

The Acadian

DEVOTED TO THE INTERESTS OF WOLFVILLE AND EASTERN KINGS

Vol. XL. No. 26.

WOLFVILLE, NOVA SCOTIA, FRIDAY, APRIL 15, 1921.

\$2.00, payable in advance

Re Town Clerk

To the Editor of THE ACADIAN.
Dear Sir,—The appointment of a Town Clerk is perhaps the most important item of business at present facing the Town Council. It is to be hoped that this matter will engage the careful consideration on the part of our civic rulers. The position is a most important one and the welfare of the town depends very largely upon its being filled by the right man. Because a man is not otherwise engaged and in need of a position, if he is not properly equipped for doing the work should not warrant his appointment to this post. Since the incorporation of the town most of the difficulties experienced have been because of work imperfectly done or altogether neglected at the Town office. The experience of the past should prompt the members of the Council to use the greatest precaution in making a new appointment and citizens will hold them accountable. The work of the Town Clerk requires initiative and good judgment and ought not to be placed in the hands of a man who has failed to make good. Wolfville needs a young man with plenty of energy and ambition to take hold of the work at the Town office and straighten out the tangle that now exists. Such a man would earn and ought to receive adequate compensation in the matter of salary.

CITIZEN

To the Editor of The Acadian.

Dear Sir,—Some weeks ago, notice was given in your paper of the resignation of our Town Clerk. Since that issue I have watched with interest for the announcement of his successor. Several names of applicants for the position have appeared, and in the reviews of the meetings of the Town Fathers, the reporter stated that a number of names had been "Laid on the Table".

As far as I can learn, up to the present no further action has been taken. Meanwhile, several men of our town are kept waiting in some suspense, and the office remains unfilled.

With all respect to the other gentlemen who have offered their services, can we afford to overlook our duty to our boys who went to France—were incapacitated for manual work, and are along with others, seeking employment?

We talk of a memorial to those who "Went West". Could they be consulted, would they not say "Never mind us—we know we will not be forgotten—but care first for our pals who ventured all—lost much—and are still with you".

Would that not be our noblest memorial to those who are gone?

Thanking you, Mr. Editor, for your courtesy—

A. B. C.

The death occurred at the Victoria General Hospital, Halifax, on Tuesday of James Manning Lamont. Mr. Lamont was 71 years of age and a native of Lakeville, this county, where he was well known and highly esteemed. The remains were sent to Billtown, where the interment took place yesterday.

The popular Glee Club of the Seminary under the direction of Mrs. Gregory will sing at the Lloyd George Lecture.

Rev. Dr. J. H. MacDonald delivered his lecture on "Lloyd George" at Annapolis Royal on Monday evening.

Life Underwriters

Hold Quarterly Dinner at Wolfville
The quarterly dinner of the Valley Life Underwriters Association was held at the Royal Hotel, Wolfville, on Monday evening, April 11th.

Mayor Fitch of Wolfville welcomed the Association to town in a few well chosen words, after which Prof. E. D. McPhee, M. A., B. Ed. of Acadia University gave a most illuminating address on Insurance Advertising. Prof. McPhee's address showed how the principles of Psychology were being applied in all commercial advertising and differentiated between the purpose of advertising done by the head offices, and that done by the salesman on the territory, showing that the purpose of the former was to create an atmosphere for the product, while the latter was to show how, where and at what price it could be obtained. He also gave some very interesting statistics regarding their values of different sizes of ads, and the most pleasing forms in which they could be used.

Mr. E. R. Robinson, of the department of Education, followed with an address on present world conditions, under the title of "Scare crows". Mr. Robinson pointed out that there always has been "calamity howlers" present in the world but expressed an abiding confidence that conditions would work themselves out, and that the wheels of progress would continue to move forward.

The musical program for the evening consisted of selections played by the College Orchestra, during the dinner, and several selections rendered by the "Clark-Cross Quartette," of Kentville, which were enjoyed to the full.

COUNCIL OF BOARD OF TRADE

A meeting of the Council of the Board of Trade was held at the office of the president on Friday evening of last week. The committee on better steamboat service reported that a petition asking for a better boat and improved service had been drawn up and forwarded to the Department of Trade and Commerce and had been suitably acknowledged. Letters concerning the matter had been received from Sir Robert Borden, Hon. N. A. Rhodes and the minister.

The Publicity Committee reported, recommending the issuing of a small folder setting forth the advantages of business correspondence and other mediums. It was decided that the committee be empowered to have 2500 copies printed as per a draft presented by the committee.

The matter of a Town Manager was briefly discussed, the opinion being that the appointment of a suitable man to this position would be greatly to the advantage of the town.

The president referred to the meeting of the Canadian Good Roads Association soon to be held in Halifax, and he was directed by the Council to correspond with the committee in charge and endeavor to have the members of the Association include a visit to Wolfville in their program.

Work on the soldier's memorial at the Post Office grounds has been resumed and although interrupted again by the recent snow-storm is now pretty well completed.

Daughters of the Empire

A meeting of the Executive of the Sir Robert Borden Chapter I. O. D. E. was held in Parish Hall, April 4th, at 7.30 o'clock to formulate business for the Regular meeting of the Chapter.

Owing to the illness of the Regent, Mrs. L. H. Moore, and the absence from town of both Vice Regents, the regular meeting of the Chapter was postponed one week, to April 12th. On this date a most interesting meeting was held. At the request of the Regent, the duties of that office were discharged by Miss Rosamond Archibald.

Mrs. J. T. Roach for the first time performed the duties of her office as Standard Bearer. In the absence of the Treasurer, Mrs. Faye Stuart, on account of illness, Mrs. A. B. Balcom attended to the financial duties.

Twenty-eight members responded to the Roll-call.

The Treasurer's report shows a balance on hand of \$369.35.

The Secretary's correspondence included a most interesting and instructive letter from the Hon. National Secretary, Miss Margaret Wise, with announcement of the Annual Meeting of the National Chapter at Toronto, May 30th-June 4th. Miss Wise emphasized two main objects to which the activities of all Chapters should be directed, viz:

(1) The War Memorial Fund for Overseas Scholarships and Bursaries. (2) Child Welfare. She also suggested co-operation with the Girl Guides.

On motion, Miss Georgina Faulkner, of Halifax, was appointed Delegate (proxy) for this Chapter, to the Annual Meeting of the National Chapter, May 30th.

The following reports were received and adopted:

Mrs. Elliott Smith reported on Rest Room, no suitable place at present available—Resolved—That we hold the question in reserve until more favorable conditions exist.

Mrs. H. Davidson reported for the Educational Committee and the following resolution was passed. That the Chapter offer prizes for the best three Essays on Patriotic Subjects, to be submitted by the Committee, one each to the High School, Grade VIII, Grade VI and VII. The prizes to consist of suitable books.

Mrs. W. M. Black reported for the Executive Committee in charge of correspondence with Mrs. J. Charlotte Huntington, Chief Superintendent of V.O.N., Ottawa, and with authorities at Montreal, had faithfully discharged its duties. The failure to secure a nurse at the beginning of the year, was due to scarcity of nurses. It can not be definitely stated at the present time if a nurse can be secured, and neither is it certain that this would be advisable. The authorities therefore deem it wise to postpone further action in the matter until a later date.

In the absence of the Chairman of Societies and Treas. (Mrs. A. J. Woodman) the "Blue Bird Tea" was reported by Mrs. Elderkin. This pleasurable event took place March 19th at the home of Mrs. H. E. Calkin. Little Blue Bird maidens (Misses Jenette Foshay and Frances Roach) acted as ushers. The ladies serving wore Blue Bird Caps and Aprons (costumes designed and furnished by Mrs. C. G. Coombs and Mrs. H. Davidson). Refreshments were pronounced delicious. The excellent musical program contributed greatly to the enjoyment of the guests. Mrs. Withrow rendered most acceptably "Coming Home". Miss Prescott's two Spring Songs—(Scott's) Black Bird's Song and Bird of Love Divine, were received with applause, while Mrs. McIntyre's pianoforte selections were heartily enjoyed. The proceeds of the Tea were \$22.85.

Mrs. Elliott Smith reported a very delightful I. O. D. E. Dance held Friday evening, April 8th. The chaperons were Mrs. H. Troye-Bullock and Mrs. Col. N. H. Parsons. Thanks are extended to Mr. and Mrs. W. C. B. Harris who courteously placed their residence at the disposal of the Chapter and its guests; and to all who contributed to the success of the event. The sale of tickets was limited to seventy-five. Proceeds \$53.70.

Mrs. Elliott Smith submitted further information re the Lecture suggested last month. It was decided that the Lecture be given under the auspices of the Chapter arrangements to be made by Committee in charge of Entertainments and Programs.

The Lecturer, Inspector Charles La Nauze R.M.C.P., comes from French Huguenot stock and is a gentleman of pleasing personality. He will also be remembered as the Scarlet Rider who captured the Indian who murdered the priest in the Canadian North. The subject of the lecture: The North-West Territory—the Arctic Coast and its Inhabitants (Illustrated with slides). This is an all Canadian lecture and emanates the spirit of patriotism. The date is fixed for April 29th and the management has very kindly offered the Opera House free of charge, so that tickets can be placed within reach of all. Prices, adults 25c, and children under

Civic Club

Holds Annual Meeting—New Officers Elected

The annual meeting of the Civic Club was held at the Council chamber on Tuesday evening. There was a good attendance of members although not so large as at some previous meetings. The ladies particularly were conspicuous by their absence.

Dr. Coit reported for the Town Improvement Committee concerning the matter of school exhibitions and suggested a prize-list of \$235 for the Autumn Show. The committee complained of the limited support given by citizens so far as attendance was concerned, and expressed the hope that this will not be the case at the next exhibition.

Mayor Fitch reported for the Committee on Streets, and during the discussion that followed the condition of the railway grounds was spoken of and a committee was appointed to confer with Manager Graham concerning needed improvements.

Prof. Balcom in reporting for the Committee on Taxation referred to the proposed appointment by the Provincial Government of a commission to enquire into the whole matter of assessment as the result of the agitation set in operation by the club two years ago.

Dr. Elliott reported for the Committee on Public Health that nothing had been done by that committee during the year.

Dr. Wheelock, Chairman of the Committee on Schools, reported improved conditions and stated that the member of the committee had given the School Board every assistance possible during the year. In their efforts to provide more efficient school accommodation.

Dr. Elliott, as chairman of the Committee on Civic Education, reported on the work done by that committee and referred briefly to the very excellent lectures that had been given during the winter under the auspices of the Club.

Mr. E. Percy Brown gave an interesting report on the work done in providing the School Riak, which had proved to be of great value during the winter in promoting real enjoyment for the children and better social relations between the pupils and teachers.

Dr. Roach, for the Memorial Committee reported that the work of erecting a memorial for Wolfville

was deferred to May 15th and a committee composed of Dr. Cutten, Dr. Roach, B. O. Davidson and C. H. Wright, was appointed to make necessary arrangements.

The following officers and committees were appointed for the coming year:

President—B. O. Davidson
Vice President—Prof. Balcom
Secretary—A. M. Wheaton.

Town Improvement Committee: Dr. Coit, C. H. Wright, J. D. Chambers
Harbor Improvement: Capt. Pratt, W. A. Reid, C. H. Porter, J. D. Harris, R. A. Jodrey.

Streets: C. S. Fitch, G. W. Munro, G. K. Prescott, L. E. Shaw, J. E. Hales.

Taxation: Prof. Balcom, J. D. Chambers, C. M. Gormley, C. R. Nowlan, A. M. Wheaton.

Law Enforcement: H. Stairs, H. Y. Bishop, E. Graham, Mrs. L. H. Moore, Mrs. E. H. Eaton.

Health: Drs. Avery deWitt, Allen, Bars, Elliott, and A. V. Rand, and H. E. Calkin.

Schools: Dr. Wheelock, Dr. Onke, Ernest Robinson, J. F. Herbin, Mrs. H. G. Perry.

Civic Education: Dr. Elliott, Rev. Dr. MacDonald, Rev. W. H. Watts, Rev. R. F. Dixon, Rev. G. W. Miller, Morgan Tamplin, B. O. Davidson.

Memorial: Dr. Roach, C. S. Bars, R. Creighton, Dr. Elliott, W. H. Chase, J. W. Smith, Grant Porter, C. H. Wright.

Children's Playground: Mrs. Tufts, Mrs. Faye Stuart, Mrs. Black, Mrs. Elliott, Dr. Cutten, Capt. Pratt, Percy Brown, Grant Porter, G. K. Prescott.

twelve years 15c and will be sold by members of the Chapter.

An all "Echoes" program was a prominent feature of this meeting.

The following numbers were selected by the committee in charge (Mrs. P. S. Halsey), from the March number of "Echoes", the official organ of the I. O. D. E., and rendered most acceptably:

1. Our Organization—Mrs. Schurman.

2. Eight ways to kill an Organization—Mrs. (Dr.) Cutten.

3. "The way that he should go" (a Poem)—Mrs. (Dr.) Elliott.

4. An Introduction to and a Digest of The Magazine—Mrs. Philip Halsey.

The Chapter records a Resolution of deep regret concerning the continued illness of the Regent, Mrs. L. H. Moore. It is hoped she will in the future be able to resume the duties of her office.

Members are notified that the regular meeting of the Chapter takes place the first Tuesday of each month. The date of the next meeting will thus be Tuesday, May 3rd.

Passing of Esteemed Citizen

The death of Mr. Gilbert M. Peck one of Wolfville's oldest and most respected citizens, took place at the home of his son, Mr. Henry A. Peck, Prospect street, on Thursday evening of last week. The deceased, who was in the 76th year of his age, had been in failing health for some time and had been confined to his bed for the past three months. About two years ago he sustained serious injury from a fall from which he never properly recovered, since which time he has been obliged to give up most of the activities of a useful life. Last year he sold his house and orchard on Highland avenue to his son, Fred E. Peck, and with Mrs. Peck went to reside with his son, Henry A. Peck, on Prospect street, where he passed away.

Mr. Peck was a member of the Baptist church, of which he had been an active member, and had served two terms in the office of deacon. The pastor, Rev. Dr. J. H. MacDonald, assisted by Dr. Cohoon and Dr. Gates, officiated, all paying the highest tribute to the departed, who was laid to rest in the Willow Bank Cemetery, Charles S. Fitch, John A. Coldwell, Lawrence Eaton, L. E. Shaw, Howard Bars and Edson Graham were the pall-bearers.

The late Mr. Peck and family came to Wolfville in 1900 from Hopewell Hill, N. B., where for some years he had been interested in the nursery business. While Wolfville's excellent educational facilities mainly influenced his making the change, he also proved it to afford the equally excellent opportunity of continuing in the congenial occupation of growing apples, and later of establishing a lucrative nursery business.

The deceased was a man of sterling qualities and during his residence in Wolfville won the respect of all with whom he came in contact. He was a faithful member of Wolfville Division, S. of T., and at all times was ready to contribute by any means in his power towards the welfare of the community. A good citizen he will be much missed.

The funeral took place on Sunday afternoon from the Baptist church, of which he had been an active member, and had served two terms in the office of deacon. The pastor, Rev. Dr. J. H. MacDonald, assisted by Dr. Cohoon and Dr. Gates, officiated, all paying the highest tribute to the departed, who was laid to rest in the Willow Bank Cemetery, Charles S. Fitch, John A. Coldwell, Lawrence Eaton, L. E. Shaw, Howard Bars and Edson Graham were the pall-bearers.

Co-operative Store

To be Opened in Wolfville by the Wolfville Fruit Co.

Some weeks ago THE ACADIAN intimated that the Wolfville Fruit Co. was contemplating the opening of a co-operative store in Wolfville. At a meeting of the share-holders some time ago the policy was decided upon and plans are now being made for the erection of a building 140 x 45 for the carrying out of this undertaking. The new building will be of brick and will be placed on Main street and connected with their present warehouse. The work of construction will be begun at once and completed as soon as possible. The new enterprise will be a substantial addition to the business of the town, and gives abundant evidence of the enterprise of the promoters and their faith in the co-operative plan. THE ACADIAN wishes the projected undertaking every success.

AVONPORT NOTES

Miss Cora Walsh, of the Kentville Pub Co., Kentville, spent the week end at her home here.

Mr. Albert S. Fuller and family arrived from Yarmouth on Saturday last and are occupying the farm recently purchased by him from Dr. B. C. Borden.

Mrs. George Huntley returned to her home on Monday after spending a week with her parents, Mr. and Mrs. S. Duncanson, at Hantsport.

Mr. Walter Huntley and Mr. Albert Smith left on Tuesday last for Boston, Mass, where they will remain. We are sorry to lose these young men, they will be much missed.

The Sewing Circle met last week at the home of Mrs. Geo. Brooks. Our members are weekly increasing and good work is being accomplished.

Miss Flora Lockhart, of Falmouth spent Sunday last a guest of her grandparents, Mr. and Mrs. Jas. Starratt.

Dr. and Mrs. B. C. Borden, of Sackville, spent a few days of last week in Avonport. While here they were guests of Mr. and Mrs. F. G. Borden.

A very enjoyable time was had at "Hopeful Division" on Saturday evening last. The entertainment contest which has been held during the past quarter came to a close on the Saturday evening.

Miss Flora Lockhart, of Falmouth spent Sunday last a guest of her grandparents, Mr. and Mrs. Jas. Starratt.

Dr. and Mrs. B. C. Borden, of Sackville, spent a few days of last week in Avonport. While here they were guests of Mr. and Mrs. F. G. Borden.

A very enjoyable time was had at "Hopeful Division" on Saturday evening last. The entertainment contest which has been held during the past quarter came to a close on the Saturday

CANNING NOTES

The S. S. "Glenholm" has made her first appearance and will continue her regular trips from St. John.

Mr. Lawley, manager of the moving pictures, has taken rooms in Dr. S. W. Spicer's residence and showed pictures to full houses at the "Woodburn" this week.

The dance at the Armouries on Thursday night last netted thirty-three dollars for the benefit of the Rink.

Miss Minna Johnson, of the Bank of Nova Scotia staff, has been quite ill, but is reported improved.

The general proprietor of the Ice Cream Parlor, Fred Jodrie, has been enjoying a swelled head.

Miss Ruby B. Eaton is home from Mt. Allison.

Miss Connolly, Secretary of the Supply Company, has resumed her duties here.

Mrs. H. J. Bigelow and Miss Adams made a visit to Middleton last week.

Kenneth Hennigar is home from Toronto.

J. S. Blenkhorn and Mrs. Blenkhorn are visiting at Dr. F. Wheelock's, Wolfville.

NORTH GRAND PRE NOTES

Mrs. Harry Palmer, who is at Westwood Hospital, is improving slightly.

The "Sing" last Sunday evening was held at Mrs. Eagles' where a very pleasant evening was spent.

Mr. Low has been spending a few weeks with his son in Halifax.

Mr. Fred Middleton left on April 7th for Alberta.

The Mayflowers here are very plentiful, and many bunches were gathered last week, by the young people.

Spring is coming! The editor has ordered the janitor to uncage the first robin. The salesladies are busy sitting on last year's hats to give them this year's angle. Best girls are squealing "Please-don't" or "Cut that out" according to their social status. Daring dahlias and impossible peas flaunt themselves on seed catalogues. The cat has shed her winter coat. The buds are swelling. Errand boys are whistling. The passing auto splashes the pedestrian. Hope, love and mud predominate. Spring is coming!

We acknowledge receipt of a beautiful calendar, design "Delawana", from the well known manufacturers of the household remedy Mimard's Liniment. This celebrated medicine for all family ills has an immense sale from all parts of the Dominion and Newfoundland and its merits are such that every family should have a bottle handy in case of sudden sickness.

The London Advertiser has a sample for Ontario to follow. "It seems," says The Montreal Herald, "as though Quebec is leading the other Provinces in all good works."

"A law that gave us 8,000 fewer drunks in Toronto last year than we had in 1914, although we have 40,000 more population, is worth keeping," says The Toronto Star. "But the number will decrease by at least 2,000 if the electors will vote to stop the inflow of liquor from Quebec."

Town Clerk.

NERVOUS PEOPLE NEED A TONIC

Dr. Williams' Pink Pills Enrich the Blood, Thus Increasing Your Nervous Energy.

Nervous people who have not yet developed a disease that can be recognized and treated by the medical profession, often have great trouble in finding relief. Irritation, headache, sleeplessness, nervous indigestion. All these discomforts make life miserable but are endured rather than run a doctor's bill.

Such sufferers should know the danger of such a condition, which, if allowed to persist, may result in a nervous breakdown. In this condition what is needed is rich, red blood.

As a tonic for the blood and nerves, Dr. Williams' Pink Pills have been used with much success. They have a direct action on the blood, and through it carry to the nerves the elements needed and set to work normal function, the same time improving the general health.

The benefits that follow the use of Dr. Williams' Pink Pills is shown by the case of Mrs. Norman Seifried West Montrose, Ont., who says: "It would be hard for me to overstate the benefit I have derived from the use of Dr. Williams' Pink Pills."

Before I began taking the pills I was very nervous, weak and run down. I could hardly do my work, and as there is a great deal of work to do about a home on a farm, I felt very much discouraged. One day while reading a news paper I saw an advertisement of Dr. Williams' Pink Pills and decided to give them a trial. I could notice beneficial effects after taking a box of the pills, and by the time I had taken a few boxes, I could again do my work with ease, was no longer weak or nervous, slept well at night, and awoke in the morning feeling well and strong. I am happy to say that the pills so greatly benefitted me."

Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail on receipt of 50 cents a box or \$2.50 for six boxes by writing The Dr. Williams' Medicine Co., Brockville, Ont.

Although the styles of men's clothing will be more conservative for spring, there will be little change in trousers pockets, as usual.

Mail Contract

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 22nd April, for the conveyance His Majesty's Mails, six times per week, between AYLESFORD AND WESTON, under a proposed contract for four years, to commence at the Postmaster General's pleasure.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of the terminal and route offices and at the office of the Post Office Inspector:

W. E. MACLELLAN
Post Office Inspector,
POST OFFICE INSPECTORS' OFFICE,
Halifax, 8th March, 1921.

THE NEW LIQUOR COMBINE

(From Yarmouth Light)
The Nova Scotian Government has appointed a Commission to sell liquor in the Province of Nova Scotia. This is known as the Vendors Commission, and the sum to be spent in salaries alone is \$12,000. In addition the commission has power to rent buildings and employ a staff to carry on a wholesale liquor business. We understand that already a buyer has been secured at a salary of \$2,500. Judging from the salaries given to the members of the commission the government expects big profits from the scheme.

The idea of the Referendum was to curtail the liquor traffic in the province, but evidently there is to be no curtailment but a generously paid control. Obviously the temperance forces of the province will not be satisfied with this. That the government anticipates little curtailment in the business is a self-evident fact. The teachers of the province are miserably underpaid and the government states that the revenue of the province is too small to increase teachers grants. Yet it can pay \$6,000 salary to a chairman of a commission to control a business which was supposed to have been put out of business last Fall if it takes over \$15,000 to control a business that is not supposed to exist in a province, what must it take to build a road from Halifax to St. Margaret's Bay, which has been practically washed away during the winter? These problems are to great for us but the wise men at Halifax are adepts at getting blood out of a turnip.

Some mercy on your poor old car, the statute framers showed; it's better stored in your garage, than bogged out on the road.

Famous words of famous women: "Don't forget to order some meat for dinner."

SATEFY FIRST

(From Pulp and Paper Magazine.)
An Oklahoma editor tells of an old Indian that came into this office to subscribe for the paper. The editor took the money, then the Indian wanted a receipt. The editor tried to talk him out of it. Mr. Indian insisted on getting the receipt.

After making it the editor wanted to know why he was so persistent about wanting a receipt. The Indian said, "Me die some time. Go to big gate and Saint Peter ask if I been good Indian. I say yes. He say did you pay debts? I say yes. He say did you pay editor for paper? I say yes. He say, where is receipt? I no have it. I have to run all over hell to find you and get receipt."

—Exchange.

Note.—Subscribers to Pulp and Paper Magazine get receipts,—on asbestos paper if desired.

Things Every Car Owner Should Know

Emergency Starting

In cases where the starter is out of business and the crank handle is not available, it is possible to start the engine by jacking up the rear wheels, blocking the front wheels and then shifting into high, after which the cylinders are primed, the spark and throttle are set, and the engine is cranked by turning a rear wheel. In doing this the operator should take hold of the tire rather than the spokes, and must be careful not to get caught when the wheels start to revolve.

Broken Chains

When the cross pieces of the anti-skid chain break, so that the chain strikes the fender in passing, it is poor practice to wire the broken piece across the tire, as the wire will quickly be worn through. By wiring under the felloe a more permanent repair will be secured.

Burning Rubber

Often a little attention to the tire pump will make it more effective when the time comes for a tire to be inflated. The most common pump trouble is leakage of the air past the plunger, usually due to the worn condition of the leather washer, or to the fact that the leather is dry and out of shape so that it does not fit closely to the pump barrel all around. If badly worn, the only thing to do is to replace it; if merely hardened, soften it with some neatfoot oil. Plain lubricating oil will do almost as well if the other kind is not available.

To Adjust Carburetor

The winter adjustment of your carburetor may need changing. After engine is thoroughly warmed up try a slight change in spray nozzle adjustment. If speed improves continue until no further change is apparent. If engine loses speed try changing in the other direction.

Transmission Silencer

To silence a noisy transmission, try mixing flaxseed meal with the lubricant. This is recommended only as a temporary expedient, as a noisy transmission means generally breakage of gears or misalignment that calls for a major operation to effect a real cure.

Protecting Mudguards

In making extensive engine repairs or adjustments, it often happens that the mudguards or fenders will be bent and otherwise marred. This may be prevented by making a cover of some heavy material, oilcloth or imitation leather or some kind, which will cover the fender from its tip to the place where it is fastened to the running board.

Minard's Liniment for Dandruff.

Test Wheels Regularly

Every car owner ought to make a practice to test the wheels for side play at least three or four times a year. Side play performs a double vicious role, for it causes excessive bearing wear and tire wear as well. If the motorist will jack up each wheel in turn and, grasping it firmly, push and pull it, any side motion will be readily apparent. In many cars wheel bearings are adjustable to care for just such trouble.

Loose Vibrator

In case the screws that hold the small brass jackets to the vibrator box become worn so that they do not grip any more, do not try to remedy the trouble by using longer screws, as this will probably injure the windings of the coil and ruin the vibrator. The better plan is to put a metal band clear around the box and attach it to the dash with small bolts.

An automobile tire rim has been invented that can be taken off one shoe and transferred to another in 30 seconds. It is made in two parts with two other pieces of the rim hinged together.

The manufacture of rubber tires for vehicles was first introduced in England in 1850. They were placed on wheelbarrows to prevent the noise in warehouses, at railroad stations, etc.

TIRE LONGEVITY DEPENDS ON CARE

Repeated Improvements of Recent Years Greatly Reduce Average Number Used Annually

One of the noteworthy features regarding the manufacture of automobile tires in this country is the fact that during the last five years tires have improved so greatly in quality that the average number used on an automobile during a year has dropped from five to considerably under four.

This drop has come too, in the face of an increase in winter driving so large as to be a vital element in the calculation. Many cars now operate twelve months in the year, but in spite of this increased period of service the average annual consumption per car has rapidly and speedily fallen.

Not only has the length of life of tires become greater, but the quality of service rendered by them has improved to such an extent that tire trouble is now the exception rather than the rule. Motorists of a decade ago considered themselves lucky if they could finish a journey of a few hundred miles without some form of tire trouble. Today it is no uncommon thing to drive across the continent and back with no other tire mishaps than those caused by punctures, a class of misfortune for which the tire manufacturer can be held in no way responsible.

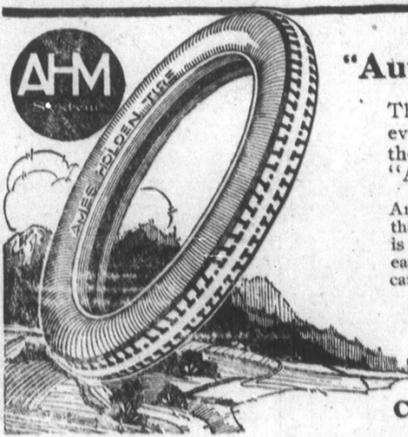

Minard's Liniment Relieves Neuralgia.

THANKFUL MOTHERS

Once a mother has used Baby's Own Tablets for her little ones she would use nothing else. The Tablets give such results that the mother has nothing but words of praise and thankfulness for them. Among the thousands of mothers throughout Canada who praise the Tablets is Mrs. David A. Anderson, New Glasgow, N. S., who writes: "I have used Baby's Own Tablets for my children and from my experience I would not be without them. I would urge every other mother to keep a box of the Tablets in the home." The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach drive out constipation and indigestion; break up colds and simple fevers and make teething easy. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

MAKE OWN TONGS FOR USE ON AUTO

It is possible to make a pair of tongs that are convenient for removing nuts, etc., from the mud pan by flattening the ends of two pieces of No. 9 wire each 30 inches long. Five inches from the end a hole is drilled through each wire and through these holes a bolt is thrust and fitted with a nut. This completes the tongs, which will be found invaluable for picking small objects out of the mud pan or from around the motor, etc.

"Auto-Shoes" Mean Mileage

The mileage given by the best tire you ever used would just about approximate the average given by Ames Holden "Auto-Shoes" year after year.

Ames Holden "Auto-Shoes" are miles better than ordinary tires. The name "Auto-Shoes" is to help you to remember that to make it easy for you to get the cheapest mileage you can buy.

The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for the opinions expressed by correspondents.

GROW BETTER FRUIT

Mr. John Buchanan, of Berwick, one of our most progressive and best informed fruit growers, writes a very timely and suggestive letter to a recent issue of the Register. Last fall Mr. Buchanan made a trip through some of the fruit-growing sections of the continent and gives the home paper the results of his investigation. In his letter he corrects the common erroneous idea that our apples generally are of good quality, and points out in very plain-spoken and pertinent sentences the fact that aside from our fall and early winter varieties "our apples are deplorably poor in quality and much lacking in color". If his finding is true and it may reasonably be taken as such it is no harm that our orchardists should know it, and Mr. Buchanan is doing a real service when he makes known the fact. The Annapolis Valley has established a reputation as an ideal fruit-growing district and there is no doubt about our adaptability to grow good fruit. If we persist in producing inferior stock we cannot hope to maintain the reputation. What is now needed is not so much to grow more apples but better apples. This can be done if we are willing to acknowledge present conditions and put in operation the methods necessary to eliminate inferior production. It may be necessary for Annapolis Valley growers to study the methods employed in sections which took up fruit-growing long after we began. Better care of the trees and the soil, more time spent in pruning, spraying, thinning and packing may be necessary in order that our growers may not take second place.

The proposition is made that the Wolfville Town Council proceed at once to appoint a venter under the Nova Scotia Temperance Act. As we understand the matter this appointment is not proposed in order to make it easier to procure intoxicating liquors but rather it might be made more difficult. Our town is not so bad in this regard as some that we might name, but there is no doubt but that altogether too much of the "Ardent" is bought and sold in Wolfville, and some steps ought to be taken to prevent it.

The Maritime Wrestling Championships will be held under the auspices of the Saint John Y. M. C. A. in their Gymnasium on Saturday, the 23rd of April, at eight P. M. Entries will close at the Physical Directors Office on Wednesday, the 20th of April; entry blanks can be had on application at the Y. M. C. A. office.

SOCIAL EVENTS

Mrs. Gerald Bauld very pleasantly entertained at "Auction" a company of her lady friends on Friday evening.

Mr. and Mrs. Sanford entertained a small party at "Auction" last Friday evening at the Royal Hotel, when a most enjoyable time was spent.

Mrs. Lingley was the hostess at an exceedingly pleasant social function on Monday evening in honor of her sister, Mrs. McGowan, who is visiting her. "Auction" bridge was participated in by seven tables of lady friends.

The Ladies' Club was entertained on Tuesday evening at the home of Mrs. A. H. Hatfield, Summer street.

Mr. Gerald S. Bauld entertained six tables of gentlemen friends at "Auction" on Wednesday evening.

ACADIA WINS BASKETBALL

A game of basketball was played at the Acadia Gymnasium, Tuesday evening between the Acadia Engineers, winners of the inter-class series, and the Nova Scotia Technical College. The game was won by Acadia, the score being 38 to 21. The teams were as follows:

| | | |
|----------|----------|-----------|
| ACADIA | | |
| Forwards | Morrison | Wigmore |
| | James | Murray |
| Centre | Marshall | Flemming |
| Guards | Lewis | McDonald |
| | Freeman | Wetmore |
| Spare | O'Brien | MacCreedy |

Hon. George H. Murray, Premier of Nova Scotia, left on Tuesday for Battle Creek, Michigan, to enter the Battle Creek Sanatorium for rest.

FRANK W. BARTEAUX

Items of Local Interest

Don't miss the "Lloyd George" lecture on Friday, April 22nd. A social with light refreshments will be held at the close. All welcome.

Mr. F. W. Woodman is getting material on the ground for the erection of his new residence on Gaspereau avenue during the coming summer.

Rev. F. S. Porter, secretary of the Canadian Branch of the British and Foreign Bible Society spent Sunday last in Wolfville and gave interesting addresses on the work of the society. In the morning he spoke at St. Andrew's church and in the evening in the Baptist church. There were good congregations at both services.

The meeting of the Wolfville Board of Trade next Wednesday evening promises to be a most interesting one and should be largely attended by citizens. It is understood that the construction of permanent sidewalks will be one of the chief matters discussed. Citizens interested should make a point of being present and expressing their views.

Despite the inclemency of the weather on Monday, a large number from the Ladies Bible Class of the Baptist church spent a very pleasant and profitable evening at the home of their teacher, Mrs. Smallman, Main street. After the roll call and mite box opening, readings, music and refreshments were thoroughly enjoyed. "Blest Be The Tie That Binds Our Hearts In Christian Love" was sung as all joined hands in closing.

Last evening the home of Dr. and Mrs. Chute was besieged by the married theologues and their wives. The attack was a friendly one being but to congratulate the good Dr. on having entered into another year of his useful life. After the Doctor had sufficiently recovered from his surprise, a delightful evening was spent in game and song. During the evening refreshments were served and highly appreciated. After giving the College Yell the company separated feeling that it was a pity that birthdays could only be celebrated once a year.

Rev. Ross W. Collins, who has been Assistant in Church History at Union Theological Seminary during the past two years, has recently received an appointment as Instructor in History at Columbia University for the term ending in May. Mr. Collins expects to spend the summer in Charlottetown occupying the pulpit of St. James Church, and will sail for England in September to complete work for his Doctor's Degree at the University of Cambridge. Mr. Collins, who is a graduate of Acadia of the class of '12 and has many friends and admirers in Wolfville, is a son of Mr. and Mrs. Dexter Collins, of Port Williams.

NEW BANK BUILDING

Word has been received that the construction of the new Bank of Montreal building will be begun in the course of a few weeks. The new building will occupy the present site, the old building being removed. It is understood that the new structure will be of brick veneer and will be a very handsome structure and a credit to the town. During the erection of the new edifice the business of the bank will be located in the store recently vacated by Mr. S. W. Fullerton's tonorial establishment, and the vault in the Eaton Building opposite will be used. The erection of the new building will be another of the many improvements being made on Main street this season.

A school boy describes a green grocer as being one who gives credit to anybody who asks for it.

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

Special music at the Methodist church on Sunday evening. Solos by A. J. Mason, H. Reid and R. Evans. Anthems by the choir.

The Girl Guides are preparing to give an entertainment, "The Clancy Kids", in the near future. Watch for further particulars.

Dr. George E. Horr, D. D. L. L. D., President of Newton Theological Institution, will preach in the Wolfville Baptist church next Sunday morning and evening.

On Friday evening, the 22nd, at 8 o'clock, Dr. MacDonald will deliver a lecture in the Baptist church, under the auspices of the Social and Benevolent Society, on the subject, Lloyd George. Tickets have been placed at the low price of 35 cents in order that no one may miss the chance of hearing this really remarkable lecture.

Manager Mason has this week installed a player piano in the Opera House for the purpose of furnishing music for the movies. The new music has been much enjoyed.

FOREIGN BASIC SLAG

Our competitors still avoid argument on solubility in citric acid. As our competitors know, the law requires labels to state MINIMUM and not AVERAGE content. Their dare that we put our average content on our labels, as guaranteed minimum, is humorous.

Analysis received by us made by expert samplers, who have gone over the cargo, are:

| | |
|---|--------------|
| Belgian Government Analysis Average, | 18.28 |
| English Brokers Analysis Average, | 18.60 |
| Customs Analysis at Halifax Average to date, | 18.52 |

We know of no other firm who purchased Slag of the same quality as we imported. If, as might be inferred, our competitors refer to our Slag as selling for \$25.00, F. O. B. Halifax, their statement is absolutely false.

Our Slag is selling for \$32.00 per ton delivered, or \$1.75 per unit of Phosphoric Acid. Compare this with our Competitors' price per unit, and then compare the vast difference in our favor of the citrate soluble content.

FARMS WANTED

We have over 1000 inquiries in our office for Valley Real Estate such as the following:

A Scotch immigrant now living in Truro wishes a small farm capable of carrying five or six cows with poultry, small fruit and some orchard, price \$4,000 to \$4,500, about \$3,000 to pay down.

A St. John man wants large mixed farm, price about \$8,000. Will pay \$5,000 cash.

A former Nova Scotian, now living in Saskatchewan wants a nicely located small fruit farm with good buildings, price \$5,000 to \$7,000. Will pay cash in full.

A North Sydney man wants small place close to town, suitable for gardening and poultry with small orchard, location near sea or river required. Cash to pay \$3,000 about \$3,000.

Cum. Serland County man wants \$4,000 stock farm with large pasture. Man from New Germany will pay cash for small, well located mixed farm with some pasture, price about \$3,500.

Dartmouth man will pay \$1,500 cash on good mountain farm. Manitoba farmer wants first-class fruit and mixed farm near High School, will pay \$10,000 cash.

Man from Morley, Colorado will pay \$3,000 on 100-acre farm, half tillable, balance wood and timber.

Let us sell your place.—Write for terms.

Valley Real Estate Agency

WOLFVILLE, N. S.

Branch Office, Bridgetown, N. S.

Wolfville in 1865

The store now occupied by Miss B. K. Saton was at the time of this sketch occupied by the late Samuel B. B. shop who lived in the present home of Mr. S. P. Hales. Both have been much remodelled since those days and would scarcely be recognized by people of that time. Mr. Bishop died of small-pox during the invasion of Wolfville by that disease in the summer of 1873. His widow, who is one of Wolfville's oldest residents, and his daughter, Miss Ernestine Bishop are still living here.

The next building was the dwelling now occupied by Mr. J. F. Calkin—then the home of Mrs. Alex. MacKeen. Mr. MacKeen was a native of Pictou county and his wife was a Miss Fowler. Her father at one time, we believe, owned all the property lying between Gaspereau avenue and Highland avenue and extending as far south as Pleasant street.

Where the store of J. E. Hales & Co. now is stood a building occupied as a harness shop by the late J. G. Patriquin. This building was erected by Mr. Patriquin and the late Lewis P. Godfry and purchased later by the former. It was owned later by Mr. C. A. Patriquin and is now the property of Mr. Edson Graham. It was removed to its present site about thirty-five years ago.

What is now the Chinese Laundry is one of the old buildings. At the time of this sketch it must have been occupied on the ground floor by the old Peoples' Bank, of which Dr. A. deW. Barrs was then Manager. Upstairs lived a family by the name of Cogswell. One of the members of this family, Joseph, was the founder of the Western Chronicle.

On the site of Wolfville's fine Government Building was then the hotel, afterwards known as the American House, owned and conducted by the late Capt. George C. Graham. In the old days it was a favorite stopping-place for stage passengers and the barn stood just to the east and next the street. This place was purchased and occupied for years by the late Henry B. Witter. It afterwards became a popular hotel again under the management of the late John Harris. It was eventually totally destroyed by fire and was taken down when the land was purchased by the government.

The late Edward Paine built and occupied the dwelling now the home of Mr. L. E. Duncanson. Mr. Paine was a farmer and his farm included much of what is now Summer and Acadia streets and extended beyond Prospect street. When Wolfville decided to put in the water system Mr. Paine sold his fine property to Mr. L. E. Duncanson and purchased the land and built the residence now oc-

cupied by Mr. R. A. Kinnie and resided there until his death.

East of what is now Gaspereau avenue were three houses owned by the late T. L. DeWolfe. The old house stood just west of Sleep's hardware store and was destroyed by fire in March, 1915. This was probably one of the first dwellings erected in Wolfville having been built considerably more than a hundred years ago. Mr. DeWolfe built a fine new house near the corner of Gaspereau avenue which was shortly after destroyed by fire. The other DeWolfe place stood back from the street south of where the Presbyterian

manse now is. It was known later as the "old red house" and was taken down many years ago.

The place now owned by Mr. David Thompson was the old Woodworth place occupied by the late John Woodworth. The house was erected by his father, the late Joseph Woodworth about 1840 or 1841. Mr. Woodworth had previously lived in the old Payzant place at the west end of the village. In the old days the Woodworth home was a social centre. There was a large family all of whom left Wolfville many years ago. Mrs. Thompson is a grand-daughter of the

first owner of this place.

Just around the corner on the east side of what is now Willow avenue stood the blacksmith shop of J. Burns, afterwards occupied by J. I. Brown, now of Westfield, Mass., and just east of this was the harness shop of the late James Wilson.

Mr. Wilson carried on the harness business and practiced as a magistrate on the other side of Main street for many years and resided at Scott's Corner, in the house now owned by Mrs. Hennessey. He subsequently went to the United States and died there.

"Scottie" Stevens lived next and owned a number of tenements at "the bridge" in the days of this sketch. He was evidently quite a character and THE ACADIAN would like very much to have a sketch of his life.

"Save the surface and you save all"—Paint & Varnish

FERTILIZER-for results.

In our advertising which we have issued from time to time during the past year, we have shown the results from various experiments in the use of fertilizer.

Our object in repeating these experiments is to show the farmers how conclusively they prove the only fertilizer to be depended upon to contain the three elements of plant food.

The next most important result of these experiments is that a varied source of Ammonia, Phosphoric Acid and Potash is the most satisfactory.

These experiments we emphasize again because of the tendency of farmers to buy un-mixed fertilizer chemicals, more particularly Nitrate of Soda and Acid Phosphate. If the experiments we have reported prove one thing more than another, it is the uncertain returns to be expected from the use of that kind of fertilizer materials.

One of the most complete experiments recently reported is that of a twenty-five year rotation on potatoes, wheat and clover in Ohio. **The five best results, that is the gain in dollars and cents per acre was from the use of complete fertilizers. The poorest result was from the use of Nitrate of Soda showing an actual loss of \$1.21 per acre covering the entire period of twenty-five years.**

In the complete fertilizer those made exclusively from Nitrate of Soda, Acid Phosphate and Muriate of Potash (with a small quantity of Dried Blood), showed the smallest returns in actual money, while the three highest returns were from complete fertilizers where the plant food was from more varied sources.

Further experiments in Ohio cover a five year period in an apple orchard. These tests were made on a cultivated orchard and a similar series on a grass mulch plot. On the cultivated plot the complete fertilizer gave a yield of 15 per cent. greater than those plots using Acid Phosphate and Nitrate of Soda. On the grass mulch plot the largest yield was on the complete fertilizer, but on another plot where no Potash was included here was a high yield

but not equal to the complete fertilizer. It is interesting that on the latter experiments the plots where Nitrate of Soda alone was used the yield for the whole period of five years was 25 per cent. less than that on the complete fertilizers.

A two years experiment in an apple orchard showed a yield of 29 barrels without fertilizer and 95 barrels where a complete fertilizer was used. This test was on the same number of trees in each plot.

It is from these and similar results that we recommend the farmers not to experiment with un-mixed fertilizer chemicals, but to buy in all cases complete fertilizers such as the "Made at Windsor, N. S." brands.

Particularly do we recommend complete fertilizers when there has been such a lack of Potash for the past several years, and particularly we recommend the "Made at Windsor, N. S." fertilizers this year rather than those from any other source.

There is a country-wide campaign for the use of "Made in Canada" goods. The matter of un-employment is one of the most serious problems, and employment is not given to home workmen in buying goods made at any other point.

How far this is being urged is shown by the daily papers. In Ottawa, Toronto, Welland, and in several other places in Ontario, organizations are pledging themselves to buy exclusively "Made in Canada" goods. They realize every dollar spent out of the country gives employment out of the country, and every dollar spent on goods made here gives employment to men here.

There are some things which it is almost necessary to buy outside of the country, but fertilizer is not one of them. There is no better fertilizer made than the "Made at Windsor, N. S." fertilizers and it can always be bought at as reasonable a price and on as reasonable terms as any other fertilizer on the same conditions of purchase.

"GO AND GET IT"

Is Great Story of Newspaper Work

Classics have been written about newspaper work. They have been classics of action but have failed to reflect the actual atmosphere of a newspaper office. Plays have been based upon the romances which are daily happening in the "game" of gathering and disseminating the news but they also have failed in giving a correct impression due to the limitations of the speaking stage. Now Marshal Neilan, the motion picture director, has braved the satirical criticism which the newspapermen heap upon those who offer an incorrect depiction of their craft, by producing a picture founded entirely upon the gathering of all the news connected with one of the most startling events which ever took place in a small city.

"Go And Get It" is the title he has given to it. It is released through First National. It is the instructions which the city editor gives to the reporter who unravels the mystery that has balked the police. It is not a fantastic idea for a newspaperman to accomplish such a thing. In the recent Elwell murder mystery in New York City, the work of a newspaperman in finding a valuable witness in Ireland after a two weeks' search gave the officials new light upon the matter which caused them to change entirely the theories they had formed after a month's investigation. As natural as the action of the reporter is the whole atmosphere of the picture which shows the making of a great newspaper from the gathering of the original facts embodied in a story to the press room where the papers are turned out ready for sale on the streets. Anyone who attends the Opera House on Friday and Saturday, April 22-23 when "Go And Get It" will be the attraction will have a clearer idea of the single greatest force in the world to-day.

POOR ARCHIE

Weep at this tale of Archie T8. Who met a girl whose name was K8. Courted her at a fearful 18. And begged her to be his m8.

"I wish I could," said lovely K8, "I pity your lorn, unhappy s8; But alack an alas, you come too l8—I'm married already." O bitter 18!"

STOP SELF-POISONING BY REMOVING CAUSE

Internal Bathing Reaches Source of Trouble, Cleanses and Purifies.

Buoyant spirits and a zest for the work of the day are never found in company with a constipated condition. Auto-intoxication, or self-poisoning results from the accumulation of waste matter in the lower intestine. Its ill-effects are manifested commonly in headaches, indigestion, piles, impure blood or sleeplessness, and particularly in hardening of the arteries and heart trouble.

Internal bathing is the one sure means of cleansing the intestinal tract, and keeping the system in the state which perfect health demands. Medicines only force nature, while internal bathing gently assists her.

The effects of the Internal Bath—the scientific application of warm water by means of "The J. B. L. Cascade"—is an immediate invigoration of the entire system. It restores vim, confidence, and the glow of health.

Mrs. Robert Gordon, 422 Cadillac street Montreal, Que., writes: "I cannot speak too highly of the J. B. L. Cascade. It has saved my life. I have been troubled with constipation, piles and ulceration of the bowels for years, have only been using the Cascade for three months, and am happy to be doing my own work again after having been laid up for many months. I would not take one hundred dollars for my Cascade if I could not procure another."

The J. B. L. Cascade is the only perfect appliance for Internal Bathing. It is shown and explained at A. V. Rand, Drugist, Wolfville. Telephone or write to them for free booklet, "Why Man of To-day is Only 50% Efficient"—or telephone or write to Tyrrell's Hygienic Institute, 162 College street, Toronto.

GETTING ON FINE

(From the Boston Transcript.)
"Well, John," said the minister, meeting one of his parishioners, "and how are you and the missus getting along?"
"Oh, happily enough, sir," was the reply.

"I'm glad to hear that, John. You know there were rumors of rows or—"
"Rows," said John. "Oh, yes; there's plenty of rows. Whenever she sees me she catches the first thing at hand—a dish or anything—and fires it at me. If she hits me, she's happy; if she doesn't, I am. Oh, we're getting on fine."

The man who knocks his home town is usually a flat failure. That is, the fellow who says "bum town" is likely to be the "town bum".

Canada stands seventh place among the nations of the world as a shipbuilder, with 170,625 gross tons under construction.

Mail Contract

SEALED TENDERS, addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 13th May, for the conveyance of His Majesty's Mails, six times per week, over the KENTVILLE NO. 1 RURAL MAIL ROUTE, under a proposed contract for four years, to commence at the Postmaster General's pleasure.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of Tender may be obtained at the Post Offices of the terminal and route offices, and at the office of the Post Office Inspector: W. E. MACLELLAN, Post Office Inspector, POST OFFICE INSPECTOR'S OFFICE, Halifax, 1st April, 1921.

A TRIBUTE TO THE LATE REV. E. B. MOORE

The Ministerial Association of Halifax and Dartmouth have rendered in their minutes the following reference to the late Rev. E. B. Moore:

"The Ministerial Association of Halifax and Dartmouth have heard with much regret of the death of the Reverend E. B. Moore. Mr. Moore was held in peculiarly high regard by the clergy of all churches. His wide sympathies, his catholic spirit, his exceptional capacity for human feeling, his humble mindedness, his unwearied devotion to the welfare of others, especially the sick and needy, his animation and wholesome sense of humor, all these awakened the admiration and captured the friendship of those who knew him and of none so much as his fellow ministers. We wish to record our tribute of grateful praise to his memory. And also to express our sympathy for the members of his family who have been bereaved. His consolation should be that he leaves behind him the fragrance of a well spent and beautiful life."

The late Mr. Moore will be well remembered by many in Wolfville and vicinity with high regard.

Joseph and Isaac went to hear Billy Sunday preach, and after service, as they were going home Joseph said:

"Well, Isaac, vat you t'ink of him?"
"I didn't like him," said Isaac. "Too much hell. It was hell, hell, hell, all the time. And I don't believe there is any hell, Joseph."

"No hell?" asked Joseph, in amazement.

"No," answered his friend.
"Well, then Isaac," said Joseph, "if there is no hell, where is bizness gone?"

Eggs sold for 32 cents a dozen in Montreal last Friday.

Potatoes were selling for 18 cents per bushel in Michigan last week.

Some men even have nerve enough to go in and buy their wives corsets.

Advertising doesn't add to your resources so much as it multiplies them.

Personal Paragraphs

Mrs. Rod. MacDonald, of Halifax, is visiting at the home of her mother, Mrs. W. G. Stackhouse.

Mrs. C. H. Martell was in St. John last week attending the executive meeting of the U. B. M. U.

Mrs. McGowan, of St. John, is a visitor in Wolfville, a guest at the home of her sister, Mrs. Lingley, Main street.

Mr. Harold Shaw, of the Royal Bank staff, N. Sydney, is spending a few weeks with his parents, Mr. and Mrs. E. B. Shaw.

Mr. and Mrs. J. D. Chambers returned home Tuesday from Truro where they have been visiting their daughter, Mrs. D. M. Smith.

Mr. E. C. Atkinson paid a visit to his mother, Mrs. H. C. Atkinson of Wolfville this week and is leaving Saturday for Annapolis.

Mr. and Mrs. Enoch Collins, who are well known in Wolfville and other parts of the county, have both been quite ill at their home at Middleton.

Mrs. W. C. Bauld, of Halifax, was a visitor the first of the week at the home of her son, Mr. Gerald S. Bauld, on her way home from a visit to her son in Annapolis county.

WHITE ROCK NOTES

Mr. Ralph Ellis, our energetic young store keeper (a returned soldier) is doing well with his business here. This winter besides his regular business, which he has steadily enlarged, he has dealt in hard wood to a large extent.

Our school was recently visited by Miss Hayden, the county school nurse. Adenoids and diseased tonsils seem to be the chief troubles reported.

Mr. Budd Forsythe, who was seriously ill for some time is now much better.

Mr. Jacob Pick, our enterprising mill owner who has been doing a good business here for some years, expects to still further increase it by the installation of a large Whitney saw, which he has recently purchased. We understand that this means that Mr. Pick will have to employ three extra men.

Mr. Ralph Eagles and Mr. Judson Schofield have exchanged farms, moving last week.

A treat is in store for the musical public Mrs. Eugene Eaton will sing a patriotic song at the "Lloyd George" lecture.

The spring session of the Municipal Council will be held at the Court House, Kentville, on Tuesday, April 26th.

PORT WILLIAMS NOTES

Mr. and Mrs. Ira Gates moved into the new apartment last week, which Mr. J. W. Harvey had made over the Royal Bank. The apartment has five rooms and a bath-room, also has electric lights, making an up-to-date home, with a front and back entrance.

Mr. and Mrs. Robert Mawhinny and baby boy returned last Friday to their home in St. John, after a visit to Mrs. Mawhinny's parents, Mr. and Mrs. Kempton Gates.

Mr. George Chase, is certainly to be congratulated on his up-to-date dry goods store, lots of new and the latest goods to be found there, also obliging and courteous clerks.

Mr. A. B. Rand recently purchased a new Gray-Dort automobile, newest make, having sold the auto he had last year to Mr. Holding, the Royal Bank manager here.

We understand Mr. Holding and Mr. Kenneth Fraser have been asked to be Scout-masters in charge of our Scouts here. We trust this work will be well carried on and increased with our boys. A grand order.

Nine fine looking horses, have been recently boarded at Mr. George Gates livery stable, sent here from Truro by a Mr. Cox, a man in charge of them. The horses were for sale, and we hear have been sold. One pair of these horses attracted much attention, a matched pair, black and each one having a white strip on face with a patch of one leg white. We understand Mr. Gates has sold the Belgian horse purchased by him this winter. This horse was a great curiosity being the cause of many visitors to the barn, its hair all over its body being a mass of thick silky curls.

Rev. O. N. Chipman returned last Wednesday from St. John, where he attended a convention there. Our choir in the Baptist church here always gives good music, but the male quartette on Sunday evening deserves especial mention and was enjoyed by the large audience present at the service. Mr. Fred Ibsen is choir leader.

At a meeting held not long ago in Citizens Hall new trustees were appointed for the hall, namely Mr. George Illsley, Mr. J. W. Harvey and Mr. Fred Vaughn, also the following as a Committee to make rules etc. George Chase, Aubrey Rand, Everette Fraser, Justin Gates, Mr. Colston and Mr. Holding, the latter being appointed as secretary. This hall which was built about seven years ago has been of great benefit to our Village and we trust the new officers means still further benefit.

Subscribe to THE ACADIAN

WOLFVILLE A. A. A.

A meeting of the executive of the Wolfville A. A. A. was held on Tuesday evening. The proposal to engage a professional baseball coach was discussed and Dr. Coit was authorized to find out particulars regarding the possibility of procuring the right man.

After considerable discussion on the matter of fixing the fees of membership to the Association for the ensuing year, it was unanimously agreed to charge female members one dollar, male members, two dollars (as before) and to issue to a family having more than two members a ticket for five dollars. This resolution was ordered to be inserted in the new by-laws, on which a committee is now at work. A drive is to be made forthwith for five hundred or more members, which task is to be performed by a committee, to be selected by the chairman appointed by the executive.

GRAND PRE NOTES

Mr. C. F. A. Patterson, of Lawrence-town, N. S. was here last week. Miss Mary I. Porter, of Windsor, spent Saturday last here, visiting friends.

Mrs. DesBrisay, who has been spending the winter here, left last week for Amherst, N. S.
