Local Amateurs Present Pleasing Play

The Young People's Club of the Methodist Church presented the play "Oh! Nancy!" Thursday evening in the Opera House here before a packed house. Seating room was at a minimum and the critical audience was treated to a play presented by amateurs, which would have done credit to a professional troupe. The young people worked faithfully and diligently during the rehearsals, under the direction of Mr. A.H. Cole and both instructor and players are deserving of highest congratulations for the most creditable manner in which they presented the play. Each member of the cast took their individual parts exceptionally well and the setting was most appropriate for the occasion. The Methodist Orchestra delighted the audience with an opening selection and Miss McKenzie of Blackville rendered pianoforte selections between the acts. Candy was sold by a number of young girls and the proceeds and results were most gratifying. The following is the program:—

CHARACTERS

Anthony Wheat (Tony) a victim of circumstances..... J. Gough
Burks, his valet, faithful to the end..... A. Haug
Marjorie, a very modern young woman..... M. Gough
Aunt Julia, the Judges' sister-in-law..... F. Price
Barbara, a flapper who flaps..... Mrs. A. Claiter
Mooney, the temperamental maid, with nerves..... M. Atcheson
Willie Peabody, the boy from next door..... A. Clarke
Doran, a plain clothes' detective..... J. Hierlihy
Gran'ma, aged 82, but with young ideas..... A. Stewart
Louise Byers, her companion..... J. Jeffrey
Judge Bunby, the head of the house..... W. Gough
Doctor Aked, a friend of the family..... H. Atkinson
Nancy Brown, the girl from Rosedale..... D. Atkinson
Ebenezer Whittle, the Judge's nephew..... H. Atkinson
Mrs. Ebenezer Whittle, looking for Ebenezer..... J. Copp
Two Little White Lies..... Katherine Jarvis, Lorena McDonald

SYNOPSIS

Prologue—Tony Wheat's room in the Bachelor's Inn.
ACT I—Living room in Judge Bunby's house, an hour later
ACT II—Same room, half an hour later
ACT III—Same old room, the next morning

AUTOMOBILE THIEF ARRESTED IN ST. JOHN

The man arrested last Friday morning on Mill St., St. John admitted that he was a member of a gang which made a number of breaks in the State of Maine recently. The man also admitted that he was with the party which attempted to run down Chief of Police Hopkins of Newcastle while making a getaway from that place and pushed another policeman off the running board of their car. The man's right name, it was learned is Daniel O'Brien, believed to be from Moncton. The man is an convict, having served a term in Dorchester. In the car which was captured in St. John, shortly after the man's arrest, was found a safe-blowing apparatus and instruments for breaking and entering.

ENJOYABLE DANCE

The Rainbow Five held their usual weekly dance in the Town Hall on Friday evening. A large number attended.

BLACKVILLE, N.B. GIRL KILLED IN AUTO COLLISION

Detroit, June 23—In a head on collision between two motor cars here late last evening near Birmingham Mich. Helen Boyes, aged 27 eldest daughter of Robert C. Boyes of Blackville; New Brunswick was instantly killed in company with R.L. Sayers and Harold Boyes a brother.
She has an aunt, Mrs. Haley Phinney at Newcastle and Mrs. John Betts of Millerton is a sister.

OBITUARY

CHARLES GOLDBERG
The death occurred at the Miramichi Hospital after an illness of several months of Charles Goldberg, aged 26 years. Mr. Goldberg came here from Milwaukee, Wis. about three years ago and conducted a beer and grocery store in McCallum street. He is survived by his wife formerly Miss Lizzie Grossman of Newcastle and one child. The body was taken to St. John for interment.

Town Topics

Tid-bits on the Tip of Everybodys Tongue

Vol. No 45 NEWCASTLE, N. B. JULY 1, 1924 FREE

A New Process

Moir's Chocolates with Maraschino Cherry centres have always been delicious — but just taste them now they are being made by a new process!

The new method makes it possible to fill them full with the veritable juice of the cherry itself. Delectable.

Parch stale bread in the oven under slow heat. Then place in meat chopper and sore resultant crumbs in jars with perforated tops. Good for scallops, for thickening soups, croquettes, puddings, fishballs, etc.

HARKINS' ACADEMY HOLDS GRADUATION

The graduation exercises of Harkins' Academy were held Tuesday evening in the Assembly Hall and were largely attended. The principal, Mr. J.H. Barnett presided and the following interesting program was carried out:

Address—Dr. R. Nicholson, chairman of the Board of School Trustees.
Chorus—Anchored—The Class.
Address—Mayor D. S. Creaghan.
Selection—Methodist Orchestra.
Address to graduates—Rev. W.J. Bate, rector of Newcastle.
Chorus—Duty's Call.
Class Prophecy—Fred Butler.
Chorus—Do Your Best.
Valedictory—Miss Katherine Mutch
Selection—Methodist Orchestra.
God Save the King.
The graduating class this year are Raymond Joseph Bateman, Frederick Joseph Butler, Florence Margaret Cassidy, Lillian Gertrude Crammond, Clive Edward Linton, Waldo Howard McCormick, Margaret Adams Murray, Katherine Roberta Mutch, Annes Anna Palmer, Leland Davis Sprout, Gordon James Touchie, James Barry Young.

THE BEAVERBROOK SCHOLARSHIPS

Instructions Received to Award Them This Year

Fredericton, June 24—Acting on instructions which have been received from Lord Beaverbrook, the Beaverbrook Scholarships for New Brunswick students will be awarded this year by the Scholarship Committee, although the future of these valuable awards is still somewhat undecided.

Five years ago, a sum of money was set aside by Lord Beaverbrook as a fund for the purpose of assisting five New Brunswick students each year to obtain a university education. According to the scheme adopted five scholarships were offered each year: one to Fredericton one to St. John and three to the remainder of the province, to be awarded according to merit, financial necessity and character qualifications.

The scholarships amounting to the sum of \$325 per year tenable for four years were offered to students resident in New Brunswick qualifying for university entrance through the matriculation examinations.

The first awards of these scholarships were made in 1920 and the first five recipients were graduated this year from the various universities where they undertook their respective courses.

A.E.L. Booth son of Mr. and Mrs. Arthur Booth Smyth street was among the first to win the Beaverbrook scholarships offered for this area. He was graduated from the University of New Brunswick this year in arts. Since 1920 five scholarships have been awarded each year making a total of twenty awards.

When the Scholarship Committee composed of Justice Crocket, Fredericton; Hon. Wm. Pugsley, Rothesay; and Frank B. Ellis, St. John together with S.D. Simmonds of Fredericton secretary of the committee, considered the matter of the awards for the present year it was found that the original fund had been so depleted that additional amounts would be required in order to carry on awards which might be made this year to the full term. The matter was referred to Lord Beaverbrook, who has since stated his intention of providing for the awards for this year.

SIX MEN ARE SENTENCED TO DEATH

Montreal June 23—Louis Morel; Giuseppe Serafini; Tony Frank, Mike Valentino; Frank Gambino and Leo Davis will be hanged on October 2 for the murder of Henri Cleroux here April 1 when the Hochelaga Bank collection car was held up and robbed of \$142,288 and Cleroux and one of the bandits, Harry Stone were shot dead, unless an appeal or commutation of sentence should intervene in the case of either or all of the convicted men before that date.

The jury in the Court of King's Bench took exactly 11 minutes to agree on their verdict which they delivered at 5:30 this afternoon.

Juryman No. 6 spoke for the 12 and replied to the summons of the clerk of the Court: "Guilt of murder" was first in regard to Giuseppe Serafini.

The names of the other five were then called by the clerk and to each the reply came back in firm tones: "Guilt of murder."

The court after a 15 minute conference between judge and lawyers address the formal enquiry to Serafini if he had anything to say why formal sentence should not be passed upon him. The convicted man's lips quivered; his eyes reddened; a few tears welled over his cheeks and he sighed and shook his head.

The question was then put to Tony Frank, who in a thin weak voice asked for the help of the official interpreter. While the interpreter was being called the invitation to speak was passed on to

Saved From Years of Headaches.

MRS. HONORE VALIQUETTE

The wonders of the famous Fruit Treatment are only revealed when you read a letter like this, which comes from Madame Valiquette, 1183 Notre Dame St. W., Montreal.

"For three years, I was troubled with bad Headaches, Nervous Dyspepsia and Liver Troubles. Then, I began taking 'Fruit-a-tives'. Very soon my condition improved, and thanks to these wonderful fruit tablets I am once more entirely well!" "Fruit-a-tives" is the juices of apples, oranges, figs and prunes, intensified and combined with tonics—and forms a complete fruit treatment for Stomach, Liver, Kidney and Skin Troubles.

25c. and 50c. a box—at dealers or sent by Fruit-a-tives Limited, Ottawa, Ont.

Frank Gambino. "All I have to say said Gambino 'is that I do not know anything about it.'"

After the others had been interpreted the judge donned the black cap and pronounced the death sentence. The prisoners were taken to the Bourdeau jail under guard.

Here and There

British Columbia's agricultural production last year increased in value \$4,000,000 over the 1922 period, figures compiled by the provincial Department of Agriculture show.

A steady increase in the volume of wheat exports from Canada is noted in the monthly statement just issued by the Dominion Bureau of Statistics. In April, 1924, 5,085,465 bushels in all were exported, as against 5,143,304 in April, 1923.

It is anticipated that hundreds and thousands of visitors to the beautiful Annapolis Valley, Nova Scotia, will help to celebrate the famous fruit-district's "Apple Blossom Sunday," which falls on June 8th this year. The entire orchard belt, extending from Annapolis Royal to Windsor, a distance of about 80 miles, is always white and pink with blossom in the first part of June.

Hon. Honore Mercier, Minister of Lands and Forests, speaking of arrangements made in the province for forest protection this year, stated:

"I really believe that the way the service is organized and with the good-will manifested by all classes of the community, who realize the importance of protecting our national domain, the year will be a good one and the losses reduced to a minimum."

The report of the statistician to the board of grain commissioners for April, recently issued, records the heaviest spring grain shipping season on record. The report says that there are indications that all the surplus of the western crops will be moved as fast as transportation facilities permit, as export purchases are to be heavier than usual and all ocean tonnage out of Montreal for May and June has already been engaged, as well as part for the July loading.

Something new in the way of railway equipment is the new storage battery car now operating over Canadian Pacific lines between Galt and Hamilton. The car attains a speed of 35 miles per hour and makes two trips a day in each direction. It has three compartments, general, passenger, smoking and baggage, is of all-steel construction and will accommodate 50 passengers. The service is reported to be giving every satisfaction to the people of the district.

Interviewed in Vancouver as to the success of the round-the-world cruise completed on May 27th by the "Empress of Canada," E. W. Beatty, said:

"To gauge the success of the 'Empress of Canada's' round-the-world cruise one has only to ask the passengers their opinion of the entire trip. I spoke to several while crossing from Victoria and without exception they all expressed their complete satisfaction with the ship, its officers and the arrangements made and carried out since the day she left Vancouver, almost five months ago."

"That is good enough for me. It is simple demonstration that the Canadian Pacific can successfully conduct cruises in competition with any organization in the world and maintain that company's standing as a credit to Canada. The 'Empress of Canada' has carried the Canadian flag over the seven seas and into most of the world's great ports, and the missionary work she has done for Canada in the various countries touched should not be lost sight of. As one result of the undoubted success of this cruise, we look forward with renewed interest to the Canadian Pacific cruises of next season. They include the West Indies, the Mediterranean and another round-the-world cruise which will be made by the 'Empress of France,' already overhauled and fitted with a view to providing the greatest possible comfort for her passengers. The experience gained this year will greatly help in enabling us to make these cruises even more successful than those recently completed."

What do other eyes see?

Ask and answer this question honestly

Your mirror can tell you what other eyes see—if you will consult it honestly, and honestly accept its judgment.

But you need not fear its verdict. Because unlovely skin need not remain unlovely. The alluring youthful complexion Nature gave you may be yours today. Millions of women now follow this simple rule to keep the radiance and beauty of schoolgirl complexion. You can, too.

Just this
Cleanse the skin regularly, authorities say, to keep your complexion lovely, radiant, youthful. But beware of harsh cleansing methods. They injure skin.

Wash thoroughly with Palmolive Soap—each night before retiring. Rub the creamy, foamy lather well into the tiny pores. Rinse—and repeat the washing. Then rinse again.

Then—if skin is dry—apply a little cold cream. That is all. Skin so cared for is not injured by cosmetics, by wind and sun, or by dirt.

The simple, and correct way

You cannot find a more effective beauty treatment, because Palmolive Soap is blended of rare palm and olive oils—famous for mild

but thorough cleansing qualities since the days of Cleopatra. And it is inexpensive.

Be sure you get Palmolive—which is never sold unwrapped. All dealers have it. After even a short period of this treatment you will see a marked improvement in your skin.

Many now use Palmolive for the bath—letting it do for the whole body what it does for the face.

Volume and efficiency produce 25c quality for

10c

THE PALMOLIVE COMPANY OF CANADA, LIMITED

DOMINION OF CANADA FIRST AID CHAMPIONS

These five young women; members of No. 1 Ladies' First Aid Team, Canadian National Railways, Montreal Offices recently won the Lady Drummond Trophy, emblematic of the Championship of Canada in First Aid and Home Nursing. The Canadian National Railways have more men and women taking instruction in First Aid work than any other organization in Canada. Already more than 4,000 have been enrolled in the classes, and the work is being highly organized from coast to coast. It is the aim of the Company to have employees on every train, in every shop and yard, capable of rendering First Aid efficiently whenever the occasion demands. The names of the winning team from left to right, are: Misses May Neate; Olive Doody; Robina Moodie; captain; Sarah N. James and Isabelle Turlington.

ECZEMA

You are do experiment. Use when you use Dr. Chase's Ointment for Eczema and Skin Irritations. It relieves at once and gradually heals the skin. Sample box Dr. Chase's Ointment free if you mention this paper and send 2c. stamp for postage. 6c. a box; all dealers or Edmanston, Bates & Co. Limited, Toronto.

DOMINION DAY

From the wave-washed wharves by Fundy's tide.

To the snow-crowned Western Hills.

The flags float high on our natal day

And the soul of the nation thrills

The crosses bend in the summer breeze

And from each crimson field

Flows the loyal faith to our God and King

That a free-born people yield.

There's a richness poured from our golden fields;

There's a wealth in our wood and mine;

Not from these alone glows our conscious pride—

'Tis the glory of birth and line.

For we hold with our km across the seas

From whence our sires came

By right of birth, by deed and faith

And common pride of name.

And the free held ties of kindred trust

That weld our nationhood

Were sealed on the altars of sacrifice

By the sons of our race and blood.

So we lift our heads with a prouder grace,

While the "Jacks" are flying free

On the day we keep with a firmer faith

In the Land of the Maple Tree.

MRS. BUDGE SO WEAK COULD HARDLY STAND

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health

River Desert, Que.—"I used to have a severe pain in my side. I would be unable to walk fast and could not stand for any length of time to do my ironing or washing, but I would have to lie down to get relief from the pain. I had this for about two years, then a friend told me to try Lydia E. Pinkham's Vegetable Compound as she had had good results. I certainly got good results from it, too, as the last time I had a sore side was last May and I have not had it since. I am also glad of having good nursing for my baby, and I think it is your medicine that helped me in this way."—Mrs. L. V. BUDGE, River Desert, Quebec.

If you are suffering from the tortures of a displacement, irregularities, backache, headaches, nervousness, or a pain in the side, you should lose no time in trying Lydia E. Pinkham's Vegetable Compound.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent you free upon request. Write for it to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario. This book contains valuable information that every woman should know.

MURINE
For Your Eyes
Refreshes Tired Eyes
Write Murine Co., Chicago, for Eye Care Book

Comment Not Needed.

I see that Dr. Schussler, who has had access to documents relating to the quarrel between Bismarck and the ex-kaiser, has published in Germany a new political study entitled "The Fall of Bismarck," writes a correspondent. But surely no addition is needed to Bismarck's own words to Dr. Moritz Busch, on the day of his resignation: "I thought he would be thankful if I were to remain with him for a few years, but I find that on the contrary, he is simply longing with his whole heart to be rid of me, in order that he may govern alone—with his own genius—and be able to cover himself with glory. He does not want the old Mentor any longer, but only docile tools. But I cannot make genuflexions, nor crouch under the table like a dog."

New Anesthetic.

A coal tar chemical for the elimination of all pain in dental surgery is announced. This new chemical is liquid in form, is applied on a pellet of cotton to the gum or mucous membrane surrounding the tooth to be anesthetized or into a cavity prior to excavation where a tooth is to be filled or treated. It produces complete local anesthesia in from two to eight minutes, and eliminates all feeling for from one to six hours. Dr. Klein has extracted teeth and pulps painlessly by the use of this chemical. Its effect is entirely local, so it may be applied with perfect safety, regardless of the patient's age or general physical condition. It leaves no disagreeable after-effect.

"Nerves in Bad State Could Not Sleep"

Mrs. H. N. Tardell, Harrowsmith, Ont., writes:

"My nerves were in a very bad state, and for nearly six months I did not know what it was to have a good night's rest. I could not eat, and never felt well. I heard about Dr. Chase's Nerve Food, and thought I would try it. After taking it for a few days I began to feel better, and soon was able to sleep well at night. My appetite also returned, and I felt stronger and better, and after taking three boxes of Dr. Chase's Nerve Food I was quite well. I have also given the Nerve Food to my little girl, with good results."

Dr. Chase's Nerve Food
60 cts. a box of 60 pills, Edmanson, Bates & Co., Ltd., Toronto

THE UNION ADVOCATE
A WEEKLY NEWSPAPER
Established 1867

Published every Tuesday afternoon, at Newcastle, New Brunswick, by the Miramichi Publishing Co., Limited. Subscription price in Canada and Great Britain \$2.00 a year; in the United States and other foreign countries, \$2.50. All subscriptions are payable in advance. Single copies 5 cents each.

ADVERTISING RATES

 Caps and Black Face Readers 15c per line minimum charge 60c.
 All prices above are for Cash. Persons having no account with this paper will oblige by a remittance with the copy of advertisements. Contract Display Rates on application.

All kinds of Job Printing. Address all communications to MIRAMICHI PUBLISHING CO. LTD. NEWCASTLE, N. B.

SAYS CHAIN STORE MADE REVOLUTION

Cash and Carry Wholesale Grocery Latest Innovation in Trade.

The competitor of the chain store is bringing about a revolution in the wholesale grocery trade, says the Financial Post. This branch of merchandising has held out fairly well in the face of many new innovations in merchandising, but at last a change has come. Perhaps the most radical is that of "cash and carry wholesale" adopted by one of Toronto's houses. Recently it called in its travellers, paid them off and launched the new system of no delivery or credit. Orders not accompanied by checks are sent C.O.D. The experiment is a little young yet to judge of its success.

Another tendency on the part of wholesalers has been to link up with some of the chain or buyers' groups. The latter have been playing havoc with some wholesale prices. Groups of stores get together, prepare lists of what they want, and then present the list to the various wholesalers and get them bidding against one another. It is reported that in some cases they are known to have got prices down as low as cost plus five per cent.

On the other hand, the chain stores are diverting a tremendous volume of business away from the wholesaler, and it is stated that the situation is reported as being

serious for some houses. A rumor from London, Ont. is that conditions in the trade there have become such as to lead the five houses to seriously consider amalgamating into one large company.

This seems to be the day for revolution in the methods of merchandising. Retailing made the start, but industry seems to have taken hold and is carrying the radical methods much further. This is true of many manufacturers of lingerie silk stockings, shoes etc. who have gone in for direct-to-the-consumer selling by employing what is termed the "bell-ringer" method, which is nothing more than employing an army of door to door salesmen. Others are going in for telephone selling, employing expert salesmen and salesladies to call prospects on the telephone. Perhaps no greater progress has been made in selling over the telephone than that of some stock and security houses. Brokers handling issues that do not stand up too well under close scrutiny, also favor this method of selling.

WORDS OF PRAISE FOR BABY'S OWN TABLETS

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for her little ones she will use nothing else. The tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; relieve colds and simple fevers; promote healthful sleep and make teething easy. Concerning them Mrs. Omer LeBlanc, Maddington Falls Que. writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones."

The Tablets are sold by medicine dealers or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

YOUR SUBSCRIPTION

The date of the expiration of your subscription appears on the colored label on your paper. For instance, Aug. 22, means that subscription terminated August, 1922. Look at your label and see if you are in arrears. If you are, we would appreciate a remittance.

DEED FORMS

We have in stock, Deed Forms, Teacher's Agreements, School District School Tax Books, Dor Tax Books, Assessment Lists, Road Tax Books, Poor and County Rates.

Here and There

Although it is only 18 years ago that Alberta became a province, its population has increased fourfold, while the grain yield has increased twentyfold. Even at the present low prices, the total agricultural products of Alberta in 1923 were worth \$225,000,000.

Reports concerning the apple crop in the Annapolis Valley show that the entire crop, including the estimated local consumption, was 1,816,000 barrels. It is reported that 76,000 apple trees and 3,000 plum trees will be set out in the valley this spring.

The railways of Canada up to the end of last April earned \$6,000,000 more than they did for the corresponding period in 1923. This favorable result is due entirely to the fact that the people have been doing more business. All authorities are agreed that such a condition means growing trade.

Nearly 63,700 bushels of high class seed were handed to the Alberta government seed-cleaning plant during the past season. A total of 25,523 bushels of Marquis wheat seed was handed, 3,160 bushels of ruby wheat, 23,073 bushels of Victory oats, 17,862 bushels of Banner oats, and 684 bushels of Bark's Barley.

Three prizes for anglers at the bungalow camps on French River, Nipigon River, and the Lake of the Woods, have been offered to Canadian fishermen by the Canadian Pacific Railway. The trophies are silver replicas of the bass and the trout, and a wonderful reproduction of the head of a fighting muscalonge.

Among the speakers to address the great convention of the Associated Advertising Clubs of the World at London, England, to be held July 14-17, will be E. W. Beatty, K.C., Chairman and President of the Canadian Pacific Railway. Mr. Beatty will speak on July 17, and has chosen as his theme "Building an Empire with Advertising."

Canada's national wealth in 1921 was \$22,195,000,000, according to a report just issued by the Dominion Bureau of Statistics. In the tabulation, agricultural wealth comes first with \$7,982,871,126, nearly 36 per cent of the total and about \$908 per head of population. The Western provinces lead, the Yukon topping the list with \$4,058. The first in absolute wealth was Ontario, to which is credited the sum of \$7,358,000,000, or thirty-three per cent of the Dominion total.

Shipping in and out of the port of Vancouver, B.C., for the calendar year 1923, showed an increase in all departments, according to the annual report of the Board of Harbor Commissioners. Over \$153,000,000 worth of goods were exported, an increase of \$30,000,000 over the value of the 1922 exports, while the imports totalled \$224,000,000, an increase of \$13,000,000 over the 1922 figures. Vessels numbering 19,606, representing a total of 5,427,683 net tons, entered and left the port in 1923, an increase over 1922 of 2,959 ships and 792,289 tons.

A party of 200 Canadian Weekly Newspaper Editors and their wives sailed for Europe on June 11th aboard the Canadian Pacific steamship "Melita." The party will visit the battle-fields of France and Belgium, seeing most important points in those countries, including Brussels and Paris and will be received by King Albert. Later, they will tour England and Scotland and are to be presented to the King and Queen at Buckingham Palace on Dominion Day. Returning on the Canadian Pacific steamship "Montclair," they will visit Belfast, where Sir Robert Baird, head of the Belfast Telegraph, will entertain them. They dock at Quebec on August 4th.

Beauty Flies For Speckled Beauties

Sojourn in the mountains of Northern Quebec is famous as a summer and winter resort. Winter times they use a wingless aeroplane for ski jumping, but in summer they put the wings and a body on, and use it for fishing and swimming. Behind almost every mountain of the Laurentians there is a lake or two—so the plane comes in handy for jumping over the hills to chase the sporting bass and trout to their lairs. The above pretty girl, one of a party of five, has just come in from a flying trip to a nearby lake and is justly proud of her string of speckled beauties.

SHOES SHOES

We extend to you an invitation to visit our Shoe Department, which is the talk of the town

We are showing a line of Summer Footwear that can't be beaten

IN LADIES' SHOES we are featuring all the Latest Creations from the famous Zev Sandal, which is ideal for summer wear, down to the New Loxour, a white Canvas Kid trimmed sandal. This is the Hit of the Season, the largest selling Sandal in U. S. A. and we have it here for you.

MEN

Here you will find the sturdiest of shoe making combined with excellent fit, that the most particular man admirer combined with moderate price—that the most careful buyer can and will pay.

These are features that made the demand for our shoes exceptionally large.

Here you will find the largest assortment of Shoes in town
 Shoes High in Quality and Remarkably Low in Price

Here and There

A party of 50 Australian boys will be the guests of the Exhibition at Toronto from August 30th to September 3rd.

British Columbia is now the third manufacturing province of Canada, with 2,673 manufacturing establishments, over 41,000 employees, invested capital amounting to nearly \$225,000,000 and a value of products of approximately \$260,000,000, according to Government statistics.

New Brunswick in 1923 produced more coal than at any other time in her history. The output for the year exceeded that of 1922 by more than 12,000 tons and amounted to 261,091 long tons.

What will probably be the last big round-up of horses in the West will take place shortly in the range country south-east of Calgary, Alberta, for the purpose of clearing the range of stray horses.

Unsolicited praise from prominent citizens and the press of Alberta is given the Canadian Pacific Railway in connection with the Company's recently announced branch line construction program, affecting the southern portion of the province.

"Perhaps the most noteworthy fact we discovered was the vastly improved psychology of the people of the west to that which existed a year ago," commented E. W. Beatty, President of the Canadian Pacific Railway, on his return from a recent inspection of the Company's property.

The number of big industrial undertakings projected for immediate construction on the coast of British Columbia provides a striking indication of how that province is going ahead. A \$400,000 logging railway up the Skehalis River Valley, a \$1,000,000 mill plant at Chemainus, a \$200,000 amusement centre at Victoria and a \$600,000 sawmill at Port Coghlan, with about \$10,000,000 in power plants in the Seave Lake District are some of the more important and a host of smaller projects are also under way.

Practically all Canada's production of newsprint for export in March was absorbed by the United States. Of March shipments amounting to 127,583 tons valued at \$9,756,530, the United States received 126,848 tons, valued at \$9,617,823.

The concentration camp for emigrants to Canada and the United States maintained by the Canadian Pacific Railway and other steamship companies, is located at Southampton, England. It has an average daily attendance of 600 and, on some days, the number is about 1,000.

Augustus D. Curtis of Chicago, Ill. and Geoffrey W. Bushby of London, England, whom he rescued from death after the latter had fallen exhausted following his flight from within 50 feet of the volcano when the eruption of May 21 occurred.

TEACHERS MEET AT MONCTON

Dr. W. J. S. Myles Demanded a Higher Standard for Teachers

At the session of the New Brunswick Provincial Teachers' Institute in Moncton on Wednesday, Dr. Carter in an address said there were too many examinations in the lower grades, but he thought there should be tests at the end of Grade 8 and Grade 11. He advocated free text books.

A letter was read from the Moncton Teachers' Association favoring holding of the Provincial Institute at Easter instead of June. Carried. On motion, the Institute placed on record an appreciation of Dr. G. A. Inch's long service as secretary and as a teacher in the province and expressed the hope that health and comfort may be his for many years to come in the retirement he has sought.

Principal W. J. Myles, St. John High School demanded a higher standard for teachers else the community's course would be low. The way to do it was to raise the entrance standard and thus put the extra expense of preparation upon the student at home.

Talented Daughters of Dr. and Mrs. Cox

Miss Katharine Cox daughter of Dr. and Mrs. Philip Cox of Fredericton, in a sense duplicated an achievement of her mother, formerly Miss Jennie M. Mowatt of St. John, when the latter graduated from the St. John High School at that time Miss Mowatt won the Governor-General's medal for general proficiency in her work for that year.

HARKIN'S ACADEMY PAST LIST

Miss McMaster's Dept Promoted from Grade 4 to 5. In order of merit: Dorothea Ferguson, George Belyea, Harold Chambers, Charlie Copp, Evelyn Bayle, Gladys Thompson, Mildred Cassidy, Joseph Lifschos, Charlie Arsenault, Annie Brander, Winston McCaull, Vera Crammond, Archie Campbell, Vincent Daughney, Frank Johnston, Edward Street, Clayton Hanley, Frank Craig, Randolph Miller, Myles Wilson, Jean Gremley, Christopher Craig, Alard Burke, Gilbert Burke, Henry Maise, Frederick Collette, Willie Mutch, James Cassidy, Arthur Mulken.

Miss Urquhart's Dept Promoted from Grade 4 to Grade 5, in order of merit: Jean Forsythe, Clyde Brown, Nicholas O'Neill, Charlie Gillis, Helen McKenzie, Willie Pell, Elizabeth Tracy-Gould, Hector Stewart, Jeanie Robertson, Thomas Kingstoh, Anthony Maroney, Marion Malby, Alvida Haug, Thelma McDonald, Warren Russell, Clair O'Brien, Willie King, Annie Flam, Arthur Malby, Ina Dutcher, Bernard Wood, Beattie Grossman, Gordon Taylor, Morrison Malby, Ernest Mandersoh, Marshall O'Donnell, Martin Ryan, Irene McIvor, John Hachey, Percy Blackmore, Norman Mather, Willie Glover, Vernon Graham, Peter Dutcher, Gracie Black, Eddie Landry and Howard Delano will be considered for promotion.

Miss Henderson's Dept. Those promoted from Grade 5 to Grade 6 in order of merit: Audrey Fagan, Cyrille D'Armour, Jean Allison, Edwin Russell, Bertam White, Cedric Douglas, Edwin Lawrence, Louise Arsenault, Carleton Adair, Ray Landry, Fred Palmer, Willie Fagan, Mary Graham, Walter McCormack, Eddie Manderson, Helen Daughney, Billie Dunn, Orlay Thibideau, Laura McIvor, Arnold Russell, Phyllis Harel, Margaret Connors, Borden Bethune, John Matheson, Harry McCormack, Maise Wilson, Lillian Murray, Sadie Wilson, Hugh McGowan, Leonard Thibideau, Adela McGrath, Jeanette Price, Eleanor Hall, Isabel Miller, Ray McGrath, George Pell. To be considered for promotion: James Matheson, Willie Fallon, Earl Martineau, Isabel Stables, Lillian Lifschos.

Promoted from Grade 7 to Grade 8: Arnold Fagan, Jack Stothart, Blair Auld, Dorothy H. Russell, Marion Corbett, Henrietta Ball, Marjorie Ferguson, Elsie Bjurstrom, Jessie Russell, Willis Taylor, Bernice Price, Evelyn Crocker, Robert Reid, Oia Chapman, Dorothy M. Russell, Roubine Arsenault, Sterling Simpson, Jack Copp, Mark Landry, Percy McCallum, Leo Hachey, Beryl Smallwood, Jack Carter, Byron Miller, Jack Galkie, Eugene Mutch, Helen Thomson, Jack Brander, Frank Carter, Bella Harris, Vincent Mandersoh, Beverly Spruel, James Hogan, Joe Maroney.

At her graduation from the Fredericton High School. Last year Miss Dorothy Cox, the elder daughter of Dr. and Mrs. Cox graduated from Fredericton High School and won five prizes; among them one for highest marks in English. This year Miss Dorothy finished her freshman year at the University of New Brunswick and was distinguished in French and English.

PERSONALS

Mr. G. Stothart has been confined to his home recently suffering from a severe attack of gaffs. Mrs. J.B. Weed and daughter Alberta of Portland, Me. are guests of Mr. and Mrs. Wm. Condon. Mrs. John Ryan of Bellingham, Wash. is visiting her mother, Mrs. Andrew Mather. Chief Prohibition Inspector J.B. Athorne was in town last Tuesday. Mr. and Mrs. G.F. McWilliam are enjoying a trip to Montreal Ottawa and Toronto. Miss Bertha Ferguson of Moncton is spending the vacation at her home here. Miss Nan Nicholson R.N. is specializing at the Hotel Dieu Hospital, Chatham.

Dr. F.P. Yorston of Montreal and W.F. Yorston of Campbellton are visiting their sister Mrs. M.R. Benn of Douglastown. Mr. W.L. Durick was in Fredericton last week attending the annual meeting of the N.B. Pharmaceutical Association.

Mr. G.E. McGrath and little son Jack of Campbellton are spending a few days with the former's mother, Mrs. Wm. McGrath.

Mr. and Mrs. T.H. Whalen and Mrs. Percy Gremley motored to Moncton and Sussex on Saturday to spend the week end.

John Fallon, chief of the Fire Dept. left today for Sussex to inspect a fire motor truck which that town uses.

Miss Gwen Belyea, B.A. who graduated this year from Acadia University is spending the vacation at her home here.

Miss Nan McCombs nurse in training at the Royal Victoria Hospital, Montreal is spending her vacation at her home in Chatham Head.

Miss Beulah Beers who has been residing with her sister, Mrs. Herbert Forrest during the past year, and attending Harkins Academy here returned last week to her home in Harcourt.

K.A. Clarke who has been assistant accountant at the local branch of the Royal Bank of Canada has been transferred to Halifax and leaves today for that city. Mr. Cottey of Halifax succeeds Mr. Clarke and has taken up his new duties.

94TH ANNIVERSARY

Last Sunday, the local Methodist Church celebrated the 94th anniversary of its inception in Newcastle. Special services were held in the morning, afternoon and evening. The Rev. Robt. G. Fulton of St. John, President of the N.B. and P.E.I. Conference being the speaker at all the services. In 1830 under the ministry of Rev. Michael Pickles a missionary, the first Methodist Church was built in Newcastle. The building is still standing, and is being used as a wood working factory by Mr. Norman Anderson. The present church was built in 1866 and remodelled and a tower added in 1894. Further repairs and basement were made in 1920. The number of families connected with the church is about 60 with a membership of 118. The present pastor is Rev. A.W. Brown, who left last week for England on a vacation to visit his parents.

Calling Out Troops

To be Left to the Attorney General. Ottawa—The bill to place the responsibility for calling out the militia in civil disputes in the hands of the Provincial Attorney-General was given first reading after two hours' debate. Estimates of the Department of the Interior totalling \$1,600,000 were adopted. Estimates of the Public Works Department for harbors and rivers in Ontario totalling \$473,300 were adopted.

WEDDINGS

BURUBE-ARSENEAULT Cards have been received here announcing the marriage at Lewiston Me., on June 16th of Miss Amanda daughter of Mr. and Mrs. Daniel P. Arsenault and Romeo Burube on Lewiston. The ceremony was performed with Nuptial Mass at St. Peter's Church by the Rev. Father Ferris. The bride was attired in a navy blue suit with hat in harmony and carried a bouquet of sweet peas. After a honeymoon trip spent in New Brunswick they will make their home in Auburn, Maine.

The Real Paymaster

By Robson Black, Manager Forestry Association. By Robson Black, Manager Canadian Forestry Association. Forests are jobs. Trees mean trade. Logs are the raw material, not of lumber or paper, but of pay cheques. It is an incidental matter that it is a very important matter that the forest gives us 120,000 work men supporting a half million of Canadian dependents and distributing 500 million dollars to maintain Canadian prosperity. Conservation would never bother itself in trees if trees were not the substance of human employment. The forest Protectionist would not sweat a drop for a square mile of Spruce if he did not know that some vast industry, a thriving town and a thousand contented homes are tied to Spruce trees by an inseparable bond.

We Canadians set 6,000 forest fires a year and nine-tenths of them through human recklessness but those beacon lights of prodigality mean nothing if they do not tell us that they have put the torch to the livelihood of thousands of men; we have signed an unrenounceable note for our children and our grand-children to pay. Let it be laid down as an ugly and undisturbable fact that in the present situation with forest demand jammed hard against dwindling forest fire must be paid for. Every mile of Spruce or Pine or Fir given to the annual bonfire will have to be bought back by the next generation in higher cost of lumber and paper. I forfeited industries; in dwindling public revenues and a sacrifice of population.

Principle of Church Union Bill Approved

Ottawa, June 27—The principle of the church union bill was approved in the House of Commons at 1 A.M. Friday, when the Brown amendment to clause two, providing that the bill would come into force on June 10, 1925, carried in committee vote, 110 to 57. Clause two was defeated. It is the Duff amendment asking that the courts be asked to rule on the jurisdiction of the Presbyterian Assembly to present the bill and of Parliament to enact it. Nearly two days' discussion in committee had resulted when the House rose tonight, in the adoption of the first three clauses. The vote came at the end of a sultry debate which saw members of the various parties divided against each other. Government and Conservative leaders indicated that every member of the House was committed to no opinion but his own. The Prime Minister, and his senior member of the cabinet, Hon. George Graham, too opposite sides. In the vote however, Messrs Meighen and Folke supported the Brown amendment, as did the whole Progressive bloc. Premier King voted against it, having in mind his amendment to clause 28, which suggests the reference of the question of jurisdiction of the Supreme Court.

The Cheerful Woman

Is One Who Has the Rich, Red Blood of Good Health.

The fact that one woman is bright-eyed, rosy-cheeked, strong and cheerful while another is pale, weak and depressed is due more often than otherwise to the condition of the blood. The way to remedy this depressed state is to build up the blood, and for this purpose there is no other tonic can equal Dr. Williams' Pink Pills. A case in point is that of Mrs. Melvia Abra, Gravelly street, Vancouver B.C., who says: "About two years ago I was a very sick woman. I seemed to be wasting away and getting thinner all the time I grew so weak that the doctor sent me to the hospital, but the treatment there did not help me and I returned home. Then I tried a number of tonics with no better results. At this stage my mother came to me, and as she is a firm believer in Dr. Williams' Pink Pills, she started me on this medicine. I can only say that they did wonders for me. I began to get new health and strength after I had taken a few boxes, and day by day this improvement continued until I was again well and able to do all my household work, and I have not had a sick day since. I cannot recommend your pills too highly and urge those who are looking for health and happiness to give them a trial." If your dealer does not keep these pills you can get them by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

MAIL YOUR REMITTANCE We have rendered our subscription accounts and would respectfully request each subscriber to remit the amount due.

NOTICE

Notice is hereby given that the Assessment List of the Town of Newcastle for the year 1923 remains in my hands as Collector and Receiver of Taxes. All persons who have not paid their taxes before June 26th are Defaulters and unless immediate payment is made, steps to enforce same will be taken without delay. J. E. T. LINDON, Town Treasurer 27-0

SHAD RUNS

According to the results of recent investigations carried on by Mr. A. H. Leim of the Biological Board of Canada, shad deposit their eggs in large numbers in rivers or streams where conditions are unfavorable and where a very large percentage of the fry die either in the egg stage or shortly after they hatch out into fry. The consequence is that in order to keep up the usual number of adults a much larger proportion of the newly born must survive. As a rule, most fish lay far more eggs than are needed. Nature is very prolific. A cod may lay as many as 30,000 eggs in a season. An average sized salmon may lay from 8000 to 10,000 eggs.

These numbers are not all needed to keep up the race. Nature makes allowances for many of the eggs and young being killed. Some of them are eaten by other fish; some are killed by cold; some of the fry may get stranded on the shore or imprisoned in pools which dry up; and many die from lack of food. A thousand and one accidents may happen to reduce their numbers.

The shad eggs and fry are not exempt from such necessities. Shad lay their eggs in fresh water. They come up from the sea during the latter half of May and early part of June. If the water happens to be very cold—50 F. or under—the eggs all die. If the temperature rises as high as 54 F. about 10 to 12% of the eggs live. Consequently if fishermen catch a large number of the parent fish where they are spawning it easily happens that in the course of many years not enough parent fish remain alive to keep up the race. This is what has happened to the shad since 1875 when the fishermen of Canada caught as many as 3,200,000 pounds. In fact they caught far too many—so many in-

deed that a great scarcity resulted in the early years of the twentieth century. In 1921 only 300,000 lbs. were caught or about one tenth of the catch in 1875.

Coming back now to Mr. Leim's investigations; he discovered during the past four years a method by which the supply of shad fry might greatly be increased. The method consists simply in gathering up the eggs where they have been laid in fresh water and transporting them to brackish water. When he did this he found that four or five times as many fry hatched out as when they were left in fresh water. The best temperature for rearing the fry, he discovered to be 65 F.

The people of the Miramichi valley will be asked in due time if they are willing to co-operate with the Department of Fisheries in increasing the shad supply. If they are, it is expected an attempt will be made to do so; but there will be no compulsion in the matter. Fishermen and the public must decide. If they are favorable, what will be expected of them is to restrict shad fishing while the shad are in the river. The season now is about a month long. Fishermen will be asked to consent to reduce this season by a half or even a quarter

so that fewer parent fish will be caught than at present. That will be quite a sacrifice for river fishermen, but there is no other way than this of increasing the numbers excepting by prohibiting all fishing for several years as was done several years ago. It is hoped that if the season is shortened the greatly increased numbers which will result will enable the fishermen to catch in a short time quite as many fish as they do now in a longer season.

MIRAMICHI BASEBALL LEAGUE SCHEDULE

June 30—Newcastle at Loggieville
 June 30—Chatham at Nelson
 July 3—Loggieville at Chatham
 July 3—Nelson at Newcastle
 July 7—Loggieville at Newcastle
 July 7—Nelson at Chatham

RED ROSE

TEA "is good tea"

The ORANGE PEKOE QUALITY makes finer tea and more of it

Agents Wanted To Sell "Magic Gas"

In Counties of Northumberland and Gloucester

"Magic Gas" has proven a mileage increase of 5 miles per gallon of gasoline used. \$1.00 box is sufficient to treat 100 gallons of gasoline, thereby giving 100 times 5 or 500 miles. Figure the average car mileage at 15 miles per gallon, and at this rate you will find that it would take 331-3 gallons of gasoline to go 500 miles. Therefore, are we not right, in saying that "Magic Gas" equals a gallon of gasoline at 3 cents? Certainly we are. If one box gives mileage, equal to 331-3 gallons of gasoline and costs only \$1.00, it is equal to gasoline at 3 cents a gallon. If you were not using this "Magic Gas", you would have to buy 331-3 gallons of gasoline more.

Agents receive good commission and "Magic Gas" is a good seller.

Striking Fish Trophies

Above, Replica of Small mouth bass for competition at French River. Left, The Nipigon trophy. Right, Musky for Lake of the Woods.

These three handsome trophies of unusual and striking design have been offered by the Canadian Pacific Railway for annual competition between guests at each of its three Ontario Bungalow Camps and will be awarded to angler catching largest fish of specified variety in each case.

The trophies have been prepared from exact moulds made of exceptional specimens of fish and, with white metal as a base underneath a dull silver finish, faithful and lifelike facsimiles have resulted. They are displayed to advantage on a black oak panel.

For French River Bungalow Camp a 6 1/4 pound small mouth bass has been reproduced; while the trophy for the Camp at Nipigon is a replica of a 8 1/4 pound speckled trout. A feature of the Devil's Gap Camp (Lake of the Woods) trophy is the realistic and fierce expression of the head of a large muscalunge, with its bristling array of teeth.

It is expected that these trophies will create wide-spread interest and keen rivalry among anglers from all over the continent.

Best of all Fly Killers 10c per Packet at all Druggists, Grocers and General Stores

Here and There

Shipments of grain from the Grande Prairie and Peace River districts over the Edmonton, Dunvegan and British Columbia Railway during the past season have totalled 2,471,000 bushels of wheat and 1,700,500 bushels of other grains.

The longest solid train of red cedar edge grain shingles ever hauled across the continent left Vancouver, B.C., recently for Chicago and the Eastern States. Several other long trains of this product will be shipped in the near future by the Hunt & Merritt Lumber Company, by whom the consignment was forwarded.

A despatch recently sent from London states that Professor Carlyle, of the E. P. ranch, is sailing for Canada shortly, taking back with him a number of brood mares and other stock for the ranch. The Prince of Wales continues to evince the deepest interest in all the doings of the ranch and keeps in close touch with things there.

Approximately the same acreage as produced the West's bumper crop last year will be under cultivation this season. The outlook now is that over 14,000,000 acres of land will be ready for seed under generally favorable conditions. The estimated acreage to be seeded this year, by provinces, is as follows: Manitoba, 4,450,400; Saskatchewan, 3,354,190; Alberta, 3,472,315.

The value of boots and shoes exported by Canada during the year ended March, 1924, more than doubled the value of Canadian boots and shoes bought by other countries during the preceding year. Last year the exportations were valued at \$304,913, and for the preceding year at \$130,034. The United States was the chief buyer, taking 2,227 pairs, with Japan second, taking 1,628 pairs.

Concluding her round-the-world cruise, the national Canadian Pacific steamship "Empress of Canada," docks at Vancouver on May 24th. Reports indicate that this four-months' pleasure voyage under the genial care of Captain Robinson, hero of the Japanese disaster, has been a splendid success, the passengers being loud in their declarations of satisfaction.

During the fiscal year ending March 31st, 1924, Canada exported goods to the value of \$893,325,491, an increase of \$91,660,660 compared with the previous similar twelve months, while she exported \$1,045,141,656, an increase of about \$110,000,000. The total trade increased in that twelve-month period by about \$216,000,000, compared with the corresponding period a year ago.

It is expected that negotiations between the British Government and the Province of British Columbia will lead to the settlement of several shiploads of immigrants from the Hebrides in the province this summer. Each Government proposes to grant \$300, or \$500 in all, to each family and shelters will be provided them close to the sea, where they can engage profitably in their accustomed pursuit, fishing.

The itinerary of the personally conducted tour of the Canadian Teachers' Federation, en route to their annual convention to be held at Victoria, B.C., August 12th to 16th, has just been announced. Starting from Toronto, a special train for the teachers will proceed west by Canadian Pacific Railway, halts being made at Western Canada's chief points of beauty and interest. It is expected that about 150 will make the trip.

That Sweden is capable of sending 25,000 men to Canada as immigrants yearly was the statement of Otto Elander, prominent Swedish editor, when in Montreal recently. Mr. Elander is touring Canada with the object of studying conditions as they exist in Swedish settlements here and reporting upon them to his fellow-countrymen desirous of immigrating to this country.

First Impressions Are Important

In a world where appearances are valued as indexes to character, *Your Stationery* should represent you worthily—always and everywhere.

That atmosphere of character and refinement, which should distinguish all self-respecting correspondence is assured when you place your stationery order with us. If you allow us to furnish your

Letter Heads, Bill Heads, Shipping Tags, Office Forms, Envelopes, Statements, Etc.

they will reflect the dignity and self-respect of the discriminating, and be an excellent advertisement for your business, for a business man may be judged by the quality and style of his printed matter.

The Advocate Job Printing Department

**THOUSANDS OF TONS
OF PRECIOUS METALS**

Canada Occupies an Important
Place as a Producer of
Gold and Silver.

To the end of 1923 Canada had
purchased over \$512,000,000
in gold. The prospect of rapid
increase in the present rate of
production is good, and there is
reason to expect that Canada
will soon become the second
largest gold producing country
in the world, says the Mines
Branch of the Canadian Depart-
ment of Mines.

Gold is found in every province
of Canada, with the excep-
tion of Prince Edward Island,
and in point of value, next to
coal, is the most important min-
eral product of the Dominion.
Present indications, indeed,
point to the possibility of the
value of Canada's gold output
surpassing even that of her coal
during the next few years.

The opening up of the Por-
cupine and Kirkland Lake gold
camps marked the beginning of a
new era in the history of gold
mining in Ontario, which is now
one of the important gold pro-
ducing countries of the world.
Though the first productive op-
erations at Porcupine date only
from 1909, and at Kirkland Lake
from 1913, these two camps had
at the end of 1923 paid out in
dividends over \$34,000,000. With
nearly every producing mine in-
creasing both its proved ore re-
serves and its milling capacity,
and with a number of new mines
rapidly approaching the produc-
tive stage, the gold output of On-
tario, which in 1923, amounted
to \$20,000,000 should show a
marked increase within the next
few years.

Canada's total gold production
in 1923 was a little under \$25-
000,000, of which about 90 per
cent was produced as bullion.

Silver comes second only to
gold among the metals produced
in the Dominion, in point of val-
ue of annual production, and
among the silver producing
countries of the world Canada
ranks third.

Developments at Cobalt have
made Ontario not only the pre-
mier silver mining province of the
Dominion, but also one of the
greatest silver producing coun-
tries of the world. To the end of
1922, this and other northern On-
tario silver camps have contribut-
ed a total of about 325,000,000
ounces, or nearly 11,143 tons of
fine silver to the world's stock.
The maximum annual production
of 30,500,000 ounces was reached
in 1911.

For many years the silver out-
put of British Columbia ranged
between two and four million
ounces annually, largely from
silver-lead mines in the Koot-
enays, but in 1922 this was in-
creased to over 7,000,000 ounces
due principally to the increased
production from the Premier
mine near Stewart.

In Yukon Territory rich silver
lead ores which are now being
shipped from Keno Hill in the
Mayo district, give promise of a
silver production exceeding in
value the present gold produc-
tion of the territory.

The greater part of British
Columbia's production is recover-
ed as refined silver at the Trail
Smelter and Refinery.

In Ontario, much of the ore,
the silver content of the highest
grades of which may run into
thousands of ounces per ton, is
treated at the mines for the re-
covery of silver only, the remain-
ing ore and concentrates together
with the residues from the local
reduction plants, which still con-
tain some silver as well as cobalt,
nickel, arsenic, etc., are shipped
either to smelters and refineries
in southern Ontario, at Thorold
and Deboro, or exported for final
treatment. The final products

derived from the Cobalt ores in-
clude in addition to silver, met-
allic cobalt and cobalt com-
pounds, including the alloy
"stellite," nickel compounds,
white arsenic and insecticides.

To the end of 1923 Canada has
produced over 450,000,000 ounces
of silver. The present rate of
production is about 17,000,000
ounces. Of this about 75 per
cent is exported in the form of
bullion and has been marketed
chiefly in Great Britain, the
United States, Hong Kong, China
and Japan, in the order mention-
ed.

The enormous territory over
which metalliferous ores have
been found; the comparative re-
cent development of the many
metallurgical industries for the
recovery of metals, and the abun-
dance of hydro-electric power
for electro-metallurgical opera-
tions, bid far to show a vast
increase in the production of
these two important metals. The
Mines Department of Canada is
keenly interested in the develop-
ments that are taking place in
gold and silver mining in Canada
and looks for much progress in
this direction.

Calling Out Troops

To be Left to the Attorney
General.

Ottawa—The bill to place the
responsibility for calling out the
militia in civil disputes in the hands
of the Provincial Attorney-General
was given first reading after two
hours' debate. Estimates of the
Department of the Interior totalling
\$1,600,000 were adopted. Estimates
of the Public Works Department for
roads and rivers in Ontario totall-
ing \$473,300 were adopted.

The Doctor Knows
Doctors who know
Minard's by the
work it does are
unhesitating in
their praise of its
healing and sooth-
ing qualities.
Dr. Jos. Aug. Sirs, of St. I-
dore, Que., writes:
"I have frequently used Minard's
Liniment and also prescribe it for
my patients always with the most
gratifying results, and I consider
it the best all-round Liniment."
C. A. King, M.D. also recommends
Minard's in the following words:
"I have used Minard's Liniment
myself as well as prescribed it in
my practice when a liniment was
required, and have never failed
to get the desired effect."
MINARD'S
"KING OF PAIN"
LINIMENT

You are to be the Judge

seen leaving the building. The policemen are members of the Canadian
Pacific detachment from various parts of Canada.

Advertising!

ADVERTISING means directing the attention of others to that
for which attention is desired. If you have a stock of which you
are proud, or a service which you believe to be superior, direct at-
tention to the fact every week in the columns of the UNION
ADVOCATE.

Stretch out the hand of good-will, wear the smile of welcome, and
command the business of the buyers of this community. Do these
things and your business will expand and the profits from your bus-
ness will be greatly increased.

A WORD TO THE PUBLIC.

Do you not feel a certain reluctance about going into shops
that have not invited you to enter their doors? At the shop
which advertises---which invites your custom---you know
that you are welcome.

Local and General News

CROPS LATE
Farmers report that crops are two weeks later than the average season.

BASEBALL GAME
The Harkins Academy Baseball Team defeated the Bathurst High School team last Saturday on the Farnell Field by a score of 30 to 3.

PREMIER ELECTED PRESIDENT
Hon. P. J. Veniot Premier of New Brunswick has been elected President of the Canadian Good Roads Association to succeed Russell T. Healey, Hamilton. The selection was unanimous.

SEASON EXTENDED
The lobster season closed on Wednesday, but the department has granted an extension until July 31 owing to the poor fishing and delay caused at the beginning of the season by the presence of ice on the shores.

WANT HALF-HOLIDAY
A petition has been circulated favoring the closing of stores on Wednesday afternoons during the summer months. Advocates of the movement think the petition should meet with general response; while others are said to be opposed. For the past few years Wednesday afternoon closing of the stores in Newcastle was general.

"GOLDEN CAKE" WEEK
Owing to Tuesday being Dominion Day, it has been impossible to announce this week the prize-winners in the Egg & Butter Contest held by A. D. Farrar & Co. but they will be published in next week's Advocate. This week is the "Golden Cake" Week and many golden opportunities are offered in the form of numerous bargains.

OILING THE STREETS
Regarding what was said recently in these columns respecting the oiling of our streets to cure the dust nuisance, the town authorities have been in correspondence with firms who sell this commodity and who make a business of supplying asphaltic oil for this purpose. It is possible—so rumor has it—that a sample of this oil, now so extensively used throughout the world, will be furnished by the Carritte Company of St. John and tried out on some of our streets.

THE CARELESS ONE
An observer remarks that the time being here when people take to the highway, the forests, the lakes and the rivers, the open season has come for the lunatic who rocks the boat; the boy who didn't know it was loaded, the fellow who takes a berry picker for a rabbit and the motorist who isn't happy until the speedometer registers 60. To this list may be added the fellow who is careless about fire and who may be responsible for the destruction of much property.

I.O.D.E. DONATIONS
The total proceeds of the Lord Beaverbrook Chapter I.O.D.E. Operetta recently presented in Newcastle and Millerton amounted in the vicinity of \$315.00. After expenses were paid a donation of \$20.00 was made to Harkins Academy for the use of the Assembly Hall for rehearsals and the assistance rendered by the pupils who took part in the operetta. The donation was made with the suggestion that it be used for the purchase of a reference library. The I.O.D.E. have also donated this year as in past years prizes for Grades VII and VIII for History in both St. Mary's Academy and Harkins Academy.

SOME TOWN
"This is some town" remarked a gentleman from Nova Scotia on Saturday evening. You said it.

CAMP SITE
What has happened to the camp Site committee? Where are the tourists going to pitch their tents when they arrive here?

EXCURSION
An excursion to Burnt Church on the Str. "Max Aitken" is being held today in order to afford an opportunity for the up-river people to enjoy a picnic at the seashore.

WILL PLAY IN CHATHAM
A number of members of the Moncton Tennis Club will journey to Chatham today to play a tournament with the Chatham Club.

GIVEN PURSE
Prior to his departure for England where he will spend a three month's vacation, Rev. Arthur W. Brown pastor of Newcastle Methodist church, was waited on by the Men's Association Monday evening and presented a well filled purse. Rev. Mr. Brown and son Arthur left Tuesday for England to visit Mr. Brown's parents.

A GENTLEMAN
A man who is clean both inside and out; who neither looks up to the rich nor down to the poor; who can lose without squealing and win without bragging; who is considerate of women, children and old people; who is too brave to lie, too generous to cheat and who takes his share of the world and lets other people have theirs, is a gentleman.

TEACHERS GO TO U. S.
Mr. E. C. Goggin who has been the director of Manual Training in the Chatham and Newcastle schools for the past two years has resigned. After a short stay at his home in Pettitcodiac he will leave for South St. Paul, Minn. where beginning on July 5th he will start in at summer school work and if conditions are as he hopes he will reside there permanently.

Miss Reed who taught Domestic Science has also resigned her position and will take a course at a summer school in New York.

I.O.D.E. PRESENT OPERETTA
The Lord Beaverbrook Chapter I.O.D.E. presented "Cinderella in Flowerland" or the "The Lost Ladies Slipper" in Millerton Hall last Wednesday evening. The hall was filled to its capacity and the large audience enjoyed the performance, which was admirably well staged by the children. The troupe was conveyed to and from Millerton by automobiles and those in charge are well pleased with the results which were very gratifying.

HORSE POWER
How much is a horse power? Thousands of people talk about ten fifty or a thousand horse power without any appreciation of the measure of energy that the figures convey. Some imagine that one horse power is what one horse can pull. As a matter of fact the strength or pulling power of the horse has nothing to do with it. One horse power is the unit or power required to pull a weight of 150 pounds out of a hole 220 feet deep in one minute.

CHATHAM TRIPS CANCELLED
Owing to the excursion on the Str. "Max Aitken" to Burnt Church today to afford the residents of the up-river districts an opportunity to visit the seashore; the regular trips between Newcastle and Chatham will be cancelled. The Steamer, however, will return to Newcastle from Burnt Church at 6 o'clock p.m. and will immediately leave for Redbank.

AN ELECTION SOON
Premier Veniot said last week at the annual dinner of the Canadian Good Roads Association that "Governments may come and governments go; Governments are good and Governments are bad; it is up to the people to make the choice." Before long in this province a choice will have to be made. Will it leave it there?

BASEBALL
Chatham defeated Newcastle on the Farnell Field here last Friday night by a score of 10-2. Somers pitched for the locals and Vano for the visitors.

FIRE ALARM
The Fire Department was called out Friday evening at 6 o'clock for a roof fire in the home of James Murray on the King's Highway. The blaze was soon extinguished and the damage was slight.

ELECTRICAL STORM
During the heavy electrical storm here last Tuesday afternoon several transformers were damaged, but were speedily repaired by the men of the Electric Light Dept.

CARD OF THANKS
The Young People's Club of the Methodist Church, wish to thank the Lounsbury Co. Ltd. for their kindness in loaning to them the furniture and lights used by them in their play in the Opera House last Thursday evening.

TRANSFERRED
Joseph Currie of the Canadian National Express Co. has been transferred from Chatham to Campbellton. Merlin Moar of the Canadian National Telegraph staff has been transferred from Chatham to Bathurst for six months.

CAN SOLEMNIZE MARRIAGES
Rev. G. F. Cowley of Doaktown, Rev. William Rawling Leslie Palmer of Zealand, York County; Rev. Edward D. G. Bridgewater of Centreville and Rev. Mason S. Lidsay, Carleton County, have been registered to solemnize marriages in New Brunswick.

You often hear people talk about how good things were in the good old days. But they are not thinking about tea, for there was never a time in this country when tea was as good as MORSE'S Tea is today. Teas may have been cheaper years ago, but never have they had the perfection of flavor, body and color that you find in MORSE'S Tea today.

FIREMEN'S DANCE
The Newcastle Fire Department intend holding a Dance in the Town Hall on Circus evening, Thursday July 17th. This dance is going to be something out of the ordinary and lovers of dancing are going to be given the opportunity of their life to enjoy a dance worth while. There is to be two dance floors, one upstairs and one downstairs. On the upstairs floor only the latest dances will be indulged in, while on the downstairs floor, the old fashioned dances such as lancers, quadrills, etc.: will be held. There will be an orchestra for each dance floor and dancers will be allowed to enjoy themselves on both floors for the one admission. Further particulars will be given later. Keep the date in mind.

PROTESTS HEARD
The Miramichi Baseball League executive held a meeting in Chatham last Wednesday evening to hear protests. E. W. Watling was in the chair. Others present were Messrs. McCoombs, Nelson; Jeffrey Newcastle; Veno, Chatham; Johnston Loggieville; and the Secretary Hugh Holt of Chatham.

The Nelson-Chatham game of June 16th must be played over. The Chatham team claimed it through default. Nelson protested a game with Newcastle as a player who was benched in one inning was used again. Their protest was upheld and the game will be replayed. The matter of Loggieville's protest of their game with Nelson was not decided. Another meeting will be held this week when further evidence will be brought forward.

Always bears the signature of Dr. J. C. Ayer & Co.

SALVATION ARMY
Captain and Mrs. Capson of the local Salvation Army Corps have received notification of their transfer to Montreal V. and leave on Thursday to take up their work in their new field.

CUTWORMS VERY DESTRUCTIVE
The general report this year is that cutworms are very destructive in all sections. Cutting of whole fields of oats is reported. Garden plants have suffered heavily. Scarcity of toads is held by some to be responsible for increase in cutworms as the toad is a voracious feeder on this insect.

POLICE COURT NEWS
The cases of William and David Stewart and Adam Dickson, who are charged with stealing a horse the property of Mrs. Bertha Harding of Neguac and that of David Stewart and Adam Dickson, with assault and occasioning actual bodily harm to Mrs. Bertha Harding were concluded in the Police Court Thursday and decision reserved by Magistrate Demers. The case arose over the seizure of a horse owed by Messrs. Stewart and Dickson, who are constables.

On Friday Thomas McLean of Bartibogue was charged with theft of \$500 from W. J. Maloney. According to the evidence of the plainiff, McLean and Maloney entered into partnership to buy railway ties and Maloney advanced McLean \$500; which, he claimed was used for personal purposes and not for the purpose specified. Magistrate Demers reserved decision.

Two residents of Blackville named Curtis was before Magistrate Demers on Friday afternoon; charged with burning slash out of season and without a permit. The complaint was laid by Forest Ranger Harry Russell, of Doaktown.

No Speed Limit

"Step on It, Joe"

Never was such fun no time ever as we have on our coaster wagon. Rubber tired, and safety brake, and goes like it was making 60 miles an hour. My Pa got it for us down to Stothart's and My Ma says it saves leather and clothes and gives the youngsters the cleanest and safest fun they ever had.
