TRAGIC DEATH OF HARRY LARLEE

Found Almost Yard of Gauze in Abdomen—Other Perth News

Harry Larlee, youngest son of Mr. Harriet Larlee, and the late Amos Larlee, entered into rest after much suffering, on Friday afternoon, at the Military hospital, Fredericton, at the age of 23 years. Although not unexpected, his death came as a great shock to his relatives and friends here. A year ago the deceased underwent an operation in a hospital in Portland, Oregon, and has been gradually falling ever since. About two weeks ago he passed through another operation, but his condition was too weakened to stand the shock, although every possible care had been taken to save his life. The remains were brought to his late home here Saturday accompanied by his mother, who had been with him for several weeks, and his brother George. The funeral took place at two o'clock on Sunday afternoon at the U. B. church. The Rev. J. R. Bell, rector of Trinity church, Andover, officiated, assisted by Rev. G. Fringie of the Colony. Both spoke with deep feeling. The church was prettily decorated with flags and potted plants. A mixed quartet composed of Mrs. M. L. Wright, Miss V. Smith, M. H. Craig and H. E. Blackstone, with Miss Blackstone at the organ, sang, "Some Time We'll Understand," "Beautiful Isle of Somewhere," (Mr. Gerald Lovell taking the solo part very sweetly in this piece), "Jesus Knows and Cares," and "Safe in the Arms of Jesus." The floral display was very large and beautiful, among the flowers being: Large yellow, cream roses, Stuart and Naida Clark; bouquet violets, Gerald Lovell; spray carnations, Clayton Willett; hat bouquet, Mrs. Hattie Keeney; basket of flowers, Mr. Charles Burchell, Fredericton; spray white carnations, Misses Edna and Fannie Larlee; Jonquille and ferns, Mrs. D. S. Burpee, Fredericton; and many others. The deceased young man had enlisted in March, 1915, in the 5th Street Battery, but had never reached France. His pall was borne by six soldiers, some of whom were covered by a large "Union Jack." The bearers were, Charles Armstrong, Nowal McPhail, Clement Dionne, Clayton Willett, Burton Kelly and Walter Riddle. Between thirty and forty soldiers in khaki marched in a body to the church, thence to Larlee Creek cemetery where the body was laid to rest beside his father and brother Charles. In spite of the storm, the church was packed to the doors. Being of a very bright and sunny disposition, the deceased made friends wherever he went. He was passionately fond of music, being a very talented musician himself, and while in the hospital, kind friends loaned a victrola for his pleasure. It is with feelings of profound regret, that one and all will feel of his death. Besides his mother he leaves to mourn, one sister, Mrs. Geo. Clark, and one brother, George of Edmundston, besides a large circle of other relatives and friends. The family have the sympathy of all in their sorrow.

Mr. and Mrs. J. Willett and Mr. and Mrs. Adam Willett of Red Rapids were among those from a distance who attended the funeral. Mr. and Mrs. E. W. Larlee spent the weekend with Mr. and Mrs. G. S. Laker of Bath. The Fredericton Mail says: Harry Larlee of Perth Junction for the past four months a patient at the Fredericton D. S. C. R. hospital, died yesterday aged twenty-three years. The deceased underwent an operation at Portland, Oregon, for appendicitis about sixteen months ago. Several operations have since been made. The last one performed ten days ago, disclosed an accretion-plated gauze bandage, which when extended, measured thirty-four inches in length, which had been left within the bowel at the time of the first operation. The condition of the gauze left no doubt of the time it had been in the abdomen. Stories of sponges and gauze being allowed to remain in the body of a patient when the incision has been closed are heard of frequently from distant places, but this is the first reported instance of a discovery of the kind being made in Fredericton. The cause of the unfortunate young soldier's condition was not suspected for a long time during the period of his treatment at the local D. S. C. R. Hospital.

John Lovely of Fort Fairfield was in the village on Friday on his way to Florenceville, after which he expected to spend a few days in Fairfield, Maine. Miss Lavin Lovely of Florenceville is the guest of Mrs. Samuel Lovely. S. B. Wagh left on Monday for FIVE Fingers.

B. R. Stewart returned on Thursday from a business trip of about ten days in Moncton.

H. P. Giberson of Bath was a weekend visitor in town. We hear that Mr. Giberson expects to move his family back to Perth in the near future.

C. E. DeMerchant of South Tilley was in town on Friday.

Ernest Bragdon of Woodstock has accepted a position in the Victoria Co. News office, which was made vacant by Harry Lewis.

Perth is now headquarters for D. company, under Major Charles V. Armstrong.

The Sewing Circle will meet on Thursday afternoon with Mrs. H. M. Dickinson.

At the evening service in the U. B. church on Sunday evening, a special feature was the female quartet, which sang, "Now the Day is Over." The quartet was composed of Misses Gertrude McPhail, Vera and Fanny Smith and Dorothy Olmstead.

M. H. Craig returned on Saturday from Houlton, where he is receiving treatment, instead of going to Moncton, where he first intended to have gone.

L. R. Seeley says:

"I will challenge my horse Royal McKinney with Ben All of Hartland for any amount they wish on Fort Fairfield ice in two weeks time or sooner or with any other horse down there."

Go to it, boys!

YOUNG WOMEN AVOID PAIN

This One Tells How She Was Benefited by Taking Lydia E. Pinkham's Vegetable Compound.

Regina, Sask. - "For two years I suffered from periodic pains and nausea so I was unable to get around. My mother had me take Lydia E. Pinkham's Vegetable Compound, and I am much better and able to go about all the time, which I could not do before. I recommend Vegetable Compound to my friends if I know they suffer the same way, and you may publish my letter if it will help any one, as I hope it will." - Miss Z. G. BLACKWELL, 2073 Oiler Place, Regina, Sask.

If every girl who suffers as Miss Blackwell did, or from irregularities, painful periods, backache, nervousness, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering. It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering women than any other medicine in the world. For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years' experience is at your service.

INTERESTING NEWS FROM WOODSTOCK

What is the matter with the weather man? Did anyone ever see a nicer January day than Saturday? Some change from last winter, and very agreeable, too. The only excitement here this week was the four days session of the County Council. And, say, don't they have an elegant time at the winter meeting? Every little matter is thoroughly threshed out. The flow of oratory pro and con is wonderful. The summer meeting is not in it. But everyone is busy then and anxious to get through and away to their work. Many of our politicians got their start at the County Board and it sure is a good school.

Three county valuers were elected and out of the eleven names proposed good men were selected. The Agricultural Society gets a grant of \$1500, which it certainly deserves.

Mrs. Nettie Hand, widow of the late Dr. W. N. Hand, passed away Friday evening after an illness of only 24 hours. The large attendance at the funeral Sunday afternoon showed how much she was esteemed by a large circle of friends.

The snow storm Thursday prevented racing but two classes were run off Friday afternoon. The match race proved a win for Clarence Black with Lucky Strike. The first heat was won by College Swift in 31 seconds. However, he was not in condition to repeat and was beaten the next three heats in 31, 31½ and 33 seconds. Arrangements are being made for a return match.

There were three starters in the other class and it proved an exciting race. Allen Poole with Marquise won the first two heats in 32 and 32½ seconds, but the next three and race were won by J. H. Dewitt with Queenie Patchen in 32½, 32 and 34 seconds. Q.B.Q. was third and did not show the speed she had New Year's day. A number were over from Houlton and pronounced the track good and the racing excellent.

We hear the boys wondering how long before Hartland is going to spring Lena Maria and clean out our bunch. It is not going to be any cinch at that, as our horses are stepping good, and oh, my! but the boys are sporty.

The meeting of the Maine and New Brunswick track managers scheduled for last Thursday here was postponed and is to be held at Houlton, Tuesday. Representatives from Fredericton, St. Stephen and Woodstock are to meet with the track managers of Carleton Place, Houlton and Danforth. This looks like a good combination and should insure excellent racing as the ships are all short and all are good racing towns.

LUMBAGO

If you feel a touch of lumbago, you can ward off the evils of recurrent attacks, by taking **Gin Pills** without delay. Learn a lesson from the experience of Mr. H. A. Jukes. After suffering with lumbago for years, and being confined to the house at times, Mr. Jukes began to take **Gin Pills**. His letter to us reads, in part: "and much to my surprise, I at once felt a change for the better. I have been taking them at intervals, and, up to date, have had no recurrence of my old trouble; in fact, I have not felt better for years."

Don't delay. Buy a box on our money-back guarantee, or write for a free sample. National Drug & Chemical Co. of Canada, Limited, Toronto, Ont. U.S. residents should address: Na-Dru-Co., Inc., 208 Main St., Buffalo, N.Y.

WOMEN'S INSTITUTE

The Hartland Women's Institute held its regular monthly meeting at the home of Mrs. G. O. Britton on Monday evening. Owing to the inclement weather only about fifteen members were present. The Roll Call was responded to by a "Useful Household Hint." After the reports of the committees were heard and other business settled, an excellent program was given. The most interesting feature of the program was a debate by eight of the Hartland High School with Principal C. D. Dickson as judge.

The debate was "Resolved, that a horse is more useful than a cow." The negative won by 10 points.

A recitation was given by Miss Florence Britton, and a reading by Mrs. Allen Barter.

At the close of the meeting refreshments were served.

The next meeting will be at the home of Mrs. J. W. Montgomery, on February 20th.

The Institute would be glad to have new members at any of its meetings. The membership is now 47. The motto of the Women's Institute is "For Home and Country."

Business is looking brisk at Mr. Tapley's mill. It is running full force, and several teams are hauling logs from Burnt Land Brook.
The social committee of the Bible class may congratulate themselves on the decided success of their "Ghost" party

held at the home of the president, Mrs. Craig Williams, on Friday evening. They were very diligent and allowed no shirkers. We hardly think a "Clown" in place masquerading as a ghost, but even adults may live and learn.
We are glad to have among us again, Mrs. Earl Chapman. She is staying at

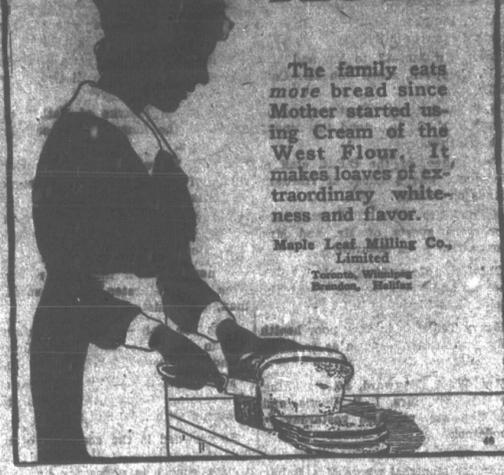

her father's for a time, while Mr. Chapman is in the employ of the Tapley Lumber Co.
Several of the residents of this place attended the Primitive Baptist meeting at Plaster Rock. They report good attendance and interest shown.
Mrs. Chapman was visiting with Evelyn Flanders Saturday afternoon and

evening.
Mr. and Mrs. Wm. A. Flanders were visiting across the river Friday.
Mrs. Brook Wilberly has taken over the business of the post office at West-er and will in future dispense the mail from that office.
Misses Purdy and Williams were visitors with Evelyn Flanders over the week-end.
Misses Tapley and Rideout, accompanied by Wendell Tapley, were skating at the Plaster Rock rink Saturday night.
Mr. Hamilton has a span of colts he is breaking in this winter, and Roy is very competent with the ribbons, consequently the young people are having a lot of sleighing parties they would not otherwise enjoy. We have heard the joke about a "sparkplug" being an old horse that is used for driving the girls. Well we are not in competition. "Nuf Sed." Mr. Hamilton very kindly took a team load again to the services at Plaster Rock on Saturday.

Dr. William Franklin Watson in
Who's Who?

"Who's Who in America," a biographical dictionary of nationally known men and women of the United States, contains quite a lengthy article on Dr. William Franklin Watson, a native of Carleton Co.
Dr. Watson, after graduation at a leading college, studied at the University of Pennsylvania and the University of Chicago and became head of the department of chemistry and later of biology. Dr. Watson is an authority on scientific subjects and his lectures have been received with much interest, and they have been of much educational benefit to those who have been so fortunate as to hear or read them.
Dr. Watson is the author of several text books, among them being "Experimental Chemistry" and "Laboratory Courses in Chemistry." He has travelled a great deal and made a tour of the world in 1913-14. On his return to America he lectured for the department of education in New York.
In addition to looking after a very considerable business interest, Dr. Watson devotes a great deal of his time to literary pursuits, enjoying one of the most complete libraries in the country.

—To Bring MUSIC Into Every Canadian Home!

The great secret of Thomas A. Edison's genius is his wish to serve mankind. This is the noble ambition which has kept his wonderful creative brain tirelessly at work through a long lifetime of marvelous achievement. Edison invented the phonograph, and spent years perfecting it, for a definite purpose—to bring music into the homes and daily lives of his fellow-men.

That is why Edison dealers are pledged to carry out the spirit of Edison's expressed wish in offering you

EDISON'S NEW! DIAMOND AMBEROLA

We want to make it as easy as possible for you to own an Amberola phonograph. No matter how little you feel you can afford to pay, we will arrange most convenient terms of payment, that will surprise you.
We will let nothing stand in the way of your having music in your home—real music, such as only Edison's own phonographs can give you.
Edison's Amberola is not to be confused with ordinary phonographs and "talking machines." It is the world's greatest phonograph value—

the "master product of a master mind." After listening to the shrill, metallic sound of ordinary phonographs, the pure tone of the Amberola is a revelation! So is the genuine Diamond Point Reproducer (no needles to change). So are the Amberol Records, which outlast ordinary, fragile records for years and years!
We want you to come to our store and listen to Edison's Amberola at your earliest convenience—today, tomorrow, soon. You will be welcome any time—so come without fail.

INTERESTING LETTER FROM FLORIDA

The following letter from Fellsmore, Florida, was written Jan. 4 and will be perused with much interest by many readers:

I thought perhaps some of your readers might like to hear something about this lovely land of fruit and flowers. Today as I write it is like our July, really and actually, too hot for comfort. One would never think it was winter here. The gardens are in bloom, peas, beans and strawberries in blossom. We have had new potatoes, beans, carrots and cabbage and will soon have strawberries. It is a beautiful sight to see the lovely orange groves and the pretty little homes, vine covered; and such beautiful flowers are found here.

Just now Florida is filled with tourists from every state in the Union, and

they make business brisk too. You have heard that old story, I suppose: a man from the north asked a southerner how they made a living. He said, "In the summer we skin alligators and in the winter we skin north-southerners," which is very true. The rich Americans are here in abundance; Thos. Edison and Henry Ford have winter homes here. Many people prefer to come here instead of going to California, as it is much nearer the great business centre, like New York and Boston. A tourist told me a rich man will pay \$100 for his winter hat in Havana. In Palm Beach and Miami the leading hotels charge from \$20 to \$30 per day—no one can live there but the rich. At Miami they have a band that cost \$1,000,000.

I visited a great packing house where they were shipping tons of fruit up north. I saw 1400 boxes all crated, ready for shipment. It has to be washed, dried, sorted and wrapped. Most of this is done by machinery. I saw three cars one day from Kentucky, Rhode Island and Vermont. Many tourists have large trucks. I saw one loaded with goods, also a crate of chickens—which to a southerner are a necessity.

The cities provide camping grounds, water and light. A large number of elderly people come here and buy little homes and spend their last days peacefully and quietly. Near us is a retired judge from Pennsylvania. He owns a little home, works in his garden and takes care of his little grove. In another direction lives a retired Chicago policeman—on the force for 30 years. He bought a tract of land and raises dahsben for a living. The dahsben is a species of Irish potato, rough on the outside and dark on the inside. Some prefer them to the Irish potato. The southern people are very courteous and polite. Even the negro lifts his hat when he meets a lady.

Rev. B.W. Sunday has just closed a campaign at Jacksonville. Hundreds have been helped and many have decided to live a better life. He urged the people to get back to the old paths and live as for eternity. A southern orator said not long since that the only thing that keeps the red flag from waving over America is the Church, and how vital it is that every Christian should be at his post. We are living in a "great age" it is true; an age of marvelous inventions, but we also live in a pleasure loving age, and there is a great danger of us forgetting to teach our young people the fundamentals of the Bible and that the church needs them and they need God in their lives.

To all our friends we send a New Year's Greeting.

Fellsmore, Florida.

Why Endure?

the weakening misery of piles in the belief that operation is the only cure. Benefit from the experience of Mrs. C. Hanson, Commercial Hotel, B. C. Get this wonderful herbal Zam-Buk to-day!

"For years I was a victim to bleeding piles," she writes, "the burning, smarting pain was so intense at times that I could hardly walk. As ordinary remedies seemed utterly ineffective I underwent a hospital operation in Spokane. Within 12 months the

PILES

grew again as painful as ever. Liniments, hot poulticing and so-called pile cures, did no good, but I got wonderful relief from Zam-Buk. As I kept on the treatment the piles began to disappear and I felt a happier different woman. I used when I was delighted to find the obstinate and painful disease quite gone. I haven't had piles now for three years."

PLASTER ROCK L. O. B. A.

Invincible Lodge No. 78, L. O. B. A. held an interesting session last Monday evening. After the regular business was dispatched, the retiring W. M., Mrs. Petchey, asked the P. G. M., Mrs. Miles Flanders, to take the chair and conduct the installation of officers for the ensuing year, which she did in her usual efficient manner. Following is a list of the officers elected: W. M., Mrs. Taylor; D. M., Mrs. Stokoe; Sec'y, Verne Jacques; Treas., Mrs. Wright; Dir. of Cer., Mrs. Ingraham; F. Sec'y, Mrs. Flanders; Chap., Mrs. Jacques; I. G., Wm. Petchey; O. G., E. Stokoe; Guard, A. Brown; Com., Mesdames Petchey, Sherwood, Campbell, Wright and Mills. The Lodge is working under difficulties, having lost all regalia and other paraphernalia in the fire when the Orange Hall was burned at Plaster Rock, and are slowly getting in line again for efficient work, which surely will be accomplished with the above excellent staff of officers.

MAPLE VIEW NOTES

The Bible Class met at the home of

Craig Williams last week. There was marked advance in attendance, 22 members being present, and good interest shown. The social committee has something good to report next Wednesday, so everyone go to Mrs. Sadler's and don't miss it.

A number of the young people of this place are taking advantage, while it lasts, of the pleasure of the ice rink at Plaster Rock.

The little daughter of Mr. and Mrs. Allen McInnis is reported better after a somewhat serious illness.

Miss Evelyn and B. H. Flanders attended the cooking party and oyster stew supper given by the Debating Club at Plaster Rock.

Mrs. W. E. Saddler entertained at tea on Sunday night. Among those present were Mrs. Witherly, Miss Burdy, Mr. and Mrs. Wm. Flanders.

Mrs. N. Wright and sons were visiting relatives here recently.

Miss Annie Cronin is visiting relatives at Plaster Rock for the week end. Miss Purdy and Miss Williams took tea with Mrs. Craig Williams last Wednesday evening.

LOCAL AND PERSONAL ITEMS

The special evangelistic services which have been conducted in the U. B. church by Evangelist H. R. Bell have been attended with apparent success numerically and spiritually. Last Lord's Day was a record-breaker in the history of the U. B. church, many finding themselves unable to obtain admission. It was generally conceded that the services had reached the high water mark for attendance in the annals of the church. "Future Recognition" was the theme of the speaker and the subject in the evening was "What would take place if Christ would come to Centreville?" The discourse was listened to with most earnest attention by the vast congregation and a number accepted Christ as their Saviour. Great interest is being manifested during this week-end each night a number take the decisive step. Next Lord's Day (and we have the word of Mr. Bell for this) he will deliver his best messages of the series. At eleven "The Two Keys, or Steps into Heaven." While the evening subject will be "Life's Cross Roads." These services are sure to be well attended and anyone desiring a place must come early.

Mrs. Leigh Warren who has been spending the last three weeks as the guest of Rev. and Mrs. H. R. Bell, left on Saturday for Fredericton to visit her brother-in-law, G. O. Warren, prior to her return to her home in Charlotte-town, P. E. I. Mrs. Warren helped materially in the song during the services in the U. B. Church.

E. A. Hoyt spent last week visiting old friends at Daboe Junction.

Miss Amber McLeary of Bloomfield is spending some time with Rev. and Mrs. Hugh Miller.

Winston Sippell of Prague, Isle, Maine, was in town on Monday.

James McKay and Miss Pearl Irvine of Mars Hill, were the week-end guests of S. W. Burt and family.

Miss Margaret Margison of Knoxford spent last week visiting her friend, Miss Addie Irvine.

Miss Veda McLeary of Bloomfield is spending the winter months with Miss Winifred Clark.

Mrs. Lawson of London, Eng., is spending the winter with Mr. and Mrs. K. J. Clark.

D. F. Cliff and daughter of Mars Hill spent Sunday with his parents, Mr. and Mrs. C. R. Cliff.

Miss Veda Davis of Bristol visited her sister, Mrs. L. A. White, at her home here last week.

Jack McEwan spent Saturday in Woodstock on business.

D. H. Burt drove up to Mars Hill on Monday.

Rev. Hugh Miller and Jack Reid were in Sackville last week in attendance at a special convocation at McAllison University.

Jack Lee is spending part of the present week attending court in Woodstock as juror.

Joe's Jolly Jass, a musical aggregation from Waterville, Maine, who are making a tour of these parts, gave a ball in the Opera House on Wednesday evening which was largely attended and much enjoyed. The local crowd of dancers was greatly augmented by parties from Florenceville and Bristol.

The same bunch play a return engagement on the 1st Thursday February.

Much interest was manifested on Saturday afternoon in the series of races which were held on the Centreville track. Large crowds attended and it

looked like a gala day in town when the race was over. Another meet has been arranged for Saturday afternoon. Come along and bring your fast horses. The track is really wonderful shape and there is no reason why a most pleasant afternoon could not be enjoyed by all.

David Reid has gone to spend the winter months with Mr. and Mrs. Phinny at Lynn, Mass.

Another car-load of excellent coal came to town last week and was distributed to needy customers, of which we are glad to report there are but few. Everyone now is well provided with the wherewithal to keep warm and cozy, no matter how snappy Jack Frost can make it. Incidentally coal-burners save the poor husband from wearing out the axe-handle with his diligence.

MRS. MARY JAMEISON

On Jan. 14 at her home in Williams-town, the death took place of Mrs. Mary Jameison relict of the late William Jameison, aged 76 years and 11 months, having been born on Feb. 13, 1844. The deceased was highly esteemed and respected, a loving and very patient mother and grandmother, always having the spirit of hospitality and kindness to every neighbor friend or wayfarer who visited her home; at one time a faithful S. S. teacher and worker in the church.

She leaves to mourn her loss, two daughters and a son, also nine grandchildren. Her son Walter of Providence, N. I. was home for the funeral, which was held Sunday. Rev. Hugh Miller spoke comforting and appropriate words from the text, "We do all fade as a leaf." The pall-bearers were John A. Watters, Robert Smith, W. L. McWald and Robert Gillies. Her grandsons, Milton, Roland and David
