GERMANS IN FULL FLIGHT

In Armentieres Sector Enemy Breaks and Retreats, Evacuating the City--Lens is Occupied By British Troops--Austrians Withdraw From Albania and Retreat Northwards, Burning Towns--Allies Slowly Eating Into Vital German Defences.

FRENCH TAKE CHALLENGE IN NOTABLE FEAT OF ARMS

Break Thru Trenches and Barbed Wire Five Miles Deep, and Carry Position Against Attacks by Reinforced Troops.

With the French Forces in France, Oct. 3--General Gouraud's troops crowned their successful campaign in the Champagne last night by taking Challenge and advancing to the southern edge of the Village of Mouron. The latter town is in front of the western exit from the Grand Pre gap.

Further west Gouraud's men also took the crest of the height called Croix des Soudans from where they command the valley of the Aisne northward.

The successes of the French coincide with fresh outbreaks of fire in the villages occupied by the Germans in the north toward Vouziers. Aviators report that Semide and Mont Saint Martin and even towns further to the north are in flames.

In taking Challenge and the heights of Croix des Soudans Gouraud's troops have accomplished another remarkable feat of arms. There is probably nothing more formidable in the Hindenburg line anywhere than the defences which the Germans had raised here to defend their access to the region comprising the valley of the Grand Pre gap.

After breaking thru lines of trenches and barbed wire five miles deep, General Gouraud attacked this position and carried it against reinforced troops that counter-attacked him three times.

The possession of Challenge and Croix des Soudans by the French seriously compromises the position of whatever German troops remain in the west of the Argonne region open to the enemy, and the American advance along the eastern edge of the forest virtually closes the eastern exit from the Grand Pre gap.

The only railroad line available to the troops in the wooded region north of Orval is now under the fire of French guns. Vouziers is directly threatened by the latest advance.

In the centre of a long battline General Berthelot's troops have advanced within close reach of the Forest of Brimont and have captured Louve. This encourages the hope that the City of Rheims will soon be entirely freed from the fire of German artillery.

With the American Army on the Champagne Front, Oct. 3--With the French in possession of Challenge, an important railway junction of the line that fed the long German front, it is expected that the Germans will take prompt measures to consolidate, if possible, their positions along the Kriemhilde defensive system which has lately been improved.

Activities on the American sector today were confined to artillery work by the enemy and minor movements by the Americans. But the line has not changed except here and there where slight corrections have been made.

AUSTRIANS WITHDRAW FROM ALBANIA

Italians Troops Occupy Berat Without Any Fighting, and Advance Well Beyond the Town.

Vienna, via London, Oct. 3.--Austrian troops have been withdrawn from Albania, the war office announces. Berat has been taken by the allies. The statement says: "We have withdrawn our divisions from Albania. This was rendered necessary by events on the Bulgarian front."

Rome, Oct. 3.--A semi-official statement on the Italian operation in Albania says: "We have occupied Berat and advanced beyond the town."

Hounded Out of Lens

Germans Driven From City Reduced to Nothing by the Canadians--British Fight Hard to Widen the Gap.

British Headquarters in France, Oct. 3.--This has been a day of satisfactory progress on both the Cambrai-St. Quentin front and in Flanders.

There is more confidence now that Semehart, Ramcourt and Le Catelet have been taken, and it is reported that the British are fighting at Montebreinh, northwest of Semehart, and that their patrols have reached Beauveroy.

Thus it would appear that the British have created a gap and are fighting hard to widen it. The number of prisoners taken up to noon exceeded three thousand and a much larger total was expected by nightfall.

The strength of the positions stormed was extraordinary, and the enemy's despair at being driven out from them may be understood. Military officers say that the Germans now must ask themselves how, if they were unable to hold such fortified positions, they can hope to stem the khaki flood once it has fairly overflowed into the open.

The British troops have almost lost in these stirring times. Else the report of King George's men going thru Lens would have stirred great emotion. The Canadians probably will be disappointed that they were not the first to enter Lens, in the reduction of which they did such wonderful work.

But doubts they will find satisfaction in the fact that the Germans are being hounded out of the heart of the Lens would have stirred great emotion. The only tangible news from the Belgian front is that there has been a further advance in the vicinity of Roulers.

The weather is glorious, and the air men are having a great time. Paris, Oct. 3.--The French troops captured 2000 prisoners today, the war office announces tonight. They made an important advance to the northwest of Semme-Pr. In this Champagne, occupying the crest of Blanc Mont.

Cormy, northwest of Rheims, has also been captured. The statement says: "We gained a footing on the railway east of St. Quentin and advanced fighting to east of Fauquemont. A hundred prisoners were taken."

Northwest of Rheims we captured Cormy and reached the Aisne Canal, near Concorville and La Neuville. Prisoners to the number of 2000 were taken today.

At dawn this morning British infantry and tanks attacked a strong front of about eight miles from Semehart to the canal north of Bony. The attack was successful at all points.

On the night of the attack English and Scottish troops of the third division retaken the Village of Squahart, capturing a number of prisoners, and later in the morning beat off with ease hostile counter-attacks.

In the centre an English division stormed Ramcourt and Wancourt, taking several hundred prisoners, while the second Australian division broke thru the Semme-Beauveroy line west and southwest of Beauveroy.

Meanwhile on the left of the attack English and Irish battalions forced passages of the Scheidt Canal at Gouy and Le Catelet, capturing both villages and the high ground to the east. In this locality the enemy counter-attacked strongly during the afternoon. Heavy fighting still continues.

A large number of prisoners were captured by us in the course of these successful operations. "In the area of the enemy's withdrawal north of the Scarpe our troops have pushed forward steadily through the day. They are maintaining constant pressure on the German rear-guard."

Allied Warships Destroy Durazzo

BULLETIN--Rome, Friday, Oct. 4.--American, British and Italian warships have destroyed the Austrian naval base at Durazzo and the warships anchored there, according to an announcement made by Premier Orlando.

An intense bombardment was kept up until the base and the Austrian ships anchored there were completely destroyed.

Italian sailors, in the teeth of a hot enemy fire, torpedoed an Austrian destroyer and a steamer. Another vessel, which was recognized as a hospital ship, was allowed to withdraw.

British and Italian airplanes co-operated in the work. No losses or damage were suffered by the allied squadron.

FRENCH TAKE 2000 GERMANS

Paris, Oct. 3.--The French troops captured 2000 prisoners today, the war office announces tonight. They made an important advance to the northwest of Semme-Pr. In this Champagne, occupying the crest of Blanc Mont.

"Lens has been cleared of the enemy, and our advanced detachments have reached the general line of Avion, Verdun, Hantay, Wiers and Marles and are east of the Sole Grier."

"This morning our troops occupied Armentieres."

HINDENBURG LINE IS SMASHED IN LARGE AND VITAL SECTION

British Troops Break Thru Between St. Quentin and Cambrai, Occupying Many Towns and Villages and Taking 5000 Prisoners.

With the British Army on the St. Quentin Sector, Oct. 2--The British troops smashed a large and vital section of the Hindenburg line today between St. Quentin and Cambrai. They have occupied many additional towns and villages and 5000 prisoners and numerous guns have been taken.

The battle was resumed at 6 o'clock in the morning and continued thru-out the day. English and Australian divisions driving deep into the enemy defences. The ground over which the British troops fought their way against the inevitable swarms of machine guns was littered with German dead.

The advance has reached a depth of about five miles at its apex, and it follows that the principal Hindenburg defences here have been shattered. A few hours may see the British all the way on the other side of the great German defensive system.

Germans in Full Flight. From the north comes most significant news. The Germans, who were gradually being left in a salient, have begun a retreat on practically all the Armentieres sector, and appear to be in full flight. The British troops have entered and are now passing thru Lens.

Aubers Ridge, south of Armentieres, has been taken, and the British are east of there. Indications are not wanting that the Germans have been forced to begin one of the war's greatest retreats.

The troops co-operating with the Belgians have taken villages near Roulers after hard street fighting. They have forced the Germans well back and are still going. The Germans must get out of the Belgian coast as far as Ostend, if the advance here continues, as it gives every sign of doing.

As the Germans retreat in the Armentieres sector they are applying the torch whenever they have the time, and their retreat is marked by great explosions as ammunition stores are destroyed.

It is known that the Germans are becoming so short of ammunition that many of the higher officers are alarmed, but in the retreat the destruction of dumps has been absolutely necessary.

Tanks Do Good Work. In the battle between Cambrai and St. Quentin the Australians and English were assisted by large numbers of tanks, which carried out their tasks with the customary efficiency.

Some few of these tanks were manned by Americans who had been attached to British tank units. Reports from aviators say that the tanks have rolled rapidly over the country, materially helping the infantry to clear out the Germans who had made a dive for cover from the hurricane of British shells.

As the infantry gained ground, the British guns were constantly moved up to the positions from which they could continue pounding the Germans, who, at least in the northern battle area, seemed to be in full flight.

The roads in the general direction east of Gouy are reported full of transport and men, and some bodies of troops have reached points at least five miles in the rear. No new German troops appeared in the battle here, altho the enemy certainly must have known that the position was bound to be attacked.

This is a sign that cannot be ignored and one in which the British commanders find considerable satisfaction.

Among the towns captured on this battlefront were Gouy, Le Catelet, Hambleourt, Sequehart, Wancourt and Beauveroy.

Heavy machine gun fighting is going on in Montebreinh and on the hills to the southeast of Hambleourt.

Further Gains to the South By French in Bitter Fight

Gen. Debeney Obtains Foothold West of Neuville St. Amand and Itancourt, Breaking Thru Hindenburg Line.

With the French Army in France, Oct. 3--Gen. Debeney's troops in the region of St. Quentin yesterday began to smash thru the lines of the Hindenburg position over the entire front of that army.

These lines were two and one-half miles deep in some places and were supported by several strongly organized woods. They were defended by machine gun sections, which proved unable to check Gen. Debeney's advance.

A breach made in the Hindenburg line east of Le Troquey was widened to the outskirts of Lesdins. Further north the French troops, in conjunction with British forces, took several small pieces of timber land in the face of vigorous resistance.

The west bank of the Crozat Canal, northeast of St. Quentin, is now in French hands as far as Lesdins. Gen. Debeney's men have occupied Omsley. A footing also has been gained on the east bank of the canal at Morcourt, the western part of the town being in French hands.

With St. Quentin and the suburb of Isle in his hands Gen. Debeney has made further gains to the south, obtaining a foothold in the enemy's trenches west of Neuville St. Amand and Hamcourt. Several lines of trenches were conquered in that region by the French after a violent struggle.

Five Hundred Soldiers Ill With Mild Form of Influenza. Five hundred soldiers are ill in the military base hospital with influenza. Col. E. Hardy, D.S.O., commandant of the hospital, states, however, that the cases are of a mild type, no serious ones having developed so far.

There never was such an ignominious retreat as that of the Germans now going on. After all their will to win, their ferocity, their ruthless attacks on passenger and hospital ships and on hospitals, their unheard-of atrocities toward women and children and inoffensive citizens, their destruction of cathedrals and churches, cities and towns, homes and charities, their submarine and air warfare against non-combatants, to go rushing back to death over their own paths of destruction in Belgium and France is the very retribution of God. It is one of the greatest lessons spread before all mankind that justice and vengeance may be delayed, but that justice and vengeance must overtake the incarnation of evil-mindedness and evil doing. The fall of Satan is being re-enacted in our day as never before, and great is to be the fall thereof; and the lesson to us of this day is more impressive than any ever heretofore imparted to mankind. Humanity is being saved from its own inhumanity.

London, Oct. 3.--In the week ending today the allies have captured 60,000 men and 1000 guns on the western front.

Humanity Triumphs Over Inhumanity. There never was such an ignominious retreat as that of the Germans now going on. Thus the Hindenburg system has been definitely passed.

London, Oct. 3.--The Australian troops are fighting beyond the Beauveroy line, at Wancourt, La Motte Farm and Lormisse, in the St. Quentin sector, according to the official Australian correspondent. The Germans are retiring toward Montebreinh. Thus the Hindenburg system has been definitely passed.

RENFREW APPEALS FOR MEDICAL AID

Five Hundred Cases of "Flu" Reported to Provincial Authorities.

Between four hundred and five hundred cases of influenza have broken out at Renfrew, and doctors and nurses are to be rushed there by the provincial health department. The appeal for immediate aid was received at the parliament buildings, Toronto, yesterday afternoon in a telegram from Dr. James J. McCann, medical officer of health at Renfrew, to the effect that a severe epidemic of influenza was raging there, between 400 and 500 cases having developed and resulting in ten deaths from a complication of pneumonia.

A conference was held on receipt of the telegram between Hon. W. D. McPherson, provincial secretary; Col. J. W. S. McCallough, chief officer of health, and Hon. T. W. McQuarry, provincial treasurer, whose home is in Renfrew.

Telegrams were despatched at once to the medical superintendents of the provincial institutions at Brockville and Kingston, and likewise to the superintendents of the general hospitals at Almonte, Belleville, Brockville, Kingston, Lindsay, Mattawa, Ottawa, Peterboro and Smith's Falls, requesting them to reply at once stating how

ONE DOLLAR TO NEPHEW; LARGE SUM TO CHURCH

Joseph Murphy, who died on Feb. 4, and who left \$4750, left just one dollar to his nephew, Charles Sherman. However, Mr. Murphy left a large part of his estate to the Rev. John A. Turnbull, D.D., pastor of West Presbyterian Church. Archie Sinclair receives a mortgage of \$900, and the home missions department of West Presbyterian Church gets \$100.

Nicholas Weatherston receives \$2977 of the estate of \$4977 left by his son, William Sweeney Weatherston, killed in action somewhere in France the end of August. Mrs. Ada Fisher of Toronto receives the other \$1000.

Edwin J. Dwyer of Stobrook Township left his entire estate of \$1700 to his widow, Mary Dwyer, and the late John Coulson, who died on Aug. 15, left his estate of \$5087 between his wife and three sons.

James Nelson, described by Crown Attorney Corley as a sneak thief, was yesterday sentenced to 18 months in the jail farm on a conviction of theft of various articles from boarding houses.

RAILWAY WIRES MUST BE MOVED

City Wins in Application Regarding Carlaw, Guelph and Pape Avenues.

Judgment was given by the Ontario Railway and Municipal Board yesterday in the case of the Toronto Electric Commissioners, Toronto Hydro-Electric system, the Toronto Railway Company and the corporation of the City of Toronto.

The Toronto Electric Commissioners applied for an order for the removal of the Toronto Railway Company's trolley wires on Carlaw, Guelph and Pape avenues. The trolley wires were put up in compliance with an order of the board issued in January, 1917, to the company to extend the street railway in streets named. The streets were wired but the tracks were not laid. The Toronto Hydro-Electric Commission applied for their removal on the ground that they were a dangerous interference with the hydro-electric power and lighting system.

The judgment is in favor of the Hydro-Electric Commissioners, signed by D. McIntyre, chairman, but A. B. Ingram, vice-chairman, issued a written dissent.

The judgment says: "By personal inspection the members are satisfied that a condition exists on the above streets which calls for immediate redress.

MAN SUES RADIAL FOR DAMAGES TO PERSON

Mr. Justice Middleton yesterday reserved judgment in the case of James McMurray v. the Toronto and York Radial Railway at the non-jury sittings. McMurray sued the company for \$15,000 damages for injuries received in the leg thru an accident while he was a passenger on the Kingston road car on Dec. 8. The car was alleged to have collided with another at a switch, and the plaintiff claimed that the accident was caused thru defective equipment, a defective system of operation and thru the failure of the despatcher to notify the motorman of his car of the location of the other car.

ACQUITTED OF THEFT.

Angus J. Johnson was acquitted yesterday by Judge Winchester of the charge of stealing \$24 from the Canadian Express Company.

OSGOODE HALL

A motion was made before Justice Britton to quash a bylaw of the Town of Rainy River. The bylaw was passed to enable the corporation to take over and operate the electric light plant. A vote of the ratepayers was taken and the bylaw was carried by two of a majority, 29 being for and 37 against. It is now sought to have this bylaw quashed on the grounds of irregularities. Judgment was reserved.

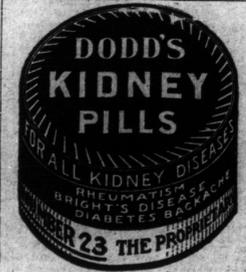

Chaplin Wheel Co., Limited, Justice Middleton said, "There will be judgment for the plaintiffs for the amount claimed and costs. Seven days' stay. Appellate court, second division—McGregor vs. C.P.R. Appeal allowed with costs and action dismissed with costs.

Judges' chambers will be at 11 a.m. Non-jury list for Friday, Oct. 4, 10.30 a.m.—Lilwell vs. Bell, Bowers vs. Vaux, Owens vs. Buffalo.

LIEUT. MOORE MISSING.

A cable received yesterday by Mr. and Mrs. Walter Moore of 309 Sunny-side avenue informed them that their son, Flight Lieut. C. R. Moore, R.A.F., was reported missing Sept. 23. The young officer has quite a record. He enlisted in the military end of the Royal Air Service and was the first in Canada to fly under the instruction of the R.F.C. Before going overseas he was instructor at Borden Camp in April and May, 1917. He was educated at the Model School and Parkdale Collegiate, and had been employed in the financial department of the Mackenzie & Mann Co., Ltd.

LAWYER GETS CHANCE TO PROVE HIS CLAIM

"I have seldom failed to harmonize the differences between husband and wife, except on those occasions when the police intervened," said Gordon Waldron, counsel for plaintiff yesterday at the sessions in the case of Bert J. Mitchell vs. the crown, in which Bert Mitchell appeared from a sentence of three months imposed by Commissioner Boyd in the juvenile court for alleged contributory neglect of his children.

"That is incorrect," retorted Judge Winchester. "I am going to disprove your assertion by giving you two weeks in which to get Mitchell and his wife together and thus correct the condition of family neglect."

Chauffeur Gets Prison For Criminal Negligence

Judge Denton yesterday afternoon at the sessions sentenced Norman Forham of Newmarket, a chauffeur, to two months' imprisonment on a charge of criminal negligence. "If I had only yourself to consider I would make the sentence a stiff one. Having in mind your family, I am disposed to treat your case with a certain leniency, tho I believe the public is entitled to rational service at the hand of chauffeurs, public or private."

Forham ran into a telegraph pole near Roshampton avenue at half past two on the morning of June 14, smashing the pole and throwing out and injuring the occupants of the car, Lieutenants Wallace and Horne, R.A.F. Since that time his home at Newmarket had been destroyed by fire.

CONFLICTING EVIDENCE.

The case against Hugh MacDonald, charged with the theft of \$544 from Edward Dworkin, a tobacconist, of Elizabeth street, was dismissed yesterday by Judge Denton, who pointed out that the evidence was conflicting.

MATHESON WITHDRAWS APPEAL.

T. G. Matheson, the aged civil service employe recently sentenced to six months' imprisonment on a charge of inciting to riot, yesterday at the sessions withdrew his appeal against the sentence, stating that he would await action from Ottawa before further pressing suit for appeal.

GETS BENEFIT OF DOUBT.

"I bought the harness from a man I don't know, and sold it to a man named Strohm of Guelph," said Alfred Lucas yesterday at the sessions, giving evidence on the charge of stealing a set of double harness from William O'Brien of Guelph. Judge Denton gave Lucas the benefit of the doubt and dismissed the case.

POSTIES GIVE \$100. The Postal Employes' Patriotic Association yesterday voted \$100 toward the Catholic Hut campaign.

SPEAKERS STRONG FOR CATHOLIC HUTS

Prominent Men Express Opinions at Noonday Luncheon.

Enthusiasm and patriotism ran a race for supremacy yesterday at the noonday meeting at the King Edward Hotel of the captains and their teams who are working on the Catholic army huts campaign. Several items had contributed to create the atmosphere. Collections had been made, and Toronto citizens had met the campaigners with the glad hand of welcome.

Among the guests at the head table were Hon. T. W. McGarry, Archbishop McNeill, Wm. Proudfoot, K.C., Senator A. C. Macdonell, W. T. Kerahan, chairman of the campaign committee, presided. In introducing the speakers he said that the most gratifying to the committee, anything met in the shape of a rebuttal being so small as to look like the shriveled up pea referred to in Massey Hall by Bishop Fallon.

What the hut is to the soldier overseas was told by Noel McNeill. He thought the time was past in Toronto when anyone would enquire whether it was for Catholic or Protestant when asked to contribute to any good cause.

JUDGE THINKS COMPANY DISCOURAGES UNION

"I think that the formation of committees of employees is now becoming quite a general thing, and these committees are more and more being officially recognized by their employers," said Judge Colby Smider, chairman of the board of conciliation dealing with the grievances of the employees of the Bell Telephone Company, yesterday afternoon, in response to the strenuous objections raised by Kenneth J. Dunne, architect, against the union. "You gentlemen, stand out more forcibly against this principle than any others I have yet heard of," he said.

VALVATION ARMY HAS A MILLION OBJECTIVE

One million dollars for war work was the objective aimed at by the Salvation Army, who will soon launch a Dominion-wide "Red Shield" campaign to achieve that sum. No definite date has yet been selected, but it is expected to be held some time in December.

COLLECTED ALMS AT DEPOT.

David Weston was yesterday fined \$5 and costs by Magistrate Kingsford for collecting alms from women at the ladies' waiting room at the Union depot.

MINISTERS' SONS GIVE UP LIVES

Casualty Lists Continue to Arrive With Toronto Names.

Lieut. G. Harvey Rochester, son of Rev. W. M. Rochester, general secretary of the Lord's Day Alliance, is reported to have died on Sept. 28 of wounds received in action. He is the second member of the family who has been killed in the war. Lieut. Rochester had been promoted to second-in-command of his company and recommended for the Military Cross. He was an active member of Deer Park Presbyterian Church, taught in the Sunday school and was a member of the choir.

Cap. James P. Crawford, son of Hon. Thos. Crawford, M.L.A., was reported last night as wounded. Word also reached Toronto yesterday that he was a member of the legal firm, Erickson, Brown and Crawford.

Word was received in Toronto yesterday that Major James Gordon Burns was killed in action on Saturday. His father, Rev. R. N. Burns, 486 Jarvis street, went overseas as chaplain of the 14th Pelia Battalion from Toronto. His mother is also overseas. He is a nephew of Mr. Justice Riddell. A sister, Mrs. W. R. MacDonald, resides at 34 South drive. Prior to enlisting in the 1st Battery, Major Burns was connected with the chemical department of the University of Toronto.

A cable received by his parents at 31 Dunbar road reports that Flight-Lieut. Arthur Allan of the Royal Flying Corps is missing since Sept. 29. He went overseas last May and had been on duty in France for three weeks. He was born in Toronto 21 years ago and educated at Upper Canada College.

Flight-Lieut. Harry Telfer is reported missing. He is the son of H. C. Telfer, Montreal, brother of Mrs. F. C. Hanson, 7 Oriole Parkway, and a nephew of Mrs. H. D. Carman, 768 Logan avenue. He had been flying in France for several months. Lieut. Gordon Rennie, son of Mrs. Mary Rennie, 310 Glen road, is reported killed in action on Sept. 26. He is one of the "originals" who went overseas with the Q.O.R. and won the Military Medal and his commission for services rendered on the field. During his six weeks' furlough at home in the spring of 1917, his marriage took place to Miss Edna Brooks, 108 Amelia street. On returning to England, he joined the machine-gun corps. He was a cousin of Brig.-General Robert Rennie.

CHIEF OF POLICE ON WITNESS STAND

Col. Grasett Examined by Lt.-Col. Hunter as to Discipline.

"What I cannot understand about this investigation," remarked Mayor Church to Inspector Dickson yesterday at the afternoon session of the police commissioners investigating the recent riots, "is that a large number of citizens have come here and have sworn they were struck, and yet none of the constables called have sworn they never struck anyone, except a few who came forward and volunteered some information."

"I should think they might speak the truth," remarked Judge Winchester. The matter of the wrecking and looting of the Marathon Lunch occurred the afternoon of the police commissioners yesterday afternoon, and several witnesses were called. Police-Master and Sergeant Sturges stated that when they arrived on the scene the place was wrecked and in darkness. Policeman Franklin minutes by himself and tried to keep the crowd back, but the place was rushed and he was unable to anything.

Mayor Wouldn't Be Called. Mr. Robuck asked to be allowed to call the mayor as a witness, but the mayor would not be called.

Chief Grasett was then called and cross-examined by Col. A. T. Hunter, who questioned him as to the strength of the staff and the disciplinary powers possessed by him and the various inspectors in charge of the 11 divisions.

"I am asking these questions so that in case of any suggestions for reform of the system I shall know where I am at," said Col. Hunter. "We don't want any suggestions from you," remarked Col. Denison. "Perhaps not," answered Col. Hunter, "but the public do. It is certain they would not want it from you."

"I'm perfectly satisfied that the police did not hold their hand on account of fearing personal injury," answered the chief of police in reference to the rioting and looting. "Can you tell me what instructions have been given to the police in reference to using their clubs and batons?" asked Mr. Robuck.

The chief answered that the instructions were that they must refrain from using their clubs and batons except to protect themselves or in the case of a riot. "Has any definition been given to the police as to the rights of the public on the streets?" "No," said the chief, but added that lectures were given to the police on Monday when he read it in the papers.

GIVE PUBLIC SERVICES TO TOWN OF LEASIDE

Needs of Toronto's New North-east Suburb Discussed by Mayors of the Two Places.

Leaside and its needs were subjects of a conference yesterday between Mayor R. P. Ormsby of the town and Mayor C. Hanson of Toronto at a meeting which will be called shortly of representatives of the Dominion Railway Department, the C. P. R., York County Council, Toronto and Leaside to consider what is to be done towards securing the necessary public utility services for the northeast suburb so urgently require. After yesterday's meeting Mayor Church said Leaside has become an important suburb of Toronto by reason of its close proximity to several of the best districts in the city, such as the University Heights, Parkdale and North Toronto, and because of that it was vitally interested in anything the town might do to the future. He thought it would be to Toronto's interest to give the town public services, and to this end the meeting of all interested parties was to be held.

MANY POOR FAMILIES IN NEED OF CLOTHING

Reports presented to the Toronto City Mission, which met in the Central Y.M.C.A. yesterday, showed that the mission is in great need of clothing for poor families. Rev. John Neil, D.D., president, and the reports for the summer work were read, showing that over 4,000 families were visited, 292 gospel services held, and 4,632 tracts and scriptures distributed. One hundred and seventy-five sickly women and 250 needy children were given a two-week dress holiday at the division fresh air home at Bronte, with splendid results.

MORE HUN BRUTALITY.

Lieut. Gordon Denison, R.C.N.V.R., son of Mrs. P. C. Denison, Busholme and nephew of Police Magistrate Denison, reports more Hun brutality. He states his motor launch pursued a U-boat in the North Sea, but the sub sank, leaving eight fishermen, whose boats they had destroyed, struggling in the sea. Five drowned before Lieut. Denison could reach them.

VETERANS COMING BACK TO HOMES

Large Party is Expected to Reach Toronto Today or Saturday.

Two hundred and thirty-eight returned veterans are now en route to Toronto from the coast. The homeward-bound contingent left an Atlantic coast port at 5:40 p.m. Wednesday. The party is made up of 233 men and 5 officers and two nursing sisters. One hundred and fifty-eight are for Toronto, 11 for Hamilton and the remainder for the other cities and towns of the Toronto military district.

Nursing Sister Georgina D. Long, 29 Bousfield avenue, returning with the contingent, suffered severe wounds when the Germans bombed No. 1 Canadian General Hospital at Etaples, France, in May. The other five nursing sisters in the hospital were killed by the German bombs.

Information regarding the day and hour of the returning veterans is as follows: Capt. Robt. W. Conn, Edmonton, Alta.; Capt. B. W. Hutchinson, Parksville; Lieut. Ewart E. LIEUTENANT-GOVERNOR WILL PRESENT HONORS

Tomorrow morning at 11 o'clock Sir John Hendrie will present a number of Military Crosses to soldiers, or their next of kin, in front of the parliament buildings. Major-General W. A. Logie, C.B., and officers of the headquarters staff will be present. The C. O. R. C. will furnish the guard of honor. A military band will also be in attendance.

THE DON MILLS ROAD.

The contractors commenced laying the crushed stone on the Don Mills road where it enters the valley from the south yesterday and with good weather switching should be finished up in a couple of weeks. Meanwhile, the road is open to traffic. The grading of the hill will be carried further south and the material further back to the south side at the turn to give more room. This will be done as soon as the contractors put the finishing touches to a new road and bridge at Locust Hill.

LOOKS LIKE A RAID ON CIVIC TREASURY
Salary Increases Should Be Dealt With Differently, Says Finance Commissioner.

The question of salary increases in the inside service at the city hall will not down. At the board of control yesterday, Finance Commissioner Bradshaw said they should be considered when the estimates were up, and to bring the matter up now was wrong. He felt an unbridled raid was being made on the treasury. If the board intended considering increases, he thought all heads of departments should be notified and permitted to send in their recommendations. Controller O'Neill: "I move that they do that."

The others, however, could not see it that way, and the matter was dropped.

Alb. H. H. Ball passed the board for \$1,600 to fix up the holes in the roads in North Toronto. They were so bad, coal dealers and others refused to make deliveries. The request will be considered later.

The recommendation of the legislation committee was adopted that lands should be sold when taxes are two years in arrears, instead of three as at present. In this connection the finance commissioner reported that there were \$7,000,000 of unpaid taxes at present.

Church Lands Exempt. The controllers also decided that church lands should continue to be exempt from taxation. Private schools, colleges and hospitals, however, should pay taxes.

A recommendation was passed against the erection of a fare-box shelter at the corner of Bloor and Behurst streets.

The property committee's recommendation that the residential restrictions be removed so that a drug store might be built at the corner of Dundas and Jarvis was turned down. A poll of the district will have to be taken first.

The Women's Patriotic League were refused permission to use part of the old registry office, but were offered space in the old North Toronto market.

The board will visit the site of the new casualty clearing station in North Riverdale next Tuesday. The Dominion Government want to commence building there at once and Charles Hastings of the public works department asked the city to remove building restrictions so that construction could be proceeded with.

More Salary Increases. The following salary increases in the health department were approved: R. E. Mills, from \$1,800 to \$2,000; G. A. Davis, from \$1,850 to \$2,000; R. A. Rowland, from \$2,000 to \$2,500.

The request of the park's committee for \$25,000 to cut down trees which could be used as firewood was not granted.

A claim has been made on the city by the McKnight Construction Company for \$850, because work was stopped on their garage on Lancaster street on Oct. 1, 1918, and it is expected that an organization of mothers of soldiers will be formed.

IMPERIAL BANK OF CANADA
DIVIDEND NO. 113

Notice is hereby given that a Dividend at the rate of twelve per cent. (12 per cent.) per annum upon the paid-up Capital Stock of this Institution, has been declared for the three months ending 31st October, 1918, and that the same will be payable at the Head Office and Branches on and after Friday, the 1st day of November next.

The transfer books will be closed from the 17th to the 31st October, 1918, both days inclusive.

By order of the Board,
E. HAY,

FINE PROGRAM BY TALENTED ARTIST

Signor Gaudio Varies Numbers on Piano and Clarinet at Foresters' Hall.

Hearty applause greeted the appearance of Signor Gaudio at the Foresters' Hall last evening, when he presented a program of wide variety, played on both clarinet and piano. Signor Gaudio appears to be equally at home with either instrument, tho the full notes of the clarinet would probably be heard to better advantage in a larger hall. Chopin's Nocturne op. 9 and an aria from Beethoven were included in the clarinet solos, while the merry notes of the mazurka varied the more sober tones of Bolle's "Sous-boula" and a "waltz varied" by Martini, demonstrated the wide range of expression and color possible upon such an instrument. Among the piano solos were two of Signor Gaudio's own composition, together fitting expressions of light and shade in tonal effect. Other good numbers on the program were: Cavalleria Rusticana, Mascagni; Gondoliers Veneta, Clognani; Tosca, Puccini; Minuetto, De Nardi; Preliud. Travlata. Verdi; Neapolitan Song, N. N.; Il Fantasma op. 16, No. 1, Gaudio; Waltz, Kropfich; L'Interme, op. 7, No. 1, Gaudio.

PARKDALE SOCIETY TO CHEER FRIENDLESS

Reports of work done during the past half-year were given in at the meeting of the Parkdale Soldiers' Comforts Society, held in the Church of the Epiphany, Beatty avenue, yesterday afternoon. Mrs. W. F. Harvey was in the chair. Reports showed receipts to be \$5513.09; expenses, \$2,375.57; balance on hand, \$3444.89. Since January 9664 yards of flannel and 770 pounds of wool had been used. It was announced that 200 boxes will go overseas for Christmas to be distributed by the Y.M.C.A. among men who have no other friends to make such provision.

LABORITES WILL WORK TO AID VICTORY LOAN

James Connor's resolution, seconded by William Black, to protest against a recent order-in-council repressing speech among working-class language organizations, was passed at last night's session of the Toronto District Trades and Labor Council. However, James T. Gunn, T. A. Stevenson, Joe Mayne and others were in opposition to that if it could be proven that any organization was even neutral in respect to the allies or was engaged in action opposed to the allied cause, the order-in-council should be carried out fully. James Connor, William Black and A. Mance—first of the Socialist Party of the council—strongly censured the order as subversive of the liberty which the allies were fighting for.

James T. Gunn, Fred Bancroft and W. Allen of the Firemen's Union were appointed a committee to look after the interests of labor with respect to the matter of adopting legislation which would give widows pension sufficient to enable them to remain home with their children, and the general center of the meeting was that single women with children should also be considered in this connection. The council also ordered the executive committee to look into the report given out by Delegate Charbonneau of the Metal Polishers' Union that there were 4000 tons of nut and pea anthrax in the service of union labor which means were taken to get hold of it. It was pointed out that at least 80 per cent of the workers of the city were without the hard coal.

A resolution, moved by Fred Bancroft and seconded by T. A. Stevenson, to appoint a joint committee to find out what steps were being taken by the government to have a viaduct built along the water front behind the new Union Station was passed unanimously. The members of both the legislative and municipal committees were appointed for this purpose. The council also decided to ask the government to pass legislation to have polling hours at elections commence at nine in the morning and close at nine in the evening. The council, after some discussion, passed a resolution to appoint a committee of four members to collaborate with T. A. Russell and T. Stewart in the matter of campaigning among the workers of the large factories in behalf of the Victory Loan, which is to be launched next month in Toronto. It was also decided to vote \$50 to the Catholic hut campaign.

TO CONSERVE HARD COAL

Ottawa, Oct. 3.—Measures to conserve hard coal supplies are being urged on the part of the provincial administrators. The likelihood is suggested here of steps to prohibit the use of hard coal till more severe weather sets in. This, however, it is pointed out, is a matter for the provincial administrators to determine according to local conditions. Soft coal, it is urged, should be used to a much greater extent than is the case at present.

WAR WORK PRAISED BY MANY SPEAKERS

With W. E. Dunlop, the president, in the chair, the Ward Five Liberal-Conservative Association held their first fall meeting at the Euclid avenue Orange Hall last night. At the opening of the meeting Mr. Dunlop announced that in accordance with the spirit of the times two speakers, Lieut. E. Miles and Lieut. H. Moore, had been secured to speak of their experiences at the front. Both spoke of the magnificent work done by the Red Cross and the Y.M.C.A., even in the front line. Hon. Thomas Crawford, who was scheduled to address the association, received a telegram stating that his son at the front had been seriously wounded, and he was compelled to leave for home without speaking.

Hon. W. D. McPherson, provincial secretary, paid a tribute to the Canadians at the front, declaring that their fame was known to all the world as the most brilliant fighters in the allied line. One of the previous speakers referred to the good work done by the soldiers' aid commission, which Mr. McPherson declared to be purely a work of love. He praised the work of women at the front, and declared that now more than ever, despite the barbarity of the Germans, who had slaughtered helpless nurses and the like, his offices were still besieged by women who were eager to do their bit. In the coming Victory Loan, mentioned by the speaker, he said the government was sorry to be faced with another stupendous

MURDERED ITALIAN FEARED COMPATRIOT

Evidence at inquest on Death of Dalasalandro Tends to Incriminate Leonard Demio.

Almost conclusive proof that Leonard Demio shot and killed Giovanni Dalasalandro, was submitted to the coroner's jury at the morgue last night who were inquiring into the death of Dalasalandro, who died in the General Hospital on September 25 as the result of a bullet from a revolver penetrating the brain. The first witness was Bertha Belleman, who at the time of the shooting was keeping house for Dalasalandro. She told of the friction between the two men over the sale of some furniture and a house. "Did they also quarrel over you?" asked W. K. Murphy for the crown. "Yes," replied the witness, "Demio said that if I did not leave Dalasalandro and come and live with him he would cut my face." The two men had fought and Demio

WOODSTOCK'S POPULATION

Woodstock, Oct. 3.—The assessor returns give the population of the city as 16,051, an increase of 24 over 1917. The city is still 200 behind the population of 1914, the first year a draft left here for overseas.

FOUR STRONG TEAMS IN SENIOR SERIES

Dentals Enter a Team—Three Civilian Outfits and One Military Team.

The old game of rugby promises to hum this fall. A huge surprise was sprung at the O.R.F.U. meeting last night when Dentals entered a team in the senior patriotic series. Lieut. Harry Fleming entered a club from the Machine Gun Corps, and Beasches and Parkdale A.C. were the other two teams to throw their hats in the ring.

This line up is somewhat of a surprise for the fans to digest. Good old Caps are counted out of the game, and the club could not muster a team. St. Vincent's started off with a flare, but without ever climbing over the ropes. It now comes out that they were counting on most of the players that will line up with the Dentals team.

Parkdale A.C. have the same backers that carried them thru the battle last year. Beasches will be made up of players that have been capital stand-bys in other years.

Hamilton gave it out that the Machine Gun Corps would not be able to stage any games in the mountain city. This is not the right time when they have to tackle the strong Machine Gun team.

The drafting of the schedule took some time, but it was finally arranged to everybody's satisfaction, and the game will get under way one week from Saturday. Parkdale and Dentals will be the contesting teams on this date.

Parkdale and Beasches will play their home games at Scarborough Beach. Dentals announced a ten strike when they gave it out that their home fixtures will be staged at Varsity Stadium. This is the ideal field. The Machine Gun Corps will play two games in Hamilton, and their other home games at Exhibition Camp.

The schedule is as follows: Oct. 12—Parkdale at Dentals. Oct. 14—Beasches at M.G.C. Oct. 19—Dentals at Beasches. Oct. 20—M.G.C. at Parkdale. Oct. 26—Beasches at Parkdale. Oct. 26—Parkdale at Beasches. Nov. 2—Dentals at Parkdale. Nov. 2—M.G.C. at Beasches. Nov. 9—Parkdale at M.G.C. Nov. 9—Beasches at Dentals. Nov. 16—Parkdale at Beasches. Nov. 16—M.G.C. at Dentals.

The Dental outfit will have a strong club. Bill Box, of hockey fame, is the manager of the club, and will be found playing on the team. Wendell Holmes, a former Argo stand-by, is the coach and an active player. Eddie O'Leary, Ottawa College and former Argo player, Mike Mikes, Brophy, Argo; Roberts, from Calgary, Lajoie, Ottawa College and R. A. A. Dink, Toronto, U. V. and the Stewart brothers are a few of those that will be found with the Dental outfit. This will give the tooth carpenter the backbone of a real team, and they will bear watching.

Lieut. Harry Fleming's Machine Gun Corps team is another that promises to put up a tidy fight. Several old-time Tiger stars are with this outfit. Some of the players are: Ted Burton, Mike Lang, Patterson, Bickford, Fleming and Harvey are old Ontario Tiger players. Caps have contributed Bee and House. O'Connor hails from St. Michael's College, and Dowling and Robins come from Ottawa College. Harris and Brown are also St. Michael's products, and Vort played with Hamilton Tech. last year.

Beasches have lined up many of Capital old players and the best that the east end can produce. Parkdale will have the standbys of last year and several newcomers. Taking it on the whole a tidy group is rounded out, and Toronto will have some classy rugby this fall.

Five Long-Draw-Out, Short Ship Races on Third Day at Mount Clemens.

Mount Clemens, Mich., Oct. 3.—Spirited racing marked the third day of the Michigan short ship fall meeting here today, five events being on the card. Fourteen scored in the 2 1/2 mile pace, a record on this track. The feature was the victory of Blackburn Watts in the 2 1/4 mile, an event that went four heats. Ebony Todd was the contender in this race and he forced Miller to extend the Watts' horse to the limit to win. All the races went into split heats.

A London despatch says: London's Collegiate Institute will enter a team in the O.R.F.U. These glad tidings resulted from the fact that a football committee yesterday, in response to a query from the high school regarding its grouping, Secretary Hewitson, sports editor of the Toronto Telegram, wrote a letter saying that the collegiate boys would be sectioned with Woodstock Sarnia and another unnamed town in this vicinity. Either St. Thomas or Stratford is likely to be the "unnamed" member of the series. Both these cities announced that they would not be represented in the O.R.F.U. this year owing apparently to the lack of good Rugby material.
