WHEREAS on the nineteenth day of June, in Preamble.

the year of our Lord one thousand eight hundred and sixty-two, the Corporation of the County of Hastings passed a By-Law, entitled "A By-Law to borrow thirty thousand dollars to consolidate a portion of the debt of the County of Hastings," and which last mentioned By-Law is numbered in the By-Laws of the Corporation of the County of Hastings, number one hundred and fifty-seven.

And whereas the recitals of the said By-Law, in consequence of an omission, do not state the amount of the annual special rate in the dollar, required for paying the interest and creating an equal yearly Sinking Fund for paying off the principal of the Debentures authorized to be issued under the said By-Law.

And whereas objections have been raised to the said By-Law because of said omission, and therefore it is advisable to remove said objections, and for that purpose to repeal said By-Law, and to substitute other Debentures for those contemplated by the said By-Law number one hundred and fifty-seven.

And whereas by an Act of Parliament of the Province of Canada, passed in the twenty-fifth year of Her Majesty's Reign, entitled "An Act to consolidate part of the debt owing by the Municipality of the County of Hastings," the Corporation of the County of Hastings is empowered to pass a By-Law or By-Laws for authorizing the issue of Debentures of the said Corporation for a sum not exceeding one hundred thousand dollars in the whole, to redeem Debentures now afloat owing by the said Corporation, and which have less than five years to run: And whereas the said Corporation at present

And whereas the annual special rate in the dollar required to be levied for paying the interest at the rate aforesaid, and creating an equal yearly Sinking Fund for paying the principal of said thirty thousand dollars, is one-twelfth part of a cent upon the dollar upon all the ratable property within the limits of the Corporation of the County of Hastings.

And whereas the said value and amount of said ratable property above mentioned, is ascertained irrespective of any future increase of the ratable property in the said Corporation, and of any income in the nature of tolls, interest or dividend, or increase whatsoever from any source whatsoever, or from any investments in any Sinking Fund whatsoever.
