REPORT OF THE COUNCIL  
OF THE  
ONTARIO RIFLE ASSOCIATION  
FOR THE YEAR 1897.

---

The Council has the honor to submit to the members of the Association the 29th Annual Report of its proceedings, and to report a continued and increasing interest by all concerned in its affairs.

**ANNUAL PRIZE MEETING.**

The Annual Prize Meeting was held at the Long Branch Rifle Ranges on Tuesday, the 24th day of August, and the three following days. The total number of competitors firing on the first day was 268, as compared with 275 in 1895 and 367 in 1896. This heavy decrease and apparent lack of interest in the meeting is no doubt almost entirely attributable to the fact that the arm of the militia force had been changed from the Snider to the Lee-Enfield. The city corps were provided with Lee-Enfields, and did most of their practice with this rifle, whereas the rural corps were still armed with the Snider rifle. There was a marked falling off in the attendance of tyros, there being only 72 competitors to compete for the 60 prizes offered, as against 132 competitors the previous year. We have every reason to expect, however, that the above decrease is more apparent than real, and that the coming season will see an increasing interest taken in rifle shooting throughout the country.

The Association is much indebted to the Corporation of the City of Toronto for a continuance of their liberal grant of \$400.

The general prize list was further improved by the introduction of a Rapid Firing Match, the money for which, \$100, was generously donated by William Mackenzie, Esquire, President of the Toronto Railway Company.

Two "Scurry" matches were introduced, more as an experiment than for purposes of revenue.

The Association is also much indebted to Messrs. Hiram Walker & Sons, of Walkerville, for a handsome challenge trophy, to which is added an individual prize to the member of a competing team making the highest individual score.

The railway facilities afforded by the Grand Trunk Railway during the meeting were satisfactory.

The weather during the meeting was all that could be desired.

The Council desires to acknowledge with thanks the following contributions :

His Excellency the Governor-General: Silver and Bronze Medals.	
The Dominion Government.....	\$1,800 00
The Ontario Government. ....	1,000 00
The Corporation of the City of Toronto.....	400 00
The Canada Company.....	127 75
William Mackenzie, Esq.....	100 00
The Ontario Bank.....	25 00
The Municipal Grants.....	40 00
Messrs. S. Davis & Sons, Montreal, 500 El Padre Needle Cigars.	
Lieut. Mitchell, Gold Medal.	

The thanks of the Council are due to the members of the Executive Committee, the Executive, Range and Statistical Officers for their services during the Meeting, and also to the Press for full reports of the Matches and proceedings of the Meeting.

The duties of Medical Officer were satisfactorily discharged by Surgeon-Major Ross, 77th Battalion.

#### FINANCES.

The Treasurer's Statement of the Finances of the Association, duly audited, is submitted herewith.

The total receipts of the year were \$10,995.45.

The amount received for membership, affiliation and entry fees, etc., at matches, after deducting cost of ammunition, was \$2,635.79.

The amount expended in cash prizes was \$4,012, an increase of \$343 over 1896.

The expenditure of \$42 in connection with the Ranges was necessary in order to give increased accommodation at the 500 yards Extra Series and 600 yards firing mounds.

The adding of a fourth day to the Meeting entailed a considerable additional expense to the Association, and this, coupled with the decreased attendance and an increase in cash prizes given, militated against the financial success of the Meeting.

The claim against the Dominion Government for the amount paid by the Association during the years 1892, 1893 and 1894, for the services of a caretaker of the Ranges, amounting to \$764.50, has been paid.

The balance of assets over liabilities, as set out in the statement of 1896, excluding plant and stores, showed a surplus of \$220.89. According to the statement submitted herewith, there is a surplus of \$108.77.

**RANGES.**

Telephone communication between the Ranges and the city has been established, this being found necessary, and in view of the fact that the regular train service with the Rifle Ranges is unsatisfactory.

The Ranges themselves have been improved by the depositing of a large quantity of cinders for road purposes, etc.

Additional accommodation has been furnished as regards officers' quarters, so that the staff can remain at the Ranges during the Meeting.

All of which is respectfully submitted.

JOHN I. DAVIDSON, LIEUT.-COL.,

A. D. CARTWRIGHT, CAPT.,

7. Two guns will be fired for the firing to commence, one ten minutes before the named hour, to warn competitors to move to the firing points; the second being the signal that firing is to begin. Two guns also at the "Cease Fire," one ten minutes before the named hour, after which no competitor will be allowed to begin his score; the second as a signal that all the scores begun before the first gun are completed.

8. "Blowing-off" will not be allowed.

9. Every competitor must enter and shoot under his own name, and unless otherwise specified, not oftener than once for any prize.

10. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

11. In all competitions except "The Gzowski" competitors will be formed up by threes, according to the numbers on their firing tickets, viz., the lowest number on the left, the highest on the right, the intermediate numbers in the middle, and fire shot and shot *alternately*, commencing from the left. Only competitors firing will be allowed within the firing ropes. No person, except the Register Keeper, or Officers on duty, will be permitted to speak or offer any advice to a competitor after he has taken his place at the firing point.

12. Where only one competitor is present he must fire his shots without undue delay; but the Range Officer or some one named by him must witness the shooting and countersign the Register.

13. Register Keepers are required to call out the value of each shot fired, and the competitors must see that their scores are correctly entered on the Score Board, so that any objection to the score recorded may be investigated before the next shot is fired. The Range Officer is required to see that each score recorded on the firing ticket corresponds with that on the Score Board.

14. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so does not delay the firing.

15. In all team competitions (the Gzowski excepted) the Captain or Officer in command of a Team, and in individual aggregate competitions, viz., the Mulock, Nursery Aggregate, and No. 1 Extra Series, the competitor must hand in to the Statistical Office a claim card, with the scores
