subscriber May Easily Save a Dollar

The date for advancing the subscription price of The Observer from \$1.00 to \$1.50 a year has been changed from Oct. 1 to Oct. 15. This extension of time is granted in order to allow every subscriber on our books to pay for one or more years at the dollar rate. It is an opportunity not to be neglected.

Within the past few days every subscriber in arrears has been sent a statement of account and given a chance to pay up at \$1.00 per year.

Every subscriber who has not received such a statement will know that their subscription has not yet expired. If they choose they may each send a dollar to us before Oct. 15 and they will be credited a full year from the date their subscription does expire. Each person so remitting will be sent a receipt showing the time to which they are paid, and will be sent a coupon good for 50 cents when the time comes around again to renew. This is in reality an opportunity to save a full dollar.

Pay a dollar on subscription account today and SAVE A DOLLAR later on. Today is the time. Tomorrow you may forget, and next week will be too late.

VICTORY LOAN CAMPAIGN

In the Victory Loan Campaign S. S. Miller, chairman, organized Aberdeen parish on Wednesday, Oct. 2 at Glassville. Councillor David Lamont is chairman and Arthur McIntosh is secretary. The executive committee is composed of Councillors Lamont and Derrah, John McIntosh and D. P. Fitzgerald. On Monday Oct. 7, a meeting was held for Upper Simonds at Florenceville. Rev. M. H. Mannel was appointed chairman, A. D. Jones, secretary, Thomas McCain, and Cook W. Boyer, salesmen. A strong Executive was formed which speaks for success later on.

The whole county is now thoroughly organized. Chairman Miller having given his whole time and tremendous energy to the work. The big drive will commence in about two weeks and if the people do their part with as much enthusiasm and vim as the county and parish officers exhibit Carleton county will again do her duty nobly.

Son of Rev. I. E. VanWart Killed

Sorrow has entered another Baptist Parsonage because of the sacrifice which war entails. On September 1 Rev. I. E. VanWart, pastor of the Norton field, received a telegram conveying the sad news that his second son, Wendell, had been killed in action Aug. 28. The older and only remaining son, Vernon, is also overseas, being at present in England training for a commission. The sympathy of all will be extended to Pastor and Mrs. VanWart and the other members of the household—Maritime Baptist.

Mrs Elizabeth Hartsgrove

Mrs. Elizabeth Hartsgrove died at her home at Glassville on Sept. 29 after two months illness. She was 53 years of age and leaves two sons, now in France. The funeral took place in the Church of England and interment was made in the Presbyterian cemetery. Rev. N. Franchette conducted the service.

FLAVOR-FULL

Undoubtedly there are degrees of flavor. Take Fruit for instance—you select an orange, and on eating it you find it to be flavory, certainly, but sharp—acid; choose another, a ripper more matured fruit, and it is luscious, the flavor is mellowed and rounded—it is FLAVOR-FULL. It is true of Tea. Nature is not equally kind to all. It requires expert knowledge and continual care to select and combine FLAVOR-FULL Tea to produce the delicious cup obtained from KING COLE Orange Pekoe.

A Lustrous Finish for Wood Work and Floors

PUT into your home the cheerful appearance that only sparkling freshness can give. Shine, back the lustrous, youthful beauty of the woodwork; make your furniture gleam like new. All this can be accomplished with ease. A brush, a pair of hands and your spare moments—and you can give your home the brilliant appearance of a new interior, by the use of

China-Lac

the perfect household finish. Producing a lasting finish that will resist wear, its color will not fade. The surface may be washed with soap and water; the lustre of China-lac remains undimmed. For hallways, doors, baseboards and all interior woodwork. China-lac comes in suitable shades. There is also gloss white (a hard washable white enamel for kitchen and bathroom—and for white where a soft white finish is desired).

China-lac is also the perfect floor finish—lustrous, durable, inexpensive. Will not crack or show wood joints. China-lac will give years of attractive usefulness to that flabby table which you have discarded because of its scratched surface. A few cents worth of China-lac will transform any piece of furniture.

China-lac, while staining the wood and giving a surface that gleams like glass, permits the natural grain of the wood to show through the finish, giving it a rich and valuable in one operation. Give it a trial you will not regret.

STRONG PEOPLE NEEDED

The need for people to be healthy is urgent. Those whom illness has put outside the ranks of robust men and women feel their position keenly. They are handicapped in every walk of life and weak men and nerve-worn women need more earnestly than ever to put their health right and become active and strong.

Many who began "patching" months ago are as ill now as on the day they began vainly tinkering with common drugs. Every ailing man and woman should remember that the life of debility, nerve exhaustion, indigestion, sleeplessness, neuralgia and depression come from a faulty blood supply. Work overwork or other causes have impoverished the blood and left the life-stream impure. The nerves thereby are starving and the whole system is languishing for new blood.

In this condition many thousands have won back strength through the new rich blood Dr. Williams' Pink Pills actually makes. In a weak or bloodless condition it is not only a waste of time and money, but also a further menace to your health to tinker with common drugs. Follow the example of so many thousands by giving Dr. Williams' Pink Pills a fair trial, and they will transform you into healthy, active, men and women.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

VICTORIA CO. IS ORGANIZING

A meeting was held at the Curless Hotel, Grand Falls, on Monday evening for the purpose of organizing Victoria county for the Victory Loan campaign. All parts of the county were represented. At 9 o'clock the men interested, numbering about fifty, sat down to supper, served in Mr. Stewart's best style, and strictly within war regulations. After doing justice to the excellent meal, a business meeting was held, at which Dr. B. A. Puddington, county chairman, presided. The provincial secretary, S. A. Thomas, was introduced and explained in detail the plan of campaign as outlined by the provincial committee. Rev. Father Joyner addressed the meeting in his usual interesting and forceful manner, and his words were highly appreciated by all present. Rev. Charles Flemington, of Andover, also gave a short and powerful address. Discussions as to the best methods of canvassing the county in the sale of Victory bonds followed, and were taken part in by several of the gentlemen present. On motion of T. J. Carter, seconded by A. J. Jensen, it was decided to hold meetings in all school houses in the county; to ask canvassers to call on practically every man and woman in their respective canvassing districts; to ask ladies to assist in the campaign.

A vote of thanks was tendered Dr. Puddington for the very efficient manner in which he conducted the proceedings. The meeting closed with the singing of the National Anthem.

Another meeting to make arrangements and organize the town was held in the town hall on Wednesday evening. Dr. Puddington called the meeting to order and a goodly number of the business men was present. The following were elected an executive committee: Matthew Burgess, D. J. Collins, F. B. Wilson, H. E. Wiley, W. R. McLaren.

The general committee is as follows: J. L. White, G. M. Taylor, Chas. Magnault, F. W. Pirie, Herbert Rideout, A. R. Haller, M. O. Bertelsen, Felix Charrette, Samuel Simkevitz, H. C. Glenn, James Watson, Dr. L. Chapman, Dr. C. A. Kirkpatrick, F. L. Dolan, Paul Gagnon, A. A. Dixon, F. W. Olmstead, S. J. Martin, W. L. Wilson, Thos. Mulhern, Thos. Corey, Nicholas Habesh, Jas. Carroll, J. N. Vasseur, Dr. C. A. Guy, A. W. Chamberland, W. E. Monagle, W. F. Kertson, J. J. Sirois, C. C. White, Wm. Pirie, J. R. McCluskey, G. S. Boadley.

It was decided that members of the committees would visit the parishes of Grand Falls and Drummond and assist in the organization.

Complaint From Andover

Mr. Stevens: It will be obliging if you will give a little criticism through the columns of your paper, to the citizens of Fort Fairfield, regarding the patronage they have given at the three day Chautauqua which was held here.

To begin with, I might state that Andover and Perth is only about six miles from Fort Fairfield, and at that location in the past few years, our people on this line have attended

A few months ago Chautauqua was held there and at least 50 per cent of our people were in attendance, and the guarantors of this Chautauqua felt that we would get a liberal patronage from the people in Fort Fairfield, so on Sat-

urday of last week we arranged that four of our town ladies go by auto to Fort Fairfield with a supply of season tickets, feeling that they would sell at least fifty or seventy five, but we are sorry to relate that not one ticket was sold.

I feel that this matter should not be allowed to go by without some criticism in some local paper. Unfortunately at the present time we have no local paper here, and it will be obliging to our citizens if you can spare a little space in this weeks issue to make some comment.

Yours truly,
N. J. WOOTTEN

In the afternoon Rev. J. H. A. Holmes spoke on the value of the Old Testament in training character and Rev. R. Britton gave suggestions for the improvement of Sunday schools. Rev. Mr. Holmes was the preacher at the evensong.

There was a Thanksgiving service held in All Saints' church on Sunday last.

Mrs. C. McCluskey and Mrs. S. C. Merritt attended the meeting in Fredericton of the Sixth annual convention, of the Women's Institutes, October 1, 2 and 3. While in Fredericton the delegates from here were entertained by the Countess of Ashburnham and used so well by all that they will long remember their stay in the Celestial city as one of the most pleasant experiences of their lives.

They also enjoyed the privilege of visiting the Home for returned soldiers, and talking with some of those who have been "Over there."

Mrs. McCluskey has always taken an active part in the work of the Institute and anything that went towards the comfort of our soldier boys. Mrs. Chas. Cyr, of St. Leonards, attended the convention in Fredericton, returning home Friday.

NEW STEEL BRIDGE FOR HARTLAND

It is the evident intention of the Foster government to rebuild the bridge across the St. John at Hartland, using steel and concrete in the work. The need of the bridge has been pressed home upon the Department of Public Works by Superintendent Campbell and A. D. McCain. The public has been given very little information concerning the matter, which is in striking comparison to the bridge bombast given out by former governments. Many an election has been run with Hartland bridge as the local issue, but with the present government "business is business" and this week preliminary soundings are being made for new piers. The building of such a bridge is a big job and department engineers will be busied through the winter preparing the plans and specifications. It is expected contracts for the piers will be let so the construction of them can commence at first low water.

Gerald were in Andover and Perth Thursday evening.

Mrs. Edith Kelly is visiting Miss Bessie Kilburn in Kilburn.

Mr. and Mrs. Joseph McLaughlin attended the Chautauqua in Andover Thursday afternoon and it was well worth going to see and hear the splendid music and lectures.

Miss Gertrude Sirois, who was operated on Sunday for adenoids and defective tonsils, is doing fine.

Miss Marie Pirie is quite ill the last few days.

John Osborne Flanders

On Sept. 28, John Osborne Flanders died at Maple View, Victoria County, aged 86 years.

On Aug. 31, 1859, Mr. Flanders married Elizabeth Hawkins, daughter of the late James Hawkins, of Douglas, York County. Soon after their marriage they moved from Bellisle to St. John, where for some years he and his brother conducted what was then The Farmers Hotel. In 1878 he removed to the Tobique and settled at Maple View where he had ever since resided. He leaves two sons and four daughters, James L. of Boston, and Miles E., of Maple View; Mrs. Jason Bacon, of Newton Highlands, Mass.; Mrs. Norman Wright of Plaster Rock; Mrs. Will Sadler, and Mrs. Wesley Crowe, of Maple View.

Victoria Red Cross

The local Red Cross workers held their first meeting since the recent picnic war supper given under their auspices on the church grounds at Prospect Hill. When the different committees made their reports it was learned that the affair had netted the sum of \$68. A tidy sum indeed, that will help along the good work that is being carried on by these local workers. Many outside those immediately interested in the work contributed freely of cooking and eggs, butter, cream and ice cream, and to these as well as to all who came and enjoyed a really good supper, the local branch wish to express hearty thanks and appreciation.

Weaver Notes

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You simply say to the drug store man, "Give me a quarter of an ounce of freezezone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet.

A few drops of this new ether compound applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, dries up and can be lifted out with the fingers.

This new way to rid one's feet of corns was introduced by a Cincinnati man, who says that, while freezezone is sticky, it dries in a moment, and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin.

Don't let father die of infection or lockjaw from whitening at his corns, cut this out and make him try it.

HOW STEVEN McMULLIN DIED

"They Do Not Die Who Fall in a Great Cause"

The following letter was received by the parents, Mr. and Mrs. W. P. McMullen, after the death of their son:

France.

Dear Mrs. McMullin: It is with a deep sense of personal loss and regret for his family that I write you regarding the death of your son, S. P. McMullin, which took place before I joined the battalion this time. I presume you have had particulars from some of the Hartland boys that were there. I got the information from Jim Pratt and Dickinson. Steven spent one day in support and two days in the front line and was on duty in a forward post when he was being relieved by L. Cpl. Dickinson (Hartland). They got out of the post and were walking back to our line when Steven was shot through the heart. His body was brought back and buried at Bellecourt. (I am not supposed to mention a town but I trust the censor will let it go through as it can't do any harm now, as we are continually moving). His grave is plainly marked and there will be no trouble finding it for years, and it will be well taken care of as there is quite a large cemetery there, and a great many of our boys are buried there.

That is one more of my boys gone. I try to keep track of them but it seems their casualties have been heavy. It was one of the hardest moments of my life when I bid my platoon goodbye, and we always look back on our happy days at Hartland, where the people used us so well and were so kind to us.

If I, as an outsider, feel the loss so keenly how much more must you who have had him with you for life, feel the loss, but our lives at best are only for a few short years and we trust the great God who rules the earth will allow us all to meet hereafter where we are not always saying goodbye and where we don't have wars.

Yours
W. C. McDOUGALL, Lt.,
26th Canadian.
Lieut. McDougall is affectionately remembered here, where during the spring of 1916 he was stationed in charge of the 15th Platoon, D. Co., 140th Batt., of which all the lads mentioned were members. The men were all later transferred to the 26th. A large number of the boys of Company D. have been killed.

In Memorium

In fond, loving memory of William S. Anderson, who died Oct. 11, 1917.

Father thou was't mild and lovely;
Gentle as the summer breeze,
Pleasant as the air of evening,
When it floats among the trees.

Dearest father, thou hast left us,
Here thy loss we deeply feel,
But 'tis God that has bereft us,
He can all our sorrows heal.

Yet again we hope to meet thee,
When the day of life is fled,
Then in Heaven with joy to greet thee,
Where no farewell tear is shed.

Had Headache For Two Years

A Barrie Man Tells of Persistent Headaches and Indigestion—Finally Found His Way to Good Health.

For two long years the writer of this letter was subject to severe headaches. The nervous system got run down, digestion failed, and there was continued loss of weight.

The use of Dr. Chase's Nerve Food changed all this, and now with scores of other Barrie people Mr. Nader is recommending the use of this food as the best means of building up the exhausted nervous system and curing headaches, indigestion and all the annoying symptoms of a run-down condition.

Mr. John Nader, 22 Pansong Street, Barrie, Ont., writes: "During the last two years I had an attack of indigestion, accompanied by severe headaches. I suffered from loss of appetite, and my system became run down. I also lost considerably in weight. I began using Dr. Chase's Nerve Food, and as they helped me I continued this treatment for some time. My condition is now greatly improved, my headaches are gone and my health in general is much better. I can cheerfully recommend the use of Dr. Chase's Nerve Food to those suffering from nervousness of any kind."

The reason Dr. Chase's Nerve Food is so effective in cases of this kind is because of its extraordinary mood-forming influence. By creating an abundance of rich, red blood it strengthens the action of the heart, vitalizes the exhausted nerves and builds up the system in every way. The appetite is restored, digestion improves, you rest and sleep well, and the new vigor and energy is felt in every organ of the human body. Dr. Chase's Nerve Food is doing wonders for men, women and children, whose systems have become weak and run down. It costs a box of 6 boxes for \$2.75, all dealers or Williamson, Bates & Co., Limited, Toronto.

McCain-Perley

A wedding of much interest in political and social circles was solemnized on Wednesday afternoon, October 2, in St. Anne's church, Fredericton, when Miss Laura Blanche, eldest daughter of George A. Perley, ex-M. L. A. of Margerville, became the bride of Andrew Davis McCain, son of H. H. McCain, ex-M. L. A. of Florenceville and himself one of the Liberal candidates in the last provincial election. The ceremony was performed by Rev. Orono Smith.

The bride entered the church on the arm of her father by whom she was given away. She was attired in a gown of silver tone, imported hat of brown, and carried a bouquet of cream and pink roses. Little Daisy Perley, niece of the bride, was flower girl. She was dressed in pink crepe de chine and carried a basket of pink and white asters. Mrs. Frank Good sang sweetly "Oh, Perfect Love," to the accompaniment of Mr. Oldham, the organist, who also played the wedding march. Mr. and Mrs. McCain left on a short honeymoon trip, after which they will reside in Florenceville. They were in St. John yesterday.

The groom's present to the bride was a diamond pendant, to the flower girl a miniature pendant and to the usher, F. T. Atkinson of Fredericton, he gave a handsome scarf pin.

The out of town guests included Mr. and Mrs. H. McCain, Miss Marie McCain of Florenceville, and Mrs. Slipp, of St. John.

THANKFUL MOTHERS

Mrs. Willie Theriault, Paquetville, N. B., says: "I am extremely thankful that I tried Baby's Own Tablets for my baby. Through their use baby thrived wonderfully and I feel as if I cannot recommend them too highly." Baby's Own Tablets break up colds and simple fevers, cure constipation, colic and indigestion and make teething easy. In fact they cure all the minor ills of little ones. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A Splendid Showing

The announcement is made that there was a deficit of only \$106 in the big transaction of seed grain carried out by the provincial Department of Agriculture last spring. The total amount expended was \$173,804, of which \$163,700 has already been returned to the province.

The sum of \$10,171 is still due, but is amply secured to the province. Hon. Mr. Tweeddale and the officials of his department handled the proposition in a business-like way and are deserving of every credit for the results achieved. That it was a mighty good thing for the province is shown by the fact that the wheat crop this year is the greatest on record, and is estimated to be worth at least \$2,000,000. It is no wonder we find officials of the food control department declaring, "We've got to take off our hats to New Brunswick."—Fredericton Mail

Success of Crown Lands Stumpage Sales

The members of the Provincial Government, particularly the Minister of Lands and Mines, are to be congratulated on the success of this sale of timber berths. For the first time in the history of the province the berths were sold on a stumpage basis and the result was highly satisfactory. Under the old plan of selling the lands on a mileage basis, the yield to the province amounted to about \$3 per thousand feet. Yesterday the berths were offered

HOW TO AVOID BACKACHE AND NERVOUSNESS

Told by Mrs. Lynch From Own Experience.

Providence, R. I.—"I was all run down in health, was nervous, had headaches, my back ached all the time. I was tired and had no ambition for anything. I had taken a number of medicines which did me no good. One day I read about Lydia E. Pinkham's Vegetable Compound and what it had done for women, so I tried it. My nervousness and backache and headaches disappeared. I gained in weight and feel fine, so I can honestly recommend Lydia E. Pinkham's Vegetable Compound to any woman who is suffering as I was."—Mrs. ANNE L. LYNCH, 100 Plain St., Providence, R. I.

Backache and nervousness are symptoms or nature's warnings, which indicate a functional disturbance or an unhealthy condition which often develops into a more serious ailment. Women in this condition should not continue to drag along without help, but profit by Mrs. Lynch's experience, and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound—and for special advice write to Lydia E. Pinkham Med. Co., Lynn, Mass.

at an upset price of \$5.50 per thousand and the price obtained ranged from that figure to \$17.50. The total sales aggregated \$70,000, on which a cash deposit of ten per cent was made. The result of the sale proves that the administration of the public domain is now in good hands.—Fredericton Mail

To every home there comes a time when every thought, every hope, every prayer for the future centres on the recovery of one loved one. In that hour of anguish, every means to recovery is sought—the highest medical skill, trained nurses, costly treatment. Does the price matter?

It may be so great as to stagger the imagination—a sum beyond the possible.

But does anyone ask, "Can we do it?" Money or no money, they do it. And somehow they pay.

It may mean doing without things they think they need. It may mean privations, sacrifices, hardships. They make unbelievable savings, they achieve the impossible, but they get the money to pay.

would pinch himself to relieve the sufferings of a loved one at home; and surely he would not pinch less for our fighting brothers in France.

Without suffering actual privations, nearly every family in Canada can reduce its standard of living, can practice reasonable thrift, can make cheerful sacrifice to enrich the life-blood of the nation.

You who read this, get out pencil and paper NOW. Set down the items of your living expense. Surely you will find some items there you can do without.

Determine to do without them.

Start TO-DAY. Save your money so that you may be in a position to lend it to your country in its time of need.

To-day in this critical period of our nationhood, there is imperative need for MONEY—vast sums of money. Only one way now remains to obtain it.

The nation must save, every community, every family, every individual Canadian must save.

If anyone says "I cannot save" let him consider to what extent he

We always keep this medicine in the house now ready for use and find that it soon cures coughs and colds."

Andrew Phillip Sr.

There passed to his rest recently, after a short illness, one of Upper Kintore's oldest and most highly respected residents, namely, Andrew Phillip, at the age of eighty-three years. He was born at Quatons of Drum, Aberdeenshire, Scotland, and came to this country in the year 1874. Some years ago while working in a sawmill, he was unfortunate enough to lose his left arm, but in spite of this he kept a small wood-working shop, where he worked until within a few weeks of his death. Mr. Phillip was a staunch member of the Presbyterian church and was always to be found in his accustomed seat in the "kirk," where he will be greatly missed by all. He lived an honest, upright life, attended faithfully to his duties and was one to be relied on. He leaves one brother, William, and several other relatives. The funeral service, conducted by the Rev. G. Pringle, was held at the home of his brother, with whom he had made his home; then his friends followed the body to the local churchyard where he was laid to rest.

AUTO-INTOXICATION OR SEED-POISONING

"FRUIT-A-LIVES" Absolutely Prevents This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing from the lower intestine regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder troubles; that it weakens the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are relieved as soon as the bowels become regular; that Pimples, Rash, Eczema and other Skin Affections disappear when "Fruit-a-lives" are taken to correct Constipation.

"Fruit-a-lives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the bowelling organs. Do a box, 6 for \$2.50, trial size 25c. As all dealers or sent on receipt of price by Fruit-a-lives Limited, Ottawa.

LOCAL AND PERSONAL ITEMS

The sympathy of the entire community is extended to the relatives of the late Mrs. William Reid who passed peacefully away at the Fisher Memorial Hospital on Wednesday evening following a critical operation. The funeral was held from her home on Friday afternoon and a large concourse of people attended the Services in the Methodist church of which she had been a devoted member for a number of years. The Services were conducted by Rev. J. B. Champion. Four of her sons acted as pall-bearers. The immediate relatives left to mourn are the husband, seven sons and two daughters. Two of the sons were unable to be present at the obsequies.

The concert given on Sunday evening by the members of the Sunday School of the United Baptist church was much enjoyed by all and reflected great credit on all those interested. The Sunday School has taken upon itself the worthy task of providing funds for the support of a Native Missionary in India for the ensuing year.

A delegation of the members of Centre Lodge I. O. O. F. to the number of twenty five visited the brothers of Bridgewater Lodge on Friday evening. We are all glad to see the evident revival of the good spirit of Oddfellowship in our midst.

A goodly delegation of our citizens attended the Chautauqua concert which were held at Florenceville and Mars Hill, alternately, and all seemed greatly pleased with the admirable shows which were put on by high class talent.

Robert Lee, on the Bank of Nova Scotia staff here for the past two years, has been transferred to the branch at Port Elgin, leaving for his new post on Monday.

Mrs. Jennie Beckwith and family left on Tuesday for Houlton where they will reside for the immediate future. On Monday evening she was waited upon by a number of lady friends who spent a pleasant hour and presented her with a pretty little gift and address.

The lure of the bright silver and crisp bills, accruing from a little labor in the potato vineyard has tempted even some of the soft palmed young maidens to bend their backs to the job. Fifteen cents a barrel bad! makes scratching potatoes not so bad.

Randolph Clark Salesman for the Dayton Scale Co., left on Wednesday on a business trip to Fredericton and points on the North Shore.

GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost of one must pay for a small jar of the ordinary cold creams. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin soother, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.
