and her long brown tresses, which were clotted with blood, hung loosely over her shoulders. It was by no means difficult to perceive at a glance that the woman had been foully dealt with. There was a horrible wound in the face, one bullet having entered at the back of the head. Another ball had penetrated the lett ear, and a cut in the throat also indicated that a knife had been used. The body was taken to St. Louis, but it was several days before it could be identified. Finally, however the proprietor of one of the dance-houses in the city appeared and a single look satisfied him that the deceased's name was Ida Buckley, that she had been one of the inmates of his house and that on the evening of the murder a young man dressed in gray clothes entered the house, and, after waltzing with the girl, had disappeared in her company. Time passed and still the murderer nor his motive could not be discovered. Finally, however, the riddle was solved. A trap had been set to allure the girl from the dance hall by her own relatives. Having thus secured possession of her person they became a party to murdering her, that death was preferable to dishonor to her and disgrace to them.

J. L. STEWART, EDITOR. FRIDAY EVENING, AUG. 21.

The Ring and the Regulations. Hon. Mr. Muirhead, in his speech as the Lumber Exchange, declared that he had paid a very large sum as stumpage for lumber cut by him on private lands. Now, if he can afford to pay stumpage on private lands, why can't he afford to do so on public lands? Like everybody else he will discover, when he finds that the Government is not to be controlled by the timber-land ring of which he is a prominent member, that he can afford to pay the low price that is asked.

Queen's and Sunbury County operators ask to be exempted from paying stumpage because timber is very scarce on the public lands within their reach. Now this is just the best reason they could give for the regulations the Go ernment has made. The lands have rate to protect them from speedy deswill soon be worthless, but with the restraining influence of a stumpage charge

"Liberty and a Democratic Republic" is still the burden of Senor Castelar's song. Given an uninhabited desert, Senor Castelar would be able to found an admirable Government, but the intrusion of a single Spaniard would be instantly fatal to it.

The New Orleans Pic. has examined into the status of legacies left by rich citizens to that city. It finds that of government by Mr. Gough that the lumber merchants of the Province held the Government in the hollow of their hand, and the very journalists who now take sides with the malcontents were loudest to repeat the charges of mismanagement.

What then? Acting in the interests of sides with the malcontents were loudest to repeat the charges of mismanagement. What then? Acting in the interests of the public at large, complying with repeated suggestions of the Legislature, and imitating the example of the United States, our Government has imposed a stumpage duty of 60 and 80 cents on the North Shore and southern districts of the Province respectively, and it is in resisting this duty that the lumber dealers have formed their present combination. What they expect to gain by their present procedure we fail to discover. They cannot expect to starve the government into compliance, since the latter can afford to do without the purchase money, say \$40,000, far better than the former can afford to do without the lumber, shut down their mills and break up their business. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful In-No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond

Bilious, Remittent and Intermittent Fevers, which are so prevaent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Polytheres, Mobile, Sayanga, Ro. Péarl, Alabama, Mobile, Savannan, Ro anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive de-rangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Dyspensia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Rad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
One bottle will prove a better guarantee

of its merits than a lengthy advertise-Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Screfulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Phaymentism Gout Billions, Remit-

For Inflammatory and Chronic Rhe umatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vineral Bitters occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Seurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms,

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters. thelminities will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through

cleanse the villated blood whenever you find its impurities bursting through
the skin in Pimples, Eruptions, or Sores;
cleanse it when you find it obstructed and
sluggish in the veins; cleanse it when it is
foul; your feelings will tell you when. Keep
the blood pure, and the health of the system
will follow.
