CONSTITUTION

OF THE

Church Society of the Diocese of Toronto :

INCORPORATED BY THE STATUTE OF CANADA, 7 VICTORIAE, CAP.
68, FOR PROMOTING THE FOLLOWING OBJECTS :

FIRST.—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Toronto, and for creating a fund towards making provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY.—For the encouragement of Education, and for the support of Day-schools and Sunday-schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY.—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY.—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other books and tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY.—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church, in the said Diocese; the erection and maintenance of Parsonage-houses; the setting apart of Burial-grounds and Church-yards; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowment.

I.

That before the Society shall enter upon any business at any of its meetings the following prayers shall be said :—

PREVENT us, O Lord, in all our doings, with thy most gracious favor, and further us with Thy continual help; that in all our works begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Queen VICTORIA, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy Grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

O MERCIFUL GOD, who hast made all men, and hatest nothing that thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live: have mercy upon all Jews, Turks, infidels, and heretics, and also upon all those heathen nations upon which the light of Thy glorious Gospel hath not yet shone; especially the Indians of this continent. Bless the means used for their civilization and conversion, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

O UR FATHER, which art in heaven, Hallowed be thy Name. Thy kingdom come. Thy will be done in Earth, as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for thine is the kingdom, the power and the glory, for ever and ever. *Amen.*

¶ AND WHEN BUSINESS IS ENDED.

A LMIGHTY GOD, Father of all mercies, we thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness, to us and to all men: more particularly for the providential support by which this Society has been enabled to spread abroad the knowledge of Thy sacred truth. But above all, for Thine inestimable love in the redemption of the world by Thy blessed Son; for the means of grace, and for the hope of glory, which Thou hast given us, in the same our Lord and Saviour Jesus Christ: to whom with Thee and the Holy Ghost be all honour and glory, world without end. *Amen.*

THE grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*

II.

IX.

That the Standing Committee shall propose to the Board at the General Meeting in November a list of seven members of the Society, to form the Tract and Book Committee for the year ensuing: that at that meeting any member be at liberty to propose another list of seven members of the Society, instead of that proposed by the Standing Committee; and that the election of the Tract and Book Committee take place at the General Meeting in February.

And further, that no Constitution, By-law, Rule, or Regulation of the Society, nor any abrogation, repeal, change, or alteration of the same shall be passed, except notice of such intention shall have been given at the previous quarterly meeting, and then it shall not be of any force or effect until it shall have been sanctioned and confirmed by the Bishop of, or administering, the Diocese for the time being, by writing under his hand.

The members of the Association shall elect annually four among their own number as a Committee, which, through its Chairman, (the Clergyman,) shall be in correspondence with the District Branch Associations, and may be denominated the *Parochial Committee of the Church Society*. The Committee shall meet so often, and at such periods, as they shall themselves decide to be most convenient, inviting the co-operation of all the parishioners in their deliberations and designs. That the collections be made for the objects specified on the days following, or not later than two Sundays subsequently:

1. For Missions, on the first Sunday in January.
2. For Widows and Orphans' Fund, on the first Sunday in October.
3. For Missions, on first Sunday in July.
4. For Students in Theology, on the first Sunday in April.

A Committee of the Church Society shall be appointed from year to year at the Annual Meeting in June, whose duty it shall be forthwith to enquire into the state of the Students' Fund and to declare thereupon what number of Exhibitions, tenable for three years, and of the annual value of £30, will be open to applicants in that year, giving notice to this effect in the *Church Chronicle*.

It shall also be the duty of the Committee at the time of the August meeting to receive and examine the testimonials of applicants, and to select such as Exhibitors as they shall consider to be most deserving, notifying the Provoost of Trinity College of such selection.

Provided nevertheless, that the privilege of each District to nominate an Exhibitor or Exhibitors, if it shall have provided funds for that purpose, shall be so far recognized as that a preference shall be given, *ceteris paribus*, to any person or persons thus recommended by any District; but that beyond this reservation, the Committee shall be left free to exercise its own judgment as to the most deserving candidates.

In order that local interests may be duly represented, the Committee shall consist of an equal number of members from each District.

Persons nominated to Exhibitions shall be required to pass the Matriculation Examination with such credit as may satisfy the Examiners of their probable fitness to enter the Divinity Class at the expiration of their first year, and they shall forfeit their Exhibitions if they fail to satisfy the Examiners to the same effect in the ensuing June Examination. Every Exhibitor shall be required at Matriculation to subscribe a declaration of his purpose to complete his course of study, and to serve in Holy Orders in the Diocese of Toronto for at least five years.

No Exhibition shall be continued for more than three years, the first of which shall be passed in the Arts course, and the last two in the Divinity course.

If any Exhibitor shall, for any reason approved by the College authorities, continue for more than one year in the Arts course, his Exhibition shall be reserved until he shall enter the Divinity class.

The College authorities shall be requested to furnish to the Committee of the Church Society above mentioned at the meeting of the Committee in August of each year, a report of the conduct of the Exhibitors, and any Exhibition shall be subject to withdrawal if such report be unfavourable, or if, for other reasons, the Committee shall be dissatisfied with the conduct of the Exhibitors.

No person holding a Scholarship in Trinity College shall be allowed to receive or retain an Exhibition.

Every Divinity Exhibitor must have entered on his nineteenth year,

XX.

That no application for a grant, loan, or other assistance, be entertained from any Rectory, Incumbency, or Mission, in which there shall not have been established a "Parochial Committee" of this Society under the provisions of the article of the Constitution thereof, reporting to and in communication with the Parent Society, and in which all the requirements of said Constitution shall not have been complied with, unless upon the omission of such requirement a special written dispensation shall have been obtained within three months of the date thereof; and further, that accompanying such application there be a distinct accurate description of the object towards which aid is sought, together with a detailed account of the sum of money collected in the locality or elsewhere towards the same object, and how applied: Provided, nevertheless, that it shall be at all times competent for the President to recommend to the Standing Committee any case which in his Lordship's opinion may require special consideration; and should the Standing Committee report favourably thereon, that the Society may in such case grant the assistance so sought, or any portion thereof; and further, that no application be entertained from the Widow or Orphan or the Guardian of the Orphan of any deceased Clergyman of this Diocese who shall not have con-

formed to the provisions and requirements of a certain By-law entitled a "By-law for the due administration and improving the Widows and Orphans' Fund of the Church Society of the Diocese of Toronto," and also of any amendments to the said By-law, which may be enacted from time to time according to the provisions of the Constitution of the said Society, unless upon the omission of any of the said requirements a special written dispensation had been granted by his Lordship the President, and forwarded to the Secretary for registration within three months after the date thereof. Provided, nevertheless, that it shall be at all times competent for the President to recommend to the Standing Committee any case which in his Lordship's opinion may require special consideration, and should the Standing Committee report favourably thereon, that then the Society may grant such proportion of the annuity as to the said Society may seem fit; and that it be the duty of the Secretary, after each Annual Meeting of the Society, to notify to each Clergyman whether he have or have not complied with the requirements which would entitle his Widow and Orphans to a Pension.

XXI.

That every Lay Delegate of the Synod of the Diocese shall be an incorporated member of the Church Society on the payment of the annual sum of five shillings, so long as he shall continue to be such delegate, and make such payment notwithstanding anything contained in clauses 2, 3, 4, and 5 of the Constitution of said Society.

That any By-law that shall be passed by the Society relating to the Commutation or Clergy Trust Fund, the Mission Fund, or the Widows and Orphans' Fund, or in any way affecting the charges on or management of those funds, or either of them, shall be laid before the Synod of the Diocese at the first meeting of the Synod next after such By-law shall have been passed, and if at such meeting of the Synod any resolution shall be agreed to disapproving of such By-law either in the whole or in part, and setting forth the reasons for such disapproval, the operation of such By-law shall be suspended as soon as such resolution and reasons are received by the Secretary of the Society, until the next Quarterly Meeting of the Society; and unless at such next Quarterly Meeting such By-law be sustained by the vote of two-thirds of the members present at such meeting, such By-law, or the part thereof so disapproved of, shall cease and be of no effect. Provided always, that nothing herein contained shall prevent the members at such last mentioned meeting altering or amending the said By-law in accordance with the regulations or reasons that shall be transmitted by the Synod.

That the Secretary of the Society shall transmit copies of any such By-laws, as in the second section mentioned, to the Secretaries of the Synod as soon as the same are passed, with a view to the same being laid before the Executive Committee of the Synod, that a synopsis thereof may be stated with the other business prepared for the Synod.

XXII.

That the Charter and these By-Laws do together form the Constitution of the Church Society of the Diocese of Toronto, and that nothing which is contained in the Constitution of the Society established on the 28th day of April, 1842, or in any By-Law, Rule, or Regulation amending or altering the same, shall apply to, or be in force in respect to, the Incorporated Church Society of the Diocese of Toronto, except such provisions thereof as are above continued in force.

B Y - L A W

To make provision for carrying out certain powers given to the Church Society, under the Act passed in the twenty-ninth and thirtieth years of the reign of Her Majesty Queen Victoria, numbered sixteen, and intituled "An Act to provide for the sale of Rectory Lands in this Province."

WHEREAS according to the provisions of an Act of Parliament in that behalf, the Church Society of the Diocese of Toronto is vested with power and authority to sell and dispose of any lands granted by the Crown, as a glebe of, or as appurtenant to, or belonging to, or appropriated for, any Rectory in the said Diocese, by whatever name the same may be called and in whomsoever the title thereof may be vested, subject to the provisos in the said Act contained for protecting the interests of the existing Incumbents of said Rectories, in effecting such sales and dealing with the proceeds thereof:

And whereas it is necessary and expedient to create and appoint a Special Committee of the said Church Society to carry the said Act into effect and to lay down certain general rules for the guidance of such Committee:

Be it therefore enacted, under the authority of the Act incorporating the said Society, and with the consent of the Lord Bishop of the Diocese, as follows:

1. There shall be a Committee of the Church Society to be called the "The Rectory Lands Committee," which shall be chosen every year at the Annual Meeting in June, and shall consist of six members, three being Rectors of Parishes, and three Laymen, and of this Committee three shall be a quorum.

2. This Committee shall have the supervision of all the Rectory Lands within the Diocese, and shall make such rules and regulations for the sales of such lands, as they shall from time to time see fit, and shall report all such rules and regulations, and any change or alterations thereof at the next Quarterly Meeting of the Society, and the Society shall have full power and authority to alter or annul the same or any part thereof.

3. This Committee shall also make, and have charge of, all investments arising out of the sales of the Rectory Lands, and shall keep separate accounts for each Rectory, both as to the principal and interest arising from sales, and of the investments thereof, and the payment of the Incumbent or Incumbents out of the income thereof.

4. The Committee shall keep all necessary books of account, and may appoint an officer for keeping the same, and remunerate him therefor, and all charges of management shall be apportioned among the several Rectories in proportion to the income of such Rectory derived from the sales of its Rectory Lands or any part thereof, or the investments therefrom.

5. All sales shall be carried out, and all securities and investments be taken, under the superintendence of the Solicitor of the Society.

6. The Committee shall report to the Society whenever required, and always at the Annual Meeting in June, when their Report shall include all transactions up to the thirtieth April then last past, and shall shew the account of each Rectory for which any sales have been made for the past year, exhibiting the sum for which any sale has been made; the amount paid; the amount unpaid, and how secured; any investment made; the interest payable; the principal and interest, if any, in arrear; and the charges of management, and any other expenses incurred during the year, and which account shall be audited and verified by Auditors to be appointed by the Society for that purpose.

GENERAL PURPOSES FUND.

The receipts for this fund from all sources for the past year do not equal the receipts for the previous year—the difference being accounted for in the item of receipts from sales of land. For the year ending 30th April, 1867, receipts from sales of land amounted to \$4,740.80; for the past year they amount to only \$1,917.99. On the other hand, the receipts from rent of land and interest on land sales amount for the past year to \$638.77, as against \$339.83 for the previous year; and the receipts from interest on debentures to \$243.00 for the past year, as against \$161.75 for the previous year.

MISSION FUND.

The receipts for this fund for the past year are considerably in excess of those for the previous year, for in the receipts for 1866-7 (\$9,403.35) were included \$1,790.63 received on account of parochial guarantees, whereas the receipts for the past year, (\$9,412.14) do not (as far as can be ascertained) embrace any receipts on account of parochial guarantees.

WIDOWS AND ORPHANS' FUND.

In the item \$5,879.48—amount of receipts for this fund for the past year from all sources—is included the sum of \$2,600, the amount of an investment returned; still shewing an increase in the receipts for the past year.

DIVINITY STUDENTS' FUND.

The receipts for the past year fall short of the receipts for the previous year. Up to the 1st instant, and since the books were closed, \$95.71 have been received; but even with this amount added, the receipts for this year do not equal the receipts from the collections for April, 1867.

Your Committee regret to find that, notwithstanding the hopes expressed in the last Annual Report with regard to the prompt and punctual remittance of moneys collected on behalf of the Society, there is still much room for improvement.

Since the books were closed on the 30th of April last, and up to the 1st instant, the sum of \$1,195.05 has been remitted to the Parent Society on account of parochial collections properly belonging to the past year. Similarly, remittances amounting to \$95.71, and being collections from eighteen parishes or missions, have been received on account of the Divinity Students' Fund.

They also regret to find much irregularity in the manner in which the parochial collections are remitted.

The constitution provides that such collections shall be transmitted to the Treasurers of the several District Associations, who shall, on or before the 30th of April in each year, transmit the same to the Treasurer of the Society at Toronto.

In too many instances, during the past year, this provision of the constitution has been disregarded, and much unnecessary trouble and annoyance have been thereby occasioned both to the Secretaries of the several District Associations, and to the Secretary of the Society at Toronto.

It is to be hoped that, in future, a more strict compliance with the Constitution of the Society, in this and in every other particular, will be observed.

PAROCHIAL GUARANTEES.

The receipts for the past year on account of Parochial Guarantees have been as follows :—

| | |
|---|------------|
| West Essa..... | \$120 00 |
| King..... | 45 00 |
| Fergus..... | 200 00 |
| Cookstown..... | 111 00 |
| Orangeville and Camilla..... | 400 00 |
| Penetanguishene..... | 100 00 |
| | <hr/> |
| | \$976 00 |
| Add rent of Crowland Glebes..... | 300 00 |
| | <hr/> |
| | \$1,276 00 |
| | <hr/> |
| Receipts on same account for previous year..... | \$1,790 63 |

The expenditure of the Society for the past year, as compared with that of the previous year, is as follows:—

| | 1866-7. | 1867-8. |
|--------------------------------|-------------|-------------|
| General Purposes Fund | \$6,533 77 | \$5,109 70 |
| Mission Fund | 10,798 94 | 9,986 57 |
| Widows and Orphans' Fund | 3,107 06 | 5,043 77 |
| Divinity Students' Fund | 1,012 61 | 1202 28 |
| | \$21,452 38 | \$20,342 32 |

The amount invested for the benefit of the undermentioned funds, is as follows:—

| | Debentures & Stocks. | Mortgages. | Total. |
|--------------------------------|----------------------|------------|------------|
| General Purposes Fund | \$5,100 00 | \$400 00 | \$5,500 00 |
| Widows and Orphans' Fund | 8,875 01 | 1,356 28 | 10,231 29 |
| Mission Fund | | 3,600 00 | 3,600 00 |

ARTHUR PALMER,

Chairman, Standing Committee.

CHURCH SOCIETY'S BOARD ROOM,
TORONTO, 9th June, 1868.

* *Mission Fund.*—The reduction in the stipends paid to some of the missionaries will account for the diminution in the amount of expenditure for the past year.

† *Widows and Orphans' Fund.*—The additional investments made on behalf of this fund will account for the increase in the amount of expenditure for the past year.

‡ *Divinity Students' Fund.*—The amount paid to the Bursar of Trinity College in the year before last on account of Exhibitions was not entirely expended—hence the small sum paid him on that account during the past year.

AUDITOR'S REPORT.

The Auditors of the Church Society of the Diocese of Toronto beg leave to report :—

That they have examined carefully the Books and Accounts of the Society for the half-year ending the 30th April, 1868, and that the same have been found correct.

That the Balance Sheet and Statements of Receipts and Expenditure, herewith submitted, have been carefully compared with the books and verified; that the same exhibit the transactions of the Society for the period above mentioned, and that the items of expenditure are supported by their proper voucher.

The Auditors beg leave further to submit a detailed Statement of Securities held by your Society, and which securities, having been produced by the Secretary and examined, were found to agree with the Balance of their respective accounts.

In addition to the foregoing securities there were produced to the Auditors certain Mortgages, as per accompanying Statement. These mortgages are held by the Society in part payment and in security for lands sold. Although good for the amount they represent, and forming valuable assets, as such they do not appear on your books. The Auditors are of opinion that all assets should be shewn in the Balance Sheet, and, therefore, beg leave to suggest that an account be opened for the mortgages in question, and for all securities in a similar position, and that the different funds to which they belong receive credit for the same. The books of the Society will thus exhibit a more correct and satisfactory state of affairs than heretofore, and the transactions will be more readily verified and understood.

The Auditors would further suggest that a sum of about \$1800 due to your Society by the Clergy Trust Fund, and which belongs, it is believed, to the Widows and Orphans' Fund, be collected and invested for the benefit of that fund.

It affords the Auditors much pleasure to bear testimony to the efficiency of your Secretary, William P. Atkinson, Esq., from whom were received a cheerful assistance and all necessary information during the course of the Audit.

And it may not be out of place to state, that the Auditors feel that the Church Society is an organization most powerful for good to the Church if fully and faithfully carried out by the Members of the Church at large. The more publicity given to the internal government of the Society, and the more thorough the supervision of its affairs, the more will confidence be strengthened; and the *Auditors cannot see* that there is any reason for distrust in your Society under its present management.

All of which is respectfully submitted.

WILLIAM GAMBLE, }
JAMES BROWNE, } *Auditors.*
