A. 20 No, sir, not to my knowledge.

By the Court

Q. 21 What time did this occur?

A. 21 In the evening after supper. I had been out picking up a truck. I would say it was about 7.30 or 8 o'clock.

Q. 22 These tool kits you speak of, are they fitters' kits?

A. 22 Yes, sir.

Q. 23 Would any of the DRs have similar kits?

A. 23 They have a tool kit on their motorcycles.

Q. 24 Did the accused have one?

A. 24 I do not know. We repair their motorcycles but do not keep track of their tools.

Q. 25 Was this the accused's motorcycle?

A. 25 I do not know.

Q. 26 I presume you have worked a good deal with the accused?

A. 26 Yes, sir.

Q. 27 Would you consider him a willing worker or did he seem to be willing to have obstacles thrown in his way?

A. 27 I might have discouraged him by not allowing him to get in the tool boxes.

Q. 28 Would you have left the job unfinished if you had been in his place or would you have asked permission to use the tools?

A. 28 I think I would have asked permission to have the tools.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

The Prosecution is closed.

EVIDENCE FOR THE DEFENCE

The Defending Officer declines to make an opening address.

First Witness, C93060 Tpr F. DELANEY, HQ Sqn (eH), 5 Cdn Armd Div, having been duly sworn is examined by the Defending Officer:

Q. 29 Would you tell the Court what happened on the night of 17 December?

A. 29 On the night of 17 December I was in my room with Tpr Mannoch when he told me that Tpr Harper had a flat tire on his motorcycle and was going to need the motorcycle in the morning. As a result of what Tpr Mannoch told me I decided to fix Tpr Harper's flat tire. Tpr Harper was out with my bike at the time which has the only complete set of tools. I decided to push his motorcycle from the barracks to the fitters' shop. I went to Tpr McKeown and asked his permission for the use of the spare wheel which was on the front of the truck and some tools. I got permission to have the wheel and tools. I went over to the front of the

1st Guard

A. 29 truck and started to take the wheel off the lorry. I had taken it just about half off when Cpl Bromhead came up and asked me what I was doing with the wheel. I told him I needed the wheel to replace Tpr Harper's wheel because it was flat. He asked me if Tpr Harper was drunk. I told him that Tpr Harper was out on a run. He took the wheel from me and put it back on the truck and I started to explain to him that we needed the wheel for the scheme in the morning. He then decided to let me have it. I took it off again and went to the back of the lorry. There were about three tool boxes sitting at the back of the lorry none of which were locked and one had the lid wide open. I was looking in this tool box when Cpl Bromhead came up and told me to get away from the tool boxes or I would get a hammer bounced off my head. That was enough for me. I went back to barracks and tried to find Sgt Greenhill but could not find him so I went to bed. I knew Tpr Harper would fix his own tire when he came in. About a quarter to twelve Sgt Greenhill came in the room and woke me up. When I was sitting up he yanked the blankets off me and threw them on the end of the bed. He asked me whether I had fixed the tire and I said "No". I started to explain what had taken place with Cpl Bromhead after my attempt to fix the tire. He cut me short and would not listen to me. He told me that either I would fix the tire or I would go to the guard house. I decided to go to the guard house as I did not feel like getting a hammer bounced off my skull. On the way up he asked me whether I had changed my mind and I replied "No".

Q. 30 Do you recall quite clearly Sgt Greenhill coming in the room?
A. 30 Yes, sir.

Q. 31 Did he order you to get up, put your clothes on and go repair that tire?
A. 31 No, sir, he said either you go up and fix that tire or you go to the guard house.

Q. 32 Did your motorcycle have a set of tools?
A. 32 My machine did.

Q. 33 Was the machine you were repairing your own?
A. 33 No, sir.

Q. 34 Did it have any tools?
A. 34 Not the ones I wanted.

Q. 35 Did you have permission to take the wheel and tools?
A. 35 Yes, sir.

Cross Examination by the Prosecuting Officer

Q. 36 Did you inform Cpl Bromhead that you had asked and received permission from Tpr McKeown to use the tools?
A. 36 I told him I had permission to use the stuff.

Q. 37 You did not tell him who had given you permission?
A. 37 Tpr McKeown was the only fitter at the car park at the time.

Q. 38 Give your exact words to Cpl Bromhead.
A. 38 I said to Cpl Bromhead that I had already had permission to use the tools.

Q. 39 Both the tools and the wheel?
A. 39 Yes, sir.

Q. 40 Do you think if you had asked Cpl Bromhead for permission you could have used the tools?
A. 40 I think so, sir.

Q. 41 You did not ask Cpl Bromhead's permission?
A. 41 When I went to the truck in the first place Cpl Bromhead said

A. 41 that he came very close to putting Tpr Harper on charge for that wheel in the first place. He thought Tpr Harper had sent me.

Q. 42 You did not ask Cpl Bromhead for the tools?
A. 42 I asked Tpr McKeown who had the authority to lend the tools.

No re-examination.

By the Judge Advocate

Q. 43 You say the Sgt first came in and pulled the blankets from you?
A. 43 I was asleep and when I woke I sat up.

Q. 44 Did you have any conversation before he yanked the blankets off you?
A. 44 Yes, he asked me whether I had fixed the wheel and when I said I had not, he said I would either fix the tire or go to the guard house.

Q. 45 What did you say?
A. 45 I did not say anything.

Q. 46 Why did you not go and fix that tire?
A. 46 I had already been threatened by a NCO and I tried to explain that to Sgt Greenhill.

Q. 47 Had you any reason to believe that Cpl Bromhead would not have given you any tools to fix the tire?
A. 47 I do not know. As soon as he said he would hit me on the head I walked around and put the wheel back on.

Q. 48 What did he say?
A. 48 He said if I did not get away from the tool box I would get a hammer bounced off my head.

Q. 49 He did not say he would actually do it?
A. 49 No, sir.

By the Court

Q. 50 Were you fixing the tire more as a favour for a friend or did anyone order you to fix it?
A. 50 Tpr Harper and I have been DRs together for a long time and he does things for me if I am busy and I do the same for him.

Q. 51 Have you ever found Cpl Bromhead uncooperative?
A. 51 No, sir, not up until then. I had fixed a tire up there that morning.

Q. 52 Everything was alright then?
A. 52 Yes, sir.

Q. 53 Why did the Sgt chose you to fix that tire?
A. 53 The Sgt is a little down on me.

Q. 54 Why should Cpl Bromhead be so short with you?
A. 54 I could not say sir. I do not think he had any reason to be. I did not insult him but only explained to him why I needed that wheel and then he decided to let me have it.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

Second Witness, H26509 Tpr A.G. MANNOCH, HQ Sqn (6H), 5 Cdn Armd Div, having been duly sworn is examined by the Defending Officer:

Q. 55 On the night of 17 December, were you sharing the same sleeping quarters as the accused?
A. 55 Yes, sir.

16

Q. 56 At about 2330 hrs did you hear Sgt Greenhill come into your quarters?

A. 56 No, I did not hear h'm enter the room. I was asleep.

Q. 57 Will you tell what happened?

A. 57 I awakened to the sound of voices. What I heard was Sgt Greenhill saying "Will you go and fix the tire or will you go to the guard house?". I was told to get up as the accused sa'd he was not go'ng to fix the tire. I did not know just what to make of it at the time.

Q. 58 The first conversation you heard was Sgt Greenhill saying "Will you fix the tire or go to the guard house". I did not know just what to make of it at the t'me.

Q. 59 The first conversation you heard was as you quoted Sgt Greenhill as saying "Will you fix the tire or go to the guard house?

A. 59 Yes, sir, It must have been the first conversation for I am a very light sleeper.

No Cross Examination.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The w'tness w'thdraws.

The Defence is closed.

CLOSING ADDRESS BY DEFENDING OFFICER

It is the contention of the Defence in the case of the accused that he never was given the actual order "Get up, put on your clothes and fix the tire". We have Sgt Greenhill's evidence but to counter that we have the accused's own evidence. While there is non compliance, I submit, anyone of us would be inclined to be uncooperative if awakened by having the blankets yanked off your bed.

On this occasion it was just the night before a scheme, the first scheme in this country. The condition of the vehicles was not good and everyone had to pitch in and help to get them in running order. He did not have to fix this tire for the motor-cycle belonged to Tpr Harper. The accused took this tire up to the garage and started in to fix it and as he says himself, an irate fitter comes up and says "Get out of that tool box or I will bounce a hammer off your head. I think it is difficult for a lad to stay around a place which has an attitude like that. I do not think a great deal more need to be said about it but I think if the accused was good enough to volunteer to fix the tire, the NCO should be considerate rather than order him to fix the tire.

CLOSING ADDRESS BY PROSECUTING OFFICER

The Prosecution submits that the accused did volunteer to mend the tire, but in mending this tire he took on a duty. He took on the duty of fixing it and took it upon himself to finish that duty. By not completing that task he was failing as a soldier and furthermore he did not report it to his Sgt.

The accused did not ask Cpl Bromhead for permission to use the tools knowing that Cpl Bromhead is NCO in charge of fitters' lorry and its kits. He unfortunately did not clarify the situation to Cpl Bromhead by telling him that Tpr McKeown had given him permission to use tools from one of the tool kits.

The accused was subsequently ordered by Sgt Greenhill to do the job and the command was one relating to a military duty and the accused by not completing that task was impeding a military proceedings, there being a scheme the following morning, when he did not obey the lawful command of Sgt Greenhill or of a superior officer. He could have asked for redress later if he thought he was not getting a fair deal.

Summary of evidence in the case of C-93060 Tpr: Delaney, F. HQ Sqn., 5 Cdn Armd Div, Cdn Army Central Mediterranean Forces.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS

M-49927 Cpl. Bromhead, O.L., HQ Sqn 5 Cdn Armd Div, having been duly sworn, states:

On the night of 17 Dec 43 I got out of a truck at the car park that I had just towed in. Tpr. Delaney was removing the rear wheel of a motorcycle from the front of our Fitters Truck. I asked him what he was doing and he said he was going to put the wheel on another motorcycle. I ordered him to replace the wheel on the truck. Tpr. Delaney argued with me so I decided to let him have the wheel and tire to put on this motorcycle. I beleive he said he had to change the wheel and tire of another motorcycle. Tpr. Delaney then went around to the back of the truck. I went around to the back end of the truck myself and found him working in one of the boys' tool boxes. I asked him what he was doing and he said he was getting tools to remove the tire & wheel. I told him to leave the tool box alone as the tools belonged to someone else. He answered that he needed tools to change the tire and I told him that I didn't care what he wanted or what he needed and that if he wanted tools to ask the boys or myself for them. He said it did not matter to him if the tire was changed or not and walked off.

The accused declines to cross examine this witness.

...61409 Sjt Greenhill, AJ, HQ Sqn 5 Cdn Armd Div, having been duly ...orn, states:

At approximately 1800 hrs Tpr Delaney approached me saying that he was going up to garage to repair Tpr Harper's motorcycle. I said O.K. After completing my work at approximately 2330 hrs I went up to the garage to see if the motorcycle had been repaired. I noticed that the tire was still flat. I went up to the barrack room and found Tpr Delaney sleeping. I woke him up and asked him why he hadn't repaired the tire. He answered that he'd had words with Cpl. Bromhead and that he wasn't fixing any tire around where he (Cpl Bromhead) was. I explained to Trp Delaney that he was repairing the tire for me and the troop and not for Cpl. Bromhead and for him to get up to the garage and fix it immediately. He just pulled the blankets over his shoulders and said he was fixing no tire that night and that he was staying where he was. I explained why it had to be fixed that night, owing to the fact that the Div scheme began on the morning of the 18th Dec. I also asked him why he did not report to me that he had not repaired the motorcycle. He did not answer so I told him that he'd either fix the motorcycle or be put under close arrest. He repeated that he wasn't fixing any bike that night. I placed him under close arrest and marched him up to the guard room I gave him an opportunity of reconsidering his decision and he said "No" that he had made up his mind and that he didn't want any breaks from me.

The accused declines to cross examine this witness.

Defence - Closing Address.

It was not clearly established that the order was given and it was merely a matter of the accused word against Cpl. Kelly word. There may have been a non compliance with an order, but no disobedience.

Prosecution - Closing Address.

The prosecution despised every point that the command was given, it was a lawful command, the order was not carried out and he showed wilful defiance by blowing his top.

Plea of Mitigation by Defence on 2nd Charge.

There was a certain vagueness in the manner in which the order was given and the accused has been a good soldier with very few crimes and only minor ones.

Plea of Mitigation on 2nd Charge.

The accused was not absent long. He was at a pub with friends and left at 2130 hrs giving him plenty of time to get home. To get home earlier he took a short cut that his pay had used the previous day on a compass march. He got lost on the way and was late getting in. He left the pub early showing that he wanted to get home on time.

SUMMARY OF EVIDENCE
in the case of

D62392 Pte GERALD EDWARD DELANEY, 1st Bn The Black Watch (RHR) of Canada, a soldier of the Canadian Army, Overseas.

The accused is informed of his rights.

The C.O. directs that the evidence be taken on oath.

First Witness Prosecution — D81312 Cpl Kelly A. 1st Bn The Black Watch (RHR) of Canada, having been duly sworn, States: "I was Coy Orderly Sergeant on 3 Sep 43 of A Coy 1 RHC. and in that capacity, at approximately 1720 hrs on 3 Sep 43 I warned the accused a memb r of A Coy, for escort duty at Bn Orderly Room at 1800 hrs that day. This meant he had to get ready immediately. He said: "Fuck it, I am going to the show." I then told him that he was up for office. He failed to appear at the appointed time and place. Also that night at 2200 hrs, I called the roll and found Pte Delaney absent. I rechecked again at 2245 hrs. He was still absent. I then turned the absentee report into the Bn Orderly Sgt. When I returned the accused was in his bed."
The accused declines to cross-examine.

Second Witness Prosecution — D81243 Sgt Willoughby James, 1st Bn The Black Watch (RHR) of Canada, having been duly sworn states: "I am Provost Sgt of my unit. Whilst on police duty at the far end of the road entering camp from Southwick on the night of 3 Sep 43, I checked the accused for coming in after hours. It was approximately 2230 hrs. I took his paybook and informed the R.S.M. of the time accused came in."
The accused declines to cross-examine.

First Witness Defence — D62451 Pte Blount, W.P. 1st Bn The Black Watch (RHR) of Canada, having been duly sworn, states: "At approximately 1720 hrs on 3 Sep 43 Cpl Kelly gave Pte Delaney an order - Something pertaining to his being an escort or something I did not hear Delaney refuse. He grumbled that's all I heard. Just a beef."

After being duly warned under RP 4(e), the accused elects to make the following statement:
"At approximately 1730 hrs on 3 Sep 43 I was told by Cpl Kelly to appear as escort before the C.O. as I was all dressed to go out I started to complain and I more or less blew my top, but there was no definite refusal to obey his order. That's all."

Certified that RP 4 has been complied with.

Defender's final address.

Gnr. Delaney is a conscientious soldier, though moody sometimes. He felt you is not going fast enough and wanted to take larger share in it. That accounts for his lack of cooperation on occasion. I have known him for 7-8 months in 20th Bty. I know his name was considered for promotion to L/Bdr., as he was known to be conscientious

2.

soldier though he did not share in off-duty activities of men. that attitude was merely because he felt ourtg. was not complete as it should be that we were not doing enough to finish the War. I believe his defiance of L/Cpl. was an attempt to bring some of his grievances to the fore.

Statement in mitigation by accused.

Previous to one month ago, I had a good record of 4 years' service in the Ldn. Army. I wish to point out reason for this behaviour. Due to previous service under fire, I got used to quick decisions & constant action, during the Spanish Civil War. After 6 months of action in front line I was captured & held prisoner for a year in Spanish concentration camps. There I witnessed the beastliness of Fascism, which prompted me to want to get back at them as soon as possible. That is why I enlisted again less than 1 mo. after leaving last conc. camp when war seemed imminent with Germany. Ever since then (1 Sep. 39) I have been very anxious for action against enemy. Therefore I have waited since time I left Fascist Spain till present date (over 4½ yrs.) to try and do my bit to defeat the enemy. I feel, under present circumstances, I can no longer continue my life as a soldier waiting for action. I feel I must be sent into action at once either to fight or to work [illegible] forces already in action. The last statement

of my personal opinion of character: I am impatient, impulsive, and a very serious thinker of the cause of this war, and a firm believer that we could have had action at least a year ago. I consider myself abnormal and wish to have a psychiatric examination due to my anxiety & nervous. I feel I deserve special treatment.

On approximately 2 Sep 43 at approximately 0900 hrs I informed L/Bdr. Weaver, that he was to take P.9003 Gnr. Delaney from the guardroom to carry out various fatigue duties that were laid down by myself, and also to clean up the paper and debris from the camp area, also to clean up the Nissen huts that had been used previously for Court Martials. I then went with L/Bdr. Weaver to the guardroom to inform Gnr. Delaney that he was to be detailed for fatigue duties.

I asked Gnr. Delaney if he had his fatigue clothes with him, which he informed me that he did. At that time Gnr. Delaney inquired as to what the nature of the duties were. My answer to him was that he would be informed of his duties later.

Gnr. Delaney then told me that if the nature of the duties were in the interests of the war effort he would do them. I then told Gnr. Delaney that he was undergoing Detention and that he would do such duties as he was ordered to do.

I then left the guardroom and was standing outside waiting for Gnr. Delaney to change into his fatigues. I had been standing outside approximately ten minutes when the Sgt. of the Guard came out and reported to me that Gnr. Delaney refused to go and work.

I then came in and spoke to Gnr. Delaney and asked him if he refused to carry out my order. He informed me that he did.

SUMMARY OF EVIDENCE

In the case of H IO3422 Private ROY EDWARD DELANEY (UNPOSTED) on strength of 2nd Canadian Infantry Reinforcement Unit.

By direction of the Commanding Officer this Summary of Evidence is taken on Oath.

First Witness Prosecution — H 4I448 C.S.M. Suhr, N.S. (Royal Winnipeg Rifles) attached to 2 Canadian Infantry Reinforcement Unit having been duly sworn states:

I am No. H 4I448 C.S.M. Suhr of the Royal Winnipeg Rifles, 2 Canadian Infantry Reinforcement Unit and am acting in the capacity of Company Sergeant-Major for "D" Company. I was present at Company Orders on the 8th of April, 1945, at which the accused, Private Delaney, whom I now recognize, was also present. This is what occured: As a result of not being on church parade Sunday, April 4th, 1945, the accused with others from the company, were charged with being absent from this parade. He was brought before the Company Commander, Major Hodge, to answer the charge, and when questioned by Major Hodge why he did not attend the church parade, the accused answered it was because he was Jewish. He was again asked by Major Hodge whether he was a genuine Jew, and the accused answered "Yes Sir". As a result of these statements by the accused, the charge against him was dismissed. After I marched him out of the Major's office I asked the accused for his paybook. Not being in possession of his paybook I instructed the acting orderly Sergeant, Corporal Peggie W., to accompany the accused to the lines and pick up his Part I paybook. Being suppertime, the Corporal was unable to get back to the office and I went through the lines where I saw Corporal Peggie who had the accused's paybook. I checked the paybook and found that the entries in the paybook regarding the accused's Religion were R.C. His father was Irish and his mother was English. I called the accused out of the meal parade and asked him to produce his identity discs. On examining these discs I found them to be stamped R.C. religion. I then questioned him further on the difference in records and the differences of his religion, and he replied that the entries in the paybook were wrong, that the stamping on the identity discs was wrong, that he was a Jew, and his attestation papers would show it. I instructed the accused to be at the Company Orderly Room at 1830 hours that evening. Meanwhile I attended at the Records office and had a Record Clerk check the accused's record. The record showed that the accused had enlisted as a R.C. That evening at six-thirty I paraded before the Company Commander where the accused was questioned at some length in connection with the religion of the accused, and also previous statements that the accused had made. As the result of this questioning I was instructed by the Company Commander to lay a charge against the accused for deliberately telling a lie.

Cross-examination by the accused.

1 The Company Commander asked if I was a bona fide Jew. Is that right? I answered "Yes Sir"

Ans: That's right.

2 The Company Commander told me that my attestation papers would show I was a R.C. Is that right?

Ans: I don't recall that remark being made, but it could have been said.

3 Is it not right that I merely stated that I thought my

attestation papers would show me as Jewish?

Ans:No.

Report:- M Test C plus. Category A.

Awaiting trial by court martial of charges of conduct to the prejudice, disobedience, and insubordinate language.

Born Calgary,Alta. 10 Feb 22
Enlisted Aug 1942 (called up)
England Mar 1943

According to soldier, family history is negative, childhood history negative. Left high school grade 12, aged 18. Didn't care much for sports. Says he wrote novels and plays. He wrote a few songs which he says he'll get published one of these days when he gets around to it. He didn't care much to associate with other girls and boys in school. He was interested in religion and wrote about it. He is very vague and superficial in his ideas and evasive in his answers. Says he was at Illinois University for 1½ yrs--expelled for writing "propaganda about religion"-then "roamed about a bit."

He seems very superficial, it appears hard for him to give an accurate picture history, his motives are inconsistent. He feels indifferent about many things.

CONCLUSION: Soldier is probably a simple schizophrenic. Diagnpsis requires further observation.

DIAGNOSIS: N.Y.D. (N)

RECOMMENDATION: Admission to Basinstoke Neuro Hosp.

PLEA OF MITIGATION

Pte. Alexander Delaronde, H-64622, enlisted in the army in Aug, 40, in the Cameron Highlanders, while he was employed as driver. Due to his category, (he has only one finger on his right hand), he was discharged Apr. 20, 41. He re-enlisted in the R.C.O.C., July 10, 41, and was sent to Barriefield where after a few days he volunteered for overseas with the 1 C.B. W/S. Came overseas in March 42 and was given guard and fatigue duties but was not allowed to drive due to his disability. Received no satisfaction on his repeated requests to drive. In civilian life he had driven a considerable time for the Public Parks Board of Winipeg. It is difficult to make a man like Pte Delaronde understand that though he drove in civilian life and for six months in the army in Canada, he shouldn't drive overseas. He became very dissatisfied & lost interest from the start, was transfered to #3 Mobile Laundry, Oct.42, where he again asked if he could drive and was refused bluntly. In Sicily he repeated his request without any satisfaction. His past conduct in the army has resulted in his frequent dissatisfaction of being unable to anything but Guard Duty and Fatigues.

He has not heard from his wife for over a year, consequently an investigation has been requested (copy of request attached). In addition he has received a letter from his Aunt, telling him his wife apparently is going with another man, who she (the wife) refers to, as her husband. Pte Delaronde has this letter with him. It is felt that a mistake was made at the time Pte Delaronde re-enlisted, in that the army authorities should have taken more interest in his disability and the duties they considered he was capable of performing, particularly with the history of his previous discharge on record.

Chief Paymaster,
Canadian Army (Overseas).

H-64622 Pte. DELARONDE, A.

1. Receipt is acknowledged of copy of MFM 19 submitted by your office re the m/n AP in favous of his Wife wef 3 Oct 45.

2. In parading to this office for AP action, the soldier concerned informed that he has not heard from his Wife, Mrs Louise Delaronde for over a year and that her last known address is 549 Richard St., Vancouver, B.C. and not 420 Notre Dame Avenue, Winipeg, Man., Canada.

3. In view of the above, Pte Delaronde has requested that an investigation in his Wife's behaviour be made with a view to having DA cancelled if necessary.

4. Pte. Delaronde was interviewed by this Unit's Chaplain who is under the impression that the fact that this soldier has not heard from his wife for so long and cannot obtain any information in her regard has had a lot to do with his recent activities and moral ~~ex~~ and recommends that an investigation of this case be made.

5. May this matter be brought to the attention of the DAB, please with a view to having their usual investigation carried out in such case with advice to this office in due course of the action taken.

(J.E.R. Duchesne), Capt.,
Paymaster,

MINUTE II

In view of the fact that Pte Delaronde does not seem to have heard from his wife for over a year, it is recommended that an investigation be made.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Statement of H64632 Pte DELARONDE A made under oath

J.S.R.

I tried to enlist with the Cameron Highlanders of Canada in 1939 but was turned down because I had three fingers missing on my right hand. In 1940 I enlisted at 100 C.A.T.C. as a driver with category B1. I was a driver there for 6 mos. I wanted to get with an active unit for overseas but the C.O. wouldn't send me. On my own request I was let out of the army and went back to my job at the Winnipeg Public Works Board. I worked 2 mos. A sergeant from M.D.10 told me that Ordnance were recruiting B1 men for overseas. In July 1941 I enlisted again at Winnipeg, this time as a driver with the R.C.A.O.C. I was told that on completion of Basic training I would be given a Driver Mechanics course. After basic training I was sent to the Robinson Trades Training School, Winnipeg. There I was put on general fatigues around the school from November 1941 to January 1942, and never got the course. I was sent to Barnsfield and the O.C., Major Teams, said I might get my trade down there.

I was sent overseas in March 1942 with a draft for base ordnance workshops. While at Borden, England, I tried to get a driver Mechanics or Mechanics course. I had no luck and finally I was asked if I would like a spray-painter's course and agreed to take it if I couldn't get the driver's course.

In the end I never got either course. JSR
I was sent to No. 3 Cdn Mobile Laundry.
The O.C., Capt Bonnell wouldn't let me drive
because of my hand. I worked as a general
fatigue and fireman with that unit. Came to
Sicily with the unit in August 1943. Went
to hospital in Saracusa, Sicily, with malaria.
From hospital I went to No. 2 C.B.R.D. In April
1944 I was sent to 5 Cdn Armd Bde Wksp.
I was posted to Stores Section and the
Staff Sergeant in charge promised me a driver's
job. After a driver's test he stated he didn't
think I could handle a steering wheel on
rough roads. I stayed with my unit until
after the Hitler line, as fatigue man.

Questions enumerated under each.

Speech by defending officer in mitigation of punishment

Pte Delaronde enlisted with a very good motive, better than many of our earliest recruits. He had a good job and his physical handicap would have enabled him to stay out of the army had he so desired.

He had been ~~disillusioned~~ told and given to understand by persons in authority that he could be a driver, and indeed in 1940 for 6 mos he was driving in the army. This is his trade and civilian occupation and the one for which he is best suited. Therefore when he was later given a chance to enlist on the promise of overseas service and a trade's course for driver he enlisted again. He has seen his course and the man has become greatly disillusioned. He should not be held too strictly to account for his fed-up feeling and long list of A.W.L.'s. Absent all he had rec'd from the army is a term in hospital for malaria and months of employment as a general fatigue man.

True, his record is not a good one. But in the first instance the army let him down. ~~and [illegible]~~

He has learned nothing of service to himself in future days. Someone else has probably got his job by now. It is not a story that makes good reading, nor good advertisement for our army.

In closing I would ask the court to consider the man's earlier record and good motives in awarding sentence. Also the period he has spent under arrest. A recommendation for reward with a view to discharge would seem to be in order, if he cannot be given a chance to pursue his trade in the army.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP* 35 *fn* 3. *2. MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

B5. The Summary of Evidence is marked Ex. A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

F.E. Price Lt.

Montreal, Oct. 29th 1944.

Hello Son;

Received a letter from you on Saturday, were glad your well, I don't like to write this letter but you see mother isn't well, she's under the doctor's care, she'll be passing an x ray & she might have to go to the hospital. it didn't help her any, when you went into the infantry, you see the doctor says that she shouldn't have any worries at all, show this letter to your commander & try & get your leave to come home, don't imagine that this letter is a fake & to get you home, because its not, Neal & Rose can tell you & also Fernand, Neal & Rose passed practically three days here & so what I'm writting is the truth, we didn't write before because we didn't want to worry you, but now I think you should know, if your commander wants the doctor's certificate, we will send one on. This letter isn't

carrying good news. But mother has been sick for quite awhile so soon don your best to come home. I guess I'll say good- night. hoping to hear or see you soon.

Your loving Sister Fenny.

P.S. Take good care of yourself.

Q. Transactions. can you explain:

A. 18 Jan 44 I went on leave Pte McNeil & Vine asked me if I would get their pens repaired. I said yes and Pte McNeil gave me a 10s note to cover cost of repairs of the 2 pens. On my return we were to settle accounts any change to be returned or else they would make up a deficit to me. During my leave I did not get the chance to get the pens repaired not til the 26th Jan 44. On that day I went to a repair shop in Manchester and I left the pens there. The next morning I went to the shop again and they could not repair the pens. I went back to where I was staying and Mrs Barnett whom I was staying with said she would get them repaired. I produce a letter from Mrs Barnett re fixing of the pens. I come back & compare the 27 Jan 44. I told Vine & McNeil that the people I stayed with on leave were looking after the pens and would send them to me as soon as the repairing was finished. When the letter & pens arrived the daughter of Mrs Barnett was to bring the pens to Guildford. She arrived with 9. Feb 44. in Guildford. I received a wire in the evening of 11 Feb 44. a letter the next morning arranged a meeting for us. (Letter & wire produced) I had been paraded to Lt Col. Tacheron in the aft. of 11 Feb 44. and was placed under open arrest for further misbehaviour. On next day when I received the letter from Miss Barnett arrangements were made for an escort to accompany me & get the pens. I did not like to ask for the return of the 10s because they were

good enough & keep me for the 18 day's leave. On the morning of the 13 of Feb. I returned to pear the legal officer. and intended to pay 10s to Pte McCaul on Pay day.

On Pay day 29 Jan 44. I borrowed 10s from Pte McCaul a few days later and the 5s which I was to pay back on pay day. I was put on draft in the meantime & Pte McCaul was worried about her money. The draft was to be paid Feb 12. 44 I was struck off the draft on account of the charges pre & I was not paid. I didn't pay the money back on the 14 of Feb. because proceedings had been started on the case & I was advised not to do so.

He said I would take 15s as it was now. So I went to Guildford that night and saw a civilian who agreed to have the watch repaired if possible & pay one pound or if not possible to be repaired purchase for 10s. Pte Vien agreed to this and the watch was left with the man. I have not seen him since. I borrowed 10s from Vien & go to Guildford to and the man he gave me a pound. and I couldn't get it changed. I recommend the accused to the mercy of
the court. He is a married man and his family would
be affected by any punishment given to him. May it
please the court to consider that the accused
has been under arrest for a period of 11 days.

Court is closed

Closing address for the defence

Mr. President, Gentlemen of the Court.

The accused is being charged with fraudulently misappropriating property belonging to a person subject to Military Law on the 1st. and 2nd. charge.

May it please the Court to consider that the accused was prevented from reimbursing the money he had borrowed because:

1. He was withdrawn from the draft and consequently was not paid on the day he expected to be and was subsequently placed under arrest
2. As proceedings had been taken against him, the accused was advised by an officer not to reimburse the money as it would not help him in any way.

The accused has given explanations why the watch was not returned to Ste. Claire. It is unfortunate for the accused that he did not take precautions to ensure the identity of the civilian who was to return the watch and to ensure the return of the watch.

The accused did borrow some money and money was entrusted to him but the accused has shown the

Court that he acted in good faith and is still in a position to pay back the sums of money owed to him.

Because of these reasons, I request that the Court find the accused NOT GUILTY on all charges.

By direction of the Commanding Officer, this Summary of Evidence is taken on oath.

First Witness for the Prosecution.

E-109059 Pte McNeil, H., CIC, on the strength of No 6 CIRU, having been duly sworn, states as follows:

On or about 15 Jan 44, I asked L/Cpl Delcourt, who was proceeding on leave, if he was kind enough to have my pen repaired. Receiving an affirmative answer, I handed him my pen, together with ten shillings (£0.10.0) to cover the cost of the repairs. At the same time Pte Viau handed him a pen to be repaired at the same time as mine. Upon his return from leave, L/Cpl Delcourt told me that the pens were not ready yet, but would be ready in a few days. On or about 26 Jan 44, the accused asked me for a loan of ten shillings (£0.10.0), which I lent him reciving his promise to pay me back on pay day. About 29 Jan 44 he again asked me to lend him five shillings (£0.5.0), which I did. My pen was subsequently returned to me unrepaired and without the money that was to cover the cost of the repairs. None of the money which I lent the accused has yet been returned.

The accused declines to cross-examine this witness.

Second Witness for the Prosecution.

D-114732 Pte Viau, F., RCOC, on the strength of No 4 VRD, No 1 CCOD, having been duly sworn, states as follows:

On or about 15 Jan 44, I asked L/Cpl Delcourt, who was proceeding on leave, if he was kind enough to have my pen repaired. Receiving an affirmative answer, I handed him my pen. At the same time Pte McNeil handed him a pen to be repaired, together with ten shillings (£0.10.0), which was to cover the cost of the repairs of the two pens. Upon his return from leave, L/Cpl Delcourt told me that the pens were not ready yet, but that he would get them back in a few days. On or about 26 Jan 44, I asked the accused if he could get my watch repaired. Receiving an affirmative answer, I handed him my watch, giving him at the same time instructions not to have it repaired if the cost of such repairs was to be higher than ten shillings (£0.10.0). He offered me then shillings (£0.10.0) for the watch, but I refused to sell it. L/Cpl Delcourt has not yet returned my watch, although I have asked him for it several times. On the 29 or 30 Jan 44, the accused asked me for a loan of ten shillings (£0.10.0). Not having anything lower than a pound, I gave him the pound with instructions to have it changed and to return the balance to me without delay. The accused has not yet returned either the ten shillings that he borrowed from me or the change which I had coming from the pound, although I have asked him for my money several times since then.

Questioned by the accused:

Q. 1 Did you not tell me that you would take ten shillings for the watch?
A. 1 No.
Q. 2 Did you not tell me that you would sell the watch for fifteen shillings?
A. 2 No.
Q. 3 Did you not tell me that you would accept one pound for the watch if repaired, and ten shillings if I could not get it repaired?
A. 3 No.
Q. 4 How many times did you ask me for the watch?
A. 4 I asked you several times both for the watch and my money.

The accused declines to cross-examine this witness any further.

Prosecution

First Witness

H.37248 Pte CARRIERE, E.R. 64 Cdn Army Tpt Coy sworn states:

I first saw two civilians with two tires outside "D" Pln Wksp around 9 o'clock, 12 Jan 45. I made them roll them into the shop. Later, in the afternoon Pte Delehay asked me where the tyres were and I said I had them in the shop and was going to use them on tippers. I am the pl fitter. He muttered something about them being his tyres. The garage doors were not locked that night because M/C's were going in and out. The next morning when I came into the shop around 8 o'clock I missed the tyres. I reported to the officer.

I didn't see Pte Delehay around when I had the tyres put in the workshop. The first time I saw the tyres the two civilians had them. I recognized them as WD tyres and asked where they got them. They made no dispute about handing them over. There was a pile of empty ammo boxes beside the wksp.

Cross-examination

I looked at the tyres. They were mounted on a split type rim. One of them was a Goodyear tyre. I saw the WD arrow on the tyres. Pte Delehay just asked me if I saw the tyres. He just muttered something about they were his tyres. The last time I saw them was about 1700 hrs. The next morning avout 0800 hrs they were gone off the rims. The two civilians knew where they were put in the shop. There were civilians doing patrol and using same building as we used. This is not the wksp bldg but is about 50 feet away.

R.P. 83 (b) complied with.

SECOND WITNESS

B.50844 Cpl Tennah, R.J. 8 Cdn Pro Coy Cdn Pro Corps sworn states

At about 0815 hrs 18 Jan 45 I went to 64 Cdn Army Tpt Coy with Lt Cummings and two civilian police. I questioned several civilians as a result we searched the house of Mr van Uden and found two WD tires hidden in the barn under some mangels. One was a Dunlop 10.50 AZ 2000 The other was a Goodyear 10.50 X16. I questioned him and as a result I held an identity parade at the unit in the Orderly Room at about 15.15 hrs 18 Jan 45. 12 men were paraded in the orderly room. Mr van Uden recognized Pte Delehay as the man in question. I questioned Pte Delehay but he stated he knew nothing about the tyres. Then Lt Cummings and myself took Pte Delehay to Mr van Uden's home where his mother identified Pte Delehay.

CROSS-EXAMINATION

Mr van Uden did not say which soldier it was when he was in the room. He told us after they went out which one it was. Delehay was wearing a black leather jacket with sleeves. I couldn't say whether there were others on the parade with leather jackets on or not. At Mr van Uden's house I was right with them all the time. After Mr Van Udens' identification I did not think an identification parade was necessary for the mother. Mr Van Uden was positive.

R.P. 83 (b) complied with.

THIRD WITNESS

Antonius Hendrekens Van Uden, 192 Abdijstraat, Heewijk Holland sworn states:

On 13 Jan 45 in the morning two tyres were standing at the back of my home. The day before a soldier came to my house and asked me if I wanted to buy tyres. I made a deal with the soldier to pay 400 guilders for the tyres when they were brought over to me. After I found the tyres I put them in the stable under the mangels. In the afternoon of the 13th the soldier came and I paid him 400 guilders in my bedroom. I think that is the soldier. Points at accused.

Cross-Examination

It might be the same soldier or it might not. He wears the same uniform. I think he is the man but I am not sure. He looks the same, he is the same height.

It was the same soldier who asked me to buy the tires as who collected the money. He wore the same leather jacket. I did not know there were tow tyres in the workshop. I do not know where the two tyres came from. I did not see anyone leave the tyres there.

By the Court

I made the deal for the soldier to bring the tyres at half past seven in the morning but I was not up. Another civilian did ask me if I could get some tyres and I said I would try and supply them. I asked a Cdn soldier if he had any tyres to sell. This was on Friday between 6 to 8 PM. I saw him in my Cafe. The lights were on. I next saw the soldier on Saturday when he came for his money. It was a round noon. The soldier said he had brought the tires and he came for the money. I know it was the same soldier by his height and his leather jacket and because he said he had brought the tires and wanted the money. I remember attending the identity parade. I recognized the soldier because he was the same height and wore a leather jacket. There was no one else on the parade with a leather jacket with sleeves in it. (Accused is asked to stand.) I cannot say whether this is the man or not.

R.P. 83 (b) complied with.

FOURTH WITNESS

Adriana Driessens 192 Abijstraat, Heewijk, Holland sworn states:

On a Saturday morning when I got up between 730 and 8 o'clock I saw two tyres at the back of the house. On the same day I saw my son give a soldier money. They were in my son's bedroom. I had seen the soldier before in the cafe. I had seen him in the cafe more than once. I recognize that soldier in the middle as the soldier who paid the money to my son. I know him quite well but when he was at my place he had a leather jacket on. He gave it to him in one bundle.

CROSS EXAMINATION

He was wearing a dark leather jacket. I may have been brown. All the others have jackets without sleeves but this one had a jacket with sleeves.

R.P. 83 (b) complied with.

Defence

L.67556 Pte Delehay, S., 64 Army Tpt Coy RCASC sworn states:

In morning of 12 Jan I was coming out of the guard room and I saw the two civilians looking at two tyres. They were moving them from one side of the rubbage pile. About 3.30 I came back by the rubbage pile and I noticed the tires were gone. Pte Carriere was working on a truck in front of the rubbage pile and I asked him what happened to the tires. He told me he had put them in the workshop.

On the night of 12 Jan I was on the first shift of the guard from 6 - 8 PM. Then I went to bed. I was in the guard room until my shift came on again. In the mroning about 0730 Pte Carriere came to me and said the tyres were missing. He asked me if I knew anything about them. I said no. All guards were CB'd to the guardroom. We had a parade at 1300 hrs. There was no trace found of the tyres. I have a leather jacket with sleeves. I dyed it black on 16th Jan. Before that it was a yellowish tan.

Cross-examined

It is not an issue jacket. I found it in my truck. I know where Van Udens cafe is. I have been in it a couple of times. I was not in his cafe on 13th Jan. I did not see Carrier with the two civilians.

By the Court

I had the day off on the 13th. The guard is from 1800 hrs 12 Jan to 0600 hrs 13th. My shifts were 1800 to 2000 hrs and from 0001 to 0200 hrs. I was in the guard room all the time between the 1st and 2nd shift. After my second shift I went to sleep at about 0200. The Cpl woke me about 0700 hrs for breakfast. After I came back from breakfast the fitter asked me if I knew anything about the tyres. I said no. I went into the guard house and went to sleep. I slept until about 0945. When I woke up we were all CB'd to the guardroom until 1145. After that I had dinner then went to the orderly room. Nothing had been discovered about the tyres. It was about 1330 when I came out of the orderly room. Between 1700 and 1800 hrs on 12th I was getting ready for guard. I did not say anything about them being my tyres when Carriere said they were in the workshop. I had nothing to do with the tyres after Carriere said they were in the workshop. I did not go to him at any time and get 400 guilders. I never had any dealings with Van Uden at all. I did not tell him that I could get any tires. I did not take any tires to his house.

R.P. 83 (b) complied with.

SECOND WITNESS

H117317 Pte Drynan, G.". 64 Army Tpt Coy RCASC sworn states:

I was on guard with Pte Delehay on 12-13 Jan. I was with him all the time from 1800 hrs 12 Jan until 0600 hrs 13 Jan except when making our rounds. One man acts as sentry at the veh park and the other makes the round. It was only a small parking lot. A round only took a couple of minutes and we made alternate rounds. I know Van Udens Cafe. It is a good ten minute walk from the vehicle park. Delehay wouldn't have had time to get there and back without me knowing it. He was not away to the best of my knowledge. I went to bed in the guard room 0600 hrs and slept until 1000 hrs when they woke us up and told us the guard was CB'd. When I woke up Pte Delehay

was in the guard room. I asked him why he didn't wake me for breakfast. He said he called me but I didn't wake up.

No cross-examination

By the Court

After our first shift we sat in the guard room and talked to the Cpl until the next shift. He was wearing a leather jacket with sleeves in it. It was a light tan. Not the same colour it is now. I remember him dying it later after the time the tyres were missing.

R.P. 83(b) complied with.

THIRD WITNESS

A42330 Cpl Craoer, J. 64 Army Tpt Coy RCASC sworn states:

I live in the same billet as Pte Delehay. His leather jacket was dark in colour on the day of the identification. It was a light brown almost yellow colour before but he had it darkened about a week before the identification parade. It might have been less.

No cross-examination.

Def Offrs closing address.

Evidence against accused is circumstential and very indefinite. Reviews evidence, no opportunity, colour of jacket.

Prosecuting officer's closing address.

Although Van Uden seemed dowbtful. His mother had no doubt that he was the man who got the money from herson. She did not depend on the jacket because she had seen him in the cafe. Possible for Delehay to have taken the tyre between 0600 and 0730 hrs 13 Jan.

SUMMING UP BY JUDGE ADVOCATE

What facts have been proved, the credibility of witnesses and the weight to be given to the evidence of any witness are matters for the court to decide. The accused is charged with stealing two tyres, public property or alternatively with being in improper possession of them. The court can only find him guilty of one of these offences although it may, of course, find him not guilty of both.

Stealing is defined in MML P 118 para 50 sentence 1 reads So to prove this charge the prosecution must show that the accu used carried away the tires with the intention of permanently depriving the government of them. Intent can only be inferred from the facts which the court find to be proved.

The evidence is to a great extent circumstantial and I suggest the court consider para 42 p.81 MML Reads. Moreover the evidence for the prosecution is merely that of an obvious accomplice and I must warn the court of the danger of convicting the accused on such evidence. Reads para 45 MML p.83.

Applied to this case these principles mean that if you believe Mr Van Uden and find he is not mistaken in his identification of the accused as the person who made the deal and next day came to collect the 400 guilders it is within your power to find the accused guilty on his evidence. But there is grave danger in doing so because he being implicated in an illegal transaction may be attempting to minimise his guilt or be protecting someone entirely different from the accused by

implicating the accused.

If you believe Mrs Driessens and her identification of the accused as the person who received the 400 guilders there is corroboration of Van Udens story that is to say there is evidence that the accused received some money from Van Uden.

But there is not direct evidence that the accused took the tyres. Van Uden's identification may have been based solely on the fact that the soldier wore a leather jacket with sleeves in it similar to that of the soldier with whom he made the deal and Mrs Driessens identification of the accused here to day may have been a result of taking the accused alone to her when she first identified him as the soldier to whom her son paid the money. Van Uden tells two different stories as to who began the negotiations. He says the soldier came for the money around noon and finally he was not sure that the accused in court today is the man he picked on the identity parade as being the man who made the deal and collected the money. The accused denies that he had any further knowledge of the tyres after he had noticed them missing from the rubbish pile and had been told by Carriere that they were in the workshop. The tyres were taken sometime between 1700 hrs 12 Jan and 0800 hrs 13 Jan according to Pte Carriere and were behind Van Udens house between 0 730 and 0800 hrs13 Jan according to Mrs Driessens. The identification parade was on 18 Jan. The accused says his leather jacket was yellow until 16th where he dyed it black. Cpl Bracer says this change took place about a week before the identification parade or may be less. Pte Dryman says on the night of 12th Jan the jacket was a light tan, not black as it is now. The accused was on guard from 1800 hrs 12 Jan to 0600 hrs 13th. He says he took the shifts from 1800 to 2000 hrs and from 0001 hrs to 0200 hrs and was in the guard room the rest of the time until 0700 hrs 13th when he went for breakfast after which he went to sleep in the guard room to 0945 hrs and was then CB'd to the guard room until 1145 hrs. Pte Dryman says he was with the accused from 1800 hrs 12 Jan to 0600 hrs 13 Jan except for short periods when they separated on their rounds during their tours of duty.

The Court must always keep in mind that the accused is presumed innocent until he has been proved guilty beyond reasonable doubt. To warrant an acquittal the doubt must not be light or capricious, a mere hesitation to pronounce a finding of guilty, it must be such a doubt as would reamin in an honest heart after an unbiased, calm, consideration of all the evidence before the court. But if there is a reasonable doubt, if you are not convinced of the guilt of the accused he must be given the benefit of the doubt and be acquitted.

First Witness

H - 37248 P.C. Carriers, E.R. 64 Coy Army Tpt Coy sworn states.

I first saw two civilians with two tires outside 'D' Coy to shop around 9 o'clock 12/Jan 45 I made them roll them into the shop. Later, in the afternoon P.C. Helsby asked me where the tyres were and I said I had them in the shop and was going to use them on tippers. I am the pl. fitter. They were the same type of tyre as used on split rim W.D. vehicles. He mentioned something about them being tractor tyres. The garage doors were not bolted that night because m/c's were going in and out. The next morning when I came into the shop around 7.0 o'clock I missed the tyres. I reported it to the officer. I didn't see P.C. Helsby around when I had the tyres put in the workshop. The first time I saw the tyres the two civilians had them. I recognised them as W.D. tyres and asked where they got them. They made no dispute about handing them over. There was a pair of empty ammo boxes beside the shop.

Cross-examination

I looked at the tyres. They were mounted on a split type rim. One of them was a Goodyear type 4. I saw the W.D. arrow on the tyres. P.C. Helsby first asked me if I saw the tyres as I just mentioned something about they were tractor tyres. The last time I saw them was about 1700 hrs. The next morning about 0700 hrs they were gone off the ranks. The two civilians knew where they were put in the shop. There were civilians doing patrol and using same building as we used them as not the shop itself but is about 50 feet away.

B 508 44 Cpl Tarrach R.J. 9 Coy 64 Coy R.A.S.C. Coy sworn states at about 0815 hrs 15 Jan 45 I went to 64 Coy Army Tpt Coy with Lt Commings and two civilian police. I questioned several civilians as a result we searched the lofts of two near houses and found two W.D. tires hidden in the barn under some mangolds. One was a Dunlop 10.50 x 16 dated A.Z. 2000. The other was a Good year 10.50 -

x16. I questioned him and as a result I felt an identity parade at the unit in the Orderly Room at about 15.15 hrs 19 Jan 45. 12 men were paraded in the orderly room. Mr van Uden being raised P.O Uelleday as the man in question. I questioned P.O Uelleday but he stated he knew nothing about the cycles. Then Lt Cunningham and myself took P.O Uelleday to Mr van Uden's home where his mother identified P.O Uelleday

Cross examination

Mr van Uden did not ~~identify~~ say which soldier it was when he was in the room. He told us after they went out which one it was Uelleday was wearing a black leather jacket with elbows. I couldn't say whether there were others on the parade with leather jackets on or not. At Mr van Uden's house I was right with them all the time after Mr van Uden's identification. I did not think an identification parade was necessary for the mother. Mr van Uden was positive RP 83 (A) complied with

Third Witness

Corporal Hendrikus Van Uden, 193 Abbeydale Road, Hillsong, Holland sworn states.

On 13 Jan 45 in the morning time Cycles were standing at the back of my house. The day before a soldier came to my house and asked me if I wanted to buy cycles. I made a deal with the soldier to pay 400 guilders for the cycles when they were brought over to me. After I found the cycles I put them in the stable under the straw. On the afternoon of the 13th ~~September~~ the soldier came and I paid him 400 guilders in my bedroom. I think that is the soldier. Points at accused.

Cross-examination

It may be the same soldier or it may not. It means the same ~~misfortune~~. I think he is the man but I am not sure. He is the same height.

It was the same soldier who asked me to buy the bikes and who collected the money. He wore the same leather jacket. I did not know there were two cycles in the workshop. I do not know where the bikes I bought came from. I did not tell anyone I knew the cycles were there.

Wasn't arrested or questioned further at this time?

By the Court

I made the deal for the soldier to bring the tyres at half past seven in the morning but I was not up. Another civilian did ask me if I wanted any tyres and I said I would try and supply them. I asked a Can soldier if he had any tires to sell. This was on Friday between 6 & 7 P.M. I saw him in my cafe. The lights were on ~~and out~~. I next saw the soldier on Saturday when he came for his money. It was around noon. The soldier said he had brought the tires and he came for the money. I knew it was the same soldier by his height and his leather jacket and because he said he had brought the tires and wanted the money. I remember attending the identity parade. I recognised the soldier because he was the same height and wore a leather jacket. There was no one else on the parade with a leather jacket with sleeves in it. (accused is asked to stand) I cannot say whether this is the man or not.

Fourth Witness

Adriana Driessen 192 Abrjstraat, Hengelo, Holland sworn states

On a Saturday morning when I got up between 7.30 and 8 o'clock I saw two tyres at the back of the house. On the same day ~~a little~~ I saw my son give a soldier money. They were in my son's bedroom. I had seen the soldier before in the cafe. I had seen him in the cafe more than once. I recognise that soldier in the middle as the soldier who paid the money to my son. I know him quite well but when he was at my place he had a leather jacket on. He gave it to him in one bundle.

Cross-examination

He was wearing a dark leather jacket. It may have been brown. All the others have jackets without sleeves but this one had a jacket with sleeves.

Defence

L-67556 Pte Stebbay S. 64 Army Tpt Coy RCASC sworn states.

On morning of 12 Jan I was coming out of the guard room and I saw the two civilians looking at two tyres. They were moving them from one side of the rubbage pile. About 3.30 I came back by the rubbage pile and I noticed the tires were gone. PG Carrier was working on a truck in front of the rubbage pile and I asked him what happened to the tires. He told me he had put them in the workshop.

On the night of 12 Jan I was on the final shift of 6 I went from 6 - 8 P.M. Then I went to bed. I was in the guard room until my shift came on again. In the morning about 0730 PG Carrier came to me and said the tyres were missing. He asked me if I knew anything about them. I said no. All guards were C.B'd to the guardroom. We had a parade at 1330 hrs. There was no trace found of the tyres. I have a leather jacket with shiver. I bought it black on 10th Jan. Before that it was my allowed tan.

Crown Exhibit

That is not the same jacket. I found it in my truck. I know where the guardroom is. I have been in it a couple of times. I was not in the cell on 13th Jan. I did not see Carrier with the civilians

By the Court

I had the day off on the 13th. The guard as from 1900 hrs 12 Jan to 0600 on 13th. My shifts were 1800 2 hours on and from 0001 to 0200 hrs. I was in the guard room all the time between the 1st and 2nd shift after my second shift I went to sleep at about 0200. The 2nd watch we about 0700 hrs for breakfast. After I came back from breakfast he later asked me if I knew anything about the tyres. I said no. I went into the guard room and went to sleep. I slept until about 0945. In the I woke up and went to the orderly room. Nothing had been discovered about the tyres. I was there about 1330 when I came out of the orderly room. Between 1700 + 1800 hrs on 12th I was sitting ready for guard. I did not say anything about them being my tyres when Carrier said they were in the workshop. ~~I did not see the tyres or take them~~ I had nothing to do with

the tyres after Barrins said they were in the workshops. I did not go to him at any time and get 4 or 5 quilons. I never had any dealings with Van Uden at all. I did not tell him that I could get any tins. I did not take any tins to his house.
R.P. ¶ 3(b) complied with.

Second witness

B-117317 Pte Hoy R.A.N. I am 4th Army Tpt Coy R.A.S.C. sworn states

I was on guard with PO Halliday on 12-13 Jan. I was with him all the time from 1800 hrs 12 Jan. until 0600 hrs 13 Jan. except when making our rounds. One man acts as sentry at the vehicle park and the other makes the round. It was only a small parking lot. A round only took a couple of minutes and we made alternate rounds I know Van Uden's shop. It is a good ten minute walk from the vehicle park. Halliday would not have had time to get there and back without me knowing it. He was not away to the best of my knowledge. I went ~~to bed in the guard room~~ on at 0600 hrs and slept until 1000 hrs when they woke me up and I was relieved at 1200 hrs. I then went to bed in the guard room P.B'd. ~~when we came off at 1200~~ I then I woke up. PO Halliday was in the guard room. I asked him why he did not wake me for breakfast. He said he called me but I did not wake up.

No cross-examination

By the Court

After our first shift we sat in the guard room and talked to the Cpl until the next shift. He was wearing a leather jacket with sleeves in it. It was a light tan. Not the same colour as mine. I remember him trying it later. after the time he & we were wearing.
R.P. ¶ 3(b) complied with.

Third witness

A42330 Cpl Draper, J. 4th Army Tpt Coy R.C.A.S.C. sworn states

I live in the same billet as PO Halliday. His leather jacket was dark ~~in colour~~ on the day of the identification. It was a light brown almost yellow colour before but he had it darkened about a week before the identification parade. It may be been tan.

No Cross-examination

Def. Offer Closing Address

Evidence against accused is circumstantial and very indefinite. Remember evidence, no opportunity, colour of jacket

Prosecuting Officer's closing address

Although Van Aden seemed doubtful, his mother had no doubt that it was the man who got the money from her son she did not depend on the jacket because she had seen him at the cafe. Possible for Holliday to have taken the tyre between 0600 and 0730 hrs 13 Jan.

Summing up by Judge Advocate

What facts have been proved, the credibility of witnesses and the weight to be given to the evidence of any witness are matters for the court to decide. The accused is charged with stealing two tyres, public property or alternatively with being in improper possession of them. The court can only find him guilty of one of these offences although it may, of course, find him not guilty of both.

Stealing is defined in MML P 116 para 50 section 1 Reads to prove the charge the prosecution must show that the accused carried away the tires with the intention of permanently depriving the government of them. Intent can only be inferred from the facts which the court find to be proved

The evidence in this case is almost entirely circumstantial and I suggest the court consider para 42 p 91 MML Reads. Moreover the evidence for the prosecution is merely that of an obvious accomplice and I must warn the court of the danger of convicting the accused on such evidence. Reads para 45 MML p 93.

Applied to this case the principles mean that if you believe Mr Van Aden and find he is not mistaken in his identity identification of the accused as the person who made the deal and next day came to collect the 400 guilders it is within your power to find the accused guilty on his evidence. But there is grave danger in doing so because he being implicated in an illegal transaction may be attempting to minimise his guilt or be protecting someone entirely different from the accused by implicating the accused

If you believe Mrs Strivens and her identification of the accused as the person who received the 400 guilders then is corroboration of Van Ederens story that is to say there is evidence that the accused received some money from Van Eden.

But there is no direct evidence that the accused took the tyres. Van Ederens identification may have been based solely on the fact that the soldier wore a leather jacket much similar in it similar to that of the soldier with whom he made the deal and Mrs Strivens identification of the accused has a day may have been a result of taking the accused alone to her when she first identified him as the soldier to whom her son paid the money. Van Eden tells two different stories as to who began the negotiations he says the soldier came for the money around noon and finally he was not sure that the accused ~~is the~~ am in court today is the man he picked on ~~in~~ identity parade as being the man who made the deal and collected the money. The accused denies that he had any further knowledge of the tyres after he had noticed them missing from the rubbish pits and had been told by Carrier that they were in the workshop. The tyres were taken sometime between 1700 hrs 12 Jan and 0800 hrs 13 Jan according to Pte Carrier and were behind Van Ederens house between 0730 and 0900 hrs 13 Jan according to Mrs Strivens. The identification parade was on 18 Jan. The accused says his leather jacket was yellow until 10th when he ~~had~~ dyed it black Cpl Brewer says this change took place about a week before the identification parade or may be less. Pte Hayman says on the night of 12th Jan the jacket was a light tan, not black as it is now. The accused was on guard from 1900 hrs 12 Jan to 0600 hrs 13th. He says he took the shifts from 1900 to 2000 hrs and from 0001 hrs to 0200 hrs and was in the guard room the rest of the time until 0700 hrs 13th when he went for breakfast after which he went to sleep in the guard room to 0945 hrs and was then CO'd to the guard room until 1145 hrs. Pte Hayman says he was with the accused from 1800 hrs 12 Jan to 0600 hrs 13 Jan except for short periods when they separated on their rounds during their tours of duty.

The court must always keep in mind that the accused is presumed innocent until he has been proved guilty beyond reasonable doubt. To warrant an acquittal the doubt must not be light or capricious, a mere hesitation to pronounce a finding of guilty, it

must be such a doubt as would remain in an honest heart after an unbiased, calm, consideration of all the evidence before the court. But if there is a reasonable doubt, if you are not convinced of the guilt of the accused he must be given the benefit of the doubt and be acquitted.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of L.67556 Pte Delehay, S.,
64 Cdn Army Tpt Coy, R.C.A.S.C.
Charges as attached.

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS FOR PROSECUTION: Lt C.D. Cummings, "D" Pl Comd, 64 Cdn Army Tpt Coy, R.C.A.S.C., having been duly sworn states:

"On the morning of 13 Jan 45, H.37248 Pte Carriere, E.R., my platoon fitter, reported that two tires were missing from the platoon fitters shop. I had the guardsparaded at 1330 hrs and they were questioned regarding the missing tires. They have been confined to barracks since 0830 hrs this morning. Nothing came to light.

On the afternoon of 17 Jan 45, A.42330 Cpl Braser, J., of my platoon reported that through conversation with the civilian policeman he felt quite sure that he could trace the tires. I contacted 8 Cdn Pro Coy for their help. The morning of the 18 Jan 45, B.50844 Cpl Tunnah, R.J., of 8 Cdn Pro Coy, reported to me and I turned the investigation over to him."

The accused declines to cross-examine the witness.

C. D. Cummings

(C. D. Cummings) Lieut

SECOND WITNESS FOR PROSECUTION: A.42330 Cpl Braser, J., 64 Cdn Army Tpt Coy, R.C.A.S.C., having been duly sworn states:

"I knew that two tires had been taken from the platoon fitter's garage. I speak Dutch and in conversation with a civilian on 17 Jan 45, he told me that someone knew where the tires were but that he himself didn't know. I reported the matter to Lt Cummings, who drew the matter to thecivilian policeman's attention and contacted 8 Cdn Pro Coy. On the 18 Jan 45, a corporal from the Cdn Provost reported to Lt Cummings and he, Lt Cummings, the civilian policeman, Sgt Boyd and myself commenced the investigation. We questioned five civilians and then Mr Van Uden. He suggested we search the grounds of the local coal dealer. We did this but without success. Then Sgt Boyd suggested we search Mr Van Uden's place. We did this and found two tires under a pile of sugar beets in his stable. Mr Van Uden then admitted that he had bought them from a Canadian soldier for 400 guilders. He said he could identify the soldier because he wore a black leather jacket and had a dark complexion and dark hair. Then we held an identification parade. We marched in seven men including Pte Delehay. (Iam notsure of the exact number but I think it was about seven.) Mr Van Uden said the man was not present. Then after we marched the men out he said, "The man is present - it was the one in the black leather jacket." We brought Pte Delehay in and when asked if that was the man who sold him the tires Van Uden replied "Yes that is the man". When asked if anyone had seen him buy the tires Mr Van Uden said that his mother had seen him. Then we went to question his mother and took Pte Delehay along. She said she recognized him as the man who was dealing with her son. She had seen them talking but she had not seen any money change hands. She hadn't seen the tires.

The accused declines to cross-examine the witness.

J. Braser Cpl

(J. Braser) Cpl
A.42330

A.42330 Cpl Bracer, J. is duly sworn as interpreter.

THIRD WITNESS FOR PROSECUTION:

Antonius Hendrikus Van Uden, passport H 42 No.001560, of 192 Abdijstraat, Heeswijk, Holland having been duly sworn states:-

"Another civilian asked me if I had any tires to sell him and I replied that I would try to do my best. I then asked a Cdn soldier if he had any tires to sell to me and he replied that he had. He brought the tires to me on the morning of 13 Jan 45. In the afternoon of 13 Jan 45 I paid the soldier the sum of four hundred (400) guldens for the tow tires. On the afternoon of 18 Jan 45 two civilian police in company with two Cdn Military Police searched my house and found the tires and took them from me.

Q. 1. "Is Pte Delehay, the man standing beside you, the Cdn soldier who sold you thetires ?"

A. 1. "I can not say for sure but I think he is. He is the same height and he wears the same kind of dark leather jacket."

Q. 2. "How did you know he was a Canadian ?"

A. 2. "By his hat badge."

At this point the witness is called upon to identify the hat badge of the officer conducting the summary. He identified it as an English not a Canadian badge at a quick glance. This was true as it was an RASC badge not RCASC. It was noted that the accused at the time had no hat badge on his cap.

Q. 3. "Did the man who sold you the tires have a badge on his cap ?"

A. 3. "I can not say for sure."

At this point the witness is cautioned that he is on oath and that he has given conflicting statements.

Q. 4. "How did you know that the soldier who sold you the tires was a Canadian ?"

A. 4. "I had seen him before in the cafe and on his jacket (not his leather jacket) he had Royal Canadian - And something else I think it was - Army Corps."

The accused declines to cross-examine the witness.

(A. H. Van Uden)

FOURTH WITNESS FOR PROSECUTION: M.37248 Pte Carriere, E.R., fitter of "D" Platoon, 64 Cdn Army Tpt Coy., having been duly sworn states:

"I saw two civilians examining two tires beside the salvage dump near our platoon workshop on the morning of 12 Jan 45. I recognized the tires as W.D. property and I made the civilians roll them into the shop. Pte Delehay came along in the afternoon and asked where the tires were. I said they were in my shop and that I was going to put them on the tippers. Pte Delehay muttered something about the tires being his tires. I didn't lock the shop that night because motorcycles were going in and out. In the morning the tires were gone and I reported the matter to Lt Cummings.

The accused declines to cross-examine the witness.

E.R. Carriere
(E.R. Carriere) Pte

FIFTH WITNESS FOR PROSECUTION Adriana Driessens, (mother of Mr Van Uden), passport H 42 No. 000469 residing at 192 Abdijstraat, Heeswijk, Holland having been duly sworn states:

"I have seen that soldier (Pte Delehay) in my cafe on various occasions. The week before last, I cannot remember the exact date, there were two tires behind the house. My son told me he had bought them for four hundred guilders but had not yet paid for them.

That afternoon Pte Delehay was in a bedroom with my son Van Uden. I saw money change hands. I did not see my son count the money, but I saw him hand it over to the soldier. I recognized Pte Delehay because I had seen him in the cafe before.

Q. 1. "How was he dressed ?"

A. 1. "He was dressed as he is now, with a black leather jacket on. I have never seen him dressed differently."

The accused questions the witness.

Q. 1. "What time was I in the room ?"

A. 1. "I did not notice the time because I was not aware of the consequence of the case."

Wed H. A v. Uden.

SIXTH WITNESS FOR PROSECUTION: ✓ B.50844 Cpl Tunnah, R.J. 8 Cdn Provost Company having been duly sworn states:

"At approx 1630 hrs 17 Jan 45 Lt Cummings, Platoon Commander, "D" Platoon, 64 Cdn Army Tpt Coy, RCASC, reported to Sgt. M. Hunter, "A" Section, 8 Cdn Pro Coy, of the sale of two Government tires. At approx 0815 hrs 18 Jan 45, in company with L/Cpl May, A.E., I proceeded to the a/m Unit, located at MR 443413, sheet 4 (Holland) to investigate the case. On arrival at "D" Platoon I contacted Lt Cummings and in company with two Civil Police Constables we commenced to question a number of civilians regarding the two tires. After further investigation we searched the house of Antonius Van Uden, residing at 192 Abdijstraat, Heeswijk and found the tires under the mangels in the barn. These tires were: one Dunlop 10.50 X 16 serial No. A Z-2000 and one Goodyear 10.50 X 16 serial No. 743 M 978 M. After questioning Mr Van Uden he admitted that he had bought the two tires from a Cdn soldier, paying the sum of four hundred (400) guilders and also that he could identify the soldier. At approx 1515 hrs 18 Jan 45 an identification parade was held at the Orderly Room, "D" Platoon, 64 Cdn Army Tpt Coy, RCASC, where Mr. Van Uden identified L.67556 Pte Delehay, S., "D" Platoon, 64 Cdn Army Tpt Coy., as the soldier who sold him the tires. Upon questioning Pte Delehay he denied having sold the tires. At this time H.37248 Pte Carriere, E.R., of the same Unit was called in and questioned. Pte Carriere stated that Pte Delehay had made inquiries about the tires and also that the tires were there on the evening of 12 Jan 45 but were missing on the morning of 13 Jan 45. At approx 1630 hrs 18 Jan 45 Pte Delehay was escorted to 192 Abdijstraat, Heeswijk, where Adriana Dressens, mother of Mr. Van Uden, identified him as being the Canadian soldier whom she saw making a deal with her son in the afternoon of 13 Jan 45."

A-8 Yes, sir.

XX'd by Defence

Q-9 I want to get the account of this incident before the court quite straight. Do you remember giving evidence in the summary of evidence before Captain Plourde on the 27 Aug 44?
A-9 Yes, sir.

Q-10 Your statement at that time in giving your account of the incident was: "I took this Canada Weekly away from the accused and was giving him a piece of my mind and the accused whom I now recognise as being present here, answered "I don't give a fuck what you do" I ordered him out of the whole and told him to double."" That was the evidence you gave then. The evidence you have just given now is that you ordered him out of the whole and took the book away from him and ordered him to double then he said "Fuck you I wont"

Just what is the correct version?

A-10 I ordered him out of the hole and took the book away from him and ordered him to double and he said "Fuck you, I won't".

Q-11 Where were you standing at that time?
A-11 Going past the hole on the way to the kitchen.

Q-12 Where were you with respect to the accused?
A-12 Standing on top of the hole.

Q-13 When he climbed out of the hole where was he standing with respect to the hole?
A-13 He was standing on top of the hole, too.

Q-14 How far from you?
A-14 1½ yards.

Q-15 Was he facing you?
A-15 Yes.

Q-16 In the summary you said you were giving the accused a piece of your mind?
A-16 Yes sir.

Q-17 It was following that the accused used the words he is alleged to have used in the charge?
A-17 Yes,

Q-18 Then you ordered him to double?
A-18 I ordered him to double up the road until I told him to about turn.

Q-19 You ordered him to double until you gave the order to about turn. What was the object of that?
A-19 As FP sergeant I was ordering him to double as with FP everything is to be done on the double.

Q-20 You weren't sending him on any errand?
A-20 No.

Q-21 You wanted him to double. How could he double if he was facing you about a yard and a half away?
A-21 If I was facing you I could start doubling.

Second Witness for the Prosecution: L-35024 Sgt E T Williams, 16 Cdn Spec Emp Coy, being duly sworn, is examined by the prosecution:

Q-22 Will you identify yourself to the Court?
A-22 I am L-35024 Sgt E T Williams, 16 Cdn Spec Emp Coy.

Q-23 Will you tell the court what your duties are in this company?
A-23 I am sergeant cook in 16 Cdn Spec Emp Coy.

Q-24 Do you recognize the accused in this tent?
A-24 That is Deline (indicating the accused.)

Q-25 Will you tell the court in your own words what happened with reference to a particular event which took place on or about 26 Aug 44?

A-25 On or about that day I was on duty in the kitchen. I left the kitchen to supervise the holes that were being dug. I walked over to the hole to sergeant Inge where the prisoner and some other lads were digging. The accused had a shovel in his hand and was reading. Sgt Inge told him to put down the book and got to work or words to that effect. The accused said he couldn(t shovel until the ground was picked. Sgt Inge told him if he did not like that job he could give him another. Sgt Inge then told him to get out of the hole and double. He said "Fuck it" or words to that effect. I went away then.

Q-26 What were the accused and Sgt Inge doing the last time you saw them?

A-26 They were conversing the last I saw then and I started to walk away.

Q-27 The work that was being done at that time. Did it have any relation to your duties?

A-27 They were digging a new sump hole for the kitchen. The old hole was almost full and I wanted to see how long it would be before the new hole would be ready.

Q-28 Who did you happened to come along at that time?

A-28 We had just finished breakfast and I wanted to see what hole would be ready for us.

XX'd by the Defence

Q-29 You said Sergeant Inge told him to get out of the hole after he said he could not work until the ground was picked. Did he at that time use the words "I do not give a fuck what you do".

A-29 I do not want to say whether it was in the hole or on top of the hole.

Q-30 Were you working?

A-30 Yes.

Q-31 What was your duty?

A-31 I was supervising at the other hole.

Q-32 Were you paying any attention to what was going on at the other hole?

A-32 I just happened to over hear their conversation. I was able to hear the conversation to some extent.

Q-33 Do you remember the exact words?

A-33 No, I could not say the exact words.

Q-34 When the sergeant ordered the accused to get out of the hole did you hear the sergeant order the accused to double? Can you swear to that?

A-34 Yes, I heard him say something about doubling.

Q-35 Do you remember the conversation that took place between you and me in the presence of the accused yesterday?

A-35 Yes, sir.

Q-36 At that time I asked you if you had heard Sgt Inge order the accused to double. Do you remember that?

A-36 I said I did not think so, that I was not certain.

Q-37 Do you remember telling me anything else? Why did you not hear that part of the conversation?

A-37 At that time I did not think I would be called as a witness and after that I went to discuss it with Captain Plourde. I just said what I thought.

Q-38 You are under oath now. I want you to answer this question and to recall what you have already said in evidence. Did you hear sergeant Inge order the accused to double?

A-38 I heard him say that in so many words to that effect.

Q-39 Did you hear the accused make any reply?

A-39 He said "Fuck it - I won't double" or words to that effect.

Questioned by the Court

Q-40 In your evidence you said there was a prisoner digging a hole. Who was the prisoner?

A-40 Deline and the other lads.

Q-41 Which one of the soldiers in the hole made the statements you have given in evidence?

A-41 Deline was the one whom he was speaking to so I imagined it was he who made the remarks.

In the opinion of the Court it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

THE CASE FOR THE PROSECUTION IS CLOSED.

First Witness for the Defence: C-4693 Pte F G Deline, 16 Cdn Spec Emp Coy, being duly sworn is examined by the Defence:

Q-42 Will you identify yourself to the court?
A-42 I am C-4693 Pte F G Deline, 16 Cdn Spec Emp Coy.

Q-43 Will you tell the court in your own words exactly what happened at or about 0800 hours, 26 Aug 44, with reference to the incident which is the basis of the charge in this case?
A-43 On 26 Aug 44, at about 0800 hours I was sent out with the FP men to work on the sump hole. I got in the sump hole and the refuse from the night before was still there.

Q-44 Was there anybody else with you?
A-44 Pte Wilcox was in the hole with me, Pte Baker was waiting on the side of the hole, and Pte Peters was nearby washing dishes.

Q-45 What happened then?
A-45 I was in the hole working. There was a Canada Weekly there and while waiting for the lad to pick I was looking at the casualty lists in the Canada Weekly.

Q-46 What did you have? A pick or a shovel?
A-46 I had a shovel.

Q-47 What did the other soldier in the hole have?
A-47 He had a pick which was of little use as the head kept coming off.

Q-48 What took place then?
A-48 I was reading the casualty lists in the C.W. when Sgt Inge came along and told me to put the book down and get to work. I put the book down and put a piece of earth on it and told him I could not shovel until Wilcox had got the earth picked. Sgt Inge told me to put the book down and I said "I can't work till it's picked, Sergeant". Once again he replied "Get to work". I said "Sergeant, it is too hard to shovel until it is picked". The sergeant said "if that is too hard I will get you something harder". I said I could not shovel until it was picked. He ordered me to get out of the hole.

Q-49 In the charge the particulars state "on being checked for reading whilst on duty did reply to H-6399 Sgt Inge WJ, "I don't give a fuck what you do" or words to that effect" Did you make that statement?
A-49 No, I did not. The only words I used were that I could not shovel until it was picked. When I was ordered out of the hole I got out and Sgt Inge was standing about two feet away directly in front of me. He said "Double" and before I had time to double he had his hand in front of my face to give me a piece of his mind. He then told me to go to the orderly room and report to the SM.

Q-50 When the Sgt said "Double" where did he want you to double?
A-50 He just said "Double".

Q-51 If you had doubled at the time he ordered you to what would have happened?
A-51 I would have run right into him.

Q-52 What happened then?
A-52 He had his hand in my face and I stood listening to him. After he had finished bawling me out I saw the SM in the orderly room.

Q-53 The second charge states in the particulars "when ordered by Sgt Inge W J to double, replied "I won't double" or words to that effect, and he did not do so". Did you say that?
A-53 No, I did not have an opportunity of replying.

XX'd by the Defence

Q-54 Do you understand the nature of an oath?
A-54 Yes.

Q-55 You have just told the court on oath that when Sgt Inge ordered you to work in the first place you said "I can't work"till it's picked". A few minutes after on a the same question by the defending officer you said you had stated "I can't shovel till it's picked". Will you tell the court which is right.
A-55 I was working by shovelling.

Q-56 Another point, do you remember reading the Canada Weekly?
A-56 Yes.

Q-57 At Another point in your evidence you said you said that Pte Wilcox had a pick but that it was no good. How did you expect Wilcox to work if the pick was no good?
A-57 On man had been sent after a pick.

Q-58 Who was that man?
A-58 That man was Pte De Young.

Q-59 Where is Pte De Young now?
A-59 In detention.

Q-60 Where?
A-60 I can't tell you where.

Q-61 When you were told to get to work by Sgt Inge you replied "I can't pick". When he told you to get to work you replied something else again?
A-61 I told him two or three times that I could not work till it was picked.

Q-62 You made another statement to the Sgt, What was it?
A-62 The sgt told me that if that work was too hard he would get something hard for me to do. I replied I still could not shovel until it's picked.

Q-63 Then you stated that Sgt Inge gave you a piece of his mind?
A-63 Yes.

Q-64 What did he say to you? Can you remember one word he said?
A-64 He was just giving me a piece of his mind.

No re-examination

In the opinion of the Court it is not considered necessary to comply with RP 83(B).

Q-66 At about 0800 hours on 26 Aug 44 can you tell the court where you were and what you were doing?
A-66 I was washing dishes near the sump hole.

Q-67 Was that where the accused was working on that day?
A-67 Yes, sir.

Q-68 Did you overhear the conversation which took place between Sgt Inge and the accused?
A-68 Yes.

Q-69 Did you hear the accused make this statement "I don't give a fuck what you do" or did you hear the Sgt order the accused to double?
A-69 No, sir.

Q-70 How far were you from the sump hole?
A-70 About six feet.

Q-71 Could you hear plainly?
A-71 Yes, sir.

Q-72 If those words had been said do you think you would have heard them?
A-72 Yes, I think I would have heard them.

Q-73 The accused has given evidence that what he said was, "I can't shovel until it's been picked" when ordered to get to work. Did you hear him say that?
A-73 Yes, sir.

Q-74 Are those the exact words he used? Can you tell the court exactly what you did hear?
A-74 He said he could not shovel till it was picked.

Q-75 Did you hear the accused being ordered to double by Sgt Inge?
A-75 No, but I went back to work when he was getting out of the hole.

XX'd by the Defence

Q-76 You have just told the court, Peters, and you are on oath, that you were standing about six feet from the sump hole?
A-76 Yes, sir.

Q-77 Was the sump hole round or square?
A-77 It was square.

Q-78 Will you explain your position in relation to the sump hole?
A-78 I was on one side of the sump hole and Sgt Inge was on the opposite side of the hole.

Q-79 How wide was the sump hole?
A-79 About 6 feet.

Q-80 You said you were about 6 feet from the sump hole?
A-80 Yes, approximately.

Q-81 How many feet was Sergeant Inge away from the edge of the hole?
A-81 I can't say.

Q-82 Where was the accused in relation to the square?
A-82 The accused was in the hole.

Q-83 You mean to tell me that you were standing six feet away from the hole, that the hole was six feet wide, Sgt Inge was on the opposite side of the hole and that you didn't hear what sgt Inge Said?
A-83 I was going by the sump hole

Q-84 I thought you told us you were working beside the sump hole?
A-84 Yes, I was working by the sump hole.

Q-85 You just told us you heard the accused's words? You say you heard the accused say "I cant shovel until it is picked". Now in all reasoning, the accused would not have said those words until he had been spoken to before. Is that right?
A-85 Yes, but I only stopped work and look up when I heard the accused say those words, "I can't shovel till it is picked".

Q-86 I still want you to explain to the court how it is that you were ~~the~~ washing dishes by the hole and yet you did not hear what Sgt Inge said?
A-86 The accused was a lot closer to me?

Q-87 How deep was the hole?
A-87 His head was still out of the ground.

Q-88 Did you hear Sgt Inge say anything?
A-88 Nothing, sir.

Q-89 How do you know it was on 26 Aug 44?
A-89 The witness does not answer.

Questioned by the Court

Q-90 This place where you were washing dishes. Is it the usual place for you to wash dishes?
A-90 Yes, sir.

Q-91 Was this on the table or on the ground?
A-91 I was washing the dishes in a tub on the ground.

Q-92 How far were you from the accused?
A-92 About six feet.

Q-93 How far were you from Sgt Inge?
A-93 I can't say exactly. He was on the opposite side of the hole.

Q-94 How wide was the hole?
A-94 About six feet.

In the opinion of the Court ~~and the Ja~~ it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Third Witness for the Defence:- Pte Baker, 16 Cdn Spec Emp Coy, being duly sworn, is examined by the defence:-

Q-95 On or about 26 Aug 44 at about 0800 hours can you tell the court what you were doing?
A-95 We were digging a sump hole for the kitchen. There was Pte Wilcox, Pte Deline, and myself.

Q-96 What did you say you were doing?
A-96 Digging a sump hole for the kitchen.

Q-97 Can you tell the court just what job each man was performing?

Q-98 What tools did they have?
A-98 Deline had a shovel and Wilcox a pick.

Q-99 How is it that you weren't working?
A-99 There was no room in the hole.

Q-100 What happened while you were there?

A-101 Yes, up to the time he got out of the hole.

Q-102 Did you hear the accused use these words to Sgt Inge, "I don't give a fuck what you do"?
A-102 No, sir.

Q-103 Did you here the accused soldier say, when ordered by Sgt Inge to double, "I won't double"?
A-103 No, sir.

Q-104 Will you tell the court in your own words as closely as you can the words you did hear?
A-104 As far as I could hear Sgt Inge came along when the accused was in the hole reading the Canada Weekly. He told Deline to get to work and Deline said "I can't work until the ground is picked".

Q-105 Did you hear him say "I don't give a fuck what you do".
A-105 No, sir, I did not hear that.

Q-106 What happened then?
A-106 Deline put his book down and got out of the hole and I jumped down in and I started to go to work and did not pay any further attention to what was going on outside the hole as it was not my business.

XX'd by the Defence

Q-107 You have told the court that when Deline got out of the hole you jumped in and started to work. What tool did you used? Did you use a shovel?
A-107 I took the pick.

Q-108 Who took the shovel?
A-108 Wilcox took the shovel.

Q-109 What did he do?
A-109 He said for me to pick.

Q-110 How was the pick?
A-110 It was all right. The other one was no good.

Q-111 You told the court in the beginning of your evidence that you understood the coversation between Sgt Inge and Deline until Deline got out of the hole. When Deline got out of the hole you went to work in the hole. Now what did you hear Sgt Inge say?

Q-116 You were standing on the hole waiting to go to work?

A-116 Yes, sir.

Q-117 What was the position of the soldiers around the hole?

A-117 Wilcox and Deline were in the hole. Sgt Inge was on one side of the hole and Pte Peters was near the opposite side of the hole.

Q-118 How far was Peters from the hole?

A-118 About 8 feet.

In the opinion of the Court it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

The CASE FOR THE DEFENCE IS CLOSED.

Summing up by the Defence attached as Exhibit "D".

No Summing up is made by the Prosecution.

Exhibit "D"

Summing up by the Defence

The first charge, if you will note, is when on active service, using insubordinate language to his superior officer, and the essence of the particulars are "on being checked for reading whilst on duty did reply to H-6399 Sgt Inge, W J, 'I don't give a fuck what you do', or words to that effect".

In this charge the essence of the charge is the language used. He is charged with using insubordinate language and the onus of proof rests on the shoulders of the prosecution to prove the actual words used in the charge. He is charged with using the words "I don't give a fuck what you do". The only evidence to that effect is brought by Sergeant Inge. When Sgt Inge was asked to quote the exact words he stated that the accused said "Fuck you I won't". The evidence of the accused himself and the other witnesses brought by the defence is that the words which were used were "I can't shovel till it's picked. On these grounds I submit that the prosecution has failed to prove the actual words used.

For the defence the accused soldier has brought two witnesses who gave their evidence in a straightforward manner and despite the efforts of the prosecution did not waver to any extent in what they said and in both cases they deny having heard the accused use these words and evidence was brought that they were in easing hearing distance and were able to overhear the conversation It is established that the actual words he did use were "I can't shovel till it's picked". In addition to the two witnesses brought by the defence we have the testimony of the accused himself which he likewise gave in a straightforward manner,

Against this evidence produced by the defence we have only the evidence of Sgt Inge himself who in his evidence does not give the exact words that he gave in his evidence in the Summary of Evidence.

I submit that the charge has not been proved and that the accused should be found 'not guilty'. In this respect I must draw your attention to the element of law which requires a charge to be proven beyond any reasonable doubt and that the onus of proof rests with the prosecution.

The second charge is "when on active service, disobeying a lawful command given by his superior officer, in that he, in the Field in Italy, at 0800 hours, 26 Aug 44, when ordered by Sgt Inge, W J, to double, replied, 'I won't double' or words to that effect, and did not do so".

First of all let us look at this charge. If you care to look up MML under Section 9(2) of the Army act you will find in fn 3 the definition of "a lawful command". The definition given there is "The command must be one relating to military duty, that is to say, the disobedience of it must tend to impede, delay, or prevent a military proceeding. In sergeant Inge's evidence he states that he did not order him to double to any particular place or for any particular purpose, he just told him to double. It seems to me that there is a lot of doubt as to whether or not the order to double as it is brought out in Sgt Inge's evidence would amount to a command the disobedience of which would tend to impede, delay or prevent a military proceeding, and I submit that as such was not a lawful command.

The second part of the offence is that he disobeyed this command. If it is proven that this was a lawful command, which we deny, we have the evidence of the accused, which was given in a straightforward manner and which was not shaken in any respect by the prosecution, in which he categorically denies that he said "I won't double". He says that when Sgt Inge ordered him to double

he was standing directly in front of him with his finger in his face and was giving him a piece of his mind. He admits that the sergeant ordered him to double but he denies that the sgt gave him an opportunity to do it.

The fact that there is grave doubt that the command given was a lawful command, that the prosecution has failed to establish the words alleged to have been used in this charge, and the fact that the accused denies that he was given an opportunity to carry out the command, would I submit, lead only to an acquital of the charge in this case.

That is the case for the defence.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination(4); and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(5)

B5. The Summary of Evidence is marked Ex ____, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). Prosecutions Summing up address:

The question of absence is clearly supported, both the absence and duration. The question of whether or not this absence constitutes desertion is a matter of wether or not there was intention to avoid a certain military service. The prosecution contends that this intention did exist and bears out its contention as follows. The original detachment from the coy was no doubt unavoidable due to the nature of enemy action, however there was nothing to prevent the accused returning to duty with the other four men of his coy. In fact the evidence shows that at least two of these companions asked him to return with them. While he did not refuse and while he did not indicate to them any intention "JMH"

---

of non return. The fact that he did not accompany them and the fact that he did not accept their suggestions to return indicated the absence of intention to return. Further he continued his absence voluntarily. For a matter of some 15 days. There was no apparent danger on the route of return to the coy, and pte Deline's return did not take place till his unit had come out of action. The prosecution contends that this constitutes intention to avoid action with his unit at that particular time.

Accused makes statement not under oath.

Accused. On the night of Sept 14 as our coy advanced up to a point where we came under enemy shell fire, I like the rest took cover, as we were to crowded in the culvert and it was too dangerous for so many together after shelling had stopped I found coy had moved off. I stayed that night in cover. next morning went 200 yds up road where I met an English capt of the tank corps. he said it was best not to go up the road as it was likely to draw fire with the movement. I did not at any time intend to avoid any service whatsoever, thats all sir.

Counsel for defense closing address.

def. In summing up it is easy to realize that the criticism of desertion and AWL lies in the intention. The fact

The fact that the accused moved with his platoon towards the objective is alone sufficient to show that he intended to carry out his service when he came under shell fire and beca e detached from his section he did not know what to do, logically he waited till daybreak before moving, his meeting with a capt caused him to decide that it was not safe to try and rejoin his coy. ~~he realized that he was absent from his coy.~~ he realized that he was absent from his coy unintentionally, but made up his mind that he would return when he could, now! he was ~~it~~ sidetracked from performing service that was required of him and although he was AWL. There is no indication whatsoever that he is guilty of desertion or intention to avoid the service that he was to perform.

E3 Plea in mitigation def. The accused has only one charge against him. The one commited when not in action.

At about 1000 hours on the 7th January 1944, I had a parade of soldiers A.W.L. I explained them the situation that now they have had a night or two of good sleeping and a good rest they were to go back to their respective company. I told them that their absence will be judged by their Company Commander but I was now giving them a definite order to get in the truck and rejoin their company at the front line; if they refused now they were refusing to obey an order given by a superior officer according to the Military Law. I then called each name and gave to each one the order to get in the truck, when I called the name of the accused Pte. (a/L/Cpl) Delisle,A. Whom I now recognize, the accused answered " I dont go" or words to that effect. After I had organized those who were going back, i.e. at least five minutes later, the accused still refused to go and did not go. He was then put under close arrest.

The accused declines to cross examine the witness.

Delisle, A. did not do so and refused saying "I dont go" or words to that effect. The accused did not go forward and after four or five minutes, time taking by Capt. Jalbert, to organize the ones going forward, as the accused has not yet obeyed the order given though this order had been repeated, he was turned to the guard room.

Re. E.4606 A/L/Cpl Delisle A. Royal 22e Regt. This man was enlisted at Montreal some four years and three months ago. Since '39 he has always been with the Royal 22e Regiment and always showed willingness. He was with theRegt atthe Sicilian landing and carried on all the way through to Ortonia andthere could not stand it any longer. Even before the Regt last attack, he refused to L.O.B. (left outof battle) cause he hadin mind that he could carry on. Unfortunately after doing his best, he dropped behind, and today he feels that he can't carry on any longer at the front line. So I ask clemency of this Court for this man.

EVIDENCE IN THE F.G.C.M. OF E4774, Pte. Delisle, R. R 22e R

1st Witness- (2nd charge) E5113, L/Cpl. Giraldeau, P., R22e R being duly sworn, states:
I am and have been at all times material hereto a member of Provost Section R 22e R. My duty is to carry out such details as my Sergeant requires of me and to apprehend such persons as he directs.
On 24 July 41, I was directed by the Provost Sgt to make examination of the kit of Pte. Delisle, of A Company. As I arrived in his billets I found under the floor under his bed, some articles hidden under a blanket; black jack, screw-driver, a pair of pliers, hammer, elbow protectors, ball belonging to B Company, some wire, one round piece of lead, one knuckle buster, one writing pad, one set of regimental flashes, one brush, one hammer, one chocolate box containing some letters, dictionary, knife, lock, some letters and various small articles belonging to Pte. Cote, which I recognize as the articles on display.

Defense Question: What was the position of loose board in relation to where Pte. Delisle slept?

A. I was told by the C.Q.M.S. and the C.S.M. that he slept on that space.

2nd witness (3rd charge) - F4041 Pte. Cote, A. R 22e R.
Being duly sworn states:
I am a member of A Company R 22e R.

Q. Certain articles are on the table. Do you recognize them as yours?

A. Yes, Sir.

Witness identifies: one hammer, chocolate box complete with contents, brush, one writing pad, one writing case.

Q. Will you tell the Court where your billet is?

A. Burntwood Lane, A Company lines.

Q. Did Pte. Delisle live and sleep in that billet?

A. Yes, Sir.

Q. Did he sleep in the same room as you did?

A. No, Sir.

3rd Witness - E4065, Pte. Ward, G. R 22e R.
Being duly sworn states:
I am Pte. Ward of A Company, R 22e R.

Q. Do you remember at any time having sold a set of regt'l badges to Pte. Delisle?

A. Yes, Sir.

Q. The badges were the same as those on exhibit?

A. Yes, Sir.

Q. But you cannot identify the ones on exhibit as yours?

A. No, Sir.

DWS

Defence summing up:-

Sir, I maintain that on 2nd, 3rd and 4th charges, the charges are of being in improper possession of certain articles. I maintain that the prosecution have not proven that the accused was in possession of those articles. The only evidence being that the articles were found under a board where the accused's kit was at one time. Anyone could have put the articles there. It has not been proved that the accused put the articles there. With regard to the Regt'l flashes, Pte. Cote did not identify them as his own but the charge states this and I produces a witness to show that Pte. Delisle may have had a pr in his possession and that they may have been the ones Pte. Ward sold to him.

Taking all these things into consideration, I contend that there has not been enough evidence submitted to find the accused guilty on 2nd, 3rd or 4th charges.

Prosecution -

Prosecution admits quite frankly that these articles were not found in possession of accused. But the witness L/Cpl. Giraldeau was in company of C.Q.M.S. and C.S.M. when he went to the billet and was shown where Delisle slept, where the articles were found.

It is quite possible that the flashes were the property of Delisle. If the Court decides that they were the property of Pte. Delisle, the court must also assume that the other articles found under the floor must also belong to Pte. Delisle.

1st Witness - (1st Charge) E4791. Pte. Benoit, E. R 22e R.
Being duly sworn states:- I am and have been at all times material hereto a member of the R 22e R.
I recognize and identify the watch on exhibit as mine.

Defence Summing Up in Plea of Mitigation -

I should like to explain the circumstances of what took place on 24 June 41. 24 June is a National Holiday with French Canadians, for that reason there was a party given by the Regiment for the men in A Company lines. At that party, at which I was present, I counted at least 10 casks of beer. The accused told me that he had imbibed beer to the extent of 14 or 15 large cupsfull. I maintain that at the time when he committed the offence, he was hald drunk and was not entirely responsible for his actions.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP 98(C)*), any objections (*RP 95(B)*), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn 1.*) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP 122.*) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP 60(C), 87(C), 92(C) (D).*)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA (RP 40 fn 10)*), or evidence by accused, as to facts or his character or both. (*See RP 41 fn 3, 46 fn 1, 80.*)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP 46 fn 1.*)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP 86(B)*), or to prove previous convictions when accused has called witnesses as to character. (*RP 86(C).*)

(v) Closing address (on *matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns 8-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 563(a).*)

CASE OF

K.74764 Tpr DELL C 3 CACRU

STATEMENT BY ACCUSED E-3

Before coming to CACRU I was with the BC Regt. I came to CACRU near the end of January 44. I was in detention and released 7 Jul 44. While there I was given some basic training and a battle course which lasted 6 weeks. I am not married, am 23 years old and in civil life I was a labourer. I got to Grade VI in school and was 14 when I quit.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH R 86(2).

PLEA IN MITIGATION E-3

With regard to this soldier I would just like to say that I think in considering sentence the matter of circumstances in CACRU should be considered. This soldier has been with the regiment until recently and in CACRU the only one who can attend to his wants is his sqn leader who has possibly 150 men to look after and cannot give the necessary close attention to one soldier. In addition, having completed various courses while in detention, which included basic training and a battle course he was sent out to BAGSHOT to undergo an identical course to that which he had just completed while in detention.

SUMMARY OF EVIDENCE in the case of K74764 Tpr. Dell, C. on the strength of No. 3 Canadian Armoured Corps Reinforcement Unit, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS FOR THE PROSECUTION

F29554 SSM Fougere, J.L., on the strength of No. 3 C.A.C.R.U., a soldier of the Canadian Army Overseas, having been duly sworn, states:-

K74764 Tpr. Dell, C., whom I now recognise, reported into Bagshot camp on the afternoon of 11 Jul 44. He was given a job that night. He did not fully complete his job when Sgt. Reid of 3 C.A.C.R.U. reported him absent at approximately 2215 hrs. I went around on Tattoo Roll Call, 2230 hrs, checking to see if I could find Tpr. Dell. I could not find him. I reported him as being AWL in the morning 12 Jul 44 to Lt. St. Germain. I reported him absent from 2230 hrs, 11 Jul 44.

The accused declines to cross-examine this witness.

F29554 SSM. Fougere, J.L.

SECOND WITNESS FOR THE PROSECUTION

B62045 Cpl. Clements, W.E. on the strength of No. 3 C.A.C.R.U., a soldier of the Canadian Army Overseas, having been duly sworn, states:-

I am Provost Cpl. No. 3 C.A.C.R.U.. I was on duty in the unit guard room at about 0030 hrs 12 Jul 44 when K74764 Tpr. Dell, C., whom I now recognise, reported that he was AWL from Basic Trg at Bagshot. His name was not on our guard book so I released him under open arrest. He slept in the guard room all night.

The accused declines to cross-examine this witness.

B62045 Cpl. Clements, W.E.

The accused is cautioned as follows:-

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused does not wish to make any statement or give evidence on oath.

The accused does not wish to call any witnesses for the defence.

(2)

I certify that the foregoing Summary of Evidence consisting of two pages was taken down by me in the presence of the accused and that Rules of Procedure 4 (C), (D), (E), and (F) have been complied with.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (RP 95(C)), any objections (RP 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.
A 12345 Cpl H. Jones, RWR, sworn, states:
I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.
Cross-exam: He did not say he was sick. (or, None.)
Re-exam: None.
Exam by Court: He said—"I've had enough parades".
RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (RP 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (RP 86(C), 87(C), 92(C) (D).)
(ii) At option of accused, statement by accused (not sworn or subject to cross-exam by Prosecutor, Court or JA (RP 40 fn 10)), or evidence by accused, as to facts or his character or both. (See RP 41 fn 3, 46 fn 1, 80.)
(iii) Evidence of witnesses for accused as to facts or his character or both. (See RP 46 fn 1.)
(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (RP 86(B)), or to prove previous convictions when accused has called witnesses as to character. (RP 86(C).)
(v) Closing address (on matters other than in mitigation of punishment) by Defending Offr or accused. (See RP 40 fns 8-12, 87(C), 92(C) (D).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (When accused charged jointly see RP 91.)
(vi) Closing address by Prosecutor. (See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 565(a).)
(vii) Summing up by JA, if any. (RP 42.)

ASSEMBLY AND DISPOSAL OF RECORD AFTER TRIAL.

1. All deletions and alterations in printed and written record MUST BE INITIALLED by President or JA, if any. RECORD FORMS B, C OR D NOT USED MUST BE DELETED BY A DIAGONAL LINE AND INITIALLED.

2. All loose sheets of record and exhibits comprising the proceedings of the trial MUST BE INITIALLED by President or JA, if any, and then pinned by top left corner to p 3 of CF A 96 in following order:

(i) Charge Sheet. (On top.)
(ii) Convening Order with any declarations made by Convening Offr under RP 104, 106, 107, 114.
(iii) Medical Certificate(s). (KR Can 567.)
(iv) Addresses, statements and evidence in order taken during trial, pages being numbered and on both sides when both sides used. (As to addressing on evidence a certified copy in lieu of original see KR Can 569. As to certified copies of regimental books see AA 162 (1) (g) (h).)
(v) Exhibits numbered Ex A, Ex B, etc. (As to admitting an exhibit.)
(vi) Summary of Evidence, if not already an exhibit.

3. Any report or remarks by President or Court for attention of Confirming Offr will be attached to p 4 of CF A 96 and not form part of record of proceedings. (RP 95(D).) A recommendation for mercy will be inserted in Part I of Schedule on p 4 after minute of sentence awarded. (AA 53(3), RP 118(C), MML p 759.)

4. The President or JA, if any, will return proceedings promptly with covering letter and in an envelope marked "Confidential", or as otherwise directed.

Plea For Mitigation of Sentence
In The Case Of
K 747 64 Tpr Charles Dell

In presenting a plea for mitigation in the case of Tpr Dell The Defence would like to submit to the Court that Tpr Dell was, just before leaving, stated to go on a CBRD draft from which he was removed at short notice without having been told why. He also belonged to a regiment, The Royal Marshal, which has recently been disbanded.

These two circumstances were such that owing to the Accused's rather unstable mental make up he began to feel that he was being imposed on and he therefore took what he considered to be the only course - he left without leave.

This man is qualified as a Gunner Operator and Driver T/C Tank and it is felt by the Defence that owing to his unfulness he should be given as light a sentence as possible.

Sir.

At Coventry on the 31st.March.1944 at about 1515 hours I was on duty in the Y.M.C.A. Quadrant (Warwick Road) accompanied by L/Cpl. Fretwell C.M.P. where I saw the above mentioned soldier. I asked him if he was on Leave and he replied " Yes." I then asked him to produce his Leave Pass, this he was unable to do and he replied " I must have lost it." I then asked him to produce his Militia Books Part. 1 & 2. this he did, and I observed that his last payment was on the 15 February. 1944. I again questioned him concerning this and his Ration Card and he replied " I draw money from home and I have given my ration card away." I conducted him to the Civil Police Station (Coventry) where I contacted the Canadian Provost (London) who informed me that the above mentioned soldier was an absentee.

I arrested him.

He was conveyed to the Main Guardroom Budbrooke Barracks where he was handed over to the N.C.O. I/C Guard. to be detained to await escort.

I have known the accused for a month prior to this. He served under me. I never had any fault to find with his work. His work was satisfactory — never any trouble. I considered him trustworthy

Prosecution

Sent as a Demob depot for vehicles. It is important to have a guard. To guard replaced him.

Defending Officer

They are recovered vehicles written off as total loss. We did not put someone in accused's place — I reported to S/Sgt Taylor.

There are 8 men on a shift. We had a roving picket and he took Dell's place. I did not warn Dell for guard duty on 13 Jan 46. Dell was not present when guard was mounted.

E3. Plea of Mitigation K 74764 PTE DELL, C

PTE DELL joined the army on 1 Feb 41 and came overseas in Aug 42. He landed in Normandy in Oct 44 and went up to R HLI and joined them on the Scheldt. He stayed with the regt all through Holland & Germany and was wounded with them on 19 Feb 45 down on Calcar - Kleef road. He stayed with the regt right up until the time he went home and although he had enough points to go back to Canada with them, he elected to continue serving in Holland since he worked to many a girl from Amsterdam. In the latter part of Sept he was posted to the Algonquin Regt and then went up to 17 ABP on 1 Dec.

Up until an announcement was made on parade at 1330 hrs Sat 12 Jan 46 17 ABP was supposed to fold up around 16 Jan. But PTE DELL was not on that parade at which the men were told they would not be leaving until 31 Jan because he had just come off guard that morning and had 24 hours off.

So when PTE Dell went AWL he thought that most of the men were still going to leave on or about the 16 Jan. He had been unable to get a pass and he had to go to see his wife in Amsterdam to get some business papers cleared up. PTE Dell had waited without getting permission from the army & he was worried about her, because he thought he'd be leaving at once for Canada and no arrangements had been made that his wife might be brought out. So he took leave up to the Can Welfare Bureau in Hague and got things all fixed up. Then he immediately went back to camp even he had been all he could. He got back Tuesday morning.

PTE Dell did not want to go over the head but in his opinion he had to in order to ensure that his wife would get to Canada, and he thought that as he had chosen to fight through the war he had a few months in Canada coming to him. He got enough he resolved to keep on & be a good soldier and he has even stopped drinking altogether. PTE Dell realizes that he has committed a crime and he is prepared to accept your punishment for it but only that extenuating circumstances attendant on his absence. After all he only did what he thought he had to do, and he had done this he immediately returned to camp to

Take whatever punishment should be meted out to him. I think that shows that he have real determination to perform and be a good soldier since he got married

So, gentlemen, because of his long service both in and out of action, because of the fact that I believe he really earnest in a determination to be a good soldier since he married, and finally because of the extenuating circumstances surrounding his absence I beg you to be as lenient with PFC Doll as you can see fit.

He ran away only 2 days & hours and he has already spent 13 days in close custody.

Statement in mitigation of Punishment

Case of - H54953 Gnr. Dell G.E.
13 Cdn Fd Regt RCA

Mr. President:

One cannot condone theft but I would ask you to consider a few facts in relation to the accused and the witnesses for the prosecution.

The accused is not a strong character nor a particularily bright one. The evidence clearly shows a weak foolish man associated with bad characters. The prosecution witnesses from Mays' Cafe are to say the least slippery individuals and certainly are liars. The accused was told he would find the jerkins laid out for him. The witness Lieut. Walls reports his leather jerkin missing from the officers' mess. The accused has never been in the officers' mess. There is evidence here to support that a third party is involved. There is certainly evidence to support the assumption that there is a gang working to secure Army goods from soldiers like the accused. I commend to the Provost Corps Mays' Cafe in particular for observation.

In conclusion I ask you to take in to consideration the co-operation throughout of the accused to assist investigation. I ask you to take into consideration his general weakness of character as too well evidenced by his MFM G. He is a man easily influenced and in this case, those influences were people of to say the least of shady character.

I ask above all that this soldier be not made the example of punishment for this offence, that of stealing public property.

Statement of H54753 Gnr. Dell. Gnr. 22nd Bty 13th Field Regt R.C.A.

Statement began:

About a week previous to the 11th Dec. 43 I was in Mayo Cafe. The Irrigale. Bournemouth. When I met a man whom I knew as Paddy. At times he works in Mayo. He asked me to get him two leather jerkins. He told me he would pay for them, but did not state how much. I told him I would bring him down some. On the morning of the 4th Dec. 1943. I went into the recreation room where I saw two leather jerkins on a chair.

Dromore

no one in the room at time. So I took the two and proceed to Mayo's with them. I rang them at the door and waited there for a while to be let in. After some time I told Mayo the jerkins were for Paddy. I am not sure if there was anyone else in the kitchen at the time, but there was no one in the room I have not seen Paddy since. When Paddy asked me to get him the jerkins he did not say he wanted to get a profit out of them, and would need me for a witness.

I have read the above statement and it is true.

M3419 Gnr Perkins, R.B., 22 Field Battery, 13 Canadian Field Regiment, R.C.A. having been duly sworn states:-

On Saturday 11 Dec 43 at 2130 hours I went into May's Cafe, in Bournemouth by the Triangle. I saw two leather Jerkins in the scullery of May's Cafe. I examined them and noticed one had pip marks where pips had been removed. I knew when I saw these jerkins that Gnr Gernacher had lost a jerkin, but when I returned to Barracks and made further inquires I was told that Lieut. Walls had lost a jerkin also. I recognize this leather jerkin as the one I saw in May's Cafe as there are the two pip marks on each shoulder. (This jerkin identified by Gnr Perkins is marked as Exhibit "A".)

Question: Do you know anything about Paddy Kyle asking me for the jerkins.

Answer : I did not hear Kyle ask for the jerkins from Gnr Dell.

Question: Have you heard Kyle say anything about having a deal on for a Coat.

Answer : No.

Later the same day at approx 1700 hrs I again saw Gnr Dell when he told me he wished to make a statement as he was the one who had taken the jerkins to May's Cafe. I cautioned him after which he produced the following evidence. (attached hereto as exhibit "D") After he made the statement I placed him under close arrest and stated that he would be charged with the theft of the jerkins.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. N/K.(5)
(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.*)

The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on ..... charge(s). Part I of the Schedule is amended accordingly.
(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

PLEA OF MITIGATION IN THE CASE OF C.40208 PTE. PALLAIRE, L.A.

Gentlemen of the Court:

Pte. Pallaire joined the Army in 1940. He fought in Africa and Italy. He served a setence of one year detention. (Four months remission being given him for good conduct). After he was out of detention [redacted] he applied for 14 days leave. He was granted 3 days. He returned from 3 days leave and was in Camp for over a month doing absolutly nothing, just laying around. He asked to be put on draft but was told he would have to wait. He asked for leave again and was refused. He got so fed up with laying around camp doing nothing at all that he decided that he would have to either get away or loose his sences. He decided to go away.

GNR DELMAGE J.T. A 32151. E-3

The accused, gnr. DELMAGE, joined the Canadian Army Active service on SEPT 11, 1939 VOLONTARY On his own accord, without being freed. WHY then did he go away on Oct 28th 1944 until 30th of may 1944?

The reason is this. Gnr Delmage is as you can see, the agressive type. The type of man that cannot stay inactive, the type of soldier we need in battles.

Since November, when he missed the draft for Italy with is regiment The 1st C.A.A. he has been in a reinforcement unit. Is there anything more discouraging for a soldier that joined the army to fight to find himself, after nearly 5 years of service, on a parade square learning how many rounds go in a rifle magazine?

This soldier is guilty of leaving the army. But, will a long stage in a detention barrack make a good soldier out of him? (which is undoubtedly ~~what~~ the object of this court) Make a good soldier out of a man that took the law into his own hands

No, a man that goes in detention and is pushed around by his brother soldiers does not become a good soldier, he develops a hate for his own men and he becomes to believe that he is not wanted. That he is no good and as soon as he is free he seeks to go again.

Why not then try to be different, why not send this man to fight although he is guilty. Why not give him a chance to prove that he is a soldier not a civilian renegate disguised in uniform who lives at the government expenses.

I hope the

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 45 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (or, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 85(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 82(B) should be complied with. If taken verbatim, RP 85(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 90(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(C).)

But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see* RP 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 563(9).)

Plea of Mitigation. E-3

In the case of the accused, [illegible] 1000 79 Sigmn. A. Delmonica, I wish to draw to the attention of the court certain facts in this man's career as a soldier in mitigation of his sentence.

The accused enlisted on 16 Mar 42 as a volunteer. He came overseas on 12 June 42 and was soon posted to the 1st Army Signals in Sep 42. Here he served for almost two years and despite the fact that he was single and no dependents his record was remarably clear, two charges of a minor nature for which he received 7 days CB apiece. This clearly shows that he was interested in his work and given the chance he is a good soldier.

This absence for which he is charged and being court-martialed has a reason for

it. That reason of course was all in the mind of the accused and perhaps brought on by circumstances until it got beyond him and he found himself really in deep water.

While at 1st Army Signals he worked for a year and a half as a postal clerk with the idea in the back of his mind that he would eventually get the promotion to postal corporal. When this promotion was given to the brother of the administration officer Captain he naturally beefed about it. This didn't help him. When he was unfortunate enough to fall from a truck and tear the ligaments of his right arm he was hospitalized. On his return he was asked to help straighten out the unit post office which had got behind in its work. The postal corporal complained that he wasn't working which

was natural as his arm was still bothering him. After this complaint he was reported to the Pers. of Unit of Signals and from there was hospitalized again for the months of June and July. On return he assisted in the unit post office. But, when posted to, C.S.P.U without any reason he knew of, fed up, he went absent without leave. Once absent for two or three weeks and hearing the sentences being awarded for this crime he was afraid to come back until he was practically apprehended.

His actions, gentlemen, throughout his career show he is green as far as military crime is concerned. Working in a post office daily he wouldn't come into contact with it as much as normally. I submit to the court that his absence was more from ignorance than intention.

I beg the court to grant him as much leniency as possible in this his first court-martial and give him a chance to redjust himself later. One stupid mistake shouldn't be made to cost him everything he has earned in his previous record. I thank you, sir.

B1. The President ~~as JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(*C*)), any objections (*RP* 95(*B*)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 16 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the pars in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 86(*C*), 87(*C*), 92(*C*) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or J.A.* (*RP 40 fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 45 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 45 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(*C*).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns* 8-12, 87(*C*), 92(*C*) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP 40 fn* 7, 87(*C*), 92(*C*) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 563(a).*)

L-55473 Gnr. DELORME, A. 2 CARU

14 Nov.44

STATEMENT BY THE ACCUSED (ON OATH) NOTE E-1

Q. Will you tell the Court just what led up to you taking this long unauthorized leave?
A. Yes sir.

The reason I left to go AWL was because I never got any leave in two years. I asked to go on draft and I never heard anything of it. I am category "A". I asked to go in the Forestry Corps and I was turned down. I asked to go to the Commandos and I was turned down so I left Camp. I have been at L CARU better than a year and never got a leave although I have asked 4 or 5 times.

Q. Was there any reason given to you why your application for leave was turned down?
A. No sir.

Q. Where did you go from No.1 CARU?
A. To No.2 CARU in June 44.

Q. Did you asked for leave there?
A. Yes sir, but I did not receive any.

Q. Was there no reason for this?
A. No sir.

Q. Did you hear any news that all personnel would be moving to another Camp?
A. No sir.

Q. Did you figure that you were going to be kept in an Rft Unit longer than you expected?
A. Yes sir, I did not think I would ever get out.

Q. What effect did that have on your mind?
A. I felt very bad about, I figured the only thing to do was to go AWL and come back again.

Q. Will you tell the Court where you spent your unauthorized leave?
A. I travelled and worked here and there. I was on my way up to London when I got picked up at Welshpool, Wont. at the station.

Q. Did you have plenty of money while on this leave?
A. Yes, I have saved my money a long time waiting for an authorized leave.

Q. Have you made application for transfer to any other Unit?
A. Yes, I made application for transfer to Infantry or Commandos, so that I could get into action, but all to no result.

NO CROSS EXAMINATION

PLEA IN MITIGATION (ATTACHED)

THE COURT WILL BE CLOSED TO CONSIDER THE SENTENCE

Mr President and Members of the Court

Plea in Mitigation of Sentence
L-55473 Gnr Delorme, A.

1. You have heard the accused give his story regarding this charge and his admission of guilt. You have also heard his explanation as to the factors when led-up to his unauthorised leave. I wish to review some of these mentioned circumstances and this soldier's record, for your consideration, in determining the sentence you deem necessary to satisfy the law of the Army.

2. I am sure that you will appreciate why I have not brought in character witnesses on his behalf. As he has served nearly all of his army life in other Units than 2 CARU and as his MFU 6 is before you- almost spotless from crime - I am sure you will agree that character witnesses are not necessary. Three and a half years in the army, two years and three months overseas and only one entry on his Conduct Sheet. That alone is a very fine record. I wish to draw your attention to this first entry on his MFU 6 - "being in illegal possession of a bicycle belonging to the officer he was batting for". Would any member of this court place his batman on such a charge for using his bicycle for a couple of hours during parade hours when you were supposed to be on duty? That, Sir, is what Gnr Delorme was charged with and penalized 14 days pay, otherwise his record would have been clean.

3. I have personally referred to this soldier's MFU 4, and assure you that this document substantiates his statement regarding privilege leaves - he has had only one privilege leave since coming overseas, that was granted two years ago, 20 Oct 42.

4. Gnr Delorme has been a batman - his only employment since coming Overseas. This duty has been quite remunerative and his Part III Pay Book shows that he has been saving his money. He has a splendid Deferred Pay balance. His free balance for the past year proves that he could well afford the Privilege Leaves which he requested yet didn't receive. Many batmen have money which is not disclosed by the Pay-Book. Gnr Delorme assures me that he had a very substantial sum in his pocket at the time he went AWL.

5. This charge of AWL is not the usual type - and I ask your consideration to these factors:

(a) The racial origin of the soldier - his father and mother both Cree Indians. Like his ancestors, he wanted some degree of freedom. He asked for leave many times, couldn't get it, so finally went AWL rather than become a browned-off, disinterested soldier, as so many have done under similar circumstances.

(b) The character and record of service of Gnr Delorme - Willing to do anything in any branch of the services, not a trouble maker, thrifty and cheerful. Good MFU 6.

(c) Lack of training for the Field - A strong able body soldier, 26 years of age, average intelligence, and not having had any other job than batman since coming to the RUs over two years ago.

p.t.o.

Continued

5. (d) Mental depression resulting from his inability to get leave - He had plenty of money, he was not on some special duty that required his continued attention year in and year out. He had not been a bad boy, and had his leave cancelled on that score. He had made several requests for leave during these twenty two months, he had received no success, so took the obvious course and left camp for what he thought was a well-earned vacation.

6. On behalf of Gnr Delorme and the good of the service, I respectfully ask that you award a sentence which will allow this young man an opportunity to realize his ambition to serve our contry in an active theatre of war. If you could make such a recommendation it would be appreciated.

Summary of Evidence in the case of L-55473 Gunner Amable DELORME, of "P" Trg Wing, No 2 Cdn Arty Rft Unit a soldier of the Cdn Army Overseas.

By direction of the Commanding Officer the Summary of Evidence is taken on oath.

1st Witness for the prosecution

Lt. G.W. Currie, Assistant Admin Offr, "P" Trg Wing, No 2 C.A.R.U., an officer of the Cdn Army Overseas, having been duly sworn states:

"I produce:

(a) A certified true copy of Record of Declaration of Court of Inquiry, purporting to be signed by Major R.D.Mulholland, Admin Offr, No 2 CARU, Offr having custody of original record, relating to the accused whom I now recognize. This document is marked appendix "A" and annexed to the Summary.

(b) Certificate in accordance with Section 163(1)(m) of the Army Act, purporting to be signed by J. George, Inspector in charge of Police Station at Welshpool, Mont., relating to the accused whom I now recognize. This document is marked appendix "B" and annexed to the Summary.

(c) Expense Voucher, purporting to be signed by Capt. R.E.Birch, D.P.M's Branch, CMHQ, relating to the accused whom I now recognize. This document is marked appendix "C" and annexed to the Summary.

G W Currie Lt

The accused declines to cross-examine this witness.

The accused was cautioned as follows. "Do you wish to make a statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused volunteered the following statement:

"The reason that I absented myself without leave was that I did not get any leave for the past two years. I asked many times for leave and was given no reason why I could not go on leave. I changed my mind about leave and tried to go on draft. I am 25 years old and "A" category. I was not put on draft so I made up my mind that I would go absent without leave. I had no intentions of staying away permanently. I knew that when I came back from A.W.L. they would listen to me and my case might be investigated."

I certify that the foregoing Summary of Evidence consisting of one page was taken down by me in the presence and hearing of the accused and that Rules of Procedure 4(c),(d),(e) and (f) have been complied with.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 85(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (or, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 85(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 85(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply *so far as* practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 80(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*a*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(C).)

(v) Closing address [on *matters other than in mitigation of punishment*] by Defending Offr or accused. (*See RP* 40 *fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 563(*a*).)

(vii) Summing up by JA, if any. (*RP* 42.)

ASSEMBLY AND DISPOSAL OF RECORD AFTER TRIAL.

1. All deletions and alterations in printed and written record MUST BE INITIALLED by President or JA, if any. RECORD FORMS B, C OR D NOT USED MUST BE DELETED BY A DIAGONAL LINE AND INITIALLED.

2. All loose sheets of record and exhibits comprising the proceedings of the trial MUST BE INITIALLED by President or JA, if any, and then pinned by top left corner to p 3 of CF A 96 in following order:

(i) Charge Sheet. (On top.)

(ii) Convening Order with any declarations made by Convening Offr under RP 104, 106, 107, 114.

(iii) Medical Certificate(s). (*KR Can* 567.)

(iv) Addresses, statements and evidence in order taken during trial, pages being numbered and on both sides when both sides used.

(v) Exhibits numbered Ex A, Ex B, etc. (*As to admitting in evidence a certified copy in lieu of original see KR Can 566. As to certified copies of regimental books see AA* 163 (1) (*g*) (*h*).)

(vi) Summary of Evidence, if not already an exhibit.

3. Any report or remarks by President or Court for attention of Confirming Offr will be attached to p 4 of CF A 96 and not form part of record of proceedings. (*RP* 95(*D*).) A recommendation for mercy will be inserted in Part I of Schedule on p 4 after minute of sentence awarded. (*AA* 53(3), *RP* 118(C), *MML* p 759.)

For the Defense

The Defending Officer makes the following statement:-
Pvt Delorme has had a great deal of family trouble. At the
age of 12 his parents separated and he was placed
in an orphanage. He was adopted at the age of 13 and stayed
with them for a year. He left his foster parent and
went to live with relatives. He has supported himself
since that time and has been a law unto himself. Shortly
before coming overseas he married. The marriage was
a happy one. However since coming overseas his
marriage may not have not been working as frequently
as would be expected. Pvt Delorme asked CMHQ
to investigate the circumstances & submit
the letter received from them in answer to his
request.

I suggest that the report submitted by CMHQ is
not in accord with the facts since postal
records show that he has received almost no mail
from Canada. No further enquiry was made by the
unit. Delorme was not alleged and there appeared
that his marriage would break up as did
his parents marriage.

We are not sure of the man in his early years
and I feel that that is the reason for his
lack of responsibility. That is why he becomes
depressed and went AWL.

Summary of evidence in the case of B-74343 Tpr. John Douglas DELORME, Headquarters Squadron (7/XI Hussars) 5 Canadian Armoured Brigade, Canadian Army Overseas, charged with :

Absence without leave from 4 Sep 43 to 5 Sep 43.

Conduct to the prejudice of good order and military discipline in having in his possession a false pass.

Absence without leave while in close arrest from 6 Sep 43 to 22 Sep 43.

Conduct to the prejudice of good order and military discipline in having in his possession a false pass.

The Commanding Officer directs that the evidence be taken on oath.

First Witness

K-70476, Sgt. Bone, W.R., H.Q. Sqn (7/XI H) 5 Cdn Armd Bde, having been duly sworn, states:

I am Orderly Room Sergeant for H.Q. Sqn (7/XI H) 5 Cdn Armd Bde of which B-74343 Tpr. Delorme, J.D., whom I recognize as the accused in this case, was a member. On the 25 Aug 43 he was sent to No. 3 Canadian Armoured Corps Reinforcement Unit for purposes of attending a course assembling 5 Sep 43 and was attached there for all purposes. On the 6 Sep 43 he was returned to the Unit under close arrest. Later that day I learned that B-74343 Tpr. Delorme, J.D., had escaped. I did not see him again until 23 Sep 43 when he was returned to the Unit under close arrest.

I present the following documents in this case :-

Certificate in accordance with P.C. 2797 signed by Captain L.S. Grayson for D.A.P.M. London Area.

Expense Voucher to the sum of ten shillings and two pence certified by Captain W. Fern.

AFB 295 made out to B-74343 Tpr. Delorme, J.D., from 0900 hrs 3 Sep 43 to 0900 hrs 10 Sep 43 signed by 'Captain G.P. Baker, O.C. HQ Sqn, 5 C.A.B.'. This pass does not bear the impression of an Orderly Room stamp.

Certificate in accordance with P.C. 2797 signed by Captain W. Fern. D.A.P.M. London Area

Expense Voucher dated 23 Sep 43 to the sum of eleven shillings and ten pence certified by Captain W. Fern, ~~D.A.P.M. London Area~~

CFA 24 made out to B-74343 Tpr. Delorme, J.D., from 0800 hrs 22 Sep 43 to 0800 hrs 30 Sep 43 signed by 'Major R.M. Gordon, O.C. HQ Sqn, 5th Cdn Armd Bde'.

The AFB 295 which purports to be a pass made out by Captain G.P. Baker as O.C., Headquarters Squadron 5 Cdn Armd Bde is not a form which has ever been in use in this Squadron.

The CFA 24 is the ordinary pass form that is used in the Squadron but the signature of R.M. Gordon, Major, OC HQ Sqn 5th Cdn Armd Bde, is a fictitious name as there is no such officer on our strength.

The accused declines to cross examine this witness.

(K-70476 Sgt. Bone, W.R.)

The Documents referred to by the witness are produced, read

over to the accused and marked Exhibits "A", "B", "C", "D", "E", "F", respectively, signed by me and attached hereto.

Fifth Witness

B-61316, Sgt. Harrison, S.H., H.Q. Sqn, 5th Canadian Armoured Regiment (8th New Brunswick Hussars), having been duly sworn, states :-

I am a sergeant in the H.Q. Sqn of the 5th Canadian Armoured Regiment (8th NBH). At 1900 hrs of 6 Sep 43 I took charge of the camp guard of 19 men. I checked the prisoners in the guardroom and B-74343 Tpr. Delorme, J.D., whom I recognize as the accused in this case was one of the prisoners present.

The guardroom consists of an outer or ante room with a door leading off into a second room which contains a number of cells.

A.H.H.

From this second room there is a door leading outside into a barbed wire enclosure. This door was not able to be locked as the lock was out of repair.

When I checked the prisoners at about 1900 hrs Tpr. Delorme and another prisoner whose name I do not recall were in this second room outside their cells. The other prisoner was at a table scrubbing his web and Delorme was standing beside him.

I returned to the anteroom and checked over the guard reports and remained there until the prisoner who was cleaning his web called me to put him back in his cell. When I went to do this I found that Tpr. Delorme was no longer in the room and on asking the prisoner where he was he said he thought he had stepped out into the enclosure for a leak. The lavatory for the prisoners was located in this enclosure. I immediately checked outside but Tpr. Delorme was not there. I then searched all through the guardhouse and not being able to locate him reported to the R.S.M., the Orderly Officer and Adjutant of the 5th Canadian Armoured Regiment (8 NBH). I then sent two of the men on guard to check the Naafi and two more to search his Unit's huts and lines but both reported that they could find no trace of him. The time I discovered Tpr. Delorme to be missing was 2015 hrs.

The accused declines to cross examine this witness.

B-74733 Sgt. McConnell, H.E., H.Q. Sqn (7/XI H) 5th Cdn Armd Bde, having been duly sworn, states :-

I am the Troop Sergeant in H.Q. Sqn (7/XI H) 5th Cdn Armd Bde in which B-74343 Tpr. Delorme, J.D., whom I recognize as the accused in this case, was a member.

On the 6 Sep 43 B-74343 Tpr. Delorme, J.D., was returned to the Squadron under close arrest. The same day he went absent without leave. I called his name at Roll Call at all parades of my troop from the 6 Sep 43 until the 23 Sep 43 and during that time he did not appear on any parades or answer his name on any Roll Call.

The accused declines to cross examine the witness.

H.E. McConnell

(B-74733 Sgt. McConnell, H.E.)

The accused was warned as follows:

"Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

TRIAL ON THE 5th CHARGE

EVIDENCE FOR THE PROSECUTION D-3

1st WITNESS FOR THE PROSECUTION
13115287 L/Cpl Nuttal, J., on strength 512 Coy Pnr Corps, having been duly sworn states:

I was NCO in charge of the guard room at Somme Barracks in Sheffield on the 20 Jun of this year. Amongst some of the prisoners was one that I see here he is the accused in this Court. At about 1430 hours on the 20 Jun 44 I let nine prisoners out on exercise parade, I posted my guard at the different points where it was possible for the prisoners to escape. At about 1435 hours the MO came in and I went with him into the guard room to sign the sick book. I heard a scuffle in the yard outside and I went out. As I got out two of the prisoners had already got out and another two were just going through the gate. I grabbed the one that was actually in the gate and put my arms around him so that he could not move, the accused was hitting another fellow in the corner and when he finished with him he came to me and hit me in the mouth and broke my teeth and then kicked me in the shins, I had to let go the other fellow and he got away. Besides kicking me in the shins the accused, Pte Delorme, hit me in the mouth, cut my lip and hit me in the chest. He was dressed in civilian clothes with a rain coat on and no hat.

CROSS EXAMINATION BY THE DEF OFFR

Q You state that the accused was dressed in civilian clothes, what sort of shoes had he on?
A He was wearing civilian low cut shoes.

Q Did they have rubber soles on?
A I cannot say sir.

Q Were you in the guard room when the accused tried to escape?
A Yes sir, with the MO.

Q And when you came out four prisoners were trying to escape?
A Two had gone, I saw two more trying to get away.

Q Who were these two?
A Pte Delorme and Kilrey.

Q Was Pte Smith one of the guards?
A Yes sir

Q Was he fighting with the accused?
A He was the one that was trying to keep the accused from escaping. The accused finished with Smith and came over and hit me.

Q In the Summary you say that the accused only kicked you on the shins, now you tell us he hit you several times, is that so?
A Yes sir, but he did hit me.

Q Why did he hit you?
A I tried to stop him or I was in his way, I could not run after him after he kicked me, I had to have my legs fixed up.

DLR.

Q There were four escaped altogether, two before you got out and two later, is that right?
A. Yes sir.

Q. Are you sure that one of the two first ones was not the accused?
A. I am quite sure sir that the accused was the last to get away. He came and hit me and I had to leave loose of the prisoner I was holding onto, and lost him also.

In the opinion of the Court it is unnecessary to comply with RP 83(B).

CASE FOR THE PROSECUTION IS CLOSED

EVIDENCE FOR THE DEFENCE D-6.

1st WITNESS FOR THE DEFENCE
The Accused, duly sworn states:

Q. Did you hit or did you not hit L/Cpl Nuttal?
A. No sir. When we broke for the gate the L/Cpl was inside and there were two of his that got through to the gate and through it together and one of the troopers on guard hit me on the head with a big stick and I was able to get by him with the other prisoner and out of the yard before the L/Cpl came back. I was the second man out the gate. There were two or three other fellows in the gate or trying to get through the gate and I was quite sure that the guards would not be able to get out and follow me. I had seen L/Cpl Nuttal around the guard room before and I am sure that he was not there when I left, I did not hit him, I did not hit anyone for that matter.

Q. Would you know who did strike the L/Cpl?
A. No sir, I was out of the gate and did not see any one strike him, it was rather confusing at the time, there were a lot of the fellows trying to get out but I made sure that I got out, I was not interested in what was happening to the others, I was not trying to form a rear guard for any other people trying to escape. I am positive that the first man out was a little fellow in civilians, he was not a soldier, I was the only Canadian there and I was in civilians.

CROSS EXAMINATION BY THE PROSECUTOR

Q. What civilians were you wearing?
A. A pair of civilian trousers and blue coat and a rain coat, I did not have a hat on.

Q. How many other people were there wearing civilians there?
A. Three or four.

Q. Why do you think that he has mistaken you for somebody else that did hit him and kick him?
A. Because I simply did not do it.

In the opinion of the Court it is unnecessary to comply with RP 83(B).

CASE FOR THE DEF IS CLOSED

PROSECUTOR SAID HE HAD NOTHING TO SAY ON THE FINDING

DEF OFFR SAID HE HAD NOTHING TO SAY ON THE FINDING

COURT IS CLOSED TO CONSIDER THE FINDING

COURT IS REOPENED AND THE PRESIDENT ANNOUNCES THAT THE ACCUSED IS FOUND NOT GUILTY ON THE 5TH CHARGE.

PLEA IN MITIGATION

Sir,

The accused today is a man of 22 years old. He joined at the age of 18 years. His home life has been one of the very very sad ones, at the age of 12 years his mother and father separated. His family of two boys and two girls was broken up and also separated. The accused and his brother were sent to Peterborough to an orphanage. He stayed there one year and when 13 years old left, and went from relation to relation, however they had families of their own and could not keep and provide for him, he actually spent his life from 13 to 18 in the bush. I need not go into detail as to the meaning of that, but I am sure that the Court knows that it is a hard life and not always in the best of company. However during that 18 years of life he did not have an offence, he had been in not police court or other trouble with the authorities. He enlisted like all other young men in Canada have done, he did so in May 1940, he came to England hoping to get to the way in May 1941, up to this time he had had no offences, and he left a newly married wife who was but 16 in Canada. His first charge, an AWL, like too many of our soldiers probably the result of inactivity and a browned off feeling. His only brother is in the 48 Highrs, he went to Italy with the 1st Cdn Div. This brother wrote regularly each month, and now for a long time the accused has had no word from this brother, he has heard a rumour that his brother has been killed. I have a statement from the MO of this Unit I would ask the Court to read, which relates to the accused.

I ask the Court to look upon this young man, not as a criminal, but as a man who lived his life in the open with no restraining hand upon him. He enlisted voluntarily and came over here to fight in a war. He is actually anxious to get into action, now with the added desire to revenge his brother's death. I feel quite sure that if he were sent to the front and given the most dangerous jobs he would carry out his duties in such a way as to atone for all his mis-deeds in the eyes of the army. I ask that you give him this chance.

COURT IS CLOSED TO CONSIDER THE SENTENCE.

NOTE B-2.

After the accused had plead guilty to the 2nd Charge, that of Desertion, the President pointed out to the Def Offr that upon that plea the Court could sentence the accused to suffer penal servitude for a term between three years and life, and suggested that he and the accused should re-consider the plea. The Def Offr answered that he and the Accused had considered the plea and understood the nature of the punishment which might be awarded, but were still content with the plea of guilty to the 2nd Charge, that of Desertion.

STATEMENT BY CAPT A.D. TOMPKINS MEDICAL OFFICER OF #3 C.A.C.R.U. WITH REGARD TO B74343 TPR JOHN DOUGLAS DELORME #3 CDN ARMOURED CORPS.

I have interviewed B74343 Tpr John Douglas Delorme and in my opinion his alleged actions have been largely due to his insecurity of home life, and his long period of inactivity since enlistment, as he has beenquite eager for front line duty. This man would probably be a good soldier if his desire for field operations were satisfied.

I went on duty at 2359 hrs 20 April 44 as NCO in charge of the Unit Guard Room. B.74343 Tpr Delorme, J.D. was being held in custody awaiting promulgation of sentence. At 0600 hrs 21 April 44 I sent B.4492 Tpr Hopkins, T.L. with four prisoners to bring the prisoners' breakfast, at the same time I left Tpr Delorme in guard room enclosure to wash. When Tpr Hopkins marched the prisoners out of the guard room I proceeded to the main door to close it. On returning to the enclosure I found Tpr Delorme missing. I immediately proceeded to the latrine which is situated in the enclosure and found that Tpr Delorme was not there. I also checked the prisoners cells and found that he was not there. When Tpr Hopkins returned with the breakfast I put him in charge of the guard room and went outside to search for the prisoner but could not find him. I reported the escape to the duty officer.

Sir,

At Sheffield on the 16th June 44 about 2310 hrs in company with L/Cpl. Barber, C.M.P. and detective Constable N. Evans, C.I.D. City Police, I proceeded to 102 Gell Street, where on admittance to a flat I saw the above named with a woman.

I asked to see his identity card and he produced a civilian identity card No.Y.K.I.A. Thomas Kinghorn 34 Fitzwilliam Street, Sheffield.

Knowing he was not Thomas Kinghorn and being in possession of information that he was a Canadian deserter, I asked him where he had obtained this card. He said "Where do you think, it is mine". He was then asked how long he had been in England and the date, also for a specimen signature. He stated "I have been in England since October 1937 and his signature was obtained.

It was obvious the signature did not correspond with the identity card signature. He was then informed that from information received he was a deserter from the Canadian Army and that he would have to accompany us to C.I.D. office for further questioning regarding his identity.

He then admitted he was a deserter and said he had an idea who shopped him and that he would be looking for him.

He was arrested and conducted to Somme Barracks where he admitted his name was as above and said he got 12 months for the last time and did not do it and he would not be doing this.

He was handed over to the M.C.O. i/c guard to be detained awaiting Canadian escort.

He was wearing civilian clothes and would not state where his uniform was. Identity card was taken possession of by the C.I.D. officer.

Sir, At Sheffield on 20 June.44., about 14.30 hrs. I was Guard Commander at Somme Barracks. I released nine prisoners I had in custody for daily exercise. I posted my guards at all main points, myself and two O.Rs. were at the Main Gates. The Medical Officer arrived at .435hrs. and I conducted him to the Guard Room for the purpose of signing the Sick Book, whilst doing so I hard a scuffle outside and I immediately ran out and found that two of the prisoners had already escaped after attacking Ptes. Smith and Evans. They were struggling with another two prisoners who were almost through the gates; I grabbed hold of one of the prisoners round the neck, I recognized this man to be Trooper Delorme, who was dressed in civilian clothes, he kicked me violently on the shins several times. I tried to keep holdof him but he struck me several severe blows on the chest and forced me to leave loose of him. Delorme then ran out through the Barracks gates. I was unable to give chase because my leg was giving me great pain as a result of the violence used on me by Delorme. I immediately called the roll from the Guard Report and found that No.B.74343. Tpr. Delorme J.D. was one of the prisoners who had escaped by using violence.

"I have been cautioned by L/Cpl. POPIEL, P. of the S.I.S. Cdn. Provost Corps, that I am not obliged to say anything unless I wish to do so, but anything I do say will be taken down in writing and may be given in evidence.
To show that I understand this caution I sign my name here.
Witness: L/Cpl. POPIEL, P. (Sgd) JOHN DOUGLAS DELORME.

BEGINS:-

I, Tpr. DELORME enlisted in the Cdn. Army 27th May 40. at Toronto Ont. with the 48th. Highlanders of Canada. I came overseas sometime in Nov 41. The first time I went A.W.L. was spring 43. I was away for a month. When apprehended I was sentenced to (3) months in Detention. Second time was 7 Jan 44, being on the loose till 7 Apr 44. While awaiting sentence I escaped on the 21 April 44 and apprehended 1 May 44 at Sheffield. After being locked up at Somme Barracks Guard Room, I again escaped military custody on 4 May 44 and I remained absent till apprehended by the Civil Police at about 0900 hrs., 14 Nov 44, at 30 Verdon Rd., Leeds. During my absence from 4 May 44 till 14 Nov 44 I was at Leeds, Yorkshire. Here I was doing odd jobs, such as working in a Garage and also repairing watches. The Garage where I was employed and the Proprietor whom I only know by the name of Whil paid me an average of £3-10-0 to £4-0-0 per week according to number of days I put in. Here I worked for about six weeks. As for my Civilian clothes, I bought a pawn ticket from a woman in a Public House at Leeds, and my uniform I dispose d of as I deemed necessary also in a lane at Leeds, together with my boots. I also wish to say that during my absence I was never involved in any civil offences or any trouble of any kind as I always managed to earn my living honestly.

3. Cont'd The above statement was read to me and approved.

WITNESS: L/Cpl P. Popiel SIGNED: John Douglas Delorme.

4. During my course of interview with DELORME, he admitted staying with a Mrs. May CALDWELL at 30 Vernon Rd. Leeds Yorkshire, also that she had four children. Subject also stated that this woman was well known in that district being a professional singer.

5. As no further information of use could be obtained from Tpr DELORME, he will be returned to his Unit 22 Nov 44 under Cdn Provost Corps, escort.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(*C*)), any objections (*RP* 95(*B*)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 *I* ordered the accsd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence *is* taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 89(*C*), 87(*C*), 92(*C*) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP 40 fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP 41 fn* 2, *46 fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP 46 fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(*C*).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns* 8-12, 87(*C*), 92(*C*) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly, see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn* 7, 87(*C*), 92(*C*) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 565(a).*)

Plea of Mitigation
In The Case
of
B74343 Tpr John Douglas Delorme.

In entering this plea of mitigation in the case of Tpr Delorme I should like to respectfully submit to the Court that Tpr Delorme does not desire to escape the just consequences of his acts. He only wishes to lay before the Court, for their consideration, an account of some of the events in his life which may have some bearing on the present charges.

First of all I should like to say that Delorme's background is only too frequent in the world today. He belongs or rather was a member of a family of four; two sisters, a brother all younger than himself. When he was twelve years old his father and mother separated, owing, I'm afraid to say to the usual squalid circumstances of drink and mutual unfaithfulness. Naturally, such an event could not fail to have an awful effect on the sensitive mind of a child of twelve. He has not seen or heard from his sisters since.

A Child Welfare Association took Delorme and his younger brother to Peterborough where both of them were lodged in an orphan asylum.

It is not intended for one moment to cast any aspersions on what was undoubtedly an admirable institution but I should like to point out that it could not and did not pretend to take the place of a proper home especially in regard to a little boy who had already been allowed to run practically wild and had already seen more than usual of the seamy side of life. Therefore after a year he managed to escape and ran away to a small town known as Honey Harbour where he managed to find shelter with a family who offered him board and lodging in exchange for such work as a boy of his age was able to do. This family knew the boy's background and all the circumstances surrounding his escape from the orphanage, yet they took him in and paid him purely nominal wages by doing what practically amounted to a man's work.

This family was quite a large one and quite apart from the work he had to do, Delorme felt that he was still an unwanted outsider, tolerated only for the menial jobs he performed so after a year he left and managed to find his way to an aunt's home.

Here again he knew himself to be looked on as a tolerated encumbrance so he finally went to Toronto

and was able to find odd jobs such as errand boy up to the declaration of war when he joined up in May 27 1940.

While Delorme was in Toronto he met and fell in love with a girl, who he married after knowing her for two years, hoping that at last he would be able to have what he had never had before - a home and security, when the war was over. ~~[illegible]~~ When the time came for Tpr Delorme to proceed overseas his wife promised to send him anything he needed, however, when he did write home for any of the small comforts a soldier requires, ~~although~~ he received nothing and although his wife wrote to him at infrequent intervals she never mentioned any of his requests and he has not even received a Christmas parcel during the three years he has been in this army.

Can there be any doubt to the Court that this man who is obviously seriously handicapped by both his early life and by ~~later events~~ his domestic troubles is in his present state of no use whatever to the Canadian Army? And therefore should, as his record undoubtedly shows be discharged after the ~~[illegible]~~ sentence ~~[illegible]~~ is actually demanded by the length of his absence, which ~~[illegible]~~ should not be too long since it is possible that the Accused's mental condition might be from the aggravated.

The Prosecutor makes an opening address outlining the evidence he proposes to adduce.

First Witness for the Prosecution. Lieut. C. Todd, Canadian Postal Corps, Postal Unit C.R.U., being duly sworn states as follows.

Examined by the Prosecution:

Q.- What is your rank and name?
A.- Lieut. C. Todd of the Canadian Postal Corps, C.R.U. Postal Unit.

Q.- What do your duties consist of?
A.- Commanding the Postal Unit, C.R.U.

Q.- In the course of your duties, do you make inspections of Post-Offices?

A.- Yes.

Q.- Where were you on the 13th of October of this year?
A.- About 1500 hours on the 13th of October 1942, I came over to 3 C.A.C. R.U, Dettingen Barracks, to make an inspection of their Unit mail room.

Q.- Did anyone accompany you?
A.- The Unit Record Officer, Lieut. C.B. Fergusson and my own Q.M.S. -- Q .M.S. Woods.

Q.- On visiting the Post-Office, what did you do?
A.- I assigned my Sgt. Major to check Unit records, while I looked around the Unit mail room to see that everything there was in order.

Q.- Are there any cupboards in the Unit mail room.
A.- Yes, there is one cupboard there.

Q.- You opened this cupboard!
A.- Yes, I opened the cupboard.

Q.- Will you explain what you did during the inspection of this room.
A.- On entering the Unit mail room, I assigned my Sgt.-Major, to check the records, while I checked the room and the contents to see that everything was in order. I opened a cupboard in this room, and noticed that it contained several items. I picked up a writing kit, and this is the writing kit, which I recognize as having been in the cupboard in the Unit mail room. It has the name L-54832 Pte Boland, T.D. Inscribed. I asked if Boland was on the mail staff and Boland presented himself. I opened the writing kit, and --

Question by the Court: Can you identify Boland?
A.- I can, sir. There he is sitting at that table. (indicating the Accused)

Q.- Will you continue please.
A.- Upon opening the writing kit, I discovered two cigarette cartons which I again recognize. They were addressed to Pte. Lazor.

Q.- Did you find the actual carton, or --
A.- I found these two wrappers, exactly as they are here, except that there was no handwriting on them. Someone has marked 'exhibit 4' here. I asked if Pte. Lazor was on the mail staff and received the reply that he was not. I then asked my Sgt.-Major to find out where Pte. Lazor was so that we could interview him, as to whether or not he had received these cigarettes. During the balance of the time I am making a report on, the Accused, Trooper Boland, was present. Unit Records indicated that Pte. Lazor had been struck off strength to N.E.T.D. I then asked to see the Unit cigarette record book to find out who had signed for these cigarettes. This is the book given to me as the Unit cigarette book.

Exhibits were identified and marked as follows:

Exhibits C & D -- Two wrappers addressed to Pte. Lazor, referred to in the above evidence.

Exhibit E -- Unit cigarette book referred to in the above evidence (page 115)

Exhibit F -- Service writing kit, referred to in the above evidence.

A.- (continued) In the Unit cigarette book on Page 115, both these cartonms of cigarettes had been entered, and I can identify them as these cartons by the serial number on the Unit cigarette book. The number 46193 and 47317. There was no signature for either one of these cartons.

Q.- Was there anyone present when you made discovery of this kit.
A.- The Unit Records Officer was right beside me during the whole time, and almost the entire postal staff were present as well. Upon completing this discovery, I asked the Unit Records Officer to call in his Commanding Officer, reported my findings to him and suggested the matter be turned over to the Provost, by the Unit, for further investigation.

The Court rules it is not necessary to comply with R.P.81(h)

Cross-Examined by the Defence

Q.- How many times have you made a check on No. 3 C.A.C.R.U. Post-Office.
A.- I believe this is the first time. By saying 'I believe' I mean I have been away from C.R.U. for several months on a tour of field duty.

Q.- You had not previously checked this Post-Office?
A.- Not to the best of my knowledge.

Q.- How often do you normally check Post-Offices?
A.- There is no such thing as a normal check.

Q.- In other words you came here for a special purpose.
A.- I came here for no special purpose, other than to check the Unit mail room.

Q.- How long had you been in the Post/Office, when you discovered this writing kit?
A.- Unfortunately I did not time my every move.

Q.- Was it a short period?
A.- Definitely a short period.

Question by the Court: Do you know how long it was?
A.- About ten minutes.

Q.- Was any objection or obstruction offered by the Accused in your examination?
A.- No, sir.

Q.- He was helpful to you. You must have spoken to him I suppose, in the course of your visit.
A.- Yes, I addressed him on a couple of occasions and he answered.

Q.- There was no attempt on his part, to lead you away from the cupboard or the writing kit.
A.- I wouldn't say there was -- the discovery was made so quickly he had very little opportunity to. He was at the far end of the room, and the cupboard was about the centre.

Examined by the Court:

Q.- Was there any particular reason why you inspected the writing kit and opened it?
A.- I check everything on these inspections sir. I checked everything in the cupboard, sir. There was no particular reason at all. In the course of my inspection, I even checked the coal bin and emptied the ashes out of the stove.

The Court rules it is not necessary to comply with R.s P. (83 C.A. (b).

SECOND WITNESS for the Prosecution.

C-97103 Q.M.S. Woods, Postal Unit, C.R.U. being duly sworn states as follows:

Examined by the Prosecution:

Q.- What is your number, rank and name, and to what Unit do you belong?
A.- I am C-97103 Q.M.S. Woods, C.A., C.R.U. Postal Unit.

Q.- Where were you on the 13th of October, this year?
A.- On the 13th of October, in the afternoon, I was making a routine inspection of the Unit mail room, No. 3 C.A.C. R.U.

Q.- Did anyone accompany you?
A.- Lieut. C. Todd, and Lt. Ferguson, the Unit Records Officer.

Q.- Will you explain to the Court, what you did?
A.- On entering the Unit Post-Office, I commenced to check the registration records of the Unit mail room. Shortly after I began to check the registration records, I was handed two wrappers from tobacco parcels, by Lieut. Todd, who requested that I check the records and find what record there was of the wrappers.

Q.- I now hand you two wrappers. Can you identify them?
A.- I can sir. These are the two wrappers which were handed to me by Lieut. Todd, to be checked. (holding exhibits C & D)

Q.- How do you know?
A.- By the serial number, and by the name.

Q.- How did you check on the ownership?
A.- I commenced by checking the card index system, as to the person they were addressed to. I found that the addressee was struck off strength of No. 3 C.A.C. R.U., to No. 1 N.E.T.D. as of the 14th of July, by --

Q.- I now hand you a mimeographed sheet. Can you tell the Court what that sheet is?
A.- It is a Part II Order sir, of No. 3 C.A.C. R.U. dated 14th July, 1942.

Q.- Do you find any reference as to the owner of the cigarette wrappers on that Order?
A.- Not at the moment sir.

Q.- Did you make any further check, in regard to the wrappers?
A.- Yes, sir. I checked through the list which showed receipts by the Unit of tobacco parcels, and found they were both received on the 5th of October.

Q.- What was this list contained in?
A.- It was contained in the list, or in the file of tobacco receipts.

Q.- Did you check through any other records?
A.- I then checked through the Unit cigarette ledger, in which was the signatures for claimed cigarettes.

Q.- Can you identify this book? (handing witness Exhibit E).
A.- Yes, sir, this is the book I checked to find further record of these two parcels.

Q.- Is there any record of it there?
A.- Yes, sir, on page 115, under date of 5th of October, 1942, the two parcels are entered and there are no signatures.

Q.- How do you arrive at the conclusion that these are the two parcels in question?
A.- Because of the serial numbers of the cigarette parcels and the numbers here.

The Court rules that it is not necessary to comply with R.s P. 83 (b).

Cross-Examined by the Defence:

Q.- Have you been in C.R.U. Post-Office, since No. 3 C.A.C. R.U. has been part of C.R.U.?
A.- Yes, sir.

Q.- How many checks have you made at the Post-Office here?
A.- I myself personally -- only one.

Q.- That was the last one you made then?
A.- No, there was one prior to that.

Q.- You say that this was a routine check?
A.- Yes, sir.

Q.- You had not been here previously for some months.
A.- No. I had been here approximately a month before.

Q.- To the best of your knowledge there was no check for some time prior to that.
A.- No, sir.

Q.- You didn't notice any attempt by the Accused, or anyone, to obstruct your search.
A.- At this time we made no search -- we were merely checking the system.

Q.- The staff were helpful.
A.- Oh, yes, sir. They were helpful.

Q.- Are you familiar with the system or with the procedure, by which cigarette parcels are despatched?
A.- Despatched from where sir?

Q.- Cigarette parcels coming to this Unit for instance, for men who had been sent to N.E.T.D.
A.- Yes, sir. The tobacco parcels are endorsed 'S.O.S. to N.E.T.D.' with the date and the initials of the man that is making the re-direction. They are listed in duplicate, returned to the field post-office, where a signature is obtained on one copy of the list, the other copy being retained by the field post-office. The cigarettes are forwarded to N.E.T.D. where the records at N.E.T.D. are checked and if the manhas returned to Canada, the parcel is stamped, 'S.O.S. to Canada'. They are forwarded from N.E.T.D. to Canadian Postal Corps Headquarters, where they are held for some time and a further check is made through the Records. If at the end of that time they are satisfied that the man has returned to Canada, and that the parcel is not deliverable, the parcel is returned to the Officer Commanding the addressees Unit, sir, for disposal.

Q.- Do you notice a date stamp on these exhibits?
A.- Yes, sir, the date stamp is September 8th, 1942.

Q.- Your investigation took place at what time?
A.- On the 13th day of October, 1942, sir.

Q.- A little better than a month later. Could you say from that, whether these cigarettes had been stamped to be forwarded to N.E.T.D.
A.- No, they had not, sir.

The Court rules that it is not necessary to comply with R.s P. 83 (b).

THIRD WITNESS for the prosecution. Lieut. C.B. Ferguson, Officer i/c Records, No. 3 C.A.C. R.U. being duly sworn states as follows:

Examined by the Prosecution:

Q.- What is your name, rank and position?
A.- Lieut. C.B. Ferguson, Records Officer, No. 3 C.A.C. R.U.

Q.- What did you do on October 13th, of this year?
A.- My normal duties in the Records Office.

Q.- Was there anything happened on that day, which wasnot normal?
A.- Yes, sir, the inspection of the Post-Office by Mr. Todd of the Postal Corps.

Q.- Did he visit you before the inspection?
A.- Yes, he called at the Records Office at approximately 1600 hrs.

Q.- Why did he call on you before inspecting the Post-Office?
A.- That is part of my normal duty too, more or less to supervise the running of the Post-Office.

Q.- Did you have on the strength of the Post-Office, a TrooperBoland?
A.- Yes, sir, I did.

Q.- Is TrooperBoland present?
A.- Yes, sir, he is sitting right over there.

Q.- Had he been on the Post-Office strength for very long?
A.- I would say for approximately one and a half months to two months.

Q.- What happened during the course of this inspection?
A.- Lieut. Todd proceeded to inspect the letters office first of all, and the first place he inspected was a cupboard inside the door of the letters office. He removed a writing kit from the inside of the cupboard and inquired whose property it was.

Q.-I now show you a writing kit, can you identify it?
A.- Yes, that is the writing kit Mr. Todd removed from the cupboard.

Q.-What happened then?
A.- Mr. Todd inquired whose writing kit it was, and Trooper Boland said that it was his.

Q.- You were present at that time?
A.- Yes, sir, I was present then.

Q.-What happened then?
A.- Mr. Todd proceeded to examine the contents of the writing kit, and he found two wrappers from cigarette cartons.

Q.- Did you see these wrappers yourself?
A.- Yes, they were shown to me at the time.

Q.- I show you exhibits C & D, can you identify them?
A.- Yes, sir, these are the wrappers that were removed from the writing kit.

Q.- To whom were these wrappers addressed?
A.- To a Pte. Lazor.

Q.- Were any inquiries made regarding this Pte. Lazor?
A.- Yes, Mr. Todd inquired at the time as to what the wrappers were doing in the writing kit of Trooper Boland, who replied that he did not know.

Q.- What happened then?
A.- Mr. Todd then instructed his assistantSgt.-Major Woods to examine the cigarettes book and see if these cigarettes had been signed for, and if so, by whom.

Q.- Now, was any further check made on Trooper Lazor, to see where he was, or who he was?
A.- The index was checked, and it was found that Pte. Lazor had been struck off strength to No. 1 N.S.T.D.

Q.- I now show you two mimeographed sheets, what are they?
A.- Part II Order No. 65, issued by the Records Office, by ~~Lt~~ Col. G.W. Little, M.V.O, M.C., Commanding No. 3

C.A.C. R.U., dated 14th July, 1942.

Q.- Do you find any reference to Trooper, or rather Private Lazor, there?
A.- Yes, sir, on page 1, under Strength Decreases, paragraph 5, he is struck off strength to N.E.T.D. with effect from the 14th day of July, 1942. He is entered here as a Trooper.

Exhibit G -- Pt. II Order No. 65, of No. 3 C.A.C. R.U. dated 14th July, 1942.

Q.- After this was discovered, was any further action taken?
A.- Mr. Todd requested that I ask the C.O. to come to the Post-Office. I proceeded to Unit Headquarters and did so. I was then instructed to order the Provost to come to the Post-Office.

Q.- Didthe Provost appear?
A.- The Provost Corporal reported to the Post-Office.

Q.- And what happened then?
A.- In view of the circumstances surrounding the discovery of the wrappers in Boland's kit, I placed Trooper Boland under close arrest, and the remainder of the staff under open arrest.

The Court rules that it is not necessary to comply with R.s P. 83 (b).

Cross-examined by the Defence:

Q.- You said that in this day in question, something out of the normal had happened. Is it right then, that the post-Office is not normally inspected by C.R.U. personnel?

A.- No, sir, that wouldn't be correct. It is not a normal, every-day happening, or routine.

Q.- How often does the inspection of the Unit Post-Office by C.R.U. personnel, take place?
A.- There is no specified time laid down that I know of, but I would say approximately one month to a month and a half.

Q.- Do you know how many inspections there have been here, since the Post-Office opened?
A.- I couldn't say definitely, sir.

Q.- Had there been any?
A.- Yes, sir.

Q.- You are in charge of the Unit Post-Office.
A.- Designated by the Unit C.O. to supervise it, yes.

Q.- Also the Records Officer of the Unit.
A.- Right.

Q.- In that dual capacity, you are very busy.
A.- Correct.

Q.- To what extent do you supervise the activities of the Post-Office?
A.- I usually attend at the Post-Office during the morning and again during the afternoon after the mail has come in, from the Post-Office outside the area.

Q.- That would be a regular routine call.
A.- Yes, to check up and see that everything is running as smoothly as can be.

Q.- Whom would you have directly responsible to you, and in charge of the Post-Office?
A.- The senior of the postal staff is Cpl. Fenton, or in his absence, the next senior.

Q.- Do you have any supervision over the hours of work, in the Post-Office?
A.- That more or less comes under the Adjutant -- I don't set them.

Q.- You said that the first thing -- speaking of Lt. Todd -- he did, was to open a cupboard behind the door.
A.- That is correct.

Q.- He went almost directly to the cupboard.
A.- Yes, that is right.

Q.- He went almost directly to the cupboard, opened the cupboard and took out the writing kit.
A.- That is correct.

Q.- Have you been around in the past, when an inspection of the Post-Office was made, by C.R.U. personnel.
A.- I don't believe I was. When Capt. Kerr was here before, I was out on other duties.

Q.- You saw Trooper Boland on the occasion in question, I believe you said. He didn't appear to be offering any obstruction or making any effort to divert the attention of the examining Officer.
A.- No, not that I can recall, no.

The Court rules that it is not necessary to comply with R.s F. 83 (b).

Examined by the Court

Q.- Will you take a look please at Exhibit 'E', on page 115, in the centre column where a list of addressees names are set out. Whose writing is that, or do you know?
A.- I cannot state definitely sir, but I --

Q.- You don't know whose writing that is?
A.- No, sir, I couldn't swear definitely.

FOURTH WITNESS for the Prosecution.

A-11153 S/Sgt. Ferguson, W.G, staff Provost Sergeant, No. 3 C.A.C. R.U. being duly sworn states as follows:

Examined by the Prosecution

Q.- What is your number, rank and name?
A.- A-11153 staff Provost Sergeant William Graham Ferguson, No. 3 C.A.C. R.U.

Q.- Did you visit the Unit Post-Office on October 13, this year?
A.- I did, sir.

Q.- What was the occasion of your visiting it?
A.- On October 13, at 1550 hours, I was instructed by Col. Little to proceed to the Post-Office, and there I would contact one Lieut. Todd.

Q.- What time again, did you say?
A.- 1550 hours.

Q.- And when you get there did you meet Lieut. Todd?
A.- Yes, sir.

Q.- What did he do, or what did he say?
A.- He handed me a writing kit, bearing Trooper Beland's regimental number and name, and told me --

Q.- Was the Accused present during the conversation, of which you propose to tell us?
A.- Yes, sir.

Question by the Court: Is he present here in this room?
A.- Yes, sir.

Question by the Court: What is his name?
A.- Trooper Beland, sir.

Q.- I now shew you Exhibit 'F', do you recognize it?
A.- Yes, sir, this is the field service writing kit, belonging to the Accused, Trooper Beland.

Q.- What happened next, after you were given this writing kit?
A.- I was told to look around and see if I could find any other parcels, papers and so forth.

Q.- Were you given anything else?
A.- Yes, sir, I was given 2 cigarette wrappers, addressed to Pte. Lazer, Se

Q.- I now shew you exhibits C & D, can you identify them?
A.- Yes, sir, these are the same ones. These are the ones Lieut. Todd handed me.

Q.- Will you continue with your story, as to what you were told to do, and so on.
A.- The Accused was placed under close arrest, and I took him to his quarters and seized his kit.

Q.- What did you do with his kit?
A.- I inspected it sir, and there I found 12 packages of Sweet Caporal Cigarettes, in his small kit bag.

Q.- How many were there there?
A.- 12 sir.

Q.- I now hand you an envelope marked Exhibit 5 in previous proceedings, will you open it and see if you can identify the contents?
A.- These are the cigarettes with my initials on them.

Q.- Did anyone else accompany you when you were examining this kit?
A.- Yes, sir.

Q.- How many of these packages have your initials on them?
A.- There are fifteen packages here.

Q.- You just said there were twelve.
A.- That's my mistake. There are fifteen.

Question by the Court: Just tell us how many cigarettes you found.
A.- There are fifteen packages here sir, with my initials on them, making a total of 300 cigarettes.

Q.- Was anyone else present when you found these cigarettes?
A.- Yes, sir, Cpl. Heigh was with me. His initials are also on these packages.

Q.- Did you ask the Accused any questions about these cigarettes?
Q.- Yes, sir.

Exhibit 'H' -- Fifteen Packages of Sweet Caporal Cigarettes referred to by the Witness.

Q.- What were the questions you asked?
A.- After I duly warned him -- I gave him the usual caution of, 'You are not bound to say anything, but whatever you do say may be taken down in writing, and may be given in evidence against you.'

Q.- And did the Accused still make a statement after the warning?
A.- Yes, sir.

Q.- And was Cpl. Heigh still present?
A.- Yes, sir.

Q.- What statement did he make?

At this stage, the Defence is permitted to cross-examine the Witness.

Q.- Staff Sgt. Fergusen, you said that after duly warning the Accused, you questioned him?
A.- That is correct sir.

Q.- When did this take place?
A.- After I found the cigarettes, sir.

Q.- The evening you found the cigarettes!
A.- Right there and then, sir, when I found them.

Q.- Approximately how long after the man had been taken into custody?
A.- He had been in custody for approximately half an hour, but he was right with me when the cigarettes were found.

Q.- He had been in your custody for approximately half an hour.
A.- Yes, sir.

Q.- You went to the Post-Office at 1550 hrs. did you?
A.- Yes, sir.

Question by the Court: What time would you say that was, if you weren't using Army language?
A.- Three-thirty, sir.

Q.- In the summary of evidence, taken at proceedings prior to this, you made this statement? "At 1550 hours accompanied by Trooper Boland, I proceeded to his quarters, where his kit was seized and brought to the guard room." That would be how long after 1530 hrs.?
A.- From the time I get there sir, at 1550 hours, until I had the cigarettes and the Accused and his belongings in the guard room, would be approximately an hour and a half, sir.

Q.- Did you not say a moment ago, that it was half an hour?
A.- I took it from the proceedings and from the time I went to the guardroom.

The Court: "Let's get this time question straightened out."

Q.- I asked the witness how long it would be after the time he mentioned of 1550 hrs and 1650 hours given in his previous testimony. He then said that it would be about an hour and a half until he started to question this man.

A.- That's not the way I put it. The explanation is, after I had taken the prisoner to the guard room, and from there to the time I found the cigarettes, from the time he was first handed into my custody, which was in the Post-Office --

Q.- Was there a considerable lag in time, say several hours, between the taking of this man into custody, and the time when he made the statement which you have mentioned? Was there a time lag of several hours between the time when the man was taken into custody and the time when he made the statement?
A.- No, sir.

Q.- How long would you say it was?
A.- Well an hour to an hour and a half, when he made his statement to me.

Q.- Who took the statement down that you refer to?
A.- The statement that I am referring to, is not the statement in the Summary of Evidence. When I found the cigarettes and saw that the boy was prepared to speak, my experience is such that I know that no statement can be taken from a man without duly warning him, and when I saw he was about to talk, I warned him and asked him if he understood the warning, and he said, "I do Provost. These are the cigarettes which you are looking for."

Q.- This was not a written statement?
A.- No, sir, this is when I seized the cigarettes.

The Court: Did you ask him to make a statement?
A.- No, sir.

The Court: Did you threaten him in any way?
A.- No, sir.

The Court: Did you offer him any inducement if he would say anything?
A.- No, sir.

The Court: Was there a written statement obtained from the Accused?
A.- No, sir, not at that time.

<u>The examination-in-chief by the Prosecution continues.</u>

Q.- Did the Accused make an oral statement?
A.- Yes, sir.

Q.- And didyou warn him before he made this statement?
A.- Yes, sir.

Q.- And what was the statement made by the Accused?
A.- He said, "Provost, I am going to tell the truth. These are the cigarettes I took from the Post-Office." I then initialled the cigarettes, which my Provost Cpl. also did and we then took him to the guard room, and there was no more said about it until the Summary of Evidence.

<u>Cross-Examined by the Defence:</u>

Q.- You said that the witness remarked; "Provost, I must tell the truth. These are the cigarettes."
A.- I didn't say that. "Provost, I will tell the truth." I didn't put the word 'must' in at all.

Q.- You found 15 packages of cigarettes in the Accused's quarters.
A.- Yes, sir, in his small pack.

Q.- Do you know to whom these cigarettes belonged?
A.- Just on the Accused's admission that these are the cigarettes he took.

Q.- You had no personal knowledge as to whom they belonged?
A.- No, sir. I cannot say that I know to whom these cigarettes belonged. I was looking for cigarettes and when I found them in his kit, he said "Those are the cigarettes I took from the Post-Office."

Q.- Sweet Caporal are a common brand of cigarettes, aren't they?
A.- Yes, sir, I smoke them myself.

Q.- There are probably thousands come in here every week.
A.- I would imagine so, sir.

Q.- It is pretty hard to tell one package of cigarettes from another, isn't it?
A.- Well, they are all labelled the same, and put up in twenties and tens.

Q.- I think you made the statement that he was ready or wanted to talk to you?
A.- Yes, sir.

Q.- Did he say, 'I want to make a statement?'
A.- Well, he was right by my side sir, and --

Q.- Did he say,'I want to make a statement'?
A.- I have been a detective for over 15 years, and I know when an Accused is going to talk, and that I must not use any evidence, verbal or otherwise, before he is duly warned, because if you do it is useless.

Q.- I am merely asking you, did he come to you and say, 'I want to make a statement'?
A.- He said, "I am going to tell the truth. These are the cigarettes you are looking for Provost." Those were his only words.

Q.- You didn't say to him -- "Will you make a statement?" You didn't urge him to say these words, did you?
A.- No, sir, I dare not.

Q.- You didn't say to him -- "Are these the cigarettes?" You didn't question him at all, did you?
A.- No, sir, right there and then he offered the statement, and when I saw the statement was coming, I duly warned the Accused.

Q.- Did the Accused co-operate, you might say, with you? Did he assist you in getting his kit and searching it? He didn't seem to be trying to lead you away from anything.
A.- No, sir, he gave us every assistance possible.

The Court rules that it is not necessary to comply with R.S P. 83 (b).

Q.- Was the Accused with you at that time?
A.- Yes, sir.

Q.- Did you find anything in his kit?
A.- Yes, sir, we found 300 Sweet Caperal cigarettes, in packages of twenty.

Q.- What did you do with these cigarettes?
A.- These cigarettes were initialled by Staff Fergusen and myself in the presence of Trooper Beland.

Q .- I show you an envelope, which has been identified as Exhibit 'H'. I want you to examine the contents and tell us whether or not you can identify it?
A.- Yes, sir, I can.

Q.- Can you tell us how many cigarettes there are, and what cigarettes they are?
A.- They are Sweet Caperal cigarettes sir, in fifteen packages of twenty cigarettes in each package.

A.- Yes, sir, he did.

Q.- Was he given any warning before he made this statement?
A.- He was sir. He was told that he was not compelled to give any statement of any sort, and anything he did say might be used against him.

Q.- Who gave him that warning?
A.- Staff Sgt. Fergusen.

Q.- In the face of that warning, did he still make a statement?
A.- Yes, sir, he said that these were the cigarettes that had been taken from the Post-Office, not belonging to himself.

Q.- Did anybody offer him any violence?
A.- No, sir.

Q.- Or offer him any exemption from punishment?
A.- No, sir.

Q.- Or no other inducement to make a statement of that kind?
A.- No, sir.

The Court rules that it is not necessary to comply with R.S, P. 83 (b)

Cross-Examined by the Defence:

Q.- Cpl., when did you eat on the occasion in question?
A.- I don't recall sir, just what time it was.

Q.- Do you remember with whom you ate? Do you remember whether or not the Accused ate an evening meal on that occasion?
A.- I believe sir, that we ate together.

Q.- When did this oral statement that you refer to -- when was that given or made to you and Sgt. Ferguson; prior to eating or afterwards?
A.- That was at the time we searched his kit sir.

Q.- Was that prior to eating or afterwards?
A.- I am not sure sir.

Q.- Would you say it was before supper?
A.- I believe it was, but I am not certain, sir.

Q.- You took the Accused from the Post-Office to his quarters, took his kit to the guard room, searched it, he made a statement, and then you went to supper. Is that right, or is it wrong?
A.- I am not sure of that sir. I don't know if he was taken for his kit before supper or after supper.

Q.- If I suggest to you that he went to supper first, would you say I was wrong?

The Court: Do you remember whether the search was made before supper or after supper?
A.- I don't, sir.

Q.- What time approximately, or how long after this man had been taken into custody, did he make this oral statement?
A.- That was at the time the kit was searched sir, and I am not sure what time that was.

Q.- You, in giving your evidence, quoted your version of his oral statement with the phrase, 'not belonging to himself', did he say that?
A.- That is right sir.

Q.- He used these words! He did use these words, did he?
A.- I am not sure of the exact wording he used, but it was to that effect.

Q.- The previous witness has said that, 'these are the cigarettes I took from the Post-Office'. He said that was the statement, do you agree?
A.- That is the statement I have given, sir.

Q.- Do you think that is right?
A.- That is right.

The Court rules that it is not necessary to comply with R.s P. 83 (b).

Q.- Did you ask Trooper Boland any questions?
A.- I did, sir.

Q.- Did you first caution him?
A.- Yes, sir.

Q.- What form did the caution take?
A.- 'You are not obliged to say anything, but anything you do say will be taken down in writing and used in evidence'. He signed that caution in his statement.

A.- Yes, sir, that's right.

Q.- Who was present?

Q.- Are you connected with this sort of investigation regularly?
A.- Since September 19th, sir.

Q.- If possible you prefer to get a statement from the Accused.
A.- That is right, sir.

Q.- What was the general attitude of the Accused. Was he hard to get to talk? Did you have any difficulty in getting a statement from him?
A.- No, sir, I won't say I had much difficulty as far as the statement was concerned. The most difficult part was that he was trying to cover the other fellow up. He admitted his own part in it, and tried to cover the other fellow up.

Q.- The facts as given here, were heard by all present, and apparently agreed to by all present. I mean the fact of time, and so on.
A.- It is not correct to say that the fact of time was agreed to by all present. It was just a question of me getting a statement and having witnesses, to be present when the statement was made.

Examined by the Court:

Q.- How many people were present when the statement was taken?
A.- R.S.M. Slater, Staff Sgt. Ferguson, Sgt. Boland the Accused's brother, and the Accused.

President to Accused:

Q.- Do you apply to give evidence yourself, as a witness?
A.- No, sir.

Q.- Do you wish to call any witnesses as to your Defence?
A.- Yes, sir, two witnesses.

Q.- Witnesses as to character only.
A.- One is a character witness, sir.

The Defending Officer submits that the Prosecution have not established a prima facie case, in as much that the charge sheet alleges that the Accused stole cigarettes, the property of a person subject to Military Law, and that the evidence so far adduced, shews that Trooper Lazer was struck off the strength of No. 3 C.A.C. R.U. to N.E.T.D., and there is no evidence that the said La,or is now a person subject to Military Law.

The Prosecution replies to the submission.

The Court closes at 1700 hours to consider the submission.

The Court re-opens at 1900 hours.

The President: "The Court have now come to a conclusion on the submission made by the Defending Officer. The charge against the Accused, is of stealing property belonging to a person subject to Military Law. The onus of proof is on the Prosecution because, firstly every man is presumed to be innocent until he is proven guilty and secondly, because he who alleges the fact must prove it.

Now, in the statement of the offence, there are two facts to be proved. First that the Accused stole property, and secondly that the property belonged to a person subject to Military Law. The cigarettes that are alleged to have been stolen, were consigned to L-54786 Pte. Lazer, S., No. 3 C.A.C. R.U. C.A.(O). Part of the evidence adduced by the Prosecution consists of Part II Orders by Col. G.W. Little, M.V.O., M.C., Commanding No. 3 C.A.C. R.U., dated 14th July, 1942, and item No. 5 of this Order shews that L-54786 Trooper Lazer, S. to whom the cigarettes in question were assigned, was struck off the strength of No. 3 C.A.C. R.U. to No. 1 N.E.T.D. with effect from the 14th of July, 1942, and this Order further shews that he was medical category 'E'.

At first, one might assume that because the Prosecution have shewn that the person to whom the cigarettes in question were addressed, was at one time a person subject to Military Law and the last record produced shewed that this person was taken on strength of No. 1 N.E.T.D. that it could be safely assumed that Lazer was still a person subject to Military Law, or at least that the Prosecution had established a prima facie case, and had complied with the necessity of making out a prima facie case, and that therefore the burden of proving that Lazer is no longer a person subject to Military Law, had shifted, and that this burden of proof was now for the Defence. Under R.P. 74 the Court may take judicial notice of matters of notoriety, including all matters within their general Military knowledge, and the Court of course knows that soldiers who are in medical category 'E' and are struck off the strength of their Units to No. 1 N.E.T.D., are sent to this depot, pending return to Canada, and it would not be reasonable to assume that a soldier whose medical category 'E' had been established, and was struck off strength to No. 1 N.E.T.D. on the 14th of July, would still be at that Depot when the alleged offence in question took place. That is to say the 12th of October, 1942, approximately 2 months later. In any event note 6 to Army Act Section 18 (4) states (President read the note).

Now, evidence was given by one of the witnesses called for the Prosecution, when cross-examined by the Defending Officer, to the effect that when a soldier is struck off the strength of his Unit to No. 1 N.E.T.D., that the cigarettes follow the soldier to No. 1 N.E.T.D. and if they can be delivered to him there, they are so delivered. If not they are not sent back to Canada, but remain in this country, in England, and apparently the practice is to return them to the soldier's C.O. of his former Unit, for distribution to the personnel of that Unit.

So we find ourselves in this position, that at the date that the alleged offence took place, we have no evidence to shew whether Lazer is still in England, or has returned to Canada, nor do we know whether he is still in the Army. If he is not in the Army, he is not a person subject to Military Law, and even if he is still in the Army, but has gone back to Canada, the cigarettes are not his, and in this connection it is to be observed that on the carton instructions have been given providing dispesal as follows: 'Dispesal instructions of sender -- If parcel cannot be delivered or forwarded to addressee, deliver to Officer Commanding addressee's Unit'. I would also refer to Note 10, under Army Act Section 18 (4) (President reads the passage in question).

The Court had thought of the possibility of making a special finding, but that does not seem possible, because as pointed out in Note 6 of Rules of Procedure 44, the special finding relates only to the particulars of the charge, and not to the statement of the offence. Accordingly even though the facts which have been proved here today, might disclose that the offence of stealing has taken place, they do not disclose clearly the ownership of the property alleged to have been stolen. In other words the Court does not know who is the owner of the cigarettes and accordingly the Court allows the submission of the Defending Officer. Consequently the Accused is not called upon for his defence, and the case is dismissed.

The Defending Officer makes the submission that the Prosecution have not presented a prima facie case, and that the onus is on the Prosecution to establish that the property stolen in fact belonged, at the date of the alleged offence, to a person subject to Military Law, and that the case accordingly be dismissed.

The Court agrees with the submission of the Defending Officer and the charge is dismissed.

The Court desire it to be noted that the Prosecutor, at the commencement of proceedings, in view of the decision of the Court in the case of L-54832, Trooper Thomas Duncan Boland, applied for an adjournment, which was not granted.

PRESIDENT.

SUMMARY OF EVIDENCE, In The Case Of L-54832 TROOPER BOLAND, T.D. on the strength of number 3 Canadian Armoured Corps Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the summary of evidence is taken on oath.

LIEUT. C. TODD, acting Officer Commanding, Postal Unit, C.R.U. an Officer of the Canadian Army Overseas, having been duly sworn states as follows:

I, Lieut. C. Todd, acting Officer Commanding, Postal Unit, C.R.U. made a postal inspection of No. 3 C.A.C.R.U. Unit post office, at approximately 1500 hours. 13 October 42, at Dettingen Barracks, Blackdown, Hants. In the course of this inspection, I opened a cup-board in the letter room of the Unit post office, and noted that it contained a miscellaneous assortment of articles. I picked up a service writing kit with the name L-54832, Boland, T.D., 3 C.A.C.R.U. on it, and opened it for examination.

EXHIBIT NO. 1 - Service Writing Kit referred to.

It contained the wrappers from two packets of 300 Sweet Caporal Cigarettes, both addressed to L-54786 Private Lazor, S. No. 3 C.A.C.R.U., bearing cigarette order numbers A-u A-47317 and A-u A-46193. I asked my Sergeant Major, Q.M.S. Woods, to check the Unit records as to the whereabouts of Private Lazor. A Unit records showed that on Part II Order No. 65, dated 14 July 42, paragraph 5, Private Lazor was S.O.S. to N.E.T.D. with effect 14 July 42.

EXHIBIT NO. 2 - Copy of No. 3 C.A.C.R.U. Pt. II Order No. 65 dated 14 July, 1942.

I then instructed the Sergeant Major to look up the Unit cigarette register and find out who had signed for these two parcels. Unit cigarette register showed no signature for these cigarettes on page 115.

EXHIBIT NO. 3 - No. 3 C.A.C.R.U. Cigarette Register.

Lieut. C.B. Ferguson, Officer i/c Records, No. 3 C.A.C.R.U. was present with me, and I asked him to send for the Officer Commanding and the Unit Provost, so that the matter could be further investigated. That is my evidence.

Todd and the Records Officer, Lieut. Ferguson, I immediately began to check the registration records of the Unit, while Lieut. Todd began to check the room itself. A few minutes later Lieut. Todd asked me to check on two wrappers for cigarette parcels, which he handed me and which I checked through the records office. I found that the parcels had been addressed to Private Lazor, and on checking further regarding this man, I found that he had been S.O.S. to N.E.T.D. on 14 July 42. I checked the incoming receipts of parcels and found that they were both received on the 5 October 42. I then checked the cigarette register book and found that both items had been entered on page 115 on the 5-10-42, but that neither item had been signed for. The two entries in the book corresponded with the two numbers that were on the wrappers. These are the two wrappers, bearing order numbers A-U A-47317 and A-U A-46193.

EXHIBIT NO. 4 - Wrappers referred to.

I then brought this to the attention of Mr. Todd, that I had found the record of these parcels. That is my evidence sir.

I asked my Sergeant Major, Q.M.S. Woods, to check the Unit records as to the whereabouts of Private Lazor. X Unit records showed that on Part II Order No. 65, dated 14 July 42, paragraph 5, Private Lazor was S.C.S. to N.E.T.D. with effect 14 July 42.

Todd asked me to check on two wrappers for cigarette parcels, which he handed me and which I checked through the records office. I found that the parcels had been addressed to Private Lazor, and on checking further regarding this man, I found that he had been S.O.S. to N.E.T.D. on 14 July 42. I checked the incoming receipts of parcels and found that they were both received on the 5 October 42. I then checked the cigarette register book and found that both items had been entered on page 115 on the 5-10-42, but that neither item had been signed for. The two entries in the book corresponded with the two numbers that were on the wrappers. These are the two wrappers, bearing order numbers A-u A-47317 and A-u A-46193.

2pr Boland begins: On the 16 Aug 42 I started working in the Unit Post Office at H.Q. 3 C.A.C. All my main duties were concerned with sorting the parcel mail for various decisions. I knew it included parcel mail to Field units. On the 12.08.42 I was on duty at the Post Office till 1930 hrs along with 2pr Deborde I was working in the parcel office and Deborde was in the letter office. After I finished I took two parcels of 3 packets Craven A cigarettes addressed to L 46193 Pte Lazon J.S. across to the letter office where Deborde was working. We had talked the taking of cigarette parcels earlier on the evening. When I entered the letter office ~~I handed to Deborde~~ I handed the two parcels of cigarettes to Deborde and asked him what he intended to do with them. He replied " after taking

wrappers and I folded them up and
put them in my writing Case which

latter office when he left. I took about
half of mine to my sleeping quarters
that night and the following day I
took the balance placing them all in
my haversack. The day after we took
the cigarettes Delorme asked me if
I had disposed of the wrappers and
replied I hadn't. He then told me
I should do so at once. I said I would
get rid of them the first chance I got.

At different times in the Spring of 1918
there was conversation between Wolfe

Bertrand and myself. The conversation
dealt with cigarettes and parcels that
were being returned from F. E. D.
for distribution on the unit. There

there appears to be a doubt among the members of the Postal staff and the fact were discussed off. On many occasion of our each parties having returned there was some talk of it disposal, but there was no definite plans made as far as I am concerned. This is the only incident that I have been implicated in since starting work in the Post Office. When I went to get my kit at my lodging quarters On 13 Oct 42 I had a conversation with Osborne who asked me if I would take the blame if the whole thing got ringed and he would make it right with me. I replied to the effect that I would if I could. He did not explain how he would make it right with me.

Closing Address by Prosecuting Officer.

In the 6th L.A.A. Regiment we have been stressing alertness of all our personnel on all of our many schemes. He knew his duties I wish to deal with the suggestion that persons had done too much work during that short time and that air sentry is a necessary job

As to being asleep the witnesses swear he was asleep. I submit that the accused cannot be protected by his story of blackout he has not substantial backing for his story of blackout, furthermore his medical category is sound.

In closing state that there is ample evidence that the accused is guilty as charged.

Closing Address by Defending Officer.

I think the evidence tends to brevity. I wish to point out the amount activity that day, every minute of this mans time was taken up and not spent in foolish activity - Evidence shows he had worked steadily and had done lots of work especially so before the scheme started (explosive) I think there was neglect on the part of the Sgt in putting this man on sentry duty - of course it forms No excuse for the mans neglect. Cunner DeMarco states under oath that Similar blackouts had occurred in Canada and he also complained of a headache - this showed he was a bit of credit for not quitting work and reporting to the medical officer - he says that up to a point he remembers everything and addresses his own theory for the blackout - I also submit that Cunner's experience stated by DeMarco that he might be subject to the effects of Sun and in view of the hours already Spent on duty that he is letting the

truth. All the witnesses made no attempt at investigation but took it for granted he was asleep when discovered. I realize that all we have here is Serrero's word he blacked out, and on the other side only assumptions that he was asleep, and due to some conflicting evidence given by the witnesses therefore there is no concrete evidence that he was asleep and resting case.

Address by Defending Officer
on the Statements of Character Service
and Conduct.

It does not appear that there
are any other than documents
submitted. This man I believe
has performed his duty reasonably
well up to this time, and I feel that
there were extenuating circumstances
leading up to this time and consideration
should be taken and only a reasonable
penalty given.

PROCEEDINGS OF PLEA OF GUILTY.

R.P. 35(b) is complied with.

President to the Accused.

Q. Do you wish to make any statement in reference to the charges?

A. The accused duly sworn, states:-

Back in Canada, I hung around with my pal for years then I joined the Army. We were both under age and I was in Canada for 18 months, so was my friend. Then I turned of age and went overseas but my frient stayed back and when I turned of age I went to the Holding Unit and then my friend came over. We got in the Transport and the first thing we knew they split us up. We were stationed together for two weeks. I was soldiering and was happy and was quite tickled with the Army. Then they split us and I think that is a mistake of the officer. For over a year I had tried to be attached to my friend or my friend attached to me and while together we would be happy. I tried several times but it did not work. I got no satisfaction whatsoever. I joined when I was 16½ and I always heard that they put a man where he was best suited. I thought that was the best place for me and if they stationed us together I could still make a good soldier.

Cross-examined by the Defence.

Q. Did you get paraded to any officer to be put with your friend, Pte. Megeritus?

A. Yes, Sir, several times. I got the answer we were busy, we will see about it, etc.

Q. Where was Megeritus when you were A.W.L.?

A. 5th. General Hospital.

Q. He was with you?

A. He was A.W.L. with me.

Q. Were you both picked up the same date?

A. Yes, Sir.

Q. Where did those passes originate?

"A"

A. 5th. General Hospital.

Q. How old are you now - your real age?

A. 19.

Cross-examined by the Prosecutor.

Q. Do you say your friend was stationed at, or was he a patient at the Hospital?

A. Stationed.

Q. You, where were you stationed?

A. I was stationed at Dunsfold.

Q. And he was at the Hospital?

A. Yes, Sir.

The summary is read, signed by the President and attached to the proceedings. Appendix C-2.

President to The accused.

Q. Do you wish to make any statement in mitigation of punishment?

A. No, Sir.

President to the Accused.

Q. Do you wish to give evidence yourself as to character or to call any witnesses as to character?

A. Yes, Sir.

First Witness for the Defence.

Sgt. Walton, No.1 Transport Coy., R.C.A.S.C. being called and duly sworn, is examined by the defence.

Q. You know the accused?

A. I have known him for three years.

Q. Tell the Court what you know about the accused's character, how he has behaved, troubles, everything concerning him?

A. Sir, three years ago at the outbreak of war on joining the M.T.V.R.D., I was made a Section Sergeant. Pte Demark was posted to my section. On the Unit proceeding Overseas, Pte. Demark was not allowed to go on account of age. In April 1940, Pte. Demark was transferred to No.1 Transport Coy, the unit to which I now belong. Since that time, I have worked very closely with Pte. Demark and one of his troubles in the Transport Coy was that he was separated from his friend Pte. Megeritus who is in another section and he was anxious to transfer to that Section so he could be with him. I paraded him to his Section Officer on two occasions to see if a transfer could be arranged. While I had been connected with Pte. Demark I have found him an especially good worker straight forward and very reliable.

No cross-examination.

The prosecutor submitted A.F.B. 296 and M.F.M. 6. a statement as to character and particulars of service of the accused, B-83316, Pte. D. Demark. See Appendix C-3 and C-4.

Question by the President to the Prosecutor.

Q. Is the accused the person named in the statement which you have just read?

A. Yes.

Q. Have you compared the contents of the above statement with the regimental books?

A. Yes.

Q. Are they true extracts from the regimental books and is the statement of entries in the conduct sheets a fair and true summary of the entries?

A. Yes.

The defence counsel examined documents produced by the prosecutor.

No cross-examination.

President to the Accused.

Q. Do you wish to address the Court?

A- The Defence Counsel states:-

May it please the Court, I believe this is a clear case of trouble that can be caused by the lack of sympathy of Officers to their men. Demark and Megeritus have been friends for seven years. They joined up together and came overseas and it might have been better for some allowance to be made to allow two friends to be together. Pte. Demark paraded and asked to be together. It strikes me that a unit that treats men like that can expect nothing but crime. He has soldiered for 12 months. He's really worked for this intersection transfer so that he could be put with his friend, however no effort has been made to fix that up and it would be quite the thing for two friends to go on leave together, and being in different sections it is sometimes impossible to obtain. Demark is only 19 although his army age is 20 and it has preyed on his mind to such an extent that he got fed up and that was the cause of it more that anything else. As far as the pass is concerned, I don't think Demark is so much to blame as Megeritus as you can see the pass came from 5th General Hospital. I can't prove it without getting Megeritus here but it was Megeritus who supplied the pass. Another thing is that Pte. Demark has been 32 days under close arrest awaiting trial and that is in itself hardly fair to keep a man so long. I know it was not pleasant being kept under close arrest in Dunsfold.

The Court is closed to consider the sentence.

SUBMISSION BY THE DEFENDING OFFICER THAT PRIMA FACIE CASE HAS NOT BEEN MADE.

REPLY TO THE SUBMISSION OF THE DEFENDING OFFICER THAT A PRIMA FACIE CASE HAS NOT BEEN PROVEN BY THE PROSECUTOR.

Proof that the accused was definitely in the United Kingdom without authorization from October 24, 1943, which was the time that Sgt. Carriere, J.R., interviewed him.
F/Lt. Spence, P.A., says that a plane arrived from North Africa, and while performing his duty met a Canadian soldier who was in that plane and identified Pte DeMello to be that soldier and furthermore states that this soldier of the Canadian Army had a pass.
Furthermore, Sgt. Carriere, J.R., states that the accused had a pass and he took the pass and all the rest of the documents and handed them over to his C.O., and it is definitely established that the accused travelled by plane and was arrested by F/Lt. Spence, at RAF Station, St.Mawgan, Cornwall, and turned over to Canadian Military Authorities. That is all.

PROSECUTOR STATES THAT HE HAS NOTHING FURTHER TO ADD TO HIS PREVIOUS ARGUMENT.

DEFENDING OFFICER STATES THAT HE HAS NOTHING FURTHER TO ADD TO HIS SUBMISSION.

No 1 Cdn. Convalescent Depot. Cdn.
Army. B. N. A. F.

I have been cautioned by Sgt. Carrier M.P. Special Investigation Section, Canadian Provost Corps, that I need not say anything unless I wish to do so, but that anything I do say will be taken down in writing and may be given in evidence.

M. de Mello

I will be 48 years of age in January 1944. I joined the Canadian Army in 1939 Sept. 1939. I served in the last war with the Canadian Forces for two years. I came to England in 1940.

In June 1943 I left the United Kingdom with 1 Bn. 1 C.B.R.D. Later I landed in North Africa. About 5 or 6 weeks ago I was transfered to 1 Cdn. Convalescent Depot. B.N.A.F. as a fatigue man. Since I've been in N. Africa I reported sick on different occasions with pains in my legs and back.

On 20 October 1943, I was given a pass to [illegible] to Algers via Constantine until 0800 hrs. 27 Oct. 1943. For some time I had been receiving letters from my fiancee in England telling

M. de Mello

me that she was sick and had had an operation. I myself had not been feeling well since my arrival in N. Africa. I then decided that I would try to return to England where I thought my health would improve. I had heard that one could travel by plane in N. Africa if one had a pass.

So on the 20 October 1943, I went to an american airport and there asked for transportation to Algers. This was at Telergma. They had a look at my pass and told me I could travel. This was on 21 Oct. 43. I then travelled to Algers. There at Algers airport I told some of the boys I met that I would like to get back to England. Different people told me that if I went to Marakech I might be able to get a plane back to England. I then flew in another american plane from Algers to Oran. Then from Oran to Casablanca, then to Marakech. I arrived there on Friday 22 Oct 43.

At Marakech I saw some American offiers in the afeation room. I told them I wanted to get back to England and showed them my pass and the travelling authorities which had been given to me at other american airports. I told them that my fiancee was sick in England and that I wanted to reach England. They told me that when they had room they would take me to England.

M.T. St. Wells

S.T.

So at about midnight 23/24 Oct. 42
I left Marrakech by plane and later
landed in England.

The americans made no arrangements
to take me back to N. africa and I
did not ask them if they would take
me. I intended to report to C. M. H. Q.
as soon as possible as I thought they
might give me an extension of leave,
or retain me here or send me back
to Canada. I had been told that men
of my age were often sent back to Canada.
I had no intention of deserting and
only wanted to get back to England as
I felt I should never have gone to
N. africa. M. F. de Mello D56468

SUMMARY OF EVIDENCE

In the case of No D-56968, Private Manuel DE MELLO, of the Canadian Infantry Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken on oath.

First Witness for the Prosecution.

C-41986 Sgt Carriere, J.R., of the Special Investigation Section, Canadian Provost Corps, having been duly sworn, states as follows:

On 26 Oct 43, acting upon instructions received, I interviewed the accused, whom I now recognise, at the Office of the SIS in London. I told him that I had been informed that he had just arrived from North Africa by plane, and having cautioned him, I asked him if he wished to explain how he got to England from North Africa. He volunteered a statement which I took down and which he signed in my presence after reading it. I hereby produce this statement as Exhibit "A" (The statement is read to the accused). Pte De Mello was in possession of a Leave Pass purporting to have been issued by No 1 Cdn Convalescent Depot, Canadian Army, BNAF, to D-56968 Pte De Mello, F.M., permitting him to be absent from his quarters from 0800 hrs 20 Oct 43 to 0800 hrs 27 Oct 43 for the purpose of proceeding to CONSTANTINE - ALGIERS. This pass was dated 20 Oct 43 and signed by Capt S. King for Lt-Col F.F. Northup. I took possession of this pass and a few other documents which De Mello had on his person and turned them over to my OC.

The accused declines to cross-examine this witness.

J.R. Carriere.....Sgt.

Second Witness for the Prosecution.

Lt A.M. Dubois, CIC, on the strength of No 6 CIRU, having been duly sworn, states as follows:

I hereby produce a statement purporting to be signed by F/Lt P.A. SPENCE, Reception Officer, AD & HU, RAF Station, St-Mawgan, Cornwall. This statement, relating to the accused, is marked "Exhibit 'B'" and is attached to the Summary of Evidence.

The accused declines to cross-examine this witness.

.....Lt

Third Witness for the Prosecution Documentary

F/Lt P.A. Spence, Reception Officer, AD & HU, RAF Station, St-Mawgan, Cornwall. A statement of this witness's evidence, purporting to be signed by him has been read to the accused. This statement is marked Exhibit "B" and is attached to the Summary of Evidence. Owing to expenses and loss of time involved, the attendance of this witness can not, in my opinion, be readily procured.

.....
Officer detailed to take the Summary of Evidence.

The accused does not require the presence of this witness for cross-examination.

The accused is then cautioned as follows: "Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used in evidence."

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of one page, was taken down by me in the presence and hearing of the accused, and that Rules of Procedure 4 (C), (D), (E), (F) and (G) have been duly complied with.

Prosecution.
1st Witness.

S.41980227 Cpl N.B. Morgan, C.M.P. H.Q. 56 area.
having been duly sworn, states:
I recognize the two accused. at approx. 2245 hrs on 11 Nov 45
I was on duty in A.P.M's Office, H.Q. 56 area. On instructions
received, I went to H.Q. #1 Con Gen T&T Coy. where I saw
~~the guard~~ Sgt. Patterson, to whom I explained my mission.
I asked him to assist me in tracing two soldiers of his unit.
He then accompanied me to the billet of the Cabaret, one of the
accused. He was standing by a bed dressed in pair of coloured
shorts only. He was instructed to get dressed. At the time
I noticed that he had white powder on his face and smelled
of perfume. He got dressed + was taken outside the billet. In
company with Sgt Patterson, I found on Cabaret's blankets.
a sheet which contained:

1. leather wallet containing an identity card bearing
name of N/S. Hinchliffe, B.M.A. #, money; 1 pound note,
~~2~~ 2/6 note, shilling note. 40 lire, in notes.
~~2. the top half of a ladies powder box~~
I cannot swear whether there were 1 or 2 2/6 B.M.A. note.
I produce this wallet as exhibit "E".
2. the top half of a lady powder box. produced as
ex: "A".
3. 1 Pr. of Nylons in envelope exh "J"
4. 1 ivory metal box. ex: "K"
5. 1 N/S. apron Cotton. ex: "L"
6. 1 hand mirror and ~~the~~ in the apron - ex. "F"
7. 2 Army ties - (N/S. uniform). ex: "H"
8. 2 Brushes - one being a hair brush. exh N. and the
other - a clothes brush. Exh. "O"
~~4. Part of a chocolate bar exh~~
9. a number of letters and enclosed in one envelope addressed to Miss M. Hinchliffe T.A. N.S. Ex. "P".

10. a small chiffon handkerchief Ex. Q
11. 1 broken mirror. ex. "R."
12. 1 bottle of nail varnish which is not here.
13. 1 bottle of Reolon Oily Remover. which is not here

When Cabaret started to get dressed he went to another bed and picked up a battle dress. blouse and trousers. I noticed that the sleeve of the blouse had a needle and cotton hanging from a flash which was 3/4 sewn on.

After taking possession of articles mentioned above I went outside.

Also on bed pointed out to me as being of Pte Cabaret's bed, I found, before I went outside. a battle dress Blouse and trousers, both covered with powder. filed as exhibits "C" and "D".

In pocket of ex "C" I found an army pay book. bearing name of Pte Cabaret. filed as exh "6".

I took possession of exhibits "C" and "D" and pay-book. exh. 6. which was left in the pocket. & went outside as stated above. Once outside. Pte Dennenlk, whom I now recognize as one of the men. was brought to me.

I noticed he had a certain amount of powder on the bottom of his trousers. I ordered Pte Clarke to search Dennenlk. Pte Clarke cut from a lanyard hanging from Dennenlk waist, a cleak knife, Paratroop Army style. exh. "S". I also took from Dennenlk a pair of surgical scissors, which were in his pocket. the one for the field. dressing. filed as ex "B".

I noticed ex "B" had a cross scratched on it.

Both accused were then put under arrest. On way to guard room, the truck stopped outside the Sister's billet of 11 Gen. Hosp. Sister Kingston came out to

truck and pointing to Bernemko said: "Good Gracious that's one of the men." the trucks then drove on to the Garrison Guard Room.

A clasp knife, canadian army model, was found by Sgt. Wainwright in my presence in the inside pocket of Cabarel's blouse. This happened in the S.I.B. Office on the 13 Nov. at 3 at approx. 2000 hrs.

Filed as ex. "H".

The lower half of a Dry powder box is filed by witness as exhibit "A2" It was handed to me by a batman, Pte Barker. I later compared exhibit A1 with exh. "A" and it appeared that both halves were part of the same box.

Cross examined by capt Stewart on behalf of Bernemko

The witness points out acc. Bernemko as the man he recognizes as Bernemko. He identifies Cabarel by pointing at him.

The trucks stopped outside of the Miscistan quarters because of some misunderstanding. Pte Clarke was driving. My intention was to convey the men directly to the guard room. I was the senior N.C.O. present. As I can remember, a batman brought Sister Kingston out saying there were 2 dead Phot. trucks outside.

When Sister Kingston said the words mentioned above there were five in the trucks, the two accused and three or four members of the Provost were in the trucks at that time. It was fairly dark. The light of my torch was used.

I flashed on all the persons in the back of the trucks and not on any one in particular. I placed the two accused under arrest myself.

They did not resist arrest, except that they were argumentative. They were not drunk in any degree. I could not smell any alcoholic drink on them.

Dec. Cahard declines to cross-examine.

On reading over his testimony, witness adds:

When Cahard was getting dressed I asked Sgt Patterson if it was Cahard's bed, by which he, Cahard, was standing, the answer was yes. It was the same bed as that on which the exhibits contained on the sheet were found. R.P. 83 (8) complied with.

2nd Witness. Miss Marjorie Houghton, T.A. N.S. at # 11 Gen. Hosp.

having been duly sworn, states:

I recognize Ex "E" as my wallet. I also recognize exhibits "H", "I", "F", "N" which is a hair brush, ex "O", a clothes brush, "B", "I", "P", "K", "L", "J", "Q", "R" as being my property.

I recognize both accused. At about 22 40 hrs on 11 Nov. 43. I was reading in bed with a hand lamp. I heard footsteps on the stairs and the passage outside & promptly put the light out. About ½ a min. later, my bedroom door which was shut but not locked, was opened and a voice said to me "Put that light on". I did not do so. I just said "Get out of here". There were two of them & they did not go. They tried to put light on but could not find the switch.

I got out of bed with intention of shutting door & them they stepped backward a bit. I took the key from outside the door in my hand and put it in the inside of the door, they still watched me. The light was on in the corridor. I tried to shut the door and lock it, but one or both of them pushed on the other side.

and they just pushed the door wide open. While they were doing pushing that door, I got out into the passage & by passed them. One of them was in my room, the other one still in the passage. I turned around and saw the one in the passage holding a knife & I went to the nearest room and locked the door. While I was in there I put some clothes on but could not get out as the key was stuck in the locks. I could hear them shuffling about in my room but could not do anything about it. I went out through the French windows onto the balcony but could not get into the next room as its window was locked. After about 5 mins. a soldier passed down the road. I called to him that there were 2 soldiers in my room, would he do something about it. He disappeared & went off the road. Miss Hall sister, sister Cooper came into the corridor into the empty room next door and let me in through the French window.

I went in my room & put the light on. The drawer of my dressing table was opened and empty. I knew the letters & 2 ties were in the drawer & I knew that my wallet which was on the dressing table, was missing. I put some clothes on & went downstairs into the street, walked up the road & met some one who said "They've gone". I hung about a bit and after some time some one came down & handed me the bottom of a powder box empty. exhibit A 1

The accused are the two men who were in my room that night.

Cross examined on behalf of acc. Cabaret:

The light was still out in my room when the acc. forced their way into my room. The one who was holding the knife was holding it with his hand raised. It was a very bright shiny knife. All I could see was a big shiny blade. I recognize the man who held the knife as Pte Cabaret, the shorter of the two. Later on, when I went to the truck of the M.P. I identified Bennemuth by the light of the torch which was flashed in the back of the truck.

I identify the scissors. They have a cross which was on them 18 months ago when they were given to me.

I would say that both acc. had been drinking.

By J.A.

It was the shorter and shock headed man with not a cap who held the knife in his hand. It was this man in the middle who came forward to Cabaret.

No cross examination on behalf of acc. Bennemuth

3rd Witness Pte. 7384019 Pte A.E. Baker. #11 Gen. Hosp. RAMC.

having been duly sworn states:

On the 11 Nov 43 at approx. 2315 hrs I was walking with Lt Col. Higgs behind two soldiers, one of them threw a box away. I identify as A1 as being that box. Col. Higgs picked it up and showed it to me and we followed these soldiers to their billets, which I now know are the billets of the #1 Gen Transp. Coy. The box as A1 was given to me later on by the matron and I handed it to the police.

C.A.V.

Cross examined on behalf of Donnelly.

I can not swear that Ex A. is the same box which Colonel Griffo showed me.

I identify Ex A. as the box I received from the matron which I gave to the police.

We kept a distance of about 40 to 45 yards behind the accused. It was dark.

I knew these were Cdn soldiers by the blue patch on their shoulder. They both had the blue patch. We did not try to apprehend them.

No cross-examination on behalf of Cabarel.

By the Court:

As we got to the billets, the A/C talked to a Sgt. about arresting these two soldiers. ~~One of the two soldiers was present.~~ They went in the gate about 12 yards, and one of them came out again. This soldier had not left my sight. He had powder on his trousers.

There was a sentry at the gate & he did not challenge the 2 soldiers.

We followed these men, because of what Sister Hingston told us.

Cross examined on behalf of Cabarel.

These men were staggering about. I could not say if they were drunk.

R.P. 83 (B) complied with.

On evidence being read to him, witness says they were 4 to 5 yards behind the two soldiers.

The prosecution is closed.

Submission is made on behalf of the two accused that not enough evidence has been brought to justify them making a

Contention of non Prima Facia case.

Sir, if the accused are found guilty as charged, under section 41 of the Army Act, they are liable to severe punishment. It therefor behooves us to study the charge very carefully.

(Read Charge)

(Read def "larceny" as in Sect 50 Chap VII, M.M.L.)

I contend that the evidence brought out by the witnesses has not proven "intent". On the contrary, it suggests actions that are the result of a drunken spree, without any malicious aforethought.

[redacted]

It is reasonable to believe that if these men had been allowed to get over drunkeness without interference, they would have returned the articles belonging to Staff Nurse Hingston, with their apologies for their ungentlemanly behaviour. After all Gentlemen, most of the articles found on their possession would be of very little value to a man on active service.

I therefor contend that the evidence, given for the prosecution, has not established a prima facia case against the accused and [redacted] I therefor contend that the case should be thrown out by the court.

We arrived in Catania at 0430 approx. on 11 Nov 43. We were
brought to our billets. We were all C.B. until approx 1800 hrs.
at approximately which time we went to a place where they sell wine + had a few drinks of
wine. We went to another place + had some more wine, Cognac
+ marsala. After that I do not remember anything of what hap-
pened until the next morning when I woke up in the garrison
jail. We were not warned of the curfew for 2100 hrs. I had never
been told of the potency of those wines. We were not told of any
out of bounds areas. When I woke up and was told of the
charges by the Provost I realized the seriousness of them.
I never had any military law read to me since I have been
in the Army, since 1940. On the night I went out I had on
the suit ex "C" + "D".
Being examined
I never heard anything about lectures at Palermo. I did
not know till the evening that I had the wrong uniform on.

2nd Witness. L 1240 Pte George Desmarais. 41 Gen Tpt Coy.
Being duly sworn states.
On 11 Nov 43, we arrived in Catania at approx. 0420 hrs. At
night I was sewing on patches on my tunic when C.B. was lifted
at about 1800 hrs. I went downtown, and on the way entered
a wine shop and had a few drinks then crossed the road + went
to another one and was drinking there till my memory gave out
+ do not remember how I got back. When I woke up I realized I
was in the garrison jail.
I did not leave the billets with Pte Caharel. I met him as
I entered the first wine shop.

I had not been told that there was a 21 hrs curfew in Oranje. I had not been warned as to the dangers of the wine in this country, nor of the out of bounds area in town.

When told of the charge laid against me I realized the seriousness of it. Sect. 4 to 4 Army Act have not been read to me in the last year. I saw the uniform on which I had sown patches on, the next morning when I noticed Pte Cabaret was wearing it.

I recognize the scissors as "B" as my own by the cross filed in by a 3-cornered file. I recognize those pliers as my own. I produce them as ex Exhibit D-1. I recognize them by a cross I made on them. I produce a lock & holder as ex: D-2. I recognize them as mine by a mark in form of a cross.

Cross examined.

Where I got the scissors from a man in England.

By the Court.

I got the pliers a year ago from the Workshop. I remarked them about 11 months ago. I got the scissors in Dec. 1942.

The marks have been put on by the same file on the scissors, pliers and padlock. I now have on the uniform on which I was sewing patches. The Unit O. Section N.C.O. told me the C.O. had been lifted. He warned the platoon the section of the fact. R.P 3 2 (A) complied with.

3rd Witness D.9.298 Pte. F.G. Brissault, # 41 Can Gen Tpt. Coy.

having been duly sworn, states:

On the night of Nov 11/43 I met the two acc. in a wine shop on the Medina Street in Letta via and had a drink with them, they were quite drunk at the time. It was about 2030 hrs. As we came out of the shop Pte Cabaret became involved in an argument with another soldier and I interfered & stopped it. Cabaret

this what he was fighting about and he did not know.

I saw the 2 acc. when they came back from the Garrison Gaol. I spoke to them and they did not remember meeting me, or having been in this argument with a soldier.

Cross examined. By drunk I mean that they did not know what they were doing. They did not recognize me except as being another soldier.

By the Court.

They became involved in this argument about 10 minutes after I met them. R.P. 83 (B) complied with.

4th Witness 4.7098. G.J. Ryder. C.S.M. 41 Cdn Sen Bn Corp having been duly sworn states.

On the eve of Nov. 11/43 I saw the 2 acc. at about 2400 hrs. I would say that they were definitely drunk.

There was an incident connected with Cabaret. About that time, I was asleep in my room. Acting on information, I came downstairs and met Cpl Hogan of the C.M.P.'s. and went to "D" flt to billets with them. There were several persons around Pte Cabaret there. He was dressed in his shorts. I approached Cabaret and told him he was wanted by the Military Police. He seemed startled. Could not understand what was being said to him. He was creating quite a disturbance.

No Cross examination.

By the Court.

While this was going on, there were the Cdn Provost, the British Police and also somebody from the hospital. The corporal of the guard was there also.

I looked through the billets for Pte Desmeules. I found him in

the M.T. lines being taken to the police by one of my Sergeants. I spoke to him about being arrested by the police and he did not seem to understand. R.P. 83 (3) complied with.

The defence is closed.

The defending officer for the Cabaret hands in a written plea for both the accused persons which is marked "X" and initialled by the president.

The prosecuting officer hands in a written ~~plea for summing up~~ which is read, marked "Y" and initialled by the president.

Plea in mitigation for both accused handed by def. off. exhd. 2. and signed by president.

The 2 accused left their billets and got drunk. They decided to see the town. They were not advised of curfew hours and of off bounds area. They were not in a dangerous mood when in N/s Hinglston room. They did not attempt to hide their acts.

Not many offences - small ones. Cabaret good conduct stripe. In view of previous record established by good conduct sheets - also they are good category "A" fighting men.

Both accused then personally asked for mercy of the Court stating they were sorry for the events of the 11 Nov 43.

Summary of Evidence at Court Martial

Statement by the defending officer: I would like to take this opportunity of reviewing the evidence given to this court to-day.

The first witness Cpl Morgan, C.M.P. supposedly learned in police work states on oath that although he personally put the accused under arrest, and saw them in his custody, for a considerable length of time, that he did not smell alcohol on their breath nor did he believe that they were anything but sober. This statement should be examined in the light of the references to the condition of the accused made by every one of the witnesses & their own statements. I/this to me and suggest a predominance of witness descredits the remainder of the testimony.

The second witness nursing sister Hughes. She states that on several occasions she saw She developes a common acquaintance with the one held by Pte Cabana. Although she admits that she only saw the blade of this knife in semi-darkness, for a fleeting moment under conditions which

were certainly not conducive to careful observations.

She stated that she left the room turned around and then saw the suspect and yet he was supposed to be threatening her.

Her further attempts at identification were made obvious when she based it on the height of the men & on the type of haircut. A glance at the accused proves this - they are of the same heights & have the same type haircut.

Pte Baker

This man recognizes the accused to be Canadians because he saw their RCHSC flashes And yet Exhibit C (Pte Blouse) has no RCHSC flashes attached.

He further claims that on a dark night (3:00) one of the accused walked within twenty yards then an archway without her losing sight of him.

~~His type of evidence does~~

He swore that the box (exhibit C) was shown to him by the colonel & yet on cross examination had to admit that he could not swear that it was the same box.

This type of evidence makes it impossible to put any faith in such a witness' testimony.

CASHAREL.

His statement that he had not been warned of curfew, out of bounds area, dangers of local wine &c &c ~~let he had~~ is easy to believe. No part II orders were published until Nov 12 and it is easy to understand that in the hurly burly of settling in an NCO detailed to do this job might easily have slipped up.

The story that he went to Hotto must be believed. It is a sworn statement and is a story that we know to be possible from personal observation & can be substantiated by medical evidence.

Deserter as above.

+ His claim to ownership of the scissors can not be easily thrown out. He identified them immediately (vide summary of evidence 1st witness Sgt Warford) If he had been upon being put under close arrest it is supposed that he was only a recent convert & therefore

had no time to work other but
at the time of his leaving billet he was
sewing & presumably using his scissors.
I contend that the appearance of the
scissors would lead one to suspect
that they are the property of an RCASC
driver & not a RAMC N/S.

Pte Dussault — both drunk
CSM Ryder — & drunk as opposed
to statement made by
Pte Dussault Cpl. Morgan

The evidence given by this witness
makes it clear that even at 2030 hrs
the accused were drunk and that
they had no idea what they were doing.

C.S.M. Ryder - was called to disprove
the statement made by Cpl Morgan
the first witness for the prosecution.

This gentlemen is the type of
contradictory, incoherent evidence produced
by the prosecution.

~~I contend that~~

Our plea of prima facia was
unfortunately disallowed by the court.
~~but~~ I still contend that intent
[illegible] absence of this ob

The prosecution did not at any time prove intent - the defence on the other hand submitted, and I believe proved, that at the time of the incidents the two accused were not of a sound mind - the medical profession calls it ~~chronic~~ alcoholic amnesia.

We realize that a misdemeanour has been committed but submit that the charges should have been laid under section 40 ~~AA~~ and also ~~15 AA~~ 15 if they were out after hours. However gentlemen, there is no evidence that warrants a conviction of these men as charged and I respectfully ask the court to acquit ~~the~~ both the accused men on both charges

Closing address - Prosecution

The Nursing Sister has definitely identified the two accused as the two soldiers who broke into her quarters and stole the various articles which she identified as being hers. Therefore all elements of the charge have been proven. The two accused broke and entered a dwelling house and stole various articles. Moreover these articles were all found in their possession subsequently by Capt. Morgan, all that is other than 1/- the soldier boy which Capt. Baker saw them steal away.

The defence of drunkenness which has been offered must fail, firstly because the defence has not proved drunkenness, and secondly because drunkenness is not an excuse for a crime. At most it may lessen the sentence. (M.M.L. Page 25 Sec 48).

There was intent to steal and intent to permanently deprive the owner of her possessions. A plea of a "drunken escapade" may apply to some of the articles stolen, but not to the wallet which contained amongst other things money to the extent of £1:7:6. When one steals money one does not intend to return it.

Both accused, in a foreign country, broke into the quarters of the Nursing Sister and stole from that room. They should therefore be found guilty and sentenced accordingly.

PLEA OF MITIGATION OF SENTENCE OF

(1) L-7690 Fte Rene Caharel
(2) L-12404 Fte George ~~Denmak~~ Dimenuk

Mr President, gentlemen of the court.

As both the accused are jointly charged and since individual pleas by Capt Stewart and myself would of necessity be repitious, I ask the permission of the court to make a joint plea for both the accused.

Reviewing the evidence given to this court today, I would like to make the following observations:

Ftes Caharel and Dem~~mk~~ undoubtedly left their billet area on the evening of 11th Nov and got drunk. There is very little doubt that they were the men that entered the nurses' residence and acquired sundry articles from Sister Hingston's room. All this the defence admits.

Earlier in the case Capt Stewart went on record as contending that the prosecution hadnot given ~~a~~ evidence that there was any malicious intent involved in the actions of these men; and therefore he asked that the men be acquited since a prima facia case had not been established. This request, unfortunatly, was not granted by the court.

Let me briefly review the case. These two men, after a rather miserable journey, arrived in Catania at approximatly 0500 hrs 11 Nov 43. They slept until noon, had lunch, spent the afternoon cleaning up their kit. After supper, the C.B. which had been in effect until that time was lifted. Caharel and Dem~~mk~~, with most of the other boys of the unit decided to see the town. Now there is sworn evidence that these men had not been warned as to the dangers of the local wines & liquors, that they had not been warned of the out-of-bounds areas, that they had not been told about the local curfew laws, indeed that they have not had sections 4 to 44 of the A.A. explained to them in the last year or more.

These men went out, began drinking the local insidious brew and by 2030 hrs, as proven by Pte D~~emk~~ they were properly drunk and did not know what they were doing.

Somewhat later in the evening we find them in the nurses' room. Not in a very dangerous mood I would contend, otherwise I find it difficult to believe that Sister Hingston would have been successful in pushing them out of her room or later in pushing past them, particularily if the SHORTER one (whichever that might be) was allegedly doing commando stuff with ~~xx~~ his Jack knife. There is no evidence to show that these men made any great effort to ~~camouflage~~ their activities, to elude possible captors or to conceal the fruits of their foil. This was not a malicious robbery.

Gentlemen these men are category A fighting men, they have a combined record of nearly eight years on active service, during this time they have never been charged with a serious crime and only two or three minor offences ~~[illegible] that these accused, although undoubtedly guilty of a misdemeanour, should be acquited as charged.~~

If the court cannot see fit to absolve them of all responsibility for contravening the section of the Army Act under which they are charged then I respectfully request that (1) Because of their ignorence of the potency of the local wines due to lack of experience and training, (2)

(2) because of the length of their active service record.

(3) because of their good military record ~~[illegible]~~ proven by their M.Fs.M. 6.

(4) because, at this critical stage of the war, these men would be of much more value to the Canadian Army if they were allowed to soldier with their unit rather than to stagnate in a detention camp

(over)

(5) because I honestly believe that these men have learnt a lesson and are sincerely sorry for their misbehaviour particularly as it involved Sister Hingston, a member of a corps which is respected by all.

I ask the court to look at this case objectively and to be as lenient as possible when passing sentence.

Statement of Leila M. Hemington,
11th General Hospital.

Who saith:-

On the 11th November 1943, at about 2240 hrs
I was in my own private room in the Hospital.
This is the room which is allotted to me personally
for my living & sleeping quarters when I am off
duty. I was reading a book in bed with the
[redacted]
of an electric lamp. I heard heavy footsteps in the
passage outside, and also the sound of voices.
I put out the light. I know that at the time
that the door to my room was shut and fastened by
the catch, although it was possible to open it by
turning the handle. The next thing I heard was
somebody turning the handle of the door, the
door was then opened, and I could see two
soldiers standing in the doorway. One of the
soldiers the taller of the two said "Put that light
on". I told them to get out, but they stood more and
attempted to find the electric light switch but were
unsuccessful. I then got up and tried to push them out.
I succeeded in pushing them out of the door, and I took
the key from the outside, where it was in the lock, and then
succeeded in closing the door. I tried to put the key on the
bed on my side of the door, but realised I

I was doing this, one of them pushed the door, and one of them came into the room, ~~and~~ the struggle I got out of the room, passing both of the soldiers as I did so. I saw that one of them, the shorter of the two, was holding a large Jack knife, with the blade open, in his hand. He was holding the knife in a threatening attitude, and I thought that he might strike me, and I was afraid, and I rushed into the adjoining room, and locked the door. I heard the soldiers in my room, and it sounded as if they were ransacking it. I found some clothes & put on, and intended to get out of the room and get some assistance, but I found that I could not turn the key in the lock, so I went through the French window to look for assistance, but I saw nobody. As I stood there, another Indian came out onto the balcony adjoining the one on which I was standing, and I told her what was happening. She then saw a soldier passing, and shouted to him that two men had broken into my room. I saw him run towards the hospital entrance. I then proceeded to leave the room in which I was locked by way of the balcony.

I then returned to my room with the other Indian, both hoping, and upon turning on the light I saw that my dressing table drawers were open, and certain things were missing from it. I noticed that my ~~[illegible]~~ handkerchief and watch was missing from the dressing table.

and also that box pull ties, a box of "Kolynos" powder and a bundle of letters were missing.

At about midnight two Military Policemen, came to the hospital where I was attending a patient. I went to the trench and upon looking inside I saw two Canadian soldiers sitting in the trench. I immediately recognised one of them as the tall one answering to the description I had given to the Police Corporal. "Good Gracious, that is one of the men." The trench was then thrown away by the Police. On the 12th November 1943 Corporal Morgan of the Police, took me into the company office and produced to me the following articles.

Two grey uniform ties.
1 leather identification card wallet, containing identification card in my name, two £/6 B.M.A. note, one £-B.M.A note one £1-0-0 B.M.A note. three 10 shilling notes two five shilling notes.

One Kolynos powder box empty.
one small metal chromium plated box empty.
One small chiffon handkerchief
One small bottle "Perfect" Nail Enamel
One hair brush.
One clothes brush
one Morning Star" Razor blade.
One Bottle "Perfect" Cuticle remover."
One small mirror broken.
one packet of 10 Ardath cigarettes.

part of a packet of chocolate.
One ladies white vest handkerchief with name
"M. HINGSTON" in corner.
One envelope containing correspondence addressed to
MISS. M. HINGSTON. T.A.N.S.

I identified all of these articles and recognised them as my property, ~~that~~ and articles missing from my room at the Latin Quarter.

Later the same day Corporal Morgan produced to me, a pair of sergeant's scissors, attached by a piece of string to a Jack knife. I immediately recognised the scissors as my property, and I pointed out a small access panelled on the scissors, by which I could identify them. The Jack knife I had never seen before. Morgan also produced to me a large white vest, which has the appearance of a hospital vest.

In addition to the statement which I made to Lt Hampton, yesterday, I should now like to state, that on the night of the offence Colonel-Mitchell-Hogg handed to me the bottom half of a powder box, which he stated he had seen one of the Canadians throwing away on the road. I immediately recognised this half of the box as being part of the box of powder which I had had stolen from my room. I handed it to a Lieutenant, I do not know what he did with it.

On 16/10/43 Lt Hampton S.I.B. produced to me a Canadian Army Lt Knife. I recognise the knife as the one which I had stolen by the Canadian on the night of the offence.

who said:-

On the 11th November, 1943 I was going the Sisters Quarters, with Pte Rollings. As I heard somebody calling from one of the Balconies of the Sisters private Rooms. I did not think they were calling to me so I took no notice. I then went with Rollings to the Sisters Quarters entrance, and as we entered the passeway. I saw two Canadian soldiers, coming down the steps, who had been up to the Sisters private quarters. I saw that one of the soldiers, the shorter of the two was holding a large jack knife in his hand. It appeared to be attached to his waist by a lanyard. The knife appeared to be of some bright metal as I saw it flash. Rollings spoke to them and the soldiers went out into the street, and commenced to walk in the direction of the Hospital. The Baker then came to me and said that two soldiers had just been in the Sisters rooms, so we followed the two soldiers we had just seen towards the Hospital. When we did so we saw the two soldiers whom we were following enter into the ante the Hospital grounds.

2

We searched on the Hospital grounds but the
soldiers could not be found. We were joined on
the search by Colonel Mitchell-Hyggs, and
we then saw the two soldiers whom we had
followed. They were about to leave the Hospital
grounds by the top gate. I commenced to follow
the soldiers accompanied by Lieut. Colonel Mitchell-
Hyggs and private Bates, but when I had
gone a short way with them I was told by
the Colonel to follow behind him at about 20 yds
distance. I did so and saw the two Canadian
Soldiers go to an Army Police who I now
know to be. 4th Battn. Gen. Service Brig H.Q.

On 15th November 1903 Sgt. Wanford S.A.B.
produced to me a Jack knife. I am able to
say that the Jack knife so produced to
me is one I saw in the hands of the Canadian.

On the 11th November 1942 at about 1045 pm I was passing the Officers Quarters, when I saw Officer Houghton and Officer Cooper standing on the Balcony of their respective rooms. They called me Balcony of their respective rooms. They called me and saying that two men were in Houghton's Room. I went to the entrance of the Officers Quarters, and saw there Pte Rollings and Smith. I told them what had happened and Rollings pointed to two soldiers going in the direction of the Hospital and said "They must be the men, they have just come down the steps. I went to phone the Police, whilst the others went after the soldiers. I came back, went to the Hospital by myself, and saw Lieut. Colonel Higgs and after I had been standing there a few moments, explaining the occurrence, I heard footsteps, and I and the Colonel went in the direction of the sound. We looked in the Main Road, and we saw two men going in the direction of the Bus Road. We followed at a distance of about 8 yards. I saw one of the

men, whom I could see were canadian soldiers throwing white powder about. There was a lot of other powder on one of the soldiers whom we followed one of the soldiers threw away a box. I saw the Colonel pick it up, and he showed it to me. It was a "Powder Box" and it contained a very small quantity of fine powder.

We continued to follow the soldier at a distance of about 8 yards, until we came to an army billet, which I now know to be the H.Q. of 46th Gen. Trans. Coy. R.C.A.S.C. We saw both the soldiers enter by the gate, one of them only went a little way inside, and then came out again. This soldier spoke to the Colonel, I could see that the Billet where these and known had a large quantity of white powder on them. A canadian sergeant then came out of the billet, and I saw the Colonel point out to the Sgt the soldier whom we had followed. The soldier then walked away, and Colonel Mitchell then left, leaving to await the arrival of the Military Police.

On 11th November, 1943 at approx. 23.30 hrs. I was informed by Sister Houghton that her room had been ransacked by two Soldiers. A Wallet and Powder Box were included in the missing property.

I then saw the men emerge from the Northern Gate of the Hospital ground, and proceed up the hill. Thinking they might be the two men I followed them will the Batey, leaving Lt. Rollings with the Sister. During the pursuit I saw one of the men throwing powder about, and I also saw one of them throw a box of powder down on the road. I picked up the bottom half of a powder box, and later returned it to the owner. I followed these two men to an Army billet which they entered. One subsequently returned, and I saw that he had some of the powder upon his trousers. I ordered the man out to the Sergeant who came out of the Army billet.

who states —

At Catania on the 11th November 1943, at about 2245 hours, I was on duty in the A.P.M.'s office, 56 area, when I received a telephone message from 11th General Hospital to the effect that two Canadian soldiers were wandering the Isolation Quarters there. I proceeded to the 11th General Hospital and at the entrance gate I saw a soldier who told me that he had reason to believe that the soldiers were in the Hospital Grounds. I then accompanied this soldier on a search of the Hospital grounds but we could not find them. Another soldier then accosted me and told me he had reason to believe that the men for whom we were looking were in the direction of 21st Gds. G.T. Coy. Area.

I therefore proceeded in the C.M.P. Lorry together with Capts. Thompson, Herbert & the soldier concerned. Pte Bissett, Pte Clark, Canadian Military Police

when we arrived I informed the Sentry of the nature of our enquiry and soon afterwards Sgt. Peterson of 21st Gds G.T. Coy. Area arrived. This Sgt then conducted us to a billet — upon entering I saw a soldier standing by a bed. I now know this soldier to be No. 4. 7690, Pte Colonel R. I noticed that he was dressed only in a pair of calluding shorts, & by the light of the torch I was

carrying. I saw that he had some white powder on his face and I also noticed a strong smell of perfume. Cabaret was then ordered by me to get dressed and I saw him go to another bed, quite near, and put on R.A.F. Trousers & Blouse. I noticed that the Blouse which he put on had a needle & cotton thread stuck in the sleeve and I saw that a Canadian R.C.A.F. flash was 3/4 sewn on. I knew that he did not obtain this blouse from the bed at which he had previously been standing. I was given to understand by Sgt Paterson that the bed at which Cabaret had previously been standing was his (Cabaret's)

Cabaret then left the room & I in company with Cpl Thompson & Sgt Paterson looted amongst the blankets of Cabaret's bed & found the following articles

1 wallet containing Identity Card issued to Andre Headon, £1-6-0 B.W.A Notes, Photos in Notes.
1 Bottle (Cherlon-only memory).
1 Pair sandals brassardes.
1 Brown trench Rubber

1 Artist's lampoon Epaulette.
1 Handkerchief marked N. Hingston

1 Small Chiffon Handkerchief

Lying on the bed also, we found a Bottle
Dress Blouse & Trousers. I saw that there
articles of clothing had a large amount of
facial powder on them. I looked in the pockets
of the B.D Blouse & found a Canadian Army
Pay Book in the name of Pte Colonel. I took
possession of all these articles. & I saw
the went outside the billet & I saw
Colonel standing outside in company with
a/Sgt Cordell & Pte Black.

As we stood there another Canadian
Soldier was brought along, whom I know
to be. No. 2. 13 HOH, Pte Dennett.

I ordered Pte Black, Canadian Military
Police to search Dennett. This was done.
I saw Pte Black cut a ~~[illegible]~~ tape clasp
from a lanyard which was around
Dennett's waiste. I also saw Pte Black
take from Dennett's pocket a pair of
Sunglasses which I noticed had
a cross scratched on them.

I then ~~intended~~ to convey these two Soldiers
viz Colonel & Dennett to the Military
Police Guard Room but on the way
the two stopped outside the Ladies Quarters
& Miss Houghton came out. She went
to the two, looked in & pointing to Dennett
she said, "Good Gracious that is one of

Further to my statement of 13th November 1943, I now remember Pte Baker handing me the bottom part of a Powder Box (Cotia) on the night of the theft at about 2320 hours. There was a very small amount of powder still left in this part of the box.

I later compared the bottom half of this box with the top part of a powder box which were found on Cahanel's bed & appeared obvious when I fitted the both parts together, that the part which Baker handed to me was the other half to the part found on Cahanel's bed

I command to look for the men and I saw somebody being taken out of a bullet. I continued the search for Dumont. I eventually found him standing behind a Truck, and I saw that there was a little white powder on the leg of his B.D trousers. I conveyed Dumont to Corporal Morgan, and the Station Sgt. Statement of No. 7396757 Pte. JAW ROLLINGS
11th General Hospital.

who saith:-

On the 11th September 1943, at about 10.45 p.m. I was passing by the Sister Quarters, accompanied by Pte L.G. Smith. I looked up and saw two Nursing Sisters, one of whom I think was named Cooper. I heard her shout something to me, but did not realise that she was speaking to me. We proceeded to the entrance of the Sister Quarters, and when I got there I saw two Soldiers, whom I think were Canadians. They were coming down the steps, which gave access to the Sisters' private rooms. I cannot give a very accurate description of these two soldiers, although I think I could recognise them again. ~~I asked~~ The two soldiers gave me to understand that they had entered the wrong building, and they went away in the direction of the Hospital. I accompanied them to the entrance of the Sister Quarters, and I watched them going up the road. As I watched, the Sister came up and said: "Two soldiers have been up in the Sister Quarters".

I pointed to the two soldiers going away, and said "They went in the wrong", and I saw them going at the Hospital gates. I and the Sister, and the Matron followed the soldiers to the Hospital grounds. We split up and searched the Hospital grounds, but we could not see the soldiers. The Sister then returned accompanied by Pte Mitchell Higgs, as they did not. I saw two soldiers, persons leaving the Officers' Mess, and I reported

on guard at the front entrance, whilst the Baker and wife kept behind Higgs & me & the prisoner also. I stayed at my post, and the more military police came on & took, and I left them when I had stopped.

MEDICAL CERTIFICATE

I have inspected E4639 Pte DEMERS, A., this day 25 Aug 1944 and find him fit to undergo his trial.

F G Macarthur Captain
R.C.A.M.C.

F.F.C.M. – E 4639 Pte. DEMERS, A. 2 Cdn. Fd. Punishment Camp. 25 Aug. 44.

E1. The accused, E 4639 Pte. Demers, A., being duly sworn, states:

I enlisted in Nov. '39 and came overseas in Dec. '39. I came in the invasion of Sicily with the R 22e Regt. and remained constantly in action with my unit until the battle of Ortona. I am married, drawing no allowance and my wife depends solely on my pay for subsistence. On 15 July I escaped from 2 Cdn Fd. Pun Camp after being persuaded to do so by two other soldiers who told me that once we had successfully escaped they had means of making plenty of money and would do so again. I took the soldiers word & persuaded me to leave with them. [redacted]

R.P. 83(b) complied with.

Plea in Mitigation of Punishment by the Defending Officer

E.O. I should be obvious to the Court that this is a case where leniency should be given. The accused has been a soldier for five years and has been in action with his unit from the Sicilian landing until the battle for Ortona.

There are only two entries on his MFM 6 E during a period of five years, both in the current year. The Court should take into consideration that in many cases of this nature, when a soldier of previous good record suddenly commences committing military crimes, especially after long periods of action, the great majority of cases are due to nervous exhaustion rather than criminal tendency. In addition, might I point out the unfortunate position in which this soldiers wife [redacted] herself should he be sentenced to a long term. In closing I would reiterate that this, in all obviousness, is a case which calls for leniency. The accused cannot produce witnesses to character due to distance and expense involved.

R.P. 83(b) complied with.

E 1 **The accused, E4639 Pte Demers, A., being duly sworn, states:-**

I enlisted in Nov 39 and came overseas in Dec 39. I came on the invasion of Sicily with the R 22e Regt and remained constently in action with my unit until the battle of Ortona. I am married, drawing no allowance and my wife depends solely on my pay for subsistence. On 15 July I escaped from 2 Cdn Fd Pun Camp after being persuaded to do so by two other soldiers who told me that once we had successfully escaped they had means of making plenty of money and would do so as civilians. It took the soldiers a week to persuade me to leave with them.

Plea in Mitigation of Punishment by the Defending Officer

E 3 It should be obvious to the Court that this is a case where leniency should be given. The accused has been a soldier for five years and has been in action with his Unit from the Sicilian landing until the battle for Ortona. There are only two entries on his MFM 6 during a period of five years, both in the current year. The Court should take into consideration that in many cases of this nature when a soldier of previous good record suddenly commences committing military crimes, especially after long periods of action, the great majority of cases are due to nervous exhaustion rather than criminal tendency. In addition, might I point out the unfortunate position in which this soldier's wife would find herself, should he be sentenced to a long term. In closing I would reiterate that this, in all seriousness, is a case which calls for leniency. The accused cannot produce a witness as to character due to distance and expense involved.

R.P. 83 (b) complied with.

Summary of Evidence

In the case of

E4639 Pte Demers, A., a soldier undergoing sentence in No. 2 Canadian Field Punishment Camp, No. 1 C.B.R.G., Canadian Army Overseas.

The Acting Officer Commanding directs that the evidence will be taken under oath.

1st Witness for Prosecution

D76003 A/Sgt Cape, J., No 2 Can Field Punishment Camp, 1 Can B.R.G., C.A.O., having been duly sworn states.

I am D 76003 A/Sgt Cape, J., on 15 July 44, I was Coy Commander of D Coy to which Coy the accused E4639 Pte Demers, A., was attached. At approx 1620 hrs on 15 July 44, I was in charge of D Coy on the Main count parade. At that time the accused was present. At approx. 2340 hrs. I heard the alarm whistle blown. I immediately got out of bed and proceeded to the compound, where a break had been effected. I fell in my Coy and called the roll. The accused did not answer his name, he was not on parade. I then made a thorough search of the cells and found the accused's bed made down as though someone was occupying it. It was a dummy bed. The accused was absent. The Standing orders of the F.P. Camp read "All personnel leaving the camp through the gate must produce a pass". A soldier under sentence is not issued a pass. The accused has been absent each day since his escape, until returned to this camp under escort.

PTE DEMERS A. D.106029

Pte Demers enlisted as a single man in March 1940. He was immediately employed on regimental police duties and has been for his full army carreer. He did this type of work on the boat overseas and also in the holding units here. He never had an entry in his N.P.N.C. In England he became a L.Cpl. and was placed under a guard room sgt. who made life very difficult for him. Demers states he would not buy drinks and 'toady' up to the sgt. and consequently the sgt. was very unfair to him. Before coming overseas Demers did not drink - he now started drinking and it was during one of these drunks he went A.W.L. He states that the provost in Guildford had many oportunities to pick him up as he wore uniform but they never did, so he thought that if they did not need him that had there was no need for him to give himself up.

In awarding punishment would the Court take into consideration these factors. His clean conduct sheet. That before he enlisted in Canada he was employed for 15 years straight withone firm. This is a record of good character in itself. He was good enough in his duties to be made a L/Cpl. During his A.W.L. he met ans English girl - married her and had two children, one of whom died at the age of 14 months. He now intends to have the marriage approved by the army and take his wife back to Canada where his old job is waiting for him. While he was A.W.L. Demers had no civil charges laid against him and was a good citizen. He was a good citizen in Canada - and on his return should continue to be one. Thisw man has committed only the one crime. His charachter is good. Would the Court consider this.

He said: " I have been shot ". I asked him how this had happened. He said he had knocked a rifle on the floor while sweeping behind it. I thentold him to stay there. I went to the room and got Pte Green to watch him while I went for the M.O. I brought back Capt. Harry and Sgt Pugh, while they were dressing his wound I went to see the rifle, I found a TSMG laying on the floor, half way under the bed muzzle pointed towards the wall and picked it up. Seeing it was cocked I took the magazine off and eased the action forward. His broom was on the bed.

The accused cross examines the witness.

A.1 You started from the opposite side of the door and then I told you to go to the farthest end of the room and sweep it out.

Q.2 Did you see a TSMG on the wall before the accident ?
A.2 No.

Q.3 Did you come with me at the other end of the room ?
A.3 No

Q.4 Why did you leave the room and left me there alone ?
A.4 I was to take a clothes line back to an Italian house.

Q.5 Were you supposed to leave me there alone ?
A.5 No

Q.6 Was I nervous when you saw me after the accident had happened ?
A.6 No, you were in pain.

I, then followed the adjutant to where the gun laid; the adjutant picked it up and I saw that there

C.51551 Pte Clement DEMERS having been duly cautioned in accordance with RP 4 (a), (b), (c), (d) and (e) elects to make the following statement under oath.

" On 23 Mar 1944 I was detailed to work in the billet where the guards sleep. I cleaned several pairs of boots and asked my guard Pte Rogers if that was all. He answered that I also had to mup and wash the floor of the room. I started sweeping from the near left hand side corner as you come in, but the guard told me to go and start from the corner opposite the door, which I did. I started sweeping and noticed a TSMG which was leaning on the wall, butt down. I swept around it but must have misplaced it with my broom as it fell to the floor and a shot went. At first I didn't realize what had happened and then felt a pain stinging my left foot. I then noticed I was wounded. I ran to the door with a view to notifying the guard. As I approached the door the guard was arriving and I told him that I had just been wounded ".

First witness for prosecution. Capt. J.E. Harry. Saskatoon Light Infantry

being duly sworn, is examined by the prosecutor.

The accused, Sir is Pte Demers whom I recognized as a soldier under sentence in the 1st Cdn Div Field Punishment Camp.
On the afternoon of the 23rd of March a soldier Pte Rogers who was acting as a guard at the P.P. Camp of which I was then acting as adjutant came to my office at about 1515 hrs as a result of what he told me I proceed with him to a room which was used as a billet by some of the guards in the P.P. Camp just inside the door I saw the accused Pte Demers whom I recognize He was lying on the floor on his back and a soldier was endeavouring to cut off his left boot. I assisted the soldier and when the boot was removed I saw that the accused had been shot in the left foot. After applying First Aid I questioned the accused. He told me that he had been sweeping by a bed when a T.S.M.G. had fallen off the bed discharged and shot him through the foot. I am not sure whether he said fallen off the bed or fallen down. I went to the corner of the room where the accused had told me the Tommy Gun had shot him. A T.S M.C. was lying on a bed and I examined it. The change lever was at single shot, the safety was on fire the magazine was removed and the bolt was forward on the muzzle there was fresh blood black greasy substance resembling Dubbin and some mudk. I further examined the boot we had cut from the accused's foot on the left inside surface where the bullet appeared to have entered the leather appeared to be burnt over an area of approx. one inch and a half around the end of the sole. I ordered Pte Demers sent to the 5th Fd Amb. The prosecuting officer presents the court the left issue boot marked Exhibit A and T.S.M.G. marked exhibit B.

Q. by the Prosecution - Can you recognize this boot?
A. I recognize this boot to be the boot that another soldier and I removed from the left foot of the accused after he had been wounded.

Q.2 by the Prosecution. - Do you recognize this Tommy gun?
A.2 This Tompson sub machine gun sir has the same No. 192332 as the one which I examined the day the accused was wounded. It still seems to have the dark greasy substance resembling dubbin as it had the same day the accused was wounded.

Cross questioned by the Defence.
Q.1 Where did you find the Thompson machine gun after entering in the room where the accused was lying?
A.1 On a bed in the corner about 10 yards from the accused.

Cross questioned by the court.

Q. Capt. Harry can you tell me the height of that bed?
A. The height was approx 2 feet.

2nd Witness for the Prosecution.
C10301 Gnr. Champagne A. R.C.A. having been duly sworn states:
On March 23, 1944 the morning I was off duty proceeding to my unit for a battle Dress. Coming back from my unit to the castle through the Garden. The Adjutant showed me a Tommy gun. no. of my own Tommy Gun No. 19332. Questioned by the Prosecutor.
Q. 1 When and where did you last see the Tommy gun before the adj. showed it to you.
A. 1 Under my blanket on my bed the morning of 23 Mar 1944 at 0640 hrs.

Cross examined by the Defence
Questioned by the Accused.
Q.1 Why did you leave your Tommy gun on your bed under a blanket?
A.1 In our battery we were told often never to leave the Tommy Gun in the open because other foolish men or soldiers could come in drunk and play with your Toommy gun and shoot themselves and also I have taken the precaution of putting my Tommy gun under my first blanket to keep the dust out of the working parts.

Q.2. How many men or guards sleep in your room?
A.2 There are ten men sleeping in one room.

Cross examined by the court.
Q.1 Gnr. Champagne will you examine this Tommy gun. Is that your Tommy gun?
A.1 Yes.

Q.2 Was it loaded or unloaded when you put it on your bed?
A.2 The magazine was on. It was on safety and single rounds. It was NOT cocked.

Q.3 What position was it on the bed?
A.3 The muzzle of the Tommy gun was pointing to the wall. The accused demonstrates - The bed was in the corner of the room the muzzle of the Tommy gun pointing into the same corner.

Q.4 Where there bullets in the mag?
A.4 Yes. The magazine was loaded.

Cross-examined by the accused.

Q.1 Was there anybody else knew that the Tommy gun was placed in the position that you demonstrated?
A.1 Yes. Many of the boys saw me every morning putting my Tommy gun under the first blanket on my bed.

Third Witness for the prosecution:
M106999 Pte Rogers G.J. PPCLI having been duly sworn states:
I recognize the accused. I am employed as a guard at the P.P. Camp. On the afternoon of 23 Mar I received Pte Demers from Sgt Matthews to clean our billet for approximately the first hour he shined boots in my billets. He started to sweep the room on the opposite side from the door. I told him to go to the other end of the room and sweep it and I told him to move the kits but not the beds. I then left the room to to to my room. Upon returning I heard a shot when I was approx. 10 paces from the door. I stopped and then continued on to the door where I met Pte Demers holding his foot. He said he had been shot and I asked him how it happened. He said a rifle had fallen and shot him while he was sweeping behind the rifle. I then went to get Private Green to watch him

for the M.P. returned with Capt. Harvey and Sgt. Pugh. While they were giving Pte Dermer I went.

while I went to look at the gun. I found it on the floor half ways under the bed with the muzzle pointing towards the wall. Seeing it was cocked I picked it up took the magazine off and eased the action forward. I then laid it on the bed.

Cross examined by the Defence.

Q.1 When did you leave the accused? in the room?
A.1 When I told him to sweep from the other end of the room.

Q.2 For how long did you leave him?
A.2 Anywhere from one half minute to a minute. I wouldn't be quite sure on that .

Cross examination by the court.

Q.1 Will you describe the gun.
A.1 It was a Tommy gun and it was cocked with a magazine on it.

Q.2 Did you see a Tommy gun on the bed when you went out?
A.2 No.

Q.3 Was the bed disarranged when you came back.
A.3 I did not notice.

The witness demonstrates the position of the Tommy gun and states: "There was blood on the floor one foot from the butt of the Tommy gun."

Q.4 Did you notice any damage to thewalls or floor and did you find any bullet?
A.4 I just found the spent case and no mark on the wall or floor.

He answered that I also has to mop up and wash the floor of the room. I started sweeping from the near left hand side corner as you come in, but the guard told me to go and start from the corner opposite the door, which I did. I started sweeping and noticed a T.S.M.G. which was leaning on the wall, butt down. I swept around it but must have misplaced it with my broom as it fell to the floor behind me. I put my foot and it went. At first I didn't realize what had happened and then felt a [illegible] than noticed I was wounded. I ran to the door with a view to notifying the guard. As I approached the door the guard was arriving and I told him that I had just been wounded. The accused demonstrates the position of the T.S.M.G. showing it to be eighteen inches from the bed with butt, on the floor and the muzzle resting against the wall. The defending officer demonstrates the position that the accused was standing in and shows how the Tommy gun was knocked over. The accused had his left foot approx the length of the Tommy gun from the wall.
The prosecuting officer declines to cross examine the accused.
Cross Examination by the court.

Ques. Did you recognize this boot (Exhibit A) as the boot you were wearing at the time you were wounded.
Ans.1 Yes.

Que 2 Where did the bullet enter & come out of the boot
Ans 2 It entered in the hole on the right hand side of the boot and came out of the hole on the left hand side.

Que 3 In evidence of Capt Harry he states - quote - "I questioned the accused, he told me that he had been sweeping by a bed when a T.S.M.G. had fallen off the bed discharged and shot him through the foot." Did you tell Capt Harry this?
Ans 3 It is possible that I told him this because I was suffering from pain and could not express myself well in English.

Que 4 Was there any one else in the room at the time this happened
Ans 4 No one else.

Que 5 Can you suggest how it is possible for a shot to go through the boot in that manner if you were standing as you say.
Ans 5 No.

Court adjourned for lunch at 1200 hrs - 1330 hrs

Expert Witness called by the court, Capt C.E. Campbell RCAMC having been duly sworn states -:

Ques by the court
1 Is it possible from your observation of the wound in Pte Demers foot to tell the angle of impact and the course the bullet took through his foot.
Ans 1 The wound of entry was over the medial side of the foot approx three inches above the sole just in front of the ankle. The wound track went forward laterally and downwards and the wound of exit was over the "cuboid bone" near the sole of the foot.

(Cont)

Summing up address by the prosecuting officer :

"The Evidence has shown that the T.S.M.C. was placed on a bed by Gnr Chassagne also that Pte Rogers did not notice a T.S.M.C. on the floor as stated by the accused. Therefore the accused deliberately picked the weapon from the bed and shot himself in the left foot. The path followed by the bullet cannot be explained by the accused nor is it feasable if as the accused has stated it was fired when the weapon fell to the floor.

Summing up address by the defending officer:

If Pte Rogers had remained with the accused, Rogers would have seen that the whole thing was an accident. Rogers should have remained in the room and he would have seen the accident happen.

Prosecuting officer objects on the grounds that the accused is not qualified to say whether or not Rogers supposed to stay
