Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members of the Society as may be chosen by the local Committees, according to the ninth Bye-Law.

7th. An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or; in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.

- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen ; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied ; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen ; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society ; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

## PRAYERS.

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favor our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father which art in Heaven, hallowed be thy name; thy kingdom come; thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

## REPORT.

THE Executive Committee, in their Report for the year 1873, are thankful to say that by the completion of the "Church Endowment Fund" the Society has been relieved from the necessity of meeting the deficiency in the block sum of S. P. G.; and has therefore been enabled to direct its efforts toward increasing the salaries of the missionaries who are in part dependant upon the D. C. S. for suport.

The Committee are of opinion that, although some advance has been made, yet the general rate of the incomes of the clergy must be still further increased if we hope to fill up the vacancies now existing in several missions in the Diocese, and also retain the services of some of those at present ministering in this portion of the Lord's vineyard.

The Committee are aware that the greater temporal advantages which are in some cases offered by other Dioceses are mainly due to the activity and self-denial of the Laity. In order to bring these forces more into operation among ourselves the "Quebec Scheme" has been in part adopted. By this means the Society hopes to be brought into more direct contact with the Laity in the missions, and also to spare the missionary from the necessity of collecting in person his own salary from those among whom he should appear only as the minister of spiritual gifts.

The Committee are glad to state that so far the change has been well received. The clergy are thankful to be relieved from a disagreeable work, and their people have readily agreed to the conditions and regulations which the Society has proposed.

It is, however, necessary for every member of the Society to bear in mind that the increased salaries to the clergy, and the altered conditions of payments cannot be continued unless the subscriptions to the D. C. S. be larger than heretofore. The Committee hope that no mission will suppose that its duty to the

Society of the Diocese is fulfilled by the payment of the "conditional" sum for the support of its own clergymen. The stronger must always aid the weaker, and each one will be ready to acknowledge that there are other places more in want of help than that in which he offers to God from that with which he has been blessed.

The Committee regret to notice that not only in vacant missions no collections is made, but also that where a change of clergy takes place the interests of the Society are often overlooked for one year.

They observe also that in some prominent parishes the D. C. S. does not receive that cordial support which its position as the general Church Society of this Diocese is entitled to claim.

They hope that the impartial action of the Society, which deals with places and not with men will be acknowledged by all, and will lead to unreserved confidence.

They regret to notice also that Parochial missionary meetings are not held in several missions in accordance with the wishes of the Society, and they repeat their suggestion that such meetings would be productive of much benefit to the Church.

With reference to the prospects for the year 1874 the Committee would only remark that the increased payment for support of missionaries has made the Society responsible for nearly \$5,000, and that the probable income will about meet the demand, but they think it necessary that for the present the funds be appropriated solely to the support of the ministry of the word.

They submit the following abstract of the income and expenditure during 1873, and also of the amount thus far received for 1874 :

## ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held in the National School Room on Tuesday, July 1st, at 2 o'clock, p. m.

The Right Rev. the Lord Bishop presided.

After prayers and reading the minutes of the preceding meeting, the following officers were appointed:—Secretary, Canon Gilpin; Asst. Secretary, C. Bullock, Esq.; Treasurer, Canon Gilpin.

New members of the Executive Committee to fill up five vacancies:—Messrs. J. T. Wylde, Joseph Starr, Frederick Allison, J. M. Jones and Professor DeMill.

The following resolution was moved by Rev. R. Warren, M.D., and seconded by Rev. Alfred Brown, and adopted for confirmation at the next Annual Meeting:—

“That any person ceasing to be a member of the D. C. S. shall, *ipso facto*, cease to be a member of any Committee or sub-Committee on which he had been appointed. The published Report shall be taken as an authentic record of the members of the Society at the date of its publication.”

A Report was presented by the “Church Endowment” Committee received and ordered to be published.

(This Report was printed on the 41st page of the last Report of D. C. S.)

It was resolved that the Church Endowment Committee be requested to publish an explanatory statement of their obligations under the prospectus and of the position of the Clergy with reference to it.

The Widows' and Orphans' sub-Committee reported “that any alterations, such as those suggested by Rev. C. J. Shreve, would far disturb the calculations on which the fund was based, so that it might greatly impede the effectual working of the scheme.”

The Committee, therefore, could not recommend the change.

Whereupon it was resolved that the W. & O. Committee be requested to consider and report upon the possibility of extending the ages mentioned in Rule 14th of W. & O. Fund.

The Report of the Executive Committee relative to the “Quebec Scheme” was taken up and adopted in the following form:—

The Committee recommend the adoption of the following regulations:—

1st.—That no grant be ordinarily more than \$200 per annum to one mission, or one clergyman.

The meeting adjourned.

#### EXTRACTS FROM THE MINUTES OF THE EXECUTIVE COMMITTEE.

JUNE, 13, 1873.—The Report of the sub-committee on the "Quebec Scheme" was taken up, and after much consideration was adopted for presentation to the annual meeting in the form by which it was received and accepted by the Society (vide annual general meeting).

Messrs. G. R. Anderson and W. H. Wiswell were appointed auditors for 1873.

The Secretary was directed to return to the Rector of Sackville a sum paid by him in error into the funds of the Society.

The sub-committee reported that in accordance with their directions they had prepared and presented an address to General Doyle upon the eve of his disparture, and that his Excellency had made gracious reply.

OCT. 17, 1873.—The subject of the "Quebec Scheme" was taken up and the following committee were appointed to carry out

the rules, &c. adopted by the annual meeting:—Messrs. W. C. Silver, W. Gossip, E. D. Meynell, W. H. Wiswell and the Rev. Alfred Brown.

Nov. 21, 1873.—The Report of the "Quebec Scheme" sub-committee was presented, with their recommendation of grants and conditions. The Report was adopted, and it was agreed that the grants should be made at the next meeting.

The "Quebec Scheme" committee recommended the following additional rule:—

"The receipt of the Clergymen for money given at the offertory may be received from the Church Wardens as part of the conditional payment required by D. C. S. from the people."

An application from Rev. Theophilus Richey for a grant towards meeting the deficiency in his salary, during the time that no grant from any external source was received at Kentville, was deferred to the next meeting.

An application for grant, under special circumstances, toward an outfit for Rev. F. Hiltz, was considered. It was finally agreed to grant the sum of \$80.

Several applications toward building churches having been presented, it was agreed:—

"That since it is necessary at present to devote all the efforts of the Society to support the living voice of the Church, it is not desirable to make grants toward building or enlarging churches."

DEC. 19, 1873.—The recommendation of the "Quebec Scheme" as to conditions and salaries were adopted in the following scale:—

With reference to the application from the Rev. Theo. Richey, it was resolved—

“That under the peculiar and exceptional circumstances attending the position of Mr. Richey, during two years in which all aid had been withdrawn from the mission of Kentville, a grant of two hundred dollars be made to Mr. Richey in order to relieve him in part from the loss sustained, but that this action of the committee can in no way be regarded as a precedent.”

FEB. 20, 1874.—The auditors for 1873 reported that they had examined the accounts and found them correct and satisfactory.

Messrs. W. H. Wiswell and W. Gossip were appointed auditors for 1874.

MARCH 20, 1874.—The following recommendations were made by the “Quebec Scheme” Committee and adopted.

A grant of \$100 from the first of January, 1874, to Weymouth on condition of \$200 being paid in accordance with rules by the people.

A special grant of \$200 to Amherst mission for one year from April 1st next, on condition that \$100 be paid by the people; with the understanding that the missionary drawing the grant reside in such place, other than Amherst, as the Bishop may direct.

A sub-committee was appointed to frame resolutions expressing the sentiments of the Society relative to the loss sustained by the death of the Very Rev. the Dean, and the Hon. Judge Bliss, two Vice-Presidents of the Society, and to send copies of them to the families of the deceased.

To fill up the vacancies caused by the death of the Dean and Judge Bliss on the W. & O. Fund Committee, the following were appointed:—The Rev. J. Abbott, and Fredk. Allison, Esq.

It was agreed that the general annual meeting of the Society should be held on Tuesday June 30th at half-past seven o'clock in the evening, and that the subject of a public meeting of the Society be left for the consideration of the general meeting.

APRIL 17, 1874.—The resolutions prepared by the sub-committee, in accordance with the wish of the Executive Committee relative to the death of the Dean and Judge Bliss, were read and ordered to be printed in the Report of the Executive Committee:

"The Executive Committee, acting on behalf of the Diocesan Church Society, desire to express their sense of the loss sustained by the death of the late Very Reverend W. Bullock, D.D., Dean of the Cathedral Church, and *ex officio*, Vice President of the Society: and also to record their acknowledgement of the great benefits derived from his wise counsels and untiring exertions in their behalf, especially among his own congregation, during a long series of years.

The Committee cannot but feel that this Diocese has been deprived of one whose knowledge of its wants, and whose lively interest in its welfare always tended to the advancement of Catholic Truth and Apostolic Order.

The Committee rejoice to think that the example of this faithful servant of the Cross will long continue to influence those who follow him in the Master's work, and that they will strive to imitate one who for more than fifty years, with untiring zeal, unflinching courage and true loyalty, fought, as a gallant soldier, the battles of Christ's Church Militant; and who was the pattern of a Christian gentleman no less than of a loving Pastor.

The Committee would moreover express their sympathy with those whose personal affliction will, as they believe, be lightened by their faith, hope, and mutual love."

"The memory of the just is blessed."

The Executive Committee, on behalf of the Diocesan Church Society, would record its belief that this truth is exemplified in the recent demise of the Honorable Mr. Justice Bliss; who, in life, manifested a very high order of intellect, legal acumen, and Christian development, inspiring universal confidence in his judicial career.

For many years a Vice President of this Society, he ever took the warmest interest in its affairs, and while his health permitted, was a regular attendant at its meetings.

He took an active part in every measure for the benefit of the Church of his affections, affording his valuable aid and judicious counsel, especially in the establishment of the "Widows' and Orphans' Fund," and the Church Endowment and Superannuation Funds.

The Committee sincerely regret the loss sustained in the removal of one of its original founders and most valued members, and desire to tender to the widow and family deep sympathy in their bereavement; but feel assured they will be strengthened and comforted in the belief that the honored and lamented Judge and Vice President, having thrown aside his official mantle, has put on the Robe of Righteousness, through faith in Him who has taken him to Himself, "not cutting short his life but intertwining it with the golden thread of immortality."

MAY, 15, 1874.—The Bishop read the following letter from the Society for the propagation of the Gospel:

"I was sorry to learn that two of the oldest and most respected inhabitants of Nova Scotia, Judge Bliss and the Very Rev. Dean Bullock, have been taken from us. \* \* \* Two such losses will be felt throughout the colony. The Rev. Dean has been connected with the Society for the long period of forty years. I have no reason whatever to doubt Mrs. Bullock's claim for the usual pension of fifty pounds which was included in the agreement with government in 1834. Will you kindly make arrangements for paying this out of the Society's black grant."

The recommendation of the "Quebec Scheme" Committee that \$100 be placed at the disposal of the Rector of Liverpool for one year toward the support of a Curate, was adopted.

A draft of the 36th Annual Report was presented by the Secretary, and after some amendment was adopted and ordered to be printed, published and distributed as usual.

WIDOWS' AND ORPHANS' FUND.

The Committee present the following statement of the fund under their charge during 1873, and request its publication in the Annual Report of the D. C. S.

The income during 1873 was \$2214.80 derived from the following sources:—

Premiums of Clergy	\$509.77
Interest on Investments	1306.66

	\$2214.80

This is a little more than the income of 1872. Subjoined is a memo. of the collections received during the year 1873. There has been paid for pensions and expenses \$1530, leaving \$684.80 to be added to the capital fund.

There are now forty-seven clergymen holding certificates.

The following securities were held by the W. & O. Committee at the end of the year 1873:—

With reference to the matter referred to the committee by the general Society. The following report is returned.

The W. & O. Committee recommend that the 14th rule be so amended as to read thus:

14th. If the widow die or marry again the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females, while those who are still under those respective ages, shall receive the full amount of the pension.

The Committee also recommend that notice be given of such change in the 11th Rule as will allow holders of certificates to travel within the latitudes usually allowed by life insurance companies.

**CHURCH ENDOWMENT FUND.**

JUNE 11th, 1874.—The Committee report the amount paid to meet deficit in S. P. G. grant, June 30th and Dec. 31st last, \$2278<sup>00</sup>/<sub>100</sub>. Total amount now on hand as per Treasurer's account and invested as as per statement annexed, \$12,2022<sup>00</sup>/<sub>100</sub>.

The Hon. Justice Bliss, evincing at the close of his life the same deep interest in the success of this fund and the Church generally ever manifested in his earlier and more active years, bequeathed the sum of \$2,000 to this Committee, which has been paid into the Treasurer's hands, and appears in statements now published.

The Committee trust this good example may be followed by many other lovers of their Church when making disposition of that property with which God has blessed them.

A. M. Uniacke, Esq., for some time the efficient Chairman of this Committee, is now resident in England. J. W. K. Rowley is resident in New Brunswick. J. M. Jones having resigned, and death having deprived us of the services of the late respected Judge Bliss, the Committee are two short of the number required by prospectus, the D. C. S. are requested to appoint four gentlemen to fill their vacancies.

The Committee, in accordance with prospectus, give orders upon their Treasurer semi-annually for amount sufficient to meet deficit in S. P. G. grant. As clergymen are appointed to fill vacancies that may occur in S. P. G. list, a sum equal to three fourths of that named on prospectus will be granted, three fourths of the amount named as basis of the scheme having been realized, first reducing the number in class one from 21 to 16 to meet an error in prospectus in its calculation of the amount of revenue £40,000 would yield.

The above list of receipts shows a blank for Amherst, but their list for 1874 is very much larger than for 1873. Annapolis and Rosette have together sent a larger sum than last year. Bridgetown, from which nothing was received in 1873 has resumed its usual place on the lists. Dartmouth has a little exceeded the amount of last year. Glace Bay has sent us more in the present year than in the past. Guysboro also has nearly doubled its return. St. Mark's, Halifax, has sent this year its contribution separately from St. George's and seems to evince a growing interest in the D. C. S. New Ross, although heavily taxed for local objects has increased its return. Shelburne has made a still further advance in its contribution, being the largest ever sent from that parish. From several parishes and missions there have been no returns in consequence of changes of missionaries and we regret to notice that some who are well able have not come up to the usual mark.

## EXTRACTS FROM LETTERS.

From the Rev. C. Wiggins.

SHELBURNE, April 27, 1874.

At the suggestion of my Rector, I enclose you a short account of my labours from the time of my appointment up to the present. I have said prayers on 108 occasions, preached 101 times, solemnized 16 baptisms and 3 marriages, and buried 3 persons. Visited 286 families. In visiting and holding services I have travelled 1302 miles, in other parish duties 319—total 1621.

You will, I am sure, be pleased to hear that I have been treated with the greatest possible kindness and good will since I came here; in the first place, by my good, kind rector, and secondly by the parishioners in general. They, and he, have in every way aided and assisted me in my feeble endeavors to fulfil the office of a deacon well. I am pleased to report expressions of their good will, in gifts, entirely exclusive of salary, amounting to over \$50.

If I may be allowed to judge, I think I may report this parish in a *healthy condition*—of course we do for a certain extent suffer from the leprosy of *indifference* and in some instances carelessness in the performance of religious duties and privileges; yet our congregations generally are large and regular. I hold services at 10 different stations—two weekly, one fortnightly, 7 monthly. I travel on an average 21 miles every Sunday and preach three times.

The cheerful liberality and good will shown by all in their contributions to the anticipated alterations in our Church have been very cheering both to the Rector and myself, and an index of health in the Church. If the improvements we are pressing upon them be carried out, we will I think have a handsome Church. What I rejoice in the most is the absence to a great extent of that shortsighted, deeply rooted, *ignorant, puritanical* prejudice, so prevalent in many parishes, which eats like a canker worm into the very heart of every effort to instill Catholic truths. This I suppose is owing to the sound and faithful teaching of our excellent Rector. I was very glad that it seemed good to the Society, to make their grant to this Parish cover the whole sum subsequent to my appointment, as any holding back would have been almost fatal to our efforts at soliciting contributions to this Society. This Mission is so extensive that it cannot receive under the present circumstances the attention it demands, as you will mainly see by the number of monthly services. Please excuse my taking you in such a ramble through our Parish, but my Rector wished me to write "in extenso."

CECIL. F. WIGGINS.

From the Rev. H. Stamer.

HUBBARDS COVE, April 2nd, 1874.

Dear Sir,—Another year has passed away, since I last remitted the Annual Subscriptions of the Parishioners of Hubbard's Cove, to funds of the D. C. S. How short the time seems now, that it is passed, and yet many are the eventful occurrences that have taken place both in Church and State during that short period.

In my last far surpassed the present this Parish t of \$90.45, I season of th limited. In my last years communication, I stated the amount I was then remitting, far surpassed those of former years, and I am now happy to be able to say, the present remittance is by far the largest that has ever been contributed by this Parish to the funds of the Society, having come up to the handsome sum of \$90.45, I had no idea that it would amount to that, as at this particular season of the year, the circulation of money along the shore is extremely limited. No doubt, the great majority of the subscribers, could well afford what they gave, but I have known many instances of the greatest self denial, which if witnessed by one and all of the members of the Church throughout the Diocese, would put many of them to the blush, when they consider how trifling the sacrifice they may have made, taking the circumstances into consideration. I hope if this meets the eye of any such, they will give it the consideration it deserves. The annual collection for the D. C. S. is so much in the minds of the parishioners, that they look forward with pleasure to the time I usually take my rounds, and when sitting with them in their cottages and talking over Church affairs, it is most encouraging to witness their readiness to contribute. I have made it a rule never to ask a second time, never to say you ought to give more, never to omit visiting a family because they are poor, and not able to give, and I have frequently said to some, "I know your circumstances and I do not come among you for the purpose of getting a subscription, but that I would consider I was slighting you if I passed without making a call," the reply most invariable is, "we have given heretofore and have not felt the worse." Although the half dollar given, may be the proceeds of a few dozen eggs, sent to Halifax.

Hoping you may be able to announce in the next Annual Report a large increase in the general subscription list for the year.

HENRY STAMER.

From the Rev. J. R. Campbell.

YARMOUTH, March 30, 1874.

The Secretary and Treasurer of this local branch will remit to the Parent Society by this Mail \$200 on account. I have no better Report to *wish* for, than we are able to send. For no one in the Parish refuses to acknowledge the Society's claim; all subscribe; and this year, an increase has been voluntarily made in a considerable number of subscriptions.

Our Annual Meeting, which was held in the New Parochial School House, was well attended by the future representatives of the Parish—I mean the young—and what between the spirited addresses of several Laymen, and a larger attendance than ordinary, we feel disposed to thank God and take courage. My growing conviction is that the Parent Society has no better auxiliary in the Diocese than the Parish of Yarmouth.

I regretted to see in the last Report that quite a number of Parishes had failed to make returns. I hope there is no connection between that fact and the completion of the Endowment Fund. If there is, we are in real danger. The man of God who was sent to Bethel did his work well. It was not until he was on his way home, when he thought his work was done, and he sat down by the way, that his real danger began. And that thing was written for our admonition.

J. R. CAMPBELL.

## APPENDIX.

### RULES OF THE WIDOWS' AND ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund, subject to an appeal to the whole Society.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than \$8.00, then the excess be counted toward payment of the premium of the minister or ministers for that year :

#### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub Committee were adopted by the Standing Committee, May 17th, 1850 :—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension

V. The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said sums to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its ‘*Reserved Fourths*,’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

S. toward the salary of their minister, shall by their wardens, or other representatives, pay to the Secretary of the Society half-yearly, on or before the 30th of June and 31st December in each year, such proportions of the required salary as may be arranged by mutual consent of themselves and the Diocesan Church Society.

4th.—On receipt of the stipulated half-yearly amount from the parish or mission, the Secretary shall accept the order of the minister for the full half year's salary as agreed upon jointly by the two contracting parties.

5th.—Should the minister accept part of the amount payable by the parish or mission in kind at *cash* prices, his receipt for the sum in the form of a Bill of items, may be counted by the wardens or representatives towards making up the amount to be paid by the parish or mission.

6th.—Should the sums agreed to be paid by the wardens or representatives not be paid when due, or within thirty days after falling due, the proportion agreed to be paid by the D.C.S. may be continued for six months, and the Executive Committee shall enquire into the cause of such deficiency, and consider the subject at the ensuing meeting.

7th.—The receipt of the Clergyman for money given at the offertory may be received from the Wardens as part of the conditional payment required by the Society from the people.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

"The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given."

"It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society."

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

"The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish."

"All subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

"If reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

The attention of the Local Committees is particularly requested to the above regulations.

"All applications for aid from this Society are proposed at one meeting of the Society and considered at the next."

"No person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a Subscriber for three months preceding the day of meeting."

At the General Meeting in 1869 the following Resolution was adopted:—

"The Church property, in any Parish, which is actually occupied by the Incumbent of the said Parish, shall be valued by competent valuers, upon his taking charge, and be considered at the same value for purposes of salary during his incumbency; and the valuers shall be appointed as follows, viz., one by the parish, one by the Executive Committee of D. C. S., and another by those two."
