

INCREASE ADVERTISING RATES, REDUCE SIZE OF NEWSPAPERS URGED BY PRES. OF A. N. P. A.

This Suggestion Offered as a Means of Relieving the Distress Caused by Newsprint Shortage in the United States—Believed That Proper Restriction of Advertising Space Will Not Work Any Financial Hardship to the Publishers.

New York, Nov. 12.—Increased advertising rates and reduction in the size of newspapers were urged today by Franklin P. Glass, of Birmingham, Ala., president of the American Newspaper Publishers' Association, at a special meeting here to consider the newsprint shortage.

"Every paper," he said, "should agree to cut down the average number of pages, both week days and Sundays, by a considerable percentage and then hold down the advertising volume to a fixed number of pages. This will probably necessitate an arbitrary reduction of at least 35 per cent. in volume of business."

"Radical advances should be made in advertising rates. The percentage of increase should be such that they will hold back the price of advertising that has poured into our offices and bids fair to continue during the next year."

Declaring that English newspapers during the war reduced their size by one-third, he said advanced rates that most of them earned more than before the war, Mr. Glass said: "It is plain that proper restriction of advertising space will not work any financial hardship here."

Among other things, suggestions were made: "That no newspaper enter into a yearly contract for advertising at a fixed rate, but make rates adjustable monthly or quarterly."

"That the A. N. P. A. send out a standard form of adjustable contracts for advertising."

"That the paper committee strongly disapprove the hearing of newsprint."

"While we, the committee and Legislative Committee of the A. N. P. A., urge the enactment of such legislation as will permit the development of

waterpower so that our timber lands may be made fully available for the manufacture of wood pulp, lumber and paper, and we also recommend that Congress take steps that will induce the Canadian Government to repeal the Order-in-Council prohibiting the export of wood cut from Crown lands.

"We recommend that the President appoint a Committee on Conciliation for the purpose of adjusting differences between publishers in competitive territories. That the members of this committee be selected with the view of governing the entire country. That this committee formulate such plans and recommendations as will assist in adjusting existing differences so far as possible; that each member of this committee be given allotment over certain territory and be authorized to appoint sub-committees to deal with conditions in cities or competitive territories within that area."

"It is further recommended that this committee keep the Print Paper Committee of the A. N. P. A. informed as to its problems and accomplishments; that the entire membership of the A. N. P. A. co-operate with this committee to the end that it may result in the greatest benefit to all most vitally concerned."

In line with the recommendations of Franklin P. Glass, president of the Association, that the publishers cooperate with newspaper men in forming a committee of the publishers conferred with a committee of the American Pulp and Paper Association, which began a four-day conference at the same time. The results of the conference were largely embodied in the resolutions which were advised. A. S. Kellogg, secretary of the Newsprint Service Bureau, took to the conference the legislative committee of the A. N. P. A., urge the enactment of such legislation as will permit the development of

Shipping Out Of The Restigouche

Considerable Shell Ice Moving up and Down With Tide—Woodsmen's Wages Highest Ever Known—The Lumber Mills.

Campbellton, Nov. 11.—Considerable shell ice is moving up and down with the tide, and the weather is dark and damp. S. S. Burando is the last of the season, with the exception of an odd provision boat, which may continue to come and go until the river closes. Quite a number of ship laborers will now be out of work, and many purpose going to the woods for the winter. Woodsmen's wages are the highest ever known. Thirty or twenty years ago an exceptionally smart man with an axe would get winter wages \$2.00 to \$3.00 per month, with possibly a small bonus, such as "free tobacco"; today the poorest of woodmen demand \$75.00, and must have the "white sugar" and "butter," against the former all around molasses.

Campbellton is to have two new lumber mills, and work is to be commenced at once and the plants in operation for next season. Members of the construction department of the Fraser Companies, Limited, are now advertising for men to begin the work of erecting two large mills on the Mowat property, which the Fraser Companies, Ltd., acquired some time ago. Crews are already in the woods cutting logs for next season's operation. One mill will be for the manufacture of long lumber while the other will manufacture cedar shingles.

The Fraser Companies, Ltd., are perhaps the largest lumber operators in the province. They have plants in the following places: Cabotville, Glendyne, Bicourt, in Quebec; Edmundston, Baker Brook, Plaster Rock, Fredericton and Nelson in New Brunswick and now Campbellton is to be included in the chain.

SATISFACTORY REPORTS.

Satisfactory reports from the two sales held recently by the Women's League of St. David's church were given at their meeting held yesterday. Mrs. A. Morrison presided and it was stated that the last pantry sale held had resulted in the sum of \$55 being added to the Organ Fund, while the superfluous sale had brought in \$500. Those in charge were warmly congratulated on this splendid showing.

This was the last meeting which will be held in St. John's church, as all arrangements have been made for the removal to the new building.

OPEN NOSTRILS! END A GOLD OR CATARRH

How to Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snoring, hawking, mucous discharge, dryness or head-aches, no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrhs yield like magic. Don't stay stuffed-up and miserable. Relief is easy.

GOVERNMENT WILL NOT PROSECUTE J. K. FLEMMING

Physician's Certificate Shows Former Premier to be Very Weak and Unable to Attend Court.

Special to The Standard. Fredericton, N. B., Nov. 12.—The solicitors for the Government in the case of the King vs. J. K. Fleming, and the King vs. W. B. Tennant, which are under consideration in the Supreme Court, cleared the air today, in a report which they made to the Honorable Attorney General, giving reasons accounting for the apparent delay in bringing to trial the above cases.

In the case against Fleming the affidavit of Mr. Fleming's physician, Dr. Rankin, which forms a part of the report shows how grave is the condition of the former premier. This affidavit was read before the Supreme Court very recently and the first three paragraphs in the opinion of the judge, Mr. Fleming is not capable of attending to any matters of business, and it is not to be expected that he will ever rally to any great extent. Quoting the words of the affidavit: "He is now confined to his bed in a very weak condition and is unable to care for himself and the prospects of his again arising from bed are almost none."

In paragraphs 4 and 5 of the affidavit the physician expresses his opinion that the condition is very serious. As a consequence settlement of the strike in the printing trade seemed as far away as ever.

"We are determined that no work shall be done in any printing shop in Greater New York until the employing printers comply with our demands, the Union's secretary said in announcing the "Shame" Campaign.

Y. W. P. A. TO SELL VICTORY BONDS

Arrangements Made at Meeting of Executive Held Last Evening—Booths to be Opened in All Wards.

The Y. W. P. A. are going to sell Victory bonds. This was decided at a meeting of the executive held last evening at the G. W. V. A. rooms.

Miss Brook is general convener and the members are starting out enthusiastically to make a success of the last three days of the campaign.

The hope was expressed last evening that the friends of the association will stand by them in this endeavor and help them to make a success of their applications. The worker's time is limited and every bond sold will count in the grand total.

The association hereafter will be permitted by the Western Union officials at the King street office.

NEW MILL FOR OROMOCTO

The Machinery Purchased of the Flewelling Co. of Hampton Towed up River to Take Place in New Mill of River Valley Lumber Co.

Special to The Standard. Fredericton, N. B., Nov. 12.—The mill and machinery which was recently purchased by the River Valley Lumber Company at Hampton to replace their mill at Oromocto, which was burned in the conflagration there some time ago, has been towed up the river to Oromocto on large scows, arriving there yesterday. It will be set up at once on the new site and will be ready for operation early in the spring. It will have a daily capacity of 4,000 superficial feet, the building being 40 by 120 feet.

COLLUM LODGE FAIR

There was a large attendance at the fair held by the ladies of Collum Lodge, L. O. A., in the Orange Hall, Simonds street, last evening, and everybody had a good time. The door prize was won by J. W. McAfee. The ladies bean boat prize was won by Miss Madge Kierstead and the gent's prize was won by Mrs. Buckley and the gent's bagatelle prize by J. W. McAfee. Tonight the 141st Band will be in attendance and the door prize will be a bag of flour donated by a friend.

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

For Colds, Pain, Neuralgia, Tooth-ache, Headache, Earache, and for Rheumatism, Lumbago, Sciatica, Neuritis, take Aspirin marked with the name "Bayer" or you are not taking Aspirin at all. "Bayer Tablets of Aspirin" in an unbroken "Bayer" package which contains complete directions. Then you are getting real Aspirin—the genuine Aspirin prescribed by physicians for over nine-tenths of a century. Now made in Canada. Handy tin boxes containing 12 tablets cost but a few cents. Druggists also sell larger "Bayer" packages.

There is only one Aspirin—"Bayer"—You must say "Bayer" Aspirin is the trade mark (registered in Canada) of Bayer—Manufacture of Monoclonal Aspirin. While it is well known that Aspirin means Bayer, manufacturers, to seduce the public against imitations, the Tablets of Bayer Company will be stamped with their general trade mark, the "Bayer Cross."

OPERATION WAS NOT NECESSARY

"Fruit-a-tives" Restored Her To Perfect Health.

156 Papineau Ave., Montreal.

"For three years, I suffered great pain in the lower part of my body, with swelling or bloating. I saw a specialist who said I must undergo an operation. I refused."

"I heard about 'Fruit-a-tives,' so decided to try it.

"The first box gave great relief; and I continued the treatment. Now my health is excellent—I am free of pain—and I give 'Fruit-a-tives' my warmest thanks."

Mme. F. GAREAU. 50c a box, 5 for \$2.50, trial size 50c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

"SHAME" CAMPAIGN EMPLOYED BY NEW YORK PRINTERS

New York, Nov. 12.—Many of the striking pressmen who returned to work this week succumbed today to "shame" committees sent on duty by Union No. 51 and rejoined the walk-out. As a consequence settlement of the strike in the printing trade seemed as far away as ever.

"We are determined that no work shall be done in any printing shop in Greater New York until the employing printers comply with our demands, the Union's secretary said in announcing the "Shame" Campaign.

ITALY BUILDING DIRIGIBLE TO CROSS ATLANTIC OCEAN

Rome, Monday, Nov. 10.—The air-drome at Ciampino, near Rome, is busy building a new dirigible destined to cross the Atlantic ocean. The dirigible, it is said, will be capable of travelling 3,125 miles without refueling. The dirigible will be able to accommodate 150 passengers.

If Thin and Nervous Try Bitro-Phosphate

While excessive thinness might be attributed to various and subtle causes in different individuals, it is a well-known fact that the lack of phosphorus in the human system is very largely responsible for this condition.

It seems to be well established that this delicate organization of the nervous system may be met by the use of Bitro-Phosphate, which can be obtained from any good druggist in convenient tablet form.

In many instances the assimilation of this phosphate by the nerve tissue soon produces a welcome change in the human system, vigor and strength replace weakness and lack of energy and the whole body loses its aching hollows and abrupt angles, becoming enveloped in a glow of perfect health and beauty and the will and strength to be up and doing.

CAUTION.—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fat-producing foods.

A NEW INDUSTRY.

Reorganization of the Commercial Brokerage Company, Limited, was completed yesterday morning, when at a special meeting of the company W. S. Allison was elected a director.

The officers and other directors of the company are: K. Smith, president; A. S. Merritt, vice-president; Miss Lucy Comau, secretary-treasurer; and W. A. Taylor, sales manager. It is understood that the company has turned down an attractive offer to locate its manufacturing plant in Dartmouth, N. S., and will remain in St. John. Besides handling several lines on commission, the company is manufacturing a high-grade line of non-alcoholic flavoring extracts in tins, tea grade, leather preservative, and a preparation to prevent eye-glasses, automobile lamps and plate glass windows from steaming in cold and damp weather. The company's offices are at 99 Prince William Street.

WEDDINGS.

Andrew-Lynam. A pretty wedding took place in Trinity Church yesterday afternoon when Rev. Canon Armstrong united in marriage Harold A. Lynam and Miss Lillie Gertrude Andrews, daughter of Mr. and Mrs. Charles Heale. The happy couple, who are most popular in the city, were unattended, and after the ceremony left on the express for a honeymoon trip to Boston and New York. On their return Mr. and Mrs. Lynam will reside at 331 Princess street.

McKeesport, Pa., Nov. 12.—Jack Perry, welterweight, of Pittsburgh, knocked out Eddie McAndrews, of Philadelphia, in the eighth round of a scheduled ten-round bout tonight. Perry outboxed McAndrews in every stage of the game, the latter holding his own in only one round, the sixth.

MARRIED. ANDREWS-LYNAM.—On November 12, at Trinity Church, by Rev. Canon Armstrong, Harold A. Lynam to Lillie Gertrude Andrews, both of this city.

DIED. FOLKINS.—Suddenly at Stewarston, N. B., on Oct. 30, 1919, Isaac A. Folkins, leaving his wife, two daughters and one son; also step-son and daughter, seven brothers and three sisters.

QUINLAN.—In this city, on the 11th inst., Leonard C. Quinlan, leaving his wife and two children to mourn. Funeral from his late residence, 279 Charlotte street, Thursday morning at 8.45, to St. John the Baptist Church for High Mass of Requiem. Friends invited.

To Fortify the System Against Grip Take LAXATIVE BROMO QUININE. Tablets which destroy germs, act as a Tonic and Laxative, and thus prevent Colds, Grip and Influenza. There is only one "BROMO QUININE." E. W. GROVE'S signature on the box.

RUB YOUR BACK! STOPS LUMBAGO

Don't drug kidneys! Rub the pain right out with old "St. Jacobs Liniment"

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now, listen! That's lumbago, sciatica, or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Liniment!" Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out comes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years. Stop drugging kidneys! They don't cause backache, because they have no nerves, therefore cannot cause pain.

Fall and Winter Suits and Overcoats are priced \$25 to \$65. 20th Century Brand and other fine makes.

Gilmour's, 68 King St.

Your success depends upon your ability to save—Buy Victory Bonds.

LATE SHIPPING

Halifax, Nov. 12.—Ard strs Brighton St. John's; Canadian Trooper, London via Sydney; H. M. S. Danae (Br), Sea Sciled, steamer H. M. C. S. Hochelega, Sea; str Rhodes Island, Glasgow.

PILES

Do not suffer another day with itching, bleeding, or protruding piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and as a certain cure you see a part of dealer, or Edmondson, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose in stamp to pay postage.

Guard Against Error.

PHOTOGRAPHY PART II

A New Device of the 600 Words a Minute Against Error.

A new marvel in connection with wireless has come about in the form of a device which plays a big part in it. By method, invented by C. A. Hoxie, electrical engineer of Schenectady, N. Y., this new photographic method and recorded at far greater accuracy than heretofore has been possible.

For some time Uncle Sam's engineers at Otter Mills received station, near Bar Harbor, Me., a matter of daily routine wireless messages which ordinarily have been received by this new photographic method with perfect success.

The invention permits the eye to supplement or replace the ear in reading wireless messages. It is a totally deaf man could be a wireless receiving operator in a station equipped.

Other results are greater speed, receiving greater accuracy in ciphering and a permanent record of every dot and dash in every message received. Because of the delicate tuning that can be obtained and the resulting high degree of accuracy, it has been found possible to receive messages, despite inductive noises and interfering signals which ordinarily have rendered reception impossible. Although the instrument is not immune from effects of "static strays" it has received successfully messages at a speed regardless of strong static disturbances that without its aid would have baffled the receiving operator.

It is stated that messages have been received and received can be deciphered with its assistance. Operators were unable to get a clear word of it by ear alone. Thus outstanding obstacles to accuracy in wireless receiving have been eliminated, except for severe static interference.

The photographic receiver and permanent record is a giant against error, and will settle disputes for a visual record of a message in a dash and distinctly shows to the eye what was received. A photographic print of this type is of unquestionable accuracy.

This machine frequently has recorded at the rate of 400 words a minute, as fast as a machine gun shot, and recently in a test made by Hoxie the machine recorded a power message at 600 words a minute. Up to this time the most rapid method of recording radio signals has been by the phonograph, but this must be transcribed by the ear and not by the eye. Moreover, no permanent record is made. The photographic method never yet has approached the rate of 600 words a minute, so new instrument has hung up a new speed record. An interesting sidelight on this feature of the invention is that high speed messages are not messages to all who are not equipped with this device.

A commercial phase of the invention is peculiarly linked up with the atmospheric electric phenomenon of the northern temperature zone. For years it has been found that the best time for transmitting all wireless messages between here and Europe was from 4 a. m. to 10 a. m. Signaling and recording can conduct the traffic into this most favorable period, or a greater volume can be sent with a minimum number of stations. When it is remembered that a pair of stations—one in Europe and one here—can easily cost \$2,000, the item of keeping down overhead charges by rapid sending will be easily appreciated.

Expert operators have been known to receive 35 words per minute for short time under perfect conditions, but average reception up to this has been 15 to 20 words a minute—1,000 an hour.

It has been a race between sending and receiving speeds. Prior to

Dandruff Heads Become Hairless

If you want plenty of thick, beautiful glossy, silky hair, do by all means get rid of dandruff, for it will attack your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only way to get rid of dandruff is to solve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single trace of it.

You will find, too, that all itching and digging of the scalp will stop, your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, matter how much dandruff you have. This simple remedy never fails.

DID YOU EVER USE SLOAN'S

Keep it handy to promote prompt relief from rheumatic pains and aches.

When you know what Sloan's Liniment will do—as thousands of men and women the world over know you, too, will keep it handy. You will use it for those "twinges of rheumatism" for relieving that lame back muscle stiffness and soreness, aches and pains of external joints, and all sorts of aches and pains.

Only takes a little, applied without rubbing. Soon penetrates, scatters the congestion, brings merciful relief to the throbbing, jumping pain. Three sizes—All A. Druggist has it. If not, write like know his name.

OBITUARY

Joseph W. Penery
The death of a former St. John resident, Joseph W. Penery, of late years well known in farming circles through the river districts, occurred yesterday morning at his home in Hampstead. He had been ill about three weeks though his health was seen to be falling for some little time before that. He was in his 84th year and was a son of the late Wm. Penery. Besides his wife he is survived by one sister, Mrs. Ruth

French of Vancouver, B. C. Mr. Penery was active in shipping circles about St. John about a quarter of a century ago. He retired to a farm at Upper Hampstead about that time and lived there for some twenty years. About five years ago he retired from active life and took up his residence in Hampstead village. He was held in esteem by a large body of friends because of his kindly disposition and upright character. The funeral will be held on Friday morning at 10 o'clock from his late home in Hampstead to the cemetery at Upper Hampstead.

Honest Advertising.

THIS is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Fletcher's Castoria is strictly a remedy for Infants and Children. Honestly advertised as such, without a claim for more than its over 30 years of use have amply proven. A Baby's remedy for Babies. And not an adult's remedy for all the family and all the ails that human flesh is heir to.

Children Cry For Fletcher's CASTORIA

Special Care of Baby.

That Baby should have a bed of its own all are agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

Your Physician will tell you that Baby's medicine must be prepared with even greater care than Baby's food.

A Baby's stomach when in good health is too often disarranged by improper food. Could you for a moment, then, think of giving to your *ailing* child anything but a medicine especially prepared for infants and children? Don't be deceived.

Make a mental note of this—It is important, Mothers, that you should remember that to function well, the digestive organs of your Baby must receive special care. No Baby is so abnormal that the desired results may be had from the use of medicines primarily prepared for grown-ups.

MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA

THE CENTAUR COMPANY, NEW YORK CITY.

"Right Thing For Me," Says Farmer

Gains Thirty-Eight Pounds and Overcomes Trouble by Taking Tanlac.

"The best proof that Tanlac was the right thing for me is the way it has gotten me over my troubles and built me up," said John Howe, a well-known farmer of Pilot Mound, Manitoba, while at Liggett's Drug Store in Winnipeg, recently.

Mr. Howe was a member of Company A, 24th Infantry Battalion. He returned from France and received his discharge last January, after four years and four months in the world war and went back to his former home and occupation at Pilot Mound. Continuing Mr. Howe said:

"During the past nine months I have suffered beyond words to tell with my stomach and had fallen off on account of it until I was amazingly thin. At this time I began taking Tanlac. I only weighed one hundred and twenty-seven pounds and you would hardly believe it when I tell you that I now balance the scales at one hundred and sixty-five, making an actual gain of thirty-eight pounds. My appetite had gone back on me entirely and what little I did manage to eat would sour and blot me up until I was miserable. This was due to my heart and cause such awful spells of palpitation and shortness of breath that I could hardly stand it. For months I could eat no meats or very few vegetables, as such things were like poison to me, and I had to live mostly on cereals and the very lightest of things. If I ventured to eat meats or anything the least bit heavy I would almost double up with pains in the pit of my stomach. I suffered a great deal with headache and neuralgia pains through my temples and eyes. I was very nervous and between this and any other misery I was awake all hours of the night never getting any sound sleep. I was in such a bad shape that I often had to stop my plow or whatever I might be doing and lay off for two or three days.

"Well, I just kept pecking along in this awful condition until I came here to the drug store a few weeks ago and bought myself some Tanlac. I had no idea at the time I would make a statement to be printed in the papers, but I have been helped so much that I want everybody to know what it did. I have an appetite like a bear and can eat all kinds of meat, vegetables, or anything else I want and everything I eat agrees with me perfectly for I never have a pain or a sign of indigestion. I have gotten entirely rid of the headaches and nervousness and sleep like a child every night. I never miss a day's work on my farm any more. In fact I am feeling as strong and well as I ever did in my life and there's nothing too good to say for Tanlac."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Adv.

Police Court Cases Yesterday

Ill-Treating Horses—Absent Without Leave—A Theft Charge, and Assault Case Among Those Tried.

A fine of \$1 each was struck against Frank McMurray, John McGuire and William Godsoe who appeared before the police court yesterday charged with beating an ill-treating horse belonging to William F. Kierwan. Evidence was given by Frank Murphy, Charles Hawker and Sgt. Rankine. J. A. Barry appeared for the prosecution while G. Earle Logan was counsel for Godsoe and E. S. Ritchie appeared for McGuire and McMurray.

L. A. Chandler, charged with being absent without leave from the military police force from May 5, 1918, to November 3, 1919, was remanded. Discouragement and domestic troubles was given by the defendant as his cause, and the magistrate said he did not feel like carrying out the penalty of the law. The assistant provost marshal, Capt. R. L. H. Goodbody appeared for the prosecution.

Joseph Petrie, aged seventeen, was in court on suspicion of stealing a horse valued at \$100 from Miss Pearl Clarke, Paradise Row, on Monday night. Evidence was given by Detective Hildescombe, who made the arrest, and who stated that Miss Clarke identified the defendant as the person who snatched the horse from her as she was going into her home. A young man named Gallagher furnished an alibi for the defendant, stating that they were together from nine o'clock in the night in question until next day, as they live in the same house and sleep in the same room. He accounted for every hour of the night. James McAllister gave corroborative evidence in favor of the defendant, stating that he had given Petrie a parcel to take home for him and the time of making that delivery corresponded with the time of the alleged theft. The case was held over for consideration and the defendant allowed his liberty.

William McBeath, charged with obtaining money under false pretenses, was further remanded until Friday afternoon.

The Merritt assault case was brought before the court in the afternoon. Evidence for the prosecution was given by a sister of Mrs. Merritt, also by a sister-in-law by a previous marriage. The latter stated that on her last visit to the Merritt household the defendant had been in an irritable and angry mood. He had quarreled with his wife because the tenants on a lower floor were making a noise, and when she and Mrs. Merritt had laughed over a prank the two-year-old baby was playing, he had pushed Mrs. Merritt, forced her into a bedroom, locked the door and then assaulted her.

Mrs. Merritt again called to the stand, said that she had been married to her present husband only four months. Two months ago he began to call her dirty names and abuse her. She was beaten "awfully hard." One morning about two o'clock he had started to fight with her in bed. He had broken the wedding ring, which she bought with her own money and she wanted that ring back.

The judge—"I suppose you want it more for a souvenir than for its intrinsic value."

Cross-examined by G. Earle Logan, counsel for the defense, Mrs. Merritt admitted that she had thrown boiled eggs at her husband, but had missed him and broke a window pane in the process. Once when he was abusing her she had tried to hit him with a window screen.

Sgt. Thomas Sullivan, called by the defense, said that he had known Mr. Merritt ever since he was a small boy and has lived near him since he came back from the war. He had never been in court before, and as far as he knew his reputation was above reproach.

The defendant recalled, said that he enlisted with the fourth battalion expeditionary force and had been wounded in the forehead. He admitted that he was nervous and irritable at times.

G. Earle Logan, in closing the case for the defense asked for a dismissal, as it was shown that there was no evidence for any alleged assault and through the interference on the part of the complainant's family, the defendant was prevented from bringing a reasonable amount of force to bring her back to her proper home. S. B. Hustin for the prosecution, asked that the man be bound to keep the peace, and that he return the wedding ring, which is the legal property of the complainant. He also asked that the defendant be made to make allowance for his wife's support in case she did not want to risk going back to him. After a review by the judge, the case was deferred for judgment until Wednesday next.

OBITUARY

James Johnson.
Apothecary, Nov. 12.—Suddenly and without any apparent warning, the death of James Johnson occurred at the home of his son, Herbert Johnson, of Collins, on Friday evening, Nov. 7th. The late esteemed old gentleman had only been a resident of Collins for the last two years, having until then resided in Sheba.

Deceased had exceeded his allotted time by fifteen years, having attained the age of 85 years, and had been in comparatively good health until Thursday. When on that morning he failed to make his appearance at breakfast a member of the household went to his room and found him prostrate across the bed, fully dressed, having apparently been stricken after he had arisen, when about to leave his room.

Without rallying, he gradually sank until Friday evening, when he passed away.

His partner in life died early and when their family were very young, of whom three sons and two daughters remain to mourn. The daughters are Mrs. John Gambin, of Pearsonville, and Mrs. Alec, Saunders, of

WEDDINGS.

McCartney-Hay
The wedding of Kenneth Cecil McCartney of this city to Miss Hilda Annetta Hay of Meadham Junction was solemnized Tuesday evening in the Baptist parsonage, 185 Victoria street. Rev. C. D. Hudson officiated. Following a wedding trip through Nova Scotia they will make their home in this city.

Bryant-Carey
On November 8, Rev. D. J. McPherson officiated at the wedding of John W. Bryant and Miss Mary D. Carey. The ceremony was performed at the residence of the officiating clergyman. Mr. and Mrs. William L. Garnett were witnesses. The groom was one of the original members of the 26th Battalion. Mr. and Mrs. Bryant will make their home in St. John.

I.O.D.E. WAR MEMORIAL
Not only the I.O.D.E. chapters throughout the province, but the general public as well are strongly behind the I.O.D.E. National War Memorial, and no difficulty will be experienced in collecting the \$50,000 necessary to establish the memorial. Mrs. Colin Campbell stated yesterday. Mrs. Campbell returned to the city a few days ago from a preliminary tour of the province in company with the national secretary of the I.O.D.E., Mrs. George Smith. The share to be raised by Manitoba is \$35,000, and \$600 of this amount has already been collected by the Neepawa chapter.

The memorial, which is the first really National War Memorial for Canada, includes libraries for schools, films and pictures to be distributed throughout the schools of Canada, the establishment of scholarship funds for the children of disabled soldiers and war orphans and a lecture foundation.

In this connection it was announced that there are 22,000 fatherless children in Canada, 1,109 of whom live in Manitoba. The principle of the memorial is to propagate the ideals of the British Empire and to give every child in the Dominion an opportunity to share in them.

Johnpansia, and the sons are Charles Johnson, of Sheba; Thomas Johnson, of Midland, and Charles Johnson, of Collins, with whom the aged gentleman spent his last days.

The funeral took place on Sunday. Service was conducted at the home by Rev. Saunders Young, after which the funeral cortege proceeded to Kierstead Mt., where interment was made.

"I Cannot Go"

BILIOUS headache spoils many an expected enjoyment.

When the condition of the liver is neglected, biliousness seems to become chronic and recurs every two or three weeks, with severe sick headaches.

Why not get right after this trouble and end it by using Dr. Chase's Kidney-Liver Pills to restore the health and activity of the liver.

Constipation, indigestion, backache, headache, biliousness and kidney derangements soon disappear with the use of this well-known medicine.

One pill a dose, 25 cts. a box, all dealers, or Edmondson, Bates & Co., Ltd., Toronto.

THE STANDARD'S SPORTING SECTION

En Route To Attend The Convention

Andrew Robb, Formerly General Secretary of Local Y. M. C. A., Going to International Convention to be Held in Detroit Next Week.

Andrew W. Robb, of Halifax, formerly General Secretary of the Local Y. M. C. A. and a man well known in St. John, was in the city yesterday. He is on his way through to Detroit, Mich., where he will attend the International Convention of the Young Men's Christian Association on November 19 to 23. Mr. Robb will represent Halifax and the Maritime Provinces. There will also be delegations from China, India, Japan, South America and Europe.

Vital questions of future policy will be brought up for general discussion at the meeting on how to further work in the war zone and increase activities that have been developing for 30 years in other countries. Workers in all foreign countries have been recalled in order to get their views before shaping a world-wide programme of social welfare.

Official requests for continued work have been received from the governments of France, Italy, Belgium, Serbia, Poland, Czechoslovakia, Armenia and Palestine. The men who wore the Red Triangle in these countries throughout the war will take a prominent part in formulating plans for the future of the "Y."

The foreign work of the Association received additional impetus through the war and in order to meet the demands made at that time, all activities were fostered by the National War Work Council. Peace conditions have brought up the problem of continuing it in the countries entered during the conflict, a world-wide programme, if adopted at the convention will be carried on by the International Committee.

In France alone, the Y. M. C. A. served 22 different nationalities. Since that time, demands for help in organizing Y. M. C. A.'s have come from hundreds of cities. Twelve municipalities in Mexico and seventeen in South America have filed requests for secretaries.

Sixteen delegates from China will be among those present at the convention. Four others from Turkey, six from India and others from Egypt and South America. Every incoming liner brings men who have been working in foreign lands during the war.

The foreign work has been supported by local associations, and by hundreds of individuals in the United States, and Canada, who contributed from \$100 to \$20,000 to various phases of the Association's activities. A significant fact is that every dollar used in carrying on the work was raised locally in those countries, while America contributed only to the support of the American secretaries who gave the way for future developments.

The expense of the work in South America, Mexico, China, Japan, Egypt, Turkey, Portugal, Cuba, Porto Rico and the Philippines was \$1,091,158 last year. Two hundred and thirteen foreign and 446 native secretaries were employed.

In Japan and Korea there are 94 city and student associations with a total membership of 18,357. China has 157 Y. M. C. A.'s with a membership exceeding 30,000. In India there are 127 branches with 1,500 members. The total membership in foreign lands is 70,253.

A late report from Siberia states that ten separate soldiers' clubs and fourteen army posts. Among the Czechoslovakians there have been organized among the troops and eleven wagon caissons are supplying the soldiers who guard the Trans-Siberian railroad.

Rolling canteens have also been put in operation for the Italian, French, English, Polish, Serbian and Chinese. A staff of 102 secretaries are employed in Siberia as follows: 17 with the A. E. F.; 10 with the International Soldiers' Club at Vladivostok; 15 with the Czech-Slovak army; 20 with returned Russian prisoners and demobilized Russian civilians; 5 with railroad men; 7 in the executive bureau; 12 in the lecture and educational department; 8 with the comptroller; 4 in the supply section and 7 in the agricultural.

Among the convention delegates from foreign countries will be Mr. W. H. Jessop, representing Egypt, who addressed large audiences while in St. John, from October 24th to 27th, very ably presenting the work in Egypt and the near East. There will be 14 representatives from China; 4 from Japan; 5 from India; 6 from Turkey; 2 from Mexico; 3 from South America.

A CORRECTION
Through inadvertence an injustice was done to Mrs. Kenneth Raymond by an item in the published report on the 4th inst. in connection with the evidence of P. S. Thomas, which attributed to him a statement with respect to what the husband of Mrs. Raymond said to him over the telephone. Mr. Thomas did not testify as stated, the statement attributed to him not appearing in the record of his testimony. An erroneous impression was therefore given by the item referred to.

ORDER OF MOOSE.
The Loyal Order of Moose No. 1188 held a meeting in their rooms Charlotte street, last evening with W. J. Crawford, dictator, presiding. Four new members were balloted on and will be initiated at the next meeting. A letter was read from the supreme president regarding the Mooseheart Home for Children at Mooseheart, Ill., showing that over seven hundred children were being cared for and five per cent of them were of British or Canadian origin.

It was decided to start a series of winter entertainments the first to be held on November 22.

A. M. Belding was present at the meeting and gave an interesting talk on athletics and playgrounds.

NO EULOGIES FOR FRED FULTON HERE

London, Nov. 11.—The English experts do not seem to think that Fulton covered himself with glory in his defeat of Arthur Towley in a bout preliminary to the Beckett-McCourtney contest. One risside critic says:

"There was a big buzz of excited curiosity when Fulton faced Towley. It was all over so quickly—two minutes, 24 seconds to be exact—that we could hardly get a line on Fulton in order to be able to judge his real form, but there was nothing brilliant in the big American's display, although he won so quickly. Towley brought about his own undoing by playing right into the hands of the big fellow. He made a big mistake in carrying the fight to Fulton, who did nothing but "stall" for the first half of the round, and he made the fullest use of his overwhelmingly superior weight by laying on, in fact, his full and laid on more than should have been permissible, and Towley must have wasted a lot of his strength in pushing off his ponderous adversary.

PUT FOOTBALL CLUB IN ANOTHER CENTER

London, Nov. 11.—(Canadian Associated Press)—At a footballers' meeting at Leeds it was decided to seek league sanction for the transfer of the Huddersfield Town Club with all its interests, players and engagements to Leeds to take the place of Leeds City, which has been dissolved, and for the creation of a new club with Leeds' name.

Huddersfield officials frankly admitted that their eagerness to arrange the matter was owing to lack of home support.

If the league approves, as is expected, the new club will enter the second division next Saturday in the Huddersfield match against Coventry.

MINORS TO FIGHT RESTORING DRAFT

Chicago, Nov. 11.—Presidents and club owners of several Western minor leagues left here in a special car to attend the annual convention of the National Association of Minor Leagues which opens in Springfield, Mass., Tuesday, continuing for three days.

Any attempt to restore the draft, which gave the major leagues the privilege of obtaining the star players of the minors each Fall, will be fought, according to A. R. Tearney, president of the Three I and Western Leagues, who effected the break between the minors and majors a year ago over the draft issue.

Local Bowling Results Yesterday

Nationals Won from the Thistles in the City League—Western Union Wins from Emerson & Fisher in the Commercial League—No Games at Y. M. C. I.

CITY LEAGUE.

In the City League game on Black's alleys last night the Nationals walked away with three points over the Thistles, Ward, of the winning team, doing much towards securing the victory.

Tonight's game is between the Lions and McAvity's Tigers.

Nationals.	
Brantall	97 92 76-265 884.3
Winchester	88 82 89-259 861.3
Somerville	90 75 83-248 822.3
Galbraith	90 86 102-279 92
Ward	98 101 94-293 972.3

COMMERCIAL LEAGUE.

The wire workers were too strong for the hardware men in the Commercial League last night, for the Western Union team captured all four points from their opponents, the Emerson & Fisher aggregation of globe hurriers. The scores are given below.

Tonight the Maritime Nall Works and the Sugar Refinery team will meet.

Emerson & Fisher.

Simpson	80 74 102-256 851.3

Leonard Refuses To Make Weight For Boxing Bout

But Does Not Ask the Other Fellow to Reduce Like Former Champions Did.

Chicago, Nov. 11.—There doesn't seem to be a chance that Benny Leonard, lightweight champion, will ever again agree to make a low weight for any of his opponents, no matter how

BENNY LEONARD

tempting the offer may be. It appears at the present time that while Ben is willing to battle higher and yon, he declines to train in such a way that his system is reduced at all.

Ben will not make weight himself and unlike many of the champions of the past does not insist that others do so. Glance back and note that Leonard has bored some of the best

NEW CHIEF FOR ST. ANDREW'S CURLERS

The annual meeting of the St. Andrew's Curling Club was held Tuesday evening in the club headquarters. The attendance was unusually large and interest in the winter sport was indicated by the election of fifteen new members: W. H. Laidson, R. Keltie Jones, Jr., A. P. Stillwell, Roy Daniel, W. C. Sinclair, A. P. Patterson, Victor Crosby, A. S. Bowman, A. L. McLellan, G. S. McDonald, C. F. Innes, Ralph Hayes, E. J. Terry, W. L. Paterson, H. G. McBeath and R. R. Haley. The annual reports showed the club was financially prosperous. Officers elected were:

W. J. Wetmore, president.
H. F. Rankine, vice-president.
C. H. Ferguson, secretary-treasurer.

ST. MARY'S COACH GIVEN GOLD WATCH

Halifax, Nov. 11.—Thomas Burns, who coached St. Mary's carmen to victory in championship events in Halifax and Shediac during the past summer, was presented at St. Mary's hall with a gold stop watch suitably engraved. Rev. Dr. Foley made the presentation at the regular monthly meeting of the society, and when Mr. Burns was called to the platform to receive the gift, he was loudly cheered.

SOCCER BODY DRAW.

New York, Nov. 11.—The draw for the second round of the National challenge cup was the principal business at the special meeting of the National challenge cup committee of the United States Football Association held here, Lieut.-Col. G. Randolph Manning presiding.

Protests and offenses by players took up considerable time.

welterweights in the business, including the champion himself, Jack Britton, and such hardy ones as Soldier, Bartfield and the like. That's certainly going some.

It wasn't so very long ago that Nelson was champion, and he always insisted on his opponents doing a low weight even when he didn't care to do it himself. You had to show Ad. Wolgast, who succeeded Nelson as boss of the 133-pound division, Ad. was always a little fellow and when he was weighed over 130 pounds. So there was some sense and reason for him to force other fellows to get down with in a reasonable limit.

ALONG THE SPORT TRAIL

SPORT TRAIL—... .. BU Babe Ruth, champion slugger of them all is not satisfied with the five-figure salary he drew down as star pitcher of the Boston Braves and is now engaged in the cigar manufacturing business in Boston.

Battling Levinsky defaulted his match with Eugene Brousseau, which was slated to be held in Montreal Monday night. He forfeited a deposit of \$200 and lost considerable standing as a sportsman in the Canadian metropolis.

The spectators did not get much for their money at the boxing bouts in Philadelphia Saturday night. Lew Tendler, a local boy, hung the "K. O." sign on George Ernie, of Buffalo, in the second round, and the referee stopped the mill between Al Thompson and Harry Brown in the second round also.

The ladies' ground hockey team of Edgemoor College, Windsor, defeated the Wanderers' College team at the Wanderers' grounds Saturday morning by a score of two goals to nothing. There was a large gathering of spectators and the competition was keen, though the ground was very slippery.

A Canadian entry, Calgary, owned by G. H. Rowe, of Calgary, took second money in the feature race of the recent Phoenix, Arizona, fair. Calgary chased the winner, Grace Direct, home in the fast time of 2:04 1/4, 2:05 3/4, 2:06 1/4. The purse was \$5,000.

Pop Geers and Lon McDonald, the veteran reinmen, each marked five new 210 trotters this year.

BOSTON CHAMPION IS OUTPOINTED

Philadelphia, Nov. 12.—Joe Lynch, of New York, outpointed Pete Herman, the bantamweight champion, in six rounds here tonight.

HE KNEW.

"So you have a fine chicken, Peter? You ought to be very grateful to Providence that you'll have such a nice dinner."
Peter: "No, sir. Father said as 'ow we oughter thank Farmer Brown for leavin' us poultry 'ouse door open."

Some Canadian Political Topics

Mr. Bourassa on the Future of the Empire — Inter-Comment on the Farm Political Movement.

Not Democratic. (Windsor Free Press.) "Mr. Wood, and his priggish Moore, fought the election special grievances or complimentary speculations, or in the analysis, would be occupational politics. The electors were asked to vote, not as citizens of the empire, but as farmers, vineyardists, or approving or disapproving policies of the Government."

Standard rules in athletic competition should be good enough for anyone. The Maine intercollegiate A. A. has made a mistake in having a rule of its own in reference to the size of the circle for the discus throw.

Louis W. 2:11 1/4, winner of nine races this season over Pennsylvania and Ohio tracks, was bred in England. He is a son of Sillko, 2:11 1/4, and Ioon, 2:10.

An offer of \$12,000 has been refused for Symbol S. Forest, 2:03 1/4, the pacer, suspended for the balance of the season at Toledo's Grand Circuit meet.

W. J. Furbush, of Newton, picked up one of the bargains of the Reservoir sale in Barnes Wilson, the three-year-old daughter of Baron A., 2:04 1/4, and Alleen Wilson, 2:03 1/4. She was sold as a trotter, but is really a pacer and can step fast at the gate of her parents, which is the way W. J. is working her now.

Starting in 74 races and never making a break even in scoring is the unique record of the pony pacer Duds Highwood, 2:06 1/4, racing and winning in the Far West.

Mr. Bourassa's View of "The Empire of Tomorrow." Henri Bourassa, writing editorially in Le Devoir on Friday night, comments as follows on the speech of the Prince of Wales delivered at Toronto:

The British monarchy disappears tomorrow, irresponsible as is for the interior and exterior peace of each of the Dominions of the Empire, and the British Empire ceased to exist. The extraordinary nature of the British Sovereign, the continuing power of the monarchy, and its imperiousness, has become necessary than ever to the maintenance of the Empire, but also because of the more difficult conditions which have been created by the extension of the British Empire, because of the radical revolution brought about in the Empire by the war.

The young prince fully realizes the extent of the difficulties which he foresees the irrevocable consequences, except perhaps, the last year, of the war, and the cooperation of the peace as necessary now in times of peace as they were during the war.

Mr. Bourassa is puzzled to know how the Empire will survive, and he thinks that the only way to save it is to have a common monarch.

"It," he writes, "the King's advisers in London in the council war of one side and his advisers in Ottawa counsel war on the other side, if such counsellors in South Africa should advise a benevolent neutrality, and his ministers in Australia urge an armed peace, which of these divergent counsels will his Majesty follow?"

"Surely, the young prince, whose speech in Toronto reveals a high intelligence, cannot believe for one instant that such an incident will maintain the basis of this new imperial reign of 'unity' and 'co-operation' which will assure that one and the same amongst the rest. No; some other basis must be found and found quickly. If, not, then, formidable popular forces will be raised, and the British Empire will be blent with the solutions, in which the absence of 'unity' and 'co-operation' will hardly give any room for the existing equalizing part which the help to the throne foresees in the radiant vision of his fair youth."

No Class Government. The Farm and Ranch Review of Calgary in its issue of November 10 discusses the rise of the farmer in politics and lays down the doctrine that no class can successfully govern Canada without the most scrupulous regard to the best interests of all groups and classes, which merely implies that the farmer's honesty and public spirit must characterize its administration.

The whole issue, it is said, is at present somewhat belated, but the rank and file of the farmers will stand for nothing but the "square deal" to everybody. Then on the subject of alliances and rumors to the effect that the organized farmer is stirring politically with the radical wing of organized labor, the Review has to say that a moment's reflection should demonstrate the absurdity of such an unnatural, not to say impossible, alliance. Then it adds: "The farmer is the great landowner of Canada. His interest as such cannot for a moment be coupled with the raving fanatic who of recent years has brought great distress into the dust. He is a hard-working, hard-earning man, whose sympathies could not be enlisted in a fight for a six-hour day and a five-day week. He stands against the mere suggestion of such a creed of intolerance and rapaciousness. He is also the great consumer who, in the last analysis, must pay the inflated prices inevitably following the success of any such Utopian proposals. Clearly, the public need have no fear of the radical laboring its ends in political co-operation with the farmer movement. Unless we are greatly mistaken, the latter will stand for a fair deal for all classes and favor no one, including its own class."

Ontario Lesson. (Edmonton Journal.) "Dr. A. S. Grant, the Dominion prohibition secretary, met a party of temperance workers held in Toronto, for a celebration of the re-

Some Canadian Political Topics

Mr. Bourassa on the Future of the Empire — Interesting Comment on the Farmers Political Movement.

Not Democratic. (Windsor Free Press.) "Mr. Wood, and his proteges, Mr. Moore, fought the election in Cochrane on the issue of class representation. Without having special grievances or complaints they advocated what, in the analysis, would be occupational politics. The electors were asked to vote, not as citizens of the province, approving or disapproving of some other political group, but as farmers simply. Labor was urged by Mr. Wood to adopt the same attitude, and to go through all the occupational classes. If his ideas were to be generally adopted Canada would be governed not demagogically, but on the basis of the people, but representatives elected by the most narrow of class interests and liable to be 'recalled' if in the give-and-take of politics by means of which progress is actually made, they failed to please constituents who might be ignorant of the grounds for compromise. These representatives, said Mr. Wood, will go as our lobbyists, not hired, but belonging to us body and soul, and go there to secure differences. That is the very antithesis of democratic representation. It is the doctrine of the class who are condemned when preached by fanatical socialists, but apparently condoned, even accepted—though doubtless in ignorance of its real meaning—when advanced by the official representatives of the United Farmers of Alberta."

Mr. Bourassa's View of "The Empire of Tomorrow."

Henri Bourassa, writing editorially in Le Devoir on Friday night, comments as follows on the speech of the Prince of Wales delivered at Toronto: "Let the British monarchy disappear tomorrow, irresponsible as it is for the interior and exterior policies of each of the Dominions of the Empire, and the Empire will have ceased to exist. The extraordinary role of the British Sovereign, the commanding power at once immense and imperious, has become more necessary than ever to the maintenance of the Empire, but also how much more difficult and precarious—because of the radical revolution brought about in the Empire by the war. The young prince fully realizes the extent of the revolution, and foresees the treacherous consequences, except perhaps, the last . . . Unity and co-operation, he declared, are as necessary now in times of peace as they were during the war."

Mr. Bourassa is puzzled to know how the Empire unity can be consummated, and in what way there can be permanent co-operation which will assure that one of the "free British nations, each equal with the rest," will not sometimes reap some advantage over the others. He asks who is to predominate in the "conflict of opinions and interests," which he considers are inevitable; and who is to "determine the sovereign action of our unique and common monarch?" "If," he writes, "the King's advisers in London should counsel war on one side and his advisers in Ottawa counsel war on the other side; if his counsellors in South Africa should advise a benevolent neutrality, and his ministers in Australia urge an armed peace, which of these divergent counsels will his Majesty follow?" "Surely, the young prince, whose speech in Toronto reveals a high intelligence, cannot believe for one instant that such a state of things will remain, the basis of this new imperial reign of 'unity,' and 'co-operation' between nations, each free and equal amongst the rest. No; some other basis must be found and found quickly. If not, then formidable popular reactions in all the countries of the Empire will be blunt with other solutions, in which the absence of 'unity' and 'co-operation' will hardly give any room for the exalted and equalizing part which the heir to the throne foresees in the radiant vision of his fair youth."

No Class Government.

The Farm and Ranch Review of Calgary in its issue of November 5 discusses the rise of the farmer in politics and lays down the doctrine that no class can successfully govern Canada without the most scrupulous regard to the best interests of all groups and classes, which merely implies that elementary honesty and public spirit must characterize its administration. "The whole issue, it is said, is at present somewhat befuddled, but the rank and file of the farmers will stand for nothing but the 'square deal' to everybody. Then on the subject of alliances and rumors to the effect that the organized farmer is stirring politically with the radical wing of organized labor, the Review has to say that a moment's reflection should demonstrate the absurdity of such an unnatural, not to say impossible, alliance. "Then it adds: "The farmer, is the great land owner of Canada. His interest assuredly cannot for a moment be coupled with the raving fanatic who of recent years has brought great empires into the dust. He is a hard-working, hard-earning man, whose sympathies could not be enlisted in a fight for a six-hour day and a five-day week. He stands against the mere suggestion of such a creed of indolence and rapaciousness. He is also the great consumer who, in the last analysis, must pay the increased prices inevitably following the success of any such Utopian proposals. Clearly the public need have no fear of radical labor attaining its ends in political co-operation with the farmer movement. Unless we are greatly mistaken, the latter will stand for a fair deal to all classes and favor no one, including its own class."

Ontario Lesson. (Edmonton Journal.) "Dr. A. S. Grant, the Dominion prohibition secretary, at a rally of temperance workers held in Toronto, for a celebration of the re-

sult of the referendum vote, declared that Premier Hearst made the greatest contribution of any public man to the power of prohibition in this province or in any other province of the Dominion. No doubt Mr. Hearst, being the right sort of man, is satisfied with having done what he considered his duty in this matter, regardless of the election results. But it must be said that these results will not encourage others to take their political lives in their hands by accepting direct responsibility for advanced temperance legislation. The figures from the various Ontario constituencies show quite clearly that Mr. Hearst lost numerous seats because of his prohibition legislation, while there is no evidence that it gained him any."

Manitoba Conservatives also had a provincial gathering last week and showed appreciation of the presumed drift of opinion by electing a former, Mr. W. G. Willis, as provincial leader and recommending the formation of a ministry of labor for the province. Mr. Willis expressed the opinion that the next Legislature, which may be elected soon, will contain many more farmers than that now in existence. He will lead from outside for some time, not representing a constituency. An incident that caused some comment was the dropping of the name of Sir Robert Borden as patron of the association. There have been for some time signs of a drift from Ottawa in Manitoba Conservative circles, which has seemingly found an unexpected way of showing itself.

That's it. A group of clubmen in a Philadelphia restaurant were talking over a San Lazarus steak about a Sunday school superintendent who had eloped with a banker's wife. "Another case of platonic friendship!" groaned a broker.

SINN FEINERS CLASH WITH STUDENTS

Dublin, Nov. 11.—During the remembrance Day Sinn Feiners parading the streets singing soldiers' songs met a body of Trinity College students, who had been singing the National Anthem on St. Stephen's Green. The school superintendent, who had earlier parties engaged in a free fight, leading a group, stones and sticks were frequently used before the combatants separated.

PLATEA'S CREW REPORTED SAFE

The Greek Steamer, Formerly Owned in This City, Went to Pieces on Sable Island.

Montreal, Nov. 11.—Word was received today by Melan Kennedy, agents, that the crew of the Platea, the Greek steamer which went ashore on Sable Island were all taken off and are safe, but that the steamer will probably become a total wreck. The Platea is a steel screw steamer of 3,039 gross tons, built in 1897 by the Russell and Company, Glasgow, and her port of registry was Cephalonia, Greece. She was coming here to load up food supplies for her home country. She was formerly owned by William Thomson & Co. of St. John, N. B., and was operated by them until her sale to the Greeks.

STUDENTS TRAP FIREBUG AT ST. XAVIER COLLEGE

Sydney, Nov. 11.—The S. F. X. College firebug was caught red-handed at the college yesterday. He is a young student belonging to Cape Breton. He was led into a trap by two other boys who pretended to act as his accomplices in another attempt to burn the college down. He was caught in the basement getting ready to set another fire last night. The boy, who is now in jail, has confessed to setting fire on September 25th which damaged one of the college buildings but was discovered in time to prevent the building being destroyed. He also stated that he intended to use dynamite as well as fire this time. When pressed for his motive for setting fire to the college the boy said he wanted to get home.

WHEAT NOT TO BE COMMANDEERED

Winnipeg, Nov. 11.—In an interview today Sir George Foster indicated that the rumor that wheat was to be commandeered, which has disturbed some of the grain interests, was absolutely groundless. Sir George expressed himself as perfectly satisfied with the work of the wheat board in marketing Canadian wheat, and spoke optimistically of the results that would accrue to the farmer as a result of the pooling arrangement which had been decided upon. He reiterated that the policy of the government was not a permanent one.

Keep the Wheel of Prosperity Spinning

MACHINERY spins and roars in our factories. Smoke ascends from our foundries and mills. In the fields the threshers hum. All Canada is alive with the activity of production and distribution. There's a demand for what we make. There's a market for what we grow. The wheel of prosperity is spinning. But it doesn't turn itself. We—You and I—must help to keep it turning. The driving force of the wheel of Prosperity is the Victory Loan. It will keep up the foreign market for our surplus agriculture and industrial products. It will help finance our National undertakings and expenditures. It will keep the Wheel of Prosperity turning. Do you realize what it would mean to have the Wheel of Prosperity slow up and stop? It would mean loss of employment and agricultural and industrial stagnation. It would result in loss to you and each and every one of us. So get behind the Victory Loan.

There is only one way to keep the Wheel of Prosperity turning—that is to

SPORT TRAIL

Philadelphia has a grand old man in cricket, whose prowess the past season will excite the eyes of many young players. Frank H. Taylor, Harvard '77, who at Haverford in 1875 made a "century" played in 18 cricket matches during the season and batted for an average of 23 runs. In one match he, in partnership with Alfred G. Scattergood, '89, compiled a total of 208 runs, Taylor contributing 81. In a brilliant game he guarded his wicket for 2-1/4 hours. Taylor is in his 65th year.

Standard rules in athletic competition should be good enough for anyone. The Matinees Intelligentsia A. A. has made a mistake in having a rule of its own in reference to the size of the circle for the discus throw.

Louis W. 2:11 1/4, winner of nine races this season over Pennsylvania and Ohio tracks, was bred in England. He is a son of Silko, 2:11 1/4, and Icon, 2:10.

An offer of \$12,000 has been refused for Symbol S. Forest, 2:03 1/4, the pacer, suspended for the balance of the season at Toledo's Grand Circuit meet.

W. J. Furbush, of Newton, picked up one of the bargains of the Headville sale in Baroness Wilson, the three-year-old daughter of Baron A., 2:04 1/4, and Alleen Wilson, 2:03 1/4. She was sold as a trotter, but is really a pacer and can stop fast at the gate of her parents, which is the way W. J. is working her now.

Starting in 78 races and never making a break even in scoring in the unique record of the pony pacer Dada Highwood, 2:05 1/4, racing and winning in the Far West.

He knew. Vicar: "So you have a fine chicken, Peter? You ought to be very grateful to Providence that you'll have such a nice dinner." Peter: "No, sir. Father said as 'ow we oughter thank Farmer Brown for 'eavin' us poultry 'ouse door open."

DOMINION GOVT ACTIVE TO PREVENT COAL SHORTAGE

Fuel Controller Now in Charge to Look After Interests of the Country.

Ottawa, Nov. 12.—Although the general situation, insofar as the Canadian coal supply from the United States is concerned, looks brighter following the cancellation of the strikes, it is still the object of careful attention by the authorities here. Mr. C. MacGrath, Dominion Fuel Controller, who has not been taking any very active part in fuel matters since last March, is again in charge in the event of the United States insisting on the adoption of a similar distribution system here as prevails there, the fuel controller will probably issue an order to this effect applicable to the whole Dominion, leaving its enforcement to the provincial authorities. The complaints of coal shortage so far received here are not many.

THE WEATHER

Toronto, Nov. 12.—The western cold wave is now spreading over Ontario with a westerly gale. The weather is showery in Quebec, else where fair. The temperature has moderated somewhat in Alberta, but continues low in Saskatchewan and Manitoba.

Table with columns: Location, Min., Max. Includes Dawson, Prince Rupert, Victoria, Calgary, Edmonton, Winnipeg, Moose Jaw, Hallsford, London, Kingston, Ottawa, Montreal, Quebec, St. John, Halifax.

AROUND THE CITY

WENT TO SUSSEX

Dr. J. F. L. Brown, district medical health officer, went to Sussex yesterday afternoon to confer with the city officials there concerning the question of milk inspection.

FROM OVERSEAS

A wire received by Chas. Robinson states that the following arrived at Quebec on the S. S. Minnedosa, on November 11: Major H. G. Deeds, 1st St. John street, Fredericton; Sgt. Anderson, M. M. Burnt Church, N. B.

THE JUVENILE COURT

A short session of the juvenile court was held yesterday morning, at which a lad was charged with truancy. He promised to attend school and on that condition he was allowed to go.

WAS OPERATED ON

John and Minford Thompson, who were injured on Tuesday afternoon at the Spoon Island quarries were both badly burnt and cut about the face. John Thompson was operated on at the hospital yesterday morning, and his condition was considered good. Minford is being treated at his home in Hampstead.

GOING TO LOS ANGELES

Sgt. Major Parke, who for some time has been attached to the N. B. Military Hospital, Fredericton, is leaving shortly for Los Angeles, Cal., where he will reside. He will be accompanied by Mrs. Parke, who was formerly Miss Helen Stairs, of Southampton.

RETURNS FROM TORONTO

Rev. David Hutchinson returned at noon yesterday from Toronto, where he had attended the annual meeting of the Foreign Mission Board of the Baptist Church. Mrs. Hutchinson also a delegate from the eastern section did not return, having remained over at Ottawa on a visit to E. R. Cameron of the Supreme Court.

ANNUAL RECEPTION

One of the outstanding features of the annual reception held by Dominion Lodge, No. 445, I. O. G. T., on Tuesday night, was the address by E. M. Stackford, grand chief templar. A varied programme was enjoyed by the large number who attended the reception, and towards the close of the evening refreshments were served.

MUNICIPAL AFFAIRS

The finance committee of the municipal council will meet this afternoon at 3 o'clock. Among the matters to be discussed will be the installation of a diet kitchen at the hospital. At 2:30 o'clock this afternoon the building committee will meet and it is expected that the court house matter will be discussed for the greater part of the session.

FUNERALS

The funeral of Mrs. Archibald Cameron took place yesterday afternoon from her late residence, 29 Harding St. Fairville. Service was conducted by Rev. Mr. Townsend, and interment made in Greenwood cemetery.

MORE SUBSCRIPTIONS

The Rev. W. R. Robinson, treasurer of the Provincial Memorial Home, received the following subscriptions for the support of the home: Kitchener, L. O. L., No. 167, Lower Millstreet, Kings county, \$124; Havlock, L. O. L., No. 27, St. John, \$115; Victoria, L. O. L., No. 8, Golden Grove, \$10.

ACT OF INSPECTOR

Last week a man was fined \$400 with an additional \$44 for costs in the Fredericton police court for infringing the Prohibition Law. There can be no complaint on this score—it served him right. But the inspector who got the conviction deserves to be branded with a more ignominious mark than that of Cain. He went to work by making more or less of a "pat" of the man for some little time, and in the end persuaded his chum to see if he couldn't get him some liquor. The man, thinking he was dealing with a friend, procured the liquor and very shortly found out what sort of a "friend" he had made. Judas scario! must take a back seat with this inspector.—Chatham Commercial.

Y. W. P. A. MEMBERS ATTENTION

All members of the Y. W. P. A. are urged to assist the Victory Loan Campaign. Kindly report at once to the Association Headquarters, Western Union, King Street, A. L. Brock, President.

Closing Days of The Victory Loan

Members of Y.W.P.A. Called In to Assist—Only \$1,053,900 Needed to Put Province Over the Top—Provincial Returns Received

Interest in the closing days of the Victory loan campaign in St. John is increased by the announcement that the Young Women's Patriotic Association, an organization that has done splendid patriotic service during the entire war period, has been called in to assist in making the local campaign a whirlwind success.

Under the direction of Miss A. L. Brock these young ladies will conduct a special campaign directed at the prospects for the smaller bonds. Sales and advertising booths will be erected in every ward in the city, and the management, though not willing to commit itself, declares that there will be several surprising and unusual sales tactics carried out before the campaign is over.

It is expected tonight that St. John will have gone over the top in the Victory Loan campaign. The returns up to Tuesday night show applications to the amount of \$2,776,100, and to this must be added a considerable amount that has been promised from other sources, and the average day's collections. That the city and county will be able to make a strong bid for the German field gun trophy is a fact that can no longer be disputed.

Totals for the province are good and show that New Brunswick will, in four days more to go, has a total subscription of \$7,946,100—only \$1,053,900 is needed to put the province over the top, and there are four days left in which to do the job.

Provincial returns last night, which list in many cases districts which have not reported up to date, are as follows:

Table with columns: County, Amount, Tons. Includes St. John, Kings, Madawaska, Queens, Upper Gloucester, Lower Gloucester, Restigouche, York, Albert, Westmorland, Kent, Northumberland, Northumberland, Victoria, Carleton, Charlotte.

\$7,946,100 11,425

Attendance Record Broken Yesterday

Over 1,500 Persons Attended Cathedral High Tea and 825 Suppers Were Served—The Prize Winners and Popularity Competition.

Though other nights have been exceptional ones, last night broke all records at the Cathedral High Tea, when over 1,500 persons were in attendance and 825 suppers were served. Last year the event was considered most successful with a total of 1,755 suppers served, but for the three days of this week the total has been increased to 2,075, and there is another night to go. Tonight is the last night for participating in the culinary triumphs of the Cathedral ladies, and it is expected that there will be another bumper gathering.

One of the features of last night's entertainment was the appearance of Hiram Hornbeam and his good woman, Hannah, who appeared with a quantity of home-made pies right from the kitchen. Hiram was well received, and so were the pies, which sold faster than the well-known hot cakes.

Prizes won last night included an electric toaster, which was won at the price table by Mrs. C. J. Kane, Waterloo street; a coffee pot, won by ticket number 434 at the Iceland booth; a silk umbrella, won by ticket number 33,789, at the door.

The City Cornet Band, in its usual excellent style, furnished a most enjoyable programme during the evening. Tonight's door prize is a handsome mahogany dining tray and set. The fair will close Saturday night.

School Competition. The latest standing in the school popularity competition is as follows: Madeline Dunlavy, grade IV, St. Joseph's school, 2,112; John Hordan, grade VIII, St. Mal's school, 2,107; Jessie Kendrick, grade IV, St. Thomas' school, 1,827; Helen Kane, grade IV, St. Vincent's school, 605; Ralph Broderick, grade VI, St. Mal's school, 470; William Williams, grade X, St. John High School, 316.

RECEIVED PHOTOGRAPH

Mrs. Mary Mullaney of Douglas avenue has received a photograph of her son, Lieut. Maurice Mullaney of the 26th Battalion, who was killed at the attack on Vimy Ridge in April, 1917, and is buried in the military cemetery at Ecoivres. The photo was taken by Miss Gladys Sheraton of Long Island, N. Y., who was serving with the Knights of Columbus Army Huts or Sheraton's return to America she was granted an audience by His Holiness the Pope, who received her in her uniform and entrusted to her a message of congratulation to the Knights of Columbus for the work which they had carried out during the war.

Miss Pauline Dickinson left last evening for a visit to friends in Rhode Island and New York.

Annual Reunion Greatly Enjoyed

Members of Second Divisional Train Met at Bell's Restaurant Last Evening—Excellent Programme Carried Through.

Every seat was occupied last night when the Second Divisional Train met at Bell's restaurant for the first annual reunion. Many of the members present had travelled quite a distance to be present, but there were no regrets for the event proved to be one of the most successful and enthusiastic of any held in the city and set a high standard for the future.

R. I. Carlos, president of the association, occupied the chair and acted as toastmaster. Among his guests was Mayor Hayes, who sat on his right.

After the toast to The King was duly honored, the members set down to a very complete and sumptuous dinner, comprising oyster cocktail, chicken bouillon, entree, baked fresh halibut, creamed asparagus, orange fritters, roast Venetian young turkey, roast native pork, creamed potatoes, Hubbard squash, petit pois, pomme de terre, strawberry shortcake, deep apple pie, cocooned cream pie, vanilla and chocolate ice cream, chocolate and assorted cake, toasted crackers, cheese, coffee, milk, buttermilk, fruit and cigars.

The toast to Our Guests was proposed by G. H. Patterson and earnestly responded to by Mayor Hayes, who spoke on the benefit of retaining the old friends in a friendly relation in the battlefield and in the training camp. He told of the burden that will have to be borne in order that Canada may carry on a nation and pointed out the active part that the returned war veterans can take in making Canada a nation of nations.

W. A. Dougherty proposed the toast to "Our Departed Comrades," which was fittingly responded to by the tributes of the Second Divisional Train was proposed by W. L. Jones, and drew forth a very eloquent reply from Major Knox, who gave a graphic description of the activities and record of the unit from organization until it was demobilized.

"The Ladies" was proposed by Alfred Carlos and given ample justice by A. G. Hamlin, who responded in a very happy vein.

E. N. Willis proposed the health of "The Press," and the fourth toast was to eternal friendship, proposed by James Dever, a member of the writing craft and a veteran of the great war.

Sung stories, reminiscences, amid the curling smoke from fragrant cigars served to round out an evening of rare enjoyment and one which will live long in the annals of the Second Divisional Train.

FAIR VALE CLUB LADIES' AUXILIARY

Meeting Held Yesterday Afternoon for Organization—Officers Were Elected With Mrs. J. S. Frost as President.

The ladies of the Fair Vale Outing Club met at the residence of Mrs. J. S. Frost yesterday afternoon to consider the advisability of forming an auxiliary. Quite a number of the ladies were present, and after discussing the pros and cons finally decided to organize.

Following are the officers elected: Mrs. J. S. Frost, President; Mrs. K. Spear, First Vice-president; Mrs. Gregory, Second Vice-president; Mrs. L. T. Dow, Secretary; Miss K. Goodrich, Treasurer.

After the installation of officers the auxiliary got down to business and mapped out an active programme for the season.

NORTH END W. C. T. U. MET YESTERDAY

Plans Made for Rummage Sale and Encouraging Reports Were Received.

Plans for a rummage sale were made by members of the North End W. C. T. U. at their meeting held yesterday afternoon. Mrs. Scott presided and led the half hour of devotions which opened the meeting, several of the members leading in prayer.

A report of the superintendent of the flower mission was listened to with interest and financial arrangements made for the carrying on of this work.

The corresponding secretary read a letter received from a native Christian of India, who told of work in that land in a very descriptive way. A gift of literature from the Union was acknowledged with grateful thanks.

The meeting closed with the Aaronic Benediction.

NEW ORGANIZATION FORMED LAST NIGHT

At a meeting of Retail Dry Goods and Gents' Furnishers' Clerks, held in the Board of Trade Rooms last evening, a new organization was formed, with 100 charter members. The following officers were elected: President—A. C. Wilson; Vice-president—George Andrews; Secretary—Miss McKay; Treasurer—Edward Waters.

Large Audience Hear Fine Address

In City Hall, West End, Last Night Dr. Rees Had for His Subject, "The Secret of a Happy Home."

Another large audience listened to a fine address delivered at the City Hall, West End, last evening. Dr. Rees spoke on "The Secret of a Happy Home." He believed that every home should be happy in the real sense, must be a Christian home. Sin destroys happy homes and repentance towards God makes them what they should be.

The text taken was Acts 17: 30, "But now commandeth all men every where to repent." After describing vividly the circumstances which the text was uttered by St. Paul, Dr. Rees said: "In speaking from Mar's Hill and going over Paul's address have signed, we think and speak of sin as of an onerous and commission, and if we are not guilty of what we call sin of commission we are not very bad. But with our Father, sin is disobedience, and in the Book of Books it is the transgression of the law."

"The most fearful thing in this city, around this whole world, I can spell with three letters, 'Sin.' It is the one thing upon which God cannot look with any degree of allowance. What has it not done since it turned our first parents out of the garden of Eden?"

"Ask the mother who soliloquizes long after midnight 'Where is My Wandering Boy Tonight?' The wife and mother whom we thought married so well, but what will this year mean to her with a husband who has gone to eternal slumber? Or the monster who ruins homes, breaks hearts and wrecks lives, sending a multitude of children to eternal night."

"Oh the mighty love and longing solitude of our Father to set every one free I would urge you to repent for it augments the happiness of the home."

"What is repentance? Negatively, it is of sorrow or fear. Mr. Moody said it was the right-about-face. Sam Jones said it was quit your business. It is the Holy Spirit showing us our sins and turning from our sins to God. Turn ye, from your evil ways, will ye do."

A service today for women only in the Methodist Church, Guilford street, West End. Mothers are requested to bring their babies, as a nursery is provided.

Dr. Rees will speak again in the City Hall this evening.

The audience last night was pleased to hear an address from Dr. H. E. Thomas, the president of the N. B. A. P. E. I. Conference.

Brings Good News From Ottawa

R. W. Wigmore, M. P. Tells of Baggage Shed to be Built at Cost of \$276,000—Erection of Additional Conveyors—The Negro Point Breakwater.

Bringing news of extensive work to be done at Sand Point, R. W. Wigmore, M. P., has returned from Ottawa after the prorogation of Parliament to state that the matter of the erection of the baggage shed and the other facilities at West St. John for the handling of immigrants has been decided. It would cost in the vicinity of \$276,000, had met with the approval of the members and it was likely that the work would be started soon. Another matter receiving attention and which would be completed soon was the erection of conveyors to No. 15 berth. Two separate ones, one for the superstructure and the other for the conveyor equipment, were being prepared.

Recently Mr. Wigmore had a two hours conference with Hon. A. L. Sifton, Minister of Marine, in regard to the importance of the extension of the Negro Point breakwater and was assured by the minister that he would care to have and look this matter over, as well as the question of new piers, as soon as possible.

Continuing the sale of silk and voile waists at F. A. DYKEMAN'S TODAY.

Notwithstanding the brisk selling of yesterday there are still some splendid bargains waiting to be picked up. The sizes range from 34 to 46, all the newer styles both plain and embroidered fronts. Exceedingly pretty blouses in White Volles, also Shell Pink, Black, White and Fancy Stripes in Silk and a few beautiful Crepe de Chine. The show windows are featuring today an especially large display of heavy Cloth Coats at \$23.50, \$24.50 and \$25.00. These are quite the best values in town. Big bargain day tomorrow.
