It is also the silvers are The Government give one quarter section (160 acres) free to every bone fide settler. A second quarter section can be preempted by different payments.

The Canada Northwe, has the most productive soil in the world. Its wheat fetches the highest price; its live cattle are admitted to the English markets, while United States cattle are not. There is a market for the farmer at every station; and there are schools and Churches wherever there are settlers. It is not subject to drought nor floods, to grasshoppen or to cyclones or tormadoes. Ask any Canadian Pacific Railway agent for books and maps concerning it; ask for "Farming and Ranching in Western Canada," or the "Free Farms" map, or "Actual Experience," and read the testimony of men who have gone there from Eastern Canada. Toung women are in great demand; they find occupation as domestics directly they arrive, and readily get married to prosperous young farmers. Young men or young women can start life there almost without money. They make the money there; an independence is gained in a very fewyears by the thrifty.
