PROHIBITION CAMPAIGN IS PROGRESSING

Temperance Forces Out in Full
Strength

Rev. F. E. Boothroyd, secretary of the N. B. Temperance Alliance, has been earnestly working in these counties for two or three weeks. Sunday he held meetings at Centerville, Bath and East Florenceville, and meetings at Victoria on Monday evening, at Bristol on Tuesday evening and Jack-
sonville last evening. Tonight he will speak at Debec, tomorrow night at Canterbury, on Saturday at Beaton, North Hampton, Upper Woodstock and Lindsay.

Inasmuch as this province votes on the prohibition question on July 10th, Mr. Boothroyd's addresses were listened to with peculiar interest. The main points brought out were: Prohibition should be supported by the voters, first because it has resulted in great improvement in general conditions as compared with the old license days. This is particularly noticeable in the larger centres such as St. John, where, during 1919, under prohibition the number of arrests for drunkenness were nearly four hundred less than during 1918, under license. It was clearly explained that the increase in arrests date from Jan. 1, 1920, on which date the Dominion law forbidding importation from Montreal was lifted, and at once a flood of liquor poured over this province, resulting in greater drunkenness. To arrest this last menace it is necessary to first support the provincial law, second, the voters on July 10th should support prohibition law, not that it is at all perfect, so that important amendments may be made to the law, regarding medical prescriptions, wholesale and retail vendors and the lemon extract abuse, etc. But the government refuse to allow such amendments until after the people vote in favor of the principle of prohibition.

Warning to vote against the second question on the ballot paper, "Are you in favor of the sale of light wines and beer under government control?" was given by the speaker as he pointed out that this very law is the one supposed to be in force in Montreal, but which has fallen down utterly, yielding an almost free sale of spirits and a heavy crop of drunkenness. The wine and beer law is practically unenforceable, unless there be an analyst attached constantly to every vendor's store. Besides strong beer and so-called light wines make drunks.

Mr. Boothroyd urged strongly the women to be sure to get out and vote, for prohibition concerns women very closely, simply because liquor hurts the home, both the men and the growing boys, and women should vote to protect the home.

BASEBALL

Notes from the diamond are not
encouraging this week. In a way the
"Woodstock Wonders" gave both
Florenceville and Hartland bad cases
of stage fright. There is no discount
that Woodstock's heavy hitters are
fortified with science and poison. On
Thursday evening they put it all over
Hartland team from the very first ball
that was pitched. Hartland team
was in very poor fettle. The Observer
is sometimes accused of stretching a
point to give the home team all the
credit that is due it. Of Thursday's
game it can only say that the team
fell down miserably. The supporters
of the Hartland team look to the
players, however, to keep up their
nerve. The score of the game at
Hartland was 13-1. Florenceville
played Woodstock, at Woodstock, on
Friday and lost by score of 20-3.

A game scheduled between Hart-
land and Florenceville at Florence-
ville on Monday evening was cancelled

on account of rain. The game be-
tween Hartland and Woodstock is
postponed until tonight.
Hartland will play at Bridgewater
on Saturday evening.

FORMER HARTLAND LADY DIES SUDDENLY

Mrs. L. R. Hetherington, Daughter of
Mrs. G. C. Watson
Passed Away

The town was shocked on Monday
to learn of the tragically sudden
death of Mrs. L. R. Hetherington, only
daughter of Mrs. G. C. Watson of
Hartland. The deceased lived here
with her parents for a number of
years and has spent every summer
here since her marriage. She is sur-
vived by her mother, to whom, alone
in her sorrow so far as immediate
relatives are concerned, the sympathy
of the whole town is outpoured deep-
ly and sincerely. There also remains
one brother, Prof. W. F. Watson, now
touring Europe.

The remains were brought to Hart-
land yesterday afternoon and the
funeral was held from the United
Baptist church.

Following is a report from the
Telegraph:

Hopewell Hill, June 21.—Profound
sorrow and regret was caused today
by the sudden death of Mrs. Hether-
ington, wife of L. R. Hetherington,
M. A., principal of Riverside Consol-
idated school who passed away at
an early hour this morning. Mrs.
Hetherington had been in her usual
health yesterday and up to the time
of retiring last night had been con-
versing with friends at her home and
feeling as well as usual. About 2
o'clock in the morning she was
stricken with heart trouble, passing
away a short time after. Mrs. Hether-
ington had sustained a very serious
injury in an automobile accident one
year ago and though largely recover-
ing had never fully regained her former
vigor. She was formerly Miss
Laura Watson of Hartland, and was
well known throughout the province
in connection with temperance work
and was of a particularly christian
character that manifested itself in
many forms of good work.

She had recently been president of
the Provincial Women's Christian
Temperance Union and had been
prominently connected with some of
the Temperance and W. F. T. U. and as an
officer in the latter body had attended
supreme branch of the order in
Europe. She was possessed of marked
literary tastes and as a writer and
speaker had far above ordinary ability.

Since coming to Albert county she
had taken a deep interest in church,
Sunday school and temperance work
and will be greatly missed. In her
death prohibition, now prominently
before the people, has lost a devoted
supporter.

The Copley Male Quartet of Boston
which made such a popular appear-
ance at the Fort Fairfield Auto show
this spring will give a full concert at
the Temple Theatre, Houlton, on June
30, and at Libby Rink, Fort Fairfield,
July 3. They will be further assisted
by a pianist and reader. Each mem-
ber is among the leaders of his pro-
fession in New England and those
who have heard them are eagerly
looking forward to this concert. It
will be one of the finest things ever
north of Bangor.

MEMORIAL SERVICE OF THE G.W.V.A.

Most Impressive Service in United
Church on Sunday

Easily the most outstanding of re-
cent events was the Memorial Day
service held under the auspices of
the G.W.V.A. at Hartland on Sunday
afternoon. The large seating cap-
acity of the United Baptist church was
taxed to its utmost and many failed
to gain admittance at all.

Major the Rev. E. B. Hooper, who
was chaplain to our own boys in the
Fighting 26th attracted the hearts
of the congregation by the warmth
and earnestness of his personality.
The service was exactly the same as
the field service overseas to which
the boys had become accustomed.

The veterans met at the army in
front of which they formed in march-
ing order, forty odd strong. Lt.-Col.
L. L. Kennedy led the parade turned
over to him by Sgt. Wendell Nixon.
Other officers in the parade were Lt.-
Col. Melville, Maj. the Rev. E. B.
Hooper, Capt. R. E. Green, Capt.
Chute, Lt. Bassett. After the service
they marched back to quarters, where
Col. Kennedy gave the boys a short
address. Maj. Hooper also spoke
briefly to them again and received
three rousing cheers for "The Padre."

SHAW-PHILLIPS

On Wednesday afternoon, June 16,
Dr. Frank Shaw, the well-known and
skilful veterinary surgeon, was united
in marriage to Miss Charlotte Hen-
derson, daughter of Mr. and Mrs.
Armand Henderson, of Windsor.

Accompanied by a few relatives and
friends the happy pair drove by auto
to the United Baptist parsonage at
Florenceville, where the Rev. F. E.
Bishop tied the nuptial knot, after
which they proceeded to their future
home in Middle Simonds, where a
sumptuous wedding supper awaited
them, prepared by Mrs. Millard Shaw,
wife of the groom's brother.

The bride looked charming in a
coat suit of navy with hat to match
of navy straw and sand georgette
crepe.

Both bride and groom were form-
erly located in Hartland where they
have many friends, there and through-
out the surrounding country, who will
wish them long years of happiness.

On the second evening after the
happy event had become known a
small army of Dr. Shaw's gentlemen
and boy friends expressed their good
will by a thrilling serenade and huge
bonfire in front of his residence.

KIND WORDS

A Florenceville subscriber who re-
cently moved to a Maine town writes
back to the Editor as follows:

"Enclosed you will find two dollars
to place to my credit on The Observer.
I expected to get to Hartland for one
day before I came away but failed
to do so. We get The Observer every
Saturday and there is always a scramble
to see who will get it first. It is
just like a letter from home."

Miss Beatrice Tompkins has com-
pleted her course at the Vocational
school at Woodstock and was success-
ful in winning first prize in Home-
Making Department, and second in

SAYS GRATITUDE IS BEYOND WORDS

Mrs. John McIsaac Declares Tanlac Brought Health And Happiness

"Tanlac has brought me health and happiness and words just can't express how grateful I feel for the good this wonderful medicine has done me," said Mrs. John McIsaac, 175 Prince street, Sydney, Nova Scotia, recently.

"Only my friends know how I suffered during the past ten years, in fact, I was so bad off I lost interest in everything and got no pleasure out of life," said Mrs. McIsaac. My appetite was so poor that I ate very little of anything and some mornings a glass of water would be all I would take for breakfast. Whenever I did eat anything I would begin to bloat up with gas shortly afterwards and my throat and chest would get so choked up I thought I would suffocate. Sometimes at night I lay in bed as long without closing my eyes that I just could not stay there any longer and I would have to get up and walk the floor. I suffered from severe headaches and at times I would be walking along the street and get so dizzy I would have to catch hold of something to keep from falling. I got so weak that my housework became a burden and it was an effort for me to get around the house.

"But now, I just feel like a different person, for Tanlac has given me new life and strength and I am enjoying better health than I have in over ten years. I can hardly wait for meal time to come and everything I eat digests without a particle of trouble. I never suffer from a headache spell any more and the dizziness has disappeared entirely. My sleep is sound and refreshing and I get up every morning feeling so full of life that I do my housework without tiring in the least. Every suffering woman should certainly know about Tanlac and I feel it my duty to tell others publicly what this medicine has done for me."

Tanlac is sold in Hartland by Estey & Curtis Co., and E. L. Field, Bloomfield, and by the leading druggist in every town."

SILAS JUDSON GEE

Bath and vicinity was deeply shocked and saddened by the passing away of one of its most esteemed and respected citizens on May 31, in the person of Silas Judson Gee, in the 81st year of his age. His illness reached back over several months, borne with excellent Christian fortitude.

For some twenty years he had been a most faithful and competent employee of the local telephone service, always obliging and painstaking with the patrons. He had, as a result, a very large circle of friends.

Mr. Gee leaves to mourn, a sorrowing wife, two brothers, Alexander of California, U.S.A., and John of Burnham, Me., two sisters, Mrs. Robt. Lunn, Summerfield, and Mrs. Clayton Bartlett of Connecticut; five daughters, Mrs. Albert Hall of Framingham, Mass., Mrs. Wm. Bartlett of Cleveland, Ohio, Alice in training at Framingham hospital, and Mary at home.

The funeral service which was most impressive and largely attended, was held in the Bath United Baptist church, W. N. Dyer acted as director and J. C. Hayes, Chester Parlee, Gen. Nixon and Wm. Giberson served as pall bearers. C. O. Howlett, B.A., B.D., preached a suitable sermon from Isa. 26: 3: "Thou wilt keep him in perfect peace whose mind is stayed on Thee because he trusteth in Thee." Rev. G. A. Giberson offered prayer and the cortege repaired to Clearview where the remains were quietly laid to rest to await resurrection day.

Mrs. Leslie Gray

The sad death of Mrs. Leslie Gray occurred on June 6 at her home in Summerfield after a short illness. She was a native of Edinburgh, Scotland, and came to this country about a year ago and was married to Leslie Gray whom she met while serving in the late war. She is survived by her late husband in this country two sisters and one brother in Scotland.

The funeral service was held at the Methodist church at Summerfield where a large congregation of people gathered to pay the last tribute of respect to the departed one. Services conducted by Rev. P. J. Quigg assisted by Rev. Jas. Sprague in the Summerfield cemetery.

George Morgan

George Morgan a native of Cloverdale while working on the railroad with Hedley Jones in Quebec was

seized with paralysis and was taken immediately to the hospital where he died on May 30. The remains were brought to Cloverdale for burial. He leaves a wife and seven children. Funeral service conducted by Rev. P. J. Quigg of Peel.

RESOLUTIONS OF WICKLOW S. S. CONVENTION

At the Wicklow Sunday School Convention held at Tracey Mills on June 18th the following resolutions were passed:

1. Resolved that in view of the approaching referendum of prohibition to be held in N. B. on July 10, we, the Wicklow District S.S. Convention, do place ourselves on record as emphasizing the great importance of the vote and in view of the strenuous fight which the liquor interests will make to defeat prohibition; that we urge it as the sacred duty of every one interested in the welfare of their province to vote for the prohibition law remaining in force and against the sale of light wines and beer; also that steps be taken to see that every woman entitled to a vote have their names placed on the voters' list.

2. Resolved that whereas it is planned to hold a Christian Workers' Institute in Woodstock, August 21-27, that we recommend that the Superintendents of Sunday schools in this district be urged to send as many of their workers as they can to this institute and also request their schools to pay their expenses in part or in full.

GARDINER—PERLEY

On Wednesday, June 16, at 3 o'clock in the afternoon, a pretty event took place, when Miss Faye Marie Perley of Florenceville became the bride of Vernon Carr Gardiner of Charlottetown. The marriage took place at the home of the bride's mother, Mrs. Hannah Perley. The wedding march was rendered by Mrs. Clara B. Hartley, while the bride party took their place beneath a beautiful arch of evergreen. The bride was given away by her mother and the ceremony was performed by Rev. M. H. Manuel. The guests, numbering about forty, were the immediate relatives of the contracting parties. After the wedding feast Mr. and Mrs. Gardiner left by auto for a trip to St. Stephen and Calais. They will reside in Charlottetown.

UPPER KENT

Mrs. George Ball and little son, of Fredericton Junction, are visiting her parents, Mr. and Mrs. B. W. Cox.

Miss Ruby Salmon is spending a few days with friends in Greenfield. We are glad to report that Mrs. S. Salmon, who has been so poorly during the spring months, is gradually recovering.

Mr. and Mrs. G. W. Hawthorne made a trip to Caribou by auto. Among other improvements in the village Frank Grant is giving his house a new coat of paint.

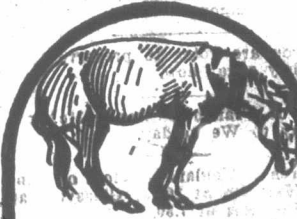

William Hawthorne is building a new barn and Street Miller is building a new garage.

Mr. and Mrs. P. W. Caldwell, of Greenfield, spent Sunday with Mr. and Mrs. Handford Squires.

Mrs. John Broad, who lately underwent a serious operation at Port Fairfield Hospital, is slowly regaining her strength.

Adams-Bartlett

The home of Mr. and Mrs. John Corey, Peel, was the scene of a pretty wedding on Wednesday afternoon June 9, where their sister Mrs. Thura Bartlett of Pinder became the wife of Roy Adams of Woodstock. The ceremony was performed by Rev. P. J. Quigg in the presence of about thirty invited guests. The following day Mr. and Mrs. Adams left for a trip to Boston, followed by the best wishes of their many friends.

In Case of Colic

Give your horse Dr. J. Woodbury's Horse Liniment internally—and at the same time, build up the general health and digestion of the horse, with Dr. J. Woodbury's Condition Powders.

Colic in a horse comes from the same cause as colic in a baby—acute indigestion.

These remedies tone up the stomach, regulate the bowels and kidneys, help the digestion and soon put the animal in the best possible condition.

DR. J. WOODBURY'S
Horse Liniment and
Condition Powders

used whenever an animal is troubled with Colic, Cold, Distemper, Glanders, Salt, Cuts, Sores, Cracked Hoof, Eczema, Cat, Sore, Bunch, Fever, these two reliable remedies will give prompt relief and change the sick, lame animal into a vigorous, healthy one.

Keep these standard preparations always in your stable in case of sickness or accident.

Why Canadians Should Insure in a Canadian Company

BECAUSE—Experience covering a period of forty-six years has proven that the death rate of insured lives is about 15 per cent greater in the United States than in Canada.

BECAUSE—A Canadian does not need to assist in paying for this extra heavy death rate in a foreign country.

BECAUSE—A Canadian insuring in a foreign Company is sending his money out of Canada. If retained in Canada he and Canadians generally will benefit by its circulation and investment.

BECAUSE—In The Policy-Holders' Mutual Life (of Canada) he can secure his insurance at lower rates and on easier terms than in any other Company.

BECAUSE—The Policy-Holders' Mutual Life (of Canada) was organized for the express purpose of eliminating all objectionable features in Life Insurance.

BECAUSE—In The Policy-Holders' Mutual Life (of Canada) the Policyholder votes and participates in the management on equal terms with the Stockholders.

BECAUSE—By its Act of Incorporation provision is made for the Policyholder voting at his own home if convenient to attend the general meetings.

BECAUSE—By its Act of Incorporation the dividend to its Stockholders is limited and all profits above this limited dividend belong to the Policyholder.

BECAUSE—By its Act of Incorporation no tontine, so called "Gold Bond" policies or anything of a like nature can be issued.

BECAUSE—Its Policy-holders participate in the annual distribution of profits after the third of the life of each policy.

BECAUSE—The low rates and annual distribution of profits leave the money in the Policyholder's pockets or return it to him each year instead of its being retained for speculative purposes as has been charged against some Companies.

BECAUSE—Premiums may be paid monthly, quarterly, semi-annually or annually as best suits the convenience of the insured.

BECAUSE—In the Policy-holders Mutual Life (of Canada) he will be insured in a Canadian Company incorporated by special Act, especially safe-guarding his interests, thoroughly democratic in its principles and management, with every safe-guard and security to which the strongest Stock Company can lay claim or which government deposit reserve and inspection can secure.

S. E. Waugh left for Toronto on Tuesday for another car load of horses.

Mrs. Bertie Baird left on Wednesday for Ottawa to visit her sister, Mrs. B. W. Graham for a time, after which she will accompany Mr. and Mrs. Graham and family to Newport, R. I.

On an auto trip to visit her daughter, Mrs. Ward, formerly Miss Edith Baird. The Presbyterian Sewing Circle held a very successful tea at the home of Dr. and Mrs. J. W. P. Dickinson on Wednesday night.

Miss Annie Stickney went to Bristol on Saturday for a few days.

F. D. Saddler is having his store and dwelling painted.

Mr. and Mrs. S. Lovely and son

Gerald, Mrs. R. Lovely and Mrs. A. G. Ganter, visited relatives at Washburn recently.

Mrs. J. R. Tompkins was called to Plaster Rock on Wednesday on account of the death of her brother, Dibble Green, also her sister, Mrs. Tilley.

Many friends regret to hear of the illness of Rev. A. Sison.

Miss Grace McPhail's many friends will be pleased to learn that she has recovered from the effects of her recent operation and has returned home.

Our village was saddened on Sunday, when Mrs. Samuel Lovely received a message from Patten, Me., stating that her brother, Harry Craig, had died at 10 o'clock following a few weeks' illness, of diphtheria. He was a son of the late Moses and Catherine Craig. El. W. Larlee, brother-in-law of deceased, Gerald Lovely, a nephew, and Barney Craig, a brother, left shortly after the message was received, for Patten. The body was brought here for burial.

Harold Graham, who has been here for some time, left for his home in St. John on Thursday.

A baseball diamond has been made at the lower end of the village. It is expected that several baseball teams will play the home team during July and August.

Miss Fannie Larlee is visiting friends in Birseville and elsewhere.

The Junior Institute will hold an ice-cream sale on Mr. Denton's lawn Saturday afternoon, proceeds to go towards the fire alarm.

There was a special meeting of the Junior Institute at the home of Miss Fanny Smith on Wednesday.

Mrs. G. L. Everett, who has been spending several months in Bangor with her daughter, Mrs. C. McCreedy, arrived in Kilburn on Saturday to spend some time with relatives.

Harry Taylor, of the Bank of Montreal, and Gilbert Hatfield, of Portland, were guests of Harry Sadler a few days last week.

The house of Robert Smith, of Rowena, with all its contents, also a barn, were entirely destroyed by fire at an early hour Monday morning. F. D. Sadler and son Ralph, who chanced to be on their way to Arthurville at the time, noticed flames coming out of the roof. They, with others, instantly hurried to the scene and gave the alarm, offering all the assistance they could; but the buildings were doomed. The children escaped in their night clothes. Mr. Smith has the sympathy of all in his loss, as he carried very little insurance.

Mr. and Mrs. Perry DeMerchant and little son, and Miss Hessel DeMerchant, of South Tilley, were in town on Friday.

Our village was shocked to hear of the terrible death of Silas Sison, of Andover, on Friday afternoon. The sympathy of all goes out to the lonely daughters in their hour of deepest sorrow. It is only eight weeks since their mother was taken from them.

The Masons marched from their hall to the Episcopal Church on Sunday afternoon, when Rev. J. R. Belyea delivered a most eloquent sermon.

Mrs. Fred Peoples, of Rowena, was in town during the week.

The Gopley Male Quartet of Boston which made such a popular appearance at the Fort Fairfield Auto show this spring will give a fall concert at the Temple Theatre, Houlton, on June 30, and at Libby Rink, Fort Fairfield, July 3. They will be further assisted by a pianist and reader. Each member is among the leaders of his profession in New England and those who have heard them are eagerly looking forward to this concert. It will be one of the finest things ever north of Bangor.

Grand Falls Happenings

The ladies of the Presbyterian church made about \$130.00 at the sale and supper held last Thursday evening.

The Urban Stock Company put on some very good plays in the opera house Monday, Tuesday and Wednesday.

Mrs. Peter Andraesen, of Ned Denmark, was the guest of Mrs. C. C. White Monday and Tuesday of this week.

W. Everett McCluskey and Miss Esther MacDonald were married in Limestone June 16. Their many friends wish them a prosperous and happy married life.

The stork made a call at the home of Dr. and Mrs. H. S. Hardegree, of Atlanta, on June 10, and left a seven pound H. B. Junior. Congratulations from the friends here who will remember Mrs. Hardegree (who before her marriage was Miss Carrie Malcom) as a very efficient nurse. She was in the nursing staff of the hospital here last year.

Plaster Rock News

On Tuesday last week Dibble H. Green passed away after a short illness, leaving to mourn his loss a wife and eight children, also a mother and father and several sisters who have the sympathy of all in their bereavement. The funeral took place on Thursday afternoon. Mr. Green at one time lived at Hartland where he married a Miss Stewart.

Rev. Neil McLean and family have removed into the new parsonage.

Mr. and Mrs. C. L. Bent and son Douglas returned from Montreal on Thursday.

On Thursday evening a number of the young people went to a party and dance which was held by Mr. and Mrs. Brook Witherly at their home at Weaver.

On Friday our base ball team went to play Grand Falls with a disastrous result to our side. We live in hopes of seeing better results before the close of the season.

On Thursday last the wife of Clarence Tilley passed away after a very short illness, which was only a few days after the death of her only brother, D. H. Green. She leaves to mourn her loss, a devoted husband, and son and daughter, who have the sincere sympathy of all in their sad bereavement, also her aged parents who thus lost a son and daughter within a few days. The funeral took place on Saturday afternoon and was well attended. The pall bearers were B. T. Marten, L. Giberson, George Bradford, H. Tallock, Norman Giberson and J. D. Giberson. The service was conducted by Rev. Mr. Gregg and Rev. Neil McLean.

The new tennis court is very near being completed and will be much appreciated by those interested in the game.

Fred Sadler of Maple View passed through here with his new car last week.

M. W. Tatlock of Perth was visiting friends here over the week-end.

Rev. L. A. Foyster, accompanied by his sister and Miss Barter, just arrived from England, and Mrs. Tatlock went to Niktau on Wednesday last by auto.

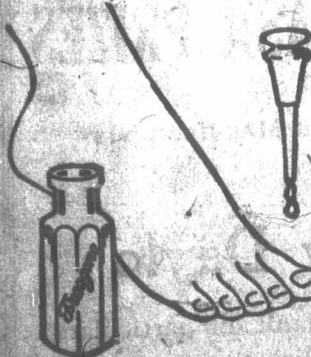

W. H. MacKay went to Nelson on Tuesday last.

The Church of England W. A. will hold a supper and sale of work on Friday.

On Friday S. G. Barter, secretary of Hartland G.W.V.A., met the returned boys of Plaster Rock and organized a branch of the veteran's association. Twenty odd were enrolled and the officers were Capt. Mark B. Anderson; E. A. Baird, Secretary.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your finger! You can lift off any hard corn, or corn, or corn between the toes, and the hard skin calluses from bottom of foot.

A tiny bottle of "Freezone" costs little at any drug store; apply a few drops on the corn or callus. Instantly it goes hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly! No humbug!

Elijah J. Sison, of Andover, Killed Friday, June 18.

A most shocking fatality occurred Andover Friday afternoon when Elijah Sison was almost instantly killed by the running away of his

horses. Mr. Sison had been loading pulp wood and was ready to start with his load when he lost a rein and in stepping out on the pole between the horses to regain it, they started and Mr. Sison was thrown to the ground, the load passing over him. He was taken to his home, where medical help was called, and all was done to relieve him that could possibly be done, but in a very short time he passed away. His sudden death has cast a heavy gloom over the community. A man of sterling qualities taken from our midst without a moment's warning. His wife died after a brief illness only a few weeks ago. The shock of her death has barely passed to her family and friends when this terrible tragedy has added sorrow to their sorrow. Mr. Sison was 64 years of age. He leaves to mourn, three daughters: Mrs. Gertrude Ryan, who is now ill in the hospital not able to be removed home, Mrs. J. Whitney Baisley and Miss Violet Sison. A brother, Wellington, will sadly miss his as they have lived and worked together side by side all through their life time. Two other brothers survive: Allen and Aaron of Andover, and two sisters, Mrs. Galvin Campbell of Andover, and Mrs. Thomas Wright of Plaster Rock. The sincere sympathy of all go to the mourning relatives. The funeral, which was largely attended, took place from his late home and the Baptist church on Sunday afternoon. Rev. A. E. Kochaly assisted by R. W. Dennings, officiating. Those bearing the pall were nephews of the deceased: Norman, Percy and Frank Sison and Perry Bishop.

HARTLAND, N. B., JUN 24, 1920

THE LINOTYPE

All of the news matter in this issue was set on the Observer's new linotype. This is the first linotype ever installed north of Fredericton and for so small a town as Hartland it is a bold venture. The particular machine which the Observer has put in is the latest development of the invention. The linotype is acknowledged to be the most complicated and most nearly human of any machine that has ever been devised. Continuous attempts at the invention of a machine for setting type had been made since 1825, and it was not until 1874 that Ottmar Mergenthaler, a German-American, took up the crude inventions that existed for type setting, rejected them, and determined upon a method of producing type-set matter on an entirely new principle. He worked for eleven long years before his machine was considered of practical value. In 1887 the New York Sun tried the machine and pronounced it a success. Immediately there sprang up such a demand for linotypes that the capacity of the factories has been taxed from that day to this.

Previous to 1887 the type of all the great dailies was set by hand, by men, each paper employing 40 to 60 or more such compositors. A paper employing 40 men would install six machines and cut their composing staff down to that number of men. In that period of time there was consternation among the old-time printers, and it looked as if they would have to seek a new field for livelihood. The alarm was, however, entirely false; the demand for printers has continued increasing, until today, when linotype operators and printers generally are at once the most difficult craftsmen to secure and the most highly paid. The equipment just placed in the Observer Office consists of the standard Model 5 linotype with extra magazine. It means an investment of \$4250. This machine was installed by S. F. McMurray of the Toronto Type Foundry Co., Ltd., who proved himself master of every detail of the complex details of this wonderful mechanical triumph.

It will be noticed that the type used in this issue is much smaller than that formerly used, and the lines are much closer together. This means that the same amount of matter will not require so much space, and we should be in a position to give our readers twice as much news matter as hitherto. Up to this week the Observer has employed regularly from two to four girls for type setting. Hereafter none will be required, save and providing nothing goes wrong with the machine.

The manager of the Observer has kept abreast of the technical developments of the linotype from the time of its first success, but has had no practical experience with the machine. Viewing all the marvellous complexities of the invention he is uncertain just today whether his troubles have ended or just begun. It is expected that the linotype, under the operation of one man, will perform the work of the staff of fives and the capacity of the office is increased to just that extent.

ADAMS-DAVIS

A wedding of much interest took place at Hartland, a popular young woman of Hartland, became the wife of place yesterday, June 23, when Miss Howard E. Adams of the firm of J. W. Adams & Son, undertakers. The ceremony took place at 2.15 p.m. at the home of the bride's aunt, Mrs. George W. Boyer, in the presence of 40 guests, Rev. E. A. Trickett, officiating, and Miss Elmer Davis playing the wedding march. The bride was married in her travelling suit which was of midnight blue tulle with over-bouise of Georgette crepe of the same color beautifully embroidered. Her hat was of dark blue with a touch of coral.

The house was artistically decorated with cut flowers and the bride's table was very beautiful with its hanging basket of flowers and white ribbon streamers. The bride's cake occupied a table by itself and looked very tempting under its canopy of white ribbons and small silver basket of flowers. A sumptuous buffet luncheon was served, after which the wedding party went to the station, where, amid showers of confetti the newly wedded couple took the 4 o'clock express for a honeymoon trip to Boston and intermediate points.

Guests from out of town were Mr. and Mrs. George Davis and Miss Elmer Davis of Milleducet; Mr. and Mrs. A. G. Owens, Norriewood, Me.; Mrs. John Page and Miss Edna Page, Tracey Mills; Mrs. Horace Perry, Wolfville, N.S.; Mr. and Mrs. G. H. Page, Centerville; Mr. and Mrs. J. Fred Boyer, and Mr. and Mrs. Cochran, of Victoria.

SHOWER AND PRESENTATION

The Philathes class of the U. B. Sunday school met at the home of Miss Sadie Currie last Friday evening and presented Miss Annie Davis, one of their members who was soon to be married, with a handsome silver and pyrex casserole. A merry social evening was spent and refreshments of ice-cream and cake were passed. On Monday evening a number of Miss Davis' friends surprised her at her home and gave her a variety shower.

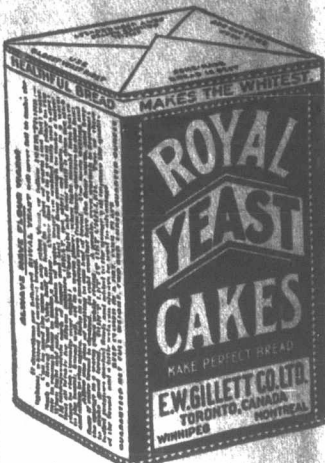

Reserved seats for Urban Stock Co. at Observer Office, 75 cents. General admission 50 cents.

HUNTER-DAVIS

A very pretty wedding of much social interest took place at the Methodist church, Florenceville on Wednesday, June 16, at 2 p.m., where Crystal Nina Davis of Bristol became the bride of Elmo Roy Hunter of Florenceville, the ceremony being performed by the Rev. Mr. Wightman. The bride and groom who were unattended entered the church to the strains of Lohengrin's March played by Miss Stella Hunter, and took their places under the floral arch. The bride looked very winsome in a gown of white georgette and satin, with veil and wreath of orange blossoms and carried a shower bouquet of roses, sweet peas and fern. The church which was filled with relatives and friends of the bride and groom, had been prettily trimmed by the girl friends. After the ceremony a delightful wedding breakfast was partaken of at the home of the bride's sister, Mrs. A. B. Gains, after which the happy pair left on the train for Skiff Lake to spend their honeymoon. The bride's travelling dress was navy blue with hat to match and fur stole, the gift of the groom. Mr. and Mrs. Hunter, who will reside in Florenceville, have the best wishes of many friends for a long and happy life.

A PLEASANT SURPRISE

The music loving people of Woodstock were treated to a delightful surprise in the store of the Creighton Musical Instrument Company on the evening of Thursday the 17th, when Mr. Morris of Charlottetown, P.E.I., gave a short piano recital. Mr. Morris

is a pupil of the celebrated Samiroff, and he gave an exhibition of execution and expression that has seldom if ever been heard here. Mr. Morris was greatly pleased with the Gerhard Heintzman piano he gave the recital on and expressed his opinion that it is one of the best of Canada's pianos. A great many music lovers were disappointed that the short notice did not give them a chance to hear Mr. Morris. His programme was almost entirely classic with the exception of a few numbers of his own composition. We all hope he will come again soon.

At 8.45 on Saturday, June 19, 1920, the first linotype slug, and perhaps the last, was cast in the office of The Carleton Observer.

TEACHERS CAMP

Rural Science Students at Sussex
July 14th—August 11th

This year, for the first time in the
history of the Rural Science School
the students will have an opportunity
of living under canvas.

Permission has been granted by the
military authorities to use the camp
grounds, one of the bungalows, and a
certain number of bell tents. These
will be filled with cots, two or three
to each tent. The camp is but five
minutes' walk from the agricultural
building.

Living in camp is optional, and
students must state clearly when mak-
ing application whether they wish to
live in camp or desire us to send list
of boarding places.

Boarding places are taxed to their
utmost. Only a few houses will be
able to provide rooms and board. Rates
are much higher than in former years.
Students should avail themselves of
this opportunity of living together in
camp, not only because it will reduce
the cost of living very materially but
also because of the social life it
affords.

There will be no room rent; only
cost of board and cooking. Expenses
will be divided according to the num-
ber actually in camp. Each student
will have to provide his own blankets
and pillow.

The management of the camp will
be left largely in the hands of the
students. Committees will be formed
to see that certain necessary activi-
ties of the campers are carried into
effect. There will be few rules, but
these must be strictly observed. A
chaperon will be chosen.

The dining room will be established
in one of the bungalows near which
all the tents will be set up. The camp
will be supplied with light and water
from the town of Sussex.

Many games will be indulged in, and
everything is being done to make the
students stay in Sussex most enjoy-
able. Only a limited number can be
accommodated. A large number of
applications have already been re-
ceived.

Rare Air is as
Necessary as Rare Food

THE ENTERPRISE
BLAZER FURNACE
heats your home in
Nature's way. It draws in
the sweet pure air from the
big outdoors, moistens it
thoroughly, turns it into
heat and comfort and pas-
ses it on to every corner of
your home.

The best that base burners and radiators can do is to
heat the air that is already in the house—that has
been breathed again and again. Stoves choke the air
with dust and in real cold weather they fall short of
their job. Another reason for the

ENTERPRISE BLAZER FURNACE

is economy. For thirty-five years we have been learning how to
take all the heat out of a piece of coal, and then how to make
most use of it. The Enterprise Blazer is the result. And it costs a
great deal less to install than a hot water boiler, pipes and radiators.

An Enterprise Blazer will wear for years
and years. Every part is made a little better
than it need be, and it carries the famous En-
terprise guarantee of satisfaction. Get your
dealer's advice and write us today for our free
booklet "Warmth and Comfort".

Where There's Smoke There May Be Fire

And where there's fire there is a loss that no insurance policy covers.

Insure by all means—carry enough protection to cover the present value of your property. But remember that a fire means waste of material and labor, both needed badly by your company at the present time.

Ninety-seven per cent of all fires are due to somebody's carelessness. Be careful. Insure here.

WOMEN OF MIDDLE AGE

May Pass the Critical Period Safely and Comfortably by Taking
Lydia E. Pinkham's Vegetable Compound.

Regina, Sask.—"I was going through Change of Life and suffered for two years with headache, nervousness, sleepless nights and general weakness. Some days I felt tired and unable to do my work. I gave Lydia E. Pinkham's Vegetable Compound a trial and found good results, and I also find it a very helpful Spring tonic and useful for constipation from which I suffer much. I have recommended Vegetable Compound to several friends, and am willing you should publish this."—MRS. MARTHA W. LINDSAY, 810 Robinson St., Regina, Sask.

If you have warning symptoms such as a sense of suffocation, hot flashes, headaches, backache, dizziness, ringing in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness, get a bottle of Lydia E. Pinkham's Vegetable Compound and begin taking the medicine at once. We know it will help you as it did Mrs. Lindsay.

FARMS WANTED

We want from fifty to one hundred good farms in the counties
of Carleton, Victoria and York. Last year we sold thirty-two
farms and we expect to more than double that this year. We al-
ready have a long list of applications for our new 1920 Catalogue.

If you want to sell your farm it will be to your advantage to
communicate with us. We charge you a small commission only
and we pay all the expenses connected with the sale.

We are now starting on our new catalogue and want to com-
plete it as soon as possible. It will not cost you anything for full
particulars and terms.

LOCAL AND PERSONAL ITEMS

The friends of Mrs. Champion met
at the parlour on Thursday evening
and presented her with a gold
pin and the following address:

"Dear Mrs. Champion: A few of
your friends are gathered here to-
night to express their regret at your
departure from among them. Dur-
ing your stay here we have enjoyed
your pleasant companionship and
help in our W. M. B. and regret that
you have to leave us but hope that
wherever you go you may find as
many true friends as you are leaving
in Centreville. We ask you to accept
this small gift as a token of our love
and appreciation of your work among
us; and we hope it may recall many
pleasant memories of your stay in
Centreville. May the blessing of our
Heavenly Father abide with you and
yours ever."

Among those present were Mrs.
Scholey, Mrs. Harmon, Mrs. Har-
vey, Mrs. Kline, Mrs. Harry, Mrs.
Mrs. A. G. Gibson, Mrs. S. W. Niles
and the Misses Addie Irvine, Jessie
Reid, Nellie Coffey, Gladys Woods and
Alice Niles.

Rev. F. E. Boothroyd occupied the
pulpit at the Baptist church Sunday
morning in the interests of prohibi-
tion.

Guy Balloch of Montreal spent a
few days with his parents. His father
accompanied him as far as St. Ste-
phen.

The latter left a competent sub-
stitute to look after the customs office
during his absence.

Dr. C. S. Agnew of Antigonish is
visiting his brother and other rela-
tives.

L. H. Baldwin has resigned as
principal of Centreville Superior
school. We understand he has ac-
cepted a position at his old home in
the States.

The Baptist Missionary Aid Soci-
ety met at the home of Joseph An-
derson on Thursday evening at
Good's Corner. After a short pro-
gram of readings and music, ice-
cream and cake were served. A col-
lection of \$30.00 was taken and a vote
of thanks given to Mr. and Mrs.
Anderson for their generous hospi-
tality.

Mrs. James Ocone and daughter
Leah spent the week-end in Hartland
attending the recital given by the
pupils of Miss Alvaretta Estabrooks.

Mrs. Suelo Watson of Deerfield is
spending a few days with her brother
H. J. Clark.

Mrs. Isabel Smith is visiting her
sister, Mrs. Carey Shaw.

Miss Winna Golding spent the
week-end with her aunt, Mrs. C. Long.

Mrs. W. R. Harold and Mrs. S. W.
Burt went to Fort Fairfield on Tues-
day to visit Mrs. Burt's son George.

Mr. and Mrs. S. Gallagher have re-
turned from Riley Brook, where they
were visiting G. W. Bishop for a
short time.

Mrs. Leland Clark was called to
Woodstock on Friday by the illness
of her sister, Mrs. F. D. Tweedie.

Mrs. Tweedie has a young daughter,
Dorothy Clark, who went by Valley to
St. John on Saturday to spend a week
with friends.

Z. Sloan is very ill at his home in
North Centreville. His friends hope
for his recovery.

Mrs. James Page, who has been in
failing health for some time, is con-
fined to her room with a trained
nurse in attendance.

Mrs. Isaac Prior is also very ill with
paralysis. Her daughter, Mrs. Nel-
son, is caring for her.

Lee White and wife, Mr. Bruce
and Miss Mildred White motored to
Woodstock Friday to see the ball
game between the Woodstock and
Florenceville teams.

Mr. Watts has moved into the
building lately occupied by our pop-
ular station agent, H. Smith.

W. Gertley and family spent Sun-
day in Presque Isle with Mr. Gertley's
father.

The Boy Scouts had a full attend-
ance and profitable meeting on Fri-
day evening. They are planning on
an entertainment in the near future
to raise funds for scout suits.

Harold White, of Presque Isle,
spent Sunday with his mother, Mrs.
G. L. White.

VACCINATION OF EMPLOYEES

THE FOLLOWING IS PUBLISHED FOR THE INFORMATION OF
THE PUBLIC, GENERALLY, AND ESPECIALLY OF
THOSE DIRECTLY CONCERNED

"1. Section 30 of The Public Health Act, 1912," being 2 George V.
Chapter 35, is hereby amended by adding after the last paragraph
thereof the following paragraph:

No person shall be employed in any camp, ship, factory or other
place wherein the employees come at frequent intervals into close
and prolonged contact one with another, unless and until such person
produces to the employer or the employer's representative a certi-
ficate, signed by a regularly qualified medical practitioner, of success-
ful vaccination, or a like signed certificate that he is immune to
vaccinia as proven by three consecutive non-successful vaccinations,
or that he is immune to small-pox by reason of having had the
disease, and no employer shall employ any person in employment
as set forth above, without such certificate being produced. When
any person contracts small-pox, who is at the time of the inception
of his sickness employed as set out in this section, or who was so
employed within fourteen days prior to the inception of his sickness
and who has not complied or been required to comply by said em-
ployer or employer's representative with the foregoing provisions
prior to his employment, then in such case the employer shall be
primarily liable to pay all such costs, charges and expenses as the
sub-district Board of Health concerned may have incurred in neces-
sarily protecting the public health; provided such charges, costs and
expenses were incurred in or about the necessary precautions relative
to, or immediately appertaining to, any such case of small-pox, and
such costs, charges and expenses may be used for and recovered
with costs, in the name of the Chairman of the sub-district Board
incurring the same, in any court of competent jurisdiction, within
six months of the recovery or death of any such person. Such
liability shall be in addition and without prejudice to any liability
for any penalty provided for any violation of the provisions of this
Act.

The terms and conditions of this section shall not become opera-
tive until the first day of July, A. D. 1920.
