INTRODUCTORY NOTE

The format of this Directory reflects the organization of the Department of External Affairs at the time of publication. Listings for the bureaux (Directors General) and Divisions (Directors) are grouped with their respective Branches (Assistant Deputy Ministers) in alphabetical order.

Departmental personnel serving outside the Department and offices of other departments and agencies located in the Lester B. Pearson Building are shown on the final pages of the Directory.

This Directory is published in English and French on alternate months.

ENHANCED EXCHANGE WIDE DIAL (EEWD)

The basic features of the new EEWD telephone system, as described below, are available to all departmental telephone users in the National Capital Region. Additional features will be available once the re-configuration of the present equipment to "touchtone" telephones is complete.

CALL TRANSFER

After advising caller to hold the line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) desired number;
- announce the call;
- hang up.

CONSULTATION HOLD

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, consult privately;
- to return to original call depress switchhook twice.

THREE PARTY CONFERENCE

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, announce the conference;
- press switchhook once - three-way conference is initiated.

NOTE: In case of misdial, busy signal or no answer, depress switchhook twice to return to original call.

TO CALL GOVERNMENT OPERATOR

Dial (or key) 100

ENHANCED EXCHANGE WIDE DIAL (EEWD)

The re-configuration of the present telephone equipment to the EEWD "touchtone" telephones is now underway in the Lester B. Pearson Building. The new telephones will give users access to many more features of the EEWD system. All personnel in the Lester B. Pearson Building are encouraged to attend a training session offered by the Headquarters Telephone Services Section (MGFT).

The basic features are described below.

CALL TRANSFER

After advising caller to hold the line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) desired number;
- announce the call;
- hang up.

CONSULTATION HOLD

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, consult privately;
- to return to original call depress switchhook twice.

THREE PARTY CONFERENCE

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, announce the conference;
- press switchhook once - three-way conference is initiated.

NOTE: In case of misdial, busy signal or no answer, depress switchhook twice to return to original call.

TO CALL GOVERNMENT OPERATOR

Dial (or key) 100

ENHANCED EXCHANGE WIDE DIAL (EEWD)

The re-configuration of the present telephone equipment to the EEWD "touchtone" telephones is now underway in the Lester B. Pearson Building. The new telephones will give users access to many more features of the EEWD system. All personnel in the Lester B. Pearson Building are encouraged to attend a training session offered by the Headquarters Telephone Services Section (MGFT).

The basic features are described below.

CALL TRANSFER

After advising caller to hold the line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) desired number;
- announce the call;
- hang up.

CONSULTATION HOLD

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, consult privately;
- to return to original call depress switchhook twice.

THREE PARTY CONFERENCE

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, announce the conference;
- press switchhook once - three-way conference is initiated.

NOTE: In case of misdial, busy signal or no answer, depress switchhook twice to return to original call.

ENHANCED EXCHANGE WIDE DIAL (EEWD)

The re-configuration of the present telephone equipment to the EEWD "touchtone" telephones is now underway in the Lester B. Pearson Building. The new telephones will give users access to many more features of the EEWD system. All personnel in the Lester B. Pearson Building are encouraged to attend a training session offered by the Headquarters Telephone Services Section (MGFT).

The basic features are described below.

CALL TRANSFER

After advising caller to hold the line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) desired number;
- announce the call;
- hang up.

CONSULTATION HOLD

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, consult privately;
- to return to original call depress switchhook twice.

THREE PARTY CONFERENCE

With caller on line:

- press the switchhook once and release;
- wait for special dial tone (3 quick beeps followed by a dial tone);
- dial (or key) the number or outside access code and number;
- when person called answers, announce the conference;
- press switchhook once - three-way conference is initiated.

NOTE: In case of misdial, busy signal or no answer, depress switchhook twice to return to original call.

INTRODUCTORY NOTE

The format of this Directory reflects the organization of the Department of External Affairs at the time of publication. Listings for the bureaux (Directors General) and Divisions (Directors) are grouped with their respective Branches (Assistant Deputy Ministers) in alphabetical order.

Departmental personnel serving outside the Department and offices of other departments and agencies located in the Lester B. Pearson Building are shown on the final pages of the Directory.

This Directory is published in English and French on alternate months.

INTRODUCTORY NOTE

The format of this Directory reflects the organization of the Department of External Affairs at the time of publication. Listings for the bureaux (Directors General) and Divisions (Directors) are grouped with their respective Branches (Assistant Deputy Ministers) in alphabetical order.

Departmental personnel serving outside the Department and offices of other departments and agencies located in the Lester B. Pearson Building are shown on the final pages of the Directory.

This Directory is published in English and French alternately every three months.

INTRODUCTORY NOTE

The format of this Directory reflects the organization of the Department of External Affairs at the time of publication. Listings for the bureaux (Directors General) and Divisions (Directors) are grouped with their respective Branches (Assistant Deputy Ministers) in alphabetical order.

Departmental personnel serving outside the Department and offices of other departments and agencies located in the Lester B. Pearson Building are shown on the final pages of the Directory.

This Directory is published in English and French alternately every two months.
