PREFACE.

The Publisher of this work now places before the public his tenth edition of HALIFAX CITY DIRECTORY, and thirteenth edition in full (three being Provincial Directories). The Publisher can state, as he has done on each of the previous years, that it is hardly possible to take more pains to make the work reliable than he has done this year. There are no doubt errors, both typographical and otherwise, which will creep in, as the work must be advanced in haste to get it out in a reasonable time. The public will please pass over the errors and give the Publisher credit for placing the work before them earlier than usual.

The Street Directory will be found pretty correct. Some streets yet require numbering.

The Historical Sketch the Publisher thought proper to omit, not having anything new to offer.

To the supporters of this work the Publisher returns his sincere thanks, especially as it has been a very trying season of depression; but it has become a matter of serious concern to the Publisher; whether he will or not continue the publication of this work; the advertising being the chief means of support, has fallen off to a large extent. The Publisher has heard quite a number of business men say they could not dispense with the work, even if they had to pay double the amount charged for it; if those would advertise to the extent of even two dollars each year, that would relieve the Publisher to a considerable extent, and enable him to continue the publication.

COD LIVER OIL

WITH

Lacto-Phosphate of Lime,

For PULMONARY CONSUMPTION, COUGHS, BRONCHITIS, APHONIA,
CHRONIC RHEUMATISM, LOSS OF NERVOUS POWER, GENERAL
DEBILITY, EMACIATION, SCROFULA, SCROFULOUS AND
SYPHILITIC ULCERS, RICKETS, ANÆMIA, CHLOROSIS,
AMENORRŒEA, LEUCORRŒEA, AND ALL
IMPURITIES OF THE BLOOD.

Is now the STANDARD PREPARATION of COD LIVER OIL, and as a PHARMACEUTICAL PRODUCT, meets with the approbation of the *Medical Facultys* and is largely prescribed by them in their daily practice—combining as it does the medicinal virtues of COD LIVER OIL of the finest quality; LIME, in the desirable form of the *Lacto-Phosphate*; SODA, as a *Hypophosphite*; PHOSPHORUS, in its most eligible form, and IRON, the great *Blood Producing* element.

As an illustration of the manner in which it is spoken of by those who have tried it, read the following communication from Mr. George Sewell, of Memramcook, N. B. who writes from Moncton, N. B., under date of May 7, 1878:—

J. H. ROBINSON, Esq., St John, N. B.

DEAR SIR,—In January last I came to Moncton from Memramcook to consult a Physician, as I was in the last stages of Consumption. When I arrived here I had at once to go to my bed, and was so low I never expected to leave it. A Physician was called who pronounced my case as hopeless; that I might live a week or two, but certainly not more. As a last resort he recommended ROBINSON'S EMULSION OF COD LIVER OIL WITH LACTO-PHOSPHATE OF LIME. I purchased a bottle and after taking the first dose I commenced to improve. It seemed, after taking a dose, as if I had eaten a good hearty meal. I have continued taking it ever since and am rapidly improving. I am confident that had it not been for your Oil I WOULD HAVE BEEN IN MY GRAVE TO-DAY. You are at liberty to use this in any way you wish, as I am anxious to let others, who are afflicted in the same way, know, in the hope that they, too, may receive the same benefit.

And again, dated June 22, 1878:

J. H. ROBINSON, Esq.,

DEAR SIR,—I wrote you in May last informing you of the wonderful cure your PHOSPHORIZED EMULSION OF COD LIVER OIL WITH LACTO-PHOSPHATE OF LIME had made in my case, and, at the same time, promising to write to you from time to time to let you know how I was getting along. I am much better in every way; am stronger; can walk a long distance without getting tired. Sleep well and eat a hearty meal. In fact I AM A NEW MAN IN EVERY RESPECT, and those who saw me three months ago and see me now, CAN HARDLY BELIEVE I AM THE SAME PERSON.

The above are facts, and believing that ingratitude is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c., &c.

For sale by Druggists and General Dealers. Price \$1.00 per bottle; six for \$5.00.

YARMOUTH—Collector, H. A. Hood; Chief Clerk, N. L. Campbell. *Out-Ports, Sub-Collectors*, Bear River, R. Perry; Pubnico, P. S. D'Entremont; Tusket, James M. Lent.

 Tariff as in force from March 15th, 1879.

1. *Resolved*, That it is expedient to provide that the value of all Bottles, Flasks, Jars, Demijons, Carboys, Casks, Hogsheads, Pipes, Barrels, and all other Vessels or Packages manufactured of Tin, Iron, Lead, Zinc, Glass or any other material, and capable of holding Liquid; Crates, Barrels and other Packages containing Glass, China, Crockery or Earthenware, and all Packages in which goods are commonly placed for home consumption, including Cases in which Bottled Spirits, Wines or Malt Liquors are contained, and every Package, being the first receptacle or covering, enclosing goods for purpose of sale, shall in all cases, not otherwise provided for, in which they contain goods subject to an *ad valorem* duty, be taken and held to be a part of the fair market value of such goods for duty, and when they contain goods subject to specific duty only, such Packages shall be charged with a duty of Customs of twenty per cent *ad valorem*, to be computed upon their original cost or value; and all or any of the above Packages described as capable of holding Liquids when containing goods exempt from duty under this Act, shall be charged with a duty of twenty per cent *ad valorem*; but all Packages not hereinbefore specified, and not specially charged with duty by any unrepealed enactment, and being the usual and ordinary Packages in which goods are packed for exportation only, according to the general usage and custom of trade, shall be free of duty.

2. *Resolved*, That it is expedient to provide that on all goods imported into Canada, subject under this Act or any other Act to *ad valorem* duty, upon which a drawback of duties has been allowed by the Government of the country where the same were manufactured, the amount of such drawback shall in all cases be taken and considered to be a part of the fair market value of such goods, and duty shall be collected thereon; and in cases where the amount of such drawback shall have been deducted from the value of such goods upon the face of the invoice under which entry is to be made, the Collector of Customs or proper officer shall add the amount or such deduction, and collect and cause to be paid the lawful duty thereupon, and the fair market value of all goods, wares and merchandise imported into Canada, shall be understood to be the ordinary wholesale price at which the same are sold for home consumption in the country in which they are purchased or manufactured without deduction of any kind because of any drawback paid or to be paid thereon, or because of any special arrangement between the seller and purchaser, having reference to the exportation of such goods, or the exclusive right to territorial limits for the sale thereof, or because of any royalty payable upon patent rights, but not payable when goods are purchased for exportation, or on account of any other consideration by which a special reduction in price might or could be obtained: Provided that nothing herein shall be understood to apply to general fluctuations of market values.

3. *Resolved*, That it is expedient to provide that any or all of the following articles, that is to say:—Animals of all kinds, green fruit, hay, straw, bran, seeds of all kinds, vegetables (including potatoes and other roots), plants, trees and shrubs, coal and coke, salt, hops, wheat, peas and beans, barley, rye, oats, Indian corn, buckwheat, and all other grain, flour of wheat and flour of rye, Indian meal and oatmeal, and flour or meal of any other grain, butter, cheese, fish (salted or smoked), lard, tallow, meats (fresh, salted or smoked) and lumber may be imported into Canada free of duty or at a less rate of duty than is provided

by this Act, upon proclamation of the Governor in Council, which may be issued whenever it appears to his satisfaction that similar articles from Canada may be imported into the United States free of duty, or at a rate of duty not exceeding that payable on the same under such proclamation, when imported into Canada.

4. *Resolved*, That it is expedient to provide that if at any time any greater duty of Customs should be payable in the United States of America on tea or coffee imported from Canada than on tea or coffee imported from any other country, then the Governor in Council may impose on tea or coffee imported into Canada from the said United States, an additional duty of Customs equal to the duty payable in the United States on tea or coffee imported from Canada: Provided that tea or coffee imported into Canada from any other country than the United States, but passing in bond through the United States, shall be taken and rated as a direct importation from the country wherever the tea or coffee was purchased.

5. *Resolved*, That it is expedient to provide that an allowance may be made for deterioration by natural decay or breakage upon all perishable and brittle goods imported into Canada, such as green fruits and vegetables, crockery, china, glass and glassware, provided such damage is found to exceed twenty-five per cent of the value thereof, upon an examination to be made by an appraiser or proper officer of Customs, at the first landing, or within three days of such landing; but such allowance shall be only for the amount of loss in excess of twenty-five per cent of the whole quantity of such goods contained, or included in any one invoice; and provided the duty has been paid on the full value thereof, a refund of such duty may be allowed and paid in the proportion and on fulfilment of the conditions above specified, but not otherwise, on application to the Minister of Customs.

6. *Resolved*, That it is expedient to provide that in determining the dutiable value of merchandise, except when imported from Great Britain, there shall be added to the cost the actual wholesale price or fair market value at the time of exportation in the principal markets of the country from whence the same has been imported into Canada, the cost of inland transportation, shipment and trans-shipment, with all the expenses included, from the place of growth, production or manufacture, whether by land or water, to the vessel in which shipment is made, either in transitu or direct to Canada.

7. *Resolved*, That it is expedient to provide that the Governor in Council shall from time to time establish such regulations, not inconsistent with law, as may be required to secure a just, faithful and impartial appraisal of all goods wares and merchandise imported into Canada, and just and proper entries of the actual or fair market value thereof, and of the weights, measures or other quantities thereof, as each case may require, and such regulations, whether general or special, so made by the Governor in Council, shall have the full force and authority of law, and it shall be the duty of the appraisers of Canada, and every of them, and every person who shall act as such appraiser, or of the Collector of Customs, as the case may be, by all reasonable ways and means in his or their power to ascertain, estimate and appraise the true and fair market value and wholesale price, any invoice or affidavit thereto to the contrary notwithstanding, of the merchandise at the time of exportation, and in the principal markets of the country whence the same has been imported into Canada, and the proper weights, measures or other quantities, and the fair market value or wholesale price of every of them as the case may require.

8. *Resolved*, That it is expedient to provide that no refund of duty paid shall be allowed because of any alleged inferiority or deficiency in quantity of goods imported and entered, and which have passed into the custody of the importer under permit of the Collector of Customs, nor because of the omission in the invoice of any trade discount or other matter or thing, which might have the effect of reducing the value of such goods for duty, unless the same shall have been reported to the Collector of Customs within ten days of the date of entry, and the said goods shall have been examined by the said Collector, or by an appraiser or other proper officer of Customs, and the proper rate or amount
