N. B. TEACHERS CHANGE SCHEDULE

Make Their Schedule Conform to That Passed in The Legislature—Makes Reductions But Will Avoid Friction and Confusion—Report on Pensions at Executive Meeting Here—The Association Has 957 Members.

At the annual meeting of the executive of the New Brunswick Teachers' Association, which was held in Fredericton recently, the minimum wage schedule for all ungraded schools was changed so as to conform with the schedule passed by the legislature two years ago. This step was taken in order to avoid confusion and friction between the teachers and trustees where the former minimum set forth in the teachers' schedule, plus the Government grants, didn't conform to that adopted and agreed to by the Legislature.

In explanation of this step it was said that in some instances where the teachers' schedule called for a minimum salary of \$450, the addition of the Government grant, which is included in the minimum salary under the act, would bring the salary up to \$550, or \$50 over the amount set forth by the act as the minimum salary for the teacher. The same illustration applied to the various minimum wages in ungraded schools.

It was said after the meeting that not one case of a teacher having taken advantage of the ignorance of the trustees in the matter of salaries under the minimum wage schedule was reported, although every effort had been made to have such cases brought to the attention of the executive. It was felt by the members of the executive that the statements regarding such cases were greatly exaggerated and steps will be taken to remove such an erroneous opinion from the minds of the public. The membership in the association now numbers 957, an increase of 113 over the membership last year, which was 845. The association has rapidly grown since its inception in 1918 with 42 members.

W. J. S. Myles, of St. John, chairman of the pensions committee, submitted a lengthy report on the activities of that committee leading up to the passing of the pensions bill by the legislature. This matter had been first taken up two years ago but Premier Foster had not introduced the bill before the legislature in 1921, not being satisfied with the proposed legislation at the time. The committee had, on the suggestion of the Board of Education, submitted their report to the Carnegie Foundation for examination before again approaching the legislature. The report estimated that there would be 55 pensioners up until 1930. The average pension last year amounted to \$265, but owing to increased salaries it was estimated that this would be doubled, approximating \$500, this year. The report having been favorably received by the Carnegie Foundation, the matter of legislation was again taken up with the Government, resulting in the passing of the bill with some changes

recently.

The reports of the various committees showed that practically everywhere in the province the minimum salaries were being paid with some few exceptions where the localities were hard hit by the depression in the lumber markets, or local conditions. The new schedule adopted by the executive made provisions for those districts where reductions in the minimum salaries asked varied between \$50 and \$200, and it was said today there were practically no new increases made in the schedule. The largest cut in the schedule was made in the minimum salary for the principal at Keswick Ridge, York county, where a reduction was made of \$200, cutting the minimum to \$800. Chatham and Newcastle have not yet adopted the schedule, although the rural districts of the North Shore have already done so, and it was explained this was due to the financial depression existing in these towns.

The following members were present: Dr. B. C. Foster, Fredericton; G. H. Harrison, Chatham; A. O'Blensie, Moncton; Wm. Burns, Fredericton; W. J. S. Myles, St. John; C. T. Wetmore, Rothesay; Dr. G. J. Oulton, Moncton; Miss Beattie M. Fraser, Grand Falls; W. F. Russell, Rothesay; Miss Regina Martin, Edmundston; Miss Elita E. DeWolfe, St. Stephen; Miss Beattie Ferguson, Richibucto; C. D. Dickson, Chipman; and A. S. MacFarlane, Fredericton.

DEATH OF WELL KNOWN PEEL BOY

William N. Burke, a well known resident of Lowell, Mass., died Thursday evening, April 20, at the Lowell Corporation Hospital, after a long illness, aged 54 years, one month and 18 days. He is survived by his wife, Mrs. Winifred Burke of Lowell, three brothers, Alton L. of Los Angeles, Cal., Frank A. G. of Lowell, Mass., and Barrell B. Burke of Lewiston, Me.; four sisters, Mrs. L. P. RECEPTION AT EAST FLORENCEVILLE

On Saturday evening, April 15, the Live Wire or Junior Bible Class of the U. B. S. S. held a reception for Willie Simonson, one of its members. Mr. Simonson has since February been in possession of a dairy farm near Moncton, where he has been since that time. He arrived home Friday, April 14, and was greatly pleased with the reception given him on Saturday evening. The invited guests were, Miss Zola Giherson (bride to be), Mr. and Mrs. Giherson, Mr. and Mrs. L. A. Simonson and Mary, Rev. and Mrs. I. W. Williamson, Mr. and Mrs. D. F. Smith and Ronald. Mr. Smith is the teacher of the Junior Bible Class. During the evening games were played, refreshments were served, and then came the most important part of the program—Mr. Simonson and Miss Giherson were the recipients of a beautiful cut glass water set. Mr. Simonson thanked the class in his most winning way and the happy group broke up at a late hour. On Tuesday, April 18, Mr. Simonson and Miss Giherson were married at the bride's home, Bristol, by Rev. I. W. Williamson and the happy couple took the afternoon train for Moncton where they will reside.

Aurele Bernabe	81

The first two were declared elected. The new Council consists of the following: Max D. Cormier, Mayor, elected by acclamation.

Aldermen Ward 1—Dennis M. Martin*, Ernest Belanger*.

Aldermen Ward 2—J. Alme Michaud*, Elsieur Ouellet*.

Aldermen Ward 3—J. Frank Rice, T. Medley Richards, Jr.

Aldermen Ward 4—N. P. Legere*, Romuald Nadeau*.

* Those marked with an asterisk were elected by acclamation.

There are three of the old council elected to serve this year—Elsieur Ouellet of Ward 2, N. P. Legere of Ward 4, and J. Frank Rice of Ward 2. The voting was brisk throughout the day, a number of carriages and automobiles being used in bringing the voters to the poll.

Now History Repeats Itself

Modern scientific research has revealed that many present-day healing methods were actually in existence thousands of years ago. For instance, zam-buk the world-famous skin healer of to-day, had its counterpart in the secret healing balms of Imperial Rome. These were used by the fighting gladiators for dressing wounds and sores.

Like the precious balms of long ago, zam-buk is composed exclusively of rare herbs, juices and extracts, but scientifically blended and concentrated into convenient form for modern use.

Applied to any cut, wound or sore, zam-buk swiftly takes out pain, irritation and inflammation. Powerfully antiseptic and germicidal, it cleanses the inner tissues of poison and disease germs. Its stimulative and healing agents grow new skin as by magic.

Lightly and most important, zam-buk is absolutely free from the animal fats and mineral drugs found in most ointments to-day. 100% pure herbal medicine, zam-buk is always safe and wholesome to use even though kept for months.

For cuts, burns, scalds, sprains, sores and wounds; or the big troubles like eczema, salt rheum, lice, ringworm, poisoned sores or piles, nothing can take the place of zam-buk. Get a fifty cent. box of this pure balm to-day.

PERJURY CASE

(Edmundston, Observer)

A case, which has been occupying the attention of the Police Magistrate during the past three days is that of Daniel Landry charged with perjury by Vital Daigle, in connection with a bill of sale held by the accused against the effects of Vital Daigle. Max Cormier is the lawyer for the crown and Albert Dionne is looking after the case for the accused. A number of witnesses were examined and the proceedings at times were enlivened by tilts between the attorneys of the Crown and of the accused. Owing to the majority of the witnesses not understanding the English language the constant use of an interpreter was needed. Police Magistrate J. B. Michaud presided. The case has been postponed until next Friday.

KNEES SWELLED TO THREE TIMES NORMAL SIZE

HALIFAX WOMAN WAS LAID UP IN BED FOR WEEKS AT A TIME BEFORE SHE GOT TANLAC—NOW DOES ALL HER OWN WORK

"I don't believe anybody ever suffered from rheumatism any worse than I did and its just wonderful the relief Tanlac is bringing me," said Mrs. Margaret Gummells, 118 Agricola St., Halifax.

"Nobody knows how I suffered during the past fourteen years. My knees used to swell up at times until actually they were three times their normal size. The sinews and tendons of my legs felt like they were tied in knots and my arms and shoulders were so sore that often I could not hold a broom, much less do my work. When the spells were especially severe I would be laid up for five or six weeks at a time.

"The swelling has all gone out of my legs now and the rheumatism is leaving me day by day. In fact, I'm so much better that I can get all about the house and do my work, something I haven't been able to do for years. I feel better in every way and owe a debt to Tanlac I can never repay."

Tanlac is sold in Hartland by Estey & Curtis Co., Ltd., and by leading druggists everywhere.

TEACHERS AND TRUSTEES

To the Editor of The Observer,
Sir,—Your readers will doubtless re-
member that at the trustees' con-
vention which met a few months ago, a
statement was made that some teach-
ers had deceived their trustees by re-
presenting to them that the minimum
salary required by the Act was ex-
clusive of the government grant to
teachers, whereas it is inclusive of
the same. It was further suggested
that the Teachers' Association should
take some action in this regard.

Believing that this matter, involv-
ing as it does the bona fides of the
teachers, should be investigated, the
secretary of the association on con-
sultation with the president, sent out
to the members of the executive a
circular requesting them to make dili-
gent enquiry as to whether any well
authenticated cases of this kind had
occurred in their district, and to re-
port same.

At the recent meeting of the execu-
tive all the members reported that no
instances of the kind charged had
been discovered. As the members of
the executive come from all the coun-
ties of the province, it would appear
that the number of cases where such
deception has been practised has not
been great.

In order that it might not be an ex-
parte investigation, it was resolved
that the president write a communica-
tion to the leading newspapers of the
province, inviting any person who has
knowledge of any case of the kind
mentioned above to report the same
to A. S. McFarlane, Esq., secretary of
the N. B. T. A., Fredericton, N. B.

As president of the association I
call upon all persons having authentic
information concerning this matter to
act in accordance with the above res-
olution.

After an illness extending over sev-
eral weeks Eliza, widow of the late
Robert Carmichael, passed away at
the home of her son Deacon J. F. Car-
michael, Good Corner, on Wednesday

Mrs. Carmichael had reached the
advanced age of 86 years. She was

Rev. Jos. Harvey a great many years
ago and was loved and esteemed by
all who knew her.

sons—John, of Good Corner and Char-
lie, of Robinson, Me., and one daugh-
ter, Mrs. Aaron Doherty, of Tracey
Mills, fifteen grand-children and twenty
great grand children; two brothers
also survive. One son George of
Bridgewater predeceased his mother
a few years ago.

spoke comforting words from Rom.
14:7. She was laid to rest by the side
of her husband who predeceased her
nearly thirty-eight years ago, in the

The floral offerings, especially a
spray of roses and carnations were
very beautiful.

given in marriage by her father and
looked charming in travelling suit of
navy blue with hat to match. Mrs.
Hiram Banks played the wedding
march. Dinner was served immedi-
ately after the ceremony as the young
couple left on the express for their

Simonson has purchased a large dairy

POPULAR UP RIVER COUPLE MARRIED

On Tuesday afternoon there was
great rejoicing in Bristol when Miss
Zola B. Giberson was united in mar-
riage to William A. Simonson of Flo-
renceville. The young couple have
spent all their lives in this section of
country and therefore had a large cir-
cle of friends who were interested in
the happy event. Miss Giberson was
visited at her home some days ago by
the representatives of the Bristol Unit-
ed Baptist Sunday School of which she
had been the faithful organist for
some years and presented with a
beautiful tea service and the prayers
and good wishes of all her Sunday
School associates. A few days later
she was treated to a popular shower of
valuable necessities for her new home.

Mrs. E. R. Merich being the hostess on
the occasion. Mr. Simonson, who left
Carleton county two months ago to
establish himself in the dairy busi-
ness in Moncton, where he bought a
large farm and stock returned to his
father's home last week-end and Sat-
urday night he was invited to meet
his former fellow members of the
Young Peoples' Bible Class of the
United Baptist church. After an eve-
ning of games and merry making, B.
F. Smith, teacher of the class, called
Will to the carpet and in a very hap-
py speech gave him some good ad-
vice as he started upon the great ven-
ture of matrimony, and also presented
to him as a token of goodwill and
wishes from his friends a beautiful
cut glass water set. In his reply Mr.
Simonson revealed that he would be
able to appreciate all the responsibil-
ities of the new relationship with the
lady whom he had been trying to un-
dersand for the past four years. Re-
freshments were served by the ladies.

The young people were married at
the bride's home in the presence of a
few intimate friends and relatives, by
Rev. I. W. Williamson. Miss Giberson

C.O.F.E. CONGREGATION EASTER MEETING

(Edmundston Observer)

The regular annual meeting of the
parishioners of the St. John's Anglican
church was held in the church on Easter
Monday evening the Rector, Rev.
N. Franchetti, presiding.

The treasurer's report presented by
the rector showed that the church was
in a flourishing condition. After hav-
ing thoroughly renovated the interior
of the church, installed a new furnace
and other improvements, all of which
have been paid for, there is still a re-
spectable balance in the bank to the
credit of the church. A number of
parishioners expressed their appre-
ciation of the excellent work done by
the rector since coming to the parish
less than a year ago, and a unanimous
resolution was adopted granting the
rector a month's vacation, at a time
suitable to himself.

The rector expressed his apprecia-
tion of the kindness and hearty co-
operation of his parishioners, and
made special mention of the generos-
ity of two members of the congrega-
tion in donating a west window, hard-
wood floors and other improvements
in the church. He also announced
that a parishioner who requested that
his name be not disclosed had offered
to provide paint for the exterior of
the building, and on motion the rector
was instructed to accept the gener-
ous offer and was appointed a com-
mittee of one to have the work done
immediately, and it is anticipated that
it will be completed before his Lord-
ship, Bishop Richardson, makes his
Episcopal visit in June.

An unanimous resolution was adopted
expressing the sorrow of the parish-
ioners in the recent removal by
death, of a late officer of the Church
in the person of Fred Dayton, and
the heartfelt sympathy of the congrega-
tion was extended to the family.

It is of interest to our readers to
know that on Easter Monday, April
17, 1876, just forty-six years ago to a
day, a meeting of the parishioners of
this church was held, and the follow-
ing resolutions adopted "That the
Church Wardens be instructed to pro-
ceed with the building of church, as
soon as conveniently possible, and
that the Church Wardens shall at
once endeavor to collect as much as
possible of the money at present sub-
scribed for building a church." An-
other resolution was that the name of
the church be "Saint John's."

The Church Wardens of 1876 were
John T. Hodgson and A. R. Balloch,
the vestrymen, William Emmerson,
George Emmerson, George T. Hodg-
son, S. R. Plant, Thos. Emmerson,
John J. Robinson, Robert Emmerson,
T. Medley Richards and Fairfax
Moorhouse. T. Medley Richards, ves-
tryman in 1876, has been a warden
continuously since 1878 and was re-
elected senior Warden for 1922.

The following were elected for the
ensuing year: Wardens—T. M. Rich-

ONTARIO MOTHER HELPS DAUGHTER

Mothers—watch your daughter's
health. From the time she reaches
the age of twelve until womanhood
is established she needs your care

fered years of ill-health through lack
of such care during this time.

Lydia E. Pinkham's Vegetable

girls and women. For nearly fifty
years it has been helping mothers
and daughters. Let it help you and
your daughter.

daughter was thirteen and with me
was fifteen she suffered every month
so that she could hardly move around
the house and when she would have
the pains in school she would have to
be carried home. Besides the pains and
the irregularity she also had headache,
dizzy and faint spells, and soreness
in her back. I saw your advertisement
in the Hamilton Spectator and
got Lydia E. Pinkham's Vegetable
Compound for her. She does not
have the least bit of trouble now,

Michaud spoke of the delegation which
came to Ottawa in connection with
the cancellation of the fast freights
and of the good impression which
they made upon the several men in-
terviewed.

Mr. Michaud spoke of the Minister
of Railways coming to his private
rooms afterwards and of the conver-
sation they had together concerning
the request of the delegation, and the
urgent need of the fast freights
through our growing and progressive
town. He was given every reason,
at the close of the interview, to be-
lieve that the requests would be grant-
ed and that the justice of our claim
was recognized. Mr. Michaud showed
the representative of the Observer a
telegram he had just sent to the gen-
eral manager of the C. N. R. again
urging despatch in the resumption of
the train service.

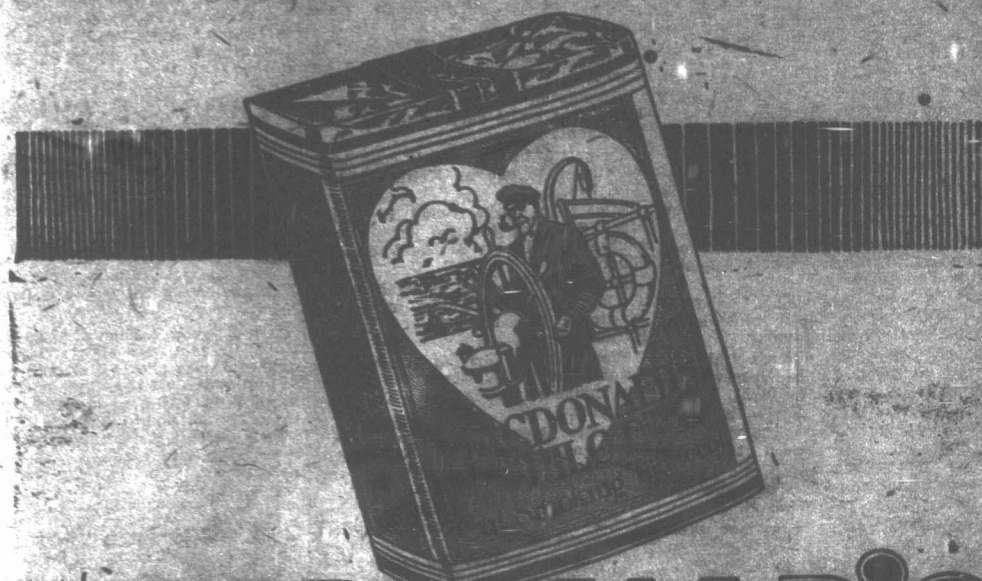

In regard to the new Federal build-
ing, Mr. Michaud said that the claim
which we had for a new post office
and Customs was recognized, that
there was no doubt that we should
get one in a short time, whether this
year or not he was not sure. But he
was sure that the government offi-
cials fully understood the urgency of
the case, and that he himself would
leave no stone unturned to get a
Federal building for Edmundston this
year.

Asked regarding the make up of
Parliament he spoke of the three par-
ties, of the fact that the Conserva-
tives and Progressives numbered 117,

to the government's party of 118, in-
cluding speakers. He looked upon Mr.
King the Premier as a man well fit-
ted for the task in hand, broad minded
and diplomatic, and a great leader.

In conclusion Mr. Michaud spoke of
the pleasure it was to him to get The
Observer week by week, and said a
number of things complimentary re-
garding the successive issues. He re-
quested that a copy be sent to the
reading rooms of the House of Com-
mons for the use particularly of the
New Brunswick members. He also
spoke of having translations made
from the recent numbers and having
them sent to different persons in New
Brunswick and Quebec.

Mr. Michaud left for Ottawa on the
Temiscouate on Tuesday.

New Federal Building

(Edmundston Observer)

The delegation sent by the Board of Trade and by the Town Council to interview the authorities in Montreal and Ottawa concerning the cancellation of the fast freight and the federal authorities in connection with the request for a new post office and Customs building for Edmundston are back, and have submitted a report to the Mayor and Town Council. At the time of writing, the new Council and the new Mayor have not yet taken office, but the report will be presented to them probably before this paper is published. We have been favored with a copy of the report, which we produce for our readers with a great deal of pleasure, as it shows that the delegation accomplished a great deal

Backache

Backache is the outstanding symptom of kidney disease. Women often make the mistake of attributing other causes and overlook the derangement of the kidneys until serious developments have made it difficult to obtain permanent relief.

This letter points to a treatment which has been so thoroughly tried and proven so effective in the great majority of cases that you cannot afford to overlook it when cause arises for its use.

Mrs. Albert Brunet, R.R. No. 1, Ottawa, Ont., writes:

"I have used Dr. Chase's Kidney-Liver Pills for the past two months, having been afflicted with kidney trouble. I used two doctors' medicine previous to this, without any good results. A friend told me to use Dr. Chase's Kidney-Liver Pills, and the second box made me feel a good deal better. I have now used about six or eight boxes, and am completely relieved."

in their several interviews.

Edmundston, April 15. To His Worship the Mayor and the Town Council of the Town of Edmundston and to the Edmundston Board of Trade—

Gentlemen: As your delegates we beg leave to report as follows in regard to railway matters:

We proceeded to Montreal, and there had an interview with Messrs. Kingsland, Weldon and Tiffin of the Canadian National Railway System, with a view of having restored the fast train service recently taken away and diverted to the main line. We were received courteously and the subject was gone into quite fully. We were told that the reason for the change was the falling off in business and a desire to economize. We questioned the wisdom of the change and presented arguments against it. Finally we were assured that the management were awaiting the report of a man whom they had sent specially to investigate this matter, and if the report were favorable we could hope for a restoration of the service.

We then proceeded to Ottawa and had an interview with Mr. Hanna who gave us a most attentive hearing and informed us that the subject was being given his most serious consideration; and later on in the day Mr. Plus Michaud, the federal member for this constituency informed us that in his opinion the service would likely be restored at once, and on our returning again to Montreal, we were informed that the "report" was likely to be favorable.

In regard to the Federal Building

Through the efforts of Mr. Plus Michaud we were able to have interviews with the honorable, the Minister of Public Works in the morning after our arrival in Ottawa, and with the Honorable the Minister of Finance and the Secretary of State in the afternoon of the same day. The Hon. Mr. King, Minister of Public Works, after hearing our case, admitted that this town was in need of a federal building for Post Office and Customs House purposes, and promised his best efforts in that behalf, but intimated that it would not be an easy matter to obtain a grant this session. The Hon. Mr. Fielding, Minister of Finance, gave us a very attentive hearing, and finally admitted that our case was unanswerable, but on account of a rule which the government had laid down for this year, providing against the expenditure of moneys for public building this year, he could not promise any aid at this time, but that at our earnest request, he would bring the subject up again in Council when the supplemental estimates were being considered. Hon. A. B. Copp, Secretary of State, who was also present with Mr. Fielding, assured us of his sympathy and support. We also saw some of the private members of the House; namely, Messrs. Baxter, Hanson and Dr. Murray McLaren, all of whom stated that they were familiar with our needs and expressed their intention to speak on the subject in the House when the proper opportunity presented itself in the consideration of the main estimates. Other work done to strengthen our case, about which is it unnecessary to go into details, and before leaving we had the assurance of our representative, Mr. Michaud, that he would leave no stone unturned to obtain a grant this season.

In concluding we may say that in our interview with Messrs. Kingsland et al, we were informed that the Campbellton trains would run to and from Edmundston.

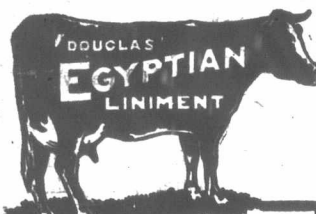

Respectfully submitted,
