Sir,—

I beg to ask the Department if the Annuity money for this Agency can be forwarded in time to permit me to commence the payments on June 1st.

My reason for wanting to commence the payments at an earlier date this year is that I am making every effort to have the summerfallowing plowed in June this year and the Indians will require their Annuity money to purchase food to enable them to do this work. I may say that there are very few sources of income available for them during the early summer months.

In order to reach here in time the money should be sent from Winnipeg on May, 31st.

I have the honour to be, Sir

Sir,—

I have the honour to acknowledge the receipt of your letter dated the 3rd instant, referring to the Annuity pay-lists in this agency for 1917.

No 37. Poormans Band. The person transferred in this case is a child the mother of which is in poor circumstances. The transfer was made at the request of the Chief and Councillors of Poormans Band and in the presence of the members of the band who were assembled for the Annuity payments.

In cases of adoption where the child is the offspring of treaty parents and members of bands includ ed in the same agency. I have not in the past submitted such cases to the Department for approval, thinking that the consent of the Band admitting the child was all that was necessary. I will do so in future if required.

No.26. George Gordons Band.

Practically the same remarks as in the foregoing apply in this case. The transfer wsa made in the presence and with the consent of the Chief, Councillors and members of the Band.

The reason advanced for desiring the transfer was that the parents of the baby had given it to Henry Bird No 26. The child was very delicate and Henry Bird and his wife have undertaken its care thereby I have no doubt saving its life.

Sir,-

I am in receipt of your letter of the 15th instant, relative to certain cases in which children belonging to your Agency have been transferred by adoption from one band to another, the circumstances of such transfers being fully known to you; and in reply I beg to say that in every case of this kind you should obtain the consent in writing of the band to which the transfer takes place, which consent you should forward to the Department in support of the action taken. The Department will allow you to pursue this course in cases such as mentioned instead of waiting to report to Headquarters in the usual way. This ruling does not apply in cases where transfer is proposed from or to a band outside of your Agency.

Action such as above indicated should be taken in the case of the transfer under No. 37 Poorman's Band and also in the case of the transfer under No. 26 of George Gordons Band.

Sir,—

I beg to enclose herewith Agency cheque No.1348 for the sum of $5-00, being a refund on account of an overpayment of Annuity on ticket No. 102 Muscowequan Band. In 1923, a man, a woman, and a girl were paid on this ticket, but the girl died after the interest payments were made this spring.

At the pay table Mrs. Pinacie claimed payment for herself, her husband who is in the Battleford Hospital, and her son who is in the Muscowequan school, and this was allowed, but on investigation I find that her son is also called Joe Williams and was also paid on his own ticket No.126. At the time of the payment no one appeared to know who Joe Williams was beyond the fact that he was in a boarding school, so that his money was held for him. Our pay lists have been changed to show only two persons, a man and a woman on ticket No. 102.

COMMISSIONER'S OFFICE,
D
REGINA, SASK., March 4th, 1925

Sir:-

At the time Inspector Christianson was at the Touchwood Agency in the Fall of 1923, he reported that there was an amount appearing in the Annuity Account in the ledger which could not be accounted for, as the treaty books had all been written up and showed that apparently the Indians had all been paid. This refers to the annuity payment of 1923, and the only way the Inspector could account for this surplus was that it either represented money that the Agent had collected from the Indians on account, or that some of the Indians at Nut Lake had not been paid, but were marked in the book as having been paid.

Mr. Moore was instructed by the Inspector to look into this matter during last treaty payment, but no Indians complained that they had not been paid the previous year. There are, however, a number of absentees marked in last year's treaty payment at Nut Lake, and probably these same parties were absent the year previous and in that case the money might belong to them.

I have had the Agent forward me a cheque for the balance, which amounts to $114.00, made payable to the Receiver General, and I am herewith attaching same. If any of the Indians come forward later on and can prove that they were not paid their annuity in 1923, a voucher can be forwarded to the Department, and I have instructed Mr. Moore, the Agent, to that effect.

Yours truly,

W. M. Graham
Indian Commissioner.

I beg to enclose Agency cheque No.28674, amounting to $33.00, representing refunds as follows,-

Overpayment of Annuity 1924 & 1925 on ticket No.49 Poorman Band,-$10.00. This ticket shows 1 woman and 3 girls, but I find that one of these girls is Mrs. Peter Kasheep No.134 Muscowequan Band and that she was paid on both tickets. The balance of $23.00 of this cheque represents interest monies credited to the account of Mrs Shewaywapiness No.61 Poorman Band, on account of Poorman Band interest distribution 1924, one share $15.00, and one share of the Long Lake Lease 1924 payment, $8.00.

This woman was not present at the pay table when the Inspector was making these payments and no one appeared to know of her, but I have since found that she was married to No.126, Peepeekisis Band, File Hills Agency, in 1923.

Sir,—

In connection with the attached voucher for arrears of annuity, I beg to furnish this woman's history as far as I have been able to gather it. Mr. J.W. Waddy of the Pas Agency states that he has verified her story as to her marriage to A.J. Fenner. Mrs. Fenner originally belonged to ticket No. 60 Nut Lake Band and was last paid in 1902. At that payment the treaty book shows the family as consisting of 1 man 1 woman 2 boys and 4 girls. They did not again appear at the pay table until 1915 when they were paid for 1 woman 3 boys and 2 girls. One girl had died during this period, one had married No. 144 Kinistino Band, Mrs. Fenner had married, and one girl had been born. Apparently nothing was mentioned to the Agent at Duck Lake when they returned as to what had become of the other three girls as I can find no remarks explaining the decrease.

In 1916 the family were transferred to the Shoal River Band on Department authority No. 173738-3D dated April 22nd, 1916, and from Mr. Ogletree I find that Kah-nee-gain-ape, widow of No. 60 Nut Lake Band and now No. 111 Shoal River Band, claims three daughters as living, viz., Mrs. Andrew Brass and Mary both at Shoal River, and Mrs. A.J. Fenner of the Pas.

I attach a copy of the arrears paid to this family and it shows that only one girl, presumably Mrs. Andrew Brass, shared in the arrears paid, so that it appears to be quite clear that Mrs. Fenner has received no annuity since the 1902 payment.

If the Department are convinced that this is sufficient proof of her claim I will add her name to the Nut Lake Band.

Sir,—

I beg ~~to report~~ that Mr. Agent Waddy of The Pas Agency has written me on behalf of Mrs. A.J. Fenner of the Nut Lake Band for whom I made application to the department on March 30th. last for arrears of annuity.

With my letter I also forwarded my voucher No. 1022-$115.00, in favor of Mrs. A.J. Fenner, representing the amount of arrears due to her. In acknowledging my letter the Department in their letter No. 3-121 under date of March 26th. 1926 stated that a cheque for $115.00 was being forwarded under separate cover, and I am now wondering whether this cheque has been lost, because Mr. Waddy tells me that Mrs. Fenner has never received it, and it has not come though this office.

Sir:-

I beg to inform you that the Touchwood annuity pay-lists have been received and examined. In future before sending the pay-lists to the Department, they should be carefully checked over as very many clerical errors have been found. For example, refer to No. 65 Muscowequan Band, six persons were paid but you omitted to place the $30.00 paid them in the money column. Under No. 93 of the same Band your pay-list shows three Indians paid $10.00 instead of $15.00. Under No. 181 Nut Lake Band you had $35.00 entered instead of $25.00.

Mr. Jean

Ottawa, March 8th, 1930.

Sir:-

I beg to refer you to the following discrepancies appearing in the annuity pay-lists accounting for payments to the Touchwood Agency Bands by D.G. Stuart, who was the Acting Indian Agent. It would appear the pay-list was not carefully checked before being forwarded to the Department as many clerical errors appear which were corrected here; for example, No. 48, Fishing Lake Band showed one person paid $10.00, whereas, the amount should have been $5.00. A similar error occurred under No. 158. No. 85, Nut Lake Band: In 1928, 5 persons were paid. This time, you have paid the same number, though a note appears as follows:-"Girl married to Bluecloud paid on this ticket." Kindly explain. No. 100, Nut Lake Band: A explanation is required regarding the payment to this family. No. 106, Nut Lake Band: At the last distribution, one woman and 3 boys were paid. This time, you have paid for 3 boys, but a note in the Remarks Column states that one boy is dead, and that the share of the 2 boys was paid to No. 200. A note in the Death Column states that the woman is dead. These entries require explanations. No. 140: At the last distribution, 7 boys were paid. This time you have paid 6 boys, stating that the girl is married to Big Head's Boy. Kindly give the Band and Band Number under which this girl is now paid. No. 169: Through a clerical error, this family was entered as one man, one woman, 2 boys and 6 girls. The correct entry should have been for 4 girls.

You can readily understand, Mr. Waddy, that errors of this kind cause extra trouble at the Department. I do not desire to place the blame on you, but the Acting Indian Agent should

March 12th, 1930.

Sir,-

I have your letter No. 3-121 of the 8th instant, regarding certain errors in the Treaty Pay-Lists for this Agency for the year 1929. Apparently all these errors occur in copying from the original pay-list, and are to be regretted in so far as they cause extra trouble at the Department. At the same time it might be remembered that Mr.Stuart, who was acting Indian Agent last summer, was here alone and the Department made no allowance for the services of a clerk to help him with the work, which in an Agency of this size is considerable. The original pay-list shows the following information in connection with the entries mentioned in your letter.

No.48 Fishing Lake Band shows one person paid $5.00
No.158 Fishing Lake Band do do do 5.00.
No.85 Nut Lake Band, 5 persons were paid 1928, 1 man 1 woman 1 boy and 2 girls. One of the girls married a non-treaty Indian named Blue Cloud and instead of transferring her to her own ticket she was paid again in 1929 on the same one, her father's, No.85.
No.100 Nut Lake Band in 1928 was paid as 1 man, 1 woman, 2 boys, 1 girl, 1 male and 1 female relative, 7 persons; in 1929 3 persons were paid on this ticket, 1 man 1 woman and 1 boy,and in the remarks column of the original pay-list it states that "1 girl married to #221; male relative paid on own ticket#219;Coocoose(a boy)paid on own ticket #220; girl(female relative)married to George Moosoof the Key Band,Pelly Agency," making a decrease of 4 persons.
No.106 Nut Lake Band should show 3 boys paid and in the Remarks column 1 woman died. $5.00 was paid to one of the boys, and $10. to Washaneepiness #200 who was looking after the other two boys.
No.140 Nut Lake Band in 1928 shows where 1 man, 1 woman, 1 boy and 4 girls were paid, 7 persons in all (not 7 boys as stated in your letter), and in 1929 on this same ticket 1 man, 1 woman, 1 boy and 3 girls were paid, 6 persons in all, and the Remarks column states that one of the girls is married to Big Head's Boy #219 this Band. No.169 Nut Lake Band shows where 1 man,

Sir:-

In examining the Touchwood Annuity Paylist it would appear that due to a clerical error there has been an interchange in the number of persons paid under the families Nos. 41 and 44, Poorman's Band.

In 1932 under No.41 you paid one man, one girl and one male relative. This time you have paid one man, one woman, one boy and one girl.

Under No.44 in 1932 you paid one man, one woman, one boy, and one girl, but this year you have paid one man, one girl and one male relative.

Kindly advise me as to the correct entries to be made in each of the above families in order that the necessary corrections may be made in the Paylist.

Memorandum — Mr. Buskard

Referring to your memorandum of the 17th instant regarding the claims made by certain Indians of the Poor Man's band, I wish to inform you that there is no provision in Treaty 4 for the payment of $750.00 to the Indian chiefs.

There is, however, a clause which states that yearly and every year there shall be distributed among the different bands included in the limits of Treaty 4, powder, shot, ball and twine, in all to the value of $750.00. I might add that the terms of the treaty are being carried out by the Department, and that the Indians of treaty 4 are receiving annually all the powder, shot, and twine which they require.

I have referred to this payment of $750.00 for powder, shot and twine as it would appear the Indians have a misconception of the purpose for which it was intended.

Dear Sir;-

I have the honor to enclose two vouchers regards arrears of annuity and interest money due a boy on ticket 18 Muscowequan Band, named Joe Pambourne.

This chap left the reserve a long time ago, he had originally been adopted by Geo. Bruce and admitted to the band by authority of letter 427037-2 April 15 1914. His adopted parent drew him money until 1926.

Joe is independent and asks for his enfranchisement, please send me documents to be signed, he does not live on any reserve, nor has he lived on any reserve since he grew up, I think he must be close to 40 years old now.

I enclose a letter received from him, I have had other letters since I found he was still alive. He has not been married.

Your obedient servant,

Indian Agent.

Re: Your 1939 Annuity Pay-list.

I wish to direct your attention to the following items in the above mentioned pay-list which require an explanation:

FISHING LAKE:

No. 206, Luke Desjarlais, was paid in 1938 for a man, a woman, and a girl; and in 1939 for a man, a woman, a boy, and a girl, with a notation on the pay-list "Girl born".

MUSKOWEQUAN:

No. 164, Francis Wolf, was paid in 1938 for a man, a woman, a boy, and a girl; and in 1939 for a man, a woman, a boy, and two girls, with a notation on the pay-list "Boy born".

NUT LAKE:

No. 248, Bill Deaf Lad, was paid in 1938 for a man, and a woman; and in 1939 for a man, a woman, and a girl, with a notation on the pay-list "Boy born".

No. 254, Alec Tipiskowkeesic, was paid as a man, with a notation "Transferred from No. 185". No. 185, Tipiskowkeesic, was paid in 1938 for a man, a woman, two boys, and a girl; and in 1939 for a man, a woman, and two boys, with a notation on the pay-list "Girl married Indian of Pelly Agency". If the man paid under No. 254 was transferred from No. 185, it would appear that No. 185 has been over-paid $5.00.

Kindly forward an explanation regarding these items at your earliest convenience; and in future, all changes from the previous pay-list should be supported by an explanation in the "Remarks" column.

Further to my letter of December 12th last, in reply to your #3-121 of December 7th, in connection with the 1939 Treaty pay-list, I have discovered that No.185 Tipiskowkeesic was apparently overpaid $5.00. I regret to say that the transfer of his son Alec to his own ticket was overlooked when payment was made to the father.

However, the five dollars has been refunded and placed to the credit of the Receiver General. Will you advise me if I should make the correction in the Treaty Book for 1939, or wait until the 1940 payment.

The amount of money required for the treaty payments will be $7.000.00, we used $6840.00 last year and will have an increase.

The sum required for expenses of treaty party are very small, I require nothing extra than the ordinary expense advance for regular travelling expenses.

I will start paying on June 4th 1941.

Dear Sir:

I wish to refer to your pay-list of June 1942. It is noted that in the "Remarks" column for No. 184, Muscowequan Band, you remark as follows:

"From No. 114 this Band." Apparently it should read "From No. 144 this Band." On the second page of the list for Muscowequan Band 40 would appear to be the correct total for the men and 40 for the boys. You have shown 39 and 41 respectively. You carried these incorrect totals forward, giving 52 and 47 as your totals, whereas the correct final total should be 53 and 46.

Please make the necessary corrections in your copy of the pay-list.

Sir:

I have your letter #3-121 of September 14th, with reference to the Treaty pay-list for June 1942.

In my copy at the Agency #184 Muscowequan Band shows as being transferred from #144 of the same Band. Apparently an error in transcription.

With regard to the Men and Boys columns in Muscowequan Band, the correct addition on the second page, according to the office copy, is 39 and 41 respectivly. *Perhaps the figure in #136, Joe Bruce, has been transposed. It should show as 1 boy. The correct totals should be 52 Men and 47 Boys.

*It was!

Dear Sir:

I wish to refer to the 1942 Annuity Pay-list as prepared by Mr. Waddy. He has made no entry whatever in the "Total" column. This leads to errors in the case of entries on tickets showing absentees.

See No. 183 Muscowequan which shows: 1 woman, 1 boy; number paid 2; amount due absentees - $10.00; "Number paid: 2" is obviously an error. The money columns, however, are correct.

See also No. 195 Nut Lake: 1 man, 1 woman; number paid 2; cash paid - $5.00; amount due absentees - $5.00. Again, "Number paid: 2" is obviously incorrect. However, the money items are correct as shown.

In future the "Total" column must be properly completed separately from the "Number paid" column.

The 1943 Treaty pay lists for this Agency have been completed. No.174 Muscowequan Band, Mark Windigo, is shown as "absent" and his share is included in the "refund" which has been placed to the credit of the Receiver General. The day after this was done, Mark Windigo turned up at the office and wanted his money, but of course I could not give it to him.

Also, No.254 Nut Lake Band, Alec Tipiskowkeesic, was away when we paid Treaty and we left his money with the Farming Instructor. He arrived back the other day and informs us there is a new baby on his ticket, born last December, which was not previously recorded.

Shall I voucher for these two shares, or will you send me the money($10.), and I will make the necessary alterations in the Treaty books? The Indian Agent is still away, so the books will not be forwarded to Ottawa until after his return.

We have for acknowledgment your letter of June 30, 1943, with reference to treaty shares due Mark Windigo, No. 174 Muscowequan Band and Alex Tipiskowkeesic, No. 254 Nut Lake Band.

It is thought the best procedure in dealing with these two shares is that you make no alterations in your paylists but at the same time or shortly after the paylists are returned to Ottawa, forward a voucher for the two shares and they will be paid from here. When you receive the cheques you may make the necessary notations in your copy of the paylists.

Inreply to Departmental letter #3-121 dated January 17, I beg to report as follows:

Phylis Pratt was more or less of a loose character, running around quite a bit and on the 24 May 1944 Mr. Christianson wrote me that he had received a Police report to the effect that she was living with Albert Bearshield, of Butte, Montana, U.S.A. It was stated that the previous winter she was working in Melville and Albert Bearshield took her away from there and paid her fare down to Butte, Montana, where they were interviewed by the Police. They had already taken out a license and probably were married at the time of writing.

Mr. Christianson stated that in view of this I could mark the girl as absent on the Treaty Books until we got a further report from the Police on this case,

At the 1944 Treaty payment it was stated she was married to Albert Bearshield and late last fall the two of them were visiting at this Agency and a child was born to them while they were staying here. When they were leaving to return to the States they stated definitely that they were married but could not produce the marriage certificate, claiming to have left it at home. In view of this, the question was taken up with the Indian office at Port Peck, Montana, and the Superintendent advised me that while these two had taken out a license to marry, at the time of inquiry, it had not been returned for recording, and they presumed that the couple never actually married.

Albert Bearshield is a son of Joe Bearshield or Tonka who for years was living on the Standing Buffalo Reserve, Qu'Appelle Agency, but who was sent back to the States two or three years ago, at least I understand he was sent back there. There was

some trouble anyway, and I understand that Bearshield [redacted] an American citizen. Under the circumstances, I find it hard to know if Bearshield is a Canadian Sioux or belongs to the States. If he is a Canadian Sioux, and the couple are married, then the wife is not entitled to Treaty money.

Regarding the $1.00 which she claims was short paid her mother, Mrs. Gilbert Pratt, I may say that the money was paid to Mrs. Pratt and she took it away and did not return until some time later after several others had been paid. The cash was checked and found correct and I am certain that she was paid the full amount due her, but possibly lost a dollar some time between the time she was paid and when she came back claiming she was short paid. The payments were double checked by Mr. Havers and myself and we are certain she was paid in full. I think the reason she tried to make trouble was because I did not pay her daughter's money.

Indian Agent.

Dear Madam:-

With reference to your letter received here January 9th, 1945, stating that you wished to receive your treaty money, please be advised that Mr. Davis was quite justified in not paying you at that time. You must submit to him proof of your marriage to Bearshield, also you must arrange to have the status of your husband definitely settled. Is he a Canadian Indian or an American Indian?

When you have given satisfactory evidence to Mr. Davis on these questions, the matter of your continuing to receive annuity payments will be decided.

Further to my letter of January 29, 1945 regarding Phylis Pratt, Day Star Band, I have now seen the marriage certificate of this girl to Albert Alexander Bearshield.

The marriage was performed by Mr. John A.Isaacson, of Great Falls, Montana, U.S.A. on June 22, 1944.

As stated in my letter of Jany 29, Albert A.Bearshield is a son of Joseph Bearshield who lived for years on Standing Buffalo Reserve, Qu'Appelle Agency, but is now living in the States.

The question is, is Bearshield a member of Standing Buffalo Band and marrying him Phylis Pratt forfeits her Treaty payments, or is he an American Indian, and in that case his wife would be entitled to Treaty.

Will you please advise me in this regard as Mrs Bearshield was not paid her 1944 Treaty and I would like to know if she is to be paid the 1945 Treaty or not.

Receipt is acknowledged of your letter of April 6th, your file No. 8705 re Phylis Pratt Now Mrs. Alexander Bearchield. As you observe, our problem is to decide the status of the husband. If you can advise as to the following points we will attempt to settle the matter here.

Are we correct in assuming that he was an American Indian before coming to Standing Buffalo Reserve? On what date did he come to Buffalo Reserve and on what date did his residence there terminate. Was he ever admitted under the proper authority to membership in the Standing Buffalo Band? You might contact the American authorities to find out whether or not he is recognized by them as an American Indian.

If this/is and always has been an American Indian, she is eligible to continue to receive treaty or upon application to commute. A decision in the matter must await positive information on the above points.

With reference to your letter 3-121 dated April 13, 1945 re Phylis Pratt, now Mrs. Alexander Bearshield regarding the status of the husband, I wrote to Mr. F.Booth, Indian Agent, Qu'Appelle Agency, who has charge of the Standing Buffalo Sioux Indians, asking if he considered Bearshield a member of Standing Buffalo Band, but have received no reply to this letter.

I also wrote Mr. F.A.Asbury, Superintendent of Fort Peck Agency, Poplar, Montana, U.S.A. asking him if he considered Bearshield an American Indian, and have received a reply which reads as follows:

"This has reference to your letter of April 24 in regard to Albert Bearshield and Phylis Pratt. The Bearshield Family are not included in the rolls of any Indian group in the United States, therefore, we consider them Canadian Indians, as do the state authorities.

Albert's father Joseph Bearshield, has had some inherited interest in land here for a mumber of years, but he is not an allottee.

Thanking you for the information contained in your letter in regard to the marriage of the above named people, I am

In reply to your letter of the 19th inst., File # 3-121, I wish to state that Albert Bearshield (Alexander) has always been considered, and still is, a member of the Standing - Buffalo Band. Albert was born on the Standing-Buffalo Reserve, as also was his father. With reference to Departmental letter #3-121, dated August 11, 1945, I regret to state that there is an error in the payment made to Gordon's Band.

Madeline Phyllis Cyr is a daughter of John Cyr,#127 Gordon's Band, and was married to Kenneth Ray McNab, #179 same band.

John Cyr's Treaty money was taken by Wm. Bird, oneof the Headmen of the Band and he failed to notify me of the change and Cyr was paid for nine in the family, instead of the decrease of one, and was therefor over-paid one. I am afraid there is not much likelihood of collecting this befor the next payment, but it will be taken care of then.

This will make a change in the totals for Gordon's Band to 94 girls instead of 95 and total population 332,not 333.

Regarding #79 Poorman's Band. The boy Clarence died and a decrease of one girl was shown in error. This should read 1 man, 5 boys and 3 girls. This will change the totals of the Band to read 67 boys and 68 girls, instead of 68 boys and 67 girls.

The recap.will have to be changed to - Decreases Other causes 16, total increase 40. Total population 1495.

R. S. Davis, Esq., Indian Agent, Punnichy, Saskatchewan.

Chief Ed Poor Man and Councillor John Skeeboss of the Poorman's Band were in this office yesterday and stated that they were here without funds to return home. Accordingly it was necessary that we supply them with Transportation Warrants.

When we receive the accounts from the Canadian National Railway Company we will advise as to the amount to be collected for fare. Twenty dollars in cash was advanced for meals in addition. This is all being charged to the Revenue Account of the Poorman's Band. These men brought with them a resolution of the Band which we could not accept because it lacked your signature and we pointed out to them that therefore the whole procedure was highly irregular. However, it was found that under the circumstances the expenditure from Band Funds could be authorized under Section 93 (d) of the Indian Act. We had them sign, however, an order authorizing the retention of their interest and annuity shares until the expenditure from Band Funds had been completely repaid. The original of the signed order is herewith and it is asked that you take the necessary steps to effect collection in due course.

We might say in passing that we were very favourably impressed with Chief Ed Poorman who we think benefited greatly by this experience and seems a very decent old Indian. We are forwarding herewith the resolution form and supporting signatures for your information. It would be just as well, we think, for you to sign the resolution and retain a copy for your office records letting us have one for our records here. The Chief declared that he would be able to collect the money without recourse to the interest and annuity shares. If this can be arranged and the money forwarded as soon as collected it would be desirable because the balance to the credit of the Revenue Account is very small.

The woman has a family who of course are still members of Kinistino Band and as she was never legally married to Tipiskowkeesic, it is a question if she should really be a member of Nut Lake Band.

I paid her Treaty money this year but would like the Department to advise me if I should continue to carry her as a member of Nut Lake Band, or if she should be transferred back to Kinistino Band.

We the undersigned Chief Councillors & members of the Muscowequans Band did assemble on the said Reserve for the purpose of asking the Department to pay to us our annual distribution the necessary amount of $25.00 per head.

The reason for this not sitting with our local Indian agent is that Mr. Davis told us last fall that our annual distribution was going to be cut to some.

It is resolve that this payment to be paid to us.

Dear Mr. Castleden:

I have for acknowledgment your letter of June 30th with which you enclosed a petition from the Muscowequan Band requesting an interest distribution on the basis of $25.00 per capita and also requesting information regarding the surrendered lands on the Muscowequan Indian Reserve.

The interest distribution to the Muscowequan Band this spring was made on the basis of $10.00 per capita as the amount to the credit of their Revenue Account would not stand a larger distribution and also provide the funds necessary to meet current expenditures.

In so far as the land surrendered by the Indians and sold by this Branch is concerned, records indicate that to date $62,227.37 has been collected and the amount outstanding is $7,080.84, which is owing by the following purchasers:

Mike Wanzo	- $1,862.58	Joseph Weber	- $1,134.73
Elmer Beresh	- 785.53	John McKenzie	- 2,898.00
L. Adolph and Joe Vilbrunt	- $400.00		

The records indicate that the surrender document bears nine signatures and according to the voters' list there were thirty-five members eligible to vote, twenty-nine voted in favour and six were absent from the meeting.

Yours very truly,

(sgd) R.A.H.

Dear Sir:

Re: Nut Lake Reserve

Several members of the Nut Lake band called today in reference to the fact that the Punnichy Indian Agent failed to pay them treaty on the 8th instant due to the fact that they would not have a blood test. They seemed quite upset about the matter and I would ask you to arrange for payment of treaty to them as soon as possible as apparently this is a payment due on an arrangement made in the past by treaty and over which the regulations of a blood test would not be effective. Kindly let me hear from you as soon as possible.

Re. Dept. letter , File no. 3-121(T.3) Nut Lake Treaty Payment

Dr. Simes, Regional Supervisor of Indian Health Services, accompanied myself and Treaty party to Nut Lake Reserve on June 8,1949 , to take a T.B.survey and blood tests at the same time as treaty was paid. The system we followed was that all Indians were to take their families through Dr. SImes office , and he gave them a slip of paper which they in turn presented to me at the Treaty table,and were paid their Treaty money.

This system we tried to followas closely as possible, but only one man was refused treaty money .That man was Joe Apooch #203,who came before me and demanded his treaty money without goihg to Dr. Simes. I asked him if he had been drinking and his answer was that he might have been because he had to have his liquor. I then told him that I would not pay him his treaty money or do any other business with him when he was under the influence of alcohol,and asked him to leave.

I was in Kelvington, Sask.on June 17,last,and called at the office of Thomas H.Case and explained this to him.

Redeipt is acknowledged of your letter of October 13th, 1949, your file 1053-65(121).

It is noted that in several cases throughout your paylist you have transferred the husband or his wife and minor children to new numbers for the reason that they are not living together. It is realized that for purposes of distribution it is more convenient to transfer separated families to different numbers but it is thought that since all the family members are now listed in the paylist notations could be made in your field copy before payment is made indicating who is to receive the money.

Unless the husband his legal wife and his legal minor children are listed under his number their identity will be difficult to establish. The agent who is personally acquainted with all the families will have no difficulty in identifying the individuals but for those at head office who have only records for guidance the tracing of such individuals is a difficult matter.

When compiling your next paylist please make the necessary transfers under the following numbers in order that the families now appearing under separate numbers may be properly listed and in the Remarks column for each give this file and letter as reference.

Gordon's Band, Numbers 163, 221 and 222.
Muscowequan Band, Numbers 120, 123 and 124.
Kinistino Band, Numbers 158 and 166.

If there are any other legally married couples in your Agency who have been transferred to separate tickets prior to this year it is asked that the wife be returned to her husband's ticket when compiling your next paylist.

Receipt is acknowledged of your letter dated April 15th, 1950, your file 323-121/28-3-1.

You are advised that a cheque requisition dated April 17th, last in the amount of $9,600.00, with which to pay annuities in your Agency was sent to Treasury. The cheque should reach your office in the course of a few days.

In future it will not be necessary that you send a second request for an annuity advance. When the original request is received a note is taken of the date on which Treaty payments begin and a cheque requisition is submitted to Treasury approximately three weeks before that time. In future if you do not receive the cheque, say, five or six days before payment is to begin, it is suggested that you wire the Branch. I might say that you should not wait for the arrival of the cheque before notifying the Indians of the pay dates, because in our experience the cheque has always been in the hands of the Superintendent in time and, presumably some Indians will require some weeks' advance notice to enable them to present themselves at the appointed time and place.

So far as the Annuity dates are concerned, this is a matter for you and the Bands to settle each year. This Branch is agreeable to any date which is convenient for yourself and the Indians.

A. G. Leslie,

With reference to Henry Tipiskowkeesic paid under ticket No.185 Nut Lake Band, and Alec Tipiskowkeesic paid under ticket No 254 Nut Lake Band, it has been found that these are one and the same boy.

The 1944 Treaty paysheets show that Henry was born to Mr & Mrs. Roderick Tipiskowkeesic on the 26th July, 1943 and they were first paid for the child at the 1944 payment.

Alec Tipiskowkeesic, son of Roderick Tipiskowkeesic, died on July 9th, 1944, and his wife who was a Nora Blackbird from the Pelly Agency, returned to the Pelly Agency.

The 1945 Treaty book show that Alec died on July 9th, 1944 and that a boy was omitted last year, and as Mrs Tipiskowkeesic was not at the payment, the $10.00 for herself and son was placed to her account in the office, and a cheque mailed to her for this amount.

Alec No 254 removed from membership

Mrs Tipiskowkeesic has been paid by cheque since then for both herself and son Alec, who was born in December, 1942. A total overpayment of $30.00.

It has now been ascertained that the child was born December 25th, 1942, not July 26th, 1943 as shown in the 1944 Treaty book.

Mrs. Nora Tipiskowkeesic, #254 Nut Lake Band, has a credit of $16.00 in her account at the office, being 1950 Treaty money for herself and son $10.00, and Timber payment dues for self and son $6.00, and I have advised her that $13.00 of this will be refunded to the Department towards refunding the overpayment. Your 1951 Annuity Paylist has been checked and the following points are brought to your attention for a report:

GORDON'S

No. 169 - What is the wife's former Band and Band number?

MUSCOWEQUAN

No. 166 - In the previous paylist you have listed one man, one woman, three boys and two girls, while in this paylist you have listed one man, one woman, two boys and three girls; which is correct?

POORMAN'S

No. 100 - There is one boy and two girls listed in the previous list while in this list you have listed two boys and one girl.

KINISTINO

No. 203 - is listed as a boy in the previous paylist and as a man this year. You are correct in transferring him from the boy's to the men's column under this number only if there never before was a man listed under this number, otherwise, he should have been transferred to a new number as a man.

NUT LAKE

No. 221 - The same applies as in number 203, Kinistino Band.

No. 241 - You apparently should list two girls instead of two boys under this number.

No. 259 - Has the over-payment of $5.00 made on behalf of Edward who died in April 1949 been collected? In this connection please refer to our letter of June 22, 1950, file number 121/28-3.

No. 300 - It is noted that John Bird is listed as a man and yet his birth date is given as February 10, 1948; please check.

Re: Annuity Payments

Due to the difficulty this office experienced in getting the necessary information to compile our mailing lists for the Chagoness or Kinistino Indian Reserve all cases where consents are to be obtained or where the authority of the Minister under Section 67 is required will necessarily have to be submitted at a later date if we are to make treaty payments as scheduled, the last week in June.

The above noted consents will be forwarded as soon as possible.

Re: Distribution of Annuities
1953

With reference to your letter of March 25, 1953, File 114/28-3, we have arranged treaty payments in this Agency for the last week in June, in order to co-operate with Indian Health Services, who will conduct a T.B. Survey at the same time as payments are made:

Dates set for treaty payments to the various bands in this Agency are as follows:

Kinistino Band	.....	June 22;
Mat Lake "	.....	" 23;
Fishing Lake "	.....	" 24;
Muskowekwan "	.....	" 25;
Gordon "	.....	" 26;
Day Star "	.....	" 27;
Poorman "	.....	" 29.

Mailing lists have gone forward to Ottawa, along with a list showing collections to be made. It is understood that May 31st is the cut-off date as far as eligibility to share is concerned.

Please note that all cheques are to be mailed in care of this office.

V.M.Gran,Esq.,
Indian Superintendent,
Touchwood Indian Agency,
PUNNICHY,
Sask.

We are herewith returning your Annuity distribution mailing list for your Agency.

This list has been checked with the membership list and although generaly speaking there appear to be very few discrepancies we note that in numerous cases, e.g., No.160A, of the Kinistino Band, Lloyd and Sheilla Cheekinew who are members of the Nut Lake Band are listed here. If we were to submit this list to the Cheque Disbursement Division in its present form, plates for these children would be made as members of the Kinistino Band. If a future distribution of Trust Fund monies were made to the Kinistino Indians, Lloyd and Sheilla would share in that distribution. If on the other hand, distribution of Trust Fund monies were made to the Nut Lake Band the children would not share in it.

It is noted also that in several cases it will be either necessary to get the consent of the parent to release the shares to those Indians who are caring for the children or that you report the individual cases and in turn we will be required to get the approval of the Minister for the payment of the shares.

In view of the fact that payment begins on June 22nd, next, it has been considered advisable to return the list and forward you an advance to make the payments. You may either pay by Agency cheque or by cash. If payment is made by cash you may use the enclosed list for your paylist to be returned to the Branch. It is noted that there is a considerable amount of information typed under "Number in Family", "Amount Cash Paid", etc., it will not be necessary for this to be erased, however. All that will be necessary on your part is to enter the amount cash paid in ink as well as complete the other headings "Increase", "Decrease", "Collections", etc.

If payment is made by Agency cheque it will not be necessary

that you forward a paylist. We are herewith enclosing a supply of forms for your use if payment is being made by Agency cheque. You will note that the name of the Band is to be inserted, the date of the distribution, the rate of the distribution, the Band number, the name of the payee, the total number in the family (this means the total number in the family and not the total number paid) the amount retained or collected, the amount paid by Agency cheque and the Agency cheque number. This form is to be completed in indelible pencil, the original only, and retained in your office. All collections and Savings are to be returned to the Branch as soon as possible after payment is completed. The only accounting which we require will be your credit voucher quoting the departmental cheque number and explaining on the face of the voucher the purpose for which the advance was sent and indicating that the distribution was made by Agency cheque number..... to.....number.....giving the first and last cheque numbers only. This should take only one line in your Cash Book and when the Auditor notes the entry in your Cash Book he will in all likelikhood ask you for the supporting list so that he may check it. Only those Indians who are on your Band membership list are to share in the annuity distribution and only the name of the payee in each case is to be listed on the attached list.

It is felt that if payment if made by Agency cheque the work in your office with respect to the distribution should be reduced considerably. In numerous cases it is felt that you may not have to contact the Indian personally. The cheques could be prepared in your office and mailed to the individual Indians. It will be necessary, however, that you report the discrepancies. These should be reported on the ordinary paylist form 602, using a separate sheet for each Band.

As pointed out before you may choose your own method of payment but both of these may not be used, i.e., you may pay by Agency cheque using the enclosed forms, the advance to be accounted for by a credit voucher or if payment is made by cash please complete and return the enclosed paylist accounting for the advance.

A.G.Leslie,
Trusts and Annuities Division.

Receipt is acknowledged of your letter of November 14th, 1953, your file 121/28-3-1, concerning your mailing list which you compiled for the 1953 annuity payments.

Please be advised that for the present it is asked that no action be taken on your part with respect to the compilation of another list. Our experience has shown that payment by cheque from Ottawa does not work 100 % in all Bands and it is considered advisable to forward revised instructions. These should be going forward shortly and you will then be in a position to revise the list well in advance of the next treaty payment.

Gentlemen:

The purpose of this letter is that I'm requesting you to send my treaty money to me.

I have been away since the year of 1948. My Treaty money should have accumulated through these past few years, as I haven't drew any since 1948.

My parents, Mr. & Mrs. Joseph Dusty Horn may have been drawing some of this money, if so, please send me what is left at the office.

I have written to the Indian Superintendent, Mr. S.J. Kitells of Touchwood Agency in Quinton, Sask. Canada. He told me to write to you and ask.

I have been married in this State for two years. I am obligated to my wife so that I'm unable to go after my money - personally. Please send me my money. I will appreciate this very much,

Thank you.

Cordially yours

"Mr. William Dusty Horn"

Mr. William Dustyhorn,
General Delivery,
Wapato, Washington, U.S.A.

Dear Sir:

We have to day received a letter from our Department at Ottawa which was directed to them by yourself and which has been referred to this office for reply. I would suggest that in future you direct your correspondence to this office rather than to our Department to Ottawa as we are in a better position to give you information as your personal files are in this office.

The letter we have reference to in this instance is dated March 8, 1954 and contained a request for information with respect to your treaty and interest monies.

In the above connection, I wish to advise as follows:

On checking back we find that your 1950 Annuity money was paid to your father Joseph Dustyhorn and that you were put on your own treaty number 170 after payment of the 1950 Treaty.

Your 1951,'52, and'53 annuity or treaty money was retained in this office together with $10.00 interest money for the year 1952 pending knowledge of your present whereabouts in the United States. Therefore, up to the present time you should have received

the full amount of money due you. On January 24, 1953 we mailed you Agency cheque No. B 91502 in an amount of $20.00, representing 1951-52 treaty payments of $5.00 each plus interest payment of $10.00 for the 1952 year. We have the cancelled cheque on hand, endorsed by you and which was apparently cashed at the First National Bank, Blackfeet Tribal Store, Browning, Montana. Apparently one month ago we received notification of your present address through your father and mailed you a cheque for $5.00 representing your 1953 treaty money.

As you advise in your letter of March 8, 1954 that you have been married for two years, there will necessarily be some treaty money owing to your wife providing that you can prove to our office that you are legally married. We would therefore, kindly request that you forward your marriage certificate by registered mail in order that we shall have positive proof of your legal marriage, at which time we will voucher for any treaty monies owing to your present wife.

This also pertains to any children you may have from this marriage. In other words, if you will forward your marriage certificate to this office together with birth certificates of your children born of your legal marriage, we will immediately voucher for any monies owing to your wife and children.

Yours truly,

V. M. Gran

Herewith for a report is a photostat of a letter which has been received from William Dusty Horn, who apparently is an Indian of the Touchwood Agency.

Presumably this Indian is referring to any arrears of Treaty or Trust Fund Distribution shares which might be owing him. Please advise him that his letter was received at this Branch and that it was referred to your office for the necessary action. You should submit vouchers covering these arrears if they are owing. If his marriage has not already been reported, it is asked that you report it on your monthly membership return as soon as you have proof of marriage. Any shares payable for his wife will not be released until her status has been established by the Membership Division.

Herewith is a photostat of a letter which has been received from Mrs. Phyllis Bearshield.

If the facts, as submitted by Mrs. Bearshield, are correct, she was evidently taken off the paylist when she married a Sioux Indian and by her marriage she lost her rights as a Treaty Indian, but she does enjoy those rights of a Sioux Indian. Since the Sioux Indians do not receive Treaty payment, she and her children of course are not entitled to the annual Treaty payments.

Please advise this woman that her letter was received at this Branch and that it was referred to your office for action. In order that our records might be complete, it is asked that you forward us a copy of your letter to her.

Re: Interest and Treaty for Charlie
Neapetung #195 Nut Lake Reserve.

We wish to advise that we have received a letter from this man asking for his treaty since the year 1944. This man has been absent from his reserve most of the time since the above date but has returned for visits occasionally. He is apparently working in the vicinity of Duck Lake, Sask. from where we received his letter.

We issued an office cheque for $5.00 covering his 1955 treaty and forwarded it to him at Duck Lake, Sask. with a covering letter advising that we had taken the matter of his back treaty and interest up with the Department, and that we would write to him as soon as we received a reply.

This man was credited in this office with his 1945 and 1946 treaty. This money was returned to the Department in August 1953 Receiver General sheets on the instructions of the Auditor.

Our records further show that for the years 1947 to 1954 this man was shown as an absentee.

It would be appreciated if you would advise regarding this matter as to how you wish the back treaty money of $50.00 to be paid and interest money for the years 1949 and 1954 amounting to $11.00.

In reply to your letter of June 15th, 1955, your file 121/28-3-7, you are advised that the proper procedure in requesting payment of annuity and trust fund distribution arrears for Charlie Neapetung, No. 195 of the Nut Lake Band, is to submit vouchers. There should be a voucher covering the annuity payments and one covering the trust fund payments. You should indicate clearly on the face of the voucher the years for which payment is requested and the amount due each of these years. Presumably, in this case a cheque is to be issued in favour of Neapetung. Even though the cheque is issued in favour of the Indian, it should be returned to your office in order that you in turn might make the necessary entries in your copies of the Pay-lists covering the payment of the arrears before turning it over to him.

Re: Eugene Desjarlais, No. 264
Fishing Lake Band

With reference to your letter File 117/3-3, dated June 29 in the above connection, we are returning herewith our cheque #52197 for $5.00 in favour of Mrs. Leonard Pelly.

As this child was a member of Fishing Lake Band on the date of Treaty, he automatically would receive treaty from this Agency. We have not as of this date received any word of a transfer to the Pelly Agency and in all probability the date of transfer will not be until some date after June 24, which is the time that the letter was written from our Regional office.

It would appear that you should not have paid the treaty for this child and would suggest that you have Mrs. Leonard Pelly endorse the cheque and that you make the necessary collection for the overpayment made by you.

Our Treaty records have been completed and forwarded to Ottawa and as this child is still a member of Fishing Lake Reserve, we think that the correction should be made by you in order to keep the records straight.

Hubbard, Sask.
June 9, /47.

I Mrs. Geo. A. Stanley once lived on the little Black Bear Reserve on the File Hills Reservation. I've married quite an elderly man and now live in the village of Hubbard, Sask. My oldest daughter Eunice who is 12 years old now and myself get land interest every spring from the little Black Band which we belong to, and also 5 dollars for the treaty money. Why I've come to you people in the Indian Affairs Branch to help me is, last year I went to the Indian Office at the File Hills Reserve to get my land interest and ask about my daughters. I tried to reason with the Indian Agent Mr. Simpson and tell him the money was badly needed for her clothes and footwear, but you couldn't talk with him. He flew right up and ordered me out of the office for no reason at all. He said my daughter's land interest was being funded for her and that was all. But I never as much as got a receipt for 1946. He told me I didn't need one. Thats a funny place to put it, haven't got nothing to show its in there. My husband has 3 other dependants beside Eunice and myself. He's a man nearly 78 years of age. I just got this year's land interest the other day through the mail and a receipt saying they had funded Eunice's land interest without my consent as usual. Eunice isn't going to no boarding school she's going to school in the village. Other Agents that were there before always waited till I came down for mine, and would ask me if I would like Eunice's money funded, or if I wanted half & the other other half funded. They always waited till I came down and ask what they should do. But this one here don't bother asking anything. He just does what he likes. My daughter certainly needs her money now to clothe herself and buy shoes. There is times when I have to go without shoes, just to get her some to go to school with. Her land interest would help her out a lot right now. The Band claims they are getting an extra 20 dollars to build houses. How do we come in on that. Do we folks, out of the reserve entitled to that also. I think we are. Kindly look into this also. Tell me also if and when my daughter and I should happen to want to get out of the reserve, how much money would we get. Its no use trying to find this out at the Indian Agency, he won't tell you nothing. Kindly look into this as soon as possible and sent the letter directly to me.

Thanking you in advance.

Sincerely,

"Mrs. George A. Stanley."

Eunice, daughter of Mrs. George Stanley,
No.81 Little Black Bear Reserve.

In the morning of the 9th of August 1946 Mrs George Stanley called at this office and demanded that her daughter's land interest money be paid to her (Mrs.Stanley). On attempting to further explain why the request should NOT be granted, Mrs. Stanley became very abusive and threatening. I requested her to leave the office until she could talk rationally.

No receipt was issued in connection with funding Eunice's share of 1946 Interest payment as the transaction was recorded by a transfer on June 7/46. As Mrs. Stanley requested for the first time on Aug. 9th, 1946 that receipts be issued in this case, her request was respected at the time of Interest Payments this year. In order to comply with her request the necessary cash book entries were treated as a cash transaction.

I have been informed that in addition to the monies earned by Mr.George Stanley, this family is in receipt of about $75.00 per month from Old Age Pension, Mother's Allowance, and Family Allowance.

It is felt that if Eunice's savings account and annual interest funds are handed over to her mother they will not be used for her benefit. Also that the mother is not working in the best interests of this child by not permitting her to attend a residential school where she would be properly clothed and receive the best of care.

It is noted in Mrs. Stanley's letter that she is considering enfranchisement, for herself and Eunice.

It would appear that there are only two solutions to this problem, namely to grant enfranchisement to Mrs.Stanley and Eunice, or to take over the responsibility of guardianship of this child.

EX'D.

February 26th, 1936.

Dear Sir:-

There is a Departmental Savings Account No. 3790 in the name of Donald Pasqua, No. 79, Pasqua Band, having a credit balance of $9.62. It originated in 1921 by the deposit of $5.00 annuity money and has been inactive since then except for the yearly addition of Government interest.

If this boy has become of age it is thought the money might be used for his benefit.

Your report and recommendation in this matter will be appreciated.

Yours faithfully,

N.C. Allen.

Dear Sir:

With reference to your letter #3-114, dated the 26th ult regarding the credit balance of $9.62 in the Savings A/c of Donald Pasqua, Pasqua Band, I would say that this man has been farming on his own account for some years and the money will come in very handy to clean up some of his debts. His crop was badly rusted last fall and he was unable to pay all his debts and I would be glad therefor if a cheque for this balance could be made out in favor of the Qu'Appelle Agency Trust A/c", in Trust for Donald Pasqua, so that I could apply the money on his debts.

The Commissioner of Indian Affairs,
Ottawa, Ont.

Dear Sir,

An Indian by the name of Joe Matpney, # 159 Pasqua who informs me that he is a member of the Pasqua Band, but is now living on Muscowequan Reserve, has asked me to write you about the following matter.

He states that his wife, Christina, left him sixteen years ago, and has since lived with another man by whom she has had several children. He himself had no children by her. He says that for four years after his wife left him he was paid her Treaty money, but for some reason payment to him was then discontinued.

He says that he has been informed that he has but to, make application in order to receive all arrears of Treaty money that would have been paid to his wife had she continued to live with him, and he hopes you will look into the matter and in due course pay him the money.

Yours very truly,

Dear Sir:-

I wish to acknowledge receipt of your letter of the 23rd instant, regarding the arrears of annuity of Mrs. Joe Matoney.

The records of the Department show that no annuity monies have been paid on account of Mrs. Matoney since 1925. The Indian Act provides that when a parent deserts his or her family, the annuity may be paid to the parent with whom the family are residing. In this case, however, there are no children of the union and, therefore, any arrears are payable only to Mrs. Joe Matoney herself. Matoney has no claim on them.

Dear Sir:-

I wish to acknowledge receipt of your letter of the 1st instant with regard to arrears of treaty annuity said to be due to the late Mrs. Joseph Cline.

Before the Department can consider this case it will be necessary to forward definite information giving the band and band number of which this woman is reputed to have been a member, the approximate date on which she last drew treaty and the date of her death. As there are, in the three prairie provinces, approximately 300 reserves, you will realize that to supply a list of these is a considerable task and it is not understood what possible benefit this would be in establishing what band she was a member of.

Dear Sir:

I beg to acknowledge the receipt of Departmental letter #3-114 dated December 13th, 1939, with reference to differences in the 1939 Annuity Pay-list, and would state that the paylists are typed out ready with the name of the Indian and the number previously paid, but with the columns for number of men, women, boys and girls, left blank, and when the Indians come to the table for payment they are asked the number and sex of their children, and if the number agrees with the total of the previous year, the information is recorded, but if the total is different, the cause is ascertained. While this method gets the total number of Indians correct, if the sex is given incorrectly, as it seems to have been, it would change the number of boys and girls yearly, and this will be checked more closely in future.

The following items are correct as to number and sex:

PASQUA BAND

#178 Alfred Peigan 1 man, 1 woman, 4 boys, 1 girl. ✓

#179 Adrian Horsefall 1 man, 1 woman, 2 boys, 4 girls.

#193 Thomas Peigan 1 man, 1 woman, 1 boy, 2 girls.

MUSCOWPETUNG BAND

#115 Elsie Gambler 1 woman, 2 boys, 4 girls. ✓

PIAPOT BAND

#290. Peter Gopher 1 man, 1 woman, 1 boy, 1 girl.

#293 Emile Piapot 1 man, 1 woman, 1 boy, 2 girls.

#315 Maria Sugar 1 woman, 1 boy, 1 girl.(The office copy shows this correct, If original shows man woman and boy, this is a typographical error)

Dear Sir:

I wish to direct your attention to the following items in the 1940 annuity pay-list which require an explanation:

MUSCOWPETUNG:

No. 102, Emile Dubois, according to the pay-list, he received $3.50 in cash, $1.50 credited to collections and $15.00 to savings. The cash paid should be $33.50 according to the total of the column.

No. 141, David Ben Joe no explanation for the girl paid on this ticket.

No. 145, Walter Toto, paid $1.00 in cash and apparently $4.00 omitted from the collection column.

PIAPOT:

No. 244, Cheeweese paid in 1939 for man, woman, a boy and a girl; 1940, for man, woman, two boys.

No. 272, Fourhorns. According to notation, Hazel May transferred from ticket No. 332. Is she married to Four horns? If not, she should not be included in the woman's column, as at present, the pay-list would indicate that a man, wife, and daughter are being paid on this ticket.

No. 293, Emile Piapot. Paid for man, woman, two boys and a girl. Are shares properly allocated as to boys and girls?

No. 302, Alex Wesequate paid in 1939 for a man, and girl; in 1940 for a man and woman. If the person paid on this ticket as a woman is Wesequate's daughter, she should not be shown in the woman's column as the pay-list would then

Dear Sir:

I beg to acknowledge the receipt of Departmental letter #3-114 dated August 26 regarding items in the 1940 Annuity Pay-list requiring explanation, and wish to report as follows:

MUSCOWPETUNG

No. 102 Emile Dubois, was paid $33.50, not $3.50 as shown. This is evidently an error in typing made by Miss Ball.

No. 141 David Ben Joe had a daughter Yvonne born January 20, 1940. This should have been noted on the pay-list.

No. 145, Walter Toto, paid $1.00 cash and $4.00 was collected for supplies which was omitted when making up the Pay-lists.

PIAPOT

No. 244, Cheeweese, shown as man, woman and two boys. This is not correct, should be, man, woman, boy and girl.

No. 272, Fourhorns. This entry is incorrect. The entry should be 1 man, 1 boy and one girl, Hazel May, transferred from #332. Hazel May is the illegitimate child of Fourhorns daughter Margaret, married to Tom Black Sioux,#332 Piapot Band.

No. 293. Emile Piapot. Incorrect, the entry should be 1 man, 1 woman, 1 boy and 2 girls.

No. 302 Alex Wesequate. Incorrect, the entry should be 1 man 1 girl.

It is regretted these errors were made when preparing the Pay-lists, possibly owing to the fact that Miss Ball was not familiar with the Indians and their families.

On January 30th last I wrote a letter to the Branch attaching copy of a letter from Agent Booth with respect to the date selected for Annuity payments in his Agency, and giving therein the amount he will require for such distribution.

I have just had a telephone call from Agent Booth advising me that he has a letter from the Branch with respect to not hearing from him regarding Annuity payments, and upon checking over our file I notice that the letter intended for the Branch was addressed to Mr. Booth and consequently I do not know where it went. George Piapot, #291 Piapot Reserve made a trip over to the United States in 1940 and has not returned. This man has relatives over in the States and frequently made trips there, but only for a few month's duration.

His Treaty and Interest money was held to his credit at the office for the 1940 and 1941 payments, but I showed him as an Absentee in the 1942 Paysheets of both Treaty and Interest payments.

There is a credit of $94.00 in this man's account and at the recent audit by Mr. Butchart, he suggested that it would be better to return this money to Ottawa, This will be done when forwarding my next Receiver General Cash Sheet.

The $94.00 is made up as under:

Dear Sir:

I wish to bring to your attention that when Mr. McCrimmon was here during the Summer I took him down to the Qu'Appelle Agency, and while there he asked Mr. Booth whether there were any half-breeds on the Treaty records in that Agency. Mr. Booth, of course, told him there were not, but I think I spoke up and said there were no half-breeds listed but there were some Cree women married to Standing Buffalo (Sioux) Indians.

When we left the Agency Mr. McCrimmon informed me these Cree women married to Standing Buffalo Indians had no right to receive Treaty since they are married, and are only entitled to the privileges of whatever band they married into.

I presume Mr. McCrimmon reported on this upon his return to Ottawa and I would like to know what action is to be taken. I know everybody in the Qu'Appelle Agency and the names of the Indian women concerned. There are three Cree women from the Muscowequan reserve in the Touchwood Agency married to Standing Buffalo Indians and five Qu'Appelle Agency women, that is four Cree and one Assiniboine, married to Standing Buffalo Indians.

Will you please advise me concerning this.

Dear Sir:

You will no doubt recall that when Mr. McCrimmon visited your office in July last he discussed with Mr. Christianson and yourself the question of Indian membership.

You are no doubt aware that any Indian woman from a Treaty Band who marries into a Band not receiving Treaty, such as the Sioux Indians, ceases to be eligible to draw her Annuity, as by her marriage she ceases to belong to her former Band and is only entitled to receive the benefits that her husband receives under the Indian Act.

In view of the foregoing it would be appreciated if you will check your paylists and membership records and report the names and the Band numbers, if any, of Indian women in your Agency who have married Sioux Indians and are being carried on the paylists of their former Bands for Interest or Annuity purposes.

It has also come to our attention that in some Agencies the children of former Indian women who have married outsiders are receiving benefits under the Indian Act, for which they are of course not qualified and it would be appreciated if you will also check your records in this respect to make certain that Government Funds are not being expended in your Agency on behalf of persons who do not qualify for such expenditures under the Indian Act.

I wish to refer to your letter of October 27th last, your file 311-5, regarding Indian women from the Qu'Appelle Agency who have married Sioux Indians.

It was Mr. McCrimmon's understanding when he visited the Qu'Appelle Agency and discussed this matter with yourself and Mr. Booth that the latter was to investigate the different cases and forward a report. We appreciate that you have called this matter to our attention and as you will note from the attached copy of a letter to Mr. Booth, he has been asked to investigate and report on the different cases.

Dear Sir:

With reference to your letter #3-114 dated November 16, I beg to submit the following report and list of Indian women who have married Sioux Indians and are still drawing Treaty and Interest money from the bands they formerly belonged.

Mrs. Peter Bruce, #98 Muscowequan Band, Touchwood Agency, has been married to Tom Whiteman, Standing Buffalo Band, for 14 years.

Mrs. William Pinacie #102 Muscowpquan Band. According to the information given me by this woman, she was never married to Pinacie although she lived with him. On May 17, 1928, she was married to Hector Obey, Standing Buffalo Band.

Mrs. Lawrence Wajunta #177 Muscowequan Band. Married to Lawrence Wajunta, Standing Buffalo Band on November 13, 1939.

All the abovementioned Indians are drawing Treaty money from the Touchwood Agency.

Mrs. J.Standing Buffalo #155 Ochapowace Band, Crooked Lake Agency, was married to J.Standing Buffalo some 40 years ago. She still draws Treaty and Interest money from Crooked Lake Agency.

Mrs. Bob Obey #149 Pasqua Band has been married to Bob Obey, Standing Buffalo Band, for 42 years. She draws Treaty and Interest money from Pasqua Band.

Flora Nahnepowisk #334 Piapot Band was married to Maurice Bear, Standing Buffalo Band, some four years ago. She draws Treaty and Interest money from Piapot Band.

If the Department is considering the stopping of these payments, I would suggest that if at all possible, the women who have been in receipt of these for a great many years, be allowed to continue to do so,as they are all elderly people and will not draw many more payments in any case.

The Secretary, Indian Affairs Branch, Dept Mines & Resources, Ottawa,

With reference to Departmental letter #3-114 dated November 16 last, I beg to report that Mrs Bertha Adams, #195 Pasqua Band, who is married to a Non Treaty Half-breed, has been a patient at the Indian Hospital, Fort Qu'Appelle, for practically a year.

During this time, her children, four in number and aged 11, 10, 6 and 3 respectively, have been residing with Alex Matoney and wife, #124 Pasqua Band. Alex Matoney is the uncle of this woman and adopted her when she was about six years of age. Since that time he has considered her more or less his daughter.

This arrangement is very unsatisfactory as Alex Matoney and wife are destitute Indians and Mrs Matoney is elderly and considered an active case of T.B.

Such a situation is very bad for the four children when you consider their mother is down with T.B. and they are living in a house infected by it. They are almost bound to come down with it.

I would consider that by allowing Mrs Adams to be a patient at the hospital, it throws the onus upon the Department to look after her children, whereas if she was in the Sanatorium, the Provincial Authorities would no doubt be more inclined to resume the responsibility.

I would be very pleased to have the Department's decision as to whether these children be allowed to remain on the Reserve, or whether I should take the matter up with the Provincial Authorities to look after them.

With reference to Departmental letter #3-114 dated November 16 last, I would advise that the following children of half-breed parents are attending the Qu'Appelle Indian Residantial School as grant earning pupils:

Please let me hear from Ottawa Office

#01050 Adhemar Rosabelle - admitted 11/9/38
#01087 Adhemar Mary Berenice - admitted 15/9/40

Nov 16

I understand that Mrs Adhemar was formerly a member of Standing Buffalo Band married to a non Treaty half-breed. The husband died and the woman was given permission to reside on the Reserve with her children.

Oct 7/38 Mention Oct 26/40

All this happened several years ago, at the time the late W.M. Graham was Indian Commissioner, and I believe all Mrs. Adhemar's children have attended the Qu'Appelle School as grant earning pupils.

It has been reported to the Department that you have under treatment in Fort Qu'Appelle Indian Hospital, a Mrs. Bertha Adams. I judge that this is Mrs. Paul Adams who appears in your monthly report as having been admitted on March 3 and was still in at the end of November. According to information received, this woman is the wife of a non treaty halfbreed and her maintenance, therefore, should be paid by the Provincial Government.

I am writing to Doctor Ferguson regarding this case and if our information is correct, we shall expect the province to assume responsibility for the care of this woman since March 3. We are also informed that this woman has four children who are living on the reserve with a Mrs. Matoney. I believe Mrs. Matoney is Mrs. Adams' foster mother, and is an Indian. It might be advisable to bring these children to the attention of Doctor Ferguson.

February 22, 1943.

Mr. Frank Booth,
Indian Agent,
Muscow, Sask.

Dear Mr. Booth:

re Mrs. Bertha Adams.

I have received an interpretation of our Act from the Attorney General's Department regarding the admission of Mrs. Bertha Adams for treatment by the Saskatchewan Anti-Tuberculosis League. The law in this province is that a woman acquires the citizenship of her husband. Therefore, irrespective of any other connections with the Indian Department, Mrs Adams is now consider-ed a white woman, and eligible for treatment of tuberculosis by the Saskatchewan Anti-Tuberculosis League.

By a previous ruling of the Attorney General's Department, the League can only pay for a patient's treatment as from the date on which the League is first notified the patient is suffering from tuberculosis. Our first notification of Mrs, Adams was on December 15, 1942; the League will undertake to pay for her treatment as from that date.

Just as soon as we have accomodation for this woman at the Fort Qu'Appelle Sanatorium we will arrange to have her transferred.

Yours very truly,

EX'D A

Frank Booth, Esq., Indian Agent, Muscow, Saskatchewan.

I wish to direct your attention to the following items in your 1944 Annuity pay list:-

Carry-the-Kettle Band.

No. 201 - Paid in 1943 for a woman, two boys and two girls; in 1944 for a woman, two boys and three girls, with no explanation for the increase in shares.

No. 204 - Paid in 1943 for a man, a woman, a boy and two girls; in 1944 a man, a woman, a boy and two girls, with notation "Thelma born." The total in the "cash paid" column is correct, $30.00 for six shares, but it would appear that the number in the "girls" column should be 3, not 2.

No. 225 - Clarence Adam is shown as paid in cash and funded. As you report him in the Army, I presume you intended to fund the money; therefore we have struck out the payment in the cash column.

No. 246 - Victor Gray. Paid for a man, a woman and a boy, with a notation to the effect that he was transferred from 169, but there is no reduction on 169; therefore apparently there is an overpayment on this ticket. We also require to know the name and status of his wife prior to her marriage.

Pasqua Band.

No. 187 - An explanation is required regarding the $5.00 payment to Carrie on this ticket.

(over)

Indian Affairs. (RG 10, Volume 6917, file 675/28-3 pt. 3)

ARCHIVES PUBLIQUES

Muscowpetung Band.
No. 122 - $5.00 funded on this ticket, which I presume is for the girl. Her name should be shown in the remarks column.

No. 155 - Sammy Nahyahkatepenace, reported as a patient in Weyburn Hospital. Should be shown as an absentee.

Piapot Band.
No. 307.- Four persons paid on this ticket and the total shown is $25.00 instead of $20.00.

No. 353 - Margaret Gopher. Paid a woman and a girl in 1943, and also in 1944 with a notation that girl died, Peter James born. If the notation is correct, the ticket should show one woman and one boy.

In compiling the recapitulation you have included the $55.00 funded for savings with the amount disbursed in cash; therefore a further refund in the amount of $55.00 is required. On referring to the Receiver General returns in the Treasury Office, I find that in June and again in December you refunded savings amounting to $60.00. The difference between your pay list and the amount returned to Treasury is the $5.00 on account of Herman Notemani. Our pay list shows him as paid in cash and no share funded.

In reply to your letter of January 23, 1945, File # 3 - 114, I wish to submit the following corrections of the 1944 Annuity Payment:

Carry - the - Kettle Band.

No. 201 - This was an error and should have read 1 woman, 2 boys and 2 girls. The overpayment of $ 5.00 has been collected and will be refunded.

No. 204 - The correction has been made, and should have been 3 and not 2, as shown.

225 - Clarence Adam's money has been funded.

No. 246 - There has, apparently, been an overpayment on ticket # 169. This ammount will be collected as soon as possible and refunded.
The woman Victor Gray married is a white woman, whose maiden name was Elsie Louer.

Pasqua Band

No. 187 - The Carrie mantioned in this ticket is the legal wife of Wm. Asham, but they have been separated for over fifteen years, therefore she always draws her own money. I consider that she should be placed on her own ticket in future.

Muscowpetung Band.

No. 122 - The $ 5.00 funded on this ticket is for the husband, J. J. Cappo, who, at the time, was in the Army.

No. 153 - In future, this man will be shown as as "absantee".

Piapot Band.

No 307- This is an overpayment and will be refunded immediately.

No. 353 - We have corrected our copy, and it now reads: 1 woman, 1 boy.

Although $25.00 was the amount typed in the Amt. Two errors appear in connection with the Annuity Pay-list of the above; the first being a typographical one, under No. on previous List should show 3 and not 5. The second error being that the death of Stephen should not have been recorded at all; but the birth of William James on May 3, 1945 should have shown.

This change alters the Recapitulation of the 1945 Interest Pay List so I am submitting a corrected one

AIR MAIL

Ottawa, May 21st, 1946.

Frank Booth, Esq., Indian Agent, Muscow, Saskatchewan.

Reference is made to your voucher No. 442, dated January 31st, 1946, in favour of your Indian Agency Trust Account, for personal expenditures and railroad fare for W.J. Agecoutay in the amount of $60.00 in connection with his attending a convention of Indians at Ottawa in September, 1945.

It would appear that this voucher should not have been passed for payment, but in some manner it slipped through here. Expenditures from Band Funds for this purpose, as you were advised in our letter of March 5th, 1946, can only be made by authority of Order in Council. A resolution of the Band is not enough. If you have paid this money to Agecoutay, you are instructed to retain all his interest shares from the next distribution which is made to the Pasqua Band and sufficient from the one after to repay Band Funds to the amount of a total of $60.00. If by any chance you have not yet turned over all of this money to Agecoutay, please return the unexpended balance here.

Please note also that regardless of whether or not expenditures have been made in this connection, by you, from your Indian Agency Trust Account, you must, return the money or submit receipts showing what disposal was made of the Funds. This will enable us to clear the matter for the present, at least, with Treasury Officers who are pressing us for an accounting. The matter of collection, if necessary, can be dealt with in due course.

In this connection please refer to our letter of September 14th, 1945, with which we forwarded you the original of an Order signed by Agecoutay authorizing the retention of his interest and annuity shares as a guarantee that the amount of his railroad fare would be repaid to Pasqua Band Funds. You are advised that his railroad fare was paid by cheque No. 83091, dated November 13th, 1945, in the amount of $38.70. This now makes a total of $98.70 which must be recovered from Agecoutay - $38.70 via interest and annuity and $60.00 from his interest shares alone. All this, of course, unless he makes repayment from other sources before any distributions are made.

Re: Sarah Pasang. No. 101 Muscowpetung Band.

Reference is made to your letter of January 21st, 1947, your file C-5, and you are advised that this woman has already lost her Band membership by her marriage to an individual who is not an Indian as provided by the Indian Act. It would appear that the only way in which she now can be removed from the paylist is by going through the process of Commutation.

We will await your further report and recommendations in this matter but in the meantime it is requested that she be re-enrolled on a Red Ticket on the Muscowpetung Band roll.

Assiniboines Get $5 Treaty Money

Zehner, Sask., June 6 (CP). — Assiniboine Indians of the nearby Piapot Reserve broke camp today and headed back to their homes, their treaty money in their pockets and traditional costumes packed away until the next special occasion.

The band of more than 00 men and women and children yesterday received the $5 treaty money, allowed in return for relinquishment 63 years ago of their titles to the prairie country.

For the first time since 1945 the reserve turned out in traditional dress. Toronto Globe Mail

Hobbled horses, numerous dogs, and dusky children peeping shyly from the doorways of the lodges stole the scene from the 20th century.

Set back from the tepees the modern tents which were pitched for the protection of the womenfolk and children from the threat of rain provided a contrast between the old and the new.

At present there is no chief on the reservation, and authority is vested in two councillors, both of whom are veterans of the First Great War. They are Abel Watech and Harry Ball.

The chieftainship of the band is not hereditary but goes to one chosen from the band by popular vote. So far the Piapot band are satisfied with present arrangements and have not elected a chief.

This year there are 1,900 acres under cultivation on the reserve. In addition plans are under way to allocate to the younger veterans of the war just past, lands which will enable them to set up on their own. The allocation does not carry complete title to the lands which are held jointly by all members. The veterans will only have the use of the land so that they can qualify for rehabilitation grants from the Federal government.

Dr. H. L. Keenleyside,
Deputy Minister of Mines & Resources,
Ottawa, Canada.

Dear Dr. Keenleyside:

It may be that your Department, or failing that, the Dominion Archivist, may be in possession of a record indicating the Indians to whom Treaty money was first paid at Cypress Hills, Saskatchewan, following the conclusion of the Adhesion Treaty signed by the Chief of the Assiniboine Band in 1876. I believe that at that time, this money was paid to the tribes of Chiefs Long Lodge, Took-The-Coat and the Piapot. I am especially interested in determining the number of Indians to whom Treaty money was paid on this occasion. Any assistance that you are able to render along these lines will be greatly appreciated.

Yours sincerely,

"M.C. Shumiatcher"

Dear Mr. Shumiatcher:-

May I refer to my letter of November 5th, 1948, in which you were advised of unavoidable delay in locating information requested by you regarding the Indians to whom Treaty money was first paid at Cypress Hills?

At that time members of Cree, Saulteaux and Stonie Tribes in which were included the Bands headed by Chiefs Piapot, Long Lodge and The Man That Took the Coat, came under the provisions of the Treaty signed at Qu'Appelle lakes on September 15th, 1874. This treaty Adhesion was signed on September 9th, 1875, by the following Indians : Wah-poo-Makwa, The White Bear, Okanes, Payepot, Le Croup de Pheasant and Kitchi-Kah-Me-Win. Our earliest records indicate that Payepot's Band at that time was 311 in number, comprising some fifty families.

Sir:

I have the honour to inform you that on March the 26th, 1915 a son was born to Mr. and Mrs. James Adams, pay ticket number 164, Carry-the-kettle Band: and that on April the 14th, 1915 a daughter was born to Mr. and Mrs. Donald Medicine Rope, pay ticket number 143, Carry-the-kettle Band. Adam's baby died on the 16th of February last, and Rope's baby died on the 17th of January last . Now these children did not receive any share of the Interest money paid in 1915. In the opinion of the Department would I be justified in paying the share of interest money for this year to the parents of these two children.

Sir:-

I am in receipt of your letter of the 30th March, relative to the distribution of annuity money, and in reply I beg to say that you should not pay annuity for either of the infant children, mentioned in your letter, who died shortly after birth, as they were not alive at the distribution of annuity made for 1915 to members of Carry-the-Kettle's Band. Under the regulations annuity is only payable to those Indians who are alive at the time distribution is made to the members of the Band to which they belong.

Sir,—

I beg to inform you that I have located Widow Dogskin or Chunka ka, Pay Ticket Number 125 of Carry-the-Kettle's Band after several inquiries. Mr. Thomson, the Farm Instructor at Wood Mountain Reserve informs me that this woman is now living on that Reserve with a Sioux Indian by the name of Ce an Ho Waste. In September 1915 I allowed this woman to leave this Reserve to visit her brother at the Touchwood Agency, as she was then in very poor health and she had no friends here who cared to look after her. After living with her brother for some time she improved in health and she left there and went to Wood Mountain Reserve. While living on this reserve she lived alone in a small house and went about working for white settlers except when suffering with rheumatism to which she was subject to every winter and spring. She has no children living and was on the ration list while a resident of this Reserve.

This old woman would like to get her arrears of Treaty and Interest moneys if she is entitled to any. According to Section 15, sub-section 2 of The Indian Act she is, and I enclose herewith voucher for arrears of moneys due her.

Sir,—

Subject to the approval of the Department, the date for the annuity payment on this Agency has been set at April 29th.

My reason for this early date is that the Indians will be able to use the money to greater advantage at this time as they will be starting on their spring farm work, and the money would be used to provision themselves.

Payment at a later date appears to have a bad effect on the summer work, as every small town in the district puts on a summer fair, and it is almost impossible to keep the Indians at work as long as they have a little ready cash to spend at these celebrations.

Ottawa, August 10th, 1934.

Sir:-

The Qu'Appelle and Assiniboine annuity pay-lists have been received and examined.

It is observed that you have not fully grasped the import of the circular sent out regarding the making out of these pay-lists.

In examining the Assiniboine list it is observed that you paid out in cash $1105.50, but in your statement you state that you paid out in cash $1090.50 and in kind $15.00, but what this means, I cannot say. Then, further in your statement, you have ruled a column headed "Provisions", or, in other words, could be called "Kind" - $124.50. In another column headed "Savings" you have collected $40.00. Now there are apparently two kinds of savings, one being Agency Savings, the other, Funded Savings. The Agency Savings is held by you but Funded Savings must be returned to the Department giving the names and band numbers of the persons for whom the savings is intended. It is now assumed that the $40.00, retained for savings, is for Agency Savings as you did not return this money to the Department.

According to the pay-list your summary for the recapitulation page should read as follows:

Cash advanced by Dep't.	$1300.00	
Disbursed in cash		$1105.50
Retained for provisions		124.50
Retained for Agency Savings .		40.00
Cash undistributed		30.00
Total.....	$1300.00	$1300.00

In your statement you show $164.50 retained on loans and savings but you can see that it is necessary to rule columns, showing the amounts retained for loans, separate to those retained for savings, or provisions.

In future, please try to follow out the Department's instructions as above given.

Your obedient servant,

A. F. MacKenzie,
Secretary.

With reference to Mr. Leslie's letter of October 9, 1951, File 114/28-3(T-3) we wish to make the following comments concerning your notations in connection with our 1951 Annuity Paylists:

PEEPEEKISIS BAND:

No.185 - the wife's former identification was No.326 Red Pheasant Band, Battleford Agency.

No.191 - You are correct in your statement that Margaret should be shown as girl, not woman.

No. 210 - The wife's former identification was #230 John Smith's Reserve, Duck Lake Agency.

PASQUA BAND

No.225 - The wife's former identification was #133 Gordon's Band, Touchwood Agency - Jean Marjorie McNabb.

MUSCOWPETUNG BAND

We believe the reclassification of this woman is in order as there does not appear to have been a woman on this ticket previously.

PIAPOT BAND

#299- This child was transferred to No.307 as this is the parent's ticket. #299 is the grandmother's ticket who was fostering the boy. The authority for this transfer is: D.L.114/3-3(M.1), 18-Jul-51.

Receipt is acknowledged of your letter of June 5, 1952, your file 114/28-3 and your particular attention is directed to No.95 of the Okanese Band.

You are advised that the $5.00 over payment will be deducted from this woman's enfranchisement cheque. She will receive $95.00 instead of $100.00 from the annuity vote. With respect to these women who married non-Indians on or after September 4, 1951, you are advised that they are not entitled to any further distributions of cash regardless of whether or not they have received their enfranchisement. As soon as it is known that one of these women has married a non-Indian, a statement of her marriage should be submitted to the Branch.

Since only one submission to council covering enfranchisements is made each month, a period of two months or thereabouts may elapse from the time the statement is received until the cheque reaches your office.

Regarding these women who married non-Indians prior to September 4, 1951, "red ticket holders", we are herewith enclosing a form letter one of which was mailed to the Qu'Appelle Agency office in February, 1952. You will note that these women are to be dealt with in accordace with the provisions of Section 14 of the old act, i.e.,

Enclosed is a copy of a letter from N. J. McLeod, Indian Superintendent of the File Hills-Qu'Appelle Agency, in connection with his intentions regarding treaty payments for 1953.

I do not see the necessity for the procedure which Mr. McLeod wishes to follow with regard to the distribution of 1953 annuities. It would seem to me that what he proposes doing is a waste of time. One of the purposes of paying the annuity in the proposed new manner is to avoid unnecessary waste of time.

Enclosed also is a copy of a letter from Mr. McLeod, dated January 15th, 1953, in which he gives the treaty payment dates for 1953.

I would recommend that the cheques be mailed direct to the Indians concerned, to arrive at their destinations on approximately the dates indicated by Mr. McLeod.

It is realized that the cheques were to be forwarded direct to your office for distribution. However, it was our intention to submit the list to the Cheque Disbursement Division supplying the individual Indian's address. The cheques would be returned here and mailed to you. If the distribution is to be made beginning May 4th next, time will not permit us to return the list to your office for completion and have it sent back here to be checked before forwarding to the Cheque Disbursement Division.

It is, therefore, considered advisable to forward you an advance of $10,000.00 to make the distribution in the usual manner. If you so desire you may make the payment by Agency cheque but the advance is to be accounted for by your paylist.

Dear Sirs:-

Re. Florence Mary Wesaquate- Piapot Reserve
Edenwold, Saskatchewan.

We seek information relating to the above named and indeed this information we seek for the above named.

It seems that in or about 1910 or 1911 Florence Mary was born and it seems that her father was MANIPAWIS, of the said reserve. My information is that in or about 1911 or perhaps 1912 she was adopted by Little Sioux. From that time right up to the present she has continued to be paid treaty money.

Here I should add that she was married to Sam Wesaquate on June 1st, 1923 . Information has come to her husband's attention that she might be deprived of her treaty money and this has greatly disturbed both the wife and her husband.

Will you please advise whether or not there are any grounds for payment of treaty money to her being interfered with?

I wish to refer to my letter of August 18th, 1953, which was in reply to your letter of August 6th, 1953, concerning Treaty payments to Mrs. Eliza Bear Shield.

I am now advised that Mrs. Bear Shield is a member of the Standing Buffalo Band of Indians. Indian Superintendent,
File Hills Qu'Appelle Indian Agency,
FORT QU'APPELLE,
Sask.

We are returning herewith your mailing list which was forwarded under cover of your letter of October 29th, 1953, your file 114/28-1. With few exceptions this list may be quite in order. However, in view of our experience with these lists during the course of the past six months it has shown that this system of payment will not work 100% in any one particular Band. It will not work where collections are to be made, where split payments to a family are to be made and where the payee has no reasonably fixed address, etc.

We have been deleting these names from the lists submitted to the Cheque Disbursement Division and forwarding a small advance to the Superintendent to handle these cases by Agency cheque from his office, to be accounted for by credit vouchers.

Well in advance of the next Treaty payment, however, it is expected that revised instructions will be forwarded to the Superintendents. It will not be necessary that this list be re-typed but you may keep it on file and delete any cases from it where you think payment should be handled by yourself. It is asked that no action be taken on your part at the moment to revise the list.

Trusts and Annuities Division.

Your 1953 Annuity Annuity paylist has been checked and the following point is brought to your attention for a report:-

Carry-the-Kettle Band - It is noted that on your Recapitulation Sheet you have indicated that 378 Indians were paid at $5.00 per capita making a total payment of $1,890.00. If there is one Chief and three Headmen in this Band you apparently paid only 377 Indians for a total of $1,885.00. It would appear, therefore, that the total payment to this Band including the Chief, Headmen and other Indians is $1,955.00 instead of $1,960.00 and that the total distribution made in the Agency was in the amount of $9,840.00 instead of $9,845.00. If we are correct your refund should be in the amount of $160.00 instead of $155.00. Please let us have your report on the matter in due course.

Re- D.L.114/28-3-T3 Dec.8,1953- Annuity Paylist

With reference to your letter a/m, please examine both the paylist for Ca rry the Kettle Band and the Recapitulation for the 1953 Annuity distribution, wherein it shows the following:-

Carry the Kettle Band total membership - 382 Indians, including one Indian shown as an absentee(Scott Cherdee #151). His share is shown in the amount due absebtees($5.00). This $5.00 together with the amounts paid to the normally present Indians of Ca rry the Kettle Band make a total of $1960.00.

The Recapitulation sheet shows 1 chief, 3 headmen, and 378 Indians, making a total of 382 Indians, including the 1 absentee, for Carry the Kettle Band making a total distribution of $1960.00.

Further examination of general recapitulation sheet, shows the total distribution as $9,845.00 including the amount due absentees($5.00) with a refund to Receiver General of $155.00.

George: for you info

Examination of the Agency Receiver General Return for May 1953, sheet #3 shows the two refunds to Annuity Vote-540. Agency receipt #31262 amount $5.00 representing the amount due absentees, and receipt#31263 amount $155.00 representing the balance of the Annuity Advance.

I trust this will clarify the matter.

Mrs. Phyllis Bearshield,
Auden, Ont.

Dear Mrs. Bearshield:

We herewith wish to advise that your letter which was submitted to Ottawa dated September 28, 1954 has been returned to this office for necessary action and reply.

On checking our treaty records it is noted that you were legally married to Albert Bearshield, a Sioux Indian from Standing Buffalo Band, File Hills Qu'Appelle Agency in the year 1944. Since that date you assumed the status of your husband and were therefore not entitled to treaty payments as of that date.

You are however, entitled to the same rights as your legal husband, Albert Bearshield, and therefore, you would be entitled to share in any cash distributions that have been made to the Standing Buffalo Band since the date of your marriage to Albert Bearshield. Accordingly, your children born of this marriage would also be entitled to share in any cash distributions made. In this connection I would kindly request that you contact Mr. N.J. McLeod, Superintendent of the File Hills Qu'Appelle Agency, with a view to ascertaining as to whether of not you have received your full shares of anymmonies that have been distributed since your legal marriage to Albert Bearshield.

It is noted that you had your two eldest children in attendance at the Muskowekwan Residential School, Lestock, Sask. This is quite in order as you are entitled to place your children in Indian schools. However, this does not effect your treaty rights in any manner.

Should this not explain your situation to you satisfactory we shall only be too glad to supply you with any further information you may require.

Yours truly,

N. J. McLeod, Esq.,

Reference is made to your 1955 annuity paylist for Carry the Kettle Band, and particularly to No. 151 Cherdee Scott - absent from Canada more than five years, and residing in U.S.A. It would appear that you have taken the position that this man's membership inthe Carry the Kettle Band has been terminated by reason of his absence for more than five years in a foreign country, as provided by Section 13 of the repealed Indian Act. You are advised that this is not in order. There is no section in the new Act covering the situation outlined in Section 13 of the repealed Act, and since this man was in membership last year, he cannot now be removed under Section 13 of the repealed Act. That is, personswho were in membership in an Indian Band on September 4, 1951, cannot be removed on that date or subsequently by virtue of Section 13 of the repealed Act.

If any further explanation is required in this connection by you please advise, otherwise please amend your copy of the paylist to show $5.00 due Cherdee Scott as an absentee for 1955, and continue to show him on the Band membership list until he no longer qualifies under the present Indian Act for such enrollment.

Re: 1956 Annuity Payment.

I propose making the 1956 Annuity Payment as follows:

April 16, 1956 - Pasqua Band.
April 17, 1956 - Muscowpetung Band.
April 18, 1956 - Piapot Band.

Reference is made to your voucher #1216, dated July 16th, 1956, requesting payment of oil distribution shares for May 1952 and January 1953 due Mr. George Keewatin, #84, Okanese Band.

The money forwarded on your Receiver General Return of January 31st, 1953, sheet #10, Page 3, was put into a Savings Account at that time, for George Keewatin.

No action, therefore, will be taken on voucher #1216 and you may so advise Mr. Keewatin.

Re: 1956 Annuity Paylist.

Reference is made to Departmental letter dated October 25th, 1956 in regard to certain discrepancies on our 1956 Annuity paylist.

As requested in the first paragraph of your letter, funds now held in our Agency Trust Account for Leslie Rope and Raimey Pinay, mentally incompetent Indians, will be forwarded to the Receiver General on our next Receiver General Return.

Referring to the second paragraph of your letter regarding the page beginning No. 191, Carry the Kettle Band. The error in this case is typographical and occurs under No. 201 - Kate Spencer. The number paid should read "3" and the amount paid "$15.00. We have made the necessary correction on our copy of the paylist.

N.J. McLeod, Esq.,
Superintendent, Indian Agency,
Fort Qu'Appelle, Sask.

It has been noted that the shares of annuity for the year 1956, due to Leslie Rope, No. 142, Carry the Kettle Band and Raimey Pinay, No. 205, Peepeekisis Band, also the share of the December 1955 distribution due to Leslie Rope, were retained by the Agency and placed to their credit in the Trust Account. It is our understanding that both of the above mentioned are mentally incompetent and are patients in a mental hospital. Presumably it was intended that this money should be used for the benefit of these Indians while in hospital, but we must remind you that monies due to mentally incompetent Indians, must be forwarded to Ottawa to be placed in savings accounts in their names.

In view of this, you are requested to forward to Ottawa any monies you may be holding for the credit of these two Indians. When remitting you should indicate on your Receiver General Return the amount that is to be credited to the savings account in the name of Leslie Rope, and the amount to be credited to savings account No. 114-171 in the name of Raimey Pinay.

Please acknowledge receipt of this letter.

W.C. Bethune,

MEMORANDUM TO THE CHIEF TREASURY OFFICER.

It has been noted that the shares of 1956 Annuity payments due to Leslie Rope, No. 142, Carry the Kettle Band and Raimey Pinay, No. 205, Peepeekisis Band were remitted to Head Office on Receiver General Sheet No. 8, dated November 30th, 1956, on which it was erroneously indicated that these two shares were to be credited to Vote 540-810 instead of to the Savings Accounts in the names of the individuals concerned. Similarly the share of the interest distribution made to the Carry the Kettle Band in December, 1955 and due to Leslie Rope was remitted to Head Office on Receiver General Sheet No. 8 and shown as to be credited to Trust Account No. 145, instead of the Savings Account in his name.

Both Leslie Rope and Raimey Pinay are mentally incompetent.

It would be appreciated, therefore, if you will make the following transfers.

1). Transfer $5.00 from Vote 540-810 to Savings Account No. 114-171, in the name of Raimey Pinay, No. 205, Peepeekisis Band.

2). Transfer $5.00 from Vote 540-810 to a Savings Account in the name of Leslie Rope, No. 142, Carry the Kettle Band.

3). Transfer $14.00 from Trust Account No. 145 to a Savings Account in the name of Leslie Rope, No. 142, Carry the Kettle Band.

Dear Sirs:

Re: Mrs. Morris Bear nee Flora Nanipawis

We have been consulted by Mrs. Morris Bear who was born on the Piapot Reserve as Flora Nanipawis, Treaty No. 248. On February 17th, 1939 Flora Nanipawis married Morris Bear an Indian from the Standing Buffalo Band, Fort Qu'Appelle and since that time she has not received her Treaty money. Her last payment of Treaty money was in June, 1939.

Our client finds it very difficult to understand why she should not be receiving her Treaty money over these years when others who have married members of the Sioux of the Standing Buffalo Band have received their money down to recent date.

If Mrs. Bear is prevented by law from receiving her Treaty money by reason of the fact that she married a non Treaty Indian, then she should be entitled to receive her proper share of the Band trust fund as if she became ~~in~~franchised.

Would you kindly look into this matter and let us know what the position is at the present time.

Dear Sirs:

Re: Mrs. Morris Bear nee
Flora Nanipawis.

I have your letter of October 9, regarding monies claimed by the above named as a result of her transfer on marriage from the Piapot to the Standing Buffalo Band.

As indicated by you, the husband, Mr. Morris Bear, is a member of the Sioux Band of Indians who do not receive Treaty payments. When Flora transferred from Piapot to the Standing Buffalo Band, she took on the status of the Standing Buffalo Band and, of course, was not entitled to Treaty payments.

With regard to the question raised in the third paragraph of your letter, please be advised that there was no provision in the Repealed Act whereby an Indian woman received a cash settlement if she transferred from one Band to another Band as a result of her marriage in that Band. Provision in the Act for such payments was made when the new Act came into force on September 4, 1951, and it is only these Indian women who married on or after that date who are entitled to such payments.

It is hoped that this is the information you require.

Yours truly,

Annuity John J.Piapot #307 Piapot Band 8 Dedember 1958

We have received a letter purported to be from John J.Piapot # 307 Piapot Band re his Treaty Monies.

Upon searching our treaty books we have found that he was struck off the paylist on June 9 1939 by Indian Agent Frank Booth and a notation made that John Piapot had been living in the U.S.A. 6 or 7 years prior to June 9 1939. Paylists from 1939 to 1958 do not show this man as being paid.

John Piapot is still residing in the U.S.A. and his present address is Rocky Boy Route Box Elder Montana U.S.A.He is anxious to know if he is entitled any annuity Shares for the period 1939 to 1958 and or Cash Distributions made to the Piapot Band during this period.

Would you please advise us what action you wish us to take in this matter

John J. Piapot, Formerly #307 Piapot Band — January 8, 1959.

Receipt is acknowledged of your letter of December 8, addressed to Mr. McLeod regarding the above named.

We note that Mr. Piapot's name was removed from the annuity paylist on June 9, 1939, by a former Superintendent who made a notation to the effect that Mr. Piapot had been a resident of the United States for 6 or 7 years, therefore, he is not entitled to receive any payments of annuity or cash distributions made to the Piapot Band since that date.

Under the provisions of the present Act, however, Mr. Piapot's name may be placed on the General List in which case he would again be entitled to receive payment of annuities from the date of which such action was taken though he would not be entitled to share in any cash distributions made from Band funds for the reason that he would not be a member of any Band.

If it is desired to have Mr. Piapot's name placed on the General List the full facts of the case should be submitted to the Registrar who will deal with the matter.

114/28-3-3
114/28-4-87
March 13, 1959.

With reference to your letter of March 4th, you have not stated any reason why the information regarding Mrs. Pascal has been passed to Ottawa and we presume you are under the impression that she was not entitled to payment of annuity or cash distribution shares for the year 1956 to 1958 inclusive.

We would therefore remind you that regardless of the fact Mrs. Pascal, who was formerly Mrs. Alfred Gopher of the Kahkewistahaw Band, was enfranchised in 1954, she regained her Indian status on the day she married Norbert Pascal of the Pasqua Band. On that day she became a member of her husband's Band entitled to all of the rights and privileges enjoyed by the other members of the Band including the right to receive annuity payments and share in any cash distributions made to the Band.

Annuity Payments - Mrs. Norbert
Pascal No. 174 Pasqua Band.

March 19, 1959.

This will acknowledge your letter of March 4, in the above connection.

Because of an opinion given by the Legal Adviser, it appears that Mrs. Pascal may not be entitled to share in annuity and trust fund cash distributions. However, there is a proposed amendment to the Act, which if implemented, will qualify women such as Mrs. Pascal to share in these distributions. For the time being and until further notice, it is asked that you do not make any cash per capita payments, of either annuity or trust funds to Mrs. Pascal but do not remove her name from the membership list or from the paylist.

If it should develop at a later date that she is entitled to these payments, there would appear to be no reason why she could not receive arrears if there are any due her.

We have noted a discrepancy in the 1958 Pay list for Annuity Distribution in the Pasqua Band for Ida Rowena McDonald, No. 282, resulting in an overpayment in the amount of $5.00. Three people were paid instead of two. We assume it will be in order to request repayment from her. It is noted that she may possibly be receiving something from the Estate of Amelia McDonald, file 9114-95. Please advise.

Chief, Reserves and Trusts

1959 Annuity — September 30, 1959.

On your Receiver General Return dated September 22nd, 1959, you remitted three shares of annuity to be placed in savings for Edith, Willard and Lester Pasqua, No.276 Pasqua Band. This is to advise you that these funds are not being placed in Savings but are being returned to the annuity vote.

There are no Savings Accounts being held for these children and you have not given any indication why it was found necessary to fund these shares.

It is noted that Norma Pasqua, the mother of these children, was enfranchised in May 1959 as a result of her marriage to a non-Indian, nevertheless if she is caring for these children then their shares should be paid to her. Otherwise they should be paid to whoever is looking after them.

With regard to the funding of shares of annuity we would refer you to Department circular file HQ/28-5 (RT) dated March 8, 1955, which indicates the funds acceptable for savings. When remitting funds for savings you should state the reason why this action was found necessary.

This will acknowledge your letter of September 30, 1959 regarding the above. We wish to advise that the above children, namely Edith and Willard are presently wards of the Saskatchewan Government and Lester is now in a Foster Home on the Reserve, but at the time of Annuity Payment he was staying with another family on the Reserve pending settlement of Foster Home Placement. In view of the foregoing it is recommended that their share be retained in the annuity vote until required.

Following a check of your 1960 annuity paylist, we have to bring the following to your attention.

There appears to be an error somewhere on the page begin ing with #353 Carry The Kettle Band. In the first place you show a total at the foot of the page of 486 paid whereas the numbers entered total only 485. Secondly, for #359 you show 1 in the family, 1 paid, cash paid $5.00, funded $5.00. You are asked to check the detail on this page and then advise what corrections are to be made to our copy of the paylist.

May we also remind you that when preparing the recapitulation, Chiefs should be shown as paid $25.00 and Councillors or Headmen $15.00 each, with the remainder of the Indians at $5.00 each. We have corrected our copy of the recapitulation but you are asked to amend your copy to insure that future paylists are completed correctly.

Will you also see that in future all Chiefs and Councillors are indicated on the paylists, quite a number of them were overlooked this year.

This will acknowledge your letter of October 3, 1960 regarding the above. A check of our paylist indicates the following:

On the page beginning with #353 Carry The Kettle Band the total shown of 486 is correct in that a newborn appeared on # 353 to show a total of 2 and 2 paid, however when the transcript was made from the feild copy to your copy the figures entered were incorrectely typed. No. 359 should not show 1 paid cash $5.00 but should show funded $5.00.

We have made the following amendments to our copy of the paylist.

(1) #353 - show total 2, Number Paid Cash 2, amount paid $10.00

(2) #359 - delete $5.00 paid Cash.

We have amended our paylist as requested in the third paragraph of your letter.

1960 Annuity. Sept. 11, 1961.

It has been brought to our attention that Willard Thomas No. 289 Peepeekisis Band was paid a share of 1960 annuity on May 13, 1960, also that he was declared enfranchised by Order-in-Council, dated May 5, 1960. This overpayment represents a debt to the Crown and is to be collected and remitted to Ottawa.

Similiarly, Robert Keith Keewatin was paid a share of the 1960 annuity on May 14, 1960 and he also was declared and enfranchised by Order-in-Council dated May 5, 1960. This overpayment also represents a debt to the Crown and is to be collected and remitted to Ottawa.

We wish to remind you that when Applications for Enfranchisement have been completed and forwarded to Ottawa, payment of annuity and cash distributions to the individuals concerned should be suspended until advice has been received that enfranchisement has been approved or refused, at which time any arrears due may be paid. The purpose of this is to avoid overpayment such as has occurred in the above cases.

Sir:-

I respectfully beg to advise you with reference to annuity payment the 20th of this month, and to be advised in connection with the following:-

It has come to my notice that The Morley Trading Co is advancing credit to the Stony Indians on their annuity and is retaining their identifycation (annuity) tickets in security for payment of debts so contracted; Last year I refused to recognized any transactions of this kind and have advised both the Indians and outsiders that I cannot without special authority collect unauthorized debts from annuity moneys; It would appear that the above Co have a considerable number of tickets and when the head of a family has not his or her ticket considerable delay and confusion is caused during payment, and a liability to errors. Also it would turn the Agency Office into a collecting agency. if we undertook to make such collections.

I beg to be advised by wire if annuity tickets can legally be held by outsiders in security for such debts if I will demand them or simply issue new tickets.

Yours obediently

Sir,

The name of Eli Green, and daughter, No.157 of Wesley's Band, of this reserve was inadvertently placed on the Annuity pay-list this year, and his money, $10.00, held in the safe for his return. This family, however, was transferred by the Department to Samson's Band of Hobbema in April last, and this fact had been overlooked in making payments here. I am therefor enclosing herewith cheque for Ten dollars, the amount of annuity held. I have made the necessary alteration in the office copy of pay-list. I regret the error,

Sir,

With reference to attached Voucher, No.133, I beg to state that Eli Green who was transferred from No.157 Band of this Reserve to the Hobbema Agency in July 1922, by the Department's letter of the 6th. April, 1922, No.173738-3F, has made application for arrears of annuity money for his child, Julia Green, for the years 1919, 1920, 1921. His claim appears to be in order.

It appears that in the early spring of 1919 this man lost, by influenza, his wife and two daughters; one of these daughters, however, was a child of two months whose name was not on the annuity pay-list. In making the payments in 1919, and the subsequent two years, this daughter was taken, in error, to be one of the two girls already on the list, and in consequence one was struck off. This was an error.

Because of this family being so much away from the reserve, the error was not picked up till after the payments in 1922, and at the payments in 1923 it was overlooked.

Sir:-

In examining the Stony Annuity pay-lists, it is observed that under No. 140 of the Bearspaw Band you paid one man, one woman, two boys and one girl. At the last distribution, you paid two girls, but you have not now accounted for the decrease of one. Considerable trouble is caused by your entering this family as though six persons were paid, but these figures would not make the totals at the bottom of the page agree. No. 99 Chiniquay: It is observed that you have transferred a woman from here to No. 108, but have added a woman from 178 of the Bearspaw Band. It is hoped that you are not encouraging an Indian to set aside his first wife and take another wife. Explanation is desired.

A.F. MacKenzie,

Ottawa, October 28th, 1931.

Sir:-

I wish to direct your attention to the following discrepancies in the annuity pay-list which you recently forwarded to the Department:-

In the first place it is observed that you have not properly filled in the column headed "Number Paid When Last Paid".

I also wish to point out that you have transferred a boy from No. 147 Bear's Paw Band to No. 116 Chiniquay Band, but you have not quoted the authority for making such a transfer.

You also state that a girl is transferred from No. 161 Bear's Paw Band to No. 41 Chiniquay Band, but it would appear that she has not been paid under that number. Kindly explain.

You entered in the pay-list as paid to No. 61 Wesley Band - $10.00, instead of $20.00, which correction has been made here.

Please explain why you paid $5.00 arrears to No. 148 Wesley Band.

Account for the decrease of one share paid to the family of Job Beaver, No. 200 Wesley Band, and give the reason why you have paid $5.00 arrears to No. 204 of Wesley Band.

Account for the increase of one person paid under No. 83 Chiniquay Band.

In future, you should see that your clerk properly checks over these lists before transmitting them to the Department. He has headed the Wesley Band with the name Bear Paw. Small errors like these are apt to lead later to confusion.

Dear Sir :

In reply to your letter of the 28th Oct., re discrepancies atc., in last treaty book, I have discussed this matter with Mr Stocken, late clerk at this agency who is now living at Banff, and have to advise you as follows :

With reference to transfer of boy from 147 Bearspaw to 116 Chiniquay Band without authority. This action was deemed to be in order by virtue of a ruling received some time ago in connection w with the application of Geo. McLean to transfer from Bearspaw to Chiniquay Bands. Commissioner Grahams letter of 17/2/30 reading in part as follows " For your information I might say that the Stony Agency consists of just one Reserve; therefore, the Indians are all equally interested in the reserve..... The bands that come under the different headings in your Agency are really only one band although they go under different names. I therefore see no reason if Geo. McLean wants to transfer from the Bearspaw Band to the Chiniquay Band, why this could not be allowed."

Hanson Twoyoungmen 161 Bearspaw Band was left a widower with 4 girls and one boy and his children were adopted by relatives; 1 girl to 146 Bearspaw Band, 1 girl to 46 Chiniquay Band and 1 girl and 1 boy to 113 Bearspaw Band.

$10.00 61 Wesley Band was an error in copying.

$5.00 arrears was paid to John House of Nordegg, 148 Wesley Band for a boy born a few days before the 1930 payment and which had not been previously reported.

A boy was transferred to #154 Wesley Band.

$5.00 arrears was paid to Moses House, Nordegg, #204 Wesley Band for a boy born a few days before the 1930 payments and which had not been previously reported.

One girl was transferred from 182 Wesley Band, the man being a widower, to a relative Jacob Twoyoungmen #83 Chiniquay Band.

The errors and ommissions are regretted and can only be explained by the fact that the Clerk, Mr Stocken, was in very poor health and was attempting to carry on his work when he was in no physical condition to do so.

Sir,-

The Department is in receipt of your telegram of the 30th instant, stating that the Agent at Morley is asking that the annuity money be forwarded at once. I beg to state that the Bank of Montreal, Winnipeg, has been requested to forward this money on Saturday, June 4th.

In this connection the Department desires to draw the attention of Mr. Hinton to the fact that had he replied to the Department's letter of the 26th April within a reasonable time the necessity for sending this telegram would have been avoided. Mr. Hinton should be requested to reply promptly to the Department's correspondence. Telegrams should only be sent in very urgent cases when time will not admit of transacting the business by correspondence. In the present case there does not appear to be any valid reason for Mr. Hinton not attending to this matter by letter.

Sir:-

I beg to acknowledge your letter 3-IOIB of the 7th instant, regarding dates for annuity payments.

It appears that annuity payments have generally been paid here early in the fall of the year, last year being one of the exceptions when they were paid early in June. I have a copy of your letter to Mr. Christianson, No. I3II3-3B of the 8th instant, regarding the possibility of receiving the money from the Ghost River Power Development, and on enquiring of the leading Indians here, I find that if the last mentioned money is available in the very near future, they would prefer that annuity be paid about Sept Ist. This would provide them with money to stake them with supplies for their hunting trips. If the Ghost River Power money is not available the Indians would like to receive annuity money around June Ist.

Clerk in Charge.

Sir:-

I have forwarded to you today, under seperate cover a copy of the Annuity Pay-List for this Agency.

Enclosed herewith please find Statement, in duplicate covering the Annuity payments, also find enclosed Agency Cheque for $130.00 (No. 23483) unused balance, as per Statement.

I wish to draw your attention to No. 194 Wesley Band, Jno. Poucette. You will note there are two on this Ticket, a man and a woman. The woman was a non-treaty Indian from Rocky Mountain House, and about two years ago left Jno. and went back to her people. In the meantime, Jno is living with another woman on the reserve here. One year ago, Mr. Hinton the then Agent kept $5.00 from Jno., but was unable to locate the woman in question. I also held back $5.00 this year and with that of last year is still in the Agency safe, and I would like your instructions in the matter. At the time this couple seperated, I believe they were living at Nordegg, and no doubt it would be possible to find the woman now with very little effort, but the fact that she previously was not a treaty Indian and left her husband prompts me to get your advice.

Sir:-

I beg to acknowledge your letter 3-119 of the 30th ultimo, regarding the transfer of two Chiniquay Indians to No. 212 and 213 Wesley Band.

I may say that the two Indians in question have lived with the Nordegg Indians for years, and these are part of the Wesley Band. They both married girls belonging to the Nordegg band and on getting a ticket of their own at last Annuity payment requested that they be enumerated as belonging to Wesley Band.

In this connection I wish to refer to your letter 3-119 of Oct 28th, 1931 regarding a similar case, and Mr. Hinton, the then Agent's reply of Dec 10th, 1931, in whihh he quotes Commissioner Graham regarding Indian Geo. McLean as follows:-

" For your information I might say that the Stony Agency consists of just one Reserve; Therefore, the Indians are all equally interested in the reserve..... The bands that come under the different headings in your Agency are really only one band although they go under different names. I therefore see no reason if Geo McLean wants to transfer from Bearspaw Band to Chiniquay Band , why this could not be allowed."

I may say further, that there are a few other Indians similarly placed as the two Indians mentionad above, and if it is not your wish that they be transfered, I shall be pleased to be advised.

REDSKINS' TREATY PAY

Squaws and Babies in Prairie Ceremony

From PAUL BEWSHER, Our Special Correspondent

MORLEY, Alberta, Tuesday.

LITTLE clouds of dust are moving down the pine-clad hills to the valley where a broad river winds. Along the road come trotting three horses. The first two are ridden with superb grace by grave-faced Red Indians, dressed in blue suits with two short, black, pig-tails hanging beneath their wide Stetson hats.

The third is ridden by a squaw—a brightly coloured figure with a vivid purple silk handkerchief tied round her calm Mongolian face, and a red and green shawl above her pink dress.

Behind them comes a rickety cart, on the floor of which sit together a group of squaws and round-faced children, dressed in gorgeous blues, scarlet, and mauves. More and more Indians on horseback or in carts come down the dusty roads—a cavalcade of gay colours, threading through a wide green valley amid rolling hills.

UNDER THE UNION JACK

The horses and carts are making their way to a small riverside settlement of white wooden houses, above which the Union Jack floats.

The Stoney Indians are coming to receive "treaty money." This is one of the most important events of the year for the tribe—since they are being given the payment which is made every year by the Dominion Government as a recognition of the fact that it owes the Indians some recompense for their surrender of all rights to the Crown, in perpetuity.

There are nearly 700 Indians of the Stoney tribe in all, living in tents and shacks scattered [illegible] money. One by one the men are called into his office. The agent sits at a desk on which is a great pile of new $5 (£1) bills. Standing beside him is a tall handsome constable of the Royal Canadian Mounted Police in full-dress uniform with a Stetson hat, scarlet tunic, blue riding breeches (with a broad yellow stripe), and high riding boots.

In the room is also the missionary and schoolmaster, the Rev. E. J. Staley, of the United Church of Canada—the third representative of white man's civilisation. A grey-haired old Indian walks slowly into the room.

"Luke Powder Face," says the agent.

"Two in the family," says his clerk looking at his book. With a smile the agent hands the old man two $5 bills and he walks out.

When one smiling Indian has given his name, the clerk says, "Six in the family." The Indian protests there are seven in the family.

"How is it that the book says he has a wife and four children?" asks the agent. The interpreter says, with a smile, "He says that to-morrow or the next day there will be five children."

"Well, if that is so," says Dr. Murray, "I will put this five dollars aside for the new arrival."

Morley, Alta, Dec 3rd, 1936

Sir;-

I beg to report that that I made an overpayment of Annuity, to George Two Youngmen, an Indian who lives at Nordegg, No. 176 Wesley Band. The girl shown as having been transferred from 162 B, died before Treaty payments; the $5.00 has been returned, and is part of the draft forwarded to the Receiver General Account, this mail.

In explanation, I may say that this man was out in the mountains when I was in Nordegg making the payments. I made careful enquiry, regarding births, deaths etc., but none of the Indians appeared to know anything concerning a change in Two Youngmen's family. Stuart Kidd of Nordegg, who is the Registrar for that part of the country, and is good enough to keep me posted regarding vital statistics, also knew nothing about the death of the child. I therefore left the money in a sealed envelope and when the Indian came to Nordegg, his money was paid, and the overpayment discovered.

Correction has been made in the paylist here, and I trust you will find this procedure in order.

W Ban Murray

Sir:-

With reference to the pay-list of the distribution of annuity money to the Indians of the Sarcee Agency for 1916; I beg to draw your attention to the following remark:-

No. 168 Bull's Head Band. At the distribution of annuity money in 1915, three shares were paid under this number. In 1916 five shares were paid. The increase was accounted for by the transfer of a woman and a girl from the Stony Band to Bull's Head Band. This information is not sufficiently definite. You should state whether this woman is married to this man ~~of the latter Band, and if so you should state his Band number~~, and you should also inform the Department of the band & band number under which she was paid in the past with the Stony Indians. You should also quote the authority for the transfer of the girl. Transfers should not be made, except in the case of marriage, without the consent of the Band approved by the Department.

In future you should complete the additions on each page of your pay-list and carry forward the totals before you forward the pay-list to the Department.

Sir,—

Referring to your letter No.427,001-20, dated January 3rd last, and which was locked in the late Agent's desk until May 1st, I have to say that the woman transferred from Stony Band to BullsHead Band No.168, was married to this man by Rev.Archdeacon Tims. The girl is her little daughter, somewhere about four years of age. Both mdther and daughter were paid in 1915 as girls on widow Bigwoman's ticket, No. 82, at Stony Agency, but were not paid in 1916.

While I am aware that no transfer, even of minor children, should be made without the consent of the Band and approval of the Department, except inthe case of marriage, I presume that the late Agent, in view of the fact that both the mother and the grandmother of the girl were married and living on this Reserve, considered that an official transfer was scarcely necessary.

Sir,—

I observe that the other Indian Bands in Southern Alberta are being paid their Annuity in July this year. The Sarcees have also heard this, and of course wish to be paid this month as well. I see no reason why they should not be paid on or about the 26th Inst. as this would give sufficient time for arrangements to be made, and the money would then be of assistance in beginning the haying season.

To wait until the close of the season and when all work is done, as last year, throws it very late, in fact, entirely disposes of the argument that the money would then be used in providing for cold weather, as last year the Annuity was paid only about a week before Christmas.

I would recommend that the money be sent and payment made before the end of this month.

I beg to say that the Department received the paylist, which you submitted recently, of the distribution of annuity money to Indians of the Sarcee Agency, and I have to point out that your clerk did not affix his signature thereto in the proper place. His signature was required as clerk or paying officer at the end of the paylist and had it appeared there only, the Department's requirements would have been met.

Enclosed herewith please find statements of disbursements of Annuity and Lease Monies and Cheques Nos. 19107 and 19108 as balances of same. The Treaty Book and Lease Money papers are going forward under separate cover, by concurrent mail.

You will note that 152 Indians are paid Lease Money while 150 enjoy the Treaty payments. This is due to the fact that John Crowfoot, No. 135, does not wish to draw Treaty money for his white wife and her child but desires to participate in the distribution of the Lease Money for them. Precedent for this was established in the 1920 distribution.

Sir,—

With reference your letter of the 14th inst., with copy of letter from Reverend Father Riou, regarding the family of John Whitney, Sarcee Indian Reserve, I beg to report as follows:-

This man Whitney is known as John One Spot, Treaty ticket No.135. The name Whitney is that used by his second wife and her children. Up to 1929 One Spot has drawn Treaty money for himself and three daughters, children of his first wife. On the 18th of October, 1916, One Spot married Victoria Hodgson, daughter of George Hodgson the former Farm Instructor of this Agency. This new wife of One Spot's refused to accept Treaty money. She has had four children by One Spot as follows:-

John	born	Oct. 3.1917
Roy	"	Oct. 14th, 1921
Billy	"	May 19th, 1923
Joyce	"	May 19th, 1928

As each Treaty Payment has come around I have endeavoured to persuade Mrs. One Spot to accept the Treaty payment for herself and these children. Last December the Department made a $10.00 per capita payment of Lease Money to the Sarcee Indians. At that time Mrs. One Spot desired to share in that money distribution for herself and children. I advised her that I could only make payments to those whose names were on our Treaty book. I then urged her to allow me to place her name on our Treaty book and I would then be able to pay her the Lease Money. She again refused this offer. On two occasions since then I have taken up this matter with her and pointed out the advantages to her of accepting Treaty and she finally consented last month, on which occasion, to wit 30th April, I wrote to the Department and received the Department's letter No. 3-120 dated May 6th, 1930 authorizing me to place their names on the Treaty book and also to submit vouchers covering back Treaty and Lease payments.

The difficulty with Mrs. One Spot has been that she did not want her children and herself to be classified as Treaty Indians. At all times she has enjoyed every privilege of this Reserve and I have personally confined her at our Hospital for the three children born during my tenure of office.

AIR MAIL

Dear Sir:

It is noted that you have to date neglected to forward paylists accounting for the following advances made to you since last June: $875.00 was advanced on June 26th, 1941 to cover annuity distributions to Indians of your Agency; $170.00 was advanced on October 3rd, 1941 to cover the distribution of lease money to the Indians of Sarcee Band; $855.00 was advanced on January 26th, 1942 to cover an interest distribution to members of Sarcee Band.

It is not understood why you have neglected to forward your 1941 annuity paylist at an earlier date. It is considered that this paylist should be in Departmental hands not later than September 1st. I would ask that you please bear this in mind when compiling your 1942 annuity paylist. It is also considered that the paylist accounting for the lease money distribution should have been received early in January.

You are requested to forward paylists accounting for the above mentioned advances without further delay as the advances must be accounted for before the 31st of March, 1942.

AIR MAIL

Dear Sir:

I wish to direct your attention to the fact that Indian Agent T. F. Murray, Calgary, has to date neglected to forward paylists accounting for the following advances: $875.00 was advanced on June 28th, 1941 to cover annuity distributions to Indians of Sarcee Agency; $170.00 was advanced on October 3rd, 1941 to cover the distribution of lease money to the Indians of Sarcee Band; $885.00 was advanced on January 26th, 1942 to cover an interest distribution to members of Sarcee Band.

It is the opinion of the Department that all advances should be accounted for by Indian Agent Murray within a period of at least two months of the date he receives such advances, and Dr. Murray has been so advised. I shall be pleased if you will request Indian Agent Murray to submit his paylists to cover the above mentioned advances without further delay, and also to personally see to it that all future advances are accounted for by Agent Murray in accordance with instructions.

Dear Sir:

To date the pay-lists have not been received, and as the advances must be accounted for by March 31st, it would be appreciated if you could arrange to have Indian Agent Murray forward these pay-lists immediately.

It is hard to understand why we have so much difficulty in having this Agent account for advances and in this connection I would appreciate receiving a report from you after you have interviewed the Agent.

No. 213 - Are we correct in assuming that the 2 children shown under No. 213 are the illegitimate children of Mary Big Belly.

No. 127 - Your last years paylist shows 1 man, 1 girl while this year you have shown 1 man, and 1 woman. Is Sophia the legal wife of Tom Many Horses; if not she should have been transferred to her own number and shown there as a woman.

No. 166 - Please let us have a report on Hector born May 17th, 1947. Is he an illegitimate? Who is the father; if Indian please give his Band and Band number. Is the child living on the reserve?

No. 172 was shown as a boy last year and as a man this year. You were correct in transferring him from the boys to the mens column when he became of age only if there never before was a man shown under this number, otherwise he should have been transferred to a new number as a man.

Re: Annuity Payment Sarcee Band

The first annual interest payment to the Sarcee Band will be made on April 13th next. It is a date arranged to work in with the Department of Health and Welfare X-Ray itinerary.

It would therefore be appreciated if we could be supplied with an accountable advance of $1125.00 sufficient to pay 225 members of the Band at $5.00 each.

There is a possibility that payment may be made as early as April 11th and it would therefore be appreciated if these funds could arrive on April 9th at the latest.

We shall also require an advance of $4375.00 to pay interest to 875 members of the Stony Band on April 16th and 17th. This is a $5.00 distribution per capita and it would be appreciated if the funds could arrive not later than April 10th or 11th.

The following advances to pay annuity to members of the O'Chiese and Sunchild Cree Bands will be required on May 1st so that the payment can be made May 10th and 11th.

O'Chiese Band - 70 Indians at $5.00	$350.00	
1 chief - $25.00	25.00	$375.00

JUL 14 1943
REGISTERED

Calgary, June 28th, 1943.

Doctor Harold W. McGill,

Director of Indian Affairs, Dept. of Mines & Resources,

O T T A W A.

Dear Doctor McGill:

Re meetings held at the town of Rocky Mountain House, Alberta, on May 27th and 28th, 1943, with the Saulteux and Crees -- non-Treaty -- residents of the Rocky Mountain House district, for the purpose of offering them the privilege of signing adhesions to Treaty No. 6, and being brought within the provisions of the said Treaty, we beg to report as follows:

On Mar. 29th, 1943, Inspector C. P. Schmidt of Calgary, addressed letters to twelve (12) members of these groups of Indians, informing them that a meeting was to be held at Rocky Mountain House on May 26th; these were sent to Mr. Henry Stelfox of Rocky Mountain House, to be delivered by him. Acknowledgment of these letters was made to us by those to whom they were addressed, at the meeting on May 27th; one only (John O'Chase) being absent; he, however, had acknowledged receipt of the letter addressed to him by writing to the Inspector to say that he would not attend: (Vide Inspector's No. 15-6 of May 20th, 1943, and the Director's telegram of the 26th idem). Also, members of the R.C.M. Police in charge of detachments at Rocky Mountain House, Nordegg, Evansburg, Rochfort Bridge, White Court, were asked through their Officer Commanding at Edmonton, to inform any of the Indians whom they would meet on their patrols, that the meeting was to be held, giving the place and date. We are quite satisfied that the meeting, and the purpose for which it was to be held, was made known to these people.

We arrived at Rocky Mountain House on the evening of May 26th, when we met a number of the Indians, and arrangements were made for a general meeting to be held the next morning, at 10.00 A.M., at the Legion Hall in town.

May 27th:

The meeting was opened by us at 10.00 A.M. Mr. Henry Stelfox was present.

John White, a Halfbreed from Ponoka, Alberta, who for many years was official interpreter at the Hobbema Indian Agency, acted as official interpreter for the meeting. Several of the Indians understand English; they also had with them a Treaty Indian -- George Giroux of the Lesser Slave Lake Indian Agency, an ex-pupil, who speaks very good English -- to follow the interpretation given by John White.

The Indians were divided into two groups in the hall: The larger group comprised Saulteux, with a number of Crees who are intermarried, and have been living with them for some time; the other group comprised Crees, amongst whom were a number of Halfbreeds who mix -- not to say live with them, and who more or less follow the Indian mode of life. In mentioning that they were divided into two groups, we do not wish to convey the idea that there is any ill-feeling or friction between these groups; the reason is, we believe, purely ethnical.

The conditions of the Treaty Adhesions -- Viz., what they would receive immediately, and what they were to receive in future, were fully explained to them, and we are satisfied were well understood by all men and women present.

The Indians were then asked if they had any questions to ask, or any remarks to make:

(1) Joseph Strawberry of the Saulteux Group spoke first, and said: " Our leader, John O'Chase, is not here; we

"we want a place to live and we consider this part of the couhtry is ours. We are accustomed to living in this part of the country; we were here first, before the White men came; this country around here is ours."

(2) John Strawberry, Sr., (aged), spoke next, and at some length, saying:

" The Almighty has placed us here on this land many years ago and gave us game, fish and fowl for food, and clothing." He then stressed their rights, by precedence over the White man, to the land (territory), concluding his talk by saying:

"I want the piece of land on the Baptiste River where we camp, to be kept for us and no Whites to live there; I also want ammunition and fish nets, and the right to hunt, trap and fish on other lands adjoining this camp site; we have a first right to these lands, and do not have to take Treaty to keep same. I will not take Treaty."

(3) Louis Sunchild, Cree, a young man, (son of the late Chief Sunchild) spoke next; he said:

" I cannot go against the Saulteux with whom I am living; I must say like them; I won't take Treaty."

(4) Mike French-Eater, Saulteux, then spoke, saying:

" I will follow the men who have already spoken; others still have to speak."

(5) Jim Yelloweyes, (brother of the late Chief Yellow Face), who also acts as a "would-be" leader of the Saulteux groups with whom he lives, spoke next, saying:

" I am afraid to take Treaty: We should not have to take Treaty in order to hold (keep) what God gave us -- this land, game, fish. My father brought me here more than 20 years ago -- many years ago; he wanted this distribt to be ours to live in; he would not take Treaty; if we take Treaty I will feel that we are giving up our rights to this land, which I believe is ours by right. I was born at Lac St. Anne."

(6) Louis Yelloweyes, (son of the late Chief Yellow Face) spoke next, and said:

" My father was a Saulteux; my mother a Cree. A short time before his death, my father said to us: 'This country (territory) is ours; we Indians were here first; if we take Treaty we will be giving up our rights to our lands. Treaty Indians cannot do as they please; they must have permission to sell stuff; they cannot go where they please; White men will crowd us out of our territory; we will lose our freedom.' For these reasons I will not take Treaty."

(7) Pete O'Chase, (son of John O'Chase who wrote saying he would not be present), said:

" My father is a Saulteux; my mother a Cree; I do not want Treaty."

The meeting was then adjourned until 2.00 P;M. The offer was made to a number of Indians whose camp was some distance away, to have lunch together at a local Cafe; this offer was made as a gesture of friendship; a number hesitated at first, saying they would buy their own meal; finally they consented. Constable McMullen, R.C.M.P., and John White, the interpreter, accompanied them to the Cafe.

At 2.00 P.M. the meeting was re-opened:

(8) Joe Lagrelle, Cree, a member of the Cree Group, spoke first, saying:

" The Government sees far ahead; we Indians are blind-folded. The Government is offering us things that are good: Treaty and a Reserve so that we may have a home in future; also education, medical care; also they will look after our old and poor people. I want Treaty, a Reserve, and hunting and trapping grounds; also a lake for fishing, which we can call our own."

(9) Paul Big Child, Cree, spoke next saying:

" I want a Reserve close by -- not far away; also necessary articles to make a living; also permission to hunt and trap in the territory near the Reserve. I want Treaty and a School; also food and implements to help us start farming."

(10) Albert (Ward) Little Bear, Cree, spoke next saying:

" I would be very glad to have Treaty and a Reserve. I feel bad when I go to a Sun Dance on a reserve and am told that I have to leave -- go away. I then feel that these people are well off while me, I have no home of my own."

(11) Mrs. (Widow) James Day Chief was asked by the Indians to speak; she said:

" I am satisfied with what the Almighty gave us: our lands around here, game and fish. You offer us help; we appreciate your offer, but I think we are sufficiently provided for by the Almighty; I do not want Treaty."

(12) Mrs. Paul Beaver then said:

" I cherish what God gave us: this land and game; I am satisfied with what we have; for this reason I am afraid to make a change to do something different. What we have, God gave us, and we should be satisfied; I do not want Treaty."

(13) Mrs. Nataoway said:

" I am glad to be here; we are all under the Almighty; one woman arranged matters for us; you also believe this; I am putting myself under her protection. I am opposed to taking Treaty; I do not want my younger people to take Treaty. We know how to make a living on the land the Almighty gave us."

(14) Joe Yellow Face spoke next, saying:

" I am satisfied with the way I am making a living."

(15) Jim Red Calf, Saulteux, living with the Cree Group, spoke next, saying:

" I have been here for eight years; I come from the Maple Creek-Cypress Hills, Saskatchewan, district. I am in favour of taking Treaty."

(16) Pat Chippewa (Iron Bow), Saulteux, said:

" I am satisfied with what has been placed here in this territory for me, by the Almighty. I would like to have things fixed up so there can be no trouble for us, so we can live freely. I agree with what old Yellow Face, deceased, said. I was placed in this land to make a living; I don't want Treaty."

(17) Joseph Strawberry (Vide No. 1) said:

" I want to talk once more: John O'Chase is at White Court; he is supposed to be looking for a better place for us to live; he can't find it; I want this land kept for us; I have been crowded from the East side; I am now as far back as I can go; the hills and mountains are now in front of me; I cannot go any farther. I hunt in winter; work for outsiders in summer. With Department help we get along well; I would ask you to help us keep this land we now have for ourselves; keep outsiders from coming in.

" Yours talks make us think this land is not ours; we ask you to take this matter of lands up with the Government and have them kept for us."

It being 7.00 P.M. he suggested having another talk in the morning. Louis Sun Child (Vide No. 3) - a young man, also asked that this be done; it was arranged that we meet at 9.00 A.M. the next day.

May 28th:

The Indians were slow in coming this morning. Several Saulteux did not come. By 10.30 A.M. the meeting was opened:

Joe Strawberry (Vide No. 1 and 17) was the first to speak; he said:

" I will be short; I think we understand each other; I think that we should leave this matter alone; I thank you for coming here, and thank you for the good meal you gave us."

Louis Sun Child (Vide No. 3) then spoke, saying:

" What Joe Strawberry said is true; I agree with him. I hope there will be no ill-feeling

Louis Sun Child, (Cont'd)

"towards us. The reason why we don't want Treaty -- young people show their belief in God. We Indians already made one fault; you say Treaty Indians do not sell their lands; we believe we do sell our rights to the land; therefore make a fault. You have done what you wanted to do with the land; you will continue to do so with this land if we take Treaty. We claim this land is ours."

Mrs. Nataoway (Vide No. 13) then came forward saying:

" I want to speak again: The Almighty in heaven gave us this land and what we have. We cherish the land where He put us. I am pleased and thankful for what I have. I don't want Treaty; I thank you for all your trouble in coming here. We will lead a good life."

Old John Strawberry (Vide No. 2) then got up and delivered an oration, beginning with a long prayer, with his right hand raised toward heaven. He then thanked us indivi-ually for coming to them, and placing our proposition before them. He said he would not accept Treaty, and that he hoped we would not be offended; that he wanted to live in friendship and peace with everyone. He thanked us again for having come to them and wished us a happy journey home.

The meeting was at this point ended. As we were preparing to leave, Jim Yelloweyes (Vide No. 5) came forward and asked to be given an hour or two to allow him time to go and see members of his group, amongst whom were his son (or sons) who had not come to the hall during the forenoon; this was agreed to. We went for lunch, promising to be back at 2.30 P.M.

At about 3.00 P.M. a few of them came back, amongst whom was Widow Day Chief (Vide No. 11) with her two sons; the woman spoke to her sons, saying that she thought it might be a good thing to take Treaty. The boys, however -- more so the older one -- would not consent; the younger son said he would be guided by his brother's decision.

Jim Yelloweyes (Vide No. 5) then said that his son (or sons) and those of his group whom he had gone to consult, would not change their attitude, and would not take Treaty; therefore he would not change his ideas and would not accept Treaty either.

On several occasions, between speeches made by the Indians, questions were asked both by the Indians and ourselves, in order to clear up certain points, such as that of Louis Yelloweyes (Vide No. 6) who stated that his late father had said that Treaty Indians could not go where they please: It was explained to him that this was incorrect; that Treaty Indians were free to travel, and went where they pleased in Canada; and that the Department officials and the R.C.M. Police always assisted and advised them when they wanted to cross into the U.S.A.

As regards permits to sell, it was explained that the reason we asked Indians to obtain permits to sell live stock or produce from their Reserves, was also to protect themfrom unscrupulous men, and to see that they got fair value for what they sold.

Several other points were explained and, we believe, were made clear and understood, to their satisfaction.

Attached is a list, showing the families that expressed a desire to come into Treaty.

We are naturally disappointed that our efforts to negotiate a Treaty with the Indians concerned ware not successful, and it would appear that for the present, at least, no further action is warranted.

Dear Mr McCrimmon:-

I promised that if anything further took place in connection with the Non Treaty Indians in this district asking for a Reservation and to be taken in to Treaty, I would let you know immediately. I wish to report, That Chief Louis Sunchild, the Cree Chief, came in to my office this morning And requested that he and his followers be taken into Treaty and given a Reservation of land in the vicinity of the Babtiste River. He handed me a list of names of Cree Indians who requested him to ask for Treaty for them, And he states that he expects the other Cree Non Treaty Indians to ask to be included in the band as soon as they get established on a Reservation.
Louis Sunchild asked me if I would request, that they be taken into Treaty at as early a date as possible.
John O'Chiese the Saulteaux chief who moved to White Court some years ago, Is now spending the winter with the Saulteaux Indians in the vicinity of the Nordegg river. Other Indians have recently told me, that John O'Chiese is seriously thinking of asking for a Reservation of land And to be taken in to Treaty; But so far John O'Chiese has not been in here to see me.
If anything further developes, I will let you know immediately.

Yours truly

EX'D.

Dear Mr. Stelfox:

I wish to thank you for your letter of January 15th last, enclosing the signed request of a number of Rocky Mountain House Indians to be admitted to Treaty. I was particularly pleased to see that Louis Sunchild's signature was included.

It is our intention to have a party of three accompanied by at least two of the more responsible Indians proceed early in the spring to select land for a Reserve. When the selection has been made, arrangements will be completed to have a meeting with the Indians to give them an opportunity to sign the Treaty. It would be appreciated if you would let me know the approximate number of Crees and Chippewas in order that we might determine the acreage required for reserves. When forwarding this information do not include the Gooden families who were notified last year that they could not qualify for membership in an Indian band.

Mr. Crew will be returning to Alberta in the near future and will visit the Rocky Mountain House Indians in connection with their registered traplines.

With kindest regards to you and your family,
I remain,

Yours sincerely,

M. McCrimmon.

Dear Mr McCrimmon.

I am in receipt of your letter dated Jan 25th And note what you say re a party of three accompanied by two or more responsible Indians to select land for a Reserve Etc. Mr Grew has a list of the Indians both Cree and Saulteaux including those at White Court.

I do hope that these Indians will now sign Treaty. I feel sure that the Crees will do so. But am very doubtful about the Saulteaux especially since their old trapping ground viz That territory between the Brazeau and Pembina rivers was given as registered trap lines to the Stony Indians at Wabaumun. I am still hoping that I may have a chance to meet John O'Chiese and have a good long talk with him for although some of the Crees tell me that he is thinking of asking for Treaty I feel sure (knowing the Saulteaux as I do) that this generation of Saulteaux will never ask for Treaty. It would be a happy day for me if they would accept Treaty, I would then feel that the time which I have spent as your representative here had not been spent in vain.

Kindest regards from the Stelfox family

Dear Sir:

The following report is submitted covering the treaty negotiations at Rocky Mountain House with the Cree and Chipawa Indians of that district. Meetings were held there on May 24th and 25th for the purpose of obtaining from the Cree and Chipawa Bands an adhesion to Treaty Six.

The Crees under Chief Louis Sunchild signed the adhesion on the 25th and sixty-one members of his band received their initial annuity payment. Five more shares to be paid to Widow Pat Beaverbones and her family are being vouchered for. Twenty five other members of the band, some of whom were absent from the Rocky Mt. Hse. district, and some of whom were present but refused to accept the annuity payment, together with another ten or fifteen Crees who may appear later, will eventually bring the Band membership up to approximately one hundred persons. Therefore negotiations should be entered into with the Province for 12,800 acres of land as a reserve for the Cree Band.

Three separate meetings were held with the Crees before their objections to signing the treaty were overcome, and it was not until the forenoon of the 25th that the Chief and headmen signed the adhesion. Several Chipawa families joined with the Crees and received the annuity payment as members of the Cree Band.

Twenty-five or thirty Chipawas representing approximately one hundred and fifteen members of the band who have made the Rocky Mt. Hse. district their home were present at the meetings but were firm in their refusal to negotiate with us until John O'Chase, who is their recognized chief, had signified his willingness to sign the adhesion.

John O'Chase was reported to be in the district up until a week or two before the arrival of the Land Selection Party on May 11th. Enquiries were made through the R.C.M.P. as to his whereabouts a few days before the meetings were held and it was learned that he and about 150 members of his band were in the neighbourhood of Mayerthorpe and Greencourt, 25 or 30 miles southeast of Whitecourt. The police detachment in that district also reported that John O'Chase, his halfbreed interpreter David Desparlais and a headman Big John, were advising other members of the band not to attend the meetings at Rocky Mt.Hse. Altogether the Chipawas number approximately 265 people, including the 150 at Whitecourt and the 115 at Rocky Mt. Hse.

It was apparent from conversations with individual members of the Chipawa Band at Rocky and from their behavior at the meetings, that although they will refuse to move until John O'Chase signs the adhesion, many of them are in favour of becoming treaty Indians. It was suggested to them that those present at the meetings should appoint a leader for the Rocky Mt. Hse. group to Act for them and sign the adhesion to the treaty but this they refused to do.

The locality for a reserve, centring around the area on the Baptiste River known as the Chalmers Ranch, has been agreed upon by Chief Sunchild, his headmen, Mr. Wood, the Director of Lands for the Province and your commissioners, and only now awaits the approval of the Minister of Lands and Mines. We have been lead to believe that this approval will be granted as soon as Mr. Tanner returns to the city at the end of this week. Provision for further additions to the reserve to extend north to the Nordegg River and include the area where the Chipewas have made their home, will be suggested to the Minister with the approval of Mr. Wood. The above mentioned areas are outlined on the enclosed plan.

For the present we would recommend that Mr. Henry Stelfox be appointed a part time agent to supervise for the department the establishment of the reserve and the improvements that will be necessary. At a later date it may be possible to include this band in the Hobbema agency which is the one most conveniently situated to the Band. It is 120 miles distant from Rocky Mt. Hse by highway and there is also good rail and bus services operating on daily schedules.

Brushing and clearing of about 200 acres of meadow land at the Chalmers Ranch would be done this summer by the Indians and the land broken and seeded to grass next spring with a nurse crop of oats. As the Indians are not equipped for this work, no doubt Mr. Stelfox could arrange to have it done by a neighbouring settler who has the equipment available. After discussion with Mr. Wood on this matter it is felt that the province would not object to the department going ahead with this work immediately even though the actual survey of the reserve had not been made. It is suggested that the department communicate with the province on this matter and arrange to have the work carried out with the least possible delay as we believe that by so doing a favourable impression will be made on the Chipewa Indians still remaining out of tresty.

A promise was given the Cree Indians that if possible a mower and rake be purchased for them immediately so that they can put up hay this summer. They also requested the department to purchase for them a few sets of harness and Mr. Stelfox will report on their requirements later. We also recommend that when they have sufficient feed, pasturage and stable room, they be supplied with some cattle. Their present live stock consists of a few horses.

Dr. Greenaway of Rocky Mt.Hse was present at one of the meetings for a few minutes and we arranged to meet him afterwards in his office. Unfortunately he was called our of town and did not return before we left. It is suggested therefore that the department communicate with him to make the necessary arrangement for medical attention for the Indians.

The Indians were advised that educational facilities would be provided for them and we wish to point out that these people have their own native beliefs and are very skeptical of the white man's religion. Therefore the utmost care must care must be exercised when school accommodation is arranged for them.

The only means of access to the proposed reserve is 25 miles of bush road which leaves the highway 20 miles west of Rocky Mountain House. It can be travelled by trucks at most seasons of the year but needs some grading and bridging to make it an all weather road for cars.

Dear Sir:-

Herewith is a typed copy of the paylist compiled at the time Rocky Mountain House Cree Band was first paid treaty i.e. May 25th, 1944. Some of the pencil entries are not clear as to spelling and it would be appreciated if you would go over these as well as the entire list and advise whether or not any errors have been made in the copying of it. Particular attention should be paid to No. 24, Jesse Whitecalf. There are penciled notes with regard to Silver Feather. Please let us have as complete information as you can with regard to Silver Feather born 1941, White Angel born 1934, and the Girl born 1938.

Dear Sir:- Re.File 3-I45

I trust the enclosed is what you require. If there is any further information I can give, I will be pleased to do so. Joe Strawberry the Chippewa Head man was in my office this morning and stated that he is moving to the Nordegg river tomorrow in company with other Chippewa Indians, He seemed very perturbed over loosing their old hunting and trapping ground between the Brazeau and Pembina rivers and mentioned that although they had been promised registered trap lines, nothing has yet been done for them in that respect. I gathered from the conversation I had with him, that some of the other Chippewas from White Court are likely to come back here this fall. Some of the Crees have already gone to their winter quarters at the Babtiste river to fix up their houses and to clear brush etc. We have had lovely Indian summer weather the last three weeks. Kindest regards

Yours truly

C.Pant Schmidt Esq
Inspector of Indian Agencies

Calgary, Alberta.

Dear Mr Schmidt:- Re health of Rocky Mountain House Indians.

Dr Greenaway, Medical Health Officer at Rocky Mountain House was discussing with me this morning, the advisability of having all of the Non Treaty Chippewa Indians thoroughly medically examined at as early a date as possible. He stated that he could'nt pass any one of all of the Indians in this district who had received their call and had been examined by him. He stated that they are a menace to the community And that the case of Mrs John Butterfly who recently died with T.B. is an illustration of the seriousness of their state of health. And that it is quite likely, that all of those Indians who came in contact with her before her death may have contracted the disease if they did not have it previously.

Something of a very definate nature ought to be done at a very early date by the Dept of Indian Affairs towards having all of these Indians in this district especially the Non-Treaty Chippewas thoroughly medically examined. I find it impossible for me to cope with this matter of the Non Treaty Chippewa Indians until they are definately taken into Treaty or until I am authorized to take such measures necessary to insure a thorough medical examination of them.

Many of these Chippewas are not registered and absolutely refuse to sign a registration certificate. And I am informed by some of the Crees that John O'Chiese and some of the other Non Treaty Chippewas are exhorting the younger Chippewas (who seemed in the notion of signing some time ago) to have nothing to do with Treaty or the Governments representatives.

The health of these Chippewas and their attitude has now reached such a stage, that it is absolutely necessary that something of a very material nature be done at a very early date, And it ought to be done while they are still in this district and before they are again scattered all over that territory ~~south~~ north west of Edmonton.

I am pleased to co-operate with the Dept of Indian Affairs to the utmost of my ability, but the above matter is beyond the authority ~~invested~~ in me.

Dear Mr McCrimmon:- Re 3-I45

I am in receipt of your letter dated April 20th And may say, That I have notified both the Cree and the Chippewas, that you will be here at Rocky Mountain House on May I5th to pay Treaty and to talk with the Chippewas. I have personally told them, I also made a point of personally seeing John O'Chiese and told him you want to have a good long talk with him. As practically all of the Chippewas were in Rocky Mountain House yesterday, I asked the R.C.M. Police Constable to also notify John O'Chiese and his followers to be sure to be here for May I5th. I have made arrangement for the use of the Veterans Hall for that date.
A few weeks ago it looked as if the Chippewas had made up their minds to accept Treaty, But during the last ten days, their attitude has changed. I am informed by some of the Crees, that John O'Chiese goes from tent to tent exhorting the Chippewas to have nothing to do with the signing of Treaty, Some of them (the Yellowface family) came into my office yesterday and in a very offensive manner, stated that the only boss they recognize, is their chief and that they will take no notice of Government officials. I believe that when you are here, you will see the advisability of having John O'Chiese detained for causing unrest amongst the Chippewas. I feel sure that if he and one or two ~~x~~ others were out of it, we would have no trouble to get the remainder of them in Treaty. Anyway we can discuss this matter when you are here But I am quite satisfied in my own mind, that something of a definate nature must be decided on when you are here May I5th.
I will make the necessary arrangements for hotel accomodation for you at the Mount View Hotel.
The ice went out of the North Saskatchewan river at this point a couple of days ago, That is, from the centre of the stream. I expect the ferry will be in by next week end, when I hope to be able to cross over and get to the Cree Reservation at the Babtiste river. A number of the Crees have been busy clearing land of brush there since the first of April.

Start Payments Of Treaty Money

Whether Western Canada ought to be given back to the Indians is still unsettled, but in the meantime the Indians are still collecting their rent. When the Red Men were persuaded to move to reservations shortly after Canada became a nation, the federal government offered them an annual payment of treaty money in return for the rest of the country.

The 1945 treaty payments started Wednesday for the Stony band on the Morley reserve. J. N R. Iredale, Indian agent, is giving $15 to each of three chiefs, $10 to each of 10 counsellors and $5 to each of 725 braves, squaws and children. The chiefs are Jacob Twoyoungmen, David Bearspaw and Enos Hunter.

Additional payments will be made to Stony bands in the Nordegg and Pekisko districts.

Dear Mr. Gooderham:

I will be arriving in Calgary on May 8th on my way to northern Alberta and the Territories to pay annuity. I have made arrangements with Mr. Stelfox to be at Rocky Mountain House on May 10th to pay annuity to the Indians there and discuss any other problems he may have.

If it is possible for you to make arrangements, I would appreciate it if you would accompany me to Rocky Mountain House. By leaving Calgary on the morning of the 10th we could arrive at Rocky Mountain House that afternoon and would be finished there early on Saturday the 11th. As you are no doubt aware, it is much more convenient to proceed there by car as the train service is not very satisfactory. From Rocky Mountain House I will be proceeding to Edmonton and staying over until Monday to discuss different problems with Doctor Stone at the hospital.

Yours truly,

M. McCrimmon.

Chippewas Perpetuate Lengthy Treaty Holdout

★ ★ ★

By GEORGE DORIE

EDMONTON, May 30 (CUP) — Provincial and federal government officials were still wondering today, after four decades of fruitless efforts, if they would ever succeed in getting 200 Indian signatures on the dotted line.

Two hundred Chippewa Indians, responsible for the longest "holdout" in the once turbulent but now generally tranquil relations between the White Man and the Redskin, are marking the 40th consecutive year they have refused to sign a treaty with the federal government.

Dominion and Alberta government officials recently returned from Rocky Mountain House, in the latest of a series of unsuccessful attempts over the past 40 years to induce the Indians to sign the treaty.

OFFICIAL HOPEFUL

The party which ventured into Indian territory was led by M. McCrimmon, chief of the reserve division of the Dominion department of Indian Affairs. He returned to Ottawa still hopeful that the day is not too distant when the "rebel" Chippewa band, members of the Algonquin tribe originally living in the vicinity of Lake Superior, would join their brothers in signing the treaty.

"They are about the last of the Indian tribes in western Canada to hold out," an Alberta government official said.

The history of the Chippewa Indians' opposition to treaty signing dates back to the late years of the last century when, officials said, "all chiefs of the Indian nations of western Canada signed for their tribes."

Later the procedure was changed so that each Indian was required to sign individually for treaty rights. During the past 40 years the Chippewa Indians have taken it upon themselves to refuse to sign, one provincial government official said as he described them as "land poachers" and "a Gypsy tribe" in the eyes of other Indians.

Thirty thousand acres of land is provided for Indians in the same area, southwest of here, but the Chippewa tribesmen move about in nomadic style on land which officials say they are not actually entitled.

A. E. Nightingale, of the Alberta government's travel bureau, said the Chippewan band has become "commercialized" in its outlook on life, "which may explain their attitude." He said some of the Indians will no longer pose for pictures unless they get paid.

'SMALL POTATOES'

He said they take their wives and children into the bush country to work for white men, and some make as much as $100. This, he added, makes the treaty money look like "small potatoes."

(From Treaty rights the Indian chief receives $25 annually, the councillors $15, and members of the tribe $5.)

Nightingale said government officials tried to show the Chippewan Indians they would have greater security under the treaty rights. He said they would have their own land on which to grow their crops, a house instead of a tent in which to live, exclusive trapping rights, besides their treaty money, and "nobody would push them around."

"If this comes to a showdown, the land which they hold under treaty rights may be sold and they would then be forced to roam," Nightingale feared. "And if this transpires, friction may develop as they search for a place to settle among the other Indians in the area."

Henry Stelfox, Indian agent at Rocky Mountain House, said the government is taking a "lenient" view of the matter, and officials hoped it would be simply a matter of time" before the Chippewa tribesmen all sign for treaty rights.

In the latest attempt to persuade them to sign, he said, only Joe Strawberry, who is "more or less their chief," did so. And he made it clear that he was signing for himself, not the rest of the tribe.

Dominion and Alberta government officials recently returned from Rocky Mountain House, 150 miles from here, in the latest of a series of unsuccessful attempts over the past 40 years to induce the Indians to sign the treaty, the British United Press was informed here.

The party which ventured into Indian territory was led by M. McCrimmon, chief of the reserve division of the Dominion department of Indian affairs. Here I am going to write a little. We have never been in so many kinds of ways of living as you have now. I want a land encugh room you do not to make need much space for use Like long again in this land. It is so that there should be enough room There is too much hard labor of the way to make a liming Theres no room open (land) I am put in this place to live the way I live I dont want treaty nor reserve. I want you to have patients and pity me. If so if you figure I should live you will give me a place in Wild Country I suppose that theres a law that you can give me a place thro your kind heart And so if you will try to understand this right I will thank you very much. The place I want you to give me Is north of Entrance Alta. With a lake and fish on it. At present it is a trap line But When it is Vacant So this is What I ask you. You will not fail me.

Yours truly,

With Thanks and Hope to hear from you.

Dear Sir:

Your letter of March 10, addressed to the Prime Minister, has been referred to me for attention.

No action can be taken by this Department to settle you on land until you come into Treaty. Treaty Money will be paid to the Indians at Rocky Mountain House on May 17 and 18. If you are prepared to come into Treaty, and if there are others in your Band also prepared to accept Treaty, you should all be at Rocky Mountain House on the dates mentioned.

You should write and let me know, as it will be necessary to have an officer come from Ottawa to do this.

Yours sincerely,

I am attaching copy of a letter received from Little John Chipewa, originally addressed to the Prime Minister and passed to this office by Mr. Conn for attention.

You will doubtless recognize Little John as one of the wandering Chippewas who have consistently refused to come into Treaty.

I am attaching copy of a letter just written to him. You will be advised if and when there are any further developments.

Re: Non- Treaty Chippewas,Rocky Mountain House.

Acknowledgement is made of your file,dated May 14th last, even number,relative to the marginally noted subject matter.

In reply it is advised that the above Band of Non- Treaty Indians met with the under-signed,Mr Stelgox ,and Assistant Mr Thomas,on the 18th and 19th of May last,and after a somewhat long discussion, the decision was made by Andrew Strawberry on behalf of the Band that they were not ready to enter Treaty.

Your office was duly advised by wire of this decision on the 21st instant.

It has occurred to the writer,that perhaps the Branch might consider taking some of these people into Treaty individually, if this is permissible, as a few are anxious to doso,and it is suggested that if such a proceedure be allowed that those that enter Treaty,might be placed on the Sunchild Cree Rolls,and when suffcient have entered,then transfer them to the Chippewa Band Roll.

Some individuals expressed their willingness to enter into Treaty along the lines suggested,especially where there is a relationship with the Sunchild Cree Band of Indians.

If such a proceedure cannot be allowed,it is recommended that the matter be left in abeyance for the summer months, and such funds as are available be left at Rocky Mountain House in the Imperial Bank be left until the end of August next,pending a further consideration by this Band of Indians.

May this office be advised ,please.

Re: Non-Treaty Chippewas, Rocky Mtn. House.

Attached hereto is copy of a letter from Superintendent J. E. Pugh in respect to the above mentioned Indians.

You were advised by wire on May 21st that the Chippewa Band decided against entering Treaty. You will note that Mr. Pugh suggests that some of these Indians are prepared to take Treaty with the Sun Child Band.

I concur in his suggestion that they be allowed to do so, and I am advising him to retain the unexpended Treaty funds in the Agency Account at Rocky Mountain House in the hope that some of them will still accept Treaty.

It is not considered advisable to accept the Chippewa Indians into membership with the Sun Child Band at this time. It is thought that if this were done all the Chippewa Indians who are desireous of joining Treaty would join the Cree Band and the result would be a delay in negotiating a treaty with the Chippewa Indians. As suggested in the final paragraph of your letter it is thought that the matter should be left in abeyance for the summer months and that the money be left in the Imperial Bank at Rocky Mountain House pending further consideration by the Band.

It has been brought to our attention by Treasury officers that there is still $1911.00 of the $2500.00 advanced on April 16th, last to pay Annuities in your Agency still outstanding.

Presumably this is the money that was to be used to pay the Chippewas Indians of Rocky Mountain House, if they signed treaty. Unless it appears likely that they will sign in the very near future it is suggested that you return the money in order to clear up this advance.

John Harvie, Esq.,
Deputy Minister,
Department of Lands and Mines,
Edmonton, Alberta.

Dear Mr. Harvie:

Re: Sunchild and O'Chiese Indian Bands
in the vicinity of Rocky Mountain House

Your letter of November 9th re the above is acknowledged and we have noted with great interest your observations and the submission made by Mr. Stelfox which accompanied it.

It is true that of the two general groups of nomadic Indians who have been homeless in the vicinity of Rocky Mountain House for many years, only the Cree group under the leadership of Chief Louis Sunchild, numbering 113 individuals, have formally accepted Treaty while the remainder, who are principally Chippewas under the leadership of the late Chief John O'Chiese, have not yet consented to sign adherence to Treaty No. 6 which covers the area in which they live. There is, however, evidence that several members of the group who acknowledged O'Chiese leadership are gradually breaking away and voluntarily seeking admission to the Sunchild group, and it is felt that it will only be a matter of time, as the influence of John O'Chiese lessens, until the whole group which he headed will either accept Treaty as a group or become absorbed into the Sunchild Band.

In any event adhesion to the Treaty is largely a formality and whether in Treaty or not the responsibility of this Department to look after them is acknowledged and is a responsibility which it is our earnest desire to assume. It is further felt that we can do this practically and effectively as suggested by Mr. Stelfox and offer to your Resources administration greater co-operation in controlling them if we have land on which we can settle them in due course and to which we can direct them whether or not we can insist on their remaining there.

.....

It is felt, therefore, that for all practical purposes and as a long forward step toward their eventual establishment on a permanent basis, we should ask you to proceed as formerly arranged and convey to His Majesty in the right of Canada the lands selected for both groups and surveyed by Mr. C. D. Brown.

Should you consent to do so, we would hold the land for their use and accept it in full satisfaction of any claim which the Department may have for lands to accommodate them under the terms of the Natural Resources Agreement.

In the case of the Sunchild Band we have already made some progress toward their permanent settlement and we would immediately constitute their section of the lands as an Indian Reserve under the Act. With reference to the balance of the land, we would hold it for the use and benefit of the O'Chiese adherents and proceed as rapidly as possible to draw them on to it and to establish them there where we could bring to them the educational and medical services they require and furnish them with such assistance as they may require for their establishment in permanent fixed residence. It is felt in this Department that the above suggestion is substantially what Mr. Stelfox had in mind when he wrote your Minister.

It would be appreciated, therefore, if you would proceed with the issue of title to the lands in accordance with the C. D. Brown survey, leaving the question of a formal adherence to the Treaty to be later worked out between this Department and the Indians concerned.

It is felt that if we could assure the Indians that a permanent place of residence for them had been arranged and that provision had been made for their future welfare, it would materially assist us in our efforts to secure their adhesion to the Treaty. You will probably agree that it would also assist your Fur and Game and Forestry administrations if these Indians presently trespassing on your Crown lands could be informed that lands had been set aside for their permanent occupation on which they would be assured of permanent and undisturbed possession.

Yours sincerely,

DJA/MC

Herewith, please, find attached Annuity Lists for the Sunchild Cree Band, # 202, Rocky Mountain House Indiam Agency.

It will be noted that Treaty No. 24 carried no number in the Total Number in Family Column in the I948 list. Itshould have read five.

Similarly No.27 was omitted in the same manner. No. 27 should have shown one in the Total Number in Family Column.

There was therefore an error of six in the statistical section of the I948 Annuity Lists. It read One hundred and eleven, when it should have shown one hundred and seventeen. This error has bee n corrected in the I949 Lists.

Mr. Leslie (T.1)

I recently received from Mr. Pugh's office a resolution signed by seven members of the Sunchild Band requesting that Jim Day Chief be transferred from the Chippewa to the Cree Band. However, as the Sunchild Band has only a Chief and no councillors, we require a vote of the male members of the Band and Mr. Pugh was advised accordingly.

As Jim Day Chief has not as yet been officially admitted to membership in the Sunchild Band, neither he nor his children would be eligible receive annuity.

Jim Day Chief the husband of the above referred to woman has apparently not yet been officially admitted as a member of this Band and the two children should not have been entered as Band members.

It would appear, therefore, that an overpayment of $15.00, being $10.00 for 1949 and $5.00 for 1948 has been paid to the mother for those children. Please make the necessary entry in your copy of the paylist to ensure that the collection of this money will not be overlooked when making future payments.

Chippewa Band Signs Treaty, Ends 100 Years of Wandering

Rocky Mountain House, Alta., May 16 (CP).—More than 100 years of wandering has ended for the last of Canada's Nomadic Indians—a band of Chippewas who inhabit the wooded foothills near here.

Government officials announced today that a treaty has been signed with the indians and they will be settled on a reservation. The band is the last in Canada to take a treaty.

The band had refused to accept terms, until a meeting last weekend between tribe laders and officials of the Department of Indian Affairs.

[redacted] of the treaty was con- [redacted] obtaining provincial [redacted] reservation. A settlement regarding the land was reached here yesterday.

Independence of the Chippewas dates back to 18[illegible] when the tribe fought for its existence against the powerful Blackfoot tribe.

The Chippewas wandered through the valleys of the Nordegg, Brazeau and North Saskatchewan rivers in west-central Alberta. At times they were near starvation.

Opposition to a treaty was brought to its peak by Chief Jim O'Chiese, known as the "Great Chief", who died aged 107 years.

"God gave us this great heritage of nature," he once said.

With reference to your letter of January 5th, 1950, I enclose herewith copy of a letter from Assistant J.R. Wild of the Stony-Sarcee Agency were again paid Treaty on the above noted ticket.

However, the father of these children, James Day Chief, was taken into Treaty on May 12th,1950, under ticket No. 2, O'Chiese Band. As Mr. Wild points out in his letter, the difference between the new treaty payment for these children and the amount received under ticket No.41 of the Sunchild Cree Band, constitutes an overpayment of $1.00.

May we please receive instructions as to how you wish this matter adjusted.

Please refer to memorandum of December 15, 1950, hereunder. We were advised that Mary Jane Lagrelle and her two children, Mary and Shirley, have been transferred to #41 of the Sunchild Cree Band on the membership list. Reference is made to your voucher No. 783 dated November 17, 1950, and your attention is directed to the Annuity arrears for the boy, George Gopher, born October 30, 1945. You apparently have asked that payment be made for him for the year 1945. If his birthdate as given, October 30. 1945, is correct, he is not entitled to the arrears for that year as payments were made in the early summer. We have therefore reduced his share of $30.00 to $25.00.

On your membership list for the Sunchild Cree Band, under No. 23, Madeline, the daughter of Red Bear, is shown as married to Jim Dayehief. Therefore it would appear that she should be struck off the Sunchild Cree Band list and included under No. 2, John O'Chiese Band, with her husband, together with her two children.

In my letter dated December 15, 1950, you were advised that Mary Jane Lagrelle and her children, Mary and Shirley, were to be transferred from No. 17 to No. 41, Sunchild Cree Band. However, I am advised by the Trusts Division that Madeline Red Bear and her two children, Marjorie and Willie, are included under No. 41. If she is married to Jim Dayehief she would, of course, be included on his number and it would be in order to leave Mary Jane Lagrelle under No. 41. It would be appreciated if you would check the records in your office and advise whether or not Madeline is to be included on No. 2 of the John O'Chiese Band.

SUNCHILD CREE

No. 13 - Presumably, Henry Rowan is the brother of Sam and Rosie and should not, therefore, be listed here as the father. Please transfer him to a new number when compiling your next paylist.

If the entries in your paylist are correct, it would appear that the total distribution to this Band is in the amount of $680.00. If $680.00 was distributed to this Band and $300.00 was distributed to the O'Chiese Band, your refund apparently should be in the amount of $190.00 and not $185.00 as you have indicated.

In future, when compiling the pay-lists, all changes from the previous pay-list should be supported by an explanation in the "Remarks" column. Boys and girls should be shown in their own column until married or transferred to a number of their own.

Kindly forward, at your earliest convenience, an explanation regarding the items in the 1939 pay-list which were questioned.

Dear Sir:

Re: 1939 Annuity Pay-list.

I have for acknowledgment your letter of December 5th last, regarding the above mentioned pay-list.

It is preferable to have unmarried daughters paid in the "Girl" column of the pay-list until married or given their own number.

The pay-list has been amended in so far as it concerns No. 54, Bearspaw, to read - a man and a girl; and No. 103, Bearspaw, - a man, a woman, and three girls. It will be appreciated if you will amend your copy of the pay-list accordingly.

The payment to No. 205, Christine Bearspaw, on account of the child born, is approved.

Sir;

I am inreceipt of your Circular letter of the 28th February, 1941. re Red Treaty Tickets.

This brings up the matter of Treaty-Tickets, as far as I can find out from the Indians on this reserve, none of them are in possession of Treaty tickets, some of the Chiefs say that no Tickets have been issued to them for more than twenty five years, and most of them claim they have never seen one, and I cannot find an Indian who has such a ticket,.

In view of the foregoing I would like know if Treaty tickets should be issued to the members of the Stony Band. , if so, would please send me a supply for this purpose, I would need about 300 regular tickets, and about 6 Red tickets in case these are needed in the future.

If it is considered necessary that we make out tickets for the head of each family, I would be pleased to receive any instructions you may have regarding this matter.

Dear Sir:

In reply to your letter of March 12th last, I wish to advise that a supply of treaty tickets is going forward under separate cover.

A ticket should be made out for each member who is head of a family. If a boy who is of age asks to be paid separate from his family, he should be given his own ticket. In the case of Indian women who marry white men or half-breeds, they receive the special red ticket.

Sir:

I am in receipt of a copy of your letter to Inspector C.P.Schmidt, file 62-131, dated May 9th, 1941, in connection with a letter written by "Chief Walking Eagle" of Nordegg, Alberta.

This letter is apparently from Morley Beaver, #108 Wesley Band, of the Stony Indians. In this connection I would refer you to your letter to me, File 1/119-3, 3-119, dated February 3rd, 1941, in which letter you instruct me to collect $7.00, being an overpayment made in September, 1940, in respect to a child born on June 30th, 1940. This is the $7.00 referred to in Morley Beaver's letter dated May 8th, 1941.

This $7.00 was forwarded to the Receiver General on May 31st, 1941, as shown on Receiver General Statement No. 4. A memorandum of this collection was attached to the paylist of the 1941 May Interest payment, a copy of which is attached herewith, which is self-explanatory.

I might add I explained all the circunstances in connection with this refund to Morley Beaver, and at the time he seemed perfectly satisfied.

Ottawa, Ontario,
December 4, 1942.

J.N.R. Iredale, Esq., Acting Indian Agent, Morley, Alberta.

Your 1942 Annuity Pay-list has been checked and I wish to draw the following to your attention for a report:

Bearspaw Band.

No. 194 - Paid in 1941 for 1 man, 1 woman and 2 girls, and in 1942 for 1 man, 1 woman and 3 boys. Notation in "Remarks" column - 1942 - states, "Woman and 2 boys transferred from No. 185 Bears" and "Woman and 2 girls transferred to No. 213 Bears and "Girl born June /42." Should not your 1942 Pay-list now show 1 man, 1 woman, 2 boys and 1 girl?

No. 205 - Notation in "Remarks" column states, "Woman as wife and 2 girls to No. 134 Bears." This should read to No. 134 Chiniquay Band. Please correct.

No. 210 - Paid in 1941 for 1 woman and 1 girl and in 1942 for man only with notation in "Remarks" column, "Girl transferred to No. 179 Bearspaw." If you will kindly refer to our letter of January 7th last, and your reply of January 13, 1942, you will note from remarks therein that "Number in Family" for 1942 should read 1 woman and not 1 man as shown. Please advise why your 1942 Pay-list has not been corrected as above.

Re;- Observations on the 1942 Annuity Pay lists.

Bearspaw Band;.

194. Bears, Arthur Daniels. the 1941 Pay-list showing 1 Man 1 Woman, and 2 girls, was the correct standing at that time.

Since then this woman and her two girls were transferred to 213 Bears, the woman as wife to Roger Bearspaw, later on one of the children being transferred to the mothers step-father for adoption, the step- father being Joe Mark No.144 Bearspaw Band.

The error in the 1942 Pay-list with regards to the present standing is with the child born in June 1942. this child is a boy, therefore the "Boys Column" is correct, but the "Remarks column" should have read "boy born"

Regarding 205 Bearspaw, the remarks should have read, "Transferred to 134 Chiniquay"
The correction has been made in our Office copy.

Regarding No. 210 Bearspaw. Flora Dixon. the error in the 1942 Pay-list was an oversight in not making the change from the Mans column to the Womans column, this correction has now been made in our 1942 Office copy.

The foregoing errors are very much regretted, and trust the above explanations are satisfactory.

Your 1949 Annuity paylist has been checked and the following points are brought to your attention for a report.

BEARSPAW BAND

No. 136 - If Dorothy is the legal wife of Enoch Rider please transfer her back to his number when compiling your next paylist and in the Remarks column give this file and letter as reference. For your information the husband his legal wife and his legal minor children should be listed under his number.

No. 146 is shown as a girl in the previous paylist and as a woman this year. You were correct in transferring her from the girls to the womens column only if there never before was a woman listed under this number, otherwise she should have been transferred to a new number.

Nos. 201 & 214 - The same applies as in No.146.

Nos. 162 & 166 - The 10¢ cash collection should not appear in your total for this Band as you are accounting for the annuities paid.

WESLEY BAND

There are 76 women in this Band and not 75 as you have indicated.

No. 239 - Please let us have a report on Virginia born July 3rd, 1949. Who is the father and what is his status, Indian or white; if Indian, what is his Band and Band number? Is the child living on the reserve and who is providing for her? Are the parents living in common-law relationship; if not , is the father contributing in any way towards the support of the child?

No. 240 - The same applies as in No. 239.

CHINIQUAY BAND

No. 159 - Please check on Lorna's former Band number. She apparently was not transferred from No. 102 Chiniquay's Band as you stated in the Remarks column.

No. 106 - Walter apparently has been transferred to No. 165 and not 168 as you have indicated.

When compiling future paylists always indicate (R.T.) after the name of each red ticket holder.

With reference to the pay-list of the distribution of annuity money for 1915 to Indians of the Blackfoot Agency, I beg to direct your attention to the following.

No. 61 White Pip Band. At the distribution in 1914 three shares were paid under this number. At the 1915 distribution four shares were paid. You should account for the increase. The information which you have furnished in the matter is not sufficiently explicit. This would appear to be the case referred to in your letter of the 14th December, which deals with the adoption by No. 61 of two children, the offspring of Beatrice of the Blood Agency (File No. 83,510-3 C).

My dear Mr. Scott,

My faithful friend & helper, Minor Chief Silas Wolf Collar, asks me to write to you, & ask your opinion on the possibility of a change, in future, in the date for payment of Treaty money. He thinks - & a large number of the people think with him - that if the payments were made before Cold weather sets in, it would not interfere with the doing of their farm work - & would be a kindly Consideration for the older people, who find the cold of winter very trying, while waiting their turn for payment. Personally, I know some at least of the difficulties which have led to this later date for the payments, & can sympathise with the decision - but at the same time there is something in old Wolf Collar's contention that is very true, & very much felt by the older folk, & I therefore lay it before you as the old man asks me.

You may be interested to know that Silas Wolf Collar has done perhaps more than any other of the tribe in connection with the Patriotic & Red Cross Funds. He hopes you have been informed of the

wish of the tribe that $100.00 should be paid to their Fund each quarter, out of their funds at Ottawa — The second of these sums should have been drawn last August —

Might I suggest that a special request be made to them, through their Chief, for a special thank offering out of their "riches" at the present time. The 'Farmers' are reaping individually anywhere between $1000.00 & $2500.00 from their wheat harvest. If such a request came to them at once, I think they would readily respond —

If you think it wise, I would suggest that any reply to the contents of this letter be addressed to Silas Wolf Collar himself, "C/o Box 14, Gleichen". I think it would be greatly appreciated by the old man, & would lead him to work up the thanksgiving offering from the Farmers (He is a farmer himself) & so back up any efforts from the Agency.

With kindest regards

I am, My dear D.C. Scott

Sir,-

Referring to your letter of the 30th ultimo, I beg to state that the Bank of Montreal, Winnipeg, has been requested to forward to your address by registered mail the sum of $3900.00 to pay the annuities to the Indians of your Agency.

In this connection I beg to state that a request has been received from Minor Chief Silas Wolf Collar, through the Rev. H.W.Gibbon, Stocken, asking that the annuity payments be made in future at an earlier date, before the cold weather sets in. He claims that the old people find the cold of winter very trying while waiting their turn for payment. He further states that payments at an earlier date would not interfere with the doing of the Indians' farm work.

The Department will be glad if you can arrange to accommodate the old people without interfering with the farming operations.

Sir,-

Mr. Agent Gunn desires to pay the annuities to the Peigan Indians on the 1st July, instead of in the Fall, and states that this is at the request of the Indians who claim that owing to the amount of work in the Fall, such as harvest and threshing, it makes Treaty late and is a hardship to the old people. Mr. Gunn further states that about July first is the best time to pay, being just before the Indians start haying.

The Department has not objection to changing the date of annuity payments to the Peigan Indians, provided this would not be a temptation for the Indians of the adjacent Reserves to desert their work to gather on the Peigan Reserve for all kinds of festivities and thus waste considerable of their time and earnings.

Before giving a final decision to Mr. Gunn the Department would like to receive your views as to what influence, if any, the proposed change would have on the minds of your Indians.

You might also state when you propose to pay the Indians of your Agency.

With reference to Department's letters of October 19th.1916 and of May 21st instant,re date of treaty payments, I beg to state that the Indians interviewed me here a short time ago asking if the payments could be held in the summer.

After consideration I informed them that if they would promise to have all their farm work, summer following &c done I would write the Dept & suggest that they be paid in July.

This they have agreed to dc ,so I now beg to suggest that they be paid here on July 10th & 11th, which will leave them about a week before they start haying. I also told them that even though the money was here ,if they did not keep their promises and have their farm work done at that time ,they would not be paid.

If it could be arranged that the Indians of the Blood and Peigan Agencies be paid in the same week, it would no doubt prevent them travelling to and fro to each others payments.

If this meets with the approval of the Department the annuity money, $3850.00 should arrive here by July 8th.

I beg to say the Department has received the pay-lists of the distribution of annuity money to Indians of the Blackfoot Agency for 1930, which pay-lists have been examined.

It is hoped that in future you will be good enough to make the necessary entries in the birth and death columns in the pay-list in order that increases and decreases in the band may be clearly shown.

I have also to point out that when pay-lists are transmitted to the Department the covering letter should indicate the amount of cash which you received, the amount distributed, and the balance, if any, remaining in your hands. In the present instance you should have made refund of $65.00 to the Department, and I have to request that you will be good enough to forward that amount without delay.

Ottawa, October 25, 1921.

Sir,-

I beg to say that the paylists of the distribution of annuity money to Indians of the Blackfoot Agency for 1921 have been examined, and it is desired to direct your attention to the following remarks in connection therewith.

Hind Bull Band

No.211. You have stated that this boy is paid annuity with number P.67. Reference to that number on the paylist shows that a woman and three children were transferred from A 48 but no mention is made in the paylist of a transfer from 211.

There is a clerical error in the addition of the number of persons shown to belong to this Band. The total as per paylist should amount to 22 men, 20 women, 10 boys and 18 girls.

Weasel Calf Band

According to the paylist you made payment for 6 men, 6 women, 4 boys and 5 girls. This would call for payment of $105.00, yet the total amount entered in the paylist is $115.00. Kindly explain, therefore, whether you paid No.1 of this family as a headman, as in that case he should have received payment to the amount of $15.00, not $5.00.

No.71. You have stated that this girl is paid with No.64, but no increase has been shown under this number except through birth. This should be explained.

Low Horn Band

No.10. At the distribution in 1920 you transferred this woman to R 44, and you stated in the remarks column that the ticket was cancelled. Be good enough to explain

Indian Affairs. (RG 10, Volume 6918, file 772/28-3 pt. 3)

explain payment. Where did the woman come from?

No.82. It would appear that a duplicate payment was made to this person in 1920, as she was paid under this number and also, seemingly, under No. I 92. If a duplicate payment took place $5.00 will have to be retained from I 92 in 1922 and the money forwarded to the Department as casual revenue.

Big Plume Band

No.119. At the previous distribution three shares were paid; at the recent distribution you paid four shares, while the paylist shows one birth and one death. You should account for the increase.

No.71. Did you make an additional payment of $10.00 to this man as headman or minor chief? If so, you overlooked entering it.

Your obedient servant,

J.D.McLean
Asst. Deputy and Secretary.

Sir,-

Referring to your letter file No. 3 - 104 dated 25th. Oct., I beg to reply as follows:-

No. 211, Hind Bull's Band, should have been paid with P. 67, the mother having married this Indian. The woman, A 48, had three children at home and one in school. The woman and the three children were paid with P. 67, also a child born after the marriage. Apparently there was a mistake in the count at treaty payment and No. 211 has not been paid.

According to the copy of the paylist of Hind Bull's Band in this office the addition is correct. I am enclosing copy.showing those paid.

Weasel Calf Band. No. 1 is a minor Chief.

No. 71- In the remarks a girl was transferred to No. 64 and not born.

Low Horn Band. No. 16 This woman married and should not have been paid on her own ticket. This amount will be collected and returned to the Department.

No. 82. There was a duplicate payment made in 1920. This will be collected from 1923 payment and returned to the Department.

Big Plume Band. No. 119. There was a birth but no deaths. There was a death on ticket 120.

No. 71. Is a minor chief.

Jack McHugh, of Running Away Buffalo band of Blackfoot Reserve, treaty ticket No Q 51 was absent from this reserve from 1901 until 1924.

He drew treaty in 1923 at the Blood reserve and on transfer drew with the Blackfoot in 1924, as No K 86 of Low Horns Band.

According to old Annuity payment books on file here he was last paid in 1905 and this is substantiated by McHugh.

May authority be granted for the arrears of annuity payments, owing to this Indian, be paid.

I am in receipt of your letter of the 31st March, with which you forwarded a voucher amounting to $285.00, covering arrears of annuity claimed by Jack McHugh, of Running Away Buffaloes Band, Ticket No. 8.51, and in reply I may say that before giving consideration to the question of the payment of this voucher the Department desires full particulars in the case from you.

Mr. McHugh is claiming arrears of annuity for himself for 17 years. His claim on behalf of his wife is for 16 years, and for his children 15 and 9 years respectively. The Department wishes to be informed where the McHugh family resided during the years mentioned. If they were at any time resident, continuously, in the United States for a period of five years or over, the Department should be informed whether they had the consent of the Superintendent General or his Agent to absent themselves from Canada.

Kindly refer in this connection to Section 13 of the Indian Act.

Sir,-

I am in receipt of your letter of the 1st instant in regard to the case of certain Cree Indians, one of whom is Fishchild, who were admitted in 1921 to the Blackfoot Band, and in reply I transmit herewith copy of a letter of the 28th April of that year, which the Department wrote Mr. W.M. Graham in regard to the matter.

You will observe he was informed therein that he might authorize you to place the Indians referred to on the paylist of the Blackfoot Band and pay them annuity without arrears.

In view of the foregoing, you will understand that the Department does not propose to consider the question of allowing payment of arrears of annuity to Fishchild or any other of the surviving persons referred to.

Kindly advise the Indians of the Department's ruling in this matter.

Sir,—

In reply to your letter of April 7th, 1925, file 3-104 re arrears of annuity claimed by Jack McHugh of Running Away Buffalos Band, ticket No Q.51 and in reply would state that McHugh claims to have resided continiously in the United States from 1906 until 1923 when he came to the Blood Reserve.

Previous to 1906 he was back and forward between the United States and British Columbia. He claims to have worked for the Crows Nest Pass Coal Co, during the winter of 1903 and 1904 and in the Cumberland Mine during the winter of 1904 and 1905 at Vancouver Island B.C. I have written to both these mining companies for proof of these statements but so far have recieved no reply from either of them. I expect that it is so long ago that McHugh worked for them that they have no record now of his employment.

McHugh left this reserve when, Mr J.A. Markle was Indian Agent and with Mr Markles knowledge. It was to earn a living that he left this reserve as there were not many channels in which to find employment at home.

ACCOUNTANT'S BRANCH JUN 9 1925

I trust this information will enable the Department to arrive at a decision as to whether McHugh is entitled to the arrears of annuity as claimed by him in my letter to you of the 31st March, 1925, or not.

Sir,-

Referring to your letter of the 4th instant and previous correspondence regarding the case of the Indian Jack McHugh, of Running Away Buffalo's Band, in the Blackfoot Agency, who has made application for payment of arrears of annuity money, I beg to say that, in view of the provisions of Section 13 of the Indian Act, it would seem that he is not entitled to payment either for himself, his wife, or members of his family. McHugh and his family apparently resided in the United States from 1906 to 1922, when they returned to Canada and were admitted into the Blood Band from which they were later transferred to Running Away Buffalos Band at the Blackfoot Reserve.

Kindly explain to McHugh that his request in the foregoing matter cannot be given favourable consideration.

I wish to remind you that you should always submit a covering letter when forwarding pay-lists, etc., to the Department. You recently sent in the Blackfoot annuity pay-list without a covering letter. In this pay-list was found an envelope containing a cheque for $150.00 which, as you can see might easily have been lost. You also sent in a triplicate copy of the pay-list which copy is now being returned to you. Annuity pay-lists need not be forwarded to the Department in duplicate.

Sir:-

In examining the Blackfoot annuity pay-lists, it is observed that you have not, in two or three cases, given explicit reasons for the increases or decreases. In this respect I beg to refer you to No. 144 of Big Plume Band whose wife, you state in the Remarks Column, came from the File Hills Agency. In order to see that duplicate payments are not made, it takes considerable time for the Department to ascertain the Number under which his wife was paid before her marriage. It is thought that you should ascertain this information from the Indian Agent of the Band to which she formerly belonged. In this case, it was paid under No. 68 of the File Hills Band. No. 54, Running Away Buffalo Band: Kindly ascertain and advise the Department under what Band this man's wife was paid before her marriage and, if possible, give her Band number. No. 55, Many Shots At Band: Kindly give similar information regarding this man's wife.

Dear Sir:-

On January 10th last, I received a letter from Mrs Joe House of Innisfail, Alberta, relative to certain payments which she claims are owing to her by the Blackfoot Band for the reason that her mother was a Blackfoot. She also enclosed a copy of your letter of December 31st. 1929 File 3-104.

From interviews with certain of the older Indians I have reason to believe that this woman was ~~this woman was~~ a Blackfoot Indian and married a white man who was ranching at that time in the neighbourhood of High River. The date I would imagine to be about 1880 and it would appear that she was entitled to Treaty until her death. (Section 14 of the Indian Act). Whether or not Mrs Joe House is entitled to Treaty or any other payments at this date is a question I am unable to decide. I am informed by Mrs House that her mother died on March 27th 1902. I have informed her that I did not think an Indian could collect Treaty except during his or her lifetime.

Please let me have a ruling on this matter as we have had considerable correspondence regarding this question and I would like to have the matter settled.

Memo.

Accounts,

If the mother of Mrs. Joe House was a member of the Blackfoot band she would on her marriage to a white man have the right to continue to draw her share of the annuities, interest monies and rents of the band, unless and till she commuted under the provisions of Section 14 of the Indian Act. If for any reason she did not receive in her life time annuities to which she was entitled, I think her estate would have a claim for such arrears.

I do not think, however, that the report of the Agent dated the 7th ultimo is sufficient to enable the Department to say that this woman was actually a member of the Blackfoot band. Mrs. House should be called upon to prove to the satisfaction of the Department that her mother was entitled to be paid annuity as a member of the Blackfoot band.

Referring to your letter of the 7th ultimo, File B-50, I beg to inform you that if the mother of Mrs. Joe House were a member of the Blackfoot Band, she would, on her marriage to a white man, have the right to continue to draw her share of the annuities, interest monies and rents of the band, unless and till she commuted under the provisions of Section 14 of the Indian Act. If for any reason she did not receive in her life time annuities to which she was entitled, I think her estate would have a claim for such arrears.

Before any claim for arrears due the mother of Mrs. House can be allowed, it will be necessary for her to give you satisfactory proof that her mother was actually a member of the Blackfoot Band. It will then be necessary for you to submit vouchers in duplicate, giving the Band and Band number under which she was paid, and the different years for which arrears are claimed.

Your obedient servant,

A.F. MacKenzie,
Acting Asst. Deputy and Secretary.

Ottawa, December 16th, 1932.

Sir:-

The Blackfoot annuity pay-list for 1932 has been examined, and I wish to direct your attention to the following discrepancies:-

No. 58 of "E" Band: You state that the woman is transferred to No. 93 "N" Band, and two girls to No. 94 "N" Band, but the pay-list shows that you have paid them all under No. 93.

It is observed that you have not entered in the pay-list the name of Paulus Good Eagle, No. 83, though from the total at the foot of the page it would appear that you have paid this family of one man, one woman, one boy and one girl.

No. 89 "K" Band: It is not sufficient information to state that this Indian married a girl from Broadview. Was this girl an Indian before her marriage, and if so you should advise the Department under what Band and Band number she was paid previous to her marriage.

You have omitted to enter in the pay-list under No. 56 "N" Band the name of Frank Raweater, though from the total at the bottom of the page, it would appear that you have paid him for himself, his wife, and one boy. No doubt this is a clerical error, but your clerk should carefully check over the additions to see that they are correct before the pay-list is forwarded to the Department.

A.F. MacKenzie,
Secretary.

Sir:-

In reply to your 3-104 of the 16th inst: drawing my attention to discrepancies in the annuity pay-list for 1932 and beg to report that the original copy of this pay-list in this office is correct.

Work in this office during the past year has been very heavy and this fall,to try and keep up with the work,Mr Lewis,Clerk,had his son helping with minor details.This young man copied the pay-lists forwarded to Ottawa and being inexperienced in the work apparently left out some of the detail.

No.58 of "E" Band. Woman and ~~six~~ two girls were transferred to No.94 "N" Band.

No.83 of "G" Band.Paulus Good Eagle was paid for one man,one woman,one boy and one girl.

No.89 "K" Band. This man married Harriet Allery,ticket No.170,Ochapowace Band,Broadview Agency.

No.56 "M" Band. Frank Raweater was paid for himself, one woman and one boy.

It is hoped that the above information will enable you to balance the payplist and the error is regretted.

Ottawa, December 22nd, 1937.

Sir:-

I am returning to you your treaty paylist for the annuities made this year.

It is noted that you have shown the monies due absentees in the 'funded' column. These should have been shown in the column provided for 'amount due absentees'. In such cases the Indian should be entered in the proper column and those Indians formerly left off on account of absence should be reinstated in the number in the band.

You have apparently paid $5.00 arrears to No.("C") 23. This should be shown in the column provided for 'arrears' paid.

In addition, several typographical errors have been made in compiling the paylist. Corrections have been made in red pencil and if this system of making out the paylist is followed out you will, at all times, have a correct census of your Agency and the amount paid or owing to each Indian will be clearly shown.

You are requested to correct this annuity paylist and return it to the Department.

I have your letter of the 8th instant, File 3-104, and regret to say that the following errors were made in compiling our 1940 paylist:

B. 34: BLACKRIDER; this should show as four girls, instead of four boys.

Y. 7: YELLOW OLD WOMAN, D.: this distribution is correct for 1940: man, woman and a boy; the 1939 paylist was incorrect, should have shown a boy instead of a girl.

Your instructions re the recapitulation have been noted, and will be followed hereafter; the unexpended balance of $20.00 has today been credited to the Receiver General.

Your obedient servant,

G. H. Goodsrham,
Indian Agent.

I have for acknowledgment your letter of January 27, 1943, attaching a list of the births and deaths as listed in Treaty Payment for 1942.

Your list giving dates of birth shows opposite No. R. 28 - "Girl born Aug. 24/42." Your Pay-list is dated July 8/42, and you list three persons as being paid annuity of $5.00 each. If the date shown for birth of girl is correct, it will be necessary for you to make a notation on your copy of 1942 Pay-list to collect the overpayment of $5.00 for this girl when making your 1943 Annuity distribution.

S. 38 - Your 1942 Pay-list shows 1 man and 1 woman. Your 1942 Pay-list shows 1 man, 1 woman, 1 boy with the notation - "Boy born" and according to your letter of January 27, 1943, the date of birth was June 21, 1941. It would appear then that since Annuity was paid on July 4, 1941, this boy should have received one share at that time. If this is the case please forward a Voucher covering these arrears for S.38, 1941.

M-8: It is noted from your list of births and deaths that a boy died on October 5, 1939. An extract from your Interest and Annuity paylists for the years 1939 to 1942 inclusive is shown below,-

	Date Paid	Man	Woman	Boys	Girls	
1939 - Interest	April 21/39	1	1	3	2	
1940 - "	" 16/40	1	1	3 (over paid 2 (1 share?		
1941 - "	" 17/41	1	1	4 (over paid 2 (1 share?		Boy born
1942 - "	" 13/42	1	1	1	2	2 boys dead Sept.24/41 - Oct.5/39 Ref. your lr. Feb.24/43 Boy to W-30
1939 - Annuity	July 6/39	1	1	3	2	
1940 - "	" 4/40	1	1	3 (over paid 2 (1 share?		
1941 - "	" 4/41	1	1	3 (under paid 2 (1 share?		
1942 - "	" 3/42	1	1	1	2	Boy died Sept. 24/41 Boy to W-30

In connection with the Interest distribution it would appear that no deduction was made from this ticket for the boy whom you now report to have died on October 5, 1939, and that there was

an over-payment of one share, therefore, in 1940 and 1941. The notation "boy born" appears in your 1941 Interest paylist but no date was given. We have assumed that this birth was prior to Apr. 17, 1941, but subsequent to July 4, 1940. If such is the case an increase by birth of one should have appeared in your Annuity paylist of July 4, 1941. This would make your Annuity paylist show an error in 1941 to compensate for the error in 1940 by which the boy who died October 5, 1939, was not shown as a decrease. Therefore, no collection of over-payment will be necessary for the Annuity. However, so far as we can make out from the records there was an over-payment of one share of Interest in 1940 and one share of Interest in 1941 on account of the boy who died October 5, 1939.

It is regretted that we should have to trouble you, but would appreciate your report in order to correct our records.

For Chief, Trusts & Annuities Division.

Blackfoot Indian, Joe Good Rider treaty number G4 moved to United States some year ago and married an Indian woman at Blackfoot, Idaho.

He returned to this reserve in 1941 and remained for a couple of months. This office is not quite sure of the status of this man and his wife but has them credited with their 1942 treaty payment and 1943 interest payment, which now totals $60.

1943 Int pd. shows $50 put in agcy Sup. Bk.

He has written and asked for the money to be sent to him. If he is still recognized as a member of the band, it is assumed that arrangements can be made through the Foreign Exchange Control Board at Ottawa to send the money to him. Would you kindly look after this matter and give us the necessary instructions.

MEMORANDUM: CHIEF TREASURY OFFICER

Re: Joe Good Rider, No. 64 Blackfoot Band

In a letter dated May 1, 1943, this file, Agent Gooderham advised that the above named and his wife were credited with their 1942 Treaty payment and their 1943 Interest payment totalling $60.00. Our copy of the 1942 Treaty paylist shows $10.00 as having been paid and the 1943 Interest paylist shows $50.00 placed in an Agency Savings Account for this man.

At the request of the Indian arrangements were begun to send this money to him through the Foreign Exchange Control Board at Ottawa and accordingly in our letter of May 28, 1943, it having been established that this man was still a member of the Blackfoot Band, Agent Gooderham was requested to forward the $60.00 to Ottawa. This he did on June 30, 1943, but the $60.00 was included with another sum and its identity was not clear, with the result that the whole sum was credited to casual revenue.

In a letter dated December 24, 1943, Agent Gooderham advised that Joe Good Rider had returned from the United States and stated that he had never received the money, this being the first intimation we had that the $60.00 had been forwarded. It has with difficulty been established that the $60.00 had been forwarded as stated by the Agent.

It is requested, therefore, that the necessary transfers be carried out and that a cheque, as per the attached requisition, be forwarded in favour of Joe Good Rider, in care of Indian Agent, C. H. Gooderham.

No. M.19	1943 - 1 man, 1 woman, 2 girls	
	1944 - 1 man, 1 woman, 1 boy - girl married F.S

W. P. B. Pugh, Esq.,

Your 1947 Annuity paylist has been checked and the following points are brought to your attention for a report.

"B" Band

No. 11 - Please let us have a report on the twins born April 12th, 1947. Are we correct in assuming that they are illegitimates? Who is the father and what is his status, Indian or white; are they living on the reserve and who is providing for them.

No. 54 was shown as a boy last year and as a man this year. Since he has become of age you were correct in transferring him from the boys to the mens column under the same number only if there never before was a man shown under this number.

"C" Band

No. 4 - Your last year's paylist shows 1 man, 1 woman, 3 boys and 2 girls while this year you have shown 1 man, 1 woman, 4 boys and 1 girl with 1 Increase boy born. You apparently should show 5 boys instead of 4 in this paylist.

No. 28 - The same applies as in B. 11.

"D" Band

No. 9 - You apparently omitted an entry of 2 under the Girls column.

"G" Band

No. 4 - Please give departmental letter of authority authorizing the removal of this woman's name from the paylist.

No. R.7 - Our copy of the paylist shows 1 man, 1 woman, 2 boys and 1 girl, Total 5, Number Paid 5 and Cash Paid $25.00. It appears that the entry under Girls was erased and 5 entered. $20.00 was erased from the Cash Paid column and $25.00 entered. It would appear that the correction has been made for the wrong number or that an over-payment of $5.00 has been made.

No.R.9 - Your remarks in this case are correct but only the family names are listed in our copy of the paylist. There are no entries under Men, Women, Boys, Girls, Total, Number Paid and Amount Cash Paid. It is also noted that no decreases are shown under Decrease.

Our records indicate that in your Agency accounting is overdue for the advances as per attached list.

In order that these advances might be cleared with Treasury it is asked that you submit your credit vouchers and remit any unexpended balance not required, at your earliest convenience.

You are reminded that GENERALLY SPEAKING ADVANCES SHOULD BE ACCOUNTED FOR WITHIN FIFTEEN DAYS AFTER THE EXPENDITURE IS MADE. Where the advance forwarded is for the purpose of financing a project covering a considerable period of time you should submit accounting monthly for that portion of the advance expended. If this is done there will be less likelihood of errors in the accounting than there would be if the accounting is left until the total of the advance is expended. It will also avoid a last minute rush in clearing advances at the end of the fiscal year.

ATTENTION: Supt. of Reserves & Trusts

Reference to your letter dated December 27th of file 1/28-3 (T.1), I beg to inform you I have discussed this matter with Mr. Gooderham, and we are prepared and very glad to be relieved of the work of the writing of the cheques for the payment in lieu of rations, at this office. Please advise what information you want and in what form. That is, A-Initial mailing list. B - Monthly changes.

When you send us the necessary forms to be filled we will complete these, together with the mailing addresses. Reference to the changes, I presume the membership list can be used for this. It is very definitely desired that the cheques reach here not later than the first of the month, and in order to do this, what date will they be written and mailed in Ottawa, and what date will you need our change list for the following month? How about deaths and births, when will these be effective? If our membership list is closed and mailed to you about the 10th of each month for the previous month, a child born during the month will not be included until the following month, will he receive two months pay? As to the recovering of overpayment in the event of death, how do you intend to handle this?

We are not quite definitely decided as to how we will pay Interest payment. In regards to Treaty payment, I have given this some thought and wonder if the Treaty Agreements demand that this be paid in cash. However, this is policy for you.

Re: Method Of Paying By Cheque Direct

Reference is made to your Airmail office letter of February 26, 1953, your file 104/28-3, and you are advised that instructions will be going out shortly which we believe will answer the questions raised in the first two paragraphs of the above referred to letter.

In regard to Treaty agreements demanding that payment be in cash, this point has been raised and we are assured that Government of Canada cheques meet the requirement in this connection as well as Bank Notes, both representing as they do 'coin of the realm'.

Re: Payment of Annuity & Distribution Band Funds
By Cheque

Enclosed herewith pay list # 602 as an example of the way which we suggest distribution cheques payable to members of the Blackfoot Band. This method is suggested as we have used it very successfully since the start of paying a cash payment in lieu of beef rations some two years ago. Under the Band number in the case of a split family, the payee is listed in order that they receive payments, for example, on the sheet attached: Treaty No. 6 3, Blackfoot Band, there are nine members in this family. Cyril Old Woman draws for himself, his wife Olive, Caroline, and Daisy. Grace Old Woman receives a cheque payable to herself as she is self supporting, the same applied to Floyd. Rosemary and Cecil Old Woman are paid to their grandmother, Mrs. Mary Waterchief. Doris Old Woman is paid to her aunt, Mrs. Martha Blackhorse.

With regards to example 602 from your office, it would appear that this method would result in confusion in connection with Band Membership. During the summer months we have a large number of children who do not live with their parents, and the cheques which would be payable to their parents would have to be changed monthly to some other member, who is looking after them during the summer. This cannot be shown on membership lists at the end of each month, as they still remain on their parents Treaty numbers.

We would appreciate your comments by return airmail.

W.P.B. Pugh,
Superintendent.

Re: Payment Of Annuity And Distribution
Of Band Funds By Cheque

Further to telephone conversation with you recently concerning the points raised in your Airmail letter, in the above connection, dated March 31, 1953, your file 104/28-3, it is asked that, if possible, you follow the instructions forwarded for the making up of a mailing list. We note your method has proven satisfactory over a considerable period and might well have been adopted had we known before compiling instructions to Indian Superintendents across the country. Aside from the inconvenience caused you, which is regretted, we believe that the method laid down in the instructions will be equally effective in that you grouped sources while we group recipients. A [illegible] reference is necessary, in any event, and is provided for in our instructions.

It is again emphasized that this is a mailing list and does not, in any way, disturb the set-up or reporting of the Band membership list. Furthermore, many of the changes will not be referred to the Membership Division, for example, changes in address or allocation of shares. It is further suggested that for the two month period of the summer when, as you state, a large number of children do not live with their paretns, you advise us so that we may mail the parents' cheques to you instead of to them, and that you take whatever means is most convenient and effective for alloting the monies. Possibly to have the head of the ticket endorse the cheque, deposit it in your Indian Agency Trust Account and later mail Agency cheques to the various payees, would be a satisfactory method.

If there is any further information required in this respect, please do not hesitate to write us.

Re: Annuity, 1953 - Blackfoot Band

In reply to your letter of May 27, 1953, in the above connection, your file 104/28-3, please be advised that under separate cover a cheque for $6,645.00, representing an advance to pay the 1953 Annuities to the Blackfoot Band of Indians, should reach your office within the course of the next few days.

This payment may either be made by Indian Agency cheque, or by cash in the usual manner. If payment is made by cash, it will be necessary that the advance be accounted for by a paylist on form No. I.A. 602. If, on the other hand, payment is made by Indian Agency cheque, it may be handled similar to your monthly $8.00 distribution of cash. Absentees, if any, are to be reported to the Branch on paylist form No. I.A. 602.

We are herewith enclosing a supply of forms for your use if you decide to pay by Indian Agency cheque. You will note that the name of the Band is to be given, the date of the distribution, the per capita rate, the payee's Band number, name, total number in family (this means the total number in family, not the total number paid), the amount retained, or collected, the amount paid to the Indian by Indian Agency cheque, and the Indian Agency cheque number. This form need be completed, one copy only, in indelible pencil, and retained in your office.

The only accounting which we will require for the advance, if payment is made in this manner, is your credit voucher giving the Departmental advance cheque number, and explaining on the face of the voucher the purpose for which the advance was sent, and quoting the first and last Indian Agency cheque numbers on the voucher. This should take only one entry in your cash book, which this entry is picked up by the Field Auditor. You will then be in a position to supply the enclosed sheet in order that he may be able to check it.

Re: July Cash Payment in Lieu of
Beef Rations-Blackfoot Band

You will have received a mailing list from the Blackfoot Agency under cover of Agency letter of the 18th instant. As the Annuity payment will be paid in cash on July 2nd and the Calgary Stampede runs from the 6th to the 11th, the ration payment cheques should not arrive before the 13th as the money would be squandered in Calgary and there would be nothing left to buy food for the balance of the month.

Dear Sirs:

If I am within my rights, please send my ration money or Beef moneys due me under the Indian Act of Canada to the above address.

I have been supported for the past two years by Mr. Kenny Plumb of Calgary, even when I was staying with my mother, and I have seen very little of my ration money, or the Beef money. I will have reached the age of eighteen years on Oct 23rd of this year and I am employed as a maid in a private home. I am a member of the Blackfoot tribe at Gleichen, Alta.

My father's name was Gerald Turning Robe and my mother's name before marriage was Helen La France, and that is the name we have been using since the death of my father Gerald Turning Robe.

Whether or not my mother had it officially changed I do not know, your records will show. Please advise me as soon as possible and oblige.

Yours truly,

MEMORANDUM TO THE CHIEF TREASURY OFFICER

Please refer to Blackfoot Receiver General Return Sheet No. 33, dated March 15th 1955, and particularly to the refund of $35.00 representing the unexpended balance of the 1954 annuity advance. This refund actually represented $30.00 unexpended annuity advance, and $5.00 to be funded in savings for Band No. T12 Tomorrow.

It would be appreciated if you would make the necessary transfer of $5.00 from the annuity vote and credit it to savings.

Your 1955 Annuity Pay-list has been checked and the following points are brought to your attention.

On page ending with No. S.32, your figures carried forward at the top of the page under "Total" and "Number Paid" should read 1059 instead of 1054.

No. T.13 Turning Robe, Frank. Apparently Frank's share was funded, it is not correct therefore to show an amount of $5.00 under heading "Amount Cash Paid". The amount is correctly shown under title "Funded" on your right hand sheet but your entering it on left hand sheet has occasioned a duplicate entry of the amount which explains an error of $5.00 on your Recapitulation Sheet. Your totals of "Amount Cash Paid" also at the bottom of every page from thereon should be reduced by $5.00.

The total number of Indians in the Band is 1398 but only 1397 were paid. One chief was paid at $25.00, 12 Councillors were paid at $15.00 each and only 1384 Indians rather than 1385 were paid at $5.00. You will find that the total of these figures will give you a "Total Distribution" of $7,125.00 rather than $7,130.00. Your refund therefore apparently should be $80.00 plus $5.00 to be credited to Frank Turning Robe for savings.

It is noted further that you still prepare your Pay-list in detail. It is asked that you list only the names of the payees on the ticket rather than naming everyone and giving dates of births for each of them. In this connection, please refer to Departmental circular letter dated February 26, 1954, file 1/28-3.

Our Credit Voucher is not being prepared for Treasury before your report is received on these points. It would be appreciated if the matter might receive your early attention.

ATTENTION: Reserves and Trusts

Your letter of November 7, 1955 regarding the 1955 Annuity Pay list has been received and noted.

Your third paragraph refers to "T 13 Turning Robe, Frank" Apparently our typing of the pay list showed Frank Turning Robe as having received $5.00 and $5.00 funded. This should have read $5.00 received. The $5.00 funded was for "T 12 Tomorrow", whose money is shown in the amount due Absentee Column.

Total number of Indians in band is 1398 but only 1397 were paid. 1384 were paid at $5.00 each, 1 chief at $25.00, 12 councillors at $15.00, $75.00 was refunded on our Receiver General's Return at the end of July and $5.00 (at the end of July) was forwarded to be credited to Tomorrow's account, making a grand total of $7,205.00, which was the amount received from Ottawa.

Trusting this clarifies the matter.

Your 1956 Annuity Pay List is being returned to you for re-checking and correction. We would point out that on the first page, the total number of persons paid and the total amount of cash paid are both incorrect. These totals have apparently been carried forward throughout the Pay List with the result that the final totals are out of balance to the extent of $5.00.

We would also refer you to the entries for Arthur Youngman, No. 89, which indicated that you paid him $130.00 although there are only twelve members in the family. This is probably a typographical error.

Would you also check the payments made to the Chief and Councillors. According to your Pay List, the Chief was paid $30.00 and each Councillor, $20.00. If this is so, it will be necessary for you to arrange for a collection of $5.00 to be made from each as they are only entitled to an Annuity payment of $25.00 and $15.00, respectively.

It is presumed that it will be possible for you to make these collections at the next interest payment. In each case, it is suggested that you amend your Pay Lists by reducing the amount paid to each Chief and Councillor and then forward the money collected to the Receiver General as a "further refund". This amount should also be included in the refund shown on your Recapitulation Sheet, that is, your refund should read $100.00 instead of $35.00 as now shown.

INDIAN AFFAIRS

We would request an accountable advance in the amount of $8,000.00 to pay the 1958 annuities on the Blackfoot Reserve on July 15, 1958.

We would request also, being advised as to whether it is permissible for the Head Office copy of the pay list, form IA 602 to have the treaty numbers and individual names in typing and the total number in family; number paid; amount cash paid and number of cheque in pen. The copy for our Regional Supervisor would be the same. If is is permissible to have part in pen and part in typing we will be able to have our treaty book typed up ahead of time with only the total number in family; number paid; amount cash paid and cheque numbers left blank. Then after the cheques have been made out it will be a lot faster and easier for 2 or 3 of the staff to group around a desk and each write in pen the last 4 columns. Otherwise if it is not permissible to have the book part in pen and part in typing then we shall have to wait until the cheques are made out; written on the rough copy of the annuity book and the cheques handed out .

All the work if it had to wait until after the day of payment would constitute quite a bit and it would mean that our accounting could not be done in the required time.

Chief, Reserves & Trusts.

Annuity Paylists. July 9, 1958.

This will acknowledge your letter of June 27, 1958. As requested, an accountable advance of $7,685.00 to make the 1958 annuity payments will be going forward in the course of the next few days. We have no particular objection to your suggested procedure in writing up the annuity paylist, providing any hand-written entries are clearly legible. These paylists form a permanent record and will eventually be microfilmed, so that is most important that they are easily read.

It is not too clear to us how time would be saved in the method which you propose. It would seem that if you were to type four copies of the paylist showing the Band number and the payee in each case, one copy could be used during the payments as a working copy, and in this copy, all information as to number paid, cash paid, cheque numbers, etc., would be entered in pen. When the payments are completed, the necessary details could then be typed on the remaining three copies, taking the details from the work copy. This would require the time of only one typist and since you would have thr original and two carbon copies, all three would agree exactly. It the praticulars were entered in hand-writing by two or three emplyees, it would be necessary to have a very close check on all copies to ensure that they agree exactly.

May we please have your comments?

Brocket, Nov. 22, 1913.

Sir,—

I have the honour to inform you that Jim Smith, No.107, Band A, applied to day for his annuity for this year. If you turn to the pay sheets you will observe that this Indian was absent on the day of the payments - in the R.N.W.M.Police guard room at Macleod undergoing a term of imprisonment.

On the 22nd.day of August last he pleaded guilty to supplying Sidney Wolf Talks, another Peigan, with intoxicants and was sentenced to a term of 3 months.

I have informed Mr, Smith that when an Indian is in jail on the day of the payments he forfeits any right to annuity for that year. This has been my action in the past but if in error I shall be glad to know so that a memo may be placed in the records and Jim. Smith paid these arrears next year.

Acting Agent.

The Secretary,

Department of Indian Affairs,

Ottawa.

memo acct

under Sec. 163 of the act his main annuity may be applied in paying the costs of his prosecution, I would ascertain from the Indian Agent if these costs were paid by the Dept. If so his annuity was properly retained.

Mr Williams
There were no costs - The Indian is to be credited for annuity for his being in jail

Sir,-

With reference to the concluding remarks in your letter of the 22nd instant, I beg to say that under the provisions of Section 163 of the Indian Act, the annuity or interest money due an Indian convicted of a crime punishable by imprisonment in a penetentiary or other place of confinement may be used by the Superintendant General to defray the cost of procuring the individual's conviction. Under this ruling I may say that if there have been any costs in connection with the conviction of Jim Smith, No.107, Band "A" Peigan Agency, his annuity money should be withheld each year, and returned to the Department in order that it may be applied towards settlement of the expenses incurred. Kindly make report stating what costs, if any, have been incurred.

Sir,—

Referring to your letter of treaty payments at this agency. I beg to enclose you herein a letter written to the agents of the Blackfoot and Peigan reserves There has been a great deal of visiting to and fro between these agencies during the past few years, Last year this agency paid treaty onOct I5, the other agencies paid after November, Ist. The result was that a great many of the Blackfoot and Peigan Indians were visiting at the Bloods for a week or two after treaty payments and the Bloods in turn visited the Peigans and Blackfoot for a week or two . I do not know the effect on other agencies , but the Bloods were idle for six weeks. I wish if possible to put a stop to the visiting this year and suggest the above as a remedy.

Kindly send me 500 treaty tickets like form enclosed.

Sir,— I have the honor to enclose you herewith treaty payment returns at this agency. Some changes are apparent from last payment . The condition of last years copy at the agency was such that I was unable to be assured as to the exact payment last season. The copy here shows Jimmy Rainy Chief to have been paid on ticket A7 and also on ticket C36 ;twice last year.
Billie War Dance to have been paid on ticket Ai6I and also as A 220.

Bull Horn's band shows I7 Indians and one headman were paid last year ;with no decreases and one increase the band now totals the same as last year. I am unable to explai explain the difference of one except and overpayment. I did not detect the bouble payments of A7 and A I6I until after the Indians were paid so could not collect for refund.

Sir:-

I beg to inform you that the pay-lists of the distribution of annuity money to Indians of your Agency for I9I5 have been received and examined, and it is desired to direct your attention to the following remarks in regard thereto. You should be particular in future to see that your clerk adds the figures on each page of the list and carries forward the total, in each instance, of the additions made. In preparing the recapitulation you charged the Department with $I0.00, arrears of annuity paid to Indians of Band A, but the pay-list shows that only $5.00 arrears was paid, which payment was made to No. 82. Apparently you overlooked the second entry of $5.00. Kindly rectify the omission.

It is also observed that you paid the arrears of certain children to the Rev."H". The Department desires to be informed of this man's name which you should have given in full. You should state also upon what authority payment was made to him.

Since the receipt of the pay-list the Department has received a letter from you in the matter, together with a statement of distribution and a refund of annuity money. In future the statement should accompnay the paylist.

Sir,-

I re-enclose herewith the pay-list of the distribution of annuity money for 1915 to Indians of your agency. It is desired that you will have your clerk complete the pay-list by adding the columns showing respectively the number of men, women and children paid.

With regard to No. 125 "E" Band I may say that it is observed that the man came from No. 108 "E" Band and the woman from No. 55 "N" Band, but there is a third person shown under the column headed"girl" You should state whether this increase is due to a birth or to other cause.

O.K.

No. 61 Band "H". A full explanation is required relative to the payment made under this number and also with regard to the payment made under No. 37 of Band"C". You state family (No. 61) was paid in 1914, but not entered in the pay-list. Where did they come from, as this is the first time No. 61 has appeared on the list? You should also explain how you arrived at the number of persons paid respectively under Nos. 37 and 61 as seemingly there has been an overpayment made.

No. 111 Band "K". At the previous distribution a man, a woman, and two boys were paid. In 1915 one man and only one boy were paid. The decrease of two is accounted for by one death and by one person being transferred to "R" No. 55. No increase is shown under"R" No. 55 and therefore an explanation

explanation is desired. You should state whether the woman is the wife of No. 111.

No. 62 Band "L". In 1914 arrears of $5.00 for 1913 were paid. The arrears for 1913 have been paid again. An explanation in the matter is desired.

THE ARREARS PAID TO INDIANS OF BAND A AMOUNTED TO $10.00 BEING $5.00 TO No.52 AND $5.00 TO No.104. No ARREARS WERE PAID TO No.82.

THE ANNUITIES OF CERTAIN ORPHAN PUPILS OF THE CHURCH OF ENGLAND BOARDING SCHOOL WERE PAID TO THE REV. MR. HAYNES, THE PRINCIPAL, LARGELY FOR THE REASON THAT THE PARENTS OF CHILDREN ATTENDING THE INSTITUTION VOLUNTARILY HANDED OVER TO THE PRINCIPAL THE ANNUITIES OF THEIR CHILDREN, IN WHOLE OR IN PART, TO BE BY HIM EXPENDED FOR THEM. IT WOULD SEEM HARD THAT THE MISFORTUNE OF THE ORPHANS SHOULD BE EMPASISED BY TREATING THEM DIFFERENTLY, AND THEREFORE THE COURSE SHOWN WAS FOLLOWED.

THE PAY-LISTS NOT BEING REGISTERED WERE MAILED ON THE TRAIN WHILE THE STATEMENT AND FUNDS WERE SENT TO THE P. O. A MILE DISTANT FOR REGISTRATION AND FOLLOWED BY THE NEXT OUTGOING MAIL.

Sir:-

I re-enclose herewith the pay-list of the distribution of annuity money for 1916 to Indians of the Peigan Agency, and I beg to draw your attention to what appears to be errors therein. In the case of the family known as No. 17, it would seem that a mistake has been made. Apparently one boy died in this family yet you have shown that three boys were paid annuity as in 1915. It would appear that you should have entered only two boys as paid in this family. Carefully examine the record of this family and make the necessary changes. The mode of entry which you have followed has resulted in incorrect entries of persons paid being shown at the foot of the pay-list. There are a number of other somewhat similar cases, for instance, No. 87 where the death of a woman occurred. In this case you should not have entered the woman as paid. It is desired that you will carefully examine the pay-list page by page and if you find that you have made other errors, as above indicated, that you will correct the same. You should re-enclose the pay-list duly amended to the Department without delay.

WILL THE DEPARTMENT ALLOW ME TO PAY TREATY ON THIS RESERVE ABOUT JULY 1ST, INSTEAD OF IN THE FALL.

THIS IS AT THE REQUEST OF THE INDIANS, AS THEY CLAIM, OWING TO THE AMOUNT OF WORK IN THE FALL, SUCH AS HARVESTING AND THRESHING, IT MAKES TREATY LATE AND IS A HARDSHIP TO THE OLD PEOPLE.

I MIGHT SAY THAT WE WOULD NOT ISSUE THE USUAL BLANKETS, SERGE AND GALATEA UNTIL FALL.

Yes

ABOUT JULY THE FIRST IS THE BEST TIME TO PAY, BEING JUST BEFORE THEY START HAYING.

Ottawa, May 21st.,1917.

Sir,-

Mr. Agent Gunn desires to pay the annuities to the Peigan Indians on the 1st July, instead of in the Fall, and states that this is at the request of the Indians, who claim that owing to the amount of work in the Fall, such as harvest and threshing, it makes Treaty late and is a hardship to the old people. Mr. Gunn further states that about July first is the best time to pay, being just before the Indians start haying.

The Department has no objection to changing the date of annuity payments to the Peigan Indians, provided this would not be a temptation for the Indians of the adjacent Reserves to desert their work to gather on the Peigan Reserve for all kinds of festivities, and thus waste considerable of their time and earnings.

Before giving a final decision to Mr. Gunn, the Department would like to receive your views as to what influence, if any, the proposed change would have on the minds of your Indians.

You might also state when you propose to pay the Indians of your Agency.

Sir,-

With reference to the pay-list of the distribution of annuity money for 1917 to Indians of the Peigan Agency, I beg to direct your attention to the following.

"A" Band No. 98. At the previous distribution four shares were paid under this number while seven shares were paid this year. Kindly account for the increase of three in the number paid. If these three persons were formerly members of other bands, the authority in each case for transfer should be quoted in the "Remarks Column".

"B" Band No. 56. Kindly give the band number under which this woman was formerly paid.

The record of payment of annuity to each band should be kept separate, and therefore, when making out the pay-list you should not carry forward the total of the number paid in one band to the sheet upon which you show payment to another band. The record in the case of each band paid should be complete.

Sir,-

With reference to the case of Mrs. Potts, now the wife of No. 98 "A" Band, Peigan Agency, I beg to say that you acted correctly in paying her annuity with her husband and in entering her on the pay-list, but you should not have entered her two children as they are South Peigan Indians and not entitled to draw annuity. By her second marriage Mrs. Potts has taken the status of her husband, No. 98, but such marriage does not effect the standing of the two children in question. They should be struck off the pay-list before payment of annuity is made for 1918.

Sir,— I beg to acknowledge receipt of your letter 427001-3 of October 9th. and to say that the Departments assumption concerning the payment of this ticket appears to be correct. The person holding this ticket had not been paid here since I have been agent, and on looking up the records further I find that she was not paid between 1907 and 1913, when she appeared at the pay table therfor in 1918 I should have paid here arrears for 1909. Referring to your letter of the 4th instant, relative to the case of No. 54 Band "N" of the Blood Reserve, I beg to say that arrears of annuity for 1909 were paid to this woman in 1912. The arrears which you paid to her in 1918 should be applied in payment of her annuity for 1911 and you should correct your official copy of the pay-list accordingly. When this action is taken arrears of annuity will still be due to the woman for 1914, 1915, 1916, and 1917. If she is in need of money you may submit a voucher in her favor covering the arrears of annuity due her for these years and payment of the same may be made.

Ottawa 22nd December, 1920.

Sir,-

I regret the necessity of returning to you for amendment the pay-list which you submitted of the distribution of annuity money for 1920 to Indians of the Blood Agency. The reason for taking this action is owing to the fact that the blank pay-list supplied by the Department was mutilated before being used. The lists as submitted by you show the names etc., at the front of the book, while the columns for signatures &c appear at the end of the book. It is not possible to have the lists, as submitted, bound with the other pay-lists in one volume, and therefore I have to request that the pay-list now returned be copied and re-enclosed to the Department without delay.

In future you should be particular to see that all pay-lists are made out carefully, without changing the pages as they appear in the books supplied.

I beg to draw your attention to the following remarks in connection with the distribution of annuity money made in 1920 to Indians of the Blood Reserve, viz.,

Band A.

No. 226. Kindly quote the authority for accepting this Indian into Treaty. You should state the reason why he was not admitted to Treaty at an earlier date.

No. 227. In 1919 only 225 families were paid. You should state where the man now known as 227 was paid previously.

Band A V

According to the figures which you have supplies and which have been added in the Department, you have made payment of $75.00 on behalf of four men, five women, three boys and three girls, while according to your other additions you paid five men, five women, three boys and three girls. It is thought you have overlooked making entry of payment to No. 104. Kindly investigate the matter and report.

With reference to your letter of January 27th regarding the distribution of annuity money made in 1920 to the Indians of the Blood Reserve, I beg to explain as follows:-

Band A.

No. 226. This Indian was admitted to treaty under authority contained in your letter of March 29th 1920. File No 427037-3 which was written in reply to my letter of March 12th.

No. 227. This man was last paid treaty in 1916 under Band G No. ~~12~~ 77. He was absent from the Reserve for a few years returning in 1919 too late for the 1919 payment. As his mame did not appear on the treaty books at all & as he wished to be in the same band with Bruised Head I entered him under A. No. 227.

Band V.

According to my records here I paid five men, five women, three boys & three girls, a total of sixteen, amounting to $80.00. It may be that I have omitted to enter No. 104 Martin Bull Horn who was paid $5.00.

Sir,—

I am in receipt of a communication from one, Susie Smith, who claims to be an Indian of this Band, asking that she be paid any arrears of treaty that may be coming to her.

On looking up the Treaty books I find that Susie Smith was paid treaty last in 1911 under Running Antelope's Band No, O 77 & from that time till 1915 she appeared in the books as "Absent" & after that she would appear to have dropped out alltogether.

It would appear that in 1911 she married a white man called McConkey with whom she has been living in Great Falls, Montana ever since. By so doing she would appear to have lost her treaty rights, but she wants to know if she would not be entitled to arrears for a year or two & the $50.00 usually paid for abandonment of treaty rights. She also wants to know if, by any chance any of her treaty money was funded for her but there would appear to be no record of this having been done.

I shall be glad if you will advise me as to what can be done in the matter in order that I may communicate your decision to her.

WITH CHEQUE

Sir,-

In reply to your letter of the 18th instant regarding the case of Susie Smith, of the Blood Reserve, who married a white man named McConkey in 1911 and resided for a number of years in Great Falls, Montana, I have to inform you that, consequent upon her residence for five years continuously in the United States without the consent of the Superintendent General or his Agent, she forfeited under Clause 13 of the Indian Act her right to participate in payment of interest or annuity money as a Canadian Indian.

I inclose herewith cheque No. 7161 for $126.95 in release of the amount standing on deposit in the Savings Account at credit of Susie Smith. The issue of this cheque closes out her account with the Department. When the money was funded for Susie Smith it was reported to the Department that she was known as No. A138 of the Red Crow Band and that she was pupil No. 051 of the High River School.

Sir,-

I beg to say that the paylists of the distribution of Annuity Money for 1923 to the Indians of the Blood Agency have been examined. It is observed therefrom that under No. 21 of Running Antelope Band you made payment of six shares of annuity. Two of these shares were paid for children who are American Indians. These payments should not have been made. The mother of the children, by her marriage to a Canadian Indian, became a member of her husband's Band, and is entitled to receive distribution of Annuity Money, but the change in her status does not effect the status of her two children of American birth.

They cannot be received into Running Antelope's Band unless the Band passes a Resolution agreeing to receive them into membership and unless also the said Resolution is approved by the Department.

A refund of the money erroneously paid, as above referred to, should be obtained by you.

Sir,—

File No. 3-101A.

In reply to your letter of April 25th, I had proposed paying Treaty money along about the 16th of July as I figured by that time the Indians would be through with their Summerfallow & could then afford to take a few days off before commencing haying.

The people of Macleod & Mounted Police Veterans however are putting on a Jubilee Celebration on the first three days of July & have suggested that I pay previous to that time & I understand the Agent on the Peigan Reserve has fallen in line with their proposition. I am afraid however that if the Indians once get away from their farm work, it will be a devil of a job to get them back.

The Indians, no doubt will go anyhow & if I don't pay them treaty, there will be a lot of hard feeling around amongst the people who are putting on the celebration.

If you think it advisable to pay at the end of June & take a chance on getting the Indians back after their money is spent, allright, I can pay then. Or if you think it better that I hold to my original intention & incur the displeasure of the whole neighbourhood, it will be allright.

I understand the question of the Indians being allowed to [redacted]ke part in the celebration has been taken up with the Minister - if they are to be in attendance they might as well have a little money to spread themselves with.

I could pay on the 28th or 30th of June if you think it advisable to fall in line with the rest of Southern Alberta & boost the Jubilee Celebration.

Sir,-

I have your letter of the 26th inst. No. 3-103, enclosing a copy of one received from Indian Agent Faunt, regarding the proper course to follow in connection with the coming treaty payments.

You will note from Mr. Faunt, that he is of the opinion that if the Indians are paid treaty a day or two prior to the MacLeod celebration, it will interfere with the work on the Reserve, as it will mean that they will be able to remain away from the Reserve for some considerable time, spending their money, which should be spent on the Reserve while carrying on their work.

In view of this I cannot recommend that the payments be made a few days before the celebration. This should be put off till a later date.

It is most regrettable that the 28th of June has been fixed for the payment of the Peigan money. If you can arrange to cancel this, without causing any friction, I think it would be advisable to do so. Mr. Arthur did not display very good judgement in recommending the date mentioned for the payment, however, a letter should be written, which will not be offensive to the War Veterans or to the Indians. The Department will probably be able to give some reason, without blaming anybody in particular.

Indian Commissioner.

Mr. Scott,-

With reference to Mr. Agent Faunt's letter of the 11th ultimo, relative to the date of annuity payments to the Indians of the Blood Agency, I beg to state that the matter was referred to Mr. Commissioner Graham to ascertain his views as to the proper course to follow so that there will be no friction between the Department's officials and the people interested in the MacLeod celebration to commemorate the entrance of the Mounted Police in the North West Territories. You will note by Mr. Graham's reply of the 29th that he cannot recommend that the annuity payments be made before the celebration for the reasons stated.

With regard to the authority given Mr. Agent Arthur to pay the Peigan Indians on the 28th June, I beg to state that the Agent recommended that date on the 30th April last, as the most convenient for the work in progress there at that time, and not being aware that a celebration was arranged for July 1st, 2nd and 3rd at MacLeod we approved of the date. I suppose the Department could cancel this arrangement, but it might cause friction with the MacLeod people.

I observe by file No. 60511-5 herewith that the question of the Indians participating in this celebration was referred to you by the Minister and that it was decided to let Mr. Graham make the arrangements with the Mayor of MacLeod.

Will you kindly advise me whether it is your wish that the payments be not made on the Blood Reserve prior to the MacLeod celebration, and also that the date fixed for the payment on the Peigan Reserve be cancelled.

Mr. Scott,-

Ernest Brass Rook, No. 21 of Running Antelope's Band, Blood Reserve, married last year an Indian woman from the United States. This woman was a widow with two children who are now being cared for by their step-father, and the Indian Agent paid them annuities as well as their mother. The Agent was informed that it was regular to admit the mother as a member of the Blood Band, but that the children were not entitled to receive dsitribution of annuity money, unless the Band passed a resolution agreeing to receive them into membership and also that the said resolution be approved by the Department. The Indian Agent has forwarded the necessary resolution from the Band asking and recommending the admission of the children referred to, and as the mother is now a member of the Band through marriage, and the children will be brought up on the Reserve, I would recommend that their admission be approved as from the date of their mother's marriage.

COMMISSIONER'S OFFICE,

REGINA, SASK., June 30th, 1924

Sir:-

I received your letter of the 26th ulto., 3-103 regarding the date for the annuity payments on the Blood Reserve, also a copy of Agent Faunt's letter which was sent at the same time. You asked me for my views in the matter. I hastened to reply to your letter and wrote to you on the 29th ulto., giving my reasons and concurring with the views expressed by Mr. Faunt.

Later on you wired me advising that Agent Faunt had changed his mind, and asked that date of payments be fixed as previously arranged. I wired that I thought the Department should adhere to its original decision and not change the date. You can imagine my surprise when I received a letter saying that you have decided to revert and go back to the original date, June 28th.

I have done a lot of hard work on the Blood Reserve and so has the Inspectors; you are to judge whether good results have obtained. My own opinion is that the Indians are in a fair way to being the most advanced in the Province. Last year they produced over 300,000 bushels of grain and it is just because they were handled with a firm but fair hand. I consider this action of the Department has done more to offset the good work that is being done than anything that has happened in the last two years.

I would ask the Department if I am not in a very awkward position, after giving a decision and then the Indians come along and use pressure on very poor grounds, and have my decision altered. It is a most discouraging way to carry on work.

Sir,

I have to acknowledge the receipt of your letter of the 30th. June with reference to the change of date for the Blood and Peigan payments. The improvements on the Blood reserve in farming and the general condition of the Indians is appreciated. I think you probably exaggerate the effect of the alteration of the date of these payments, which, I may say, was not made owing to pressure from the Indians. Nor can I agree that the position in which the decision has placed you is very awkward, now that it will result in any loss of prestige to you.

Sir:-

I beg to acknowledge the receipt of your letter of the 8th instant, acknowledging mine of the 30th ultimo with reference to the change of date for the payments on the Blood and Peigan Reserves.

It is really hard to understand how you could arrive at the opinions that you have with regard to this matter, when you say that I have exaggerated the effect that the alteration of the date of these payments would have on the work.

I have just returned from the Blood Reserve and I find the Indians ten days behind with their summer-fallowing; actually plowing down hundreds of acres of weeds that have gone to seed. Had these Indians stayed at home and attended to their work, this summerfallowing would have been completed in the proper time: ten days or a week made all the difference. In complaining to the Agent about the state of affairs, he admitted that a whole week or so was lost, owing to the Indians being away and having money to spend, and then when I come home I find a letter from you, stating that you imagine I have exaggerated the effect. Am I to take your remark seriously?

You state that the change in the date of these payments was not made owing to pressure from the Indians. I know that the Indians pressed hard to have the payments made after they had been told that the date would not be changed. I was also aware that requests were being made

from other quarters to have payments made just prior to the Stampede.

If the Department will deal with matters of this kind a little more seriously, and assist me in carrying out a farming programme with an indifferent people we will get somewhere, but if the work is to be interfered with we are not going to hold our own.

While speaking on the subject I might refer also to conditions that I found on the Blackfoot Reserve, due to the Stampede which was held in Calgary. Only 50% of the total area to be summerfallowed was plowed once, and of that 50% no harrowing or discing was done. The other 50% was still in stubble and the Indians all away at dances. May I ask what the Department thinks of this situation? In a special report that I am going to make on this subject, I am going to request that the land be put back to grass seed if we cannot control the Indians more than we have been doing in the past.

It is easily understood how the Department, situated at Ottawa, and not in practical touch with this work, can be misled. It was only a few years ago that the Department were labouring under the impression that farming conditions on the Blood Reserve were in splendid shape and that the reserve was in a fairly thriving condition. At that time farming operations there could not have been worse, as reports from this office clearly pointed out.

The problem of keeping the Indians on the reserves, and attending to their work, has always been a serious one, and the importance of this can only be fully realized by being in close touch with conditions as they really exist.

As I said before, I need all the assistance I can get from the Department. A matter such as this cannot be treated lightly, and once more I want to make it clear that I do not exaggerate.

Dear Mr.Graham,-

I have your note of July 21, with reference to the change of dates for the payments at the Blood and Peigan Reserves. I did not intend to minimize the seriousness of these stampedes and the various attractions which take our Indians from their farming operations. So far as we are concerned next year I propose to take the stand that the Department will not countenance any of these celebrations.

I was informed by Mr Arthur "Indian Agent" at Brocket that Treaty payment was to be paid on the 22nd and the Indians were going to hold sports on the 23rd of June 1926, and he requested that I be present on duty on both days.

I proceeded to Brocket on the morning of the 22nd and was present at treaty payment, when approximately $2.000 was paid to the Indians.

On the 23rd sports were held, and a great number of white people from Pincherecreek, Macleod, and the local district were present.

Every thing passed off in good order, and no ### sign of any one present being under the influence of liquer, or any liquer being in the vicinity.

Blood Indian Agency,

402-5 Cardston, Alta., Sept. 24th, 1929

Sir:-

I beg to acknowledge receipt of letter No. 3-104, dated 19th inst. relative to a treaty payment made to Mrs. Emil Medicine Traveller, No.K83, of the Low Horn Band, Blackfoot Agency. In reply I wish to state that this woman originally belonged to this band. She has been living here since 1926, and is living with a Montana half breed, one Phillip Many Hides, and at the time of treaty, correspondence passed between Mr. Gooderham and myself and under date of July 2nd Mr. Gooderham wrote to me advising that I might as well pay this woman her treaty here. This I did. At the time, however, I asked the Chief and Headmen whether or not they would take this woman back into the band. They advised me that they were willing to take her back into the band. I should have advised the Department to this effect, and I may say that I paid this woman under Band No.V104, and after closing my books Mr. Gooderham remitted me her treat y money, which I returned. I think it advisable that she be transferred back to her own band.

Regretting my error,

Your obedient servant,

Wm. B. Pugh

Indian Agent.

I beg to state that I have been approached by the Chief and Minor Chiefs of this Reserve requesting that in view of the delay in the payment of their per capita lease payment, that their Treaty payment be made to them at an early date, pending the adjustment of lease matters.

I may say that at the time of my setting the date for Treaty payment I anticipated that the lease payment would be forthcoming, but as this appears remote at the moment, I am of the opinion that the paying of treaty money as soon as possible would relieve considerable distress among the Indians. I should be glad if the Department would concur in this proposal.

Sir,-

Your letter of the 17th June, inclosing voucher for the payment of $20.00 for annuity for children born after the Treaty payment was made, has been received, and in reply I wish to inform you that the application for the same can not be approved. The policy of the Department is to pay all those Indians who are living at the time the distribution is made. You can readily see that, if claims are allowed for children born after the payments, others would have the right to apply for annuity for those persons who have died a few weeks previous to the payments.

Sir:-

I beg to acknowledge the receipt of Departmental Circular 3-101B, of the 7th instant, with reference to date of Annuity payment for the Blood Band of Indians.

In reply I respectfully ask the Department's consideration to the making of this payment about the 1st day of May.

This request is made in as much as it would now seem impossible to make a payment of interest money to the Indians, by the time we wish to start our spring work.

The Indians need some money to purbhase extra food, small necessities for their work, such as sweat pads, repairs to harness and other goods which we do not supply out of the Encumbrance credit just received. This latter being reserve for the actual repairs parts to drills, discs, cultivators, plows etc., and to the sharpening by blacksmiths of plow shares and cultivator shoes etc.

I would, therefore, recommend to the Department the date I have set out above, and I trust that the Department will concur.
