Vo MANUFACTURERS.

Having now been established in the manufacture of Musical Instruments for several years, we must acknowledge our appreciation of the kundness and fustness of the people which has tended to proper and increase our bisiness and reputation for above our expectation. We supply Organs and Melodocas made and finished in the most complete and perfect maximum, unin the best materials workness, and having each plotting only finished to workness, and having each operatument supermitteded by miss of experience. on the said trade.

We claim special attention to our Yex Collect Organs, Ro. 27 and No. 34. The Yex Collect Recurser first introduced in Canada by us in 1869, in a Reed Gryan, which took the first price at the Previncial Fair held that year in London. We have ain applied it successfully to our signle and double re of Gryan, making our "Celeste Gryans" the most popular introduces now the Canadana public. We manufacture the most popular styles, and in-troduce all the latest improvements.

THE VEHICLE OF PLANE SCALE TO SHOW THE PLANE SCALE TO

BOW STREET. WILLIAM PEYTON'S STO There is a trial invol

A CLAIMANT.

ANOTHER LANDMARK GOING. Police Office to Castle street, Leicester Square, which is now awaiting the sanction of Parliament, gives an odd jar to one's sense of the fitness of things. The same remark could not be made of any other police office in London. Bow street is not only the chief of the metropolitan offices, but by right of seniority, of old associations, and of its former exceptional position and powers, it is in a certain sense the representative of our whole system of police manifestation. The proposal for removing the Bow street alice Office to Castle street, Leicester it is in a certain sense the representative of our whole system of police magistracy. We shall hardly be able to recognise the police reports when the familiar heading "Bow street" disappears from them. The subject is not of a nature to inspire much sentiment; yet one cannot help regretting the loss of another link counceting the London of the day with the London of the past—the London of their and more than the london of the past—the london of their and mortax with the London.

great case is on, presents a study of human nature such as Hogarth might have reproduc-ed in many a moralising picture. Sinister-looking men, weedy and disreputable youth, and women who are sometimes distressed and sometimes flaunting and impudent, crowd the pavements on both sides of the way, and wraggle out into the road, as the police-van ratiles up. L'util the Police Bill of 1792, which estab-lisher. The offices at Queen square, Great

does, as regards asfety, morals, manners, and the pure administration of justice, vas imbres and interest than it had been in hive arrivation of justice, vas imbres and seven others were found guilty of inducing persons to commit burglaries, that they might get the money for their conviction; and Townsend frankly confessed to the Committee of the House of Commons that such things were requent, and that officers were "dangerous creatures." Nevertheless, there seems to be no doubt that the Bow street runers were, on the whole, a very useful, clever, and appraid their duties with greater efficiency than their successors. The red waistoost of the "runsor" was a terror to the whole ruff flauism of the metropolis; and Bow street was a two place in the morals," and the supplementation of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the metropolis; and Bow street was a two blooms of the sum of the sum

the man who told 'em, so I ought to know.

But our endorsement of Moss gave a first-class excuse to a lot of soreheads and trimmer which had formerly voted the Toy licket to vote for Moss, and it was that closed. Division of West Toronto.

I met loss of them during the oanvass.
They would tell me, with tears in their eyes, that though they had been lifelong Comservatives, still there were numerous things in Sir John's policy they couldn't approve of.
The instance, he always appointed the wrong men to office and overlooked them which had superior claims. wrong men to office and everlooked them half half with half upperior claims.

But for all that they would never demean homselves by voting for a Grit. Perish the hought.

Then I would gently insinuse that Mose was the cook's face so that she will be like.

Then I would gently insinuse that Mose was the cook's face so that she will be like.

It is said that Mrs. Harriet Beech after spending a whole year in votably noticed in the Globe. He was the addicate of the Canadian Party, of which lake was the leader, and they were going a split of from the Grits.

A cost own sails beamed on his features, and he motioned me to etand, observing, "Fit out yer pipe mon. Diman ye notice you pleased 'Noe smokin' allocod'?"

"Mr. Ecown," I replied firmly. "' The subject who is truly loyal to the Chief Magistrase will neither advise nor submit to arbitrary measures." However, I don't claim to be truly loyal, seeing I believe in Canadian independence, so I weaken.
"I have to comgratulate you on becoming one of the Canadian Lords."

"Aye, mon, but I tell ye noe its an unco satisfaction tae me to renew my political career. Has felt jits like a fish oot o' water, whiles Mackenzie an 'Blake hae been feethin' the Tories on the floor o' the Hoose, an' Me here my lane.
