ANNUAL GREETING.

WITH mingled feelings of gladness and sorrow the Pastor and Officials of the First Methodist Church greet the Congregation upon the close of another Conference year. Gladness that many souls have been brought to light and life and that over sixty Members have been added to the Church during the year. Sadness that our beautiful Church, which only two years ago was completely renovated inside and out at a heavy expense has been almost destroyed by fire. We cannot always understand God's dealings with His children, but know this trial would not have been permitted had he not seen that it would result in good, in remembering his love and mercy shewn us in so many ways let us as did the Apostle Paul in times long past thank God and take courage. Before this Annual Report has been distributed a still more beautiful structure will have been erected on the old site. The cost of construction has been somewhat heavier than at first anticipated, but every item has been most carefully considered before its adoption and no expense has been incurred that could have been avoided without seriously affecting the beauty and harmony of the whole and if the Membership and Congregation will put their shoulders to the wheel and willingly and systematically contribute liberally to the Building Fund and the regular support of the Church it is hoped the time will not be far distant when our new Church will be free of debt. We would again remind the Congregation that this Annual Report is intended as a complete guide or reference to all the meetings held and work done by the Church and a copy should be preserved in every family. Extra copies can be obtained from the Treasurer Mr. Geo. Rowley or the Secretary and Pew Steward, Wm. F. Martin.

The List of Contributors shewn is believed to be correct and it is hoped that a greater number of our large congregation will obtain envelopes of the Secretary and contribute systematically.

Strangers are welcomed to all our services and the ushers will take pleasure in providing all with seats.

The Pastor again earnestly requests that he be informed of any cases of sickness, and that all persons desiring Spiritual aid or instruction will not fail to inform him of such desire.

Mr. Thos. Stacey has conducted his Class for about forty years and he is the one person remaining of the first membership.

Mrs. John Risdon, the leader of the Class for Girls, which meets Sabbath morning will welcome all the girls of the congregation to this praise and promise meeting and earnestly requests the co-operation of the parents in seeing that the girls attend.

The Young Mens' Class was organized in 1888, by the late Rev. J. W. Annis, who during the year has been called home. While the Young Men regret his loss to the Church they rejoice to know that his works do follow him while he is for ever with the Lord. All young men are earnestly requested to attend for this morning meeting.

By the death of Mrs. Thompson, the Church losses one of its most earnest workers and oldest Class leaders. She will be missed by many who are left behind but will be welcomed by the many who were benefited by her life and are gone before to be forever with the Lord. The interests of her Class is now looked after by the Pastor, Rev. Dr. Hannon as leader.

The membership fee of the Society is twenty-five cents, and it is hoped that all in the School will connect themselves with this Society, and thus have a part in helping the great missionary cause.

The city is divided into districts, each district being in special charge of one of the visitors. Their object is to promote the welfare of our membership, to assist the pastor in looking after new comers, the sick and the destitute. The visitors will be pleased to be informed as early as possible of any cases in which their service is likely to be useful.

THE CHOIR.

It is gratifying to the members of this congregation to report the continued improvement in our choir and with pleasure give expression to our appreciation of their valuable services. The members have spared neither time nor effort to make our choir one of which we are justly proud, as it is excelled by few.

The present advanced position of the choir is due largely to the painstaking labor of the director, Mr. Chas. E. Ayers, who since taking charge has succeeded in securing members possessing the necessary talents, which under his careful training has brought the choir up to its present high state of excellence.

The music rendered by the choir of 35 voices and orchestra of 13 instruments at the Christmas and Easter seasons deserve special mention.

Miss Hugill is entitled to great credit for the punctual and able manner in which she performed her duty as organist.

The work of the League is carried on through a number of committees under the special charge of the Vice-Presidents, as follows:—Prayer and Evangelistic, Look-Out and Sunday School committees, are the special charge of the First Vice-President ; Visitation, Floral and Relief, Temperance and Social Purity are directed by the Second Vice-President ; Literary, Musical, Printing and Christian Welcome, guided by the Third Vice-President. Reception and Introduction of Members, and Social Entertainment are the charge of the Fourth Vice-President.

The object of the League is to provide a meeting of and for our young people, where social and christian influences are blended, and we are pleased to report it successful as shown by the increase of its membership and the interest taken in the meetings which are varied with addresses, etc., and are taken part in by the members. Our young people are showing excellent judgment in the selection of subjects and real talent in the way they present them. They extend a warm invitation to the members of the Congregation to favor them with an occasional visit.
