TO THE PUBLIC.

TO THE PUBLIC.

We want that rumours are affort detrimental to the character of the Branch Pilots out of the Port of St. Andrews N. B. as a Body, think it necessary to state that several qualified Pilots, at Sundry times, offered their services in the line of their profession, to Masters Commanding vessels owned by Nehemiah Marks, Esquire, and that these services have been uniformly rejected. On a recent occasion Capt. Hutton of the Nehemiah, in reply to several of our number who offered him their services, stated that Mr. Starks would not allow him to take a pilot as the vessel was not insured. We are of opinion that in consequence of the Nehemiah having no Branch Pilot on board, she went ashore on Saturday the 29th August last.
