## PREFACE.

---

In presenting to our patrons our First Directory of the Town of Woodstock we hope it will meet with their approval. A thorough canvas of the town has been made, and every effort used to obtain the name of every person who should be represented in a Town Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the town has ever been made.

We have aimed to make our work a fit representative of the public spirit and importance of the Town of Woodstock, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the town.

The *Classified Business Directory* is a complete mirror of the business interests of the town, and represents it to the outside world only as a business Directory can.

The *Miscellaneous Directory* furnishes a large amount of information useful to strangers.

The Street Guide will be found of much value

Thanking our patrons for the liberal patronage bestowed on our work, we remain.

Yours respectfully,

THE PUBLISHERS.

# Sentinel-Review

DAILY AND WEEKLY,

Is the Leading County Paper of the Dominion. The weekly edition has long been recognized as ahead of all competitors, both as a newspaper and in point of circulation. Published in the Dairy District of Canada, it devotes special attention to Dairy Matters. It has been described by one the most eminent of Canadian Dairymen as

“THE UTAH HERALD OF CANADA”

IT IS WITHOUT EXCEPTION

## The Best Advertising Medium

In the Dominion, Outside the Larger Cities.

The Daily Sentinel-Review in a few years has taken the first place among the smaller dailies of the country. It is bright, newsy and ably managed in every department. It has a circulation of 1700, steadily on the increase. It is, therefore, a splendid advertising medium. The advertising rates of the Daily and Weekly Sentinel-Review are very moderate. Write for quotations. Subscription price of Daily, \$4.00 per year; Weekly, \$1.00.
