## WALTER SCOTT, "the Keen Kutter"

### RECENT DEATHS

**JAMES MESSINGER**  
We regret to chronicle this week the death of Mr. James Messinger who fell from an apple tree near his residence on South St. Thursday bruising his head and shoulders and causing internal injuries, from which he failed to recover, passing away at an early hour on Saturday morning, aged 78 years. The deceased was the son of the late Daniel Messinger, by his first wife, and leaves one sister, Mrs. George Smith, formerly Mrs. Dukeshire, of West Paradise. He is also survived by several half brothers and sisters, Mrs. George Allan, Mrs. Major, Stoumth, Mrs. N. E. Chute, Lemuel, Elias, Henry, Daniel and William Messinger.

Besides a grief stricken widow, he leaves one son, Frank, of Paradise, and two daughters, Mrs. Ralph Bent, of Carleton Place and Miss Cora, at home.

Mr. Messinger by hard work, and keen business tact, had accumulated considerable property.

About 15 years ago he purchased from Mr. B. Hovey, who now resides in Digby, the Rev. J. Hartt

property on South St., which he occupied until his death.

The funeral, which was largely attended, notwithstanding the disagreeable weather, took place Monday with interment in the Riverside Cemetery, the service being conducted by Rev. M. S. Richardson, pastor of the Bridgetown Baptist church.

The floral tributes were many and beautiful, showing the high esteem in which the deceased was held by his large circle of friends.

### JOHN WESLEY WADE

John Wesley Wade, one of Granville Centre's best known and most highly respected residents, died in that village, Wednesday morning, aged 73 years, after an illness of five days, caused by a stroke of paralysis. He was a member of the Methodist church, a prominent Liberal and an enthusiastic member of the Sons of Temperance. He leaves a widow and six children, Ernest, of Granville Centre; Norman, on the farm; Fred, in Quebec; Reginald, in Vancouver; Chester, in Halifax and Mrs. F. B. Duffield, of Marblehead. The deceased was a brother of the late Fletcher Wade after whom Port Wade was named, and is survived by his brother, Alfred, in Winnipeg and three sisters, Mrs. Wm. Allan, of Boston; Mrs. John Roney, of Granville Ferry and Miss Olivia Wade, at home.

The funeral took place on Friday, the service being conducted by W. J. W. Swetnam, followed by a very impressive service conducted by the officers and members of Seymour division, S. of T. The pall bearers were four sons. The floral tributes were many showing the high esteem in which the deceased was held by his friends and neighbours.

### GILBERT A. RAY

Another aged and highly respected resident of Upper Granville has passed away, Mr. Gilbert A. Ray, having died at his home in that village, Friday morning, aged 72 years.

Twenty-three years ago the deceased was seriously injured in a driving accident from which he never recovered and for the past thirteen years had been confined to his bed. He was a member of the Methodist church and bore his suffering with much patience. Mr. Ray is survived by his widow, one son, Ernest and one daughter, Mrs. B. C. Goodwin. He also leaves five brothers, Richard and Howe in Upper Granville; D. Chesley, S. Bamford and Fred in Yarmouth and one sister, Mrs. John O. Turnbull, Lighthouse Road, Digby.

The funeral, which was largely attended, took place Sunday morning with interment in the Upper Granville cemetery, the service being conducted by the Rev. W. J. W. Swetnam, pastor of the Bridgetown Methodist church. The pall bearers were Boyd Tanch, Joseph Troop, Walter Milbury and Ray Goodwin, three nephews and a grand son, of the deceased. The floral tributes were beautiful.

### CAPT. JAMES W. DUNHAM

Word has reached here of the death of Capt. James W. Dunham, which occurred at his residence at 57 Fern Grove, Sefton Park, Liverpool, England, September 9th after a few weeks' illness. Capt. Dunham was born in Barton, Digby, County, N. S. 82 years ago where he married Miss Elizabeth Hilton, who survives him. He also leaves several sons and daughters, all of whom reside in England, one sister, Mrs. Abbie Churchill, of Yarmouth, N. S. and several nieces and nephews in Digby and Annapolis counties, among whom is the Editor of the MONITOR.

Capt. Dunham, before retiring from sea, was a very successful master mariner, his last Canadian command being the ship Alexander Yeates of St. John, N. B. His last visit to his native province was in 1891. His family took a prominent part in the late war, both on land, in the air, and on the sea,

more than one being awarded distinguished medals.

### MRS. W. J. AGATE

Her many friends in Digby, St. John and elsewhere, will regret to learn of the death of Sarah, wife of Mr. William J. Agate, of the Waverly Hotel, Digby, which took place early Monday morning. The deceased had been ill for several months and had been a very patient sufferer. She is survived by her husband, two sons, William, at present in England, Frank, at home and one daughter, Miss Emily. She also leaves her mother and several sisters and brothers. The remains were conveyed to St. John where burial took place in the R. C. Cemetery. The floral tributes were beautiful.

### JENNIE CHUTE

The remains arrived here from Halifax via Fridays' express, of the late Jennie Chute, who died in that city, aged 32 years. The deceased, was the only daughter of Mr. and Mrs. N. E. Chute, of this town. Funeral took place Saturday afternoon, with interment in the Riverside Cemetery, the services being conducted by Rev. M. S. Richardson assisted by W. J. W. Swetnam. A large number of Mr. and Mrs. Chute's friends from out of town attended the funeral, people being present from along the line as far east as Windsor, many of whom sent beautiful floral tributes.

### Sanatorium Jottings

(From the Kentville Advertiser)  
Mr. Edward Stewart has finished his treatment and returned to his home in Bridgetown.

We wish to extend many thanks to Mrs. C. F. Rockwell, Kentville, for two barrels of excellent apples. Mrs. Rockwell offered two trees of apples to the boys who gathered them last week, and are now enjoying them thoroughly. Needless to say such thoughtfulness is greatly appreciated.

### WEDDING BELLS

#### MILLER-ELLIOTT

At noon Wednesday, September 25th, a quiet wedding took place at the house of Mr. and Mrs. H. L. Elliott, of Mount Hanley, Annapolis County, when Rev. M. W. Brown united in marriage their only daughter, Minnie Estella to Ross Brown Miller, B. Sc. the double ring service being used. To the strains of the wedding march played by Mrs. J. Howe Ray, the bride on the arm of her father, and preceded by the ring bearer, Master Roy Elliott, took her place beside the groom, beneath an arch of clematis and dahlias arranged across a corner of the living room.

The room was tastefully decorated with hawthorne and cut flowers. The bride was dressed in a simple gown of white silk crepe-de-chene trimmed in silver embroidered net. She wore the conventional veil and orange blossoms, and carried a shower bouquet of white asters and maiden hair fern.

After congratulations a delicious luncheon was served. Many beautiful and useful gifts were received, consisting of money, solid silver, cut glass, china and many other things.

The groom's gift to the bride was a platinum La Valiere set with diamonds, pearls and aquamarine.

The bride's travelling dress was a suit of navy blue silver tone, with hat to match. Amid showers of confetti and the good wishes of the guests the wedding party left by automobile for New Germany. Then the bride and groom took train for a trip along the southern coast of Nova Scotia.

### LONGWORTH-AUSTIN

Another very pretty wedding took place in Smith's Cove on Wednesday of last week, when Miss Stella Betrand Brodie, the youngest daughter of Captain and Mrs. Robert Austin, became the bride of Mark Fielden Longworth, son of Ellis and May Longworth, of Bolton Lancashire, England.

The ceremony was performed by Rev. A. W. L. Smith and took place in St. Anne's chapel, which had been artistically trimmed for the occasion with clematis and hydrangeas. As the bride entered the church, "Oh! Perfect Love" was sweetly rendered by Mrs. Reginald Weir. The bride looked very attractive in a suit of navy blue cloth with hat to match. She was attended by her sister, Miss Frances Austin, who was dressed in navy blue satin, while Karl Brooks, of Weymouth, performed the duties of best man. As the bridal party left the church Mendelssohn's Wedding March was played by Miss Laura Ditmars, of Deep Brook.

Mr. Longworth was engaged in the florist business in the west for some years until he joined the C.A. M. C. when he was attached to the 2nd Field Ambulance and served three years overseas. Mr. and Mrs. Longworth left on the west bound train for Yarmouth and other points and on their return will take up their residence in Smith's Cove.

### BROOKS-VANBLARCOM

A very quiet wedding took place at the home of Mr. and Mrs. W. E. Van Blarcom, Montague Row, when their youngest daughter, Susie, was united in marriage to Karl W. Brooks, of Weymouth. The bride looked very pretty in a tailored suit of blue with hat to match. Immediately after the ceremony they left for Edmonton, Alberta, via St. John where they will reside. The bride has many friends in Digby who wish them much happiness and prosperity.

### CARTER-WOODWORTH

At the home of the bride on Sept. 30th, Rev. J. A. Gardner united in marriage John Wilfred Carter, of St. John, N. B. and Miss Jennie Beatrice Woodworth, of Bear River. The bride was becomingly gowned in a travelling suit of navy blue serge and black velvet hat with rose trimmings. After an extended trip to Toronto the happy couple will reside in St. John, where Mr. Carter is engaged in the heating and plumbing business.

### Coming Entertainment at Belleisle

We would remind our readers of the entertainment to be given tomorrow (Thursday) evening in the Belleisle Hall under auspices of the Women's Auxiliary of St. Mary's Church. The entertainment will be a party of Bridgetown friends assisted by local talent who are preparing a pleasing, musical and literary programme. The entertainment will commence at 8 o'clock.

### Canada's Pensions

Canada is now paying war pensions to nearly ninety thousand individuals at an annual cost of over \$24,000,000, and under the Pension Act, which became effective on September 1, the majority of these will receive bonuses and increases which in the aggregate, will create an additional annual expenditure of roughly \$4,000,000.

### Good News

Members of the National Association of Retail Clothiers, in session at Chicago, predict a slump in the price of clothing before long. One delegate optimistically declared that "lower prices are on the way." This is joyful news. Those prewar fabrics were good, but there is a limit to the turning and pressing they will stand.

"FRUIT-A-TIVES" Brought Quick and Permanent Relief

MR. P. H. MCHUGH  
 103 Church Street, Montreal.  
 December 10th, 1917.

"I was a great sufferer from Rheumatism for over 16 years. I consulted specialists, took medicines, used lotions; but nothing did me good. Then, I began to use 'Fruit-a-tives'; and in 15 days, the pain was easier and the Rheumatism was better. Gradually, 'Fruit-a-tives' overcame my Rheumatism; and now, for five years, I have had no return of the trouble. Also, I had severe Eczema and Constipation, and 'Fruit-a-tives' relieved me of these complaints; and gave me a good appetite; and in every way restored me to health." P. H. MCHUGH.

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition. I was so worried about the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound, so I bought it and took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, back-ache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

Marine News

Schooner Ethel Cora sailed from Gloucester on Wednesday for Tiverton.

The tern schr Maid of Scotland arrived in Halifax Monday from France. This handsome vessel was built at Church Point, Digby Co., by Capt Omar Blinn.

Severin Frauten, of Cape St. Mary's, was before Marine Examiner Capt. J. E. Murphy at Yarmouth last week, successfully passed and was granted a mate's certificate for steamers in the coastwise trade.

Mr. W. A. Chute, the old commodore, building mover and vessel raiser, is in Gilbert's Cove putting the boiler and other machinery on board the new steamer Herbert Green, built by captain Bernard Melanson.

The splendid fishing schr J. Duffy, built at Saultierville, Digby Co., by the Duffy Blinn Shipbuilding Co. has been sold to Lunenburg parties and the owners are now at Saultierville getting the vessel ready to take to her home port.

At seven o'clock on Friday evening the schooner St. Clair Ritcey was launched at Salmon River, Digby County. She was built by J. N. Rafuse and Sons. Her dimensions are 114 keel, 30 ft beam, 11.6 hold. She is a three master of 325 tons and will be towed to Bridgewater to be rigged.

George L. Jennings, manager and principal owner of the Fishing Gazette, a periodical published in New York, official order of the fishing trade, was in Digby on Friday on his annual tour, visiting the trade. He has been on a trip through Nova Scotia and said that he found that the Lunenburg bankers were overstocked with fish being unable to cure all their stock this year on account of weather conditions. While in Digby he was a guest of D. Sproule.

The new steamer which the Howse Construction Co. is building in their yard at Meteghan River for the Steamship Co. to replace the steamer Granville on the Annapolis Royal and St. John service, is rapidly nearing completion and it is expected to have her ready for launching in about three weeks. Her engines are being installed while she is on the ways and the work on the deck houses is well advanced. This convenient little coaster measures 100 feet long on the keel, 21.6 wide and 9 in the hold.

The Gateway Co's schr Roseway, Capt Louis LeBlanc, which landed her trip of fresh fish at her owner's dock Yarmouth, on Saturday morning stocked \$2,000 and the crew shared \$50.00 per man for the trip. Capt. Le Blanc reports speaking the Boston schr Morning Star, Capt Harry Ross, on Thursday bound from the grounds for Boston halibut and 75,000 lbs. of fresh halibut and 75,000 of shuck. The Morning Star caught in a week previous was about in a severe blow during which she lost foresail, foreboom and gaff, and also her standing jib.

"I HAVE PROVED"

Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Arichat, N.S. She adds: "Baby's skin was badly broken out, but repeated applications of Zam-Buk entirely cured it. "In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so, as it aggravated the trouble so to put my hands in water. By using Zam-Buk, however, I soon got relief, and it was not very long before every trace of the trouble had disappeared. I really think no home should be without Zam-Buk." Zam-Buk is equally good for all skin injuries. All dealers 50c. box.

THE SPIRIT OF SACRIFICE

By Dr. JOHN R. MOTT

(From "The Present World Situation," used by permission of the publishers)

To meet the present colossal world situation, great spiritual forces must be released. In the present generation of Christians in the West are vast capacities for sacrifice. Except a grain of wheat fall into the earth and die, it abideth by itself alone; but if it die, it beareth much fruit." The secret of large fruitage so much desired and needed on every field lies in releasing this latent force of sacrifice. The spirit of Christian Missions is the spirit of Christ; and His spirit was and is essentially a spirit of supreme self sacrifice.

With Him it reached further than from Gethsemane to Calvary. He lived a life of constant self denial. His law of sacrifice His disciples gradually made their own. The Roman world was conquered by it. When will the Christians of Western lands make it their own? Great is the need of reconceiving the New Testament conception of discipleship. Both at the home base and on the mission field there is imperative need of a far more serious and resolute following of Christ. Christians have been prone to make the Gospel too cheap. There has not been enough patient endurance of hardness. We forget that Christ has summoned men to count the cost.

Only the Cross brings heroes and martyrs. How may this spirit of sacrifice, which is the spirit of true triumph, be developed? Not so much by calling attention to the needs and possibilities of the non Christian world, nor by dwelling on the magnitude and wonder of the present opportunity, but by pondering the price that must be paid to meet these needs, and to realize these possibilities. All followers of Christ should think deeply on what it cost Him to bring into the world the knowledge of God and the forgiveness of sin and the life everlasting.

No Rags or Tar in this roofing. Pure Asbestos and Asphalt, cannot rot or dry out. Costs but little more than the ordinary kind.

It is far more durable, as well as fire resisting, and just as easy to put on. Any other roofing would be totally destroyed by fire. Not so with Asbestone. It is not what is on a roofing but what is in it that counts.

FARMERS' DAY IN BRIDGETOWN

The Weather Was Good But the Attendance Small

The sports in Bridgetown last Wednesday afternoon were not as largely attended as anticipated...

Single horse pull: won by Herbert Hicks, weight of horse 1250 lbs.; hauled 2380 lbs.

Mr. Harry Walker gave a very nice exhibition of a single horse pull by one of his father's beautiful span.

The base ball match between Bridgetown and Paradise was won by the latter the score being 12-9.

The annual meeting of St. James Church Organized Bible Class

The annual meeting took place in St. James Schoolroom last Friday evening. The report for the past season showed a steadily maintained interest in the class and its activities.

President. Mr. A. F. Hiltz Vice President. Mr. W. R. Longmire. Secty-Treas. Mr. W. E. Gesner.

The class will meet for study on Friday evenings from 7.30 to 8.30. The subject of study will be the Gospel of St. Mark.

Auto Accident at Centrelea

His many friends will regret to learn that Mr. Charlie Blackie, of Halifax one of the best known travellers in the Maritime provinces was injured in an auto accident at Centrelea last Thursday.

Thanksgiving Service

Monday next being appointed by authority as a Day of general Thanksgiving to Almighty God for His mercies and blessings vouchsafed during the past year, a service (without sermon) will be held in St. James Church in the morning commencing at 11 o'clock.

Local Happenings

Wednesday night's display of Northern Lights was beautiful.

A little boy about six years of age was struck and killed by an auto in Bear River last Friday.

Rev. Father Mackay will hold service in St. Alphonse's church next Sunday morning at 11 o'clock.

A number of Gypsies have been bothering the towns people during the past few days. They camped near the west end of the town.

A supper will be held in the Round Hill hall to night (Oct 8th). Proceeds for the benefit of the hall. We trust there will be a large attendance.

The school children of Bridgetown and through out the entire Annapolis county are being vaccinated to comply with the order of the Provincial Board of Health.

Notwithstanding our enlarged pages our space is again taxed to its utmost to give our readers the local news gathered by our live staff of correspondents.

The Providence Methodist church of Bridgetown, is demonstrating its enterprise this week as a live institution by using display advertising in the MONITOR to which we refer our local readers.

Next Monday being Thanksgiving, a public holiday, the MONITOR office will be closed. It will be necessary for our correspondents and advertisers to send in their copy a day earlier than usual.

Barney Anderson, of Bridgetown and Samuel Swift of Dalhousie, are among the successful moose hunters. The editor awaits his usual contribution of moose steak from some of the local sports.

From this out we will make no exceptions. Ads for our classified columns MUST be paid in advance. We cannot send out bills for .50 cts. If your ads fail to appear you will know the reason without asking.

There were quite a large number of Bridgetown people in attendance at the Yarmouth exhibition.

The show, as usual, was an excellent one. This is an event which is looked forward to annually by the people of this part of the province.

Last week we mentioned having seen a remarkable branch of apples which formed part of the harvest festival decoration in St. Mary's Church, Belleisle, said branch having a cluster of ten magnificent No. 1 apples in a space of nine inches but we were misinformed as to the orchard in which it grew. It was that of Mr. John B. Gesner.

Last Wednesday night a severe frost for this season of the year practically destroyed the floral beauties of the Riverside cemetery. Care taker Slausenwhite was evidently on his job for the Sunday previous he sent to each church in town a splendid selection for special floral decorations which were much appreciated by the different congregations.

Digby County Monitor

Yarmouth Light: Mrs. A. M. Hill has returned home from a visit in Connecticut.

Kentville Advertiser: Mrs. G. H. Chisholm returned Saturday from a visit in Middle Musquodoboit.

Mr. James Merkel, of Digby, has accepted a position in the General Accountants' Office, D. A. R., Kentville.

The Misses Smallie, of Digby, who were for three weeks the guests of Rev. and Mrs. A. M. Hill, Yarmouth, returned home Friday morning.

Miss Dorothy Oliver visited Kentville the past week, en route to New York. While here she was the guest of Mr. and Mrs. W. E. Porter.

Hants Journal: Mrs. Percy Dakin, who has been visiting at the home of Mr. and Mrs. C. A. Ryan for a few weeks, left on Thursday for her home in Boston.

The annual exhibition at Little Brook opened yesterday and continues to day. It is one of the largest and best shows yet attempted by the people of the municipality of Clare.

The fall term of the Supreme Court for Digby county opened at Little Brook on Tuesday of last week with Mr. Justice Longley presiding. There was no docket and a unique feature of the sitting was that only three persons were present viz: the Judge, the Sheriff and A. S. Comeau, of the Court Crier. There was not a lawyer on the scene and only the usual preliminaries of declaring the court opened and then the adjournment were carried out by the Crier.

Got Three Years (Annapolis Spectator)

Before Judge Grierson in the County Court here on Monday David Weir of Bridgetown was convicted of breaking and entering the store of Seth Young at Belleisle and was sentenced to three years in Dorchester Penitentiary.

The young couple with a bright future, take away our good wishes. They were married Oct 1st in Halifax in time for the early train.

**DREADED INFLUENZA**  
Medical Men Believe it Will Again Visit Canada this Autumn and Winter  
There is a widespread belief among medical men that the epidemic of la grippe, or influenza, which swept over the world last year, will again appear in Canada during this autumn and coming winter. This dangerous trouble spares neither age nor sex, but it naturally finds its easiest victims among those who are run down in health or those whose blood is weak and watery, and it is among the latter class in which the greatest number of fatalities occur. The surest way to prevent an attack of this dreaded trouble is to keep the blood rich and pure, and the safest and best way to do this is through the use of Dr. Williams' Pink Pills.

No reasonable precaution to avert an attack of influenza or la grippe should be spared. The disease itself is deadly, but its after effects, among those who are spared, make the life of the victim one of constant misery. Ask almost any of those who have been attacked by influenza what their present condition of health is and most of them will answer: "Since I had the influenza I have never been fully well." This trouble leaves behind it a persistent weakness of the limbs, shortness of breath, bad digestion, palpitation of the heart, and a tired feeling after even slight exertion. This is due to the thin blood condition in which la grippe almost always leaves its victims after fever and influenza have subsided. They are at the mercy of relapses and complications, often very serious. This condition will continue until the purpose of building up the blood and strengthening the nerves with Dr. Williams' Pink Pills. From first to last these pills make new, rich blood, which reaches every organ and nerve in the body. Thus the lingering germs are driven out, and the weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

But better still, you can put your self in a condition to resist an attack of influenza by enriching the blood through the use of Dr. Williams' Pink Pills, and this it seems is the sensible thing to do at once. Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail at 50 cents a box, or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville Ont.

**Auto Accident at Victoria Beach**  
What might have been a very serious accident occurred at Victoria Beach Sunday, Sept 28th, when an auto driven by Mr. Backman, backed into the ditch at a place in the road called the ditch at the place opposite the pond or went in the ditch opposite the pond or the occupants may have all been killed. As it was, no one was hurt. The party consisted of Mr. and Mrs. J. S. Hayden and two children, Mrs. Grace Johns and daughter Lizzie and Mr. Backman. They had to get Mr. Charles Budreau's ox team to haul the car back in the road. The car was only slightly damaged.

Marine News

Schr. Neva, Capt. Anthony, arrived at Digby Saturday in ballast. Schr. Annie Conley, Capt. Conley, arrived at Digby Friday, in ballast. Schr. Mayflower left New York last Friday with a cargo of hard coal for Mrs. E. L. Fisher, Bridgetown. At Hubbard's Cove Friday morning 150 barrels of choice mackerel were taken from the traps in that vicinity. Aux schr A. W. Longmire, Capt. Longmire, arrived at Digby Monday with seventy thousand pounds fresh fish. The Digby schr Dorothy Smart, Capt Ansel Snow, put into Yarmouth on Wednesday for a harbor. She hailed for 65,000 lbs., of fish and sailed again Thursday. This schooner in charge of Capt Ansel Snow is now just completing a successful season and when she hauls out to fit for the fall haddocking will total up one of the greatest stocks, with the crew making the largest share of any year since she was launched.

A three masted schooner which is being built at Church Point, Digby Co, by Mr. Moses B. Hiveman and others is rapidly nearing completion and it is expected she will be launched in about three weeks. She is a splendidly built vessel and meets in every particular the conditions of the Bureau Veritas in which she will receive a class for 12 years.

The new four mast schr. Charlotte Comeau, built and recently launched at Little Brook, and the three mast Nettie C., just launched at Saunierville, have each obtained excellent charters. The former under command of Capt John Stewart, of Church Point, will go to New York and load coal for a West India port. The Nettie C. in charge of Capt. Arthur Doucet, of Cape St. Mary's, will load lumber at either Bridgewater or Weymouth, also for the West Indies.

**A GOOD ENTERTAINMENT**  
The Mae Edwards' Players Delight Large Audiences  
The Mae Edwards Players which have been delighting large audiences in every town will appear in the Primrose theatre, Bridgetown, next Monday, Tuesday and Wednesday evenings and will no doubt be greeted with full houses every night. The daily papers are devoting columns of space in describing their various plays, all of which are good ones. We refer our readers to the Primrose theatre's big advertisement which appears in today's MONITOR. The New Glasgow Evening News says that the Mae Edwards' Players certainly deserved a big patronage and they got bumper houses in that town every night.

### THE UNOCCUPIED FIELDS OF SOUTH AMERICA.

Rev. S. G. INMAN

In Peru, in the whole northern half of that great republic, a stretch of territory greater than our thirteen original colonies, there is not one voice raised for the preaching of the simple gospel of Christ, not one missionary representing this great body of people here. In all of Peru, with its four millions of population, probably on the field continually are not more than seven or eight ordained missionaries.

The Minister to Brazil from the United States said to me the other day:

Oh, would that I had the opportunity of presenting the appeal of these hundreds of thousands of Indians to the American Christians. I cannot understand how you go so far away into the Eastern world and leave these fields unoccupied.

I doubt whether there is such a neglect of religion in any city on the globe, including the great cities of the Orient, as in Buenos Aires, the third largest city on the American continent. Taking it all together, in that city of 1,700,000 people there are not a hundred churches and temples. Protestant, Catholic, Mohammedan, Jewish, and every other kind; less than one place of worship for every 25,000 people. Of the 1,700,000 people you might be able to count in the Protestant and Catholic churches all together on a Sunday morning, 1,700 people. In the University of Buenos Aires are 5,000 students, hardly five of whom are willing to say that they believe in Jesus Christ as their Saviour.

About 88 per cent of the 50,000 students in the universities of Latin America are agnostics; they do not accept any kind of religion. When you speak to the leaders of these countries about religion, they say: "No; we have had enough of that. We want progress. Religion is what has kept us back."

#### A SECRET

Alice Freeman Palmer, when president of Wellesley College, was one day giving an address to a group of Boston girls in a settlement house. As she looked into their faces, she realized that more than they needed anything else, they ought to learn that the secret of happiness is something within and not things on the outside. It is not a matter of money, clothes, house, leisure, position, pleasure getting. A person might have all these and more and still be miserably unhappy. Here is the secret she gave those girls that Saturday afternoon.

First, look for something beautiful every day. Beautiful things are all about us, but we shall miss most of them unless we look for them. Second, learn something beautiful every day. It might be a bit of poetry, a verse of a hymn, a few words of Scripture, or a portion of some great address, like Lincoln's Gettysburg speech.

Third, do something for someone else every day. We shall always find people whom we can help, and in helping them we find our joy.

#### A Forgetful Urechin

"What is it sonny?"  
"I'm tryin' to 'member what ma wanted me to git in this jug."  
"What jug?"  
"Gee! I forgot the jug!"

Three hundred employees of the East Coast Fisheries Company, Rock land, Me., quit work Tuesday, because of labor differences.

### LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Freezezone costs but a few cents at any drug store. Apply a few drops on the corns calluses and "hard skin" on bottom of feet, then lift them off. When Freezezone removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

# The Expenditure of \$610,000,000

How the last Victory Loan was spent

For Demobilization

For Trade Extension

BEFORE buying Victory Bonds again you may want to know how Canada used the money you loaned her last year.

Canada borrowed the money to carry on the war and to provide credits for Great Britain and our Allies.

CONSIDERABLY more than one-half of the Victory Loan 1918 was spent on our soldiers. This included \$312,900,000, for paying them, feeding them, bringing them home, separation allowances to their dependents, maintenance of medical services and vocational training schools.

\$59,000,000 of the Victory Loan 1918 was paid on account of authorized Soldiers' gratuities.

\$9,000,000 was spent at Halifax for relief and reconstruction after the disaster.

Other disbursements were not, strictly speaking, expenditures, but National Re-investments.

To Great Britain for example:

\$173,500,000 was loaned for the purchase of our wheat and cereals.

\$9,000,000 for our fish.

\$30,000,000 for other Foodstuffs.

\$2,900,000 for Canadian built ships.

\$5,500,000 to pay other British obligations in Canada.

Making in all \$220,900,000 advanced to Great Britain.

To our Allies, we loaned \$8,200,000 for the purchase of Canadian foodstuffs, raw material and manufactured products.

The Re-investments will be paid back to Canada in due time, with interest.

These credits were absolutely necessary to secure the orders for Canada because cash purchases were impossible.

They have had the effect of tremendously helping agricultural and industrial workers to tide over the depression that would have followed the Armistice, had we not made these credit loans.

As far as money is concerned, 1919 has been, and is still—just as much a war year as 1918. Our main expenditures for war cannot be completed until well on into 1920. Thus another Victory Loan is necessary—Get ready to buy.

#### Using Tact on a Party Line

A town lady the other day called up a friend by telephone. When she spoke she found some one else on the phone. "I just put on a pot of beans for supper," she heard one of the ladies tell the other. So she hung up the receiver and waited. Three different times within the next five minutes she tried the line, and then, annoyed that she could not get a message, which was a brief and important one, to her friend, she broke into the trivial long drawn out conversation with this sarcastic remark: "Mrs. — I smell your beans burning." All she heard was an excited good bye and the click of the receiver on the hook. Then the lady put in her call and got her number.

#### Had On An Evening Dress

(Shelburne Gazette)  
"A mermaid," explained one of the party, as a woman like form was seen to emerge from the water. Closer inspection revealed the fact that it was not a mermaid at all but just one of God's beautiful creatures called woman who probably forgot such a little matter as a bathing suit before taking a dip. This was not in Shelburne, but nearby.

#### How It Might Have Been Done

The mild young gentleman having read that every man ought to have a knowledge of self defence, betook himself to an instructor in boxing, arranged terms, took off his jacket and vest, put on the gloves and started to learn things.  
"This," said the professor, "is the way you do it!"  
When the pupil recovered consciousness he said:  
"May I ask whether it was necessary for you to knock me down like that?"  
"Not at all," said the professor.  
"Far from it. There were 346 other ways in which I could have knocked you down."

On October First we will commence our **Second** issue of **CASH BONUS COUPONS**.

Our first issues of Coupons are payable during this month, September, and already we have cashed the majority of them; some of our customers receiving as high as \$4.20.

There is absolutely no guess work about our Cash Bonus Coupon System. Our customers receive exactly the amount we advertise to give—and every purchaser who buys \$1.00 worth of goods at our store and pays cash at time of purchase is entitled to a Cash Bonus Coupon, and gets the amount due thereon as sure as if it were the coupon of a Victory Bond.

Our idea is to induce customers to pay Cash, and we make it worth while to do so by paying a Cash Bonus on the total amount purchased from our Shoe Store during a period of six months.

Our Second issue of Cash Bonus Coupons will be payable on March 1st, 1920. Try it. You will like it, and it will

**FRUIT CULTURE IN BEAR RIVER**

R. M. K.

Authorities agree that in so far as the quality of the soil and the climate are concerned, there is no part of the province of Nova Scotia so well suited for the growth and maturity of the ordinary orchard fruit, as the valley of the Bear River. While upon hillsides with a southern exposure, in sunny glens and brook-sides, peaches and grapes are grown to maturity in the open air, these are, however, cultivated chiefly for home consumption.

**APPLES AND PEARS**

The yield of these fruit is abundant here this season, and as the various varieties are reaching maturity the quality is proved to be excellent and larger in size than is usual of this season, this is doubtless due to excessive moisture.

So far this summer there have been no violent wind storms to interfere with the growth and development of the fruit. But no spraying has been done this year in the valley, with the exception of two or three orchards, consequently a considerable quantity of the fruit when marketed must be classified as "Domestic".

**CHERRIES AND PLUMS**

The enviable reputation that Bear River has sustained in the past for success in producing good crops of both cherries and plums seems likely to pass into history unless a determined effort is made to revive the culture of these delicious fruits. In many orchards the good old cherry trees have about gone out of bearing, and many have been cut down, and in addition to this neglect to fertilize, prune out the dead branches and spray the trees, many of those remaining do not yield a crop worth gathering. The fruit matures at a season when farmers are too busy to attend to the cherries and there seems to be no disposition or interest manifested in improving the fruit or setting out of new stock for the future profit. Respecting the plum trees little can be said excepting that the "Black Knot" has about ruined nearly every orchard in the valley.

**OVERHEAD EXPENSES**

Perhaps the greatest reason for discouragement in fruit culture at the present time arises from the unusual expense incurred in harvesting and marketing the fruit. Two years ago the cost of apple barrels was advanced to 28 cents each, today the cost of barrels has gone up by leaps and bound to 75 cents and in some cases \$1.00 each. The cost of labour for gathering, packing, and inspecting the fruit has also increased, but not in the same proportion. The cost of transportation however has increased in a manner which is a close second to the advances made by the barrel manufacturer. Freight to St. John, N. B. has just doubled in the past two years and is now 40 cents per barrel. Before the war freight from Nova Scotia to Great Britain was about \$1.00 per barrel, it is now \$3 per barrel. Assuming that commission and other expenses in London G. B. have also increased somewhat, it is evident that these overhead expenses will be about five dollars a barrel for apples shipped overseas and about two dollars for apples when marketed in our local cities and towns. With these facts in view, it will not be surprising if a considerable proportion of our apple crop will find a market at the evaporating factories this season.

Notwithstanding the difficulties and discouragements here noted, which may be only temporary, the future of orcharding in Bear River is beyond doubt bright with promise. An intelligent system of spraying as well as hearty cooperation of all is essential to success in fighting orchard enemies. And as it takes from seven to twelve years for cultivation and growth before any return can be expected from young trees, it is necessary that the setting out of new orchards should be commenced without further delay.

**THE MIRACULOUS STOVE**  
Can Do Almost Everything Except Attend Women's Institute Meetings

If only the world lasts long enough our inventors will discover cures for all our present trials and troubles.

One of the most astonishing productions which we are shortly to see is a stove that works something a long line of an alarm clock, and does your cooking for you while you shop, or visit, or go joy riding.

This stove is worked by electricity the heat being stored by the device used in the thermos bottles. Thus all the heat is kept inside and the outside of the stove is cool whether the current is turned on or off.

But the real beauty of the stove is this: Suppose you want to put in vegetables, a joint, and a pudding during the morning go out for the day, and return at seven to find them all ready at the identical moment.

First of all you wind the clock for the vegetables, according to the length of time required for cooking. While you are out the clock turns the heat on and off at the required times, and by regulating the joint and the pudding clocks in the same way all three dishes, requiring different times of cooking, will be ready and awaiting you simultaneously.

This sounds like a dream, but it is not. This wonderful stove, as a matter of fact, is already upon the American market.

**MORE TRUTH THAN POETRY**  
Thinks Women Don't Wear Clothes Enough

(By the "Old Man" in the Kentville Chronicle)

The Old Man had quite an argument the other day with a female (I would hate to call her a real woman) and she was about the craziest proposition he ever met on this question of whether a man or woman should have a drink if they felt they required it or needed it, and at the same time this female had barely clothing enough on her body to get by. If this fight on the part of persons who want to run the earth, and part, if not all of the kingdom of heaven, don't let up soon the Old Man is going to form a league which shall have for its object the passing of stringent laws to compel the females of our species to extend their clothing so as to be at least decent. I claim that they do more, with their present method of dressing themselves to demoralize and ruin the sterner sex than all the good old bug juice ever made.

By all means let's have a law that will compel our women to be decently covered in public to cut out high heeled shoes, especially the ones with the heel under the middle of the foot, corsets and other contraptions made and designed to mislead gullible, innocent men, as well as a few other trifles the Old Man might mention.

## ASBESTONE 40 YEAR ROOFING

No Rags or Tar in this roofing. Pure Asbestos and Asphalt, cannot rot or dry out. Costs but little more than the ordinary kind. It is far more durable, as well as fire resisting, and just as easy to put on. Any other roofing would be totally destroyed by fire. Not so with Asbestone. It is not what is on a roofing, but what is in it, that counts.

Write for information and sample. If you can't get it through your dealer, we will send it to you direct. We want dealers to handle it.

The Dominion General Equipment Co. Limited DISTRIBUTORS 132 Hollis St., HALIFAX, N. S.
