IRELAND IN THE NATIONS LEAGUE

Prospects of Admission Declared Good at Geneva

Delegate Leaves for Home to Look into the Conditions—Fine Vote for the Government—Some Shooting in Dublin Reported.

(Canadian Press Cable)

Geneva, Sept. 13.—The Irish Free State's chances for admission to the League of Nations now appear to be good. Her application is not on the agenda of the assembly but the steering committee can put it there if it sees fit.

MINK ESCAPE AT EXHIBITION; KILL PHEASANTS

Toronto, Sept. 13.—At the government building at the Canadian National Exhibition, yesterday, seven mink from the game and fisheries exhibit escaped and ran riot in bloodlust in the pheasant cages. Before they were recaptured half a dozen pheasants were slaughtered, and the remainder of the terror-stricken birds were perched upon the upper boughs of the limb planted in their enclosure, while the mink were dashing around trying to discover some way of killing more victims.

MENACE AMONG UKRAINIANS IN THE DOMINION

Presbyterian Clergyman Says Government Will Investigate Reports of Bolshevik Teaching.

Toronto, Sept. 13.—The government of Canada is going to investigate the menace which overshadows the Ukrainian colonies in Canada, according to Rev. Paul Crath, minister of the first Ukrainian Presbyterian church in Toronto.

The matter was discussed by officials of the department of the interior at Ottawa and the opinion of missionaries and clergymen working among the Ukrainians has been sought, with the result that the government, according to Mr. Crath's statement, intends to wrest the control of the Ukrainian language schools, which are especially numerous in the Canadian west, from the hands of the Bolshevik committees and teachers.

The Reds in Toronto have called a mass meeting for next Sunday, when they will discuss the question, said Mr. Crath. "I am not opposed to Ukrainian language schools, but I am opposed to the present method of teaching, which are atheistic so far as religion is concerned and Bolshevik in political propaganda."

Oaths of Office Under British Mandate in Palestine—One Discordant Note.

Jerusalem, Sept. 13.—Lord Allenby, British high commissioner, Sir Herbert Samuel, Palestinian high commissioner, and Emir Abdallah, ruler of Trans-Jordan, took their oaths of office at an impressive ceremony on Monday in connection with the proclamation of the British mandate in Palestine.

"The Holy Land is entering upon a period of peace and progress under British dominion. There is now hope for the Jew, the Arab and the Christian. When that is accomplished, the British will be glad to give up the trust that has been placed in their hands."

REV. T. STEWART SYNOD MODERATOR

Halifax, N. S., Sept. 13.—Rev. Thomas Stewart, D.D., of Halifax, was elected moderator of the Presbyterian synod of the maritime provinces at the opening session held here last night. Preaching the Gospel was emphasized, and the supreme work of the church in the course of a sermon delivered by the retiring moderator, Rev. Christopher A. Munro, which proved the feature of the opening proceedings.

J. J. McGILLIVRAY VERY ILL.—Many friends of John J. McGillivray, formerly section-foreman on the C. N. R., will regret to hear that he is seriously ill in Moncton. He was on his way home after a trip to Quebec province when he was taken suddenly ill and had to remain in Moncton. A telephone message to the city at noon today brought the information that Mr. McGillivray was very weak and his condition was critical. His sons, Frank, James and Donald, are now in Moncton and another son, George, is on the way from Ontario. Mr. McGillivray was superannuated in April this year after forty years' service with the railway.

SISLER OUT AT CRITICAL TIME

Browns' Star Strained Shoulder on Monday

Crucial Games With Yankees Draw Near—Plans for the World Series Already are Being Talked Over—Royal Lancer Wins St. Ledger.

(Canadian Press)

New York, Sept. 13.—The New York Yankees, leaders in the American League, opened their western invasion at Chicago today and after a White Sox series will face the Browns, in a series that is expected to determine the 1922 pennant winners.

The Browns, without the services of George Sisler, who may be out of the game for the rest of the season because of a strained shoulder, defeated the Tigers yesterday, 5 to 6, and thus moved to within one game of the Yankees, who were idle. The Cleveland Americans, still in Chicago for a first trip, defeated the White Sox, 8 to 2, and are now only seven points behind the Chicago club.

Names were played in the National League.

The Cubs will meet the Giants at the Polo Grounds today, while the Yankees are battling the White Sox in Chicago. Other games today in the American League will bring together Boston and St. Louis, Washington and Cleveland at Philadelphia and Detroit.

In the National League Cincinnati is scheduled to meet Brooklyn at Ebbett's field, while Pittsburgh and Boston and St. Louis and Philadelphia will meet in double-headers.

The loss of Sisler will prove a severe blow to the Browns and further announcement as to the extent of the injury, which was received in Monday's game with Detroit, when the St. Louis star strained his shoulder muscle in reaching for a wide one, is eagerly awaited by players and fans alike.

The St. Louis team had hit safely in 99 consecutive games including Monday's game. If he had played yesterday and had equipped the modern major league record of hitting safely in forty consecutive games.

FALL SESSION OF THE QUEBEC HOUSE

Maintenance of Highways to be Wholly in Hands of the Government, is Premier's Announcement.

Quebec, Sept. 13.—At a cabinet meeting held today it was decided to convene the next session of the Quebec Legislature on October 11.

After the meeting, Hon. L. A. Taschereau declared: "The care of the highways built by the government is the most serious problem and the most urgent it has to study."

Message from Mussulman Members of India Government

Some Demands for Territory for the Victorious Turks—Field Marshal Plumer Expected at Mudania Tomorrow—Turkish Troops Having Well.

(Canadian Press)

Simla, British India, Sept. 13.—A meeting of the Mussulman members of the Council of State and the legislative assembly has sent a message to Premier Lloyd George declaring that it is vitally necessary that Great Britain observe strict neutrality as between the Turks and Greeks in the present conflict and earnestly appealing to the government "to avail of this opportunity to restore Anglo-Turkish friendship, thereby affecting a reunion between the British and the Moslem world."

A message was also sent to the viceroy, asserting on behalf of seventy millions of His Majesty's Indian Moslem subjects "that it is essential to peace in the Near East, the Middle East, and an honorable peace be concluded whereby the Turkish empire retains Asia Minor and Thrace, with guarantees for the minorities and whereby international control of Constantinople and the Straits should be removed with guarantees of freedom for the latter and whereby the religious position of the Sultan as Caliph of Islam should be recognized."

Constantinople, Sept. 13.—The U. S. destroyer Edsall has left for Smyrna with a deck load of supplies, including flour and condensed milk, furnished by the Near East relief, for the starving refugees stranded there.

DEMAND PASTOR OF GLACE BAY CHURCH RESIGN

A. F. OF L. TAKES UP QUESTION OF WORK IN POLITICS

Sydney, N. S., Sept. 13.—The resignation of Rev. D. M. Gillies, pastor of St. Paul's (Presbyterian) church, Glace Bay, has been demanded by the Sydney presbytery following a review of the circumstances which it is alleged divided the congregation into two factions, the success of the resolution today, the source of worry turned since that time.

London, Sept. 13.—The Central News, in a dispatch from Athens, says it is reliably informed that the Jugo-Slav and Roumanian governments have evidenced without equivocation their intention of aiding Greece in the event of a Balkan conflict. Serbian troops, it adds, are being mobilized and moved in the direction of Uskub (Skoplje).

STRIKE FRIDAY ON MONTREAL NEWSPAPERS

(Canadian Press)

Montreal, Sept. 13.—Notification has been given by the International Typographical Union that a strike will go into effect on all the Montreal dailies on next Friday, September 15.

The contract which the union had with the Montreal papers will expire on that date, and it is understood that the union has made a demand for an increase of wages amounting to \$6 a week, and a reduction in the number of working hours from forty-eight to forty-four hours.

These requests the papers have been unwilling to grant owing to sharp reduction in earnings power.

FIRE LOSS NEARLY THREE MILLIONS

Great Hominy Plant in Indiana Practically Destroyed Today.

Terre Haut, Ind., Sept. 13.—Damage estimated at nearly \$3,000,000 is believed to have been caused by fire which early today practically destroyed the plant of the American Hominy Co. here, said to be one of the largest of its kind in the world.

Eleven men, employees of the concern, were injured by falling walls, none seriously, however.

INTIMIDATION THAT C. R. GRAY IS NOT THE MAN

Rumor That He is Chosen as Head of Directors of C. N. Lines.

Kitchener, Ont., Sept. 13.—(Canadian Press)—Right Hon. W. L. Mackenzie King would not discuss today the rumored appointment of Carl R. Gray, president of the Union Pacific Railway, to the chairmanship of the board of directors of the Canadian National Lines.

The prime minister would neither deny nor affirm the rumor, but intimated that the statement was not correct.

LARGE SUM IN LIQUOR CASE

Question of Tax on Goods in Warehouse Here

Appeal Court at Fredericton Hears Argument on Matter of Provincial Impost of 49,000 Gallons Said to be for Export to St. Pierre.

(Canadian Press)

Fredericton, N. B., Sept. 13.—Argument was continued in the court of appeal this morning in the case of The King vs. Hor J. E. Hetherington, provincial secretary; treasurer, ex-parte Security Export Co. Ltd., doing business at St. John.

This case was commenced yesterday afternoon. Dr. F. R. Taylor, K. C., of St. John, with whom is associated A. Geoffrey, K. C., of Montreal, stated the case for the appellant company, while Hon. J. P. Byrne, attorney-general in support of the government in support of the Liquor Export Tax Act, the validity of which is disputed.

Dr. Taylor said that the case concerned 49,000 gallons of liquor held by the appellant company in bond at St. John for which some negotiations had been entered into for export to St. Pierre. The liquor had been imported, on instructions from the provincial secretary, for export taxes at the rate of \$125 a gallon under the provisions of the recent legislation regarding liquor exports, the levy amounting to approximately \$62,500. A distress warrant for this amount, which included costs, had been issued to the high sheriff of St. John.

Three points were raised by the appellants. First, that the provincial secretary treasurer had no jurisdiction to issue the writ; second that the legislation was ultra vires of the province in that it was imposing indirect taxation and in opposition to the British North America Act; third that the warrant was not formal but merely a letter of direction. In order to avoid unnecessary argument, Dr. Taylor said, that the appellants would confine their case to the second point.

Edmonton, Alta., Sept. 13.—The Alberta government will stand ready to cooperate with the dominion authorities and any other agency actively taking up the question of immigration, according to Premier Greenfield. He is in favor of the boy immigration scheme which he believes will give the best results.

EAST END LEAGUE ELECTS OFFICERS

Gratifying Reports Presented by President, Secretary and Treasurer—Balance on the Right Side—Plans for the Winter.

At the annual meeting of the East End Improvement League, held Monday evening, September 11, the reports of officers and trustees were laid before the members and were enthusiastically received.

The president in his report said that the year placed supervisors over the children and it was admitted by all concerned that this was a most commendable action as before this season all the children used our playgrounds for play, this year work and play were combined with much benefit to the little ones.

The secretary's report on the year showed that while amateur sports seemed to have received a set back, the league had the satisfaction of knowing that the grounds were in use nearly every evening during the season and, while not patronized by large crowds they had every reason to feel proud of the fact that the boys, and girls, and men, were enjoying while sitting in a stand but by actual participation.

After the reports had been received plans for the coming season were talked over. It was decided to commence at once to try and increase the funds to make a free skating rink for the winter.

The election of officers for the ensuing year resulted as follows:—President, D. A. Ramsay; first vice president, Joseph Ferris; second vice president, Mrs. John Conboy; secretary, Fred L. Barrett; assistant secretary, Harry Scott; treasurer, Robt. J. Nelson; trustees, John Conboy, Herbert J. Moore and Frederick Pike.

BIG DAY AT ST. STEPHEN

Many Visitors in Border Town for the Exhibition—Horse Races and Baseball. (Special to Times.)

St. Stephen, N. B., Sept. 12.—The sun broke through the clouds which have been hovering around for the last few days and a steady stream of people has been pouring into the exhibition grounds. A large number from the islands are in town. The harbor is full of motor boats which have been conveying the crowds from there. Factories and schools are closed this afternoon and by night 10,000 people or more will pass through the gates.

One of the main features in the main building is the St. John ambulance association giving first aid. On Monday evening and yesterday afternoon were brought to their booth, none of a serious nature. The young ladies in charge of this booth are very genial and much favorable comment is heard from everyone for the new feature.

FALL ARRIVES AND THE M. R. A. STORES ARE READY

The advent of the autumn season was fittingly heralded today at the formal Exposition of Fall Modes held in the Costume Department of the M. R. A. Ltd. store. Many bright, new and fascinating fall styles were brought to light and viewed by St. John women for the first time.

For this special occasion the fashion department of the store was appropriately decorated with autumn branches and fall flowers. The usual stands and fittings of the department were temporarily removed and a large space in the middle of the room reserved for the display of frocks, coats and costumes of latest mode. Between the hours of 10 and 12 a. m. and 3 to 5 p. m. a musical programme of high order was rendered by local musicians, and was greatly enjoyed by the many visitors present. The longer skirt was undoubtedly the chief style point characteristic of the new season however in both frocks and costumes a strong tendency to embroidery as trimmings and straight line effects of foreign influence prevailed. Great quantities of beads were also used on many genuine French Dinner Gowns of elaborate mode and flowing panels, low waist lines and clever sleeve variations found favor with discriminating dressers.

Not to be overlooked either were the graceful overdraperies of fancy net and lace that prove so entirely becoming. Matelasse, cloy and crepe weaves of many kinds were featured among the new materials and a decided leaning to such shades as aluminum grey, brick dust, leather, wood browns, and blues was noticed.

Costs for the most part were designed for warmth and service; however not one of the many models shown was lacking in charm or individuality. The big English looking plaid coat with raglan sleeves, roomy pockets and free hanging or belted backs vies in popularity with the luxurious fur collared models fashioned from soft duvetyns, velours or perlanies—of course for best wear the latter model has the preference.

In costumes plenty of variety was observed. Heavy tweeds in plain tailored styles seem favorites for street wear and utility uses; while boxy suits with elaborate embroideries and trimmings of contrasting furs are suited for use on more dressy occasions.

The influence of the far east—Russia, Egypt, Persia and France is very evident in these new fall styles. The opportunity is offered to all women interested in good dressing to view these latest modes for themselves on Thursday and Friday.

Miss Lena Pugsley, who was drowned in Ontario, as reported yesterday, was a daughter of Newton Pugsley of Parrboro, N. S.

MONTREAL TO GET COAL BY MONDAY

That is word received from Pennsylvania—Come by Water from Oswego.

Montreal, Sept. 13—Montreal and New York will be the first cities to receive consignment of anthracite coal from the Pennsylvania mines and the first cargoes will reach here on Monday. This information was contained in private advices yesterday. The coal will be borne by water from Oswego, N. Y. Car shipments will arrive later. General optimism prevails here as regards the winter supply being received. Montreal takes twenty-five per cent. of the Pennsylvania coal which is imported into Canada.

THE PENDULUM SWINGING BACK

The Philadelphia Public Ledger, one of the most influential Republican newspapers in the United States, is urging the Washington authorities to agree to a general settlement of inter-allied indebtedness.

There are signs of a new orientation at Washington. When President Wilson went down to defeat the American people were war-weary and very much disgusted with the squabbling at the peace conference.

Associate Justice Clark of the United States Supreme Court, who is sixty-five years of age, has just resigned so that he may be free to advocate publicly the League of Nations.

It is doubtful if President Harding and his colleagues will ever agree to the United States entering the League of Nations as it exists at present.

No better illustration of the new status of Ireland could be found than in the presence in Geneva of representatives of the Irish government, who are preparing to place before the Assembly of the League of Nations an application for the admission of their country to the League.

Some remedy for the evil of the dumping of products from countries where a low exchange rate prevails, is provided in the new administration tariff bill presented yesterday before the United States House.

FIFTEEN MINUTES OF RADIO EACH DAY

By Edward N. Davis Formerly Technical Electrical Expert For U. S. Government

TO IMPROVE CRYSTAL RECEPTION

The ordinary crystal detector in conjunction with a two or three slide or even single slide tuning coil is capable of giving excellent results if properly built and intelligently operated.

The writer recently saw a slider made from a block of wood and a brass wheel from a clock, the wheel having teeth protruding from the rim at intervals which allowed the slider to make contact with every fifth or sixth turn.

A convenient way to brighten the bare wire over which the slider moves is to wrap a piece of fine emery cloth around a block of wood the width of and length of the wire several times.

A test buzzer is a practically indispensable device for satisfactory operation of a crystal detector set. Much time and patience is saved in providing a sure method of determining when the crystal detector is in a sensitive condition.

Crystals which have been handled with the fingers and have lost much of their sensitiveness may be restored to their former condition by chipping off a small piece of the crystal so as to expose a bright surface.

It should be remembered that all the energy which actuates the telephone receiver is received from the transmitting station when a crystal detector is used as no local batteries are used.

Several liquor cases were taken up before the magistrate yesterday afternoon in the police court.

The case of Samuel Lean, charged with having intoxicating liquor in his beer shop, was set over until next week, and the accused allowed to go on a minimum deposit after Inspector O'Brien had given evidence.

Joseph Galbraith for the prosecution. Joseph Galbraith was fined \$200 when he pleaded guilty yesterday to a charge of violating liquor laws by selling liquor to a minor.

Gordon Paris, charged with being one of the inmates of a disorderly house, was allowed to go on a suspended sentence of six months.

Henry O'Brien, charged with selling liquor unlawfully, pleaded not guilty. E. Henneberry appeared for O'Brien and W. M. Ryan for the prosecution.

Howland Creighton gave evidence, and a fine of \$200 was imposed on Gorman. O'Brien said that the accused came into his shop under the influence of liquor and that a man there sold him some root beer. In the case of John T. Toole, charged with assaulting his wife, his son, Harold Toole, gave evidence.

W. M. Ryan appeared for Mr. Toole, and K. J. Macfarlane for Mr. Toole. The case was set over pending a possible settlement.

Liquor Inspectors Killen, Carson and Henderson raided several houses in York Point last night. In one they found two bottles, said to contain rum. The proprietor will be summoned to answer a charge of violating the liquor act.

THE EVENING TIMES AND STAR, ST. JOHN, N. B., WEDNESDAY, SEPTEMBER 13, 1922

RECENT WEDDINGS

Webster-Lawson.
A wedding of interest to a great many St. John friends took place in the Gate of Haven church, South Boston, Sunday, September 10, at four p. m., when the Rev. Father Lambert united in marriage, with a double-ring service, Miss Saide Eileen, daughter of Mr. and Mrs. William E. Lawson of St. John, and Louis Francis Webster of Arlington, Mass. The bride, who was given away by her father, looked charming in a gown of grey French cotton, with hat to match, and white fox fur, a gift of the groom, and carried a bouquet of roses and lilies of the valley. Miss Pauline Webster, the groom's sister, was bridesmaid. She was daintily attired in brown pame velvet, with hat to match, and carried a bouquet of Ophelia roses. The groom was supported by the bride's brother, Pearl A. Lawson.
After the ceremony a dainty luncheon was served at the home of the bride's aunt, Mrs. B. L. Cavanaugh. The bride and groom left on an automobile trip through the western states. On their return they will reside in Framingham. The bride wore a traveling costume of tailored navy point twill with grey hat and fur. The bride was the recipient of many beautiful and costly gifts of cut glass and silver. Among them was an electric floor lamp from the Standard Oil Company of New York, with which firm the bride was employed as bookkeeper.

Wetmore-Jones.
The marriage of Miss Alma Vivian Jones of Halifax's Point and Clarence R. D. Wetmore, son of Mr. and Mrs. A. H. Wetmore of this city took place yesterday afternoon in the First Baptist church at Springfield. The ceremony was performed by Rev. R. W. Hopkins. Harry Dunlop of St. John, played the wedding march. Miss Edith J. Burns of Moncton was bridesmaid and J. Matthews of this city was groomsmen. Out of town guests included Mr. and Mrs. Wetmore, S. K. Wetmore and Miss Alward of this city. They will make their home in St. John.

Fudge-Blakeney.
James Garfield Fudge and Miss Gladys Blakeney were married on Friday in Halifax by Rev. L. J. Donaldson. They will make their home in this city.

RECENT DEATHS

Richard P. Howland.
On Friday, at Washington (D. C.), the death occurred of Richard Howland, aged about forty-two years. He was a native of St. Andrews, and for several years had been residing in Washington, where he held a high position with the United States government. Mr. Howland underwent an operation recently. He was one of six brothers, and his death is the first among them. Besides Roy W. Miles P. Howland, there survives Harry, Leo, Charles and William, the latter being somewhere on the Atlantic ocean on his return from England. The body was shipped to St. Andrews and the funeral took place yesterday. Father Howland left on Monday morning and all the brothers, with the exception of William, were present.

Mrs. Albert E. Cameron.
Many friends will regret to learn of the death of Mrs. Albert E. Cameron, which occurred at the General Public Hospital on Tuesday afternoon. Besides her husband she leaves two sons, Roy W. of this city and Charles F., of New York; two daughters, Mrs. Frank Matthews of this city, and Miss Gladys A. Cameron of Los Angeles (Cal.), her mother, Mrs. J. R. Andrews of Dartmouth (N.S.) and also by two sisters, Mrs. George Stack and Mrs. R. Parker Hann, both of this city. The funeral will take place on Thursday afternoon from the Mission church of St. John Baptist and there will be a requiem celebration of the Holy Eucharist in the church in the morning.

GIRL AND FATHER IN FIGHT TO DEATH

Grim Tale of Family Combat in Virginia
Attacked by Brother and Brother-in-Law, L. Bridges Wins Knife Battle — The Girl Covered with Wounds.
(Canadian Press)

Rocky Mount, Va., Sept. 13.—Helen Bridges, sixteen, covered with knife wounds, yesterday told how she and her father, Lewis Bridges, fought with knives and guns with his brother, Lacy, and brother-in-law, Posey Shively, and killed them both.
The fight took place on Saturday Bridges and his daughter sought shelter in the home of a farmer, where their wounds were dressed. They made their way to Rocky Mount, where they told their story. The girl said the bodies would be found beside the road, about fifteen miles from there. The sheriff and two deputies found them there.
Bridges said the two men attacked him while he and his daughter were traveling along the road. He said they attempted to stab him to death. When his daughter came to his assistance they attacked her, too. There was a wound four inches long across Helen Bridges' breast. Other wounds were on her right side and right arm. There is also a deep gash about three inches long on her neck.
"Lacy Bridges hit my father on the head with a rock," the girl said, "then they pulled knives out of their pockets and began cutting him. I went to his assistance and they cut me. They fought all over the road and in the bushes. I did all I could to help my father."
"When my father got them down they did not get up. We lay on the ground several hours, exhausted and bleeding. Then we went to a farmer's house and had our wounds dressed."
Bridges and his daughter have not been arrested. The police say Bridges has been at odds with his relatives because he refused to visit them and forbade his daughter to do so.

LEON BONNAT, GREAT FRENCH ARTIST, DEAD

Was Director of the French School of Arts for Twenty-Two Years.
Leon Bonnat, director of the French School of Fine Arts, died in Paris last week. M. Bonnat was in the ninetieth year of his age. He was president of the French Society of Artists, had received the Grand Cross of the Legion of Honor for his distinguished work in painting, and was a member of the council of the Legion of Honor.

Leon Joseph Florentin Bonnat was one of the most eminent painters of his time in France and excelled in his portraits, although his historical and religious works and his delightful genre subjects brought him much fame. His work is in many collections in this country, particularly in the Metropolitan Museum of Art, where he is represented by his portrait of John Taylor Johnson and genre subjects.
Born in Bayonne, M. Bonnat studied under Madrao in Madrid and at the age of twenty-one went to Paris to study

EPISCOPAL BISHOPS AGAINST "OBEY" IN MARRIAGE SERVICE

Portland, Ore., Sept. 12.—The House of Bishops of the Protestant Episcopal church, late today, voted in favor of taking the word "obey" from the marriage ceremony of that church. The bishops voted to refer the proposal to eliminate the phrase "with my worldly goods I thee endow," from the ceremony back to the commission which had submitted it.
Miss Julia Martell, head waitress of the Victoria Hotel, who is about to leave on a three months' leave of absence, was made the recipient, last evening, of a beautiful alligator hand bag. The presentation was made by the dining room girls as a token of their esteem and friendship. The sum of \$25 in gold, a gift of the travelers who made the Victoria their headquarters while in the city, was also presented to Miss Martell.

Under Leon Cogniet. Winning the second Prix de Rome, he went to Italy, where he remained four years. His first work that received attention was "Adam and Eve Finding the Body of Abel" (1860), which was bought by the gallery at Lille. Then followed other religious paintings, including "Assumption" and, in 1874, "Christ on the Cross," which was on commission for the Palais de Justice.
During the late '60's and early '70's M. Bonnat produced many historical and religious paintings and a few with genre subjects, which enhanced his reputation, but it was not until 1877 when he painted the portrait of M. Thiers which brought him fame. Other celebrated portraits were of Victor Hugo, Don Carlos, Leon Cogniet and Jules Grevy—the last two are in the Luxembourg—brought further fame. He was elected to the Institute in 1881, professor in the Ecole des Beaux Arts in 1888, and received the Grand Cross of the Legion of Honor in 1900 when he was made director of the Academy des Beaux-Arts.

CZAR'S REALM
HAS BEEN SPLIT
THIRTY-TWO WAYS

Soviet Issues Map Showing These New Republics and Communes.

Petrograd, Aug. 14.—(A. P., by mail.)—School boys who have to learn the boundaries of the countries of the world and their capitals will have a hard time when makers of geographies incorporate the new offshoots of the Russian Empire in their school books. The realm over which Czar Nicholas ruled is now split up into twenty-seven nations, which are all federated with Moscow.

A new official map issued by the Soviet government shows all these divisions of what was once European and Asiatic Russia. Finland and Poland are not included. Although they were formerly of the Russian Empire, their complete independence has been recognized. Also Estonia, Latvia, and Lithuania, the new Baltic states which have just been recognized by the United States, are conceded by the Moscow government to be wholly separate.

Consequently there are really thirty-two new nations where there was only one before Soviet rule prevailed in Russia.

The Soviet Republic comprises practically all of central and northern European Russia and has its capital in Moscow. Many of the other governments which have sprung up are remote and comprise slightly populated territory with cities of no great size. Some are republics. Others are classed as communes, but all are autonomous.

The Ukrainian Republic, with its capital at Kharkoff, embraces the best part of southern Russia and includes Odessa. This is the richest section of agricultural Russia and it contains the greatest deposits of iron and coal. It was highly industrialized under the czar's government.

Practically all of Siberia west of Irkutsk is included in the Far Eastern Republic, with its capital at Chita. Immediately south of this is the Mongolian Republic, with its head at Urga. This was really not Russian territory, but belonged to China before the war, although autonomous. China still insists that it owns Mongolia. But Russia dominated it and claimed it as its sphere of influence before the war, steadily refusing to allow American railway constructors to take concessions which would touch this territory.

The Karelin Workmen's Commune, with its capital at Petrozavodsk, lies north of Petrograd, adjoining Finland, and has recently been the scene of considerable fighting between Finns and Soviet troops. It is a sterile and worthless country, but because of its strategic position, commanding the railway to Kola, Russia's only ice-free coast on the north, is of great importance.

Minsk is the capital of the White Russian Republic, which is of importance because it adjoins Poland and the new Baltic state of Lithuania. The

Crimean Republic, with its capital at Simferopol, includes Sebastopol and several other important Black Sea ports.

The Georgian and Azerbaijan Republics are of high consequence, because they include the great Russian oil supply which other nations covet more than any other Russian possession. Their capitals are Tiflis and Baku.

Bokhara, the land of rugs, with a capital of the same name, is listed as one of the Soviet republics which Moscow has created east of the Caspian. Khiva, the land formerly ruled by the Khan of Khiva, who is now a prisoner in Moscow, is now rated as a republic, with its capital at Khiva. The Daghestan government has as its capital Temir-Khan-Shura.

Even harder for the student of geography will be the name of the capital of the Kirghese Republic, Vatalpaschinsk. Suchum Kale is the name of the capital city of the Abchazish Republic. Eriwan is the capital of the new Armenian Republic, which is now federated with Georgia and Azerbaijan.

The Chuvash, Tatars, Kalmycks, and several other Siberian tribes have their town separate republics. The Tartar Republic has its capital at Kazan, on the Volga, and is the centre of one of the most extensive famine relief organizations created by the American Relief Administration.

Marxstadt, on the Volga, is the head of a commune whose population is made up chiefly of German colonists, who have also been helped extensively by American relief organizations.

WHEELER CAUGHT
IN ALIMONY CHASE

Wife's Six-Year Pursuit Ends Suddenly and Her Screams Cause the Arrest of Both—Woman Claims \$20,000.

New York, Sept. 13.—After pursuing her husband for more than six years in an effort to serve a court order, Mrs. Albert Gallatin Wheeler, Jr., came upon him unexpectedly at Fortieth street and Madison avenue, and created such a furore that policemen took them to the East Thirty-fifth street station.

Albert Gallatin Wheeler, Jr., once owned a seat in the New York Stock Exchange, and his father, who aided in the building of the Chicago transit system, testified several years ago that he had given \$700,000 to his son. Mrs. Wheeler says that her husband owes her between \$20,000 and \$30,000 back alimony and that, after chasing her husband since April, 1916, she intends to have the money or know the reason why.

Long trained in the chase, Mrs. Wheeler, though surprised at finding her husband when she was not looking for him, was determined that he should not escape, as he had in several other skirmishes, notably in one at the portals of the Union League Club in 1916, when, it is said, club attendants literally knocked the hands of Mrs. Wheeler and a deputy sheriff from the coat-tails of Mr. Wheeler. She screamed so when she found him that policemen ran over from Fifth avenue, followed by a crowd of several hundred persons, and it was necessary to take the marital combatants to the East Thirty-fifth street station to untangle the charges and counter-charges.

Misty Court Order Served
To get her husband into a police station was just what Mrs. Wheeler wanted, but she was unable to make any charge against him there. She told of a court order for his arrest, reposing in a file in the sheriff's office, and she demanded that the police hold Wheeler until a deputy sheriff arrived. Deputy Sheriff Fitzsimmons hurried uptown with the dusty order after the police had telephoned to him, and Wheeler later was released in \$7,500 bail. No record of his detention was made at the East Thirty-fifth street police station.

As Claudia Caristett, in the early days of the old Casino Theatre, Mrs. Wheeler was known as "the girl in the red tights" in the presentation of "The Mandarin," and she appeared also in two of Frank Daniel's comic operas. She returned to the stage about three years ago and played the part of Passion in Morris Gest's production of

"Experience." In many interviews in the early years of her marital troubles, which have been in the courts now more than ten years, she asserted that her fame on the stage had made her husband rich and famous.

"Well, I am glad to hear that perseverance has won again," said J. J. Goldstein, the lawyer who was Mrs. Wheeler's counsel for many years, and who, during the Union League Club siege in 1916, when Pershing was chasing Villa in Mexico, asserted that "this Wheeler is harder to get than Villa." Mr. Goldstein has not been her lawyer in late years, but he said last night that he was sorry that he was not there when the quarry was finally caught.

Recalls Siege at Club
Supreme Court Justice Greenham, now Associate Justice of the Appellate Division, in April, 1916, signed the order for the arrest of Wheeler for failure to pay alimony under a separation action won by Mrs. Wheeler in 1912. The order called upon him to show cause why he should not be arrested for contempt of court for failing to pay the stipulated alimony.

Arrived with the order, Mrs. Wheeler herself watched there for days, her lawyers, and a deputy sheriff besieged the Union League Club, where Mr. Wheeler was believed to be staying then. They thought they saw him in the club, but when they started in, a flying ledge of attendants rolled the offending party down the steps, and they were never able to rally there for another attack.

Pickets were set at the hotel, and Mrs. Wheeler herself watched there for days, herself watched by others who wished to see what would happen. They also went to the Prince George Hotel, where Mr. Wheeler was supposed to be staying, but he was not there. Mrs. Wheeler almost caught up with him several times, but always he managed to escape.

Once it was decided by a Supreme Court Justice that the order of arrest could be vacated by the deposit of a \$5,000 bond, insuring fulfillment of the order, but the bond never was deposited, and Mrs. Wheeler kept up her pursuit.

ENGLISH CLERGY
Bishop of Croydon on Matter of Stipend—Possible Return to Communal Life.

London, Sept. 12.—"Give us this day our daily bread" is a prayer that has a literal significance as well as a spiritual one, for the average clergyman in this country. Indeed the question of daily bread, and become acute with too many of them, and their need was voiced recently by the Bishop of Croydon, although he spoke more particularly for the clergymen of his own diocese.

It was at an induction service at Ad-doncombe, Croydon, that the bishop made an appeal on behalf of the clergy. He said that times were never more difficult for the clergy than at present, and radical changes were inevitable at no distant date, unless their financial position was improved. They might soon have to unite other callings with the ministry, the bishop said, in which case the clergy would have to give a large part of their time to earning their daily bread in secular employment.

Another possibility pointed out by the Bishop of Croydon was the return to a celibate clergy and communal life. These were prospects also of having to unite benefices. Such things could be averted, His Lordship said, only by larger financial provision being forthcoming for the clergy.

At a meeting of the Seven Seas Chapter, I. O. O. E., last night at the home of Miss Jessie Hart, West St. John, Miss Mildred Wilson, who presided, presented to Miss Jean Sommerville on behalf of the chapter a gold-mounted fountain pen. There was a short business meeting.

It had not been generally known that there had been a robbery at Kohn's home, but following the finding of the bag of bottles it was rumored that thieves had broken into his house five weeks ago and had stolen \$2,000 worth of liquors from his private stock in the cellar. Deputy Sheriff H. F. Jensen at Nanuet admitted he was investigating a robbery reported by Kohn at the time specified, but the official declined to discuss the nature of the booty of the robbers.

Several days before the robbery a funeral had taken place at Kohn's home and there were a number of strangers among the visitors and attendants. It is believed that the thieves learned of the vault in the cellar at that time and laid their plans to return and get its contents. They broke into the main part of the house and jimmied doors to the cellar, and carried the bottles to a car in the rear yard.

The place was valued at about \$1,700 by Mr. Kindred, and the loss is partially covered by insurance. About half the furniture was saved through hard work. The fire broke out about 1 o'clock,

BAKER'S COCOA

is a most satisfying drink.

Delicious flavor and aroma, beautifully attractive color, purity high quality,—the distinguishing characteristics of high-grade cocoa,—"Baker's."

The heads of the naval and military medical departments in England have been so impressed with the wholesomeness and superior nutriment of cocoa, that they have judiciously directed that it shall be served out twice or three a week to regiments of the line, and daily to the seamen on board H. M. ships. Medical men unquestionably admit that cocoa is nutritious.

Thieves Leave Seven Bottles on Movie Manager's Steps With Note of Apology.

Nyack, N. Y., Sept. 13.—When Morris Kohn, a motion picture manager at 729 Seventh avenue, stepped forth from the door of his country home at Nanuet, five miles from Nyack, he found a burglar bag containing seven bottles of liquor that had been left there before dawn. Attached to the bag was a piece of wrapping paper and this scrawling message written in pencil:

"Mr. Kohn: Here's some of your booze back. Since we took it we've been sorry a whole lot. We didn't think when we bust into your place and grabbed it that you didn't have lots of ways of getting more. Down in good old New York we can buy it like water, at its price. Up here at Nanuet, we are told that it is hard to get it at any figure, and we got to thinking that maybe you might be took sick and not have any and die by being cut off sudden."

"So, as we are game enough to take a chance of being shot up to grab it,"

COLONEL MACKAY
VISITS ST. JOHN

Lieut.-Col. J. Keller MacKay, D.S.O., Canadian Field Artillery, arrived in the city yesterday from Upper Canada and left this morning for Halifax, where he now makes his home. Colonel MacKay, whose home was in Pictou, had a distinguished military career during the great war and by reason of his connection with the Twenty-third battery at Fredericton he has a wide circle of acquaintances in New Brunswick. Colonel MacKay crossed the Atlantic as a major in the Twenty-third remaining with this unit until 1916 when he was placed in command of the Sixteenth. He was seriously wounded during the succeeding years of the war, but his many friends in New Brunswick will be pleased to know that he is now enjoying quite good health. Colonel MacKay was warmly greeted by his St. John friends yesterday.

CHILD DIRTS WITH CUFF BUTTON LODGED IN THROAT

New York, Sept. 13.—As the result of swallowing a cuff button his fifteen-month old, died, after four days of suffering. Hospital surgeons, with the aid of X-ray machines, were able to locate the cuff button, but found it lodged in the windpipe in such a manner as to prevent an operation.

Mrs. Donato rushed the baby from one physician to another and from hospital in the Bronx to others in Manhattan in hope of finding some one to save her child. All refused to operate and told the mother that the button would work its way to the stomach.

**SUNSHINE GIRLS,
JOE DONOVAN AND
MUCH MERRIMENT**

Music, Girls and Fun Feature
New Show at the Queen
Square Theatre.

The Sunshine Girls opened up a good show at the Queen Square Theatre Monday night when a capacity house greeted them. Again yesterday the house was crowded at all the performances. There was good singing and dancing, while the other numbers on the programme were much above the average. Joe Donovan was assisted by Al Casey Fox and they put over several feature hits. Miss Ethel Fox and Miss Tiny Davis proved to be as popular as when seen here before. The standard of the chorus was higher than is usual in these days and their work was full of pep from start to finish. The whole performance was of the finished variety and came over the footlights full of life and gaiety.

Jack Ryan was there, too, with several singing numbers. The expressed opinion of those who attended the show was that it was worthy of capacity business for its entire run. There is to be a change of programme twice a week.

INSISTS HE SAW GIRL SLAIN.

Naval Recruit Tells of Kidnapping and Killing of a Child.

Norfolk, Va., Sept. 12—George Bennett, sixteen-year-old naval recruit, has refused to change his story that he was a witness to the murder of eight-year-old Crane Stone near Baltimore last February, according to statements by officers of the Naval Training Station here.

"I feel more at peace now than at any time since the little girl was killed," he is said to have told the training authorities after he had signed a statement that the child was kidnapped by a Baltimore man, identified only as "Reg," and killed when ransom was not forthcoming.

Bennett has been cross-examined several times since his story was told, but the authorities said efforts to shake it had failed. Baltimore detectives are expected here today to take Bennett to Baltimore.

Corns Go

Just say **Blue-jay** to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a colorless clear liquid (one drop does it) and in extra thin plaster. The action is the same.

**OVERPOWER POLICE
AND TAKE THEIR CAR**

Three Men Arrested in Auto
Attack Captors and Escape,
Firing at Officers.

Plainfield, N. J., Sept. 12—Three men, travelling in a seven-passenger touring car believed by the police to have been stolen, engaged in a hand-to-hand fight with Police Lieut. Maurice Higgins and Sergeant Dennis O'Keefe. After overpowering the officers and taking their guns, the men escaped in a police car, firing several shots at the officers as they fled.

Within two hours two men, alleged to be members of the trio, were captured near Metuchen by Police Chief Cornelius McCarty of South Plainfield, after an exchange of shots, and Police Chief William Hutchinson of Metuchen caught a third man in a swamp back of Metuchen, where he was attempting to hide. The three were brought to police headquarters here and held on a charge of atrocious assault and battery with intent to kill. The police car was found abandoned at Metuchen, with one tire missing.

The New York police were asked to ascertain the name of the owner of the car, and whether the prisoners had records.

Lieutenant Higgins was on another case when he met the three men in the touring car, which had just plunged into an excavation in West Front street. The officer asked the driver to show his license. This he could not do and Higgins placed the men under arrest, sending a call to headquarters for help. O'Keefe arrived and the prisoners were ordered into the police auto.

Higgins had driven a short distance when he was dazed by a blow on the back of the head, and dragged out of the car. Then began the fight which ended in the flight of the prisoners.

When the pursuers found Allen and Conway crawling through underbrush near Metuchen, Allen fired several shots at Chief McCarty but all went wild. The officer returned the fire and a load of buckshot entered Allen's leg. He and Conway were then hustled into an automobile and brought to Plainfield. A half hour later word was received that Chief Hutchinson had captured Brown in a swamp near Metuchen after an exchange of shots.

KILLED BY BLOW OF FIST.

Chicagoan Knocked Down by a Police-
man Dies at Cell Door.

Chicago, Sept. 12—Fred Silas, 28, was killed by a blow from the fist of Police Sergeant Thomas Burns when he attempted to attack the Sergeant with a knife after the latter interfered in a fight in which Silas was engaged. After the knife was taken from Silas, he reached for his hip pocket as though for a revolver. Burns knocked him down, then took him to the police station.

As they were preparing to lock him up, Silas fell to the floor. He was taken to the County Hospital, but was dead upon arrival.

**MINISTER TO HANG
IOWA MURDERER**

Ex-Chaplain W. E. Robb,
Now Sheriff, Says His Duty
is Clear.

Des Moines, Sept. 12—Intervention of executive clemency apparently is all that will forestall Winifred E. Robb, minister and former chaplain of the 168th Infantry, Rainbow Division, from carrying out the execution by hanging of Eugene Weeks, condemned murderer of George Fostick, Des Moines grocer, at 12 o'clock noon, Friday, September 15. So far as known, Robb will be the first minister to act in such a role.

"My duty is clear," Sheriff Robb said. "The law specifically provides the sheriff of the county in which a prisoner is convicted of first degree murder shall attend to the details of the hanging or Sheriff Robb states that while he favors capital punishment he does not believe in hanging.

To justify his actions, the former chaplain cites the date of the following: "Whoever sheddeth blood by man shall his blood be shed." He says the Bible is full of examples of capital punishment.

Sheriff Robb until recently was pastor of the Urbandale Federated Church here. When it appeared that the date of Weeks' execution would come during his term of office as sheriff Robb resigned his pastorate. He explained that he did not want his acts as sheriff to cause embarrassment to members of his church.

Robb's career as sheriff of Polk county, the most thickly populated in Iowa, has been a spectacular one. On October 27, unless there is executive intervention, he or one of his deputies will be obliged to hang the slaying of Fordick.

As chaplain, Robb was decorated with the distinguished service cross during the world war for extraordinary heroism displayed in attending to the needs of the men in his regiment during the drive against the enemy at Chateau-Thierry. His citation shows that "during all of the time and particularly during the operation near Serzy, he showed the greatest coolness under severe artillery fire in attending to the needs of the men of his regiment." Robb recently was selected as the Democratic candidate for Congress from the Seventh Ohio District.

SLEEPING SICKNESS DEATH.

London Manager of Haskins & Sells
Stricken in Midcoast.

Sleeping sickness, with which he was stricken while on his way to the U. S. aboard the steamship Coronis last week, caused the death of Ralph T. Hollis, forty-eight years old, of London, England, at Roosevelt Hospital, New York.

Mr. Hollis was resident manager in London of Haskins & Sells, certified public accountants. Formerly he was senior member of the firm of Hollis, Tilton & Porter, accountants, at Detroit, Mich. He is survived by his wife and three children in London. The body will be taken to London for burial.

**PLANS A TUBE ONE
MILE LONG TO TEST THE
EINSTEIN THEORY**

Chicago, Sept. 12—Announcement is made here that Professor Albert A. Michelson, University of Chicago physicist, is hopeful of being able to test at Mount Wilson, California, the validity of the Einstein theory relatively by means of a steel tube, one mile long and one foot in diameter. Professor Michelson says that experiments carried on this summer were almost successful.

"Atmospheric interference was all that prevented the complete success of our work," he said. "Temperature variations militated against us."

"It proved to us that our principle was right and now we plan to eliminate atmospheric interference by constructing a steel tube one foot in diameter around the entire one-mile course. By making this a vacuum all such interference is eliminated."

**Make
your Tires
Prove their mileage**

Your tires represent a considerable investment. Even on the 30 x 3 1/2 size, four tires run from \$48 to \$74; while on 35 x 5's, you are riding on \$200 worth of tires.

What are tires costing you? What is your mileage per dollar? Do you know?

You probably keep a repair book—a gasoline book—and can tell to the cent just what these items amount to, per mile.

Why not do the same with tires?

Check them up on performance and find out what each tire gives you in service for your money.

Experienced motorists who have done this for years say

Bishop Gaylor Reports on
Stipends of Clergy and
Other Matters to Episcopal
Convention.

Review of the work of the last three years of the work of the Protestant Episcopal church in the United States and plans for the coming triennium occupied a joint session of the House of Bishops and the House of Deputies at the forty-seventh triennial convention of the church in Portland, Oregon, on last Friday.

Bishop Thomas F. Gaylor, who has been president of the House of Bishops and the Council, submitted a detailed report on the work of the council which was created at last triennial convention at Detroit. He reviewed the work of the departments of missions, church extension, religion, education, christian social service, finance, publicity, the nationwide campaign, and the women's auxiliaries.

The church pension fund, he said, reported that salaries of clergy during the year 1920, were increased \$1,418,000 and during 1921 by \$977,000, a total of \$2,415,000. He said that during the two and a half years of work of presiding bishops and council the deficit inherited from the old Board of Missions had been reduced from \$920,246 to \$567,291. The receipts for general projects applying on the quota for 1920 showed an increase of 117 per cent, over the year 1919, and in 1921 the receipts on the quota showed only a slight decrease from the preceding year.

The council financed in large part ten co-operating organizations. The council, he said, also underwrote the entire budget of the Continental Domestic Missionary Bishops, causing expenditure in 1920 of \$698,683, and in 1921 of \$768,198, as against \$290,095 in 1919.

It was estimated that for 1920, in addition to the increase above, the dioceses for themselves increased appropriations for diocesan mission work to the amount of more than \$2,150,000, and the parishes for parochial work to more than \$3,500,000.

The Department of Missions reported having sent to the domestic and foreign fields during 1920, eighty missionaries; in 1921, seventy-two missionaries, and in 1922, fifty-one missionaries.

**GOLD SEEKER SUICIDE MADE
OWN COFFIN AND DUG GRAVE**

Yreka, Cal., Sept. 12—George Baines, an old miner, was found dead in his shack near Sawyer's Bar with one wrist slashed, lying alongside a home-made coffin lined with flour sacks. Near by were a will, burial garments and an empty poison bottle. A grave, evidently dug with his own pick and shovel, was outside the shack. Miners said he had long and unsuccessfully searched for gold.

Hearing in the case of G. W. McCreedy vs. The Maritime Pulp and Paper Co. was continued yesterday afternoon before Mr. Justice Crockett. The taking of evidence was concluded and the matter set over until September 20.

The county secretary's office has now completed compilation of a list of properties in the county that will be listed for auction sale owing to taxes on same being in arrears. These properties total 187 and are divided among the four parishes as follows: Simonds, 162; Lancaster, 17; Musquash, 4; St. Martins, 4. This list will be advertised and a public auction sale will be held soon.

T. W. Caldwell, M.P. of Carleton county held a conference with J. C. Chesley, local agent of the Marine and Fisheries department, yesterday, with a view to obtaining a warehouse for handling of potatoes being shipped to Cuba and the West Indies. In company with the government engineer they visited government sheds in West St. John. It is expected that satisfactory arrangements will be made.

George A. Margetts, who has been appointed manager of the Famous Players-Lasky offices in Winnipeg, takes with him the best wishes of a host of friends. He was very popular in this city and took a great interest in promoting sport. His departure was marked by a presentation from his office staff, he being made the recipient of a wardrobe trunk, and there were several other presentations. Mrs. Margetts and daughter will remain here until Mr. Margetts is able to get living quarters in Winnipeg. P. J. Hogan of Toronto, a native of Newfoundland, will succeed Mr. Margetts here.

14,000 NEGRO ACTORS IN U. S.

Colored Race Produces Own Movie Films—Colored Actor as Othello.

The success of an entirely negro troupe of actors in "Shuffle Along" at a New York theatre, and the vogue which Charles Gilpin, a colored man, has had in the protagonist part of the "Emperor Jones," leads many people to imagine that negro talent on the stage is something unprecedented.

which never get further north than the Ohio River. Somewhat over half of these appear in tents, the other half in theatres. It was lately computed by James A. Jackson, who conducts the department in the "Billboard" journal devoted to the negro, that there are 368 theatres in the United States devoted entirely to the colored race.

Many Negro Theatres. The Pekin Theatre, Chicago, which ran from 1902 to 1921, was one of the first theatres of any consequence which gave negro performances. But a collector of theatrical souvenirs can show a bill of tragedy with a negro cast and elaborate setting played in a house in Mercer street, New York, in the early fifties.

The Colored Garrick. Ira Aldrich was the David Garrick of the negro race. Born in Bel Air, Maryland, in 1824, he made his debut in London as Othello in 1833. He visited Germany in 1832 and died at Dods, Poland, in 1867.

Early Show in New York. Negro concert troupes were in successful existence before the Civil War. One troupe played at Springfield, Mass., in 1838, advertising themselves as "Extraordinary seven slaves, just from Alabama who are now earning their freedom by giving concerts under the guidance of their northern friends and guarantors."

Detective Unaware of Luck Until He Reached Court With Bookmaker—Comended by Judge.

New York, Sept. 13.—When Hugh Whittell was arraigned before Magistrate Edgar V. Frothingham in the Night Court last night on charges of gambling on horse races, Detective Frank L. Rowell of Inspector Bolan's staff told the court that he had not alone succeeded in placing bets on races with the prisoner, but that the horses had won. He added, however, that he did not collect his winnings, for it was not until he was on his way to court several hours after he had arrested Whittell that he learned that his "bets went over."

Famous Pitcher Dead.
Dr. Harold C. Ernst, prominent bacteriologist, died last week in Plymouth, Mass. During his college days at Harvard in the seventies he was one of the greatest pitchers who ever wore a crimson uniform. He had the distinction of winning ten games from Yale from 1876 to 1879, inclusive.

While Dr. Ernst was on the team the late Fred W. Thayer, then Harvard captain, invented the baseball mask for Jim Tying, Dr. Ernst's catcher.

Giants Purchase Pitcher.
George W. Walberg, a left-handed pitcher of the Portland team of the Pacific Coast League, has been purchased by the New York National League Club. It is said that the transaction involves a goodly sum to be paid to Portland, and also the release of one or more Giants at the end of the present season to that club. Walberg will not report until next spring.

Big League Contests.
(New York Times)

With only three weeks left of the present baseball season, the outcome of the two major league pennant races is still far from certain. Both the Giants and Yankees improved their positions yesterday, while their chief western rivals were idle on account of rain, but they will have to travel at a fast pace to win the pennants in their respective leagues. At the present time the world's champions are in a much better position than the American league leaders. The Yankees still have sixteen games to play and all of them are scheduled for hostile fields, while the Giants will stage all of their remaining contests at the Polo Grounds. After meeting the Athletics in a single game in Philadelphia today the Yankees will leave on their final tour of the west.

From present indications the Yankees' games in the west, which will be played during the next two weeks, will settle the outcome of the American league race.

Although the Yankees are now enjoying a lead of a game and a half due to their two victories over the Athletics yesterday, they will have to fight hard to maintain their hold on first place against the assaults of the Browns. Except for the fact that the Yankees are starting their trip in the lead, the Browns are in a better strategic position than the New York Club. While the Yankees are playing the White Sox, Tigers and Indians on foreign fields, the Browns will be meeting the weak eastern clubs. It is not at all unlikely that the series between the two contenders for the pennant starting in St. Louis on Saturday will definitely decide the winner of the American League championship.

While the Yankees are touring the other half of the circuit the Giants will be playing the strong western clubs of the National League at the Polo Grounds. At the present time the world's champions have a lead of four and a half games over their nearest rivals, the Pittsburgh Pirates, but they are certain to encounter some strong opposition during the next fortnight when they meet the Cubs, Reds, Pirates and Cardinals in succession. Although the lead which the Giant now enjoy is a sensational one, their position is none too secure because of the present woeful weakness of their staff of pitchers. Only the fact that the strong western teams were playing among themselves and thus preventing each other from advancing the contest, a distance toward first place, enabled the slumping Giants to retain their hold on first place during the past few weeks. The coming four series with the western clubs will undoubtedly decide whether the Giants are to repeat their pennant winning performance of last season.

Browns Begin Plans.
St. Louis, Sept. 13.—(Associated Press)—The time to accept reservation for the world's series is about ripe. Thus Bob Quinn, business manager of the Browns, expressed his conviction that the local American League team would win this year's pennant. Plans for the erection of temporary stands, he admitted, were already under way, but he would not say when construction would be started. He said he already had been swamped with requests for tickets for the championship games, but added that none had been issued or promised yet. Local sport writers agree that the final series between the Browns and Yankees will be the deciding factor in this year's fight for the pennant. Three games will be played, Sept. 16, 17 and 18. The season's record between these two teams favors the Yankees, but Manager Fohl is hopeful of taking at least two of its important series.

Sisler Discusses Pitching.
In discussing major league pitching recently George Sisler, star first baseman of the St. Louis Browns, declared that a good hitter in college baseball can hit major league pitching without any great difficulty.

"Of course there is more headwork among the pitchers of the major leagues and they play to your weaknesses more than it is possible to do in college baseball," said Sisler, "but if a college player has a naturally quick eye and the confidence to stand up to the difficult to hit successfully in the big leagues."

"In college baseball the opposing pitchers and coaches do not study a batter's weakness as they do in the big leagues, and the fact that you face a team only once or twice in the course of a season makes this unnecessary. But after a player is in the big leagues for several months or so, the opposing teams have his failings pretty well charted and naturally the opposing pitchers play to those weaknesses."

"The thing that impressed me soon after I had broken into the line-up of the Browns was the similarity between pitching in the big leagues and that to which I had been accustomed at the University of Michigan. The mystifying delivery and the amazing curves that I had anticipated never materialized. The trouble with many college players who are given trials by major league teams is that they often lack the necessary confidence."

RING.
Dempsey May Sail Again.

New York, Sept. 13.—Jack Dempsey, world's heavyweight champion, and his manager, Jack Kearns, will sail for Europe on or about November 6, according to plans disclosed by Kearns. Kearns said the heavyweight champion will make another trip to Europe for the purpose of engaging Joe Beckett, winner of the European title, for England's heavyweight champion. This will serve in the nature of a preliminary fight before a return match against Georges Carpentier, for which the champion practically was signed on his visit to Europe last spring. Both matches will be held in England. Kearns added, however, that if the proposed bout between Dempsey and Harry Willis negro challenger, is arranged before the outdoor season ends, Dempsey's European plan will be revised. If permission is granted for a Dempsey-Brennan bout, and a clash between the champion and Billy Miske, likewise there will be a revision of the titleholder's plan to go abroad.

Bout Cancelled.
Johnny Kilbane, featherweight champion, announced yesterday that negotiations for his twelve-round bout with Johnny Dundee, junior lightweight title holder, are off. The latter was warned not to meet Kilbane, for if he did his New York boxing commission license would be cancelled.

British Boat First.

Sir John Ward's six-metre yacht, crossed the line first at Oyster Bay yesterday for the British-American cup, but despite this the Americans won more points. The United States are leading 64 to 44 in the series.

TURF.
Today's Woodstock Races.

Woodstock, N. B., Sept. 13.—Roy Grattan, 201 1-4, Caribou Driving Club's battler and winner of two of the three mains in which the Aroostook county brigade of fast record pacers have engaged so far, was the overnight favorite for today's \$2,000 free-for-all, the racing feature of Woodstock's exhibition. In the larger pools Roy Grattan has sold for \$100, while John R. Braden brought \$60, and Jackson Grattan from \$50 to \$70.

There was considerable rain during the night but Jimmie Gallagher expressed the opinion early this morning that all the rain that had then fallen would help rather than hurt conditions at the track. "The ground has been very dry and will absorb all the rain that has fallen," he said. "With no more rain we shall have fast time this afternoon if we don't get too brisk a wind." Early predictions were that there would be more than 20,000 paid admissions at Island Park this afternoon. The other races in addition to the free-for-all were the 2:16 and 2:21 mixed events.

Races at St. Stephen.

Good racing was enjoyed at the St. Stephen exhibition yesterday. The 2:30 mixed class for a purse of \$400 was won by T. J. Devlin in straight heats, best time 2:20 1/2. The 2:16 trot went to Peter Verde in straight heats, best time 2:17. The 2:14 mixed for a purse of \$400 five heats were run; Roqua F. and Little Peter each winning two and High Knob Beauty one. The judges awarded the race to Roqua F. The best time was 2:13 1/2 made by Little Peter in the second heat.

Grand Circuit Races Off.

Owing to heavy rains and a muddy track the racing at the grand circuit meet in Syracuse was declared off yesterday. The events will be combined with today's. Peter Manning will endeavor to lower the track record tomorrow.

Races at Woodstock.

The horse races held in connection with the Woodstock exhibition yesterday afternoon were keenly contested and enjoyed by a large number of people. The results follow: 2:30 trot, purse \$500, won by Bonnie Girl, three out of four heats, best time 2:18 1/4. The 2:30 pace for a purse of \$500 was won by Crescendo in straight heats, best time 2:16 1/4.

ATHLETIC.
Two New Records.

Stockholm, Sept. 13.—Two new world records were established by Paavo Nurmi, Finnish runner, in the stadium here yesterday. In the 5,000-metre event he clipped one second from the time of 14 minutes, 58 1/2 seconds, set by H. Kolehmainen, also of Finland, in 1912. He did the three mile run in 14 minutes, 8 1/2 seconds. The former record was 14 minutes, 17 1/2 seconds, established by Alfred Shrubb, of England, in 1903.

30 BOOTBLACKS TANGLE UP A POLICE DRAGNET

New York, Sept. 13.—Thirty small bootblacks operating in City Hall Park luskily Oak street station police, and as a result Property Clerk William Murray, at Police Headquarters, has on hand thirty shoe-shining outfits, complete with boxes, blacking brushes, foot rests and polishing cloths. Incidentally, during the raid on the boys, it was learned for the first time that a dragnet, always referred to as

A photoplay that may be commended to the favorable attention of all picturegoers—and especially to all women—is "Any Wife," with the popular Pearl White as the star. It presents, in acutely dramatic form, the penalty which attends the surrender to a spirit of discontent by a wife who possesses all those things which should mean happiness to a right-minded woman. It is a picture that should not be missed.

something the police throw out in emergencies, is a policeman's legs. Some one, whether an adult shoe shiner with a regular sunshade-covered chair or an official in city hall could not be learned, has been complaining to Oak street police station of the boys. It was said, among other things, that they made too much noise playing a game where two would get together and have a guessing contest. The winner had the privilege of hitting the loser over the head with a tightly-rolled newspaper, and usually the gallery was large and loud, especially if business was slack. So the twenty policemen were detailed to round up the offenders. When they arrived at City Hall Park they threw out the usual dragnet or dragnets. The offenders were trapped, but not beaten.

305-POUND CONVICT WINS RACE OF FAT MEN IN SING SING PRISON
Ossining, Sept. 13.—John Cancarato, weighing 305 pounds, won the fat men's race at Sing Sing prison's annual field day games inside the walls. All the inmates, Warden Lewis E. Lawes and several attendants attended the prisoners' athletic meet, which was to have been held Labor Day, but was postponed on account of rain. Some of the winners of events were as follows: Sixty-yard hurdle race, won by Herbert Bennett; 100-yard dash, Harry Sexton; sack race, Vincent De Stefano; three-legged race, Harry Sexton and Frank Morris; wheel-barrow race, Mon after them and that he'd be worried again and Austin's potato race, John Parter; high jump, Jones; one-mile run (inside the walls), Austin.

LOCAL NEWS

BOSTON TRAVEL

S. S. Governor Dingley left this morning for Eastport and Boston carrying about 300 passengers and thirty-five tons of freight.

NOT SERIOUS.

What looked like a serious fire at Model Farm last night and turned out to be nothing worse than a brush fire. One of the residents had a quantity of brush in his yard and was disposing of it via the air route.

ONE FROM HERE ON BOARD
S. S. Mauretania, from New York, arrived in Cherbourg last night and later docked at Southampton. Among the passengers is Miss Amy Iddles of St. John, who is on her way to South Africa.

TRAFFIC CASE.

Albert Moran was charged this morning with speeding at the corner of Pond and George streets and falling to stop his horn. He pleaded not guilty. The report was made by Policeman Storey, who was not present when the case was called. After waiting for a time the magistrate dismissed the case.

ENGAGEMENTS.

Mr. and Mrs. Hugh Cleary announce the engagement of their only daughter, Julia Margaret, to Francis Joseph Hogan, the marriage to take place in St. Catharines, Ont., on September 27.
Mr. and Mrs. J. Frank Taber announce the engagement of their daughter, Hazel D., to C. Frederick Henderson of Fair Vale, Kings county, the wedding to take place September 27.

NEW CLUB RECORD

At the last Car Club's weekly gathering at the home of Mrs. Wrench, 318 Charlotte street, Mrs. Caddell, president of the club, and her son Leslie, playing partners, made a new record for the club. They scored 297 points at five tables. The best previous score was 285, made some time ago. Consolation prizes last evening went to Mrs. McLean and Mr. Gillson. The members were nicely entertained by the hostess.

ON LONG TRIP.

Miss Hazel Myles, on the staff of the marine and fisheries here, and Miss Maud Cunningham, a member of the North America Life staff, arrived in Vancouver today, completing the first side of a trip through Canada and the United States which was started a week ago last Saturday. En route from here to the west coast they visited the principal cities in Canada. They will return through the United States, stopping at several places on the way. They are expected to be away for about six weeks.

DODDS-CHAIG.

James B. Dodds and Bertha J. Craig were married this morning at eleven o'clock at the home of the bride's uncle, Irving Sommerville, Sandy Point road. The ceremony was performed by Rev. J. K. King. They were unattended except for a flower girl, little Miss Duncan. The bride looked charming in a wedding gown of white and carried a beautiful bridal bouquet. A large number of beautiful presents were received. Mr. and Mrs. Dodds left for Quebec, where the groom is employed.

C. P. R. MATTERS.

N. R. DesBrisay, district agent of the C. P. R., returned to the city today from Winnipeg. He was recently promoted to the post of assistant general passenger agent at Winnipeg and had been there on business in connection with his transfer. En route home he was in Montreal and in company with J. M. Woodman, general superintendent of the C. P. R. New Brunswick district, stopped at a time meeting. Mr. Woodman, who also returned to the city announced that a time table meeting for this district would be held tomorrow.

PEDRO HAS COMPANY.

Pedro Meyezzo has a rival. William Magee is becoming a dandier figure about the police court and the charge against him is Pedro's old favorite, common vagrancy. This morning they appeared hand in hand to grace the dock. When Pedro was asked to plead to the charge of vagrancy he said "all right," which the clerk interpreted as "guilty." The magistrate surveyed the two of them and then said "Same disease, Pedro and his cousin. They's a lovely pair. Take the dear boys below."

LOOKED SERIOUS.

Quick action on the part of two drivers prevented serious damage being done in a collision at the corner of Waterloo and Union streets about 1 o'clock today. A large Oldsmobile touring car passing from Waterloo to Sydney street ran across the path of a milk delivery wagon headed down Union street towards Prince Edward. When it was seen that there was bound to be a crash the car driver turned his vehicle sharply to the left and the horse driver pulled up quickly, the horse going down on his haunches. The horse's head and shoulder struck the side of the car, but the impact was so slight that no damage was done.

MRS. E. W. EKSTROM.

Mrs. Mabel Ekstrom, wife of Ernest W. Ekstrom, died last night at her home in Milford, after an illness of six weeks. She was in her forty-sixth year and besides her husband she was survived by three sons, Carl O., Raymond and Roland, all at home; three daughters, Mrs. Bernard Rogers of Milford and Ruby and Gladys at home; also four brothers, Herbert B., Harold, Bert and Archie Sharpe, all of Rhode Island, and two sisters, Mrs. Byron McLellan and Miss Ethel Sharpe of this city. Her funeral will take place on Friday afternoon and interment will be in Cedar Hill. Many friends will be sorry to learn of her death.

FOR BRIDES-TO-BE

Miss Eva Warwick, who is to be married soon, was the guest of honor at two showers recently at the summer home of her parents, Mr. and Mrs. John Warwick, Sand Point. Many nice gifts were received.
The young ladies of the King street office staff of T. McAvity & Sons, Ltd., entertained on two occasions recently, the former being on Thursday of last week when Miss Olive Seely was tendered a linen shower at Miss Foster's camp, Martinton, and again last evening for Miss Freda Blair at her residence, Winslow street, West St. John, when she was tendered a surprise novelty shower. Many lovely gifts were received by both prospective brides, who have been members of the King street office staff for several years.

RECORD PRICE FOR TIMBER LEASE

Luther B. Smith Gets Lot at \$505 a Mile—Protest Made by Charles Anderson.

(Special to The Times)

Fredericton, N. B., Sept. 12.—At an auction of timber leases this morning Luther B. Smith bid \$505 a mile for a lot consisting of eight and one-half square miles in the parish of Dumbarton, Charlotte county. This is the highest bid ever recorded in sales of this nature. The licenses will expire on August 1, 1923, but are subject to renewal to August 1, 1928.
Charles Anderson of McAdam Junction protested the sale, contending that the lot had a few minutes before been knocked down to him at \$25 a mile. The protest will be considered. In the meantime the sale holds good.

BORING FOR WATER

Interesting Results in Search by the N. B. Cold Storage Company.

An interesting example of the extraordinary geological formations underlying this city is found in well boring operations being conducted for the N. B. Cold Storage Company by T. R. Kent of St. George. The ledges hereabouts are much confused, all at an angle of almost forty-five degrees and mainly inclining downwards the southeast. In consequence of this "freak of nature" and the further fact that little or no boring has been done hereabouts because of the uniformly excellent city water supply the boring division of the Dominion department of mines has no maps of St. John. They are, however, collaborating in the present work and information of general value is looked for.

Some years ago a hole was bored 486 feet in almost solid black slate and abandoned without water. Later a hole was bored 165 feet nearer Fort Howe with the idea that the water bearing strata cropping out at Portland street on the west end and at the old I. C. R. elevator site on the east would be found there, but the workers abandoned their efforts again as they struck black slate at 270 feet. Recently the equipment was started again near Main street next adjoining the spring well which in pioneer times supplied the residents of York Point and strangely the first fifty feet bored has been in a quartz rock which almost defies drilling. The expectation is that this impervious ledge will be found to explain the two earlier failures and that below will be found the rock sought for.

The Cold Storage officials say that the work is not being undertaken by reason of any difficulties with the city supply, that their experience has been quite the opposite, but that the extension of their business calls continuously for colder water always below sixty degrees. From the records of the last two summers show an average temperature of seventy degrees at the taps, which involves largely increased operating expenditures for the required results.

DEMONT'S CHAPTER

Interesting Matters at I. O. D. E. Meeting This Morning.

DeMonto Chapter of the I. O. D. E. held an enthusiastic meeting this morning, with Mrs. Sherwood Skinner, the regent, presiding. The reports of the treasurer and the delegates from the Vancouver national chapter meeting were read, and the sum of \$200 was voted to war memorial funds.
Mrs. Cortland Robinson read the treasurer's report. It stated that the sum of \$360 had been cleared from a garden party held on the grounds of Mrs. L. P. D. Tilley at Robshaw, and that the balance on hand at the present date was \$473.68.

Messages of thanks were read from the Boy Scouts and the Red Cross recreational hut fund committee for money donations; from the Soldiers' Settlement Board for magazines, and from the Victorian Order of Nurses for layettes.

Mrs. F. W. Daniel was elected a member of the chapter.
An interesting part of the programme was the reading of reports by Mrs. R. H. Gordon, the chapter's representative, and Mrs. Cortland Robinson, the provincial representative at the national chapter meeting held recently in Vancouver.

Reports of the presentation of books and pictures to the Lorneville, St. Peter's and Centennial schools were read.
The chapter voted \$100 towards the city's soldier monument fund, and \$100 towards the I. O. D. E. war memorial fund, which has been described as the greatest educational scheme since the inauguration of the Rhodes scholarships.

AFTER BIG GAME

Jack Dempsey Expected in Province This Month—Some Huntsmen Arrived Today.

It is understood that Jack Dempsey, world's heavyweight boxing champion, Tex Rickard, T. J. Canadian and others who are to spend a vacation hunting moose and deer in this province will arrive in the city on September 23. They are going to Clarendon and it is understood they have secured the services of the veteran guide, John Duran. Members of the party are at present hunting caribou near Deer Lake, Nfld.

W. W. Butler of Montreal, arrived in the city today. He was accompanied by P. B. Chase of Sparto, Ohio, and his son, Harold Chase of Worcester, Mass. They are going to spend a couple of weeks in the New Brunswick woods hunting moose and deer.

WANTS ACTION.

A resident of Delhi street called city hall this morning on the telephone and rather testily informed the authorities that Delhi street had not been cleaned this year. He asked that something be done to relieve the situation. The matter has been referred to the street department.
