SOCIETIES ACTIVE AT PARADISE

W. M. S. Have Fine Entertainment—Many Students Were Home For Easter.—Other Notes And Items.

Monday evening, April 7th, in the Paradise church vestry Rev. W. H. Rackham presented the story with pictures, of Christie's Old Organ. The pictures and music provided an excellent entertainment.

A pleasant afternoon was spent recently in the church vestry, when a number of ladies met and completed the quilting of two quilts, which are now for sale and can be purchased through Mrs. J. S. Longley, president of the Church Aid Society.

The April meeting of the Woman's Missionary Society met with Mrs. Ralph Williams. Following the business meeting an inspiring Easter program was provided by Mrs. J. Hadden Balcom. The quarterly entertainment was also a pleasing feature of the afternoon.

Mr. Nathan Banks recently went to Halifax where he received medical attention.

Dr. Vernon Morse and Mr. E. G. Morse returned from Boston April 12th, where Dr. Morse underwent a serious operation. Dr. Morse's condition is still very critical. Respected and loved by all these days of his suffering are peculiarly hard ones for friends and family.

Among the Acadia students home for the Easter holidays are Mr. Max Munroe, Mr. Gordon Starratt, Mr. Edward Longley, Mr. Charles Longley, Miss Alice Longley and Miss Evelyn Longley.

Miss Hazel Grant and Mr. Chester Ferguson of Acadia are vacation guests at the home of Mr. and Mrs. J. S. Longley.

Miss Hazel Turner of Wolfville, is spending the Easter holiday with Miss Evelyn Longley.

Miss Eleanor Longley of Halifax is spending Easter with her parents Mr. and Mrs. H. W. Longley.

Mr. Murray Elliott who has been teaching at Plympton spent the vacation with his mother and sister, Mrs. Ritchie Elliott and Miss Joyce Elliott. Miss Irma Campbell visited friends in Paradise during the vacation.

Mrs. Rupert Chesley is in Clarence visiting with Mr. and Mrs. Milledge Marshall.

Mrs. Aubrey Freeman visited in Round Hill, April 11th and 12th.

Rev. and Mrs. W. H. Robinson after spending a couple of months in Digby returned to their home here April 10th.

The Sunday evening B. Y. P. U. service was of a special character and was well attended. Miss Lillian Leonard was leader of the service. The program included Easter readings and choruses and a solo by Mrs. Ritchie Elliott.

There will be no morning service in St. James' church next Sunday; instead there will be an 8 a. m. service in St. Mary's, Belleisle, (also 3 p. m.) and 11 a. m. (with Easter communion) in St. Peter's-by-the-Sea, Young's Cove. The evening service will be as usual at 7.30, when it is hoped the Easter music will be repeated.

BELLEISLE.

Mrs. Wallace Court, Jr. of Karsdale spent last week with her parents Mr. and Mrs. A. W. D. Parker.

Mrs. Francis Hennigar of Bear River is visiting her sister Mrs. H. W. Bent.

Miss Jennie C. Bent, Miss Vera Hudson, Miss Edith Hudson, Miss Lizzie Troop, Miss Minnie Troop and Miss Kathryn Fraser, teachers, are spending the Easter holidays at their homes here.

Misses Bettie and Phyllis McLean, of Bridgetown are visiting their grandparents Mr. and Mrs. R. L. Dodge.

Mr. and Mrs. Ernest Rice of Quebec are visiting Mrs. Rice's mother, Mrs. Angus Ritchie.

Miss Gould of Halifax is visiting her sister, Mrs. Capt. Alfred Willett. Miss Geraldine Troop spent last week in Middleton, with her aunt, Mrs. Wiswell Covert.

Miss Gladys Troop, teacher at Nictaux Falls is spending the Easter holidays with her parents, Mr. and Mrs. Archie F. Troop.

Mrs. Josephine Willett is visiting friends in Kingston.

Sorry to report Mr. Alfred J. Bent very ill at time of writing.

Mrs. Charles Goldsmith arrived home from Boston last week where she was called owing to the illness of her husband. Mr. Goldsmith is much improved in health.

DEEP BROOK.

Mrs. J. F. McClelland returned on Tuesday from a pleasant visit with relatives and friends in Boston and vicinity.

Mr. and Mrs. Edson Ellis are guests of Mr. and Mrs. E. V. Hutchinson for a few days.

Miss Ethel Purdy who is teaching in Windsor spent the Easter holidays at her home here, the guest of her parents Mr. and Mrs. Ernest Purdy.

Mrs. Annie Copeland arrived home from Boston on Friday, she will occupy her bungalow here for the summer.

Mrs. F. W. Rice returned home this week from Bear River where she has been spending the winter months the guest of Mrs. Cordelia Rice.

Mrs. L. E. Sherman spent a part of last week in Bear River, called there by the serious illness of her brother Willard Berry who passed away April 10th.

A very successful missionary concert was held in the Baptist church on Sunday afternoon, April 13th under the direction of Mrs. Robert Curtis and Mrs. Marguerite Page. Special mention should be made of valuable assistance given by Mrs. Mildred Rawling in arranging and helping to make the programme such a success. \$77.00 was taken for missionary work.

Mrs. Willis Rice and son of Bear River are guests of Mr. and Mrs. Loran Adams for a few days.

Frank L. Henshaw of Norwood, Mass., and Wallace L. Henshaw of Salem, Mass., left here on Tuesday of last week for their respective homes.

Miss Wanetta Burrell of Acadia Seminary, Wolfville, is spending the Easter vacation with her parents, Mr. and Mrs. Avarad Burrell.

MELVERN SQUARE.

Mr. and Mrs. J. G. Masters spent Easter with Mr. and Mrs. Arthur Stronach.

Mr. and Mrs. Hallett Armstrong, of North Kingston, were Easter guests of Mr. and Mrs. Edward Van Buskirk.

There was an Easter concert given by the choir and S. S. children in the Baptist church on Sunday evening that was largely attended and greatly enjoyed by all present. The anthems and music were well selected and gave great credit to the choir leader Mr. J. C. Baker. The children also did their different parts in a very pleasing manner.

Mr. Willoughby Goucher spent the holidays with his sister, Mrs. Arthur Coleman in Halifax.

Mr. Max Crocker of Brooklyn spent the week-end with Mr. Aubrey Goucher.

Mr. Alfred Phinney has returned to his home here after spending the winter with Mr. and Mrs. S. Hicks of Aylesford.

Mrs. B. W. Woodbury and Leon of North Kingston spent the Easter holidays with her parents, Mr. and Mrs. George O'Neal.

Personal Mention

One of the nicest courtesies you can show your friends is let them learn through this column of your visit whenever you go away. Let us know when you have visitors at your homes. The Monitor will consider it a courtesy whenever you give us an item of this kind. Write or phone No. 12 or 102.

Rev. M. S. Richardson of Yarmouth was a visitor in town this week.

Mrs. W. L. Troop returned from St. John last week where she was visiting her daughter, Mrs. Wm. Cook and Mr. Cook. The latter accompanied her on return and spent Easter in town.

Messrs Vernon and Stewart Stanenwhite left for Boston on Friday last. Miss Edna Clarke was home from Acadia spending the vacation with her parents, Mr. and Mrs. A. B. Clarke. She was accompanied by Miss Irene Titus and Miss Reta Van Wart also students at the Wolfville institutions.

Mr. T. B. Chipman arrived home last week from a business trip to New York.

Mr. Percy Burns spent the Easter season the guest of his son Mr. H. E. Burn: Halifax.

Miss Alice Davis of Yarmouth now attending Acadia spent the holiday, the guest of her aunt, Mrs. M. E. Armstrong and of Dr. Armstrong.

Mr. George Foster now attending Acadia University spent Easter here with his parents, Inspector M. C. Foster and Mrs. Foster.

Miss Mary Marshall of Falkland Ridge, now taking the Arts Course at Acadia spent the holiday season in Halifax, the guest of her uncle, G. R. Marshall who recently retired from principalship of Chebucto School after a period of forty-two years service as a teacher, most of which time he was principal of schools in the city of Halifax.

Mrs. K. B. Egan and son George, spent the holiday season with relatives at Lakeville.

Mr. Gerald Hoyt was a visitor over the week-end with his mother, Mrs. G. E. Hoyt and his grandparents Mr. and Mrs. Elias Messenger.

Dr. Hazel Thompson spent the holiday at her former home in Halifax, returning on Monday's express.

The Misses Marion Crowe and Flora Cole returned on Tuesday to the New England Baptist Hospital, to continue their training after a five weeks visit at their respective homes.

Miss Muriel Ritcey of Paradise, spent the Easter holidays visiting her sister, Mrs. Mark Chipman of Tupperville.

Rev. P. R. Hayden of Berwick is expected here today (Wednesday) and will be present at the regular prayer-meeting.

Rev. Dr. A. N. Marshall preached his farewell sermon on Sunday in the First Baptist church, Ottawa, and the first of May takes up his work as pastor of the Baptist church at Wolfville.

Miss Hazel Turner of Woodstock, N. B., is a visitor at the home of Councillor and Mrs. A. E. Phinney, Upper Granville.

Mrs. John Bath spent Easter with relatives at Kingston.

Mrs. Sara Speakman of Perotte, is visiting at the home of her brother, Mr. J. Campbell, Upper Granville.

Miss Margaret Phinney, who is taking a business course at Acadia spent

WEST PARADISE.

Miss Louise Morse, who is attending Acadia spent the Easter holiday at the home of her parents, Mr. and Mrs. Eugene Morse.

Miss Irma Campbell, who is teaching at Stewiacke, spent part of her vacation visiting with Mr. and Mrs. Carl Saunders and Mr. and Mrs. Jesse Saunders.

Mr. and Mrs. B. W. Saunders spent the Easter week-end visiting Mr. and Mrs. John Van Buskirk, Wilnot.

Mrs. Abbie Saunders was for some time the guest of her daughter, Mrs. Ethel Shaw, Middleton.

On Friday evening a very enjoyable Easter concert was held in the hall, under the direction of Mrs. Jesse Saunders. The proceeds were about eight dollars.

OBITUARY.

Mrs. Stephen Jackson.

The funeral took place on Wednesday afternoon last of Mrs. Stephen Jackson of Ingleswood. The deceased had been in poor health for some little time past. She leaves to mourn their loss, husband and one son Fred of Ingleswood. The services were conducted by Rev. A. J. Prosser and interment took place in Riverside cemetery and was attended by a good number of friends.

The Easter holiday at her home, Upper Granville.

Mrs. Noble Wheelock of Lower Granville spent Easter, a guest at the home of Mr. and Mrs. Fred Bath.

Miss Edna Clark, student at Acadia is spending the Easter vacation at the home of her parents, Mr. and Mrs. A. B. Clarke. Miss Irene Titus of Norton, N. B., and Miss Greta Van Wart of Bloomfield, N. B., are also guests of Mr. and Mrs. Clark.

The many friends of Mrs. Robert Irvine, of Upper Granville, will be glad to learn that she is now rapidly recovering from her long illness of neuritis.

Mrs. D. J. McQuarrie arrived from Manchester, N.H., on Tuesday accompanied by her niece Miss Mary Walker who has been visiting her. Miss Walker has resumed her duties as Telephone Central.

Mrs. Herbert Annis of Nictaux spent Easter here the guest of her parents, Mr. and Mrs. Harry Miller.

Mr. and Mrs. Frank Fowler spent Easter with Mrs. C. F. Fockwell, Kentville.

Miss Jennie Brooks spent the holiday with friends at Middleton.

Miss Gertrude Bernes of Windsor, spent the Easter season with her parents Mr. and Mrs. Nelson Barnes.

Mrs. Mary J. Beeler spent Easter in Annapolis Royal, the guest of Mr. and Mrs. Harold C. Beeler.

Mr. Joseph Walker of Clementsport has been spending the Easter holiday with Mr. and Mrs. H. B. Arnis.

Miss Gladys Troop returned home and spent Easter with her parents. She was accompanied by her sister Geraldine, who has been visiting in Middleton.

Miss Margaret O'Hearn, of Dartmouth, is visiting Mrs. J. F. Arch, Carleton Corner.

Miss Beryl Hayden of the staff of the Bridgetown school, spent Easter with her brother, Mr. S. B. Hayden, and wife of Halifax.

Miss Cora Munroe of the Kentville teaching staff spent the holidays with her parents, Mr. and Mrs. J. A. Munroe, Carleton Corner.

Mr. Horace Bishop of Kentville, spent the holiday here the guest of his son, Mr. Ross Bishop.

Mr. Forman B. Bishop of Lawrence town, who has been confined to the house for several months through illness is beginning to improve.

ANNUAL MEETING RINK COMPANY

Auditors Report Shows Small Balance For Season—Directors Appointed.

The annual meeting of the Shareholders of the Bridgetown Rink Company Ltd., was held in the Board of Trade rooms on Monday evening President R. J. Messenger in the chair.

The Auditors report was read and on motion adopted. The report read as follows:

PROFIT AND LOSS ACCOUNT MAR. 31, 1924.	
Interest	\$ 250.24
Advertising	33.00
Labor	177.75
Fuel	41.25
Lights	64.60

Net Profit Mar. 3, '24	6.77
	\$9105.52

NOTE.—Insurance paid to Feb. 14, 1925.

Interest on note to May 3, 1924, charged on above statement.

H. T. MCKENZIE,
O. W. GRAVES,
Auditors.

There was some discussion as to the best means of collecting unpaid subscriptions.

Messrs Karl Freeman, Arthur Charlton and H. T. McKenzie were appointed a committee to nominate directors for the ensuing year and nominated the following gentlemen:

R. W. Donaldson, Paul Longmire, J. S. Moses, J. P. Orlando and H. B. Hicks. On motion the nominees were appointed.

Messrs Owen Graves and H. T. McKenzie were appointed auditors.

GEORGE DECHMAN AND E. E. AMIREAULT PURCHASE FAIRVIEW HOTEL, BRIDGEWATER

The Fairview Hotel at Bridgewater has been purchased with all furniture and fixtures by Messrs E. E. Amireault of Kentville and George Dechman of Bridgetown, who take possession on May 1st. This well known and popular hotel has been successfully conducted for the past seventeen years by W. E. Await. The purchase price is stated to be in the vicinity of \$40,000. Mr. Amireault formerly clerk at the Mersey, Liverpool, and for some time past manager of the Cornwallis Inn at Kentville has made a splendid success in hotel management. Mr. Dechman who has occupied positions as clerk at the Pines, Digby and at the Cornwallis Inn Kentville is also well experienced in details of management. Under the new proprietors it is expected that the Fairview will maintain a leading position among Provincial hotels. The Monitor wishes the new management every success in their new venture. They establish in one of the very best towns of the Province, in a successfully organized business with personal qualities and experience which will ensure their abundantly making good.

A heavy fall of snow for this season of the year occurred on Saturday, snow commencing to fall in the morning and continuing till after eight o'clock in the evening. Most of it melted on Sunday and left the roads in a muddy condition.

The Bridge Box is similarly popular from coast to coast in Canada.

CENTRAL CLARENCE.

Jean Williams spent the week-end at V. B. Messengers.

Miss Belle Marshall of Normal College, Truro, spent Easter with her parents Mr. and Mrs. Eldon Marshall.

Raymond Marshall of Kentville spent Easter at the home of his parents, Mr. and Mrs. S. B. Marshall.

Mr. William Marshall of Malden, Mass., and Mrs. E. C. Van Tassel of Mt. Pleasant, Digby Co., spent the Easter holidays with their mother, Mrs. Hattie Marshall and brother Edward and family.

Mrs. D. S. Noble and daughter Marjorie Snape expect to leave for Vancouver in about two weeks time.

Mr. and Mrs. Milledge Banks spent Monday, April 7th at the home of Mr. and Mrs. M. C. Marshall, the occasion being the anniversary of each couple's marriage, the former couple having been married thirty-eight years, and the latter forty-four years. The day passed pleasantly for all.

Mr. James White has put new windows in the front of his house which adds to its appearance. Mr. J. W. Sproul is making repairs on a building, fitting it up as a home for his hired help.

Mr. S. B. Marshall has received the agency to sell dusters for the United Fruit Co.

Miss Ringer spent Easter with Mr. and Mrs. Floyd Smith.

The May meeting of the W. M. A. S. will be held at the home of Mrs. Robt. Leonard.

An Easter service was held in the auditorium of the church on Sunday evening. The following program was given:—

Hymn—By Choir.
Prayer—Mrs. S. N. Jackson.
Exercise—"The Easter Story" interspersed with music by choir.
Reading—"Easter greeting" written by Mrs. Mary Kinley Ingraham, read by Mrs. Eldon Marshall.
Exercise—"The Easter of Today."
Reading—Mrs. Hirtle.
Hymn—By Choir.
"Jubilee History"—By Mrs. F. W. Ward.

Dialogue—"A Missionary Clinic" by seven ladies of the W. M. A. S.
Reading—By Mrs. Robert Leonard.
Recitation—"Your Part" by Hugh Elliott and Claude Elliott.
Collection and music by choir.
Benediction by Deacon Messenger.

Mrs. Eldon Marshall spent a few days last week with her sister Mrs. V. C. Morse regret to know of his very serious illness.

RURAL DEANERY MEETING.

The annual spring "Chapter" meeting of the clergy of Rural Deanery of Annapolis will be held at Granville Ferry on Monday and Tuesday of next week, with a full programme.

The Greek exegesis for this occasion will be the Ven. Archdeacon Watson, and the "ad clerum" preacher the Rev. A. W. L. Smith, rector of St. Clements. Papers for discussion will be read as follows: "Marriage and those whom God hath not joined together," by Canon Underwood; "The Virgin Birth," by Rev. Rural Dean Driffield; "What is wrong with our young," by Rev. A. W. L. Smith.

The preacher on Monday evening will be the Rev. T. C. Mellor, rector of Annapolis and on Tuesday evening, Canon Underwood.

EASTER IN ST. JAMES' CHURCH.

In spite of the inclement wintry-like weather, there were large congregations at both services in St. James' church on Easter Day. As is customary in this church at this festival the altar was adorned with beautiful cut flowers, Easter lilies, daffodils, tulips, these being contributed by Mrs. Chas. de Witt, (in memoriam); Mrs. Smith, New York, (in memoriam); Mrs. O. T. Daniels and Mrs. Gertrude McCormick, Annapolis, (in memoriam).

The music was of a high order and reflected much credit on the choir the anthem being "Hallelujah! The Lord is Risen," by Caleb Simpson, and the Magnificat and Nunc Dimittis was sung to music by the same composer.

At the morning service Canon Underwood based his sermon on the opening words of the Epistle for the day—"If ye then be risen with Christ, seek those things which are above," and in the evening on the text, "O death, where is thy sting? O grave, where is thy victory? The sting of death is sin; and the strength of sin is the law. But thanks be to God, who giveth us the victory, through our Lord Jesus Christ."

Middleton.—At the regular meeting of the School Board held yesterday, the following teachers of this year's staff were engaged for next year:—Principal H. L. Bustin, Miss M. Fitzrandolph, Miss A. M. Marshall, Mrs. C. Hsiey.

A creamy white flour made from dried oysters is used by the Japanese for thickening stews and is also sprinkled on thin bread and butter.

NOTES AND NEWS OF LAWRENCETOWN

Appreciated Work by Women's Institute Hike to "Forest Rest"—Social And Personal Notes.

Mr. and Mrs. W. Bent are at home, they had a pleasant winter in Florida.

Mrs. I. C. Archibald, Mrs. J. Daniela Florence and Edward Archibald are now at home, they greatly enjoyed their visit to Halifax. Friends are glad to welcome them back.

Mrs. Durling, who spent the winter at the home of her son Paul, has gone for a visit to her sister, Mrs. C. Balcom.

Mrs. McLaren has gone on a visit to friends in Middleton.

Mrs. John Shaffner has gone to Port Williams, to her daughter, Mrs. C. Chipman.

Rev. O. Chipman has taken his invalid son to Boston for medical treatment.

Miss Lewis and Miss Denton, teachers, have gone to their homes for the Easter vacation.

Mrs. Corkum has gone to Kentville. Miss Elizabeth Morgan is a visitor at the home of her mother, Mrs. John Morgan.

Mrs. T. Hennigar has gone to Belleisle to visit her sister, Mrs. Alice Bent.

Mrs. C. Young, Bridgetown, spent a day at the home of her sister, Mrs. D. M. Balcom.

Mrs. Willet who spent the winter at the home of her daughter, Mrs. J. B. Hall, has returned to Tupperville.

Mr. J. Slack has gone to Digby.

Rev. Mr. Gardiner has spent a day or two in Lawrence town, speaking on "Welfare Service."

Mr. and Mrs. Ronald McLeod, Bridgewater, attended the funeral of Mrs. Campbell McLeod.

Students are home for the short vacation.

Mr. Winslow, one of our enterprising young men has been called on business to Kentville.

Mr. Aubrey Gaul is back at the steam mill, having spent the winter in Mass.

The primary department of the Lawrence town school has started "A Gazette." These young children write notes by the way telling anything that interests them. Some of these notes are really good.

Hot drinks have been supplied to the children who had to bring their dinner, owing to distance from the school home.

"Books of knowledge" given by the Women's Institute have proved of great value to the department.

Ladies Aid Baptist, met at the home of Mrs. L. Stoddart, Methodist Ladies H. and F. M. S. met at the home of Mrs. G. Morris.

WEDNESDAY, APRIL 23rd, 1924

REFORMING THE SENATE.

Under the above heading, the "Presbyterian Witness," of Tuesday, says: "The announcement that Senator Turley will introduce a proposal for the reform of the Senate is at least an indication that the Senators themselves are beginning to realize that something must be done if the Second Chamber is to retain the popular confidence. The growing dissatisfaction with the Senate throughout the Dominion is due to several things. In the first place, it is felt that a body of Legislators without responsibility to the people is not in harmony with our system of responsible Government. Our Senate is a more independent body in this respect than the House of Lords in Britain. The way in which Senators are appointed—chosen by the party in power as a reward for political service without any too close regard for their personal fitness for such a responsible position—a process which tends to create a body out of sympathy with the elected representatives of the people—is not fitted to inspire confidence in the Senate. Further, the unpopularity of the Senate and the demand for its reform or abolition, has been intensified among a large and influential section of the electorate by its attitude towards moral reform and its stubborn obstruction of progressive legislation. The suggestion now is to reduce the membership of the Senate from 96 to 64 by the process of not filling vacancies as they occur. When the number of members is reduced to the point agreed upon, it is proposed, as vacancies arise, that the leader of the Senate Opposition be given the right to nominate one in three of the new appointees, and that new Senators be appointed on the condition that their term expires when they reach the age of seventy-five. This arrangement would tend to prevent the Senate from becoming too partisan. It will hardly, however, meet the view of those who object to an appointed Senate. There is a large and growing body of opinion that the Second Chamber at Ottawa is unnecessary. The large Province of Manitoba and some other Provinces find one Chamber—composed by representatives of the people, quite sufficient for legislative and administrative purposes. But if we are to have a Senate, let it be more nearly representative of the people and in closer harmony with the Government of the day. An elected Senate would secure such a body as well as prolong its life." How the Recorder stands regarding the Senate: It is not in favor of an elective Senate. Better abolish it than make it elective. It is in favor of Senators retiring at

A DANGEROUS PRECEDENT.

New York World: A right to search ships at a distance from shore for contraband goods, though innocuous enough in times of general good feeling, may easily create international complications in times of strained courtesy. There was, for example, a time when American ships left the docks at Hoboken with cargoes of arms for Irish revolutionists. If the United States may search for liquor, why may not other sovereign powers search, during a crisis, for arms? An hour's steaming from shore is an elastic range. liable to convenient modification. Once begin to encroach on the freedom of the seas and the five oceans begin to split themselves up into territorial waters with dangerously indefinite boundaries.

HONESTY IS THE BEST POLICY.

London Standard: Democratic countries are not immune from sudden attacks of insanity. They may rush into war in fits of passion or strong delusion. But they do not plot wars, and they generally resent the plotting of wars on their behalf. They are liable always to be found unprepared in an emergency; but the danger, grave as it is, from such lack of foresight is nothing compared with the peril which attaches to a frame of mind which looks on war as a mere extension of diplomacy. Democracy has many faults. But it is incompatible with genuine Machiavellianism.

A FREE EMPIRE.

London Chronicle: Hitherto in both directions—defence and development—the advantage, though mutual, has been greater to the Dominions than to the Mother Country. In the post-war world we seem gravitating, though slowly, towards a position where the balance will be the other way. Economically, at least, we may have more to regard Imperial development as one of the keys to our own. And the Labor party will have to take note of this not less, but more than the other parties; because its programme, whatever else it may require, requires a rich and flourishing community for it to be realized. The first of all requisites for such development is a better rate of emigration from our island to the Dominions.

Minneapolis Journal: It would be rash to prophesy the annexation of parts of Mexico or its whole to the United States. Yet it is not unthinkable that so rich a country, one so essential to the world's economy, can be left to wither in revolt, revolution, banditry, semi-anarchy. Even our easy-going and long-suffering United States cannot indefinitely permit a miniature China to ferment across our border.

SLOW PROGRESS.

London Daily Telegraph: It is wise to remember that even now we are only, in the matter of sanitation, where the Romans left off. They, of course, inherited the work of many another race. But when their organizing powers fell, the great cities of their Empire had each its sewers and its water supply. Then Europe destroyed those public works, or let them decay, and has been some fourteen hundred years in struggling back to a condition no better. It is an ironic comment on the validity of human progress.

A FREE SEA.

London Morning Post: (The Council of the Chamber of Shipping of the United Kingdom has approved the convention of the League of Nations to establish a "free sea.") As it does effect the jealously guarded coasting trade of America, there seems no valid reason why the United States should not join the other maritime nations. In this matter of a free sea, Great Britain has always led the way, since the final repeal of the Navigation Laws in the middle of the last century; a measure which opened British trade to what was then the superior American mercantile marine. It was in that era the American oiler ships were the wonder of the world; England was not long in building ships as fine, if not finer, and the two nations entered into a friendly rivalry in the China and Indian trade. The American merchant service went to pieces in the Civil War, and it has not yet been restored.

"SANCTUARY OF LIBERTY."

Cape Argus: No one has any reason to be ashamed of the Empire. No good citizen of South Africa should feel that he must apologize, as it were, for its existence or for mentioning it if he has to do so. Let it be called the British Empire or the British Commonwealth of Nations, it does not a great deal matter which, but let it be thoroughly understood that it symbolizes freedom, never tyranny or aggression, not even merely rule. In Burke's words, it is as the "sanctuary of liberty" that the idea has continued to this day.

NO SENSE OF VALUES.

Christian Herald: We spend twenty-two times as much for motion pictures and tobacco and dances and face paint and joy rides and other amusements as we spend for education. And then we wonder why the churches do not get the working people and why the young people are not enlisting for the ministry. And yet we pay the average minister less than we pay the bricklayer or plasterer or painter. We have set no price on what we are willing to pay for pleasure, but we fix the wages of the servant of God at a starvation figure.

ONE VIEW OF IT.

Minneapolis Journal: It would be rash to prophesy the annexation of parts of Mexico or its whole to the United States. Yet it is not unthinkable that so rich a country, one so essential to the world's economy, can be left to wither in revolt, revolution, banditry, semi-anarchy. Even our easy-going and long-suffering United States cannot indefinitely permit a miniature China to ferment across our border.

FRUIT TREATMENT HEALS KIDNEYS

Concentrated Fruit Juices Give Astonishing Results

Anyone who has suffered with weak or irritated kidneys—with the accompanying miseries of pain in the back, splitting headaches, swollen hands and feet, rheumatism and constipation—ought to try the Fruit Treatment for their trouble. To those who use intensified fruit juices—"Fruit-a-tives"—for the first time, it seems almost impossible that the juices of apples, oranges, figs and prunes combined with tonics, could relieve kidney trouble. But a short treatment of "Fruit-a-tives" gives quick relief and the regular use of these intensified fruit juices or "Fruit Liver Tonic" prove their marvellous virtues. Get "Fruit-a-tives" today and begin the "Fruit Treatment." At all colors: 25c and 50c a box; or sent post paid by Fruit-a-tives Limited, Ottawa, Ont.

OBITUARY.

Mrs. Rex Davison.

Bridgetown.—The body of the late Mrs. Rex Davison, who died in Toronto following an operation on Thursday, was buried in Brookside cemetery this afternoon at 2.30. Rev. G. W. Bullock, assisted by Rev. A. W. M. Harley, conducted the service at Holy Trinity church.

The channel was filled with flowers. The late Mrs. Davison was the daughter of the late Dr. M. G. E. Marshall, and leaves her husband, one daughter, two sisters, Mrs. Dr. W. N. Rehfuss, of Bridgewater; and Mrs. Avarid Bishop, of U. S. A.; and an uncle, Dr. C. S. Marshall, Bridgewater.

Mr. Davison and sister, Miss Lou Davison, accompanied the remains from Toronto. The late Mrs. Davison was born in Bridgetown but at an early age removed with her parents to Annapolis where her father carried on a successful dental practice.

FANCY AND FACT.

Kansas City Star: We wish we could get our child to smile as we delightedly over a plain, unadorned slice of bread as the kids do in the baker's advertisements.

My Ma Paints She Does

And Misses Knozey come to our house and she says I dunno man why you can do things like paintin' and such Kindly loffy-like. And my Ma says, Dear me Mrs. Knozey if I couldn't do good as the men-folks how could I see that the men do as good as they'd oughter. And what's buying a little brush and laying varnish or enamel on a chair back or round the tubs, or even doing the floor up fresh. Let's go to Magee and Charlton.

The fun I get out of it's most as much as the satisfaction of seein' things all bright and lovely. And I get to know just what's what about paintin' for I always 'alk it over with the man at the hardware store and he knows. I can depend on what he's tellin' me—and when the men come to do over our front porch and go through with what my Ma seen that they done it. I heard the boss feller say to the helper feller that My Ma paints she does, and buys all her paint, varnish and enamel at Magee and Charlton.

Magee & Charlton

Rheumatism.

Minard's penetrates to the root of the trouble and eases pain. The universal remedy.

Here and There

It is estimated that over 50,000 acres were sown with corn in Alberta in 1923, as compared with only 1,000 acres in 1919. This is a good indication of how rapidly corn culture is increasing in Western Canada in connection with mixed farming operations.

All previous records of Canadian freight transportation were broken when a solid train-load of automobiles reached the Pacific Coast from Windsor, Ont., over Canadian Pacific lines recently. The distance of 2,932 miles was covered in seven days, or exactly 160 hours and 20 minutes. The train, which consisted of 40 cars, each containing 6 Ford automobiles, was more than a third a mile long and was handled on practically passenger schedule.

The splendidly sound position of the Canadian Pacific Railway is well shown in the annual report for the fiscal year ended December 31st, 1923, which has just been issued. The gross earnings of the Company for the year were \$195,837,059.61, the working expenses \$138,353,079.54, and the net earnings \$57,473,010.07.

A large party of Scottish farmers, ploughmen, farm workers and their families, is expected to arrive at Montreal in June. The party, which will sail on the Canadian Pacific steamer "Blarburn," will be conducted by the Scottish representative of the Canadian Pacific Department of Colonization and Development.

Alberta has maintained an average yield of spring wheat of 19 1/2 bushels per acre over a period of twenty-six years, according to a chart prepared by the Department of Agriculture. In addition, winter wheat has averaged over the same period 20 1/2 bushels; oats, 35.79 bushels; barley, 26.10 bushels; rye, 18.84 bushels and flax, 8.71 bushels.

A feature of the annual banquet and convention of the officials of the Canadian Pacific Railway, which were held at Quebec on March 22nd, was the representation, in the banquet hall, of a full-sized locomotive of the latest type emerging from a tunnel. Built of wood at Angus Shops, Montreal, it was in all respects perfect. At a pre-arranged moment, it emitted steam and smoke, the bell rang and the whistle blew, while the headlight became a moving picture projector.

Indications of a great season in immigration are seen by Canadian officials in the arrival at St. John, N.B., during the week-end of March 22-23, of 2,411 third-class passengers, aboard the Company's steamers Montclair and Metaganay. The Montclair had on board 1,384 of these passengers, which constitutes a record for the season.

Out of a total production of 10,750,150 pounds of creamery butter in 1923, Manitoba exported 3,863,284 pounds, valued at \$1,513,169. Shipments were made to Great Britain, New York, Chicago and Montreal. In addition, about 200,000 pounds of butter fat were shipped to the United States.

In a speech to the higher officers of the Canadian Pacific Railway on the occasion of the recent convention at Quebec, Mr. E. W. Beatty, President, pointed out that 50 per cent. of the company's stock is held in Great Britain, 21 per cent. in Canada and 29 per cent. in the United States. It is, therefore, a corporation absolutely controlled within the British Empire and, he added, the new era is being appreciably strengthened as the years go on.

Quebec's new golf field in Rouyn township, north of the Des Quinze branch of the Canadian Pacific from Mattawa, is to be made accessible by an aeroplane service to be inaugurated by the Laurentide Air Service Limited, on May 18th. Prospectors, tourists and supplies will be able to cross the fifty mile gap between the end of steel and the goldfields, which formerly required two days to cover, in less than an hour in the flying boats to be used in the service.

CHURCH RENOVATION AND REPAIRS FINISHED

Annapolis Royal.—St. Luke's Church, which has been closed for a month, for renovation and repairs, during which period services have been held in the Sunday School house, was opened on Palm Sunday for regular services, beginning with an early celebration of Holy Communion.

HEIRS WANTED

Missing Heirs are being sought throughout the world. Many people are today living in comparative poverty who are really rich, but do not know it. You may be one of them. Send for Index Book, "Missing Heirs and Next of Kin," containing carefully authenticated lists of missing heirs and unclaimed estates which have been advertised for, here and abroad. The Index of Missing Heirs we offer for sale contains thousands of names which have appeared in American, Canadian, English, Scotch, Irish, Welsh, German, French, Belgian, Swedish, Indian, Colonial, and other newspapers, inserted by lawyers, executors, administrators. Also contains list of English and Irish Courts of Chancery and unclaimed dividends list of Bank of England. Your name or your ancestor's may be in the list. Send \$1.00 (one dollar) at once for book.

DOCTOR'S PRESCRIPTION GIVES QUICK RELIEF FROM SPRING FEVER OR NO COST

In the Spring your liver becomes sluggish and your bowels clogged. The result is intestinal poisoning! When warmer weather strikes, many suffer frequently with attacks of indigestion, heartburn, heart palpitation, gas and sour stomach, headaches, coated tongue, bad taste, biliousness and such symptoms.

Cleanse and tone your liver and bowels with Dr. Thacher's Liver and Blood Syrup. Helps Nature put stomach in condition, tone your tired nerves, brace up your entire system and send purer and healthier blood coursing through your veins. Notice the quick difference in the way you look, eat, sleep and feel. You, too, will be satisfied, as others have, or no cost.

Dr. Thacher's is sold and recommended by W. A. Warren, Bridgetown; Watson F. Porter, Pharmacy, Lawrentown.

BOOTLEGGERS WERE FINED AT KENTVILLE

Kentville—Leslie Hiscoe and James Owens, (colored), of the Pine Woods District, were convicted of selling liquor and fined \$200 and costs, or three months in the County Jail when they appeared before Stipendiary Magistrate S. S. Strong this morning. The arrests were made by the new Chief of Police, Robert White, assisted by former Chief Davis, who is determined to cut out bootlegging in Kentville and the surrounding district.

A raid was made on Owens, in which the officers failed to find any booze. One of the men, when the officers appeared at the door, threw out a pall which was supposed to have contained beer. The conviction came on the evidence of a man who swore he gave money to Hiscoe to get some liquor from Owens, which the former did. Owens has long been suspected of bootlegging on a big scale.

ROUND HILL

Miss Lucy Stoddard is visiting her parents Mr. and Mrs. Omar Stoddard. Mrs. William Bancroft and nephew, Master Fred Goldsmith, are visiting friends and relatives in U. S. A. Mrs. P. E. Pilleul has returned from Halifax, her husband is there in Hospital.

BUREAUCRACY A TYRANT.

London Post: The young and old barbarians of the political fields are talking loudly about capitalists at the present moment, but the capitalist of today is a very different person from the immediate forerunners of some of our Liberal members, who had such glorious opportunities in the halcyon days of laissez-faire. The danger of our period is not the capitalist, but the bureaucrat, not the man who stores and hoards wealth, but the man who issues edicts without understanding and without mercy. The Russian people must feel rather foolish when they think of the tyranny of the Tsar and compare it with the "enlightened" administration of the Bolsheviks. The British people at this moment enjoy a fair measure of liberty. Let them hesitate before they exchange it for an Utopia which may be only an iron despotism in disguise. For the peril of innovation is that those who propose it are not free agents.

There will be services in St. Pauls church, morning and evening on Easter Sunday.

Mrs. S. A. Delaney, and Mrs. Bertman Wagstaff recently visited Miss Kate McLeod, Mochele.

Mr. Glendower Dargie had the misfortune to hurt his hand quite badly while working around his wood-saw.

STOP KNOCKING THE C. N. R. SYSTEM.

Sir Henry Thornton Says False Statements Will Be Challenged.

Montreal—In a statement broadcast here tonight to officers and employees of the Canadian National Railways, Sir Henry Thornton, President of the System, draws attention to what he describes as "slandering and libellous gossip" affecting the system, and says: "We are going to challenge" such whenever met with. He instances the case of those who "whisper maliciously and say: 'Well, after all this net showing you have made, we must not pay much attention to that; it is merely book-keeping.'" Sir Henry comments that this instance "is one of the things they started in an effort to detract from what had been done," and adds that a good many things like this are going on.

TOTAL OF APPLE EXPORT ANNOUNCED.

The apple export from Nova Scotia for the year 1923-24 shows a grand total of 2,018,896 barrels and 6,846 boxes, according to the statement given out by G. H. Vroom, District Fruit and Vegetable Inspector. The same statement shows that strawberries shipped from the Annapolis Valley during that season totalled 495,328 boxes and gives comparative figures showing the total shipped from New Brunswick as 1,250,000 boxes. The total number of barrels of apples shipped from New Brunswick is given as 25,000.

Of the total apple shipments made from this province, 457,955 barrels went to London, Engr. with Manchester receiving 429,128 barrels. Liverpool received 223,143 barrels. Approximately 55,000 barrels of Nova Scotia apples were disposed of on the local markets of St. John, Halifax and Moncton. In evaporators, cider mills and canning factories, 112,848 barrels were used.

In this auto age the hen may cross the road because she is despondent over continued bad health.

CHICAGO VIEW OF CANADA'S RESOURCES.

Out in Chicago there are people so hot under the collar at Canada's opposition to that city's idea of hogging the water of the Great Lakes that they are about prepared to go to war over it. Chicago, it may be explained, has developed a great drainage canal into which she proposes to pour a goodly share of the waters of Lake Michigan, it presumably being easier and cheaper to run a sewage system on this plan than other centres bordering the Great Lakes that are more civilized manage to operate such sewage disposal plants without robbing their neighbors of water which should remain in the Lakes, in place of finding its way by a back door into the Mississippi River.

In this connection the Chicago "Tribune," which is closely allied to the McCormick family, has been accused by its enemies of favoring the Canadian position. It might be explained that Senator McCormick is a member of the committee on foreign relations, which now has this matter in hand at Washington, while R. R. McCormick, formerly head of the Chicago sanitary board, is now an editor of the "Tribune." In attacks on that newspaper for expressing the McCormick view, that negotiations under the treaty which governs international waterways is better business than stealing the water first, and patching it up afterward, a couple of more or less disreputable Congressmen from the Chicago district, who see red, charge that the "Tribune's" views are influenced because of the fact that that paper is depending upon Canada for its news print.

In making a general defense of its position, "The Tribune" inserts a paragraph editorially that seems of sufficient interest to reprint:

"It is also known that consumption of timber for paper making is greater in Canada than in the United States, while consumption of paper is vastly greater in the United States. By going into Canada for its paper material "The Tribune" not only assures itself ample newsprint, but saves that much drain upon the fast dwindling American forests. Unless American paper consumers did go to Canada, this country would either have practically no publications within a few years or would have practically no forests."

It is evident, from the above, that Senator McCormick and his newspapers have a better appreciation of Canada's natural resources than have many Canadians. However, we will live and learn, though the lesson in preserving what we still have in standing timber may be sadly belated.

—Saturday Night.

PRACTICAL ECONOMY.

Senator Ross Would Have All Government Salaries Reduced.

Ottawa—During discussion of the budget in the Senate yesterday, Senator Ross suggested that Parliament should be called at a fixed date and business put through rapidly. This would permit the reduction of seasonal indemnities to \$3000. If the government did this, they could then cut in all the judges salaries of twenty per cent, which would make a saving of \$400,000. All other government salaries should be cut proportionately. He would reduce expenditure on experimental farms by \$400,000. He believed that good business men could take the government expenditure and retax it at least \$40,000,000 a year.

WOLFVILLE CUB GETS CROSS FOR GALLANTRY

Wolfville—The award of a Gilt Cross by the Dominion Scout Council to Cub Bryce Hatfield, of the local pack for gallantry in rescuing his brother from burning, last winter has arrived and will be presented to young Hatfield at a special Scout Entertainment to be held in May.

This is the third award for gallantry by members of the Wolfville pack during the thirteen years of its existence, the other two being silver crosses for saving life.

MAN TAKES BIG JOB IN SOUTH AMERICA

Montreal, B. L. Derron, for the past two and a half years Master of the D. A. R. here, will shortly become the directing head of the Roads Association, of Brazil's headquarters at Rio Janeiro. He had it understood, have charge of the highway building program. Mr. Derron came to the D. A. R. from the C. P. R. He left Kentville Tuesday morning for Montreal, where he will proceed within a few days to South America.

THE BUDGET AT A GLANCE.

Reductions of thirty millions in net debt announced.

Tax reductions estimated at twenty-four millions.

No change in the income taxes.

General rate of sales tax cut from 6 to 5 per cent.

Duties reduced on agricultural implements, manufacturers of these to receive reduction in turn on raw materials, pig iron and bar steel being free, when imported by these manufacturers.

Duties reduced on implements of fruit industry, dairy industry and poultry industry.

Coking industry to be helped by reduction in duty on coal-washing machinery and on coke-making machinery.

Other mining machinery given reduced duties in some cases.

Lumbering industry, lower duties on machinery.

Fishing industry, aided by putting all marlin, deep sea fish hooks and fish nets on the free list and reducing the sales tax on rubber boots.

Breadstuffs and provisions—Sales Tax removed from cereals, salted meats, etc., and reduced on biscuits and canned vegetables and fruits.

Boots and shoes—Sales Tax cut in two.

Woolens—Materials used by manufacturers to be exempt from Sales Tax.

Sales Tax—List of exemptions largely extended. New articles exempted include insulin, milk foods, scientific and text books, cream separators, and other agricultural implements, and binder twine.

Sales Tax—Removed from materials used in manufacture of agricultural implements and from materials used in manufacture of implements of other industries on which duties are reduced.

Sales Tax—Exemption is abolished on factories manufacturing less than \$10,000 worth of products per annum.

Rum imported under license to be denatured for use in industrial arts put on free list under preference and subject to tax of sixty cents a gallon under other tariffs.

British preference—Provisions made for extending these rates to the products of countries, for which mandate under the League of Nations is held by a British country to which the preference applies.

Tariff changes and changes in the Sales Tax to go into effect on April 11; removal of exemption of small manufacturers from Sales Tax not to take effect until July 1st next.

QUOTA LAW WILL NOT APPLY TO CANADA.

Persons Must Reside Ten Years in Canada Before Being Admitted to the United States.

Washington—The Immigration bill as passed by the House of Representatives does not apply the quota law to Canada, but makes a change in the present law in that it requires that any person admitted to the United States from Canada shall have resided in Canada for ten years or more. The present law requires five years' residence.

The House made no serious attempt to apply the quota law to Canada, and rejected amendments to the bill which would have made the quota law applicable to the countries of the Western Hemisphere.

The Senate, however, is expected to give the question serious attention this week when it reaches the amendment to the Senate Immigration Bill, which would apply the quota law to all the nations of the Western Hemisphere. Even if the Senate accepts the amendment there will be opposition by the House, which, it is said, will reject it.

The Passing of Coal and Bunk

AND so the world goes on. Old as far as human knowledge goes, yet ever changing, ever new. There are still some among us, grey haired men they are, who remember the clipper ships which years ago ferried the galleon from the sea, and the great four-masted barques that are now seen only in island trade on southern seas, but these men are the privileged few. Except for a few schooners which ply the fishing banks, the sailing vessels have gone the way of all things, and in their place we see the steam driven vessels, gigantic, palatial, and so different in almost all their aspects from the wind propelled vessels as to almost belie their origin. There came coal. Coal revolutionized the shipping industry. As the marine engine was improved upon and developed, this commodity became more and more in demand until it became a necessity. Larger ships were designed and operated than ever before; they became more spacious, commodious and faster than ever before. Cabins were improved upon, the sleeping bunks could be so arranged as to ensure privacy for the occupant; the state room was evolved.

And so the shipping world goes on. Oil is now coming into its own. The navies of the world are converting their older war ships into oil burning vessels and designing many of the additions to fleets for the use of oil; and for some years past the steamship companies of all nations have been turning their attention to oil as well as to coal supplies and resources.

The Canadian Pacific Steamship Company early appreciated the advantages offered by oil, and the latest conversion to be announced by

TOP LEFT—A COSY PRIVATE SITTING-ROOM ON THE "EMPEROR OF FRANCE." RIGHT—A CORNER OF THE ROYAL SUITE ABOARD THE "QUEBEC." WHICH IS SEEN ABOVE BEING ASSISTED INTO HER BERTH AT QUEBEC. RIGHT—A CONVERTED CABIN.

the Company is that of the Empress of France. This great liner has for some time held the record for the fastest voyage between the St. Lawrence and Great Britain, and it is anticipated that the time made on the record trip will be beaten by the Empress after her reconditioning.

Another important change is the replacement of all sleeping bunks on the ship by regular bedsteads and mattresses and the conversion of the cabins into rooms similar to those one finds in up-to-date hotels. Rooms which were formerly four-berth cabins are now equipped with two brass bedsteads, while cabins that

MOUNT ROSE

Mr. Melbourne M. Charlton and Tommy Green left for Boston on Friday the 18th.

Our teacher, Miss Hilda Hogan is spending her Easter holidays at her home in Weymouth North.
On Wednesday, April 16th Mr. and Mrs. Allister Banks spent the day at the home of Mr. and Mrs. Joshua Banks, Outram, it being the birthday of their mother, Mrs. Mary R. Banks, who resides there with her son. In spite of her 92 years Mrs. Banks is quite well and active, and though taken by surprise was quite equal to the occasion. A birthday cake with 92 candles was served and Mrs. Banks received a large number of presents from children, grandchildren and great-grandchildren. Graphophone and organ music was played by Miss Lena Banks and a very pleasant day was enjoyed by all present.

With a staff of 128 teachers and an enrollment of more than 5,000 pupils, Public School No. 109, of New York City, is believed to be the largest in the world.

Obituary

Albert S. Brown.

The death occurred on Friday April 18th, at his home in Clementsvalle, of Albert S. Brown. He was born at Digby Neck, in 1846. In his early manhood he married Nettie Millner, who predeceased him about fourteen years ago. In 1916 he married Jennie Coombs, who survives him. He also leaves to mourn their loss, seven sons, and four daughters, Maynard and Chipman, who live at Clementsvalle, William at Ipswich, Mass., Arthur and Walter at Bear River, Frank at Virginia, Howard, Maine, Mrs. Samuel Wright, Virginia, Mrs. R. J. Baird, Clementsvalle, Mrs. John Wright, Prineedale and Mrs. Russell Durkee, Yarmouth, besides thirty grandchildren and three great-grandchildren, also a sister Mrs. Amanda Sanford. He was for many years a popular mail driver, between Clementsvalle and Clementsport station. The funeral service on Sunday afternoon in the Baptist church was conducted by Rev. George Durkee of Springfield.

Mrs. John Henshaw.

On Sunday evening, April 6th, Jemima Henshaw, wife of John Henshaw, of Deep Brook, passed away, age 80 years and 8 months. She was a daughter of the late Joseph and Mary Ann Chute of Clementsvalle. At the age of 15 years she was baptized by the late Rev. Aaron Cogswell in the fellowship of the Waldock East Baptist church. About seven years ago they sold their property and bought a home in Deep Brook, where she lived an earnest christian life until the summer came, calling her to her Heavenly home. Mrs. Henshaw was one of those rare spirits, beloved and admired by all. Her christian life was so truly beautiful, so sincere, so real, that no earthly monument need be erected to her memory. Her life work was largely confined to her own home. She was the mother of 15 children. While the temporal needs were so well cared for the christian admonition was not lacking. The joy of her life was in seeing her children confess Christ and unite with His church. The funeral service was held on Friday afternoon April 11th, at the Deep Brook Baptist church, conducted by her pastor, Rev. I. D. Little. The pastor chose for his text, Psalm 23, Verse 4: "Yea though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me." The choir from the Bear River Baptist church rendered appropriate music. "We'll Never Say Good-bye in Heaven," "Beyond the Smiling and the Weeping," "God Will Take Care of You," and a duet by Mrs. Ralph Purdy and Kenneth Anthony, "My Only Hope." She leaves to mourn their loss an aged and grief-stricken husband and 13 children, eight of whom were present at the funeral, seven sons and six daughters, namely: Capt. Herbert A. Henshaw, port Captain New York; Joseph E. Henshaw, Deep Brook; Mrs. Charles M. Read, Concord, N. H.; Warren H. Henshaw, Hartland, Vt.; Mrs. Avaril Burrill, Deep Brook; John B. Henshaw, Salem, Mass.; Fred L. Henshaw, Windsor, Vt.; Mrs. John Wear, Reading, Penn.; Wallace L. Henshaw, Salem, Mass.; Miss Jennie Henshaw, Cleveland, Ohio.; Mrs. Charles Hough Springfield, Mass.; Mrs. Carey Morgan, Landsdown, N. S.; also two brothers, Judson and John Chute of Bear River, and three sisters in United States. Interment took place in the Methodist cemetery at Clementsport. The underbearers were John, Loren, Edgar and Howard Adams.

Mrs. John Henshaw.

On Thursday evening, April 10th, Willard Armstrong Berry, son of the late Silas and Mary E. Berry passed away at his home in Bear River, age 53 years. He had been in poor health for about a year but during the weeks previous to his unexpected death the family had held out strong hope of his recovery. However, instead of renewed health without suffering or fear he peacefully passed away in the sure hope of a glorious immortality. When a young man he was converted and baptized by the late Rev. D. H. Simpson into the fellowship of the Bear River Baptist church. He was a man of quiet and retiring disposition and was held in very high esteem in this village and neighborhood where he lived. A very large and impressive funeral service was held at his late home on Sunday afternoon conducted by Rev. R. S. Gregg. The pastor chose for his text Psalm 90 Verse 12: "So teach us to number our days, that we may apply our hearts unto wisdom." Music was rendered by the Church Choir, "Rock of Ages," "Son of My Soul" and "Abide With Me." This was the first death in a large family of children in 36 years. Four brothers and five sisters survive him, namely: T. W. Berry and Jesse C. Berry of Boston, Mass.; George D. Berry of Odesa, Florida; Wallace W. Berry of Bear River; Mrs. R. S. Chute and Mrs. H. E. Snell of Bear River; Mrs. N. A. Shepard of Minneapolis, Minn.; Mrs. Leland E. Sherman of Deep Brook and Mrs. W. W. Raymond of Owaneta, Florida. The underbearers were O. A. Eisner, J. L. Warren, Ernest Davis and Boyd Rice. Interment took place in the family lot in Hillside Cemetery, Bear River.

Mrs. Grace E. Mills.

The death of Grace Evelyn, wife of Guy W. Mills of Arlington, Mass., occurred at her home, 178 Appleton street, on the evening of Thursday, March 27th. The funeral was held at 2:30 Sunday afternoon, with Rev. Harry E. Hurd, pastor of the Congregational church, officiating. Burial in Forest Hills cemetery.
The late Mrs. Mills was born in South Boston, February 9th, 1890, a daughter of George A. and Bella (Rich) Withers. When quite young her parents removed to Granville Centre, her fathers old home, here she grew up to young womanhood, and nine years ago was married to

PAINFUL SCIATICA AND NEURALGIA

Caused by Starved Nerves Due to Weak, Watery Blood.

People think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve in the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease is the same, and the remedy to be effective, must be the same. The pain, whether it takes the form of sciatica or whether it affects the face and head, is caused by starved nerves. The blood, which normally carries nourishment to the nerves, for some reason no longer does so and the excruciating pain you feel is the cry of the starved nerves for food. The reason why the blood fails to properly nourish the nerves is usually because the blood itself is weak and thin.

When you build up the impoverished blood with Dr. Williams' Pink Pills, you are attacking sciatica, neuralgia and kindred diseases at the root. As proof of the value of Dr. Williams' Pink Pills in cases of this kind we give the statement of Mrs. Marion Bell, Port Elgin, Ont., who says:—"Some years ago I was attacked with sciatica in my leg and hip. The pain was excruciating and finally I was forced to go to bed. Apparently the doctor could do was to give me drugs to dull the pain, as otherwise I found no relief. I had been in bed with the trouble for eight weeks when a lady who came to see me said that she had had a similar attack, and had only found relief through the use of Dr. Williams' Pink Pills. I decided at once to try this medicine, and before I had taken more than three boxes I found relief. I continued the use of the pills and under the treatment the pain left me. I was able to walk again, and have not since had the least return of the trouble. I feel that Dr. Williams' Pink Pills have been of such great benefit to me that I strongly urge similar sufferers to give them a fair trial."

You can get these pills from any medicine dealer or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ST. CROIX COVE.

Miss Florence Marshall has returned to North Williamston after spending the winter at the home of her parents.

Miss Lottie Marshall spent a week at the home of her sister Mrs. Fred Charlton, Mt. Rose.

Miss Nora Thurber is spending the Easter holidays at the home of her parents, Freeport.

Mr. and Mrs. Johnson Beardsley, and two children, Port Lorne, were recent visitors at the home of her parents, Mr. and Mrs. Z. Hall.

Mrs. Naomi Banks, has returned home after visiting relatives at Mt. Rose.

Mr. and Mrs. Vaughn Poole and baby Irene Hampton, were recent visitors at the home of Mr. and Mrs. B. Poole.

Mr. Melbourne Charlton Port Lorne has been making an improvement on the church here this week.

The peanut is considered to be a native of Brazil, whence it was introduced into Europe shortly after the discovery of South America, and from there it has been carried by man to nearly all warm climates throughout the world.

Guy W. Mills formerly of this place. Converted in early life she was baptized by Rev. W. H. Warren and united with the Baptist church at Granville Centre. Of a sweet retiring disposition, she made many friends, who regret to hear of her early demise. For a number of years she had been in poor health, everything that could be done to arrest the progress of the disease was done by husband and parents, but her life work was ended, and her early going home is another reminder to us of the uncertainty of life.

Besides her husband she is survived by a little daughter Evelyn, seven years old, and her parents, who deeply mourn the passing of their only child.

The heart-felt sympathy of many friends is extended Mr. Mills and Mrs. Withers in their sorrow.

Large Percentage of Accidents Preventable

Mr. E. A. CUNNINGHAM, efficiency engineer, Canadian Pacific Railway, who is also chairman of the Traffic Section, Province of Quebec Safety League, referring to the terrible toll of deaths from street accidents during late years, said that the study of safety is not a matter only for large corporations, or industrial firms, but is as broad as the nation itself. "The practice of 'Safety First' on the railways," said Mr. Cunningham, "has necessarily developed into a complex study in which each individual must play his part." Observance of rules for safety, everywhere, and under all conditions, concerns not only employers, employees, and their families, but everybody with humane principles, and every consumer of the products of industry. "Safety First" might with advantage be in the thoughts of everybody in this city and province. The heavier the casualties, in mines, factories, shops, department stores and office buildings, the larger the insurance and damage bills. This is reflected in taxation and in the price of every manufactured article. Those who have inaugurated, with such outstandingly meritorious success, the various Provincial Safety Leagues rightly summon every industrial, civic, educational and social organization to co-operate towards the prevention of the great human waste that now occurs. We are told on high authority that there is a very large percentage of accidents preventable. Precautions are being very rigidly observed by the Canadian Pacific people, which is best exemplified by the record of "crossing" accidents for the last three years in the Quebec district—an analysis which proves that while there have been many regrettable accidents, those that could be attributed to neglect or carelessness of railway employees have been negligible. Campaigns of safety are being carried out in many ways, comprising talks to employees, under the St. John Ambulance Association.

ROD AND GUN.

The first part of an actual timber surveying trip in Northern Ontario is given in the May issue of Rod and Gun in Canada by T. A. Higgins, dealing with every phase of the work, while G. P. Sladen has a good story on a novel canoe trip in May with the snow still on the ground. "Rushed by Grizzly" is an exciting account of a perilous adventure by John Cook, and Mark G. McElhinney gives an interesting description of his trip to beautiful Banff Park. The sneaking wildcats along the Clyde River, Nova Scotia, give Bonnycastle Dale subject matter for a well written article, while "A Wild Goose Chase in Newfoundland" by E. Gallop is an unusual and well told story. H. W. Fry continues his series on shooting from the practical article on making small game and targets on the "go" easy, for shooters. The daring adventure of Captain Doudera the man who went after timber wolves in the north in winter makes fascinating reading, and all the regular departments are well stocked with interest in preparation for the summer season. The May number of Rod and Gun in Canada contains some phase of practically every sportsman's interest.

THE ROD AND THE CHILD.

London Times: There are two schools of thought on the right method of teaching. One emphasizes the activity of the teacher, the other that of the taught. To the older school knowledge is something to be driven into the child, precept upon precept, line upon line. The later theory holds the capacity of some sort is latent in every brain, and that the work of the teacher is to discover that nature of that capacity and to encourage its development. At present the modernists hold the field, as may be seen from the popularity of such subjects as the Dalton Plan, individual work, terminal assignments, and the magic name of Mme. Montessori. To the student of educational history such things are not so new as they sound, but they are none the worse for that. At all events, it is good to get away from Orbilius and the idea that "it does not matter what you teach a boy so long as he hates it."

The balance wheel of a watch revolves 18,000 times an hour, which means that it travels about 2,500 miles a year if constantly in use.

WANTS TO HELP OTHER WOMEN

Grateful for Health Restored by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for backache, nervousness and dizziness caused by my condition. Sometimes I felt so bad that I couldn't do my household work. My neighbor told me of your medicine and I read about it in the 'Toronto Telegram' and thought I would take it. I got very good results. It built me up and I have had several friends who it has done for me. You may use this testimonial as it may be of help to some one who has suffered as I have."—Mrs. J. Linn, 25 Harvie Ave., Toronto, Ont.
Women suffering from female troubles causing backache, irregularities, pains, bearing-down feelings and nervousness should take Lydia E. Pinkham's Vegetable Compound. Not only is the worth of this splendid medicine shown by such cases as this, but for nearly fifty years letters like this have been received from thousands of women.
You might be interested in reading Mrs. Pinkham's Private Text-Book upon the "Ailments of Women." You can get a copy free by writing the Lydia E. Pinkham Medicine Co., Cobourg, Ontario.

HAS MIRACULOUS ESCAPE.

A miraculous escape from death was experienced by Thomas Wilde, an electrician at the Dominion Iron and Steel Company's steel plant at noon Tuesday, when he fell 50 feet to the floor of the plate mill.

Wilde at the time was making some electrical repairs to a crane used in the plate mill by the car repairers and in some manner he lost his balance and crashed to the steel mill floor beneath, where he was picked up by fellow workmen.
The ambulance was called immediately and Mr. Wilde was removed to the emergency hospital where he now lies suffering from a serious injury to his back and a bad scalp wound.

It was at first thought that his back was broken by the fall, but his medical attendants believe this is not so. On Wednesday morning he was reported by the emergency hospital to be doing fairly well. He will be laid up for some time as a result of his injuries.

MAGIC BAKING POWDER
PRODUCT OF CANADA
We recommend this as Canada's perfect baking powder.

DOES NEWSPAPER ADVERTISING PAY?

This has come to be a superfluous question among men of business. There was a time when to have declared boldly and out loud in a public place that it paid to advertise in the newspaper would probably have stirred up a chorus of dissenters, but today advertising is better understood. All advertising is good; some advertising is better; but the very best advertising on the face of the earth is that which slips into the home own paper and goes direct to the home. To be sure, the best bit of soil requires something more than merely dropping the seed into the ground. Give your newspaper advertising its due co-operation; have your copy properly written—and if you are not sure you can write it so it will get results, have someone who knows how to write it, and newspaper advertising will do its full share every time.

28,984 SOLDIERS ON FARMS.

Number of Settlers Increased by 8,541 In Two Years.

During the two years ended March 31, 1923, there was an increase of 3,541 in the number of Great War veterans who have taken up farms under the Soldier Settlement Board, according to the annual report just tabled in the House of Commons. At March 31, 1921, the total was 24,443, and at the end of the last fiscal year was 28,984, of which total 22,626 have been granted loans, and 6,358 have settled on Dominion lands and have not asked for financial assistance.

The sum of \$94,733,547.59 has been paid to the 22,626 soldier settlers, that sum being divided as follows: To purchase land, \$56,354,485.02; to remove encumbrances, \$2,209,236.69; for permanent improvements on land privately owned by settlers, \$8,198,841.67; to purchase stock and equipment, \$26,589,715.75; to Indian settlers, through the Indian Department, \$380,870.46. Of the 22,626 settlers who have received loans, 4,042 are on free Dominion lands with loans, 2,250 on privately owned land, and 16,334 are on purchased lands.

The general average loan per settler is \$4,187; that on Dominion lands is \$1,800; on privately owned lands the average loan per settler is \$4,987; the average loan for purchase of land is \$8,168; the average loan for removal of encumbrance is \$995, and the average loan for permanent improvements and stock and equipment is \$1,778.

Except for certain interest exemptions passed by Parliament, the amount outstanding is subject to an interest charge of five per cent. per annum. During the past year, says the report, there has been a diminution in the number of settlers who have given up their effort. The year 1921 was the most difficult for soldier settlers. From the inception of the work to March 31, 1920, 1,270 cases of abandonment were reported. During the fiscal year 1921-22 there were 1,372; in 1922-23 there were only 743 cases.

A large amount of work has been entailed in the resale of lands which have reverted to the board. Thirteen hundred and six parcels of lands with an area of 69,544 acres have been sold, with a considerable margin of profit, at a time when the demand for farm land has not been great.

During the calendar year, 1922, the value of crops produced by 18,216 soldier settlers only, on whose farms it was possible to collect data, was \$15,966,202.67, and the total value of the live stock held by those settlers was \$13,298,397.40. These values, respectively, by provinces, follow: British Columbia, \$2,092,079.51 and \$1,262,207; Alberta, \$2,900,545.86 and \$4,020,968.20; Saskatchewan, \$6,022,413.08 and \$3,957,903.40; Manitoba, \$2,678,078.98 and \$2,112,272; Ontario, \$1,187,052.41 and \$1,104,187; Quebec, \$245,589.19 and \$235,233.20; New Brunswick, \$356,701.80 and \$252,843; Nova Scotia, \$268,450.92 and \$225,105.50; Prince Edward Island, \$132,251.13 and \$127,648.

COME TO THE HOME OF EVANGELINE IN COOL NOVA SCOTIA.

For your holiday this year come to the lovely land immortalized by Longfellow—Evangeline's country in Nova Scotia, 17 hours pleasant sail from Boston—24 hours by train from Montreal.

Cool Yarmouth with its fine golf course, Metegan people by Acadians, Digby, the Brighton of Nova Scotia, Annapolis Royal with its ancient fort, Historic Bridgetown, Kentville with its running waters and leafy seclusion. Canning with its luxuriant foliage. Blomidon with one of the magnificent views of this continent. Wolfville, with its golf course, one of nature's beauty spots. Historic Grand Pre where Evangeline lived, Windsor, with its great tides and exquisite scenery, the home of Sam Slick, 100 Miles of apple orchards, Gamey trout and salmon—no preserved waters. Moose hunting and bird shooting in season. Surf-bathing. Rejuvenating climate.

Excellent seaside motor roads wind through and ever-changing panorama of entrancing mountain and valley scenery, oil and gas stations everywhere. Three months touring without registration.

Spend magic days and cool nights in Nova Scotia this summer. Ask us about Nova Scotia. The Nova Scotia Publicity Bureau Halifax, N. S.

LITCHFIELD

Miss Greeta Hamilton arrived home from Boston on Friday last to remain the summer.

The members of the B. Y. P. U. are busy practising for an Easter concert. Mr. James Thorne, of Karadale, was in this vicinity last Saturday. Glad to report Capt. Eddie Duker-shire recovering slowly from his attack of acute rheumatism. Very cold and backward at time of writing, altho the lobster fishermen are kept busy getting their traps ready for the water while some are finding fairly good hauls.

D-U-S-T-S.

Blue and Green

Made by the Deloro Chemical Company, under the Sanders Patented process.
These Dusts were widely advertised and tested in 1923 with the result that a 400 per cent. increase in their use is already assured for 1924.
One grower writes—"In 1922 my orchard sold for \$100.00 and was scabby and wormy. In 1923 I used Sanders Green Dust and got a return of \$7000.00 from the same orchard, and my fruit sold for the highest in the Hudson Valley."
Deloro has already sold six carloads of Dust to the United States, paying a duty of over one dollar per 100 lbs, making a profit and taking business away from U. S. Concerns. This shows Deloro's position as a dust producer and the value of the Sanders process.
Sanders Blue Dust is identical in appearance with the old mixed Bordeaux Dust.
Used successfully in 1923 and recommended by such Nova Scotia growers as F. H. Johnson, Hillcrest Orchards, Murray Elliott, B. M. Hudgins, W. E. Brown, R. A. Jordrey, etc.
On sale in Nova Scotia at the same old reasonable prices through the United Fruit Companies.
Specify Sanders Dust, in ordering

DELORO, ONTARIO, CANADA.

OFFERS A FORTUNE TO WANDERING BOY

Montreal.—"Such is life," said a 14-year old Campbellton, N. B., wanderer detained at Juvenile Court headquarters, and whose name is not made public, when he was told he might be made heir to an estate of \$25,000. "I've had my ups and downs."

Last week he arrived in Montreal without a cent in his pockets having run away from the people with whom he lived in Campbellton, and not knowing the whereabouts of his father, said to be an invalid, for whom he had searched without success in Quebec. He had nothing to eat and no place to sleep. He wandered about the city, chilled by the lamp winds of spring and soaked by April showers.

This week he is the prospective heir to an estate worth about \$25,000. An elderly widow who loves children, though she has none of her own, reading the story of his hardships, wishes to adopt the youth. In making her application to Juvenile

Promotes vitality, builds up energy, cures weakness.
SCOTT'S EMULSION

BY GOLLY.

An old resident of Alaska had never seen a motor car. One day he was astonished to see one go by, but was dumfounded when it was followed by a motorcycle.

"Gee, whiz!" he said, "what a s'posed that thing had a colt!"
Court authorities the woman stated that she had no one to leave her property to. If she took the boy, she said, and he behaved himself, she would make him her heir.
This application to the Juvenile Court for permission to adopt the boy is only one of many that have been made on his behalf.
No decision has yet been made. Police are attempting to locate the boy's missing relatives.

LINGERIE.

A French word is "Lingerie," I saw it first in print. The pictures all about it of its meaning give a hint. "A Sale of Dainty Lingeries," the mammoth store announced.

ALL IS VANITY. O'Connell Tribune: The Ministers of the Labor Government appeared the other day at the first royal levee at St. James Palace in blue coats, gold lace, swords, glass shoe buckles and all the garb of ceremony.

THE CANADIAN RED CROSS SOCIETY, NOVA SCOTIA DIVISION.

The Annual Report of the Nova Scotia Division of the Canadian Red Cross Society for 1923 has just been issued. It is an interesting booklet of 44 pages and presents a good appearance.

The Report contains the Minutes of the Annual Meeting which was held February 26th, 1924, together with full reports from all officers and departments of Red Cross work.

The Report of the Veterans Workshops, which has been in operation in Halifax since July 1923, is illustrated by two full pages of cuts of the Shop on Robie St. Over 30 ex-soldiers, whose pension is not enough to give them a livelihood have been employed, and have by this employment become independent.

The Report of the work at the Port Nursery, Pier Two, is also illustrated by two interior views. Thousands of immigrants to Canada will always remember the kindly welcome and assistance rendered by this voluntary committee of Red Cross workers.

This Annual Report, besides more definitely covering the work of the Division than in former years, has an added interest in that it has reports from Counties and Branch Societies. In subsequent reports these will be much increased as the provincial organization becomes more effective.

TO MAKE IT EASY FOR NEW SETTLERS

Give Them Chance to Secure Farms For Little or no Capital.

Ottawa, Ont.—The problem of the intending farmer who arrives in Canada with little or no capital is occupying the land settlement branch of the Department of Immigration just now. A statement issued by Hon. J. A. Robb, says that recent surveys of the situation in Canada have disclosed that in many communities there are farms equipped with habitable buildings which can be had on very nominal first payments or without any cash deposits at all.

In many cases there are settlers in the same district who are willing to lend machinery to new comers in exchange for labor. By taking advantage of these circumstances, it is believed that the road will be opened to a considerable number of British and European settlers with a knowledge of agriculture who find themselves with little capital at this time.

Twenty-eight days are required to hatch the eggs of a turkey.

MOST COMPLETE VESSELS BUILT

Fire is Not Used or Needed on Four New Ocean-Going Dredges.

The four new ocean-going dredges designed by the United States Engineering Corps to clean American harbors of sand and silt are said to be the only human habitations since the dawn of civilization in which fire in some form is not used or needed.

Each vessel is 288 feet long and is propelled by electricity from generators driven by oil engines. All control is direct from the bridge, without reference to the engine room.

Fifty-six electric motors operate the dredging machinery and do all the work of the ship—from weighing the anchor to driving the electric fans that ventilate the crew's quarters.

Enter at Any Time

Our classes remain open all summer. Our instruction is individual so you may enter as soon as convenient. For complete information, send for catalogue.

FISHERMAN EARN \$79.55 IN A DAY

Lockeport.—R. Collishaw has the distinction of making the highest earnings ever made in one day's fishing in a gasoline boat by a Lockeport fisherman. On Friday last, he brought in 4,200 lbs. of fish and stocked \$79.55. Other boats on the same day also did well, making from \$20 to \$40 each.

Relieves Dyspepsia

M. D. advises: "Persons who suffer from severe indigestion and constipation should take after each meal and at bedtime, fifteen to thirty drops of the Extract of Roots known to the Drug Trade as 'Mother Selig's Curative Syrup.' Get the Genuine."

Quality Plus. When you buy King Cole Tea you expect quality. But you also look for something more—for a certain taste that is pleasant to you, and that will be repeated in every cup you make. The quality is produced in Nature's Garden; but the taste is the outcome of expert blending which gives King Cole its characteristic rich flavor—the flavor you like. "You'll Like the Flavor."

REGULARITY IN TRAIN SERVICE

People who travel as a rule dislike long waits for trains to arrive, or late arrivals at their destination. This is one line of effort which our Dominion Atlantic Railway is seeking to improve. The record of the past month will show that the travelling public here have little to complain of in irregularity of service as their trains are making exceptionally good records.

During the month of February the passenger trains on time showed a splendid record of 94% out of a possible 100%. This was even better for the month of March with the record average of passenger trains 94% on time, being an improvement of 1% over the previous month.

It will be a matter of pride for the railway to continue to keep up this good record and improve it if possible. With the prospects of a heavy summer visitor travel those who desire to come to Nova Scotia for their vacation will be pleased to know they can expect a well equipped Bluenose service and regularity in arrival of trains with very few exceptions.

CITIZEN OPPOSE PROPOSAL TO STOP PORT WADE BRANCH

Petition to Minister of Railways Presents Six Arguments Against Discontinuing Service.

Granville Ferry.—A petition addressed to the Minister of Railways, against the proposed discontinuance of service on the Middleton-Port Wade branch of the C. N. R., has been signed by a large number of citizens. The petition submits the following considerations:

- 1. "The Government has at the present time given favorable consideration to the construction of Branch lines in the West and in the Maritime Provinces, which cannot be an immediate source of profit for the accommodation of certain areas. The Branch line which our petition refers to has been an accommodation to a large population for a period of over twenty years. Its removal will be a hardship on this population."
2. "There have been a number of apple packing houses constructed on this section of the road. The closing of all service will make these a loss."
3. "At Port Wade is one of the largest and best deep water piers in the province of Nova Scotia. Withdrawal of all maintenance will mean destruction of the road and pier."
4. "It is not proposed that the service be discontinued between Middleton and Bridgetown. The cost of maintaining a weekly service from Bridgetown to Port Wade would be more than compensated for in the benefit to the locality."
5. "It is a step backward."
6. "The municipality of Annapolis is interested in the road."

KENTVILLE GAME ASSOCIATION FORMED.

Kentville.—A Game Association was formed in Kentville to be known as the Fish, Forest and Game Protective Association of Kentville and vicinity. The meeting was largely attended and enthusiastic.

Addresses bearing on the subject were given by R. W. Tufts, Wolfville Migratory Bird and game officer; and J. E. Hales, Wolfville, who told of the work their Association was doing at Wolfville and surrounding country. The Association is formed on lines similar to the Wolfville Association.

A resolution was passed supporting the Bill now before the Legislature prohibiting the sale of Moose Meat for the next three years. The officers elected were as follows: President, H. Oyley; Vice-President, C. W. Fair; Secretary-Treasurer, J. R. Webster; Executive of six members, J. H. Cox, Cambridge; K. L. Pines, Ralph Redden, W. E. Webster, E. H. Dodge, Kentville, and Aincer Corcoran, South Alton.

CLEMENTSVALE.

Miss Lola Cossaboon of Clementsvale, spent her vacation with friends in Bridgetown.

Mrs. Alice Bell who spent the winter in Bear River, has returned home.

Mrs. Russell Durkee of Yarmouth, who was called home on account of the illness and death of her father, Mr. Albert S. Brown, returned Monday.

Miss Dorothy Simpson of Victoria, is visiting at Mr. Wm. Dunn's.

Miss Mabel Long of Annapolis has returned home for a short time.

Miss Mary Simpson of Lequille, spent part of her Easter holidays with her sister, Mrs. Ralph Potter.

Mr. Percy Burrill of Bear River, is spending a few days with his sister, Mrs. George Long.

Mr. A. L. Danielson made a short trip to St. John last week.

Miss Louise Woodland, graduate nurse of Plymouth, Mass., who has been staying at Mr. A. S. Brown's for the past four weeks has returned to Upper Clements.

Local Happenings

The S. S. Valinda arrived on Monday with a full cargo of freight from St. John. She was delayed this trip by the unusually rough seas in the Bay.

The Cantata "From Cross to Glory" will be rendered by the choir and S. S. in the Baptist church Sunday evening April 27th at 7.30. A silver offering is requested.

At the end of a hard day's work and you return home with that play-out feeling, there is nothing quite so good for you as a cup of MORSE'S SELECTED ORANGE PEKOE Tea. It touches the right spot instantly. Within a minute you are feeling invigorated and at peace with all mankind.

Rev. P. R. Hayden pastor of the Baptist church at Berwick has been extended a unanimous call to assume the pastorate of the church here and has the matter under consideration.

The holiday season was spent quietly in town. A large number of college students were home and a number of other visitors spent the Easter season in town.

The losing team in the Curlers local competition treated the remaining exponents of the "roarin'" game to a chicken supper at the Riverside Inn on Tuesday evening. The occasion was much enjoyed.

CENTRELEA.

Miss Bruce and Miss Barteaux, of Mt. Hanley, are the guests of Mrs. Alton Messenger and Mrs. Johnson Bruce.

Miss Garmond of Middleton is the guest of Mr. and Mrs. Victor Caldwell.

Wedding bells in the near future.

Mrs. Johnson Bruce and children are spending the Easter holidays at the home of her parents, Mr. and Mrs. Gibbons at Roxville, Digby Co.

Mrs. Emily J. Hawkins arrived on Monday last from Ottawa to visit her sister Mrs. Jessie Daniels.

A birthday party was given at the home of Mr. and Mrs. Edw. Messenger on the evening of April 10th to about forty guests. The party being in honor of Mr. Messenger and Mr. Parker Whitman of Bridgetown.

Their birthdays both coming on the same day. The evening was passed with games and music and refreshments were served at a late hour. All wishing Mr. Messenger and Mr. Whitman many more happy birthdays.

A very interesting sermon was given on Sunday by the Rev. A. J. Prosser. Being Easter Sunday there was a large gathering.

Repairs are being done on our Centrelea Hall which were much needed. The work is being done by Mr. Milton Brooks which we know will be done in first class condition.

SEWING CIRCLE GOSSIP.

There was some discussion at the Sewing Circle this week about the best beverage to take on a fishing trip. The wife of the New Bank Manager said that her husband always took a large thermos bottle of LUXOR ORIENTAL COFFEE. She said that he drank it without cream and that he found it the most invigorating as well as the most delicious of any beverage he could get for use in the woods.

OBITUARY

Abel Lowe.

The death took place at his home on Church street after a short illness of Mr. Abel Lowe, an old and esteemed citizen. The late Mr. Lowe, was at the time of his death 77 years of age. A native of New Germany, he had lived there and followed his occupation as a farmer for many years, and was well liked by all who knew him. He sold his farm property and moved to Bridgetown about a year ago.

He leaves to mourn their loss wife and three daughters, Mrs. Bertha Poole, Mrs. Wallace Whyte of Bridgetown and Mrs. Isaac Thibert of New Germany, Lunenburg county, six sons John of Hemford Corner, Lunenburg; Robert and Harley, who are employed at McKenzie, Crowe and Co.; Porter and Solie of the D. A. R. station staff and Gilbert who conducts a meat business in town, and also a number of grandchildren and great-grandchildren.

The funeral took place at 2 o'clock on Saturday afternoon from his late residence on Church street and the services were conducted by Rev. Canon Underwood and his remains were laid to rest in Riverside cemetery. The pall-bearers were Eugene Foster, Ernest Foster, Clarence Young and E. J. Nichols.

The floral tributes were many and beautiful and included: Pillow from Robert Harley and Mother; Broken Circle from Bertha; Wreath—Gilbert and Flossie, Solomon and Nell, Porter and Alameda; Flowers—Earl and Bernice, Eugene and Stanley, Annie; Wreath—Mr. and Mrs. E. J. Nichols; Cross—Mrs. Holmes Leo.

The first meeting of Congress in Washington, D. C., was on Nov. 17, 1800.

UNITED CHURCH NOTES.

The Easter services all over the circuit were well attended and at each service appropriate special music was rendered. All the churches were beautifully decorated, particularly those of Bentville and Granville. The purple and white effect at Granville was most artistically worked out.

The services in town were specially arranged for Easter Sunday. Dr. Jost preached in the morning to a good congregation and the service was thoroughly enjoyed. In the evening there was a reception of a goodly number of new members followed by the Sacrament of the Lord's Supper.

In connection with the Young People's Society a strong committee has been appointed to fix up the Tenants Courts and we notice that already the work has begun.

FALKLAND RIDGE.

Robbin Wentzell who has been spending the past winter in Maine, and his wife and son of Maplewood, were recent visitors at his wife's parents, Mr. and Mrs. H. A. Marshall. They left on Monday for Aylesford, where they intend to spend the summer.

Mrs. S. Kaubach left Tuesday for Aylesford.

Burton Marshall made a business trip to Middleton April 15th.

Dea. C. R. Marshall made a business trip to New Germany April 17th. Timothy Wilson, who has been spending a few weeks at the home of E. Wagner, returned to his daughter's at Springfield.

Bernice Spronle and sister Kathleen left on Thursday for Caledonia to spend Easter with Rev. and Mrs. H. Puddington.

Mrs. E. G. Mason is suffering from an attack of neuritis.

PRINCEDALE

Mr. and Mrs. Wm. Dondale of Millford Corner are guests at Mr. Manning Dondale's.

Mr. Lester Fraser returned Tuesday from Maine.

Mr. Albert Dunn had the misfortune to cut his foot quite badly.

Mr. Chester Sanford returned from St. John Saturday.

Mrs. Annie E. Fraser, who has been spending the winter in Bear River, has returned home.

Miss Ethel Long of Powerlot spent Friday with Miss Elsie Dondale.

Mr. David Wright of Clementsvale, spent Sunday at Mr. Elder Frasers.

Mrs. Forman Wright was a weekend guest at her sister, Mrs. Helen Jefferson, Bear River East.

Mr. and Mrs. Hiltz of Kentville are guests of Mrs. Hiltz's sister, Mrs. Reginald Fraser.

WEST CLARENCE.

Miss Mildred Wheelock spent Easter with her parents Mr. and Mrs. A. J. Wheelock.

On Easter Sunday we had a record attendance of 57 at Sunday School, and are still hoping for more.

The Misses Lillian and Dorothy Saunders were visiting their grandparents Mr. and Mrs. Reed Blair, at Granville Ferry a few days last week.

Miss Thelma Kinsman, our teacher, spent Easter with her parents.

On Sunday evening quite a number of our people joined the United church at Bridgetown.

Beginning May 6th, this store will be open on Tuesday and Saturday evenings and closed Wednesday afternoons at 12.30.

The Economy in Clothes Made To Your Measure

When you order a suit of clothes from a custom tailor or he is very careful to get exact measurements. These measurements enable him to draft a pattern that will exactly fit your form. This is one of the greatest advantages the custom tailor has to offer. Just as the eyes, ears, arms and legs of each individual differ, so do individuals differ. No two persons are exactly alike. There is also some difference, and the only way to cut a suit of clothes to meet the difference is to draft a pattern to your measure. Doing this insures fit, comfort and long wear. Custom made clothes neither bind, which would cause the cloth to stretch, nor are they made too loose, which would give friction a chance to cause abnormal wear.

ORDER THAT SPRING SUIT FROM

G. O. THIES

BRIDGETOWN

GRANVILLE FERRY.

Dr. Litch president of the Home Mission Board of British Columbia, occupied the pulpit in the Baptist church on Sunday, April 13th. He was accompanied by his two nieces.

Miss M. Bancroft sang a solo "I've Finished my Work" and Miss K. Bancroft a violin solo, "Berceuse" from Josephine.

Mr. Edwin Caswell of Moncton, N. B., spent the Easter holidays with his mother, Mrs. E. D. Caswell.

Mr. Rawnsald Bond of St. John was also a guest at the same home.

Mr. and Mrs. Simon Merriam, of Truro were weekend guests at the home of Capt. and Mrs. Walter Merriam.

Miss Ruth Mills is spending a few days with friends in Bridgetown.

Mrs. Ellis of Canning is spending a few days with her parents, Mr. and Mrs. David Gilliat.

Miss Lillian Saunders and sister Dorothy of Clarence, spent the holiday with their grandparents, Mr. and Mrs. Reed Blair.

Capt. and Mrs. John Berry of Clementsport, were over Sunday guests at the home of Capt. and Mrs. Edward Berry.

Miss Freda Mills who spent the winter months in Lynn, Mass., returned home Friday.

We are very sorry to have to report Mr. William Amherst still very ill at time of writing.

In Switzerland if a child does not attend school on a particular day, the parent gets notice from the public authority that he is fined so many francs; the second day the fine is increased, and by the third day the amount becomes a serious one. In case of sickness the pupil is excused but if there is any suspicion of shaming a doctor is sent to the house.

FREE—10 Much Finer Shaves! Cleaner Shaves—Quicker with no skin irritation!

If you were paid for putting into words the perfect shave, you would probably define it as . . . "the cleanest, quickest, easiest on skin."

Because that's what 1000 men told us a really good shave should be.

Now we ask you to judge how well we've put those three requisites into a shaving cream. At our expense, we've put it up to millions of men. And, having tried it, they refuse to use any other cream or soap.

There are 5 distinct superlatives, shaving advantages, in Palmolive Shaving Cream. It cost us 13 months' work, 130 laboratory experiments, to perfect them. Now judge our work.

You'll find cream multiplying itself 250 times in luxurious lather.

You'll find that lather softens the most unruly beard in one minute—without any irritating "rubbing in."

You'll find the lather remains rich and creamy for 10 minutes on your face, if necessary.

You'll find cutting easier, cleaner, because bubbles of extra strength hold each hair erect. This is important. Finally, you'll marvel at the cool, soothed "after feel"—a result of the carefully blended palm and olive oils.

We ask your judgment on these points as a favor. Failing, the loss would be all ours. Send along the coupon for your ten free shaves.

THE PALMOLIVE COMPANY OF CANADA, Limited Toronto
