Come and see your old friends at the Watford Fair.

West Lambton Fair will be held on Sept. 26th, 27th, 28th.

Ford closed cars down \$190 today.—Wat-Ford Garage, R. Morningstar.

First we had no beer, and now we have no bananas. What next.

Carr's Mackinaw Coats for men, young men and boys.—A. Brown & Co.

Strathroy Fair was well patronized by people from Watford and vicinity this week.

Make your headquarters on Fair day at McCormick & Paul's, the quality store.

Mr. James Phair is using a clutch just now the result of a rolling log striking his leg.

Soon the frost will be on the pumpkins and the succulent pumpkin pie will be on the menu.

Of all sad words of tongue and pen, the saddest are these: "Gotta start the furnace again."

Dr. Anderson, Chiropractor, makes sick people well. Watford Monday, Wednesday and Friday, 9 to 11 a.m.

Married people are like the Irish—each believes in home rule, but they cannot decide who shall be the home ruler.

Special showing of ladies' navy suits, tailor made.—Swift's Fair Day Display.

The 11th of November, Armistice Day, falling on Sunday this year, the following day, Monday, Nov. 12, will be Thanksgiving Day.

Wonder what Maggie will think when she hears that the Prince dined off corn beef and cabbage. Will she let Jiggs do the same.

House dress special 98c, colors light, medium and indigo. Princess slips from good quality black sateen 95c.—A. Brown & Co.

Getting the battery charged is not nearly so much of a problem to the average motorist as finding a place to get the gasoline charged.

Watford public school children are at liberty to compete for the prizes offered in the School Exhibit at the Watford Fair as well as rural school children.

With farmers growing wheat to sell at \$1 a bushel and a bricklayer getting in some cases \$12 a day, how long will it take a farmer to have a brick house?

20 pairs tweed pants \$3.00 a pair. Fair Day Display at Swift's.

Never send a parcel by mail without insuring it. Three cents will insure it up to five dollars, and it is a mighty poor parcel that is not worth three cents.

The ladies of the Methodist church held a successful baking and fancy goods sale on Saturday afternoon, the tasty home cooking being rapidly disposed of.

Mr. Neff McCormick has our thanks for a fine lot of mushrooms, one of which measured fourteen inches in circumference. They made most delicious eating.

It probably won't be long before a man will be regarded as a highbrow if he reads the reading pages in the magazines as well as the advertisements.

We have English kip shoes for men for every day. The shoes that keep your feet dry.—P. Dodds.

On Sunday next services will be conducted in the Baptist churches by the pastor, Rev. L. J. Stones, whose subject will be "Imitations". Service at Calvary at 3 p.m. and Watford at 7 p.m.

The ladies of Trinity church held a get-together tea on Tuesday afternoon. Despite the rain there was a goodly number present and a profitable couple of hours spent.

There was a slight frost Thursday night but not enough to do any damage to garden produce. Friday there was a cold wind all day which made a little fire indoors quite acceptable.

It is said the ladies are planning an attack on men smoking next. Probably the dear ones reason that men will smoke enough in the hereafter without them doing too much of it in the present.

"Oh, no!" soliloquized Johnny bitterly; "there ain't any favorites in this family. Oh, no! If I bite my finger nails, I get a rap over the knuckles, but if the baby eats his whole foot they think it's cute."

Fall Millinery, ready-to-wear, and the new trimmed models, now on display.—A. Brown & Co.

Walter Heirs, the famous Paramount comedian, as a small town soda clerk in love with the bank president's daughter, in his new sparkling sure-fire comedy "60 Cents An Hour" at the Lyceum next Thursday.

We don't charge for notices of births, marriages and deaths of local interest nor for personal or local items that are of no particular benefit to anyone, and we are glad to have them handed or sent to the office.

Mrs. (Dr.) Newell's class in Trinity church Sunday school surprised her at her home Friday evening, bringing with them dainty refreshments. A couple of hours was pleasantly spent by the company in games and an interesting program of music.

Visit our store Fair Days—easy to make your expenses.—A. Brown & Co.

A lowering of rates which will affect two towns and seven villages in the London district, of which Watford is one, was announced by the Ontario Hydro Electric Commission on Thursday last. This will be good news to the ever-increasing number of hydro users in the village, particulars of which will be found elsewhere in this issue.

Trinity harvest thanksgiving service will be held next Sunday, Sept. 23rd, at 7 p.m. when the Rev. Canon D. W. Collins B.A., rector of St. George's church, Sarnia, will be the special preacher. The church will be fittingly decorated with flowers, etc., and appropriate music will be rendered by a full surpliced choir. A special thankoffering is requested. All welcome. Come.

Corticelli and Komfort Yarns in wool and silk and wool, all shades.—A. Brown & Co.

Bank of Montreal crop report for Ontario dated Sept. 13: Threshing has been general the past week and the yield is better than expected. Weather conditions have been favorable for ensilage corn and roots. The apple crop will be fair. Pastures are in good condition in most localities. The land is in good shape for ploughing and some fall wheat has been planted.

Our school shoes are solid leather and reasonable in price.—P. Dodds.

A large number of entries, splendid exhibits, good crowd and fine weather were features that made the school fair at Warwick Village a big success on Wednesday afternoon.

The attendance from Watford and vicinity was large and all came home much pleased with the attractions provided by the children.

Make our store your headquarters while at the Fair, leave your parcels and coats and meet your friends. You are welcome.—P. Dodds.

Mr. and Mrs. Henry Macnally of Wallaceburg, formerly of Watford, held a family gathering at their residence on Del street. Those present from a distance were Mrs. Alex. Tarrant, formerly Miss Adelaide Tarrant, and son John of Montreal, Macnally, Mr. Fred Birch and his mother of Watford, Mr. and Mrs. James Menzies accompanied them.

Miss Lulu C. Hunter, a native of Watford, and a resident for a number of years with her grandfather, Mr. Robert Dunn of Arkona, was married last Saturday at the residence of her uncle, Mr. Thos. H. Dunn, C. E., at Ottawa, to Mr. Wm. McFavish Friend of Cornwall. Miss Hunter is the daughter of Mr. James Hunter, a former resident of Watford, and many years ago on the staff of the Watford Guide-Advocate.

Lambton's 149 I.O.D.E. opened its autumn activities on Tuesday afternoon Sept. 11th at the home of Mrs. Pritchett. Mrs. C. Leigh, the Regent, presided. A report was made concerning the literature on the extermination of flies but as only 100 copies had been received it was thought advisable to hold these until more copies were available for distribution. Plans were discussed for raising money and group committees formed. At the conclusion of the business the hostess served tea, assisted by Mrs. Nixon and Mrs. Luckham. "God Save The King."

Turnbills and Stafields underwrote for every member of the family.—A. Brown & Co.

The Presbyterian Union of Sabbath Schools and Young People's work of the Sarnia Presbytery has been divided into three groups with centres at Sarnia, Parkhill and Watford. On Friday evening last a meeting of the Watford group was held in the schoolroom of the Watford Presbyterian church for organization purposes. Officers elected were, president, Rev. H. V. Workman, Watford; vice-president, Mrs. Devine, Strathroy; secretary, Miss Catherine McDougall, Wyoming; treasurer, G. Minielly, Wyoming. A conference of this group is planned for the third Tuesday in October in Knox church, Warwick.

Ladies' hosiery and gloves, special Fair Day display.—Swift's.

The members of the Young People's Society of the Christian Endeavor of the Congregational church were the guests at a banquet at the home of Miss Maude Marwick, Huron and Wall streets, on Tuesday evening of last week, when the losing team in the recent contest, captained by Miss M. Marwick, entertained the winning team, captained by Miss Estelle Craig, at a chicken supper. Splendid reports of the summer school of the Ontario Christian Endeavor Union, which was held at Elgin House, Lake Joseph, Muskoka, were given by the three representatives of the society Miss Jean McCormick, Miss Elsie Brown and Miss Gladys Lamb.

Barriecloth Ulsters for men, rubber interlined, untearable, wear better, look better, and cheaper than fur—see them.—A. Brown & Co.

The September meeting of Women's Institute was held on Wednesday evening, Sept. 12th, at the home of Mrs. R. A. McIntosh, with the president, Mrs. J. H. Humphries, presiding. Meeting was opened by singing Institute Ode and repeating Lord's Prayer. A very interesting feature of the meeting was the apron parade led by Mrs. McCrae. Twenty members responded to Roll Call by wearing apron and giving details of making, where from etc. Special mention of one made by a grandmother forty-five years dead, another made some thirty-eight years ago, both showing particular work done. Community singing was much enjoyed by all present. Ladies intend scrumptious lunch at the Fair on Friday. Meeting closed by singing of "God Save The King."

MASONIC LODGE OF INSTRUCTION

R. W. Bro. A. D. Armstrong, D. D.G.M. of Sarnia District, will hold a lodge of instruction for the district in Carroll's Hall, Bridgen afternoon and evening of Friday, Oct. 12 at which the Most Worthy Grand Master of the Grand Lodge of Canada, Bro. W. J. Drope, M.A., of Grimsby, will be present. The lodge will open at two o'clock.

After the reception of the Grand Master the first degree will be exemplified by W. Bro. Robt. Latimer and officers of Beaver Lodge, No. 83, Strathroy.

The fellowcraft degree will afterwards be exemplified by W. Bro. Wm. McInnes and officers of Cassia Lodge, No. 116, Theford.

At the evening session at 7.45, W. Bro. H. C. Cares and officers of Victoria Lodge, No. 56, Sarnia, will exemplify the third degree.

Refreshments will be served to the brethren at 6 o'clock by the ladies of the Presbyterian W. M. S.

## THE FAIR

Everything is in readiness for the Fair on Friday. At the time of going to press numerous entries have been made and others are coming in rapidly. The judging is being done in the buildings this (Thursday) afternoon, and the entries in the indoor departments are said to be fully up to last year. With fine weather a big crowd is expected Friday, and the trials of speed will be worth seeing.

## HYDRO RATES REDUCED

An appreciable reduction in rates to consumers in Watford has been declared, the new rates to go into effect at once and will govern the bills submitted at end of September.

As our peak load occurs on Saturday night between the hours of 3 and 10, the Local Commission kindly asks all consumers to conserve as much power as possible between the above mentioned hours, as by so doing it will very materially reduce our cost of power. The following is the new schedule of rates:

Domestic Lighting:  
Former Rates: 3 cents per 100 sq. ft. service charge; 6 cents and 2 cents per K.W.H.  
Minimum net monthly bill \$1.00.  
New rates: 3 cents; 5 cents and 2 cents. Minimum \$1.00.

Commercial Lighting:  
Former rates 12c, 6c, 1.2c.  
New rates 10c, 5c, 1c.

Power:  
Former rates: \$1.00; 7.1, 4.7, 1.5c.  
New rates: \$1.00; 6.4c, 4.3c, .15c.

Street Lighting:  
Former rates \$17 per yr. per lamp  
New rates \$15 per yr. per lamp.  
Street lighting rate will take effect as from January 1st, 1923.

## THE VILLAGE TAX RATE

The ratepayers of Watford will be called upon to pay a tax rate of sixty-two mills on the dollar this year for civic and educational purposes. This year's council is not altogether responsible for this high rate, over fifteen mills of which is made up of debenture debt. The village rate this year is 16 mills, four mills more than last year, but we understand that this increase is largely due to the fact that the rate struck last year was insufficient to cover the expenditure, consequently had to be made up this year. The Board of Education have done what they could in keeping with progressive ideas to keep the expenditure down and at the same time provide what was necessary for carrying on the work, and the tax rate for school maintenance is slightly lower than last year.

The total tax rate is the highest in the history of the village, but we cannot escape the fact that must be faced of paying for progressive ideas and up-to-dateness. We have a good paved Main street, waterworks, adequate facilities that will send our young people out into the world fully equipped to fight their way successfully through life, and the cost has got to be paid. Watford has advanced materially the past few years and that is why a heavy tax rate is required. That the rate is very high cannot be denied, and will undoubtedly press hard on some ratepayers, but who would wish to be without the advantages that our village now has?

Miss Leapha Gault has returned to her home after spending the past two weeks with friends in Detroit and Windsor.

## PERSONAL

Miss Med. Taylor, London, is visiting relatives here.

Miss Evelyn Hastings returned to Toronto Wednesday.

Mr. Albert King left Wednesday for his home in Regina.

Mrs. W. D. Hunt and Mrs. E. Dempsey, Aylmer, Mr. Young, Port Bruce, spent several days last week at Dr. and Mrs. Newell's.

Dr. Basil Harvey, Professor of Anatomy at the University of Chicago, his wife, and Mr. Corey Harvey, St. Thomas, were the guests of Dr. and Mrs. Newell Wednesday.

DEATH OF THOMAS A. LOGAN

Thomas Logan, a well known Watford resident passed away Friday last after a lingering illness.

Mr. Logan was born in Brooke township sixty-five years ago and resided there until three years ago when Mrs. Logan's failing health made necessary their removal into Watford. Mrs. Logan died just seven weeks ago.

He is survived by six sisters, namely, Mrs. Sisson of Moosejag, Sask.; Mrs. Lamb of Ironton, O.; Mrs. Logan of Sarnia; Mrs. Darling and Mrs. Logan of Thorndale and Miss Sarah Logan of Watford and two brothers, William of Brooke and John of Sarnia.

The funeral was held on Sunday from his late residence to St. James' Church cemetery, Brooke. The service was taken by Rev. H. V. Workman and the pallbearers were Clarence, Gordon, Allan, Harry and Billy Logan and Fred Walters. Friends were present from Petrolia, Sarnia, Thorndale and St. Mary's.

#### NOTE AND COMMENT

It is well to remember that the town with the very low rate seldom has much else to blow about.—Action Free Press.

Why should federal and provincial governments be preferred creditors as depositors? There should be no preferred creditors among depositors as depositors, but if there are any to be given that position, it should not be governments.—Kincardine Review.

Only an insistent demand on the part of people of Ontario will bring about a competitive freight rate and allow Alberta coal to enter this province at a reasonable price. The nine-dollar freight rate by this province will practically remove any possibility of Alberta coal competing with coal from the United States.—Ex.

Kingsville Reporter: Kingsville tax rate this year has lowered to 38 mills. Many towns have gone the other way. Wallaceburg, a fine progressive town, finds itself with a 56 mill rate, while Amherstburg runs 4 mills higher, but Watford with 62 mills, nearly caps the climax. It takes more money to finance any town than it did a few years ago, hence tax rates must necessarily be higher.

#### NOTE AND COMMENT

The regulation providing that revenue stamps instead of postage stamps shall be affixed to cheques and other commercial instruments becomes operative next month. It will prevent the Postmaster General from tacking the revenue from that source in with the revenue from the postal service, but it will do so at the cost of some inconvenience to the public.

Edmonton Bulletin: San Francisco reports that Japan has ordered 500 million feet of lumber from United States manufacturers for use in rebuilding its ruined cities. It is a safe guess that most of that lumber will come from the forests of British Columbia. But why the orders via the United States, with a 'rake-off' of course, for the enterprising contractors south of the line?

It is all very well for motorists to plead for a new and acute "traffic sense" in those on foot, but the fact remains that there are reckless motorists as well as careless pedestrians. It is just as well to be reminded that the careless pedestrian after all, breaks no law, whereas the reckless motorist certainly does. A stricter enforcement of penalties for undoubted cases of careless driving (whether or not anyone is killed as a result of it) is certainly one way of assisting at the solution of our modern problem.

The need today is to throw off the mental condition which cannot see the wood for the trees, and to look a little farther ahead. Courage, confidence and good cheer will do much in restoring the right attitude toward the nation's future. Have faith in Canada. Her people have advantages which are the envy of other nations. Use those advantages wisely, forget the forebodings of the faint-hearted have confidence in the superior position and ability of Canadians, and the outlook will undergo a much needed change.—Ottawa Citizen.

Welland Tribune and Telegraph: Mrs. Nina Moore Johnston, the well-known writer, gave an address in Toronto on Tuesday, and she spoke of the work of the Women's Institutes at her home in Beverly. The forsaken appearance of the country graveyards was the first thing that gained the attention of the Beverly Institute when it was formed 12 years ago. Beauty took the place of desolation. It would take a long catalogue to list the good works of the institute—schools and grounds—nice beautiful, memorials raised, villages lighted, classes of instruction, dental and medical inspection of children—these suggest but a few. Viewing the field one is compelled to name the Women's Institute the most valuable social organization we have in Canada.

Morning Post: The Dominion of Canada is virtually an independent nation. Canada alone among the Dominions has concluded a treaty—

the halibut fishery treaty—with the United States independently of the British Government. But Canada attained her position under the wise guidance of British ministers and by virtue of the cordial help of the British Government. By reason of the existence of the Royal Navy, Canada, until the Great War, has never had to deal with a foreign enemy. Under the protection of England, with England's men and England's money, she has founded her civilization and has begun—but only begun—to develop her immense natural wealth. For more than half a century Canada has been a Dominion. She owes her superb position in the Empire alike to her own efforts and to the untiring support of Great Britain. That, apart from politics, Canadians as a whole, regard their place in the Empire and their relation to the Mother Country with pride we believe to be the fact.

#### CULTIVATE THE HABIT

For years the Guide-Advocate has conscientiously aimed to put Watford on the map and keep it there, by reporting all the legitimate items of news it could possibly gather, exploiting Watford's best interests before the reading public. Frequently, however, it has occurred that items of real value to the community have failed to appear, because they did not come under our observation, and those interested did not forward particulars to this office. One of the things which ought to become a fixed habit in every household in the community of which Watford is the centre is that of sending to the Guide-Advocate the items of real news which occur from week to week. Give us the neighborhood items which are of interest to yourself, your neighbors, or your friends. Every church, every lodge, every municipal or social organization should have some representative, properly appointed who will look promptly and carefully after its news, which is desirable to be given to the public. Sometimes an organization is liable to think some kindred society has better news service than it is given. This is most probably because that other organizations look after such matters promptly and regularly. Write your items and send them in. Two factors are absolutely necessary to accomplish desired ends: 1. Be prompt in sending news, and, 2nd, Be sure of facts. Never forward an item unless the fact recited is authenticated. If the residents of this community will co-operate with this journal in the matter of news, the Guide-Advocate will become more and more interesting to all concerned, and this section will come into prominence at an increasing ratio.

#### HOLLANDERS IN LAMBTON

The two outstanding problems of farming to-day are, first, marketing of farm produce and second, farm labor problem. The former problem is one that is gradually being solved by commodity organization, standardizing of grades, improvement in quality and proper distribution of the product. The work that has been accomplished results in no increased price to the consumer but gives the producer a fairer share of the price paid by the consuming public. Present indications point to the fact that in the near future such marketing organizations will apply to all farm produce.

To secure sufficient farm labor to work our farms to capacity will always be a difficult problem. When farm conditions are such that a more substantial remuneration can be secured for the labor spent in producing them, and only then, will labor be attracted to our farms.

The local county agricultural office has been successful in securing a number of Holland farm laborers this season. These men have proven themselves to be honest, industrious capable and desirable citizens.

Twenty-eight Hollanders have been secured altogether. Twenty-one of these men are at present engaged in farm work. The agricultural representative, Mr. W. P. Macdonald, informs us that he is now in touch with a source of Holland laborers, married men, who are anxious to come to Canada. These men can be secured at a reasonable wage but require yearly employment and to be supplied with a house, the use of a garden, the privilege to keep a few hens and probably a cow. This is a first-class chance for Lambton farmers to secure experienced farm labor and is one of which full advantage should be taken.—Petrolia Topic-Advertiser

Canadian Pacific Directors on Annual Tour

E. W. Beatty, president of the Canadian Pacific Railway, is now on his annual tour of inspection over the Company's lines. He is accompanied by a number of Canadian Pacific Directors, and the trip will probably prove of more than usual importance in view of the many questions connected with transportation that are under discussion in the West. The party of directors consists of Sir Herbert Holt, Montreal; Sir Augustus Nanton, Winnipeg; J. K. L. Ross, Montreal; F. W. Molson, Montreal; and W. N. Tilley, K.C., of Toronto. Vice-President A. D. Mac Tier accompanied the President as far as Port Arthur. The party left Montreal on September 6 and made the first stop at Toronto, leaving next day for Port Arthur and Fort William. Short stops were made at Winnipeg, Brandon, Moose Jaw, Medicine Hat, Calgary and Revelstoke. At Winnipeg a meeting of the board of directors was held, this being the first time in the history of the Canadian Pacific Railway that such a meeting has been held in Western Canada. Vancouver was reached on September 15th, and the party then proceeded to Skagway by the Canadian Pacific Coast Steamship Service. They will return to Vancouver on September 24th. The return journey will be made via Nelson, Lethbridge, Calgary and Edmonton. A short stop will be made at Nelson on September 30th, at Lethbridge, on October 1st, Calgary, October 2nd, Edmonton, October 3rd, Saskatoon, October 4th and at Winnipeg the following day.

TOWNSHIP SUNDAY SCHOOL ASSOCIATION

A special meeting of the executive committees of the Sunday School Associations of the townships of Warwick, Bosanquet and Plympton was held in the Methodist Church, Forest, on Tuesday afternoon, Sept. 11th, for the purpose of organizing a religious education council for North Lambton county. There was a very good attendance, each township being well represented. Mr. J. F. Smith, secretary of the Warwick Township Sunday School Association was appointed chairman of the meeting.

Two representatives of the Ontario Religious Education Council, Rev. W. P. Fletcher, D.D., superintendent of rural association work, and Mr. T. P. Taylor, finance secretary, were present from Toronto as special speakers and to assist in organizing the county work.

After consultation and discussion it was decided to proceed with the organization of a religious education council for North Lambton, and the following executive officers were appointed: President, Dr. P. G. Brown, Camlachie; vice-president, Rev. A. R. E. Garrett, Forest; secretary-treasurer, J. F. Smith, Warwick Twp.; children's division superintendent, Miss M. Taylor, Camlachie; boys' work superintendent, Rev. T. D. Rayner, Watford; girls' work superintendent, Mrs. M. Govenlock, Forest; adult Bible class superintendent, Miss Mary Mansfield, Watford; home dept. superintendent, Rev. W. Walker, Forest; teacher-training superintendent, Rev. H. V. Workman, Watford; missionary superintendent, Miss M. J. Kelly, Forest; temperance superintendent, Wm. H. Luckham, Warwick Twp.

Forest was selected as the place of meeting of the Sunday School County Council for next year.

Blats' Diary

By Ross Farquhar

Friday—Met a old friend of Pa and ma witch spent dinner time at are house today witch has ben married six times a ready and pa says he pays alimony to them. I ast pa in a joke if he had them listed down alphabetically. And he just luffed with a smile kinda.

Sat.—If they are one thing that makes pa get mad under his collar is for sumbuddy to try and kid him or something when he is a wirking with the ford. Today he was trying to start it with the Crank and sum kid cums along on a bisickle and he ast pa Cudden he make it play. Lucky for the kid the crank was strapped fast or he wood of had it threw at him with all the strength of pa's rite arms. Then I turned the key and the thing started all OK.

Sunday—Well tomorro the melon colic days will have come once more. Sum times I wish I was a poor kid borned of honest parents so I cud wirk in a cold mine and live in the Slumps of a big city where you cant go to skool on acct. of not enuff money, and where you cud see the Giants and the Pirats play on a Saturday afternoon in a not hole in the fence. But sum kids has got all the luck.

Monday—Are liberty was extract-ed away from us today. Still and all we do have a good eld of fun. Are teacher says she is glad to have us this yr. that is me and Jake and Pug and Blisters witch stayed in her room for review this yr. But I consolashun I got Pa and ma are a going to take me with them on there vacashun trip to Tenesee because they arent eny-buddy they care to leave me with them witch wood take a chance on a he blooded red American like Me.

Tuesday—Jake is comikal when it cums to class wirk. Teacher ast him to tell what he knew about Ivory today and he sed all he new was that it floats and is a Skin. you love to tutch.

Wednesday—When teacher ast Alice Macune who was the three greatest Marys in Histry she answered and replied Mary Tudor, Mary Queen of Scotch and Mary Crismas.

Thursday—I ast pa to help me out by telling me a Xample of Minority rule. He gulped a cupple of times and finely sed Well I reckon it wood be a woman with two husbands.

At the stroke of midnight by the parish clock a certain man fell asleep and dreamed a dream. He ran away to sea, served on board ship for a long time, and, just escaping with his life, swam to a desert island. No rescue arriving, he began to abandon hope, when at last a ship hove in sight and took him on board. He became a ringleader in a successful mutiny. He was arrested and tried, condemned to death, and led off to execution; but at the eleventh hour, when the noose was round his neck, and he was expecting death at any moment, he awoke with a start, and heard—the last of the twelve strokes of the clock.

BLOMFIELD—KADEY

Very quietly in St. John's church, Sarnia, on Saturday, September 15, the marriage was solemnized at high noon when Miss M. Olivia, second daughter of Mrs. M. A. Kadey of Watford, became the bride of Mr. George Darcy Blomfield, formerly of Galt, only son of Mrs. R. C. Blomfield.

The ceremony was performed by Rev. F. G. Newton, the rector. Later Mr. and Mrs. Blomfield left for Detroit where they will make their home.

The bride and groom were young people of Galt, where they will be greatly missed, especially in Trinity circles, both being Sunday school teachers, active church workers and Mr. Blomfield a valued member of Trinity choir.

LAPHAM—PALMER

A pretty September wedding was solemnized on Tuesday, Sept. 11th, at three o'clock at the home of the bride's parents, Mr. and Mrs. William Palmer, 15th sideroad, Warwick township, when their only daughter, Hattie Irene was united in marriage to George W. Payne Lapham, only son of Mr. and Mrs. Jos. Lapham, Russell street, Sarnia. The ceremony was performed by Rev. A. R. Johnston, of Warwick Village, and took place on the verandah which was prettily decorated with an abundance of autumn flowers. The bride was sweet and winsome in her bridal gown of oyster white satin with pearl trimmings and wearing a bridal veil embroidered in silk. She was given in marriage by her father. Her bouquet was Ophelia roses and maiden hair fern and her only ornament was a rope of pearls the gift of the groom. Doris May Lapham, sister of the groom, attended the bride attired in a dainty gown of maize colored silk with bertha and panels of radium lace and carrying a beautiful bouquet of autumn flowers. Walker Wallace, Cromwell street, Sarnia, attended the groom. The groom's gift to the bridesmaid was a dainty pair of earrings, to the groomsmen a white gold tie pin with onyx and pearl setting. After the ceremony about forty guests enjoyed a dainty lunch after which the happy couple left amid showers of confetti for London, the bride travelling in a navy blue poiret twill dress with hat to match trimmed with ostrich plumes and a black fox fur choker. On their return Mr. and Mrs. Lapham will reside in Sarnia. The many gifts received by the young couple testified to the esteem in which they are held by their friends. Those attending from Sarnia were Mr. and Mrs. Jos. Lapham and Miss Violet Lapham, Mr. and Mrs. A. Whitnell, Mr. and Mrs. O. I. Shafer, Mrs. H. Waite, Misses Jenere and Bessie Young, Miss Isabel Law, Wm. Luscombe, I. J. Walker and George McIntyre.

CANADIAN NATIONAL RAILWAY EARNINGS

Net for 7 Months \$2,984,460 Compared with \$2,202,993 Deficit Last Year.

Another notable increase in the net earnings of the Canadian National Railways is shown in the statement of earnings and expenses for the month of July 1923, issued by the Canadian National Railways Headquarters at Montreal. Gross earnings are up 7 1/2 per cent, or \$1,467,907, as compared with July 1922. After meeting operating expenses amounting to \$19,530,620, there remains a net operating revenue for the month of \$1,472,228.

In July, 1922, the net operating revenue from these same properties was \$723,004, so that July, 1923, figures represent an increase in net of \$749,224, or 103.6%.

For the first seven months of 1923 the net earnings of the Canadian National Railways have amounted to \$2,984,460, as compared with a deficit on the same properties of \$2,202,993 in the corresponding period of 1922. The improvement in net operating results in 1923, as against the first seven months of last year, therefore, amounts to \$5,187,453.

U. S. Government forecasters scoff at reports that an early and severe winter is indicated.

Dutton village council has fixed the tax rate for this year at 43 mills on the dollar, or 7 mills higher than last year.

Gordon Wannacott of Mt. Brydges won the Edward Blake scholarship for highest standing in honor matriculation at the Strathroy Collegiate Institute.

W. R. Smith, a soldier settler of Bryon, Middlesex county, has produced a blight resisting Dooley potato from which Government experts expect to get wonderful results.

Twenty members of Wawanosh chapter, Royal Arch Masons, conferred the degree of Most Excellent Master upon a class of candidates at Forest Friday evening. The degree work was in charge of Harry Hall. There were about 100 present at the work which was followed by a banquet. The Parkhill chapter conferred the Mark degree before the Sarnia team put on their work. The Sarnia members were invited to Parkhill on September 21st when the St. John's Chapter of London, will put on the Royal Arch degree on the occasion of the District superintendent's visit.

One Adelaide Township farmer interested in the extent of Sunday automobiling has been keeping track of the number of cars passing his place on the Main Road, from Sarnia to London, and he has come to the conclusion that upwards of 200 cars an hour would not be too high a figure for a fair day.

The Oil of the People.—Many oils have come and gone, but Dr. Thomas' Electric Oil continues to maintain its position and increase its sphere of usefulness each year. Its sterling qualities have brought it to the front and kept it there, and it can truly be called the oil of the people. Thousands have benefited by it and would use no other preparation.

The recent rains have improved the sugar beet crop in the Inwood district which now promises to be well up to the average. The large field of W. McCabe's just south of the village is the subject of much comment and the scene of many visitors these days, and is reported to be the largest field of sugar beets in Lambton county if not in this western part of the province. It comprises 60 acres of new level land and is perfectly clean of weeds, and it is estimated by those who are accustomed to growing and handling beets that it will yield 20 tons to the acre.

Friends of Mrs. Ella Fox, wealthy Wheatley widow, were grieved to hear of her illness last week when it became known to the village that she had been committed to an institution at London. Mrs. Fox is said to be worth \$80,000. She is the widow of a former Detroit physician who owned considerable property, and also of a returned soldier named Fox, of Wheatley, her second husband. Alleged to be out of her mind, the woman left Wheatley for Hamilton by train, and on the train she behaved in such a peculiar manner that the police of the latter city were notified and her arrest followed. Physicians examined her in Chatham and found her condition hopeless, recommending her removal to London. The woman was taken to the institution on the day she had set for her third wedding.

Sores Flee Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy as there is nothing like it to be had. It's cheap, but its power is in no way expressed by its low price.

On Sept. 1st, while driving along the Middle road, a horse belonging to Ed. Hillman, of Comber, and driven by his son, Alfred, was struck by a car driven by a man named Caron, of Tilbury. The horse was hit sideways, and had one of its hind legs broken in three places, and had to be killed. Caron was driving without lights, and was on the wrong side of the road. The case was settled by Caron agreeing to pay for the animal and damage to the buggy, which amounted to \$137.

**A GOOD WINTER WHEAT**

**Farmers May Try Free a Well Tested Variety.**

The O. A. C. No. 104 is a Proven Success—Other Experimental Tests Suggested—All Material Supplied Free of Charge—A Chance for Enterprising Farmers.

(Contributed by Ontario Department of Agriculture, Toronto.)

The market value of the winter wheat of Ontario amounts to over fifteen million dollars annually. It is, therefore, one of the most important of the money crops of the Province. The acreage of winter wheat during the past year has been about the same as the average annual acreage for the past forty years. There is not a county or district in Ontario in which winter wheat is not grown, although in New Ontario the average annual amount is not more than about 20,000 bushels. Owing to the comparative low price of winter wheat at present, strict attention should be given to economic methods and to large yields.

**O. A. C. No. 104 a Carefully Chosen Cross.**

The Dawson's Golden Chaff is still the variety most largely grown according to the December Bulletin of the Ontario Department of Agriculture for 1922. With the object of securing even a better variety, crosses have been made at the Ontario Agricultural College between the Dawson's Golden Chaff and some other varieties, such as, Tasmania Red, Crimean Red, Turkey Red, Buda Pesth, Imperial Amber, and Bulgarian. A new variety has been originated at the College by crossing the Dawson's Golden Chaff and the Bulgarian, and this is now known as the O. A. C. No. 104. In both the College and the co-operative tests this new variety has made an excellent record, surpassing the Dawson's Golden Chaff in both yield and quality of grain. It is a white wheat, and resembles the Bulgarian in possessing a white chaff and the Dawson's Golden Chaff in a beardless head. It is a vigorous grower, and has been less subject to winter-killing than the Dawson's Golden Chaff.

**The Value of Using Good Seed.**

It is also important to use seed of high quality. The results of six years' experiments at the College show an average increase in yield of grain per acre of 6.8 bushels from large as compared with small seed, of 7.3 bushels from plump as compared with shrunken seed, and of 55.6 bushels from sound as compared with broken seed. Seed which was allowed to become thoroughly ripened before it was cut produced a greater yield of both grain and straw, and a heavier weight of grain per measured bushel than that produced from wheat which was cut at any one of four earlier stages of maturity. In each of two years when winter wheat was sown in the fields, germination tests of the grain were made. The following results show the average percentage of germination from each selection: Skin over germ, unbroken, 94; skin over germ, broken, 76; sprouts one-quarter inch long, 30; and sprouts one inch long, 18. Not only was the sprouted wheat low in germination but the plants produced were very uneven in size.

**White Wheats vs. the Red Varieties.**

White wheats as compared with red wheats yield more grain per acre, possess stronger straw, weigh a little less per measured bushel, are slightly softer in the grain, are more useful in the manufacture of shredded wheat and of pastry, and furnish a somewhat weaker flour for bread production.

Winter wheat which was grown on clover sod yielded much better than that which was grown on timothy sod, and that which was grown on land on which field peas were used as a green manure yielded 8.5 bushels of wheat per acre more than that grown on land on which buckwheat was used as a green manure. Several Experimental Union Tests to Choose From.

In time for seeding this autumn, valuable material will be sent out from the College to those farmers residing in Ontario who wish to conduct experiments upon their own farms through the medium of the Experimental Union. The material will be supplied, free of charge, to those who wish to conduct the experiments and report the results in the early autumn of 1924. Any Ontario farmer may apply for the material for any one of the following seven experiments: (1) Three choice varieties of Winter Wheat (including O. A. C. No. 104); (2) One variety of Winter Rye and one of Winter Wheat; (3) Spring applications of five Fertilizers with Winter Wheat; (4) Autumn and Spring applications of Nitrate of Soda and Common Salt with Winter Wheat; (5) Winter Emmer and Winter Barley; (6) Hairy Vetches and Winter Rye as fodder crops; (7) Mixtures of Winter Rye and Hairy Vetches for seed production.

The size of each plot is to be one rod wide by two rods long. Fertilizers will be sent by express for Experiment No. 4 this Autumn, and for Experiment Number 3 next Spring. All seed will be sent by mail except that for Number 4 which will accompany the fertilizers. The material will be sent out in the order in which the applications are received, and as long as the supply lasts.—C. A. Zavitz, O. A. C., Guelph.

Monday last, Mr. John Brown, a farmer living near Leamington, was at the pickle factory along in the evening to get some empty tomato crates. His team came home alone and on going to town to investigate Mr. Brown's lifeless body was found beside the pile of crates, where he had evidently been stricken with heart failure.

The 1923 tobacco crop, in so far as Kent County is concerned has suffered an irreparable loss as the result of the white frost which settled over the county last Friday night. Approximately 2,000 farmers, according to the latest report, are losers, and their loss varies from a half-acre in the holdings of the small farmer to over 400 acres on the part of a large holder.

Internal parasites in the shape of worms in the stomach and bowels of children sap their vitality and retard physical development. They keep the child in a constant state of unrest and if not attended to, endanger life. The child can be spared much suffering and the mother much anxiety by using a reliable worm remedy, such as Miller's Worm Powders, which are sure death to worms.

A well-known Thedford man bought some bootleg stuff when at the London Fair and police court proceedings cost him \$200.

The death took place on Friday at his late home on the Ward line, Sombra township, of Thomas Conlin, farmer, aged 75 years. Deceased had been ailing for about three weeks. He was well known and highly respected throughout the township. Five sons and two daughters survive.

Stepping from a small boat in which she had crossed to the west side of the Sydenham River, Gladys Lubenko, an 18-year-old girl of Wallaceburg, lost her balance, fell into the river and was drowned Saturday night. The accident occurred at 8.30 and fireman located the body at 10.30 after dragging the river bottom with grappling irons.

George Graham, foreman at the car barns at Kingsville suddenly expired at his home there on Monday, Sept. 10th, of heart failure. He had been around during the day attending to his duties and was seemingly enjoying good health. He was about 50 years of age and leaves a wife and son. The remains were shipped to his home in Quebec.

A quiet and pretty wedding took place at the home of the bride's parents, Mr. and Mrs. Sam Johnston, Alvinston, on Wednesday, when their daughter Eva became the bride of Mr. Frank Northcott, also of Alvinston. Prior to their marriage the bride was showered by her many friends in the township and village with best wishes and many useful gifts.

Michigan plowmen have assured officials in charge of the provincial plowing match to be held at Sarnia that there will be a large entry list from the American state as well as hundreds of spectators on hand. W. Dougherty of Toronto, director of the Provincial Plowing Association, attended the plowing match in Memphis, Mich., and reported great enthusiasm there.

Mrs. Herbert Calkins, an employee of the Strathroy canning factory, was badly scalded just before noon Wednesday in the syrup room where she was in charge of preparing syrup for the corn. The syrup boiled over and Mrs. Calkins tried to turn off the heat, the syrup overflowing, scalding her fingers, back, hips and limbs. She was hurried to the Strathroy hospital.

Joseph Wolfe of Essex had his right leg broken above the ankle Thursday morning, and as a result will be laid up for some time. Mr. Wolfe was getting his truck out of his garage, and cranked same, but omitted to put on the brakes, when the car started and caught his leg between it and a gasoline engine on a frame, with the above result. Fortunately he could reach over and shut off the engine, and he was then assisted to his office and medical aid summoned.

**INWOOD SPORTS GET SEVEN POUND PIKE**

Inwood, Sept. 15.—J. P. McVicar, A. McCabe, S. S. Courtwright and W. R. Dawson, are local sportsmen whose proclivities for fishing and reputation for veracity have established them as fishermen pre-eminent in the village by producing the goods which should banish doubt from the minds of any Thomases that might exist.

For some time past those enthusiastic followers of Ike Walton have had all their cunning, skill and science baffled by an elusive pike in the Sydenham river. On more than one occasion he has been brought to the surface and when about to be landed he would flip and a twist, then presto, disappear with hook, leader and part of the line. After solemn meditation and several consultations, they resolved that the only way to land his piscatorial highness was to lure him to the surface and shoot him on sight. Then armed with rifle, rope and landing net, they called forth to make a final and what proved to be a successful attempt at capture.

Arriving at the scene of combat Bert, eager for revenge, cast his line baited with a fair-sized chub and no sooner had it struck the water when a shout went up: "I got 'im." Dazed by such suddenness, the beauty and magnitude of the fish, W. R. forgot to shoot; but by their combined efforts they were successful in landing him high and dry, but not until after he had again broken the line and given them a merry time in the rapids. On examination it was found that he still carried the two hooks, leaders and part of lines he had previously carried away. His weight including hooks, leaders and lines, was seven pounds.

## ITEMS FROM FAR AND NEAR

Some Wise, Some Otherwise Some Newsworthy, All Readable.

The lowest priced tea is not the cheapest. A pound of "SALADA" yields more cups to the pound, and so much more satisfaction than ordinary tea, that it is really the most economical to use.

People are getting so accustomed to reckless speed in the auto that the death rate on the travelled road is three times as great as the loss of life on the railroads. From 15 to 25 miles an hour is all that any car should go on a country road.

A cablegram received from Genoa states that Hon. George P. Graham, Minister of Railways and Canals, who is attending the sessions of the League of Nations as one of the two Canadian representatives, had been selected to present the transportation question to the Assembly of the League.

A Louisiana clergyman divided his sermon into three parts. Under the first head, he said, "I shall deal with matters familiar to both you and myself; under the second, things with which I am alone conversant; and, finally, under the third, I shall discuss a subject about which none of us know anything."

The recent Ontario election figures show that 940,524 ballots were cast in the province. Of this number the Conservative party easily secured the greatest number when they obtained 469,241; the U. F. O. was second with 207,691; the Liberals ranked third with 198,235; the Labour party was fourth with 42,190, and the Independents were last with 23,167.

Rubber Rugs are now being made. They look like rag rugs and are being used widely because they do not collect dust and can be washed without moving from the floor, can be mopped often without danger of losing the bright colors and because they will not slide, even on slippery tile floors. The corners never curl up and dust does not sift through to the floor. They are being made in many colors.

To the Postmaster-General of Canada has fallen the honor of signing the first postal treaty with the Irish Free State. After negotiations extending over several months the terms of a convention for the direct exchange of money orders between Canada and the Irish Free State have been agreed upon, and the document has been signed on behalf of Canada by Hon. Charles Murphy. The new postal treaty will come into effect on January 1st, 1924.

In order to encourage and simplify bookkeeping on the farm the Dominion Experimental Farms System has published an extremely simple farmer's account book, which will adequately serve all necessary purposes and should prove to the general farmer one of the most useful publications issued from the Experimental Farms for some time. It is obtainable from the Publications Branch of the Department of Agriculture, Ottawa, at a nominal charge of ten cents. No postage need be placed on letters of application.

## UNREFRESHING SLEEP

If You Are Tired Out When You Arise in the Morning Read This

The woman who is tired out, who aches all over when she arises in the morning, who feels depressed most of the time, needs just the help that Dr. Williams' Pink Pills can give her—new blood and strong nerves.

The number of disorders that are caused by thin blood is amazing and most women are careless about the condition of their blood. Quickly the nerves are affected and the patient becomes irritable, worries over trifles, does not sleep as well as formerly and is not refreshed by rest. There may be stomach trouble and headache. This is a condition that calls for Dr. Williams' Pink Pills. Give Dr. Williams' Pink Pills a fair trial and the first sign of new life will be noticed in your appetite. As the blood becomes enriched it feeds and soothes the irritated nerves, sleep becomes sounder and more refreshing, your worries become less, your work lighter. These are some of the things that these tonic pills do. Try them for any trouble caused by thin blood.

You can get these pills from any medicine dealer or by mail at 50 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

## RECLAIMING BOSANQUET LAND

Hundreds of acres of what has been almost waste land will be reclaimed for agricultural purposes by the dredging of the Aux Sauble river from Grand Bend to Port Frank. Already three miles of the work is completed and it is expected that the work will be completed this fall.

The scheme which has been undertaken by The Canada Sand Company will cost thousands of dollars. The river will run from river to 12 feet deep.

The dredging of the Aux Sauble will be a big boost for this district. The Aux Sauble will have two outlets to Lake Huron, making it a sort of canal about 150 feet wide and with a level bottom. Extensive boating can be carried on from Grand Bend to Port Frank down the river, with all its natural resources of trees and shrubbery, will provide one of the most ideal summer camp locations in the province.

The cost will be shared by the surrounding townships, the Canada Sand Company and the Government will bear 20 per cent.

"Wonder what an idle Telephone thinks about?"

"I STAND here idle for hours at a time! Ho-hum! She forgets that she hires me to help her."

"She complains of never having time enough, yet I've watched her for over an hour trying to write one letter to Springfield."

"For a few cents I'd put her in Springfield, and for 5 minutes the music of her voice would make somebody happy."

"When she picks up a pen she gets so self-conscious that her letters—well, honest, they don't do her justice."

"No pen helps a woman to express her real self, at her best, as I do—no postage stamp travels so fast."

"I sometimes think her husband appreciates me more. Ho-hum!"

## EXECUTIVE MEETING SARNIA PRESBYTERIAL

A most enthusiastic meeting convened in St. Andrew's church, Sarnia, Tuesday, Sept. 11, which the executive of the Sarnia Presbytery outlined plans for forward work.

An honor roll listing names of all missionaries, who have gone out from this presbytery is being prepared and a copy is to be presented to each congregation.

Secretaries of each department reported, regarding their work, while a general discussion centered around a new department—that of social service—the Rev. Mr. Mondes of Petrolia addressing the ladies.

Mrs. J. T. Patton of Sarnia was appointed secretary and will outline a program for auxiliaries.

It is expected that Miss Grace Patterson, returned missionary from India, will visit throughout the Presbytery early in November.

## FOREST

Forest hydro rates have been reduced to the following: power \$55; commercial lighting 10c, 5c, 1c; domestic 5c, 3c, 2c; power rates 6.4c, 4.3c and 1.6c.

Miss K. McBean, after a year's visit at her home here, returned last Monday to Moosejaw to resume her duties as a teacher on the public school staff. Mrs. Will McBean and daughter Helen returned with Miss McBean to their home in Moosejaw.

Wm. G. Lochead returned to Forest after spending three months on the White Star Line boat, Owana, as purser.

Archie Donachie, of Glasgow, Scotland, representing Thompson, Madison & Co., of that city, is here looking after the shipment of apples to the Old Country. He is being assisted here by J. H. Snellgrove, who is buying in this section. Mr. Donachie was here last year on the same business.

The death occurred at St. Joseph's hospital, London, Thursday, Sept. 6, of Mrs. Charles Southworth, formerly of Theford. Mrs. Southworth, is a stepdaughter of Mr. Jas. Wakefield. The funeral services were held at the Salvation Army citadel, London, on Saturday afternoon. Interment was made in Mount Pleasant Cemetery.

## PETROLEA

The Baptist church, which has been in the hands of decorators was opened Sunday with large congregation morning and evening. Rev. J. A. Yule of Pittsburg, Pa., was the special preacher. The choir was assisted by Mr. Gilroy of the Methodist church and Miss Lilly McKay of Windsor.

The many friends of Mrs. Robt. Aiken will be pleased to know she has returned home from the C.E.E. hospital much improved in health since undergoing an operation for appendicitis recently.

Mr. Wm. Thompson has purchased the West End grocery from Mr. A. Ingram and will take possession on October 1st. Mr. Thompson has been employed by the A. Scarsbrook Est. for the past eight years.

The local commission has been notified of a reduction in rates. Domestic lighting has been reduced from 3c, 3 1/2c to 3c, 2.5c 1.25c and commercial lighting from 6c, 3c, 6c to 5c, 2.5c, 0.5c. Power and street lighting remain as at present.

On Wednesday Sept. 5th, Mrs. Wilson, of Petrolia, and Mrs. Johnson of Detroit, gave a shower for their niece, Miss Gladys Callahan, when thirty of her friends and neighbors presented her with beautiful and useful gifts. The afternoon was spent in games and music. The dainty lunch was served on the lawn. Miss Callahan will be married this month.

A jolly corn roast was held Tuesday evening at the home of the Misses Annie and Edna Ferguson, when about sixteen of the young people of the 12th Ave., including the basket ball girls met there. Following the roast games and music was the order of the evening. A bean guessing contest brought the evening to a close. A prize was donated to the girl and boy guessing the nearest to a number of beans in a jar which was won by Laura O'Hara and John Ironsides.

## GUARD THE BABY AGAINST COLDS

To guard the baby against colds nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist; that the health of the little one will be good and that he will thrive and be happy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## WOMAN SUFFERED FOR MONTHS

### Weak and Nervous. Made Well by Lydia E. Pinkham's Vegetable Compound

Webbwood, Ont.—"I was in a very weak and run-down nervous condition, always tired from the time I got up until I went to bed. Sleep did not rest me at all. My sister recommended Lydia E. Pinkham's Vegetable Compound to me and others told me about it, but it was from my sister's advice that I took it. It did not take long until I felt stronger, headaches left me and my appetite came back to me. I am a farmer's wife and have many things to do outside the house, such as milking, looking after the poultry, and other chores. I heartily recommend the Vegetable Compound to all who have the same trouble I had, for it is a fine medicine for women."—Mrs. LOUIS F. ELASBER, Hillcrest Farm, Webbwood, Ont.

## Another Nervous Woman Finds Relief

Port Huron, Michigan.—"I suffered for two years with pains in my side, and if I worked very much I was nervous and just as tired in the morning as when I went to bed. I was sleepy all the day and didn't feel like doing anything, and was so nervous I would bite my finger nails. One of my friends told me about Lydia E. Pinkham's Vegetable Compound, and it helped me so much that I soon felt fine."—Mrs. CHARLES BEELER, 501-14th St., Port Huron, Mich.

Women who suffer from any feminine ailment should try Lydia E. Pinkham's Vegetable Compound.

R. MORNINGSTAR

*I have—  
White teeth, healthy gums and  
a clean mouth because I use  
KLENZO DENTAL CREME*

Klenzo Dental Creme does what your dentifrice should do. It makes the teeth clean—scrupulously clean; gives them the white lustrous look that is the distinguishing mark of beautiful teeth. And, in doing this, Klenzo protects the teeth against decay.

A special feature of Klenzo Dental Creme is the cool, clean feeling it leaves in the mouth. This feeling means that countless little taste nerves have been freed from the stale secretions that make the mouth feel hot and sticky.

Use Klenzo every morning and every night—and, if possible, after meals. Give close attention to the crevices around and between the teeth.

After brushing the teeth, always rinse the mouth—preferably with a diluted solution of Klenzo Liquid Antiseptic. Klenzo Liquid Antiseptic is a scientific preparation for the mouth, teeth, gums, throat, nose, skin and mucous surfaces, and a valuable aid in the treatment of Pyorrhoea. Also very useful in overcoming bad breath.

Use Klenzo Liquid Antiseptic as a mouth-wash, gargle or spray. Full directions on every bottle.
