1. That this Association be called the "*Province of Quebec Rifle Association*," and shall have for its object the encouragement of rifle shooting in the Province.
2. Any person subscribing two dollars to the funds of the Association shall be a member thereof for the year in which such subscription shall be made.
3. A donation of twenty dollars in cash, at any one time, for that express purpose, or of a prize of not less value than forty dollars, to be competed for at the annual prize meeting, shall make the donor eligible for election as a life member at next annual meeting of Council.
4. Any regularly constituted Rifle Association or Corps subscribing ten dollars or upwards, per annum, to the funds of the Association shall be considered as being in connection with it, and shall be entitled to a number of memberships, for competition only, in the proportion of one for every dollar so subscribed. The Association thus affiliating is to select from its members the persons to hold such memberships.
5. There shall be a Patron and Vice-Patrons, named by the Council. (The Lieutenant-Governor of the Province of Quebec, for the time being, shall be respectfully requested to become "Patron.")

6. There shall be a President, to be elected at the annual business meeting of the Association.

7. There shall be four Vice-Presidents—one for each Brigade Major's Division—to be elected in the same manner as the President.

8. There shall be a Council composed as follows, viz :

1st. Two members from each Brigade Major's Division, to be elected annually at the business meeting.

2nd. One representative member from each affiliated Association or Corps in this Province.

9. The President, Vice-Presidents, the District Deputy Adjutants-General of Militia and Brigade Majors, for Province of Quebec, shall be members "ex-officio" of the Council. Five members of Council shall form a quorum, and in the event of vacancies occurring in the elective members, from any cause whatever, the remaining members of the Council shall have the power of filling such vacancies. All members of Council, excepting representatives of affiliated Associations, must be individual members of the Association.

10. Representatives to the Council shall be chosen by the Associations they represent, and the names of delegates when changed shall be sent to the Secretary at least one month prior to the annual meeting.

11. The Council shall, at its first meeting, choose from its members a chairman.

12. There shall be a Secretary and a Treasurer, both to be appointed annually by the Council, and holding office during pleasure.

14. The Council shall be regulated in their proceedings by such by-laws as may from time to time be enacted by them; no by-law being in any case altered or new one proposed, without at least one month's notice of such intention being given to each member of Council.

15. The Annual Prize Meeting shall be held at such time and place as may be determined on by the Council, and the prizes shall be competed for in accordance with such regulations as may be passed from time to time by the Council.

18. No alteration in the Constitution shall be made, except by a resolution duly passed at the annual business meeting or some adjournment thereof, and no such resolution shall be proposed unless a notice in writing of the terms of such resolution, signed by two members as proposer and seconder thereof, shall have been given to the Secretary one month at least previous to the annual business meeting, at which the same is to be proposed, and it shall be the duty of the Secretary to immediately notify all members of the Association of such proposed amendments, and also to post them on the bulletin board at the opening of the annual matches.

3. Extraordinary meetings shall be summoned by the Secretary, if required, by any six members of the Council; notification being sent to each member of the Council at least ten days previous to such meeting, and the requisition for the meeting and the notices to the members must state the object or objects of such extraordinary meetings.
4. The Council shall keep minutes of its proceedings at all meetings, which shall be entered in a book, kept for that purpose, by the Secretary, open to the inspection of all members of the Council, and published with the annual report.
5. There shall be a Finance Committee, consisting of three members of the Council, to be chosen at their first meeting.
6. The Treasurer shall deposit from time to time, in such chartered bank as the Finance Committee may direct, all sums of money received by him on behalf of the Association.

All expenditure for current expenses, which may be required by the Secretary, must be authorized by the signature of a member of the Finance Committee, and the Treasurer shall pay all orders duly signed in such manner. Other expenditures of a general nature are to be made only upon the authority of the Council of the Association.
8. A detailed statement of all Receipts and Expenditures shall be rendered annually to the Council by the Treasurer.

THIRTEENTH ANNUAL REPORT
OF THE
PROVINCE OF QUEBEC RIFLE ASSOCIATION.

The year past has been one of the most successful in the history of our Association. At the Annual meeting last Spring, several changes which had been under consideration during the previous year were finally settled, and the result has fully realized expectations. We have had more general interest taken in our proceedings, more competitors, better shooting, and a larger prize list, without exceeding our year's income.

PRIZE MEETING.

The total number of entries at the Prize meeting was 1433, and the average increase in each match was at least ten per cent. over the previous year. It is a matter for congratulation to note such a change, as the attendance had been decreasing for several years previously.

In regard to shooting, we find not only that the first prizes were in many instances won with higher figures, but that the general average has improved.

In the "Active Militia Match" the first three prizes were won with scores which are five and six points over the score which won the *first* prize in 1880. In the "Battalion Match" the first prize was taken with 23 points, and the second prize with six points over last year's first prize score.

In the "Association Match," in like manner, the first team prize was won by fourteen points over the previous year, and even the fifth prize score is only nine points behind it. In the "Aggregate Prize" scores we have a more pronounced view of the improvement, for they are the results of several days' shooting, through favorable and unfavorable weather; here we find an increase of seven or eight points all round.

VISITORS.

Whilst the "Battalion Match" was being shot, we had the pleasure of a visit from our President, the Hon. A. P. Caron, Minister of Militia, as well as some of the most prominent citizens of Montreal, with their lady friends, and they all seemed to take a great interest in the proceedings, which were to many of them quite novel. We hope to see them again next year taking an interest in this the most important feature of our militia.

FINANCES.

Our finances likewise show an improvement. Not only was our prize list increased by over three hundred dollars in cash, but nearly four hundred dollars was expended on the ranges, as their condition had run down, and notwithstanding this heavy expenditure, our balance on hand has hardly diminished.

All these particulars go to show that the satisfaction expressed at the improvement in the condition of the Association is well founded.

MARTINI-HENRY RIFLE.

This year we were enabled to have two Martini-Henri matches: one, optional at 600 yards, and the other at 800 yards, for Martini only, having been allowed the use of 25 Martini Rifles from the Departmental Stores, through the courtesy of the Minister of Militia. The more practice our men have with this weapon the better will be their prospects of future success at Wimbledon, as the most important match of the National Rifle Association series, viz., the "Queen's," is shot for at all ranges with the Martini rifle.

ENTRIES AND TIMING.

The system of entering before-hand and of "timing the competitors," was introduced this year for the first time, and was found to be of very great advantage. The several competitions worked smoothly; all knew when they would be required; there was no loss of time to any one, and the matches were all completed on the fourth day without any hurry, an unusual result. Another year the effects will be still better, as competitors, especially those from the country, will understand the advantages of

the system. The successful working of the telephone during the match also gave satisfaction and saved a good deal of time, and we are indebted to the Bell Telephone Company for the free use of four instruments for the four days.

DONATIONS.

We have to thank the Dominion and Provincial Governments for their continued grants, amounting together to \$2,200. Our prize list was some four hundred dollars in cash over this sum, and for this we are indebted to the liberality of some of our leading institutions, merchants, and private citizens. We received also quite a number of articles for the "Extra Series Match" from friends whose names appear in that list. This match is undoubtedly the most interesting of the series; the competition is very keen, the majority firing three times for the chance of a place, and we hope the list of prizes will be largely augmented next year. His Excellency the Governor-General again presented us with his handsome silver and bronze medals, which were won by Lieutenant Chamberlin, of the Aylwin Infantry Company, and Private Marks, of the 6th Fusiliers, respectively. His Honor the Lieutenant-Governor of the Province also repeated his gift of a handsome silver medal, which was won by Captain Thomas, of the 54th Battalion.

The magnificent cup given by Mr. Rawlings, of the Accident Insurance Company, was won by a different corps, and under the conditions will have to be shot for again next year. The Press gold medal and the Dolan cup will be also again competed for next year. The champion badge of the Association, with which goes the N. R. A. medal, for highest aggregate score, was taken by Private Marks, of the 6th Fusiliers, Montreal, and the D. R. A. medal, for second aggregate, by Lieutenant Chamberlin, of the Aylwin Infantry Company.

DOMINION MATCHES.

A good number of our members attended the Dominion matches at Ottawa, and were fairly successful as individuals, though not doing so well in the team matches.

WIMBLEDON TEAM.

On this year's Wimbledon team our Association was represented by six members: Captain Thomas, 54th Battalion; Captain Balfour, 8th Royal Rifles; Sergeant Richard, 17th Battalion; Quarter-master Cleveland, 54th Battalion; Private Rodger, 1st P. W. R.; Sergeant Ross, 50th Battalion. They all won individual prizes, and Captains Thomas and Balfour had the honor of shooting on the winning team for the Kolapore cup.

RANGES.

The arrangement referred to in last report, of leasing the long ranges for a term of years, has been carried out by the Department. We have the expectation of still further increasing the accommodation on the ranges; but we should not lose sight of the fact that the purchase of the ground is the only way to secure permanent quarters, and as year after year is allowed to pass without any decisive action, its acquisition becomes more difficult. There is one matter of improvement which seems to be the duty of the City Corporation to carry out, and that is the removal of a very objectionable drain or open sewer, which runs across the ranges from the Grand Trunk Works. This has been a long-standing annoyance to all who visit the ranges, and a menace to the health of people living in the vicinity. We understand the Health Inspector has already reported on the necessity of removing this public nuisance.

PROPERTY.

Our Association has from year to year accumulated a considerable amount of property; a detailed list has been taken this year, and accompanies the report, nominal value \$1500.

AFFILIATED ASSOCIATIONS.

A handsome badge was this year given to affiliating Associations, and on reference to the reports of the matches of these Associations, the names of the winners will be found. It has been suggested that this badge should be improved and some advantages added to it, in the form of a special match for winners, as at Wimbledon, or some free entries, as in the "Dominion."

POINT ST. C

It may be necessary to explain that under the new constitution, the report of this year's proceedings requires to be issued earlier than formerly. The annual business meeting of members is held during the matches; the Council conducts the ordinary business of the year, and it is important that representatives from affiliated Associations attend regularly, so as to have their several interests looked after.

EXECUTIVE COMMITTEE.

—o—

SUMMARY OF BUSINESS MEETINGS.

—o—

18th May, 1881.

In addition to the ordinary routine, it was decided to confer with the District Staff in regard to the repairs to the ranges, and to have the necessary work done at once.

Authority was given to issue a circular to Affiliated Associations explaining the changes in the Constitution, &c.; also to apply for the usual grants and for the loan of Martini rifles from the Government stores; to make the usual affiliations; and to publish the Annual Report at once.

A committee was named to collect subscriptions.

—

17th June, 1881.

The programme for the matches was discussed and referred to a sub-committee for final revision and publication.

Sundry expenditures were authorized and appointments made

—

9th August, 1881.

The following amendments were made to the Regulations, as published in the Prize List:

Page 20, Rule 3.—For *this year* the wearing of uniform will be enforced only in the "Battalion" and "Skirmishing" matches.

Competitors will please take notice that, in future, uniform will have to be worn in *all matches restricted to the Active Militia*.

Page 21, Rule 7—Add "Except those furnished by the Association."

Page 23, Rule c.—Add, "Battalion match excepted."

Page 23, Rule 8.—Add, "In Small-bore match, any position allowed, as at Wimbledon."

“ “ “ 500 “ &c.”

It was also resolved, “That the rule enforcing a fine for post entries or late affiliation fees shall for *this meeting* be suspended, but ‘competitors will please take notice’ that in future the rule will be strictly enforced.”

10th August, 1881.

It had been ascertained that one corps had entered for the Battalion match, not having affiliated; on enquiry, it was found that it, as well as others had been in the habit of doing so for several years past, on the strength of being members of an affiliated association.

It was unanimously resolved to allow the 54th Battalion (the only corps so entered) to fire under the conditions, but to notify their representative that this would not be allowed in future.

12th August and 19th September, 1881.

At these meetings the remaining business arising from the matches was considered and completed. Authority was given to consult with the District Staff in regard to improvements proposed on the ranges, so as to secure united action.

Secretary P. Q. R. A.

Individual membership, \$2.00.

Affiliating Associations are entitled to ten (10) members' tickets and one badge on payment of \$10.

The above subscriptions must be paid on or before the 1st of August. 25 per cent. additional will be charged after that date.

Firing shall commence each day at 9 o'clock precisely.

All firing shall be conducted under officers or persons appointed for the duty by the Executive Committee, and all competitors shall be under their authority.

NOTICE TO COMPETITORS.

1. Competitors must make themselves acquainted with the Regulations, as also with the conditions of the Match for which they have entered, as in neither case will the plea of ignorance be entertained.

2. The Executive Officers will decide disputes on the ground. Appeal from their decision may be made in writing to the Executive Committee, whose decision will be final and without recourse. Their decision to be given in writing to the Secretary.

3. When at the Firing point they must comply with all orders given by the Executive Officer, or Officer in charge.

I.—GENERAL REGULATIONS.

I.—No active Militiaman shall shoot as a member of more than one corps.

II.—No non-commissioned officer or private employed by the P. Q. R. A. for duty at the firing points or in the butts, shall shoot either for a prize or for practice.

III.—In all competitions restricted to Active Militiamen, or in which they shoot as such, the uniform of their corps shall be worn, viz.:

1. Tunic, patrol or regulation fatigue jacket.
2. Trousers.
3. Regimental head dress, or a cap cover, with or without a cap under it.

All officers of the same corps must appear in the same order, as must also all non-commissioned officers and privates, but where a duly authorized undress for officers exists they may appear in it, although the non-commissioned officers and privates may be in full dress. Waist or cross-belts need not be worn.

N.B.—For this year ONLY, the wearing of uniform will only be enforced in the Battalion and Skirmishing Matches. Competitors will please take notice that in future uniforms will have to be worn in all matches restricted to the Active Militia.

4. In competitions not restricted to the Active Militia, competitors must appear either in complete uniform or wholly in plain clothes.

Any objection on the score of a competitor's dress must be raised *before* he takes up his position to shoot.

N.B.—Cap covers or puggarees may be worn over the regimental full or undress cap, and great coats or water proofs over uniforms.

IV.—Competitors must submit their rifles and ammunition for inspection whenever required.

V.—Hair triggers will not be allowed.

VI.—Fixed artificial rests will not be allowed, except in the skirmishing match.

VII.—Competitors may use a water-proof sheet, mat or great coat, not folded up, but laid flat on the ground; but no cork beds or elbow rests will be allowed.

N.B.—Except those furnished by the Association.

VIII.—In competitions open to "Any Rifles," the competitors may wipe out their rifles during a competition, provided they do not delay the squad by so doing. In ordinary competitions, restricted to "Military breech-loaders" this will not be allowed except between the distances in the competition.

IX.—When a muzzle-loader is used, the competitor must load in view of other members of the squad, but he must not cap until about to fire.

X.—When a breech-loader is used, the competitor must not load until he has taken his position at the firing point, and the register keeper has given the word, "all clear."

XI.—Competitors may "blow-off" in the pits at the firing points only, before firing, and after the presentation of a "blow off" ticket to the register-keeper.

XII.—Slings may be used as an assistance in shooting for all prizes, but when the competition is restricted to military breech-loaders the slings must be of the Government length and pattern, white, brown or black, and attached to the rifle as in Government arms.

Any competitor challenging a shot shall deposit the sum of twenty five cents with the officer in charge at the firing point, which shall be forfeited in case no hit is found on the target.

5. No one shall be allowed to join the squad after the commencement of the second competitive round.

Any person present whom the competitor may name will watch the score recorded, and if need be raise objection *before* the next shot is fired.

N. B.—The right of objection in either of the above cases only extends to the registration of score by the register keeper, and not to marker's signals.

2. Every competitor shall enter and shoot under his own name, and not oftener than once for any prize, unless specially allowed by the terms of the competition.

3. To meet the case where difficulty may be experienced in selecting the actual competitors in sufficient time to make the required entries by the 6th August, Officers commanding corps and Secretaries of Local Associations will be permitted to send in their application for (State No.) competitors, accompanying such application with the amount of the entrance fees; and to postpone the rendering of the actual names of those for whom they make the entries until the selection of the competitors is definitely made. In such case the Register tickets shall not be issued before the nominal return is handed to the Secretary. Any payment made for entries in excess of the number of competitors nominated will be returned in full, as provided for under paragraph 12, (a), Return of Entrance Fees.

4. Entrance fees must be paid at the time when entries are made.

12.—RETURN OF ENTRANCE FEES.

1. Entrance fees in full will be returned to those—

2. Claims based on other considerations than the above will, if allowed, be subject to a penalty of half forfeit.

13.—SQUADDING.

1. In the case of competitors classified as ordinary entries, arrangements will be made and details published on the range of the day and target at which each competitor will be required to attend to fulfil his engagements.

In the case of post entries, competitors must await the squadding of ordinary competitors before being assigned to any target.

14.—ALTERATION OF SQUADDING.

Any alteration which the Executive Officer may find it necessary to make will be duly notified on the notice board, and such notice shall be a sufficient authority for the change. In the absence of such notice, tickets will be available only for the target for which they were originally issued, and any erasure or alteration will cancel the ticket, unless verified by the initials of the Executive Officer.

15.—REGISTER TICKETS.

1. Should a competitor lose his ticket, or omit to take it to the firing point or fail to attend at the hour detailed, or give a wrong ticket, and so by *his own neglect* miss the opportunity of competing for the prize for which his ticket was issued, he shall forfeit his claim on the Association, and *no duplicate ticket shall be issued to him except under special circumstances.*

2. Any *erasure or substitution* of one name for another shall invalidate the ticket.

EDWARD RAWLINGS, Esq.

Insurance against Accidents is now almost as universal as Fire, Marine or Life Assurance—and very justly this admirable means of providing for one's own incapacity from the result of accident, is being so widely adopted. Any person whether he be walking, riding, driving, boating—or travelling by land or water, and liable at any moment to unforeseen disaster,—would be doubtless desirous of being pecuniarily protected should anything happen to maim or prevent him following his avocation or obtaining his livelihood.

In a word, Accident Insurance is to *yourself* what Life Assurance is to your successor—with this additional benefit, that it is to a great extent *Life Assurance as well*, while it costs very much less than Life Assurance, and in many particulars is more within the reach of the million.

The Charge is the same from 20 to 60.

There is no Medical Examination to undergo.

It may be an important consideration for many who are debarred, either by family history, doubtful longevity or insufficiency of funds, from taking out Policies of Insurance against the *natural* causes of death, to be able to, at all events, secure their families against their *accidental* death, or temporary loss of the means of subsistence, by injury arising from accidental causes; whilst those who are already assured by ordinary Life Policies will find it a very desirable thing to provide for the latter contingency—*i. e.*, indemnity against injury, which may cause temporary incapacity for business (a provision not made by ordinary Life Insurance.)

The following **new features** owe their introduction to this Company:

Non-forfeiture of Policy by reason of engaging in a more hazardous classification than that under which you insure.

Permits for Ocean Travel, which previously only covered fatal injuries, were made to cover temporary disablement as well, both on sea and while travelling in Europe.

PAYMENT OF CLAIMS.

Claims are paid immediately on satisfactory proof of injury or death.

This Company has paid over 1,250 losses, and has never contested a claim at law.

List of Claims paid can be had of any agent, or at the Head Office.

Head Office, 260 St. James St., Montreal.

A NEW TEXT!

If the Drill-Shed is rebuilt (which should have been done long ago) there will be nothing left for the orators who respond to the toast of the "Army, Navy and Volunteers," to speak about.
