The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

The original copy was borrowed from, and filmed with, the kind consent of the following institution:

National Library of Canada

Maps or plates too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

L'exemplaire filmé fut reproduit grâce à la générosité de l'établissement prêteur suivant :

## The National Amateur Lacrosse Association of Canada

At their Thirteenth Annual Convention, held in Montreal, April 10th, 1885, adopted the following Rules to govern matches for

### THE CHAMPIONSHIP OF CANADA :

Section 1. The "Championship" shall be held from the first day of November of each year, for one year from that date, and shall be awarded the Club winning the greatest number of matches, in a series to be played between first-class Clubs.

Section 2. Clubs proposing to play in this series must announce their intention of doing so at the Annual Convention of the N. A. L. A.

Section 3. The series to consist of three matches between each first-class Club, and all other first-class Clubs, to be played as follows:—Each Club to play the Champion Club three matches, two of said matches to be played on grounds named by the Champion Club, and the third on grounds named by the competing Club. All other than the Champion Club to play each of the others three matches, the grounds for one of the said matches to be named by each Club, and the third to be named by the Committee of Management, hereafter mentioned.

Section 7. In the event of matches resulting in draws, they shall not be counted, but if they are found at the end of the season to affect the standing of any Club in the series, they shall, upon order from the Committee of Management, be played. In case any Club should tie on the whole series, they shall play off under the order of the Committee of Management. The proceeds of all such matches to be equally divided.

Section 9. Protest or complaints shall not interfere with fixed matches.

At the annual convention, held at Toronto, 9th April, 1886, Mr. Dan. A. Rose, the Secretary-Treasurer, read the annual report, which reviewed the past year's contests under the rules of the Association.

The Council considered that the want of success of the series system was due to some extent to the smallpox epidemic at Montreal.

A new rule was adopted :

“That any club making default in any championship match shall be ruled out of the series for the season.”

The next convention will be held in Montreal.

The following Officers were elected for 1886 :
