Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

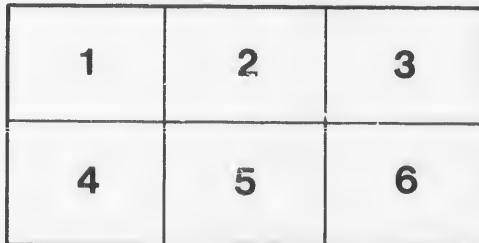

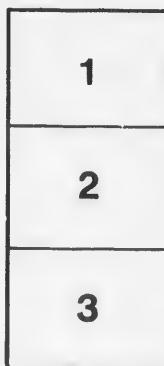

Harold Campbell Vaughan Memorial Library
Acadia University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Harold Campbell Vaughan Memorial Library
Acadia University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

LINES

Written on the death of the late

Alice Hubley

By H. A. March.

Lines

written on the death of the late Alice Hubley.

When first we press'd her to our hearts,
A dark-ey'd, black-hair'd baby then,
We thank'd the Giver of All Good
For all His goodness unto men.

Her childish prattle, how we lov'd
To hear it at the eventide,
When father from his daily toil
Came home to rest his hearth beside.

And when at length a woman grown,
Her long dark lashes veiling eyes
That only looks of love e'er knew
Till anguish took them by surprise,—

We lov'd her better year by year,
New links the chain of love enwove ;
But when Disease had smitten her,
We only learn'd what 'twas to love.

We watch'd earth's tenantient decay,
The rounded outlines, peak'd by care,
Which lend this evanescent clay
The element by Earth call'd "fair."

But to our eyes more beautiful
She grew at Pain's dark, dreadful shrine,
We saw her spirit piercing through
Earth's shadow, bright and brighter shine.

And when at length she calmly said,
"To-morrow, mamma, I shall die,"

Love whispered, "Surely 'tis not so."
God said, "Trust Me, thy God am I."

"I gave, and when I will I take,
"My will on earth this one hath wrought,
"From pain to bliss I her translate,
"A change transcending human thought."

Lov'd one, we give thee back to God,
Farewell! Our loss thy gain assures,
Thy thorny road so bravely trod,
How rich the promise it secures.

We know in mind thy call we'll hear
Oft in the lonely midnight hour.
'Tis better,—blighted blossom here,
To be in Heaven a lovely flower.

We know the care so long bestow'd—
(No human care more tender given)
Will leave us many a heavy hour,
But—blessed thought—thou art in Heaven.

The heart of love and care is there,
The home of love at last is thine,
Farewell! farewell! 'tis hard to spare
For brighter settings jewels fine.

But Heav'n to us is realer now,
Our hearts henceforth will be afar
Beyond Death's dark mysterious veil,
For hearts are where their treasures are.

With deepest sympathy,

H. A. MARCH.
