## UNIVERSITY OF TRINITY COLLEGE.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 15th July, 1852, and was endowed with such powers of conferring Degrees as are enjoyed by the Universities of Great Britain.

THE CONVOCATION of the University, by provision of the Royal Charter, consists of the Chancellor, the Provost, the Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine in the University, who from the time of their admission to such Degree shall have paid annually the sum of five dollars to the University. Graduates other than the above mentioned Graduates, and other friends of the University may become Associates of Convocation by the same annual payment to the University.

The Chancellor of the University is elected for a period of five years by the members of Convocation in good standing and by those Graduates, who, before March 1st, 1888, commuted the annual payment of one dollar required up to that date to be paid by voters.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor and four members of Convocation, to be elected by Convocation at the annual meeting for conferring the Degrees in Arts.

The University confers no Degrees unless the candidate has previously signed a declaration of allegiance\* to Her Majesty, the Queen. This does not apply to persons who are not subjects of Her Majesty.

BOARDS OF STUDY in the different Faculties, consisting of *ex-officio* and elected members, advise the Corporation through the Executive Committee, as to the nomination of Examiners, changes in the Curriculum, &c., in the respective departments of which they have the oversight.

\*For any Degree in Divinity subscription to a declaration of membership in the Church of England, and to the Three Articles of the XXXVIth Canon is also required.

TRINITY COLLEGE, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord 1851, was constituted a body corporate, consisting of the Lord Bishop of Toronto (or, in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the original Diocese of Toronto should be divided), the Trustees of the College, and the College Council.

On the 1st of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and, under the provisions of this Act, the Faculty of Divinity was suppressed, and other changes made in King's College, now known as University College.

These important changes in the Constitution of a foundation, which owed its origin mainly to the long continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of this Province, to render indispensable the erection of a College under the control of the Church of England, but open to members of other religious bodies, in which secular instruction should not be dissociated from religious teaching.

The Bishop consequently, on the 7th February, 1850, issued a Pastoral Letter to the Clergy and Laity of the Diocese, inviting their co-operation in this good work. This appeal was nobly responded to, and about \$100,000 was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of two hundred pounds per annum; and also gave seven acres and a half of land within the precincts of the City of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds; and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid, and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England; and in 1852-3, the Rev. Wm. McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church; and obtained, in books and money, little short of \$10,000.

Within the Diocese successful efforts were at the same time made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins; the former, by the Bishop's appointment, undertaking the canvass of the Western the latter, that of the Eastern section of the Province.

In the year 1853, Dr. Burnside placed at the disposal of the College the munificent sum of \$24,000 in lands and money, a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

In the year 1864, the Rev. Wm. McMurray, D.D., D.C.L., Rector of Niagara, was deputed by the Corporation of Trinity College to visit England for the purpose of seeking aid towards the endowment of the College. The result of his laborious and successful endeavours was the realizing of an amount, in money and in books, of about \$20,000. Dr. McMurray's mission having been interrupted by the necessity of returning to Canada, the Rev. W. S. Darling, in the following year, took up the unfinished work, and succeeded in collecting \$2,526.

In the year 1865, the Rev. James Gordon bequeathed to the College the sum of \$2,000.

In the year 1866, Enoch Turner, Esq., of Toronto, bequeathed to the College the sum of \$8,000, "to be applied towards carrying on the charitable and holy purposes for which the College was incorporated."

In the year 1871, Thomas Clark Street, Esq., bequeathed to the College the sum of \$4,000.

In the year 1876, the family of the late James Henderson, Esq., of Yorkville, being desirous of carrying into effect the intention of their father, for which he had made no provision in his will, gave the College \$4,000.

This sum, together with Mr. Street's legacy of \$4,000, was applied towards the erection of a Convocation Hall, which was formally opened on November 15th, 1877, the occasion of the installation of the Hon. G. W. Allan, D.C.L., as Chancellor of the University.

In the year 1882, in view of the urgent necessity of enlarging the Professorial Staff, the Corporation resolved to appeal to the country for the sum of \$200,000, as a supplemental Endowment Fund, to enable them to found additional Chairs in Divinity, Physical Science, English Language and Literature, Mental and Moral Philosophy, History, and Modern Languages; to encourage post-graduate study, as well as to reinforce the Teaching Staff, by the foundation of two or three small Fellowships; to erect a College Chapel, to complete the existing quadrangle so as to provide increased accommodation for resident students, and to construct an additional building containing a complete set of Lecture Rooms, Laboratory, &c. The response to this appeal has been such as to enable the Corporation to establish two new Chairs, one in Divinity, and the other in Mental and Moral Philosophy, and to endow a Fellowship in Natural Science.

The new Chapel to which the munificent donation of \$10,000 was made by the Henderson family, was opened for Divine Service and consecrated by the Lord Bishop of Toronto on S. Luke's Day, October 18th, 1884.

During the summer of 1884, the Provost of Trinity College and the Rev. R. H. Starr, B.D., were sent by the Corporation to England to solicit aid for the various purposes to be provided for by the Supplemental Endowment Fund. Their canvass was attended with very gratifying success. An anonymous donor, a member of the University of Oxford, promised £5,000 towards the endowment of the Second Professorship of Divinity, to be called the Keble Professorship of Divinity, and a Chair of Science to be called the Pusey Professorship of Physical Science. The Society for Promoting Christian Knowledge granted £3,000 as follows: £1,500 towards the endowment of three Fellowships on condition that £3,000 was otherwise raised for the same purpose, £1,000 for an additional building to accommodate 20 students on condition that £1,500 more was raised, and £500 to endow a Lectureship in History on condition that £1,500 was raised. Grants were made by the Society for the Propagation of the Gospel and by the University of Cambridge, and handsome subscriptions were received from many private benefactors.

Other benefactions to the College will be found mentioned in connection with the Library, or under the head of Scholarships.

### *Fees for Tuition and Board.*

Students are ordinarily required to reside in College, but those whose parents live in Toronto are exempted from such residence, and the same privilege is granted by the Executive Committee in other cases on sufficient cause being shewn.

The Tuition Fees for Resident Students are \$55 per annum, and for Non-resident Students \$65 per annum.

The charge for rent of rooms and board of Resident Students is \$165 per annum.

These fees are payable in three instalments, terminally, in advance, and on payment being made during the first fort-

night of term, a discount of 10 per cent. is allowed, thus reducing the annual charges to \$198 and \$58.50 for Resident and Non-resident Students respectively.

The Steward's account for fuel and extras averages \$15 per annum. Students have to provide their own bedding, carpets, &c., the heavy furniture being supplied by the College.

#### BACHELOR OF ARTS.

All Candidates for this degree must be Matriculated Students of Trinity College, and have kept nine Terms. They will be required by the University to pass the<sup>s</sup> Primary, Previous, and Final Examinations.

In order that a Student may keep a term he must attend seventy-five per cent. of the lectures delivered in the term by each Professor or Lecturer whose lectures he is required to take, and if resident in College, attend sixty per cent., and if living in lodgings, fifty per cent., of the chapels of the term.

The keeping of terms may, however, be dispensed with in individual cases, in which application to that effect shall have been made to the Corporation, and the grounds assigned by the applicant unanimously approved by the Corporation. In such cases the applicant must not be less than twenty-five years of age, and will be required to pass the Matriculation Examination, the Primary, the Previous, and the Final Examinations at intervals of not less than those which are prescribed in the case of resident Students, and to pay for each Examination which he undergoes, in addition to the fees for Matriculation and Degree, the sum of \$5. The permission to proceed to a Degree in this manner by Examinations only, must be given by the Corporation before the Candidate presents himself for the Matriculation Examination.

Students attending lectures in Trinity College will not be allowed to present themselves at the Primary, Previous, or

Final Examination, unless they have passed the Christmas College Examinations, held at the end of the Michaelmas Term, or the Supplemental Examination, held at the end of the Lent Term, of the First, Second, or Third Year respectively. The marks obtained in this Examination by Candidates in the First and Second Years are also reckoned in the awarding of Scholarships in June.

Students attending any Divinity School in connection with the Church of England, will be admitted to the degree of B.A., on condition of passing the usual Examinations, viz., the Matriculation, the Primary, the Previous, and Final Examinations, at the accustomed times, the Candidate producing on each occasion the necessary certificate from the authorities of his Divinity School, viz., at the Matriculation Examination, that he has been admitted as a Student of the School, and at the Primary, Previous, and Final Examinations, that he has kept at least the requisite number of Terms, and that he is in good standing. Students who do not reside for so long a period as three years may be admitted to the degree of B.A., on condition of keeping at Trinity College the rest of the Terms required, and of passing the necessary Examinations. Or they may make, severally, application to the Corporation of Trinity College to be allowed to avail themselves of the Statute under which Candidates are admitted to the Degree of B.A., by Examination only.

Students-at-law of Osgoode Hall, or Students of any Medical College may be admitted to the Degree of B.A., if, during their Course in Law or Medicine respectively, they have kept three Terms in Trinity College, and have passed the Matriculation, the Primary, Previous, and Final Examinations for the Degree of B.A.

Undergraduates of other Universities may, at the discretion of the Provost, be admitted *ad eundem statum*, up to the end of the Second Year, provided they have kept their Terms by attending Lectures and passing Examinations.

In order that a Candidate may pass in the Matriculation, or in any other of the Pass Examinations for the degree of

B.A., he must obtain 25 per cent. of the marks assigned to each paper, and 33 per cent. of the marks assigned to each department.

#### I. MATRICULATION EXAMINATION.

The Candidate must have entered his sixteenth year. He must send notice to the Registrar, before June 1st, of his intention to present himself at this Examination, and must furnish a certificate of good character and conduct, and pay the Matriculation Fee of \$5. Should he fail to pass the Examination, this fee will not be returned, but he will not be required to pay another fee before presenting himself for examination a second time. The Examination will be held in July, and there will be a Supplemental Examination, beginning on October 1st. A Candidate intending to present himself at this Examination must send notice to the Registrar before September 10th. Forms for giving notice will be furnished on application to the Registrar. The Examination in June will be conducted at Trinity College School, Port Hope, and at the various High Schools and Collegiate Institutes of the Province, the Examination in October at Trinity College only.
